		18.12 Operating an electronic system in relation to lending
18.12.1	R	Application This section applies to an operator of an electronic system in relation to lending, but only in relation to a person becoming a lender under a P2P agreement.
18.12.2	R	<ul> <li>This section does not apply in relation to a current account agreement where:</li> <li>(1) there is a possibility that the account holder may be allowed to overdraw on the current account without a pre-arranged overdraft or to exceed a pre-arranged overdraft limit; and</li> <li>(2) if the account holder did so, this would be a <i>P2P agreement</i> (overrunning).</li> </ul>
18.12.3	G	Purpose         The purpose of this chapter is to ensure that, where applicable, a firm:         prices and values P2P agreements fairly and appropriately;         will prevent lenders being exposed to risk outside of the parameters advertised at the time of investment;         has a reasonable basis to conclude that a target rate can be reasonably achieved; and         can support the statements made in its disclosures and financial promotions.
18.12.4	R	<ul> <li>In the remainder of this section:</li> <li>(1) references to a P2P agreement include non-P2P agreements included in a P2P portfolio;</li> <li>(2) unless the context otherwise requires, references to "lender" also include a prospective lender;</li> </ul>

		(3) a <i>firm</i> is treated as having determined the <i>price</i> of a <i>P2P agreement</i> in cases other than where the lender and the borrower have entered into a genuine negotiation to determine the <i>price</i> of that <i>P2P agreement</i> ; and
		(4) references to repayment refer to repayment of capital or payment of interest or other charges (excluding any charge for non-compliance with a <i>P2P agreement</i> ).
		Credit risk assessment
18.12.5	R	Where a <i>firm</i> determines the <i>price</i> of a <i>P2P agreement</i> , it must undertake a reasonable assessment of the credit risk of the borrower before the <i>P2P agreement</i> is made.
18.12.6	R	A firm must base its credit risk assessment on sufficient information:
		(1) of which it is aware at the time the <i>credit risk assessment</i> is carried out;
		(2) obtained, where appropriate, from the borrower, and, where necessary, any other relevant sources of information.
		The subject matter of the credit risk assessment
18.12.7	R	The <i>firm</i> must consider the risk that the borrower will not make one or more repayments under the <i>P2P agreement</i> by the due date.
		Scope, extent and proportionality of the credit risk assessment
18.12.8	R	(1) The extent and scope of the <i>credit risk assessment</i> , and the steps that the <i>firm</i> must take to satisfy the requirement that the assessment is a reasonable one and based on sufficient information, is dependent upon, and proportionate to, the individual circumstances of each case.
		(2) The <i>firm</i> must consider:
		(a) the types of information to use in the <i>credit risk assessment</i> ;
		(b) the content and level of detail of the information to use;
		(c) whether the information in the <i>firm's</i> possession is sufficient;
		<ul><li>(d) whether and to what extent to obtain additional information from the borrower;</li></ul>
		<ul> <li>(e) whether and to what extent to obtain information from any other sources;</li> </ul>
		<ul><li>(f) whether and to what extent to verify the accuracy of the information that is used; and</li></ul>
		(g) the degree of evaluation and analysis of the information that is used,
		having regard to the factors listed in (3) where applicable to the agreement.

		(3) The factors to which the <i>firm</i> must have regard when complying with (2) and deciding what steps are needed to make the <i>credit risk</i> <i>assessment</i> a reasonable one include each of the following where applicable to the agreement:
		(a) the type of <i>credit</i> ;
		(b) the amount of the <i>credit</i> or the <i>credit limit</i> ;
		(c) the duration (or likely duration) of the <i>credit</i> ;
		(d) the frequency of the repayments;
		(e) the amount of the repayments;
		(f) the annual percentage rate of charge; and
		(f) any other costs, including any charge for non-compliance with the agreement, which will or may be payable by or on behalf of the borrower in connection with the agreement.
18.12.9	G	The firm may have regard, where appropriate, to information obtained:
		(1) in the course of previous dealings with the borrower but should consider whether the passage of time could have affected the validity of the information and whether it is appropriate to update it;
		(2) as part of conducting a credit-worthiness assessment in relation to a P2P agreement in accordance with ■ CONC 5.5A; or
		(3) as part of assessing affordability in relation to a P2P agreement comprising a home finance transaction, in accordance with ■ MCOB 11 as modified by ■ MCOB 15.
