Chapter 4

Communicating with clients, including financial promotions

4.1 Application

Who? What?

4.1.1 This chapter applies to a firm:

- (1) communicating with a *client* in relation to its *designated investment* business (other than MiFID, equivalent third country or optional exemption business);
- (1A) communicating with a client in relation to its MiFID, equivalent third country or optional exemption business;
 - (2) communicating or approving a financial promotion other than:
 - (a) a financial promotion of qualifying credit, a home purchase plan or a home reversion plan; or
 - (b) a financial promotion in respect of a non-investment insurance contract; or
 - (c) a promotion of an unregulated collective investment scheme that would breach section 238(1) of the Act if made by an authorised person (firms may not communicate or approve such promotions);
 - (d) a financial promotion in relation to a credit agreement, a consumer hire agreement or a credit-related regulated activity; or
 - (e) a financial promotion in relation to a funeral plan contract or a regulated funeral plan activity.
 - (3) when a MiFID investment firm or a credit institution is communicating in connection with selling, or advising clients in relation to, structured deposits as specified by ■ COBS 1.1.1AAR.
- 4.1.1A ■ COBS 4.4.3R applies to a *firm* with respect to the activity of *issuing* electronic money.
- 4.1.1B R (1) TP firms must comply with the rules in (3) and (4) to the extent that those rules do not already apply to those TP firms as a result of ■ GEN 2.2.26R.
 - (2) Gibraltar-based firms must comply with the rules in (3) and (4) to the extent that those rules do not already apply to such a Gibraltar-based firm as a result of ■ GEN 2.3.1R.
 - (3) The rules are those in:

- (a) COBS 4.5.2R (communicating with retail clients general rule);
- (b) COBS 4.10 (approving and confirming compliance of financial promotions); and
- (c) COBS 4.11 (Record keeping: financial promotion).
- (4) The *rules* are those in this chapter in so far as they relate to the *communication* and *approval* of *financial promotions* relating to *qualifying cryptoassets*.
- **4.1.1C** COBS 4.12A.3R and COBS 4.12B.1R apply the *rules* on promoting *restricted* mass market investments and non-mass market investments to TP firms and Gibraltar-based firms.
- - (1) communicates or approves a financial promotion that references the sustainability characteristics of a product or service; or
 - (2) undertakes *sustainability in-scope business* in relation to a *sustainability product*.
- (1) This chapter applies in relation to an authorised professional firm in accordance with COBS 18 (Specialist regimes).
 - (2) This chapter applies, to a limited extent, in relation to communicating or approving a financial promotion that relates to a deposit if the deposit is a structured deposit, cash deposit ISA or cash deposit CTF.
- 4.1.3 G A firm is required to comply with the financial promotion rules in relation to a financial promotion communicated by its appointed representative even where the financial promotion does not require approval because of the exemption in article 16 of the Financial Promotion Order (Exempt persons).

[Note: see section 39 of the Act]

- **4.1.4 G** (1) In COBS 4.3.1 R, the defined term "financial promotion" includes:
 - (a) in relation to MiFID, equivalent third country or optional exemption business, all communications that are marketing communications within the meaning of MiFID; and
 - (b) in relation to *insurance distribution*, all communications that are marketing communications within the meaning of *IDD*.
 - (2) In the case of MiFID, equivalent third country or optional exemption business, certain requirements in this chapter are subject to an exemption for the communication of a third party prospectus in certain circumstances (see recital 73 of the MiFID Org Regulation). This has a similar effect to the exemption in article 70(1)(c) of the Financial Promotion Order, which is referred to in the definition of an excluded communication.

- (3) In this chapter "financial promotion" and "direct offer financial promotion" include communications that are marketing communications for the purposes of the UCITS Directive.
- G 4.1.5 A firm communicating with an eligible counterparty should have regard to the application of COBS to eligible counterparty business (■ COBS 1 Annex 1 Part 1).
- 4.1.6 G Approving a financial promotion without communicating it (which includes causing it to be communicated) is not MiFID, equivalent third country or optional exemption business. Communicating a financial promotion to a person, such as a corporate finance contact or a venture capital contact, who is not a *client* within the meaning of ■ COBS 3.2.1 R (1), ■ COBS 3.2.1 R (2) or COBS 3.2.1 R (4) in respect of the MiFID, equivalent third country or optional exemption business to which the financial promotion relates, is also not MiFID, equivalent third country or optional exemption business. Further guidance on what amounts to MiFID business may be found in ■ PERG 13.
- 4.1.7 G A reference in this chapter to MiFID, equivalent third country or optional exemption business includes a reference to communications that occur before an agreement to perform services in relation to MiFID, equivalent third country or optional exemption business.

[Note: see recital 16 to the MiFID Org Regulation]

What? Modification relating to the KII Regulation

- 4.1.7A R The rules in this chapter do not apply in relation to the form or content of a key investor information document, an EEA key investor information document or a NURS-KII document.
- 4.1.7B G (1) The KII Regulation specifies in an exhaustive manner the form and content of the key investor information document for a UCITS scheme.
 - (2) The form and content of a NURS-KII document is specified by ■ COLL 4.7.3AR (Form and content of a NURS-KII document) and in ■ COLL Appendix 2R (Modifications to the KII Regulation for KIIcompliant NURS).

[Note: see article 3(1) of the KII Regulation]

Who? What? Application to registered persons promoting qualifying cryptoassets

- 4.1.7C R (1) This chapter applies to a registered person communicating a financial promotion relating to one or more qualifying cryptoassets (in reliance on the exemption in article 73ZA of the Financial Promotion Order) as it applies to an authorised person communicating a financial promotion relating to one or more qualifying cryptoassets.
 - (2) For the purpose of (1), relevant references in this chapter to a firm include reference to a registered person.

- (3) Where a rule in the Handbook applies to a registered person communicating a financial promotion relating to one or more qualifying cryptoassets, relevant references to a client include reference to a person to whom a financial promotion is, or is likely to be, communicated by the relevant registered person.
- (4) A registered person must establish, implement and maintain adequate policies and procedures sufficient to ensure its compliance with its obligations under the rules when communicating financial promotions relating to qualifying cryptoassets.

4.1.7D G

- (1) COBS 4.1.7CR(1) requires a registered person to comply with the relevant rules in this chapter on the form and content of financial promotions (including those in COBS 4.12A). It also requires a registered person to make records of the financial promotions it communicates in compliance with the relevant rules in COBS 4.11 (Record keeping: financial promotion).
- (2) There are other requirements outside this chapter which apply to registered persons communicating financial promotions relating to qualifying cryptoassets, including:
 - (a) Principle 7 (Communications with clients);
 - (b) GEN 1.2 (Referring to approval by the FCA); and
 - (c) GEN 4.5 (Statements about authorisation and regulation by the appropriate regulator).

4.1.7E G

The exemption in article 73ZA of the *Financial Promotion Order* does not give rise to a type of *excluded communication*.

Where? General position

4.1.8 R

- (1) In relation to communications by a *firm* to a *client* in relation to its *designated investment business* this chapter applies in accordance with the *general application rule* and the *rule* on business with *UK clients* from an overseas establishment (■ COBS 1 Annex 1 Part 2 paragraph 2.1R).
- (2) In addition, the *financial promotion rules* apply to a *firm* in relation to:
 - (a) the communication of a financial promotion to a person inside the United Kingdom;
 - (b) the communication of a cold call to a person outside the United Kingdom, unless:
 - (i) it is made from a place outside the *United Kingdom*; and
 - (ii) it is made for the purposes of a business which is carried on outside the *United Kingdom* and which is not carried on in the *United Kingdom*; and
 - (c) the approval of a financial promotion for communication to a person inside the United Kingdom.

- 4.1.9 G [deleted]
- 4.1.10 G Firms should note the territorial scope of this chapter is also affected by:
 - (1) the disapplication for financial promotions originating outside the United Kingdom that are not capable of having an effect within the United Kingdom (section 21(3) of the Act (Restrictions on financial promotion)) (see the defined term "excluded communication");
 - (2) the exemptions for overseas communicators (see the defined term "excluded communication"); and
 - (3) the rules on financial promotions with an overseas element (see ■ COBS 4.9).

4.2 Fair, clear and not misleading communications

The fair, clear and not misleading rule

- 4.2.1 R
- (1) A *firm* must ensure that a communication or a *financial promotion* is fair, clear and not misleading.
- (2) This rule applies in relation to:
 - (a) a communication by the *firm* to a *customer* in relation to designated investment business which is not MiFID, equivalent third country or optional exemption business, other than a third party prospectus;
 - (aa) a communication to an eligible counterparty that is in relation to:
 - (i) MiFID or equivalent third country business other than a third party prospectus; or
 - (ii) insurance distribution;
 - (ab) a communication by the *firm* to a *customer* in relation to *MiFID*, equivalent third country or optional exemption business, other than a *third party prospectus*;
 - (b) a financial promotion communicated by the firm that is not:
 - (i) an excluded communication;
 - (ii) a non-retail communication;
 - (iii) a third party prospectus; and
 - (c) a financial promotion approved by the firm.
- (3) As part of complying with (1), a *firm* must take into account the nature of the *client*.

[Note: ,article 24(3) and article 30(1) of *MiFID*, article 17(2) of the *IDD* and article 77 of the *UCITS Directive*]

4.2.2 G

(1) The fair, clear and not misleading rule applies in a way that is appropriate and proportionate taking into account the means of communication, the information the communication is intended to convey and the nature of the client and of its business, if any. So a communication addressed to a professional client or an eligible counterparty may not need to include the same information, or be presented in the same way, as a communication addressed to a retail client.

COBS 4 : Communicating with clients, including financial promotions

(2) COBS 4.2.1R(2)(b) does not limit the application of the fair, clear and not misleading rule under ■ COBS 4.2.1R (2) (a). So, for example, a communication in relation to designated investment business that is both a communication to a professional client and a financial promotion, will still be subject to the fair, clear and not misleading

[Note: article 30(1) of MiFID and recital 65 to the MiFID Org Regulation, article 17(2) of the IDD]

G 4.2.3

Part 7 (Offences relating to Financial Services) of the Financial Services Act 2012 creates criminal offences relating to certain misleading statements and practices.

Fair, clear and not misleading financial promotions

4.2.4 G A firm should ensure that a financial promotion:

- (1) for a product or service that places a *client's* capital at risk makes this clear;
- (2) that quotes a yield figure gives a balanced impression of both the short and long term prospects for the investment;
- (3) that promotes an *investment* or service whose charging structure is complex, or in relation to which the firm will receive more than one element of remuneration, includes the information necessary to ensure that it is fair, clear and not misleading and contains sufficient information taking into account the needs of the recipients;
- (4) that names the FCA, PRA or both as its regulator and refers to matters not regulated by either the FCA, PRA or both makes clear that those matters are not regulated by the FCA, PRA or either;
- (5) that offers packaged products or stakeholder products not produced by the firm, gives a fair, clear and not misleading impression of the producer of the product or the manager of the underlying investments.

4.2.5

A communication or a financial promotion should not describe a feature of a product or service as "guaranteed", "protected" or "secure", or use a similar term unless:

- (1) that term is capable of being a fair, clear and not misleading description of it; and
- (2) the firm communicates all of the information necessary, and presents that information with sufficient clarity and prominence, to make the use of that term fair, clear and not misleading.

The reasonable steps defence to an action for damages

4.2.6

R

If, in relation to a particular communication or financial promotion, a firm takes reasonable steps to ensure it complies with the fair, clear and not misleading rule, a contravention of that rule does not give rise to a right of action under section 138D of the Act.

■ Release 36 ● May 2024

4.3 Financial promotions to be identifiable as such

4.3.1 R

(1) A firm must ensure that a financial promotion addressed to a client is clearly identifiable as such.

[Note: article 24(3) of MiFID, article 17(2) of the IDD and article 77 of the UCITS Directive]

- (2) If a financial promotion relates to a firm's MiFID, equivalent third country or optional exemption business, this rule does not apply to the extent that the financial promotion is a third party prospectus.
- (3) If a financial promotion relates to a firm's business that is not MiFID or equivalent third country business, this rule applies to communicating or approving the financial promotion but does not apply:
 - (a) to the extent that it is an excluded communication;
 - (b) to the extent that it is a prospectus advertisement to which article 22 of the Prospectus Regulation applies;
 - (c) if it is image advertising;
 - (d) if it is a non-retail communication;
 - (e) [deleted]
- (4) In the case of a marketing communication that relates to:
 - (a) a UCITS scheme, or
 - (b) insurance distribution,
 - (2) and (3) do not limit the application of this rule.

4.4 Compensation information

4.4.1 R A firm must ensure that any reference in advertising to an investor compensation scheme is limited to a factual reference to the scheme.

[Note: article 10(3) of the *Investor Compensation Directive*]

- **4.4.2 G** [deleted]
- 4.4.3 To ensure that a *firm* pays due regard to the information needs of its *clients*, and communicates information to them in a way which is clear, fair and not misleading with respect to the activity of *issuing electronic money*, a *firm* must ensure that, in good time before the *firm* issues *electronic money* to a *person*, it has been communicated to that *person* on paper or in another *durable medium* that the *compensation scheme* does not cover claims made in connection with *issuing electronic money*.

4.5 **Communicating with retail clients** (non-MiFID provisions)

Application

4.5.1 R

- (1) Subject to (2) and (3), this section applies to a firm in relation to:
 - (a) the provision of information in relation to its designated investment business: and
 - (b) the communication or approval of a financial promotion; where such information or *financial promotion* is addressed to, or disseminated in such a way that it is likely to be received by, a retail client.
- (2) This section does not apply to a *firm* communicating in relation to its MiFID, equivalent third country or optional exemption business.
- (3) This section does not apply in relation to a communication:
 - (a) to the extent that it is an excluded communication;
 - (b) to the extent that it is a prospectus advertisement to which article 22 of the *Prospectus Regulation* applies;
 - (c) if it is image advertising.

General rule

4.5.2

R

A firm must ensure that information:

- (1) includes the name of the firm (and also, where relevant, the name of the firm that has confirmed the compliance of the financial promotion for the purposes of ■ COBS 4.10.9AR(3)(a));
- (1A) where relevant, includes the date on which the financial promotion was approved;
 - (2) is accurate and always gives a fair and prominent indication of any relevant risks when referencing any potential benefits of *relevant* business or a relevant investment:
 - (3) is sufficient for, and presented in a way that is likely to be understood by, the average member of the group to whom it is directed, or by whom it is likely to be received;
 - (4) does not disguise, diminish or obscure important items, statements or warnings.

- (5) uses a font size in the indication of relevant risks that is at least equal to the predominant font size used throughout the information provided, as well as a layout that ensures that such indication is prominent;
- (6) is consistently presented in the same language throughout all forms of information and marketing materials that are provided to each *client*, unless the *client* has agreed to receive information in more than one language; and
- (7) is up-to-date and relevant to the means of communication used.

4.5.2A R

- (1) This rule applies:
 - (a) to a *financial promotion communicated* by way of a website, mobile application or other digital medium; and
 - (b) where the format is such that, where relevant:
 - (i) the name of the *firm* that *approved* or confirmed the compliance of the *financial promotion*; or
 - (ii) the date on which the *financial promotion* was *approved*, cannot reasonably be included in the *financial promotion*.
- (2) The information in (1)(b) may be provided on a webpage to which a link is clearly provided in the *financial promotion*.
- (3) The link in (2) must be in the format: 'Approver FRN [firm reference number of the firm that approved or confirmed the compliance of the financial promotion]'.

4.5.3 G

- (1) The effect of COBS 4.5.2R(1) is that, where relevant and subject to COBS 4.5.2AR, the name of the *firm* that *approved* or confirmed the compliance of a *financial promotion* must be included in that *financial promotion*.
- (2) The name of the *firm* may be a trading name or shortened version of the legal name of the *firm*, provided the *retail client* can identify the *firm* communicating the information and, if different, the *firm* that approved or confirmed the compliance of the *financial promotion*.
- (3) The name of the *firm* (and any link provided pursuant to COBS 4.5.2AR) should be given sufficient prominence to enable the *retail client* to easily identify the *firm* responsible for the compliance of the *financial promotion* with applicable *rules*.

4.5.4 G

In deciding whether, and how, to communicate information to a particular target audience, a *firm* should take into account the nature of the product or business, the risks involved, the *client*'s commitment, the likely information needs of the average recipient, and the role of the information in the sales process.

4.5.5 G

When communicating information, a *firm* should consider whether omission of any relevant fact will result in the information being insufficient, unclear,

unfair or misleading. When considering whether a fact should be included in the communication or omitted from it, a firm should bear in the mind the guidance in ■ COBS 4.2.2G to provide information which is appropriate and proportionate.

Comparative information

4.5.6 R If information compares relevant business, relevant investments, or persons who carry on relevant business, a firm must ensure that the comparison is meaningful and presented in a fair and balanced way

Referring to tax

- (1) If any information refers to a particular tax treatment, a firm must 4.5.7 R ensure that it prominently states that the tax treatment depends on the individual circumstances of each *client* and may be subject to change in future.
 - (2) This rule applies in relation to a financial promotion except to the extent that it relates to a pure protection contract that is a long-term care insurance contract.

Consistent financial promotions

- (1) A firm must ensure that information contained in a financial R promotion is consistent with any information the firm provides to a retail client in the course of carrying on designated investment business.
 - (2) This rule does not apply to a financial promotion to the extent that it relates a pure protection contract that is a long-term care insurance contract.

Innovative finance ISA

- G Examples of information about relevant risks (COBS 4.5.2R) that a firm 4.5.9 should give a retail client in relation to an innovative finance ISA include:
 - (1) an explanation of the tax consequences if:
 - (a) the innovative finance component is a P2P agreement that is not repaid; and
 - (b) an operator of an electronic system in relation to lending which facilitates a P2P agreement fails;
 - (2) the procedure for, timing and tax consequences of:
 - (a) withdrawing a P2P agreement from the innovative finance ISA;
 - (b) a request for transfer of all or part of the innovative finance components in the innovative finance ISA;
 - (3) a warning, as relevant, that it may, or will, not be possible to sell or trade P2P agreements at market value on a secondary market; and

COBS 4/14

4.5.8

(4) an express warning that holding an *investment* within an *innovative* finance ISA does not reduce the risks associated with that *investment* or guarantee returns and that it is possible to lose all of the money invested. This warning should be additional to any more general warning that a product or service places a *client's* capital at risk (COBS 4.2.4G(1)).

4.5.10 G

Operators of electronic systems in relation to lending and firms which advise on P2P agreements should also have regard to the guidance in ■ COBS 14.3.7AG and ■ COBS 14.3.7BG regarding the types of information they should provide to clients to explain the specific nature and risks of P2P agreements.

Lifetime ISA

4.5.11 G

Information about relevant risks (COBS 4.5.2R) that a *firm* should give a *retail client* in relation to a *lifetime ISA* may include:

- (1) an explanation of:
 - a retail client's eligibility to subscribe to a lifetime ISA (including annual subscription limits) and to claim the lifetime ISA government bonus;

.....

- (b) the *lifetime ISA government withdrawal charge* and the circumstances in which it might arise; and
- (c) the process by which a retail client can transfer a lifetime ISA; and
- (2) warnings that, if the retail client:
 - (a) incurs a lifetime ISA government withdrawal charge, the retail client may get back less than they paid in to a lifetime ISA;
 - (b) saves in a *lifetime ISA* instead of enrolling in, or contributing to a *qualifying scheme*, occupational pension scheme, or personal pension scheme:
 - (i) the *retail client* may lose the benefit of contributions by an employer (if any) to that scheme; and
 - (ii) the *retail client's* current and future entitlement to means tested benefits (if any) may be affected.

Authorised fund managers' communications in relation to benchmarks

4.5.11A R

The *rules* in ■ COBS 4.5.12R to ■ COBS 4.5.15R apply to:

- (1) a financial promotion relating to an authorised fund;
- (2) a communication which contains a statement referring to or concerning the past performance of an *authorised fund*; and
- (3) any other communication about an *authorised fund* that refers in any way to the aims of the *fund* or describes the benefits or risks of investing in it.

COBS 4 : Communicating with clients, including financial promotions

R

- 4.5.11B
- As a result of COBS 4.5.11AR, COBS 4.5.12R to COBS 4.5.15R would not normally be expected to apply to administrative communications if those communications do not refer in any way to the aims of an authorised fund or describe the benefits or risks of investing in it. Examples of such communications might include contract notes that simply set out details of the unitholder's purchase or redemption of units, statements of income distributions or accumulations, and confirmations of a change of unitholder registration details.
- 4.5.12

Subject to ■ COBS 4.5.13R, an authorised fund manager must include in any communication about an authorised fund to which this rule applies:

- (1) a short explanation, in terms consistent with the relevant prospectus, of the choice and use of every target benchmark, constraining benchmark or comparator benchmark used in relation to the scheme;
- (2) where no target benchmark, constraining benchmark or comparator benchmark is referred to in the prospectus, a statement to that effect and a short explanation of how investors can assess the performance of the scheme.
- 4.5.13

Where an authorised fund manager includes, in any communication about an authorised fund to which this rule applies, an indication of past performance for any authorised fund it manages, it must (in addition to complying with ■ COBS 4.6.2R where applicable):

- (1) include the corresponding past performance record of any target benchmark or constraining benchmark referred to in the prospectus of the scheme: and
- (2) not include an indication of past performance for any index, indices or similar factor that is not referred to in the prospectus of the scheme.
- 4.5.14
- (1) Subject to paragraph (2), if a communication to which COBS 4.5.13R applies includes information comparing past performance of the scheme against one or more comparator benchmarks, the authorised fund manager must, for the period specified in paragraph (3) and in every subsequent communication it makes that is also subject to ■ COBS 4.5.13R:
 - (a) include a comparison against the same comparator benchmark or comparator benchmarks; and
 - (b) not include a comparison against any other benchmark.
- (2) Paragraph (1) does not apply if such a comparison would not be compliant with ■ COBS 4.5.13R as a result of a change to the prospectus of the scheme.
- (3) The period specified for the purposes of paragraph (1) is:
 - (a) twelve months after a one-off communication is made; or

- (b) for as long as the communication remains available to the public in a *durable medium* and has not been superseded by a revised version.
- **4.5.15** COBS 4.5.12R to COBS 4.5.14R do not apply in respect of any reference to a comparator benchmark that is not identified in the prospectus of the relevant scheme when that reference appears in a communication that is:
 - (1) used exclusively in the course of a personal visit, telephone conversation or other interactive dialogue; or
 - (2) in response to a specific unsolicited request by a *client* for past performance to be compared with a particular *comparator* benchmark.

Funds investing in inherently illiquid assets (FIIAs)

- 4.5.16 R (1) This rule applies to any financial promotion relating to a FIIA except the FIIA's prospectus.
 - (2) A firm must ensure that the following risk warning is given:

"[Name of fund] invests in assets that may at times be hard to sell. This means that there may be occasions when you experience a delay or receive less than you might otherwise expect when selling your investment. For more information on risks, see the prospectus and key investor information document."

- (3) If the financial promotion is a non-real time financial promotion, a firm must ensure that the risk warning is prominently placed in the financial promotion in a font size that is at least equal to the predominant font size used throughout the communication.
- 4.5.17 G The rules in COBS 4.5 do not apply to the form or content of a NURS-KII document (see COBS 4.1.7AR (Modification relating to the KII Regulation)).

- (2) if it also refers to other investments, it must make this clear.

4.10 Approving and confirming compliance of financial promotions

Systems and controls

4.10.1 G

The rules in ■ SYSC 3 (and also for Solvency II firms, the PRA Rulebook: Solvency II firms: Conditions Governing Business) and ■ SYSC 4 require a firm that communicates with a client in relation to designated investment business, or communicates or approves a financial promotion, to put in place systems and controls or policies and procedures, or an effective internal control system, in order to comply with the rules in this chapter.

Approving financial promotions

4.10.1A G

The purpose of ■ COBS 4.10.2R is to ensure that a firm that approves a financial promotion for communication by an unauthorised person:

- (1) satisfies itself of the compliance of that *financial promotion* with the *financial promotion rules*; and
- (2) having approved that financial promotion, takes appropriate steps to ensure that the financial promotion remains compliant for the lifetime of its communication.
- 4.10.1B G
- (1) The effect of section 55NA of the Act is that a firm is unable to approve a financial promotion unless:
 - (a) the *firm* is a *permitted approver* in relation to the *financial promotion*; or
 - (b) an approver permission exemption applies.
- (2) SUP 6A contains guidance on applying for approver permission.
- (3) The requirements in this section that apply to a *firm* after it has approved a *financial promotion* continue to apply even where the *firm* ceases to be entitled to approve that *financial promotion*, for example because it ceases to be a permitted approver in respect of that *financial promotion*. This includes the requirement to monitor continuing compliance of the *financial promotion*. In such a scenario, if the *firm* became aware that the *financial promotion* no longer complied with the *financial promotion rules*, it could withdraw its approval but could not approve amendments to the *financial promotion*.

4.10.2

- (1) Before a firm approves a financial promotion for communication by an unauthorised person, it must confirm that the financial promotion complies with the financial promotion rules.
- (1A) After a firm has complied with (1), and for as long as the financial promotion is communicated, the firm must take reasonable steps to monitor the continuing compliance of that financial promotion with the financial promotion rules.

[Note: for the FCA's guidance on 'Ongoing monitoring' see: https:// www.fca.org.uk/firms/financial-promotions-and-adverts/approvingfinancial-promotions]

A firm that has approved a financial promotion issued, and for communication by, an unauthorised person must require from that person, a written quarterly attestation that there has been no material change:

- (a) to the financial promotion; or
- (b) in circumstances which might affect the continuing compliance of the financial promotion with the financial promotion rules.

For the purpose of (1B), a firm must:

- (a) require the first attestation no less than 3 months after it approves the financial promotion; and
- (b) thereafter, require attestations at least once every 3 months for as long as the financial promotion is communicated.
- (2) If, at any time after a firm has complied with (1), a firm becomes aware that a *financial promotion* no longer complies with the financial promotion rules, it must withdraw its approval and notify any person that it knows to be relying on its approval as soon as reasonably practicable.
- (3) When approving a financial promotion, the firm must confirm compliance with the financial promotion rules that would have applied if the *financial promotion* had been communicated by a *firm* other than in relation to MiFID or equivalent third country business.

4.10.2A R

- (1) This rule applies to a firm that approves:
 - (a) a direct offer financial promotion relating to a restricted mass market investment; or
 - (b) a financial promotion relating to a non-mass market investment, for communication to a retail client.
- (2) A firm must take reasonable steps to ensure, on a continuing basis:
 - (a) that the conditions specified in:
 - (i) COBS 4.12A.15R(1)(b) are being satisfied in relation to each communication of the direct offer financial promotion relating to the restricted mass market investment;
 - (ii) COBS 4.12B.10R(2)(b) are being satisfied in relation to each communication of the financial promotion relating to the non-mass market investment: and

- (b) if the *firm* will not itself carry out the appropriateness assessment required by COBS 4.12A.28R, that the appropriateness assessments undertaken comply with the *rules* specified in COBS 4.12A.28R.
- (3) If the *firm* is not satisfied that the relevant conditions are being satisfied or that the appropriateness assessments undertaken comply with the relevant *rules* then it must withdraw its *approval* of the *financial promotion* in accordance with COBS 4.10.2R(2).
- 4.10.2B G

■ COBS 4.11.6R requires a firm that approves a direct offer financial promotion relating to a restricted mass market investment for communication to a retail client to take reasonable steps to ensure that it is provided with, or has ready access to, information relating to the communication of the direct offer financial promotion. These records should assist the firm in complying with ■ COBS 4.10.2AR.

4.10.2C G

A firm is reminded of its obligations under ESG 4.3.1R when it communicates or approves a financial promotion that makes reference to the sustainability characteristics of a product or service.

4.10.3 G

- (1) Section 21(1) of the Act (Restrictions on financial promotion) prohibits an unauthorised person from communicating a financial promotion, in the course of business, unless an exemption applies or the financial promotion is approved by a firm. Many of the rules in this chapter apply when a firm approves a financial promotion in the same way as when a firm communicates a financial promotion itself.
- (2) A firm may also wish to approve a financial promotion that it communicates itself. This would ensure that an unauthorised person who then also communicates the financial promotion to another person will not contravene the restriction on financial promotion in the Act (section 21).
- (3) Approving a financial promotion for communication by an unauthorised person is not MiFID, equivalent third country or optional exemption business.
- (4) A firm may not approve a financial promotion relating to an unregulated collective investment scheme unless the firm would be able to communicate the promotion without breaching section 238(1) of the Act (see section 240 of the Act). The exemptions from that section in the Financial Services and Markets Act 2000 (Promotion of Collective Investment Schemes) (Exemptions) Order 2001 (as amended from time to time) are relevant.
- (5) The rules in COBS 4.12B prevent a firm from approving a financial promotion for a non-mass market investment for communication to retail clients unless an exemption applies. Where an exemption requires a preliminary assessment of suitability, the effect of COBS 4.12B.7R is that this assessment must be undertaken by the firm approving the financial promotion.
- (6) For the purposes of COBS 4.10.2R(1B), a financial promotion should be considered to be issued by an *unauthorised person* where that

- (7) The effect of COBS 4.10.2R(1A) and (2) and COBS 4.10.2AR(3) is that where a firm identifies that a financial promotion that it has approved is no longer compliant with the financial promotion rules, the firm must withdraw its approval.
- (8) A registered person is not able to approve a financial promotion.

G If a firm: 4.10.3A

- (1) is unable to obtain an attestation required by COBS 4.10.2R(1B), that firm should consider whether to withdraw its approval;
- (2) in response to a request to provide an attestation, is informed of changes which indicate that the financial promotion no longer complies with the financial promotion rules, it must withdraw its approval,

in each case in accordance with ■ COBS 4.10.2R(2).

- R 4.10.4 A firm must not approve a financial promotion to be made in the course of a personal visit, telephone conversation or other interactive dialogue.
- R 4.10.5 If a firm approves a financial promotion in circumstances in which one or more of the financial promotion rules, or the prohibition on approval of promotions for collective investment schemes in section 240(1) of the Act (Restriction on approval), are expressly disapplied, the approval must be given on terms that it is limited to those circumstances.
- 4.10.6 G For example, if a firm approves a financial promotion for communication to a professional client or an eligible counterparty, the approval must be limited to communication to such persons.
- 4.10.7 G If an approval is limited, and an unauthorised person communicates the financial promotion to persons not covered by the approval, the unauthorised person may commit an offence under the restriction on financial promotion in the Act (section 21). A firm giving a limited approval may wish to notify the unauthorised person accordingly.
- G 4.10.7A An approved financial promotion that is addressed to, or disseminated in such a way that it is likely to be received by, a retail client is required to include the name of the firm that approved it and the date on which it was approved (■ COBS 4.5.2R).

Communicating financial promotions

4.10.8

G

If a *firm* continues to *communicate* a *financial promotion* when the *financial promotion* no longer complies with the *rules* in this chapter, it will breach those *rules*.

4.10.9

G

A financial promotion which is clearly only relevant at a particular date will not cease to comply with the financial promotion rules merely because the passage of time has rendered it out-of-date; an example would be a dated analyst's report.

Competence and expertise

4.10.9A R

- (1) A firm must not communicate or approve a financial promotion unless the individual or individuals responsible for the compliance of the financial promotion with the financial promotion rules has or have appropriate competence and expertise.
- (2) Appropriate competence and expertise for the purposes of (1) means competence and expertise in the *investment* or financial service to which the *financial promotion* relates. It does not necessarily, for example, require competence or expertise in the day-to-day commercial activities of a *company* issuing *securities* for the purposes of raising capital.
- (3) If a *firm* (A) determines that it lacks appropriate competence and expertise in relation to a *financial promotion*, it must:
 - (a) have another firm (B) confirm that the financial promotion complies with the financial promotion rules before A communicates that financial promotion; or
 - (b) decline to approve that financial promotion.
- (4) A registered person is not permitted to confirm the compliance of a financial promotion for the purpose of COBS 4.10.9AR(3).

4.10.9B R

A firm must not confirm the compliance of a financial promotion for the purpose of ■ COBS 4.10.9AR(3)(a) unless:

- (a) it is satisfied that the *financial promotion* complies with the *financial promotion rules*; and
- (b) the *individual* or *individuals* responsible for providing that confirmation has or have appropriate competence and expertise.

A *firm* must not confirm the compliance of a *financial promotion* to be made in the course of a personal visit, telephone conversation or other interactive dialogue.

Relying on another firm's confirmation of compliance

4.10.10 R

(1) A firm (A) will not contravene any of the financial promotion rules if it communicates a financial promotion which has been produced by another person and:

- (a) A takes reasonable care to establish that another firm (B) has confirmed that the *financial promotion* complies with the financial promotion rules;
- (b) A takes reasonable care to establish that it communicates the financial promotion only to recipients of the type for whom it was intended at the time B carried out the confirmation exercise:
- (c) so far as A is, or ought reasonably to be, aware:
 - (i) the financial promotion has not ceased to be fair, clear and not misleading since that time; and
 - (ii) B has not withdrawn the financial promotion; and
- (d) A takes reasonable care to establish that B did not breach the approver permission requirement in the context of confirming compliance.
- (2) This rule does not apply in relation to MiFID, equivalent third country or optional exemption business.
- 4.10.11 A firm should inform anyone relying on its confirmation of compliance if it becomes aware that the *financial promotion* no longer complies with the rules in this chapter.

Conflicts of interest

4.10.12

- (1) This rule applies to a firm that:
 - (a) approves a financial promotion for communication by an unauthorised person; or
 - (b) confirms the compliance of a financial promotion for the purposes of ■ COBS 4.10.9AR(3)(a).
- (2) A firm must take all appropriate steps to identify and to prevent or manage conflicts of interest between the firm, including its managers, employees and appointed representatives (or, where applicable, tied agents), or any person directly or indirectly linked to them by control, and a person for whom the firm:
 - (a) approves a financial promotion; or
 - (b) confirms the compliance of a *financial promotion*.

4.11 Record keeping: financial promotion

General

4.11.1 R

- (1) A firm must make an adequate record of any financial promotion:
 - (a) it communicates;
 - (b) it approves; or
 - (c) of which it confirms compliance (■ COBS 4.10.9AR(3)(a)), other than a *financial promotion* made in the course of a personal visit, telephone conversation or other interactive dialogue.
- (2) For a telemarketing campaign, a *firm* must make an adequate record of copies of any scripts used.
- (2A) [deleted] [Editor's note: This provision now appears with minor amendments at COBS 4.11.4R]
- (2B) In respect of each financial promotion in (1), a firm must make an adequate record demonstrating how it has satisfied itself that it has the necessary competence and expertise required by COBS 4.10.9AR.
 - (3) A *firm* must retain the record in relation to a *financial promotion* relating to:
 - (a) a pension transfer, pension conversion, pension opt-out or FSAVC, indefinitely;
 - (b) a life policy, occupational pension scheme, SSAS, personal pension scheme or stakeholder pension scheme, for six years;
 - (c) MiFID or equivalent third country business, for five years; and
 - (d) any other case, for three years.
- (4) If a communication relates to a firm's MiFID, equivalent third country or optional exemption business, this section does not apply:
 - (a) to the extent that the communication is a third party prospectus;
 - (b) if it is image advertising;
 - (c) if it is a non-retail communication.
- (5) If a communication relates to a *firm*'s business that is not *MiFID* or equivalent third country business, this section does not apply:
 - (a) to the extent that it is an excluded communication;

- (b) to the extent that it is a prospectus advertisement to which article 22 of the *Prospectus Regulation* applies;
- (c) if it is image advertising;
- (d) if it is a non-retail communication;
- (e) [deleted]
- (f) to the extent that it relates to a pure protection contract that is a long-term care insurance contract.
- G 4.11.1A A MiFID investment firm, third country investment firm or MiFID optional exemption firm should refer to the requirements on record keeping in the MiFID Org Regulation and ■ SYSC 9.
- 4.11.2 G A firm should consider maintaining a record of why it is satisfied that the financial promotion complies with the financial promotion rules.
- G 4.11.3 If the *financial promotion* includes market information that is updated continuously in line with the relevant market, the record-keeping rules do not require a firm to record that information.

Promotions of restricted mass market investments and nonmass market investments

4.11.4 If a firm communicates or approves a financial promotion which relates to a non-mass market investment where that financial promotion is addressed to or disseminated in such a way that it is likely to be received by a retail client:

- (1) the person allocated the compliance oversight function in the firm must make a record at or near the time of the communication or approval certifying that the promotion complies with the restrictions set out in section 238 of the Act and in ■ COBS 4.12B, as applicable;
- (2) the making of the record required in (1) may be delegated to one or more employees of the firm who report to and are supervised by the person allocated the compliance oversight function, provided the process for certification of compliance has been reviewed and approved by the person allocated the compliance oversight function no more than 12 months before the date of the communication or approval of the promotion;
- (3) as part of the record required in (1), the firm must make a record of which exemption was relied on for the purposes of the promotion, together with the reason why the *firm* is satisfied that that exemption applies;
- (4) where the firm relies on an exemption that requires investor certification and warnings to investors, the record required in (1) must include a record of any certificate or investor statement (as signed by the investor) and of any warnings or indications required by the exemption;
- (5) if the *rules* in COBS 4.12B do not apply because the promotion is an excluded communication (■ COBS 4.12B.4R), the firm must identify in

the record required in (1) which type of *financial promotion* defined as an *excluded communication* corresponds to the promotion being made, including, where applicable, which article in the *Financial Promotion Order* or in the *Promotion of Collective Investment Schemes Order* was relied on for the purposes of the promotion, together with the reason why the *firm* is satisfied that the exemption applies.

4.11.5 R

- (1) This rule applies to a firm that communicates or may communicate a direct offer financial promotion in relation to a restricted mass market investment to which COBS 4.12A.15R applies.
- (2) A firm must make an adequate record of:
 - (a) the categorisation of each *retail client* (■ COBS 4.12A.21R) and the evidence obtained in support of that categorisation;
 - (b) where an appropriateness assessment is undertaken (■ COBS 4.12A.28R):
 - (i) the total number of assessments undertaken;
 - (ii) the number of assessments resulting in a determination that the *investment* was appropriate;
 - (iii) the number of assessments resulting in a determination that the *investment* was not appropriate;
 - (iv) in respect of each *retail client*, the outcome of the appropriateness process; and
 - (v) in respect of each *retail client*, the number of times that *retail client* was subject to an appropriateness assessment in respect of the same *investment*.

4.11.6 R

A firm that approves a direct offer financial promotion in relation to a restricted mass market investment to which ■ COBS 4.12A.15R applies must take reasonable steps to ensure that:

- (1) adequate records of the information required by COBS 4.11.5R are made in connection with the *communication* of the *direct offer financial promotion*; and
- (2) the *firm* is provided with, or otherwise has ready access to, the records in (1).

4.11.7 R

A *firm* must retain the records required by \blacksquare COBS 4.11.4R and \blacksquare COBS 4.11.5R for 5 years.

4.11.8 R

Where a *firm* is required by ■ COBS 4.12A.44R(2)(b) or ■ COBS 4.12B.13R(2)(b) to maintain a record of its grounds for using an alternative form of risk summary, it must retain the record of its decision for 5 years.

4.12 [deleted]

[Editor's note: The substance of the provisions in COBS 4.12 are now incorporated in, and appear at, COBS 4.12B.]

4.12A Promotion of restricted mass market investments

.....

Purpose

4.12A.1 G

The *rules* in this section:

- (1) require that any financial promotion relating to a restricted mass market investment includes a prescribed form of risk warning;
- (2) restrict the communication and approval of direct offer financial promotions in relation to restricted mass market investments except where certain conditions are satisfied; and
- (3) require that a financial promotion which relates to a restricted mass market investment does not offer to any retail client any form of incentive. The purpose of this rule (■ COBS 4.12A.7R) is to ensure that retail clients are not persuaded or incited to engage in investment activity relating to a restricted mass market investment other than by reference to the features of the investment activity that is the subject of the financial promotion.

.....

Application

4.12A.2 R

This section applies to a firm when communicating a financial promotion, or approving a financial promotion for communication, to a retail client in relation to a restricted mass market investment.

4.12A.3 R

In this section, reference to a firm includes:

- (1) TP firms, to the extent that this section does not already apply to those TP firms as a result of GEN 2.2.26R; and
- (2) Gibraltar-based firms, to the extent that this section does not already apply to such a Gibraltar-based firm as a result of GEN 2.3.1R.

4.12A.4

R | This section does not apply to:

- (1) excluded communications;
- (2) image advertising; or
- (3) financial promotions to the extent that they relate to local authority securities.

- 4.12A.5
- G
- COBS 4.12A.15R does not apply in relation to credit union subordinated debt or to deferred shares issued by a credit union. Firms are reminded that
- CREDS 3A contains requirements regarding the retail distribution and financial promotion of these instruments.
- 4.12A.6
- G

The requirements in this section relating to the provision of risk warnings are in addition, and without prejudice, to firms' other obligations in relation to the provision of information.

Restrictions on monetary and non-monetary incentives

4.12A.7 R

- (1) A firm must not communicate or approve a financial promotion which relates to a restricted mass market investment and which offers to a retail client any monetary or non-monetary incentive.
- (2) The rule in (1) does not apply where the conditions in paragraph (3) or (4) are satisfied.
- (3) The conditions are that:
 - (a) the relevant incentive is a product or service produced or provided by the person, or a member of the group of the person, who will benefit from the proceeds of the investment; and
 - (b) the financial promotion relates to a non-readily realisable security, P2P agreement, P2P portfolio or a unit in a long-term asset fund.
- (4) The conditions are that the incentive is:
 - (a) offered for the exclusive purpose of encouraging a retail client to transfer their existing holding of one or more restricted mass market investments from an existing arrangement with one person to a different arrangement with another person; and
 - (b) not structured in such a way as to encourage further investment in any restricted mass market investment.
- 4.12A.8

For the purposes of ■ COBS 4.12A.7R, monetary and non-monetary incentives include, but are not limited to:

- (1) offering bonuses when investing in a restricted mass market investment;
- (2) offering bonuses where the client refers another person;
- (3) offering cashback when investing in a restricted mass market investment;
- (4) offering discounts or rebates on fees paid that are linked to volumes of trades made in restricted mass market investments;
- (5) offering free gifts once an investment in a restricted mass market investment has been made such as laptops or mobile telephones; or
- (6) offering any additional free *investments* or offering discounts on investments.

4.12A.9

- (1) Information and research tools do not constitute non-monetary incentives.
- (2) Lower fees or charges not linked to volumes of trades, made available to all *retail clients*, do not constitute a monetary incentive.
- (3) The effect of ■COBS 4.12A.7R(4) is that a financial promotion may offer an incentive to transfer an existing holding of a restricted mass market investment (for example, from one platform to another). However, the incentive must relate solely to the transfer and must not be used to encourage retail clients to otherwise engage in investment activity in relation to restricted mass market investments.

4.12A.9A G

Subject to ■ COBS 4.12A.8G and ■ COBS 4.12A.9G, the following factors are otherwise relevant in determining whether a benefit is an incentive:

- (1) A benefit which is intrinsically connected with the *investment* or investment activity that is the subject of the *financial promotion* is unlikely to constitute an incentive for example, voting rights which are carried by a share. However, a benefit which is entirely separable from the *investment* or investment activity that is the subject of the *financial promotion* is likely to be an incentive.
- (2) A benefit which is only available for a fixed period of time, or is contingent upon investing in a restricted mass market investment in the future, is likely to constitute an incentive. This would not include, for example, a benefit which is offered in connection with a specified event, such as the first close of an investment.
- (3) A benefit which is only available to *retail clients* who invest through a particular medium is likely to constitute an incentive for example, a benefit which is only offered to *retail clients* who invest via a social media link.

4.12A.9B G

- (1) COBS 4.12A.7R applies irrespective of the nature of the investment activity. This means that the *rule* applies not only in relation to incentives to *buy restricted mass market investments* but also, for example, to incentives to enter into agreements for the purposes of transacting in *restricted mass market investments*.
- (2) The rationale for offering the incentive is immaterial. This means that the *rule* applies to incentives which are intended, for example, to encourage *retail clients* to make investments ahead of the end of the tax year.

Risk warning

4.12A.10 R

A firm must not communicate or approve a financial promotion which relates to a restricted mass market investment unless it contains a risk warning that complies with **©** COBS 4.12A.11R.

4.12A.11 R

- (1) For the purposes of COBS 4.12A.10R, the *financial promotion* must contain:
 - (a) the following risk warning if the *financial promotion* relates to one or more *non-readily realisable securities*:

Don't invest unless you're prepared to lose all the money you invest. This is a high-risk investment and you are unlikely to be protected if something goes wrong.

(b) the following risk warning if the financial promotion relates to one or more P2P agreements or P2P portfolios:

Don't invest unless you're prepared to lose money. This is a high-risk investment. You may not be able to access your money easily and are unlikely to be protected if something goes wrong.

(c) the following risk warning if the financial promotion relates to a unit in a long-term asset fund:

This is a high-risk investment, and assets may take a long time to buy and sell. Only invest if you can wait (possibly several years) to get your money back. You do not have protection against poor performance.

the following risk warning if the financial promotion relates to one or more qualifying cryptoassets:

Don't invest unless you're prepared to lose all the money you invest. This is a high-risk investment and you should not expect to be protected if something goes wrong.

- (2) Where the number of characters contained in the risk warning in (1) exceeds the number of characters permitted by a third-party marketing provider:
 - (a) the following risk warning must be used if the *financial promotion* relates to one or more non-readily realisable securities or qualifying cryptoassets:

Don't invest unless you're prepared to lose all the money you invest.

(b) the following risk warning must be used if the *financial promotion* relates to one or more P2P agreements or P2P portfolios:

Don't invest unless you're prepared to lose money.

(c) the following risk warning must be used if the *financial promotion* relates to a unit in a long-term asset fund:

This is a high-risk investment, so only invest if you can wait to get your money back.

- (3) Where the financial promotion is, or is to be, communicated by way of a website, mobile application or other digital medium:
 - (a) the risk warning in (1) or (2) must also include a link:
 - (i) in the form of the text: Take 2 mins to learn more; and
 - (ii) which, when activated, delivers an appropriate risk summary in a pop-up box (or equivalent) relating to the type of investment that is the subject of the financial promotion selected from ■ COBS 4 Annex 1R;
 - (b) the link required by (3)(a) need not be:
 - (i) in the form required by (3)(a)(i) if the inclusion of that additional text would exceed the number of characters permitted by a third-party marketing provider;

- (ii) provided if the medium of communication does not allow the incorporation of a link.
- (4) Where the *financial promotion* is *communicated* other than by way of a website, mobile application or other digital medium (and including where the *financial promotion* is a *real time financial promotion*), the risk warning in (1) must be:
 - (a) provided:
 - (i) in a durable medium; or
 - (ii) if the medium of communication means that the risk warning cannot be provided in a *durable medium*, in a manner appropriate to the medium of communication; and
 - (b) however the *financial promotion* is *communicated*, accompanied by an appropriate risk summary:
 - (i) in a durable medium; and
 - (ii) relating to the type of *investment* that is the subject of the *financial promotion* selected from COBS 4 Annex 1R,

unless it is not possible to obtain the information necessary to enable the risk summary to be provided in a *durable medium*.

- (5) (a) A *firm* must omit the words "and you are unlikely to be protected if something goes wrong" from the risk warnings required by (1)(a), (1)(b) or (1)(d) if the conditions in (5)(b) apply.
 - (b) The conditions are that:
 - (i) the financial promotion relates to an investment:
 - (A) that is issued by; or
 - (B) the provision of which involves a,
 - participant firm or an appointed representative of a participant firm; and
 - (ii) the activity of the *person* in (i) is of a type that could give rise to a *protected claim*.
 - (c) A *firm* that omits the words in (a) must make a record of the basis on which the conditions in (b) are met.
- (6) The risk warning required by (1) or (2) and the risk summary required by (4)(b) must comply with COBS 4.12A.36R and COBS 4.12A.38R.
- (7) The risk summary required by (3)(a)(ii) must comply with
 COBS 4.12A.40R and COBS 4.12A.42R.
- (8) Where the financial promotion relates to a unit in a long-term asset fund, the appropriate risk summary required by (3)(a)(ii) or (4)(b) (see COBS 4 Annex 1R(7) (Risk summary for units in a long-term asset fund)) must be adapted to reflect the characteristics of the relevant LTAF, particularly the dealing arrangements for the LTAF and the applicable notice period.
- 4.12A.12 G
- (1) Reference in COBS 4.12A.11R(5)(b)(i)(B) to the 'provision' of an investment is to a person developing, managing or packaging an investment such as an operator. It does not refer to persons involved

- in distributing, or intermediating the sale of, an investment such as a financial adviser, a person arranging investments or an operator of an electronic system in relation to lending.
- (2) A firm relying on COBS 4.12A.11R(5) should consider obtaining external legal advice (from legal advisers with relevant expertise and experience) on the appropriateness of omitting the words in that rule from a risk warning. Any such advice should be recorded as part of the firm's compliance with ■ COBS 4.12A.11R(5)(c).

4.12A.13 G

- (1) Even where it is not possible to provide a risk warning in a durable medium (for example, because the financial promotion is a real time financial promotion), the recipient of the financial promotion must still ordinarily be provided with an appropriate risk summary in a durable medium at or around the time that the financial promotion is communicated (■ COBS 4.12A.11R(4)(b)).
- (2) It is unlikely to be possible to comply with COBS 4.12A.11R(4)(b) where the financial promotion is communicated by means of (without limitation) a television or radio broadcast. In such a case, the financial promotion must still include the relevant risk warning specified in ■ COBS 4.12A.11R(1).

Direct offer financial promotions

4.12A.14 G

- (1) COBS 4.12A.15R to COBS 4.12A.35G apply in relation to direct offer financial promotions to retail clients in relation to restricted mass market investments.
- (2) A firm may communicate information about a P2P agreement or a P2P portfolio to a retail client before ■ COBS 4.12A.15R applies, provided that the defining elements of a direct offer financial promotion are not present in that communication. This information may comprise, without limitation, mandatory disclosures applicable to that firm, such as those set out in ■ COBS 18.12.24R to ■ COBS 18.12.28R, including information about:
 - (a) the identity of the borrower(s);
 - (b) the price or target rate, provided they are accompanied by a fair description of the anticipated actual return, taking into account fees, default rates and taxation;
 - (c) the term;
 - (d) the risk categorisation; and
 - (e) a description of any security interest, insurance, guarantee or other risk mitigation measures adopted by the firm.
- (3) COBS 4.12A.18R (First condition: cooling off period) does not apply where a direct offer financial promotion to a retail client relates only to a unit in a long-term asset fund.

4.12A.15 R

- (1) Unless permitted by COBS 4.12A.17R and subject to (2), (3) and (4), a firm must not:
 - (a) communicate a direct offer financial promotion relating to a restricted mass market investment to a retail client unless the

conditions in ■ COBS 4.12A.18R (cooling off period), ■ COBS 4.12A.20R (personalised risk warning), ■ COBS 4.12A.21R (categorisation) and ■ COBS 4.12A.28R (appropriateness) are satisfied; or

- (b) approve a direct offer financial promotion relating to a restricted mass market investment for communication to a retail client unless the firm is satisfied that the conditions in COBS 4.12A.18R (cooling off period), COBS 4.12A.20R (personalised risk warning), COBS 4.12A.21R (categorisation) and COBS 4.12A.28R (appropriateness) will be satisfied in relation to each communication of the direct offer financial promotion.
- (2) The conditions in COBS 4.12A.18R (cooling off period) and COBS 4.12A.20R (personalised risk warning) do not need to be satisfied if the retail client has previously received a direct offer financial promotion relating to a restricted mass market investment from the same person as would otherwise need to satisfy them.
- (3) The condition in COBS 4.12A.28R (appropriateness) does not need to be satisfied if the specific type of restricted mass market investment to which the direct offer financial promotion relates has previously been assessed as appropriate for the retail client by the same person as would otherwise need to undertake the assessment.
- (4) Where the direct offer financial promotion relates only to a unit in a long-term asset fund:
 - (a) the condition in COBS 4.12A.18R (cooling off period) does not apply; and
 - (b) the condition in ■COBS 4.12A.20R (personalised risk warning) does not need to be satisfied if the *retail client* has previously received a *direct offer financial promotion* relating to a *unit* in a *long-term asset fund* from the same *person* that would otherwise need to satisfy the condition.

4.12A.16 G The effect of ■ COBS 4.12A.15R and related provisions in this section is that:

- (1) a personalised risk warning and cooling off period are only required on the first occasion that a firm, or other person communicating an approved direct offer financial promotion, communicates a direct offer financial promotion relating to a restricted mass market investment (other than a unit in a long-term asset fund) to a particular retail client;
- (1A) where a direct offer financial promotion relates only to a unit in a long-term asset fund:
 - (a) a personalised risk warning is required only on the first occasion that a firm, or other person communicating an approved direct offer financial promotion, communicates a direct offer financial promotion to a particular retail client; and
 - (b) a cooling off period is not required;
 - (2) an appropriateness assessment is only required on the first occasion that a particular *retail client* responds to a *direct offer financial promotion* relating to a specific type of *restricted mass market investment* (although a *firm* should consider whether it would be in

- the best interests of the *retail client* for a further assessment to be undertaken, for example due to lapse of time, even where this is not required); and
- (3) in any case, a direct offer financial promotion relating to a restricted mass market investment can only be communicated to a retail client who has a current statement (completed and signed within the period of 12 months ending with on the day on which the communication is to be made) of a type falling within ■ COBS 4.12A.22R and which applies to the type of restricted mass market investment to which the direct offer financial promotion relates.

4.12A.17 R

A firm may communicate or approve a direct offer financial promotion relating to a restricted mass market investment to, or for communication to, a retail client if:

- (1) the *firm* itself will comply with the suitability *rules* (■ COBS 9 and 9A) in relation to the investment promoted; or
- (2) the retail client has confirmed before the promotion is made that they are a retail client of another firm that will comply with the suitability *rules* (■ COBS 9 and ■ 9A) in relation to the *investment* promoted; or
- (3) the retail client is a corporate finance contact or a venture capital contact.

First condition: cooling off period

4.12A.18 R

- (1) The first condition is that following the retail client's request to receive the direct offer financial promotion, the firm, or other person communicating the direct offer financial promotion:
 - (a) allows a period of at least 24 hours (the 'cooling off period') to elapse before communicating the direct offer financial promotion;
 - (b) following the lapse of time in (a), invites the retail client to specify whether they wish to:
 - (i) leave the investment journey; or
 - (ii) continue to receive the direct offer financial promotion; and
 - (c) the retail client specifies that they wish to continue to receive the direct offer financial promotion.
- (2) The options in (1)(b) must be presented with equal prominence.
- (3) This condition does not apply if the direct offer financial promotion relates only to units in a long-term asset fund.

4.12A.19 G

■ COBS 4.12A.18R does not prevent the *person* who is subject to it from engaging with the retail client during the cooling off period. This includes for the purposes of providing the *client* with the personalised risk warning required by ■ COBS 4.12A.20R and obtaining the information necessary to undertake the appropriateness assessment required by ■ COBS 4.12A.28R.

Second condition: personalised risk warning

4.12A.20 R

- (1) Subject to (1A) below, the second condition is that before communicating the direct offer financial promotion, the firm, or other person communicating the direct offer financial promotion:
 - (a) obtains the retail client's full name; and
 - (b) having obtained the *retail client's* name, communicates to that *retail client* the following personalised risk warning:

[Client name], this is a high-risk investment. How would you feel if you lost the money you're about to invest? Take 2 mins to learn more.

- (1A) Where the direct offer financial promotion relates to a unit in a longterm asset fund, the second condition is that before communicating the direct offer financial promotion, the firm, or other person communicating the direct offer financial promotion:
 - (a) obtains the retail client's full name; and
 - (b) having obtained the *retail client's* name, communicates to that *retail client* the following personalised risk warning:

[Client name], this is a high-risk investment, and assets may take a long time to buy and sell. Only invest if you can wait (possibly several years) to get your money back. You do not have protection against poor performance. Take 2 mins to learn more.

[Editor's note: The last sentence in this text will be underlined in the final rules.]

- (2) If the direct offer financial promotion is, or is to be, communicated by means of a website, mobile application or other digital medium, the personalised risk warning in (1)(b) or (1A)(b) must:
 - (a) be clearly brought to the *retail client's* attention by means of a pop-up box (or equivalent);
 - (b) include a link which, when activated, delivers an appropriate risk summary in a further pop-up box (or equivalent):
 - (i) relating to the type of restricted mass market investment that is the subject of the direct offer financial promotion; and
 - (ii) selected from COBS 4 Annex 1R; and
 - (c) be accompanied by an invitation to the *retail client* to specify whether they wish to:
 - (i) leave the investment journey; or
 - (ii) continue to receive the direct offer financial promotion.
- (3) If the *direct offer financial promotion* is, or is to be, *communicated* other than by means of a website, mobile application or other digital medium:
 - (a) the personalised risk warning in (1)(b) or (1A)(b) must be:
 - (i) provided to the *retail client* omitting the words "Take 2 mins to learn more"; and
 - (ii) accompanied by an appropriate risk summary in a durable medium relating to the type of restricted mass market

investment that is the subject of the direct offer financial promotion selected from ■ COBS 4 Annex 1R; and

- (b) the retail client must then be invited to specify whether they wish to:
 - (i) leave the investment journey; or
 - (ii) continue to receive the direct offer financial promotion.
- (4) The options in (2)(c) and (3)(b) must be presented with equal prominence.
- (5) This condition:
 - (a) is only satisfied if the retail client specifies that they wish to continue to receive the direct offer financial promotion; and
 - (b) must be satisfied before steps are taken to satisfy the conditions in COBS 4.12A.21R (categorisation) and ■ COBS 4.12A.28R (appropriateness).
- (6) The personalised risk warning required by (1)(b) or (1A)(b) and the risk summary required by (2)(b) must comply with ■ COBS 4.12A.40R and ■ COBS 4.12A.42R.
- (7) The risk summary required by (3)(a)(ii) must comply with ■ COBS 4.12A.36R and ■ COBS 4.12A.38R.
- (8) Where the financial promotion relates to a unit in a long-term asset fund, the appropriate risk summary required by (2)(b) or (3)(a)(ii) (see COBS 4 Annex 1R(7) (Risk summary for units in a long-term asset fund)) must be adapted to reflect the characteristics of the relevant LTAF, particularly the dealing arrangements for the LTAF and the applicable notice period.

Third condition: categorisation

4.12A.21 R

The third condition is that before communicating the direct offer financial promotion, the firm, or other person communicating the direct offer financial promotion, takes reasonable steps to establish that the retail client

- (1) certified as:
 - (a) a 'high net worth investor';
 - (b) a 'sophisticated investor'; or
 - (c) a 'restricted investor', or
- (2) if the direct offer financial promotion relates to a non-readily realisable security, a P2P agreement, a P2P portfolio or a unit in a long-term asset fund, self-certified as a 'sophisticated investor',

in each case in accordance with ■ COBS 4.12A.22R.

4.12A.22 R

- (1) A certified high net worth investor, a certified sophisticated investor, a self-certified sophisticated investor or a restricted investor is an individual:
 - (a) who has completed and signed, within the period of 12 months ending on the day on which the communication is made, a

statement in the terms set out in the applicable rule listed below and as modified by (2):

- (i) certified high net worth investor: COBS 4 Annex 2R;
- (ii) certified sophisticated investor: COBS 4 Annex 3R;
- (iii) self-certified sophisticated investor: COBS 4 Annex 4R;
- (iv) restricted investor: COBS 4 Annex 5R; and
- (b) whose completion of the statement in (a) indicates that they meet the relevant criteria to be categorised as such.
- (2) When used in relation to *P2P agreements* or a *P2P portfolio*, the statement in COBS 4 Annex 4R (self-certified sophisticated investor) must be modified as follows:
 - (a) the reference to "an unlisted company" must be replaced with a reference to "a P2P agreement or P2P portfolio"; and
 - (b) the reference to "private equity, or in the provision of finance for small and medium enterprises" must be replaced with a reference to "the provision of finance, resulting in an understanding of the P2P agreements or P2P portfolios to which the promotions will relate".

4.12A.23 E

For the purposes of ■ COBS 4.12A.21R, a *firm* (or relevant other *person*) will have taken reasonable steps to establish the certification of a *retail client* where:

- (1) the *firm* (or other *person*) has obtained the relevant completed certificate from the *retail client*; and
- (2) the *retail client's* completion of the certificate evidences that the *retail client* meets the criteria to be certified as such.

4.12A.24 G

Where the *direct offer financial promotion* will relate to more than one type of *restricted mass market investment*, the condition in ■ COBS 4.12A.21R may be satisfied by the *retail client* signing a combined statement that meets the requirements in ■ COBS 4 Annex 2R to ■ COBS 4 Annex 5R, as applicable, in respect of each type of *restricted mass market investment* to which the *direct offer financial promotion* will relate.

4.12A.25 G

- (1) Where the restricted investor statement (■ COBS 4 Annex 5R) refers to a restricted investor not investing more than 10% of their net assets, this refers to the *retail client's* aggregate investment across all types of *restricted mass market investment*.
- (2) However, a retail client may be informed that they need not include in the calculation referred to in (1) any investment in a restricted mass market investment made in response to a direct offer financial promotion for the purpose of which they were categorised as sophisticated (whether on a certified or self-certified basis).

4.12A.26 R

A firm must not:

(1) influence, or seek to influence, the information that a *retail client* provides when completing a certificate in ■ COBS 4.12A.22R; or

(2) encourage a *retail client* to complete a further certificate in the event that a *client's* signed certificate indicates that they do not meet the criteria to be categorised as a high net worth, sophisticated or restricted investor, as applicable.

Fourth condition: appropriateness

4.12A.27 G

- (1) The fourth condition is relevant if the recipient of the *direct offer financial promotion* makes an application or order for a *restricted mass market investment* in response to that *direct offer financial promotion*.
- (2) The fourth condition requires a restricted mass market investment to be assessed as appropriate for a retail client before an application or order is processed. The rules and guidance are not prescriptive as to how such an assessment is undertaken. The condition is designed to ensure that retail clients are only able to invest in restricted mass market investments which they have the knowledge and experience to understand, particularly in relation to the risks. Appropriateness processes should be designed to this end.

4.12A.28 R

- (1) The fourth condition applies where the *firm* itself or the *person* who will
 - (a) arrange or deal in relation to a non-readily realisable security;
 - (b) facilitate the *retail client* becoming a lender under a *P2P* agreement or a *P2P portfolio*; or
 - (c) arrange or deal in relation to a unit in a long-term asset fund, or issue such a unit; or
 - (d) transact in a *qualifying cryptoasset*, is aware, or ought reasonably to be aware, that an application or order is in response to the *direct offer financial promotion*.
- (2) The condition is that the *firm* or *person* in (1) will only process the application or order once it has assessed that the *restricted mass* market investment is appropriate for the *retail client* in compliance with the *rules* in COBS 10 or COBS 10A (as applicable) or equivalent requirements as modified and supplemented by COBS 4.12A.30R to COBS 4.12A.32R.

4.12A.29 G

- (1) If the *person* in COBS 4.12A.28R(1) is not a *firm*, the effect of COBS 4.12A.28R(2) is that the *person* is required to undertake that assessment as if the *rules* in COBS 10 or COBS 10A applied to them.
- (2) The firm or person in COBS 4.12A.28R(1) can gather information for the purpose of assessing, and undertake its assessment of, whether a restricted mass market investment is appropriate for a retail client before the end of any 'cooling off period' required by COBS 4.12A.18R.

4.12A.30 R

In the course of providing information regarding their knowledge and experience for the purpose of the appropriateness assessment required by COBS 4.12A.28R, the *retail client* must not be provided with assistance, information, guidance or feedback which might affect the substance of the information that they provide.

4.12A.31 R

- R
- (1) This rule applies if:
 - (a) a restricted mass market investment is assessed as not being appropriate for a particular retail client; and
 - (b) the assessment of appropriateness is based on a series of questions which the *retail client* is required to answer.
- (2) The *retail client* must not be informed of the particular answers which led to the *restricted mass market investment* being assessed as not appropriate for them.
- (3) Any further assessment of the appropriateness of that restricted mass market investment for that retail client must not be based on the same questions as were used for the purpose of a previous assessment of the appropriateness of that restricted mass market investment for that retail client.

4.12A.32 R

- (1) This *rule* applies where a first and second assessment have both determined that a *restricted mass market investment* is not appropriate for a particular *retail client*.
- (2) Following the second, and each and every subsequent, determination that a restricted mass market investment is not appropriate for a retail client, any further assessment of the appropriateness of that restricted mass market investment for that retail client must not be undertaken for at least 24 hours.

4.12A.33 G

The effect of ■ COBS 4.12A.28R to ■ COBS 4.12A.32R is that:

- (1) direct offer financial promotions relating to restricted mass market investments may only be communicated, or approved for communication, to retail clients if any application or order received in response to that direct offer financial promotion will be fulfilled only where that restricted mass market investment has been assessed as being appropriate for that retail client;
- (2) if the assessment of appropriateness results in the provision of a warning (a determination that the restricted mass market investment is not appropriate for the retail client (■ COBS 10.3 or COBS 10A.3)), then an order or application received in response to a direct offer financial promotion may not be fulfilled; and
- (3) the circumstances in which an assessment of appropriateness need not be undertaken (■ COBS 10.4 and COBS 10A.4) are not relevant for the purpose of the fourth condition.

4.12A.34 G

When gathering information regarding a retail client's knowledge and experience for the purpose of assessing whether a restricted mass market investment is appropriate for that retail client, the firm or person undertaking the assessment should:

- (1) avoid asking the *retail client* questions that invite binary (yes/no) answers;
- (2) if asking multiple-choice questions, use questions which offer at least 3 plausible answers (excluding the option to answer 'do not know', or similar); and

(3) ensure that questions address matters that are relevant to the specific type of *investment* in which the *retail client* has expressed interest (see also ■ COBS 10.2.2R).

4.12A.35 G

- (1) A retail client should only be informed of the outcome of an appropriateness assessment once they have provided all of the information required for the assessment to be undertaken.
- (2) COBS 4.12A.31R(2) does not prevent a retail client from being informed of the broad reasons for which a restricted mass market investment was assessed not to be appropriate for them or of the nature of the deficiencies identified in their knowledge or experience. The rule is intended to prevent a retail client from being informed only of the questions within an assessment which led to a restricted mass market investment being assessed not to be appropriate such that the *client* is able simply to change their answer in any subsequent assessment without improving their own understanding.
- (3) For the purposes of COBS 4.12A.31R(3), any questions used to undertake a further assessment of appropriateness should be sufficiently different such that the retail client could not simply infer the answers that would lead to an assessment of appropriateness from the outcome of their responses to a previous set of guestions.
- (4) A firm should consider whether the particular features of a restricted mass market investment mean that an interval of greater than 24 hours should be applied following a second assessment (and any subsequent assessment) that that investment is not appropriate for a retail client (■ COBS 4.12A.32R(2)).
- (5) A retail client may be informed of the option to re-apply to buy a restricted mass market investment following a determination that the restricted mass market investment is not appropriate for them. However, the retail client should not be encouraged to do so.

Requirements of risk warnings and non-digital risk summaries

4.12A.36 R

- (1) The relevant risk warning in COBS 4.12A.11R(1) or (2) and the relevant risk summaries in ■ COBS 4.12A.11R(4)(b) and COBS 4.12A.20R(3)(a)(ii) must:
 - (a) be prominent, taking into account the content, size and orientation of the financial promotion as a whole;
 - (b) except where the risk warning cannot be provided in writing, be clearly legible, contained within its own border and with bold and underlined text as indicated in ■ COBS 4.12A.11R or COBS 4 Annex 1R.
- (2) The relevant risk warning in COBS 4.12A.11R(1) or (2) must, if the financial promotion is, or is to be, communicated by means of:
 - (a) a website or mobile application:
 - (i) be statically fixed and visible at the top of the screen, below anything else that also stays static, even when the retail client scrolls up or down the webpage; and
 - (ii) be included as described in (i) on each linked webpage on the website or page on the application relating to the relevant investment;

(b) a television broadcast, be prominently fixed on the screen for the duration of the broadcast.

4.12A.37 G

- (1) The FCA expects firms to take account of the latest version of the international Web Content Accessibility Guidelines (WCAG) accessibility standard when designing digital financial promotions and, in particular, how the risk warning will be displayed: https://www.w3.org/WAI/WCAG21/quickref/
- (2) Firms should have regard to the intended or likely recipients of a financial promotion. Where a firm considers that such persons are unlikely to have a good understanding of the English language, a risk warning or risk summary required by the rules in this section should be provided in an appropriate language in addition to English.

4.12A.38 R

The *financial promotion* must not contain any design feature which has the intent or effect of reducing the visibility or prominence of the risk warning or risk summary.

[Note: The FCA has also issued non-Handbook guidance on prominence in financial promotions. See https://www.fca.org.uk/publication/finalised-guidance/fg-fin-proms-prominence.pdf]

4.12A.39 G

For the purposes of ■ COBS 4.12A.38R, design features which might reduce the visibility or prominence of a risk warning or risk summary include, but are not limited to:

- (1) using a font size for the risk warning or risk summary that is smaller than the standard size used in the *financial promotion*;
- (2) using a background colour that does not sufficiently contrast the text or makes it difficult for the *client* to read the text;
- (3) fading the text of the risk warning or risk summary;
- (4) placing the risk warning or risk summary at the bottom of the promotion or embedding it within other standard information, for example legal information or the *firm's* contact details;
- (5) requiring additional links to be clicked in order for the full text of the risk warning to be seen;
- (6) using a font or background in the risk warning or risk summary in the same colours as the *firm's* brand, or using a font or background in the same colours as the rest of the *financial promotion*; and
- (7) using a font or background in the risk warning or risk summary in the same colour as other forms of disclosure and standard information; the colour of the font and background should distinguish the risk warning or risk summary from other forms of information.

Requirements of digital personalised risk warnings and digital risk summaries

4.12A.40 R

The relevant personalised risk warning in ■ COBS 4.12A.20R(2) and the relevant risk summaries in ■ COBS 4.12A.11R(3)(a)(ii) and ■ COBS 4.12A.20R(2)(b) must be:

- (1) prominently brought to the retail client's attention, taking into account the content, size and orientation of the financial promotion as a whole:
- (2) clearly legible, contained within its own border and with bold and underlined text as indicated in ■ COBS 4.12A.20R(1)(b), ■ COBS 4.12A.20R(1A)(b) and ■ COBS 4 Annex 1R;
- (3) statically fixed and visible in the middle of the screen; and
- (4) the main focus of the screen.

4.12A.41 G

- (1) The FCA expects firms to take account of the latest version of the international Web Content Accessibility Guidelines (WCAG) accessibility standard when designing digital financial promotions and, in particular, how the personalised risk warning or risk summary will be displayed: https://www.w3.org/WAI/WCAG21/quickref/
- (2) Firms should have regard to the intended or likely recipients of a financial promotion. Where a firm considers that such persons are unlikely to have a good understanding of the English language, a risk warning or risk summary required by the rules in this section should be provided in an appropriate language in addition to English.

4.12A.42 R

The financial promotion must not contain any design feature which has the intent or effect of reducing the visibility or prominence of the personalised risk warning or risk summary.

[Note: The FCA has also issued non-Handbook guidance on prominence in financial promotions. See https://www.fca.org.uk/publication/finalisedguidance/fg-fin-proms-prominence.pdf]

4.12A.43 G

For the purposes of ■ COBS 4.12A.42R, design features which might reduce the visibility or prominence of a personalised risk warning or risk summary include, but are not limited to:

- (1) using a font size for the personalised risk warning or risk summary that is smaller than the standard size used in the financial promotion;
- (2) using a background colour that does not sufficiently contrast the text or makes it difficult for the retail client to read the text:
- (3) fading the text of the personalised risk warning or risk summary;
- (4) placing the personalised risk warning or risk summary at the bottom of the promotion or embedding it within other standard information, for example legal information or the firm's contact details;
- (5) requiring additional actions to be taken by the retail client, such as requiring additional links to be clicked in order for the full text of the personalised risk warning or risk summary to be seen;
- (6) using a font or background in the risk warning in the same colours as the firm's brand, or using a font or background in the same colours as the rest of the financial promotion; and
- (7) using a font or background in the risk warning in the same colour as other forms of disclosure and standard information; the colour of the

font and background should distinguish the personalised risk warning or risk summary from other forms of information.

.....

Risk summaries

4.12A.44 R

Where a *rule* in this section requires a *firm* to communicate a risk summary selected from ■ COBS 4 Annex 1R, the *firm* must either:

- (1) (subject to COBS 4.12A.46R) provide the risk summary as it appears in COBS 4 Annex 1R; or
- (2) provide a version of the risk summary in COBS 4 Annex 1R in appropriately amended form, provided that:
 - (a) the firm has a valid reason for each amendment;
 - (b) the *firm* makes a record of each amendment and the reason for it;
 - (c) any alternative or additional text is in plain English; and
 - (d) the amended risk summary does not take longer than around 2 minutes to read.

4.12A.45 G

For the purposes of ■ COBS 4.12A.44R(2), the following reasons are considered to be valid:

- (1) the relevant part of the risk summary in COBS 4 Annex 1R would be misleading in relation to the particular *investment*;
- (2) the relevant part of the risk summary in COBS 4 Annex 1R would be irrelevant in relation to the particular *investment*;
- (3) the risk summary in COBS 4 Annex 1R does not include a risk that is relevant to the particular *investment* and it is appropriate for that further risk to be included;
- (4) the sole purpose of the relevant statement in the risk summary is to include a hyperlink to a webpage and the medium of communication does not permit the incorporation of a link;
- (5) the *firm* is required to adapt the risk summary in accordance with COBS 4.12A.11R(8) (Risk warning) or COBS 4.12A.20R(8) (Second condition: personalised risk warning).

This list is not exhaustive.

4.12A.46 R

■ COBS 4.12A.44R(1) does not apply to a *firm* which communicates a risk summary relating to *units* in an *LTAF* (see ■ COBS 4.12A.11R(8) (Risk warning) and ■ COBS 4.12A.20R(8) (Second condition: personalised risk warning)).

4.12A.47 G

A firm communicating a risk summary relating to units in an LTAF (see ■ COBS 4 Annex 1R(7) (Risk summaries)) is required to adapt the risk summary to reflect the characteristics of the relevant LTAF, particularly the dealing arrangements for the LTAF and the applicable notice period (see ■ COBS 4.12A.11R(8) (Risk warning) and ■ COBS 4.12A.20R(8) (Second condition: personalised risk warning)). Other amendments may also be appropriate.

When amending the risk summary, the firm will need to comply with ■ COBS 4.12A.44R(2).

4.12B Promotion of non-mass market investments

.....

Application

- 4.12B.1 R
- This section applies to:
 - (1) firms;
 - (2) TP firms, to the extent that this section does not already apply to those TP firms as a result of GEN 2.2.26R; and
 - (3) Gibraltar-based firms, to the extent that this section does not already apply to such a Gibraltar-based firm as a result of GEN 2.3.1R,

when approving or communicating financial promotions in relation to nonmass market investments.

4.12B.2 G

In addition to the *persons* listed in ■ COBS 4.12B.1R, *persons* (including *unauthorised persons*) who benefit from a temporary exemption or exclusion from the *general prohibition* under:

- (1) Part 7 of the EU Exit Passport Regulations; or
- (2) Part 4 of the Electronic Commerce and Solvency 2 (Amendment etc.) (EU Exit) Regulations 2019 (SI 2019/1361),

are required to comply with the rules in this section as a consequence of:

- (3) regulation 59 of the EU Exit Passport Regulations; or
- (4) regulation 19 of the Electronic Commerce and Solvency 2 (Amendment etc.) (EU Exit) Regulations 2019.
- 4.12B.3 R Throughout this section, references to a *firm* include a *TP firm* and a *Gibraltar-based firm*.
- 4.12B.4 R Th
- This section does not apply to:
 - (1) excluded communications; or
 - (2) financial promotions to the extent that they relate to local authority securities.

Purpose and overview of the rules

G 4.12B.5

- (1) The rules in this section are intended to ensure that financial promotions relating to non-mass market investments are not communicated to ordinary retail investors. They do not apply to excluded communications, to financial promotions to the extent that they relate to local authority securities or to financial promotions insofar as they are directed at clients other than retail clients.
- (2) The rules in this section reflect the often complex and high-risk nature of non-mass market investments.
- (3) The rules in this section therefore restrict firms from approving or communicating financial promotions in relation to non-mass market investments which are addressed to, or disseminated in such a way that they are likely to be received by, a retail client, subject to certain exemptions.
- (4) The exemptions referred to in (3) are set out in COBS 4.12B.7R(5).
- (5) (a) Firms must also comply with COBS 4.12B.7R(1)(b) and the rules in ■ COBS 4.12B.14R to ■ COBS 4.12B.30R (see (b) below) where:
 - (i) the financial promotion relates to a non-mass market investment; and
 - (ii) the firm wishes to rely on exemptions 9 (certified high net worth investors), 10 (certified sophisticated investors) or 11 (self-certified sophisticated investors).
 - (b) COBS 4.12B.7R(1)(b) and COBS 4.12B.14R to COBS 4.12B.31G cover:
 - (i) preliminary assessment of suitability (in relation to exemptions 9 and 11);
 - (ii) personalised risk warning, risk summary and cooling off period;
 - (iii) risk warnings; and
 - (iv) monetary and non-monetary incentives.
- (5A) COBS 4.12B.17R requires that a financial promotion which relates to a non-mass market investment does not offer to any retail client any form of incentive. The purpose of this *rule* is to ensure that retail clients are not persuaded or incited to engage in investment activity relating to a non-mass market investment other than by reference to the features of the investment activity that is the subject of the financial promotion.
 - (6) Where the financial promotion relates to a speculative illiquid security, firms must also comply with ■ COBS 4.12B.32R, ■ COBS 4.12B.33R and ■ COBS 4.12B.35R which relate to the disclosure of costs, charges and commission.
 - (7) The table below explains how the rules apply and to which non-mass market investments the rules apply, after the provisions in ■ COBS 4.12B.4R have been applied.

Promotion of non-mass market investments

4.12B.6

- R
- (1) A firm must not communicate or approve a financial promotion which relates to a non-mass market investment where that financial promotion is addressed to, or disseminated in such a way that it is likely to be received by, a retail client.
- (2) The restriction in (1) is subject to COBS 4.12B.7R and does not apply to units in unregulated collective investment schemes, which are subject to a statutory restriction on promotion in section 238 of the Act.

Exemptions from the restrictions on the promotion of nonmass market investments

4.12B.7

- R
- (1) The restriction in COBS 4.12B.6R does not apply if the following conditions are met:
 - (a) the financial promotion falls within an applicable exemption in the first column in the table in (5) because either:
 - (i) it is made to, or directed at, only those recipients whom the firm communicating the financial promotion has taken reasonable steps to establish are persons in the second column of the table: or
 - (ii) the firm approving the financial promotion has taken reasonable steps to establish that the financial promotion will be made to, or directed at, only those recipients who are persons in the second column of the table;
 - (b) where the third column of the table refers to the need for a preliminary assessment of suitability, that assessment is undertaken before the financial promotion is made to or directed at the recipient;

- (c) the *firm* complies with the relevant *rules* in COBS 4.12B.14R to 4.12B.35R relating to the use of exemptions 9 (certified high net worth investors), 10 (certified sophisticated investors) or 11 (self-certified sophisticated investors), as provided by COBS 4.12B.7R(5).
- (2) For the purposes of COBS 4.12B.7R(1)(a), a firm will have taken reasonable steps to establish that the recipients of the financial promotion are persons in the second column of the table where the firm has:
 - (a) obtained the relevant completed certificate from the *retail client*; and
 - (b) satisfied itself that the *retail client's* completion of the certificate evidences that the *retail client* meets the criteria to be certified as such.
- (3) Where a firm approves or communicates a financial promotion the preliminary assessment of suitability required by COBS 4.12B.7R(1)(b) must be undertaken by that firm.
- (4) A firm may rely on more than one exemption in relation to the same financial promotion.

4.12B.8

R

A firm may communicate an invitation or inducement to participate in an unregulated collective investment scheme without breaching the restriction on promotion in section 238 of the Act if the promotion falls within an exemption in the table in ■ COBS 4.12B.7R(5) and is in accordance with ■ COBS 4.12B.7R(1).

Advice and preliminary assessment of suitability

4.12B.9 G

- (1) Where a firm communicates any promotion of a non-mass market investment in the context of advice, it should have regard to and comply with its obligations under ■ COBS 9 or ■ 9A (as applicable). Firms should also be mindful of the appropriateness requirements in ■ COBS 10 and ■ 10A which apply to a wide range of non-advised services.
- (2) (a) The effect of COBS 4.12B.7R(1)(b) is that where a firm wishes to rely on exemptions 9 (certified high net worth investors) or 11 (self-certified sophisticated investors), as provided by ■ COBS 4.12B.7R(5), the preliminary assessment of suitability must be undertaken before promotion of the non-mass market investment is made to or directed at clients (in addition to other requirements). Where a firm approves or communicates a financial promotion the preliminary assessment of suitability must be undertaken by that firm as required by ■ COBS 4.12B.7R(3).
 - (b) There is no duty to communicate the preliminary assessment of suitability to the *client*. If the *firm* does so, it must not do so in a way that amounts to making a personal recommendation unless it complies with the rules in ■ COBS 9 or ■ 9A (as applicable) on suitability.
 - (c) The requirement for a preliminary assessment of suitability does not extend to a full suitability assessment, unless advice is being offered in relation to the non-mass market investment being promoted, in which case the requirements in ■ COBS 9 or ■ 9A apply (as applicable). However, it requires that the firm takes reasonable steps to acquaint itself with the client's profile and objectives in order to ascertain whether the non-mass market *investment* under contemplation is likely to be suitable for that client. The firm should not promote the non-mass market investment to the client if it does not consider it likely to be suitable for that *client* following such preliminary assessment.

COBS 4/74

Promotions to certified high net worth investors, certified sophisticated investors or self-certified sophisticated investors

4.12B.10 R

- (1) COBS 4.12B.10R to COBS 4.12B.31G apply to *financial promotions* which:
 - (a) relate to non-mass market investments; and
 - (b) are communicated, or are to be communicated, to certified high net worth investors, certified sophisticated investors or selfcertified sophisticated investors for the purposes of the exemptions in ■ COBS 4.12B.7R(5).
- (2) A *firm* may only rely on exemptions 9 (certified high net worth investors), 10 (certified sophisticated investors) or 11 (self-certified sophisticated investors) to:
 - (a) communicate a financial promotion to which this rule applies if the firm has complied with the rules in COBS 4.12B.14R to COBS 4.12B.35R, as appropriate; or
 - (b) approve for communication a financial promotion to which this rule applies if the firm is satisfied that the rules in
 COBS 4.12B.14R to COBS 4.12B.35R, as appropriate, will be satisfied in relation to each communication of the financial promotion.
- (3) The conditions in COBS 4.12B.14R (personalised risk warning) and COBS 4.12B.15R (cooling off period) do not need to be satisfied if the retail client has previously received a financial promotion relating to a non-mass market investment from the same person as would otherwise need to satisfy them.

4.12B.11 G

Where a *firm* is relying on exemptions 9 (certified high net worth investors), 10 (certified sophisticated investors) or 11 (self-certified sophisticated investors), in accordance with ■ COBS 4.12B.7R(1)(a), it must first take reasonable steps to establish that the *retail client* falls into one of those categories and then the *firm* must undertake a preliminary assessment of suitability in accordance with ■ COBS 4.12B.7R(1)(b), where relevant. Once a *firm* has completed these steps, it must comply with the *rules* in ■ COBS 4.12B.14R to ■ COBS 4.12B.35R.

4.12B.12 G

The effect of COBS 4.12B.10R(3) and related provisions in this section is that a personalised risk warning and cooling off period are only required on the first occasion that a *firm*, or other *person communicating* a *financial* promotion, communicates a *financial* promotion relating to a *non-mass* market investment to a particular retail client.

Risk summaries

4.12B.13 R

Where a *rule* in this section requires a *firm* to communicate a risk summary selected from \blacksquare COBS 4 Annex 1R, the *firm* must either:

- (1) provide the risk summary as it appears in COBS 4 Annex 1R; or
- (2) provide a version of the risk summary in COBS 4 Annex 1R in appropriately amended form, provided that:
 - (a) the firm has a valid reason for each amendment;

- (b) the firm makes a record of each amendment and the reason for
- (c) any alternative or additional text is in plain English; and
- (d) the amended risk summary does not take longer than around 2 minutes to read.

4.12B.13A G

For the purposes of ■ COBS 4.12B.13R(2), the following reasons are considered to be valid:

- (1) the relevant part of the risk summary in COBS 4 Annex 1R would be misleading in relation to the particular investment;
- (2) the relevant part of the risk summary in COBS 4 Annex 1R would be irrelevant in relation to the particular investment;
- (3) the risk summary in COBS 4 Annex 1R does not include a risk that is relevant to the particular *investment*, and it is appropriate for that further risk to be included;
- (4) the sole purpose of the relevant statement in the risk summary is to include a hyperlink to a webpage and the medium of communication does not permit the incorporation of a link.

This list is not exhaustive.

Prior conditions for communication to certified high net worth investors, certified sophisticated investors or self-certified sophisticated investors

4.12B.14 R

- (1) The first condition is that before communicating the financial promotion, the firm, or other person communicating the financial promotion:
 - (a) obtains the retail client's full name; and
 - (b) having obtained the retail client's name, communicates to that retail client the following personalised risk warning:

[Client name], this is a high-risk investment. How would you feel if you lost the money you're about to invest? Take 2 mins to learn more.

- (2) If the financial promotion is, or is to be, communicated by means of a website, mobile application or other digital medium, the personalised risk warning in (1)(b) must:
 - (a) be clearly brought to the retail client's attention by means of a pop-up box (or equivalent);
 - (b) include a link which, when activated, delivers an appropriate risk summary in a further pop-up box (or equivalent):
 - (i) relating to the type of non-mass market investment that is the subject of the financial promotion; and
 - (ii) selected from COBS 4 Annex 1R; and
 - (c) be accompanied by an invitation to the retail client to specify whether they wish to:
 - (i) leave the investment journey; or

COBS 4/76

- (ii) continue to receive the financial promotion.
- (3) If the *financial promotion* is, or is to be, *communicated* other than by means of a website, mobile application or other digital medium:
 - (a) the personalised risk warning in (1)(b) must be:
 - (i) provided to the *retail client* omitting the words "Take 2 mins to learn more"; and
 - (ii) accompanied by an appropriate risk summary in a durable medium relating to the type of non-mass market investment that is the subject of the financial promotion selected from COBS 4 Annex 1R; and
 - (b) the *retail client* must then be invited to specify whether they wish to:
 - (i) leave the investment journey; or
 - (ii) continue to receive the financial promotion.
- (4) The options in 2(c) and (3)(b) must be presented with equal prominence.
- (5) The condition is only satisfied if the *retail client* specifies that they wish to continue to receive the *financial promotion*.
- (6) This rule does not apply to a financial promotion of a closed-ended investment fund applying for, or with, a premium listing and which complies with the requirements of ■LR 15.
- (7) The personalised risk warning required by (2)(a) and the risk summary required by (2)(b) must comply with COBS 4.12B.28R and COBS 4.12B.30R.
- (8) The risk summary required by (3)(a)(ii) must comply with COBS 4.12B.24R and COBS 4.12B.26R.

4.12B.15 R

- (1) The second condition applies if a retail client requests to view a financial promotion of a non-mass market investment (including of a security in a closed-ended investment fund applying for, or with, a premium listing and which complies with the requirements of ■LR 15).
- (2) The second condition is that, before *communicating* the *financial* promotion, the *firm* or other person communicating the *financial* promotion:
 - (a) allows a period of at least 24 hours (the 'cooling off period') to elapse;
 - (b) following the lapse of time in (a), invites the *retail client* to specify whether they wish to:
 - (i) leave the investment journey; or
 - (ii) continue to receive the financial promotion; and
 - (c) the *retail client* specifies that they wish to continue to receive the *financial promotion*.
- (3) The options in (2)(b) must be presented with equal prominence.

4.12B.16 G

■ COBS 4.12B.15R does not prevent the *person* who is subject to it from engaging with the retail client during the cooling off period. This includes for the purposes of providing the *client* with the personalised risk warning required by ■ COBS 4.12B.14R and obtaining the information necessary to undertake the preliminary assessment of suitability required by COBS 4.12B.7R(1)(b).

Restrictions on monetary and non-monetary incentives

4.12B.17 R

- (1) A firm must not communicate or approve a financial promotion which relates to a non-mass market investment and which offers to a retail client any monetary or non-monetary incentive.
- (2) The rule in (1) does not apply to a product or service produced or provided by the person, or a member of the group of the person, who will benefit from the proceeds of the investment.
- (3) The rule in (1) does not apply where the incentive is:
 - (a) offered for the exclusive purpose of encouraging a retail client to transfer their existing holding of one or more non-mass market investments from an existing arrangement with one person to a different arrangement with another person; and
 - (b) not structured in such a way as to encourage further investment in any non-mass market investment.

4.12B.18 G

For the purposes of ■ COBS 4.12B.17R monetary and non-monetary incentives include, but are not limited to:

- (1) offering bonuses when investing in a non-mass market investment;
- (2) offering bonuses where the client refers another person;
- (3) offering cashback when investing in a non-mass market investment;
- (4) offering discounts or rebates on fees paid that are linked to volumes of trades made in non-mass market investments;
- (5) offering free gifts once an investment in a non-mass market investment has been made such as laptops or mobile telephones; or
- (6) offering any additional free *investments* or offering discounts on investments.

4.12B.19 G

- (1) Information and research tools do not constitute non-monetary incentives.
- (2) Lower fees or charges not linked to volumes of trades, made available to all retail clients, do not constitute a monetary incentive.
- (3) The effect of COBS 4.12B.17R(3) is that a financial promotion may offer an incentive to transfer an existing holding of a non-mass market investment (for example, from one platform to another). However, the incentive must relate solely to the transfer and must not be used to encourage retail clients to otherwise engage in investment activity in relation to non-mass market investments.

COBS 4/78

COBS 4 : Communicating with clients, including financial promotions

4.12B.19A G

Subject to ■ COBS 4.12B.18G and ■ COBS 4.12B.19G, the following factors are relevant in determining whether a benefit is an incentive:

- (1) A benefit which is intrinsically connected with the *investment* or investment activity that is the subject of the *financial promotion* is unlikely to constitute an incentive for example, voting rights which are carried by a share. However, a benefit which is entirely separable from the *investment* or investment activity that is the subject of the *financial promotion* is likely to be an incentive.
- (2) A benefit which is only available for a fixed period of time, or is contingent upon investing in a *non-mass market investment* in the future, is likely to constitute an incentive. This would not include, for example, a benefit which is offered in connection with a specified event such as the first close of an investment.
- (3) A benefit which is only available to *retail clients* who invest through a particular medium is likely to constitute an incentive for example, a benefit which is only offered to *retail clients* who invest via a social media link.

4.12B.19B G

- (1) COBS 4.12B.17R applies irrespective of the nature of the investment activity. This means that the *rule* applies not only in relation to incentives to *buy non-mass market investments* but also, for example, to incentives to enter into agreements for the purposes of transacting in *non-mass market investments*.
- (2) The rationale for offering the incentive is immaterial. This means that the *rule* applies to incentives which are intended, for example, to encourage *retail clients* to make investments ahead of the end of the tax year.

Risk warning to be included in the financial promotion

4.12B.20 R

A firm must not communicate or approve a financial promotion which relates to a non-mass market investment unless it contains a risk warning that complies with COBS 4.12B.21R.

4.12B.21 R

(1) For the purposes of ■ COBS 4.12B.20R the *financial promotion* must contain the following risk warning:

Don't invest unless you're prepared to lose all the money you invest. This is a high-risk investment and you are unlikely to be protected if something goes wrong.

(2) Where the number of characters contained in the risk warning in (1) exceeds the number of characters permitted by a third-party marketing provider, the following risk warning must be used:

Don't invest unless you're prepared to lose all the money you invest.

- (3) Where the *financial promotion* is, or is to be, *communicated* by way of a website, mobile application or other digital medium:
 - (a) the risk warning in (1) or (2) must also include a link:
 - (i) in the form of the text: Take 2 mins to learn more; and

- (ii) which, when activated, delivers an appropriate risk summary in a pop-up box (or equivalent) relating to the type of nonmass market investment that is the subject of the financial promotion selected from ■ COBS 4 Annex 1R;
- (b) the link required by (3)(a) need not be:
 - (i) in the form required by 3(a)(i) if the inclusion of that additional text would exceed the number of characters permitted by a third-party marketing provider;
 - (ii) provided if the medium of communication does not allow the incorporation of a link.
- (4) Where the financial promotion is communicated other than by way of a website, mobile application or other digital medium (and including where the financial promotion is a real time financial promotion), the risk warning in (1) must be:
 - (a) provided:
 - (i) in a durable medium; or
 - (ii) if the medium of communication means that the risk warning cannot be provided in a durable medium, in a manner appropriate to the medium of communication; and
 - (b) however the financial promotion is communicated, accompanied by an appropriate risk summary in a durable medium relating to the type of non-mass market investment that is the subject of the financial promotion selected from ■ COBS 4 Annex 1R.
- (5) (a) A firm must omit the words "and you are unlikely to be protected if something goes wrong" from the risk warning required by (1) if the conditions in (b) apply.
 - (b) The conditions are that:
 - (i) the financial promotion relates to an investment:
 - (A) that is issued by; or
 - (B) the provision of which involves a,
 - participant firm or an appointed representative of a participant firm; and
 - (ii) the activity of the person in (i) is of a type that could give rise to a protected claim.
 - (c) A firm that omits the words in (a) must make a record of the basis on which the conditions in (b) are met.
- (6) This rule does not apply to a financial promotion of a closed-ended investment fund applying for, or with, a premium listing and which complies with the requirements of \blacksquare LR 15.
- (7) The risk warning required by (1) or (2) and the risk summary required by (4)(b) must comply with ■ COBS 4.12B.24R and ■ COBS 4.12B.26R.
- (8) The risk summary required by (3)(a)(ii) must comply with ■ COBS 4.12B.28R and ■ COBS 4.12B.30R.

COBS 4 : Communicating with clients, including financial promotions

4.12B.22 G

- (1) Reference in COBS 4.12B.21R(5)(b)(i)(B) to the 'provision' of an investment is to a person developing, managing or packaging an investment such as an operator. It does not refer to persons involved in distributing, or intermediating the sale of, an investment such as a financial adviser or a person arranging investments.
- (2) A *firm* relying on COBS 4.12B.21R(5) should consider obtaining external legal advice (from legal advisers with relevant expertise and experience) on the appropriateness of omitting the words in that *rule* from a risk warning. Any such advice should be recorded as part of the *firm's* compliance with COBS 4.12B.21R(5)(c).

4.12B.23 G

Even where it is not possible to provide a risk warning in a durable medium (for example, because the financial promotion is a real time financial promotion), the recipient of the financial promotion must still be provided with an appropriate risk summary in a durable medium at or around the time that the financial promotion is communicated (COBS 4.12B.21R(4)).

Requirements of risk warnings and non-digital risk summaries

4.12B.24 R

- (1) The relevant risk warning in COBS 4.12B.21R(1) or (2) and the relevant risk summaries in COBS 4.12B.14R(3)(a)(ii) and COBS 4.12B.21R(4)(b) must:
 - (a) be prominent, taking into account the content, size and orientation of the *financial promotion* as a whole;
 - (b) except where the risk warning cannot be provided in writing, be clearly legible, contained within its own border and with bold and underlined text as indicated in COBS 4.12B.21R or COBS 4 Annex 1R.
- (2) The relevant risk warning in COBS 4.12B.21R(1) or (2) must, if the *financial promotion* is, or is to be, *communicated* by means of a website or mobile application:
 - (a) be statically fixed and visible at the top of the screen, below anything else that also stays static, even when the *retail client* scrolls up or down the webpage; and
 - (b) be included as described in (a) on each linked webpage on the website or page on the application relating to the *non-mass* market investment.

4.12B.25 G

The FCA expects firms to take account of the latest version of the international Web Content Accessibility Guidelines (WCAG) accessibility standard when designing how the risk warning will be displayed: https://www.w3.org/WAI/WCAG21/quickref/

4.12B.26 R

The *financial promotion* must not contain any design feature which has the intent or effect of reducing the visibility or prominence of the risk warning or risk summary.

[Note: The FCA has also issued non-Handbook guidance on prominence in financial promotions. See https://www.fca.org.uk/publication/finalised-guidance/fg-fin-proms-prominence.pdf]

4.12B.27 G

For the purposes of ■ COBS 4.12B.26R, design features which might reduce the visibility or prominence of a risk warning or risk summary include, but are not limited to:

- (1) using a font size for the risk warning or risk summary that is smaller than the standard size used in the financial promotion;
- (2) using a background colour that does not sufficiently contrast the text or makes it difficult for the client to read the text;
- (3) fading the text of the risk warning or risk summary;
- (4) placing the risk warning or risk summary at the bottom of the promotion or embedding it within other standard information, for example legal information or the firm's contact details;
- (5) requiring additional links to be clicked in order for the full text of the risk warning to be seen;
- (6) using a font or background in the risk warning or risk summary in the same colours as the firm's brand, or using a font or background in the same colours as the rest of the financial promotion; and
- (7) using a font or background in the risk warning or risk summary in the same colour as other forms of disclosure and standard information; the colour of the font and background should distinguish the risk warning or risk summary from other forms of information.

Requirements of digital personalised risk warnings and digital risk summaries

4.12B.28 R

The relevant personalised risk warning in ■ COBS 4.12B.14R(2) and the relevant risk summaries in ■ COBS 4.12B.14R(2)(b) and ■ COBS 4.12B.21R(3)(a)(ii) must be:

- (1) prominently brought to the retail client's attention, taking into account the content, size and orientation of the financial promotion as a whole:
- (2) clearly legible, contained within its own border and with bold and underlined text as indicated in ■ COBS 4.12B.14R(1)(b) and COBS 4 Annex 1R:
- (3) statically fixed and visible in the middle of the screen; and
- (4) the main focus of the screen.

4.12B.29 G

The FCA expects firms to take account of the latest version of the international Web Content Accessibility Guidelines (WCAG) accessibility standard when designing how the personalised risk warning or risk summary will be displayed: https://www.w3.org/WAI/WCAG21/quickref/

4.12B.30

The financial promotion must not contain any design feature which has the intent or effect of reducing the visibility or prominence of the personalised risk warning or risk summary.

[Note: The FCA has also issued non-Handbook guidance on prominence in financial promotions. See https://www.fca.org.uk/publication/finalisedguidance/fg-fin-proms-prominence.pdf]

COBS 4 : Communicating with clients, including financial promotions

4.12B.31 G

For the purposes of ■ COBS 4.12B.30R, design features which might reduce the visibility or prominence of a personalised risk warning or risk summary include, but are not limited to:

- (1) using a font size for the personalised risk warning or risk summary that is smaller than the standard size used in the *financial promotion*;
- (2) using a background colour that does not sufficiently contrast the text or makes it difficult for the *retail client* to read the text;
- (3) fading the text of the personalised risk warning or risk summary;
- (4) placing the personalised risk warning or risk summary at the bottom of the promotion or embedding it within other standard information, for example legal information or the *firm's* contact details;
- (5) requiring additional actions to be taken by the *retail client*, such as requiring additional links to be clicked in order for the full text of the personalised risk warning or risk summary to be seen;
- (6) using a font or background in the risk warning in the same colours as the *firm's* brand, or using a font or background in the same colours as the rest of the *financial promotion*; and
- (7) using a font or background in the risk warning in the same colour as other forms of disclosure and standard information; the colour of the font and background should distinguish the personalised risk warning or risk summary from other forms of information.

Further requirement to include a statement of costs, charges and commission where the financial promotion relates to speculative illiquid securities

4.12B.32 R

A firm must not communicate or approve a financial promotion which relates to a speculative illiquid security to, or for communication to, a retail client unless it contains statements that comply with COBS 4.12B.33R.

4.12B.33 R

For the purposes of ■ COBS 4.12B.32R, the *financial promotion* must contain:

- a statement which expresses as a percentage the total amount of the capital raised by the issue of the *speculative illiquid security* which will be paid out in costs, fees, charges and commissions and other expenses to any third party;
- (2) a statement which expresses as a cash sum the percentage referred to in (1) above; and
- (3) in addition to the statements in (1) and (2) above, a statement which provides a breakdown of the actual or potential expenditure to be paid out of an investor's capital and details of the third party (or parties) who will receive it.

4.12B.34 G

- (1) There is an illustration of how a *firm* should comply with COBS 4.12B.33R(2) in (2) below.
- (2) Where a *firm* pays 30% of the total amount of capital raised by the issue of *speculative illiquid securities* towards costs, fees, charges and

commissions and other expenses to any third party, the statement should say: "For every £100 you invest, £30 will be paid to third parties to meet costs, fees, charges and commissions."

4.12B.35 R

The statements providing the percentage figure in ■ COBS 4.12B.33R(1) and the cash sum in ■ COBS 4.12B.33R(2) must:

- (1) be prominent;
- (2) be contained together within their own border and with bold text;
- (3) immediately follow the most prominent reference to the expected return on the speculative illiquid security; an
- (4) be published so that they are clearly legible against a neutral background.

4.12B.36 G

The statement providing the breakdown of expenditure in ■ COBS 4.12B.33R(3) should be included in the *financial promotion* in a clear and prominent way.

4.12B.37 G

The purpose of the statements required by ■ COBS 4.12B.33R is to enable an investor to consider the proportion of capital raised by an issue of a speculative illiquid security that will not be invested. This information should help the investor to assess the risk that the issuer will be unable to pay any advertised interest payments, other income or otherwise to repay the investor's capital at maturity.

Definition of sophisticated and high net worth investors

4.12B.38 R

A certified high net worth investor is an individual who has completed and signed, within the period of twelve months ending on the day on which the communication is made, a statement in the terms set out in COBS 4 Annex 2R, and whose completion of the statement indicates that they meet the relevant criteria to be categorised as such.

4.12B.39

A certified sophisticated investor is an individual:

- (1) who has a written certificate signed within the last 36 months by a firm confirming they have been assessed by that firm as sufficiently knowledgeable to understand the risks associated with engaging in investment activity in non-mass market investments; and
- (2) who has completed and signed, within the period of twelve months ending on the day on which the communication is made, a statement in the terms set out in ■ COBS 4 Annex 3R, and whose completion of the statement indicates that they meet the relevant criteria to be categorised as such.

4.12B.40 R

A self-certified sophisticated investor is an individual who has completed and signed, within the period of twelve months ending on the day on which the communication is made, a statement in the terms set out in COBS 4 Annex 4R, and whose completion of the statement indicates that they meet the relevant criteria to be categorised as such.

COBS 4: Communicating with clients, including financial promotions

4.12B.41 G

Where the *financial promotion* will relate to more than one type of *non*mass market investment, the retail client may sign a combined statement that meets the requirements in ■ COBS 4 Annex 2R to ■ COBS 4 Annex 4R, as applicable, in respect of each type of non-mass market investment to which the financial promotion will relate.

4.12B.42 R

A firm must not:

- (1) influence, or seek to influence, the information that a retail client provides when completing a certificate for the purposes of ■ COBS 4.12B.38R to ■ COBS 4.12B.40R; or
- (2) encourage a retail client to complete a further certificate in the event that a *client's* signed certificate indicates that they do not meet the criteria to be categorised as a certified high net worth investor, certified sophisticated investor or self-certified sophisticated investor, as applicable.

Sophisticated and high net worth investors: guidance on certification by authorised person and reliance on selfcertification

4.12B.43 G

- (1) A firm which wishes to rely on any of the certified high net worth investor exemptions (see Part I of the Schedule to the Promotion of Collective Investment Schemes Order, Part I of Schedule 5 to the Financial Promotion Order and ■ COBS 4.12B.38R) should have regard to its duties under the Principles and the client's best interests rule. In particular, the firm should take reasonable steps to ascertain that the retail client does, in fact, meet the income and net assets criteria set out in the relevant statement for certified high net worth investors.
- (2) In addition, the firm should consider whether the promotion of the non-mass market investment is in the interests of the retail client and whether it is fair to make the promotion to that *client* on the basis that the client is a certified high net worth investor, having regard to the generally complex nature of non-mass market investments. A retail client who meets the criteria for a certified high net worth investor but not for a certified sophisticated investor may be unable to properly understand and evaluate the risks of the non-mass market investment in question.

4.12B.44 G

- (1) A firm which is asked to or proposes to assess and certify a retail client as a certified sophisticated investor (see article 23 of the Promotion of Collective Investment Schemes Order, article 50 of the Financial Promotion Order and ■ COBS 4.12B.39R) should have regard to its duties under the Principles and the client's best interests rule. In particular, the firm should carry out that assessment with due skill, care and diligence, having regard to the generally complex nature of non-mass market investments and the level of experience, knowledge and expertise that the retail client being assessed must possess in order to be fairly and reasonably assessed and certified as a sophisticated investor.
- (2) (a) For example, a retail client whose investment experience is limited to mainstream investments such as regularly traded securities issued by listed companies, life policies or units in

- regulated collective investment schemes (other than qualified investor schemes) is generally unlikely to possess the requisite knowledge to adequately understand the risks associated with investing in non-mass market investments.
- (b) In exceptional circumstances, however, the retail client may have acquired the requisite knowledge through means other than their own investment experience, for example, if the retail client is a professional of several years' experience with the design, operation or marketing of complex investments such as options, futures, contracts for differences or non-mass market investments.

4.12B.45 G

- (1) A firm which wishes to rely on any of the self-certified sophisticated investor exemptions (see Part II of the Schedule to the Promotion of Collective Investment Schemes Order, Part II of Schedule 5 to the Financial Promotion Order and ■ COBS 4.12B.40R) should have regard to its duties under the *Principles* and the *client's best interests rule*. In particular, the firm should consider whether the promotion of the non-mass market investment is in the interests of the client and whether it is fair to make the promotion to that *client* on the basis of self-certification.
- (2) For example, it is unlikely to be appropriate for a firm to make a promotion under any of the self-certified sophisticated investor exemptions without first taking reasonable steps to satisfy itself that the investor does in fact have the requisite experience, knowledge or expertise to understand the risks of the non-mass market investment in guestion. A retail client who meets the criteria for a self-certified sophisticated investor but not for a certified sophisticated investor may be unable to properly understand and evaluate the risks of a non-mass market investment.

One-off promotions

4.12B.46 G

- (1) A firm which wishes to rely on one of the one-off promotion exemptions provided by the Promotion of Collective Investment Schemes Order or the Financial Promotion Order to promote a nonmass market investment to a retail client should have regard to its duties under the Principles and the client's best interests rule. In particular, the firm should consider whether the financial promotion of the non-mass market investment is in the interests of the client and whether it is fair to make the financial promotion to that client on the basis of a one-off promotion exemption.
- (2) The one-off promotion exemptions permit the promotion of investments to *clients* under certain conditions (see ■ PERG 8.14.3G to ■ PERG 8.14.13G for *quidance* on the scope of the one-off exemptions in the Financial Promotion Order). Firms should note that, in the FCA's view, promotion of a non-mass market investment to a retail client who is not a certified high net worth investor, a certified sophisticated investor or a self-certified sophisticated investor is unlikely to be appropriate or in that client's best interests.

Qualified investor schemes

4.12B.47 G

(1) A firm which wishes to promote units in a qualified investor scheme to a retail client in circumstances where the firm considers the

financial promotion to be an excluded communication (see COBS 4.12B.4R(1)) should have regard to its duties under the Principles and the client's best interests rule.

(2) As explained in ■COLL 8.1, qualified investor schemes are intended only for professional clients and retail clients who are sophisticated investors. Firms should note that, in the FCA's view, promotion of units in a qualified investor scheme to a retail client who is not a certified sophisticated investor or a self-certified sophisticated investor is unlikely to be appropriate or in that client's best interests.

Electronic documents

4.12B.49 G In this section:

- (1) any requirement that a document is signed may be satisfied by an electronic signature or electronic evidence of assent; and
- (2) any references to writing should be construed in accordance with

 GEN 2.2.14R and its related *quidance* provisions.

Definition of speculative illiquid security

4.12B.50 R

Subject to ■ COBS 4.12B.52R to ■ COBS 4.12B.54R, a speculative illiquid security is a debenture or preference share which:

- (1) has a denomination or minimum investment of less than £100,000 (or an equivalent amount as defined in COBS 4.12B.51R); and
- (2) has been issued, or is to be issued, in circumstances where the *issuer* or a member of the *issuer's group* uses, will use or purports to use some or all of the proceeds of the issue directly or indirectly for one or more of the following:
 - (a) the provision of loans or finance to any *person* other than a member of the *issuer's group*;
 - (b) buying or acquiring specified investments (whether they are to be held directly or indirectly);
 - (c) buying or acquiring investments other than specified investments (whether they are to be held directly or indirectly);
 - (d) buying real property or an interest in real property (whether it is to be held directly or indirectly);
 - (e) paying for or funding the construction of real property.

4.12B.51 R

For the purposes of ■ COBS 4.12B.50R(1):

- an equivalent amount in relation to an amount denominated in any currency other than sterling is an amount of equal value denominated wholly or partly in another currency; and
- (2) the equivalent amount is to be calculated at the latest practicable date before (but in any event not more than three *business days* before) the date of the issue of *debentures* or *preference shares*.

4.12B.52 R

A debenture or preference share that does not otherwise fall within COBS 4.12B.50R is not a speculative illiquid security by virtue only of the fact that the proceeds of the issue are used to buy or acquire specified investments as part of the ordinary cash management activities or treasury functions of an issuer (or its group) carrying on a general commercial or industrial purpose as defined in ■ COBS 4.12B.54R(1).

4.12B.53 R

For the purposes of ■ COBS 4.12B.50R, and notwithstanding the exemption for readily realisable securities in ■ COBS 4.12B.54R(3)(d), a debenture is also a speculative illiquid security if:

- (1) it meets the conditions set out in COBS 4.12B.50R; and
- (2) it:
 - (a) is admitted to official listing on an exchange in the *United* Kingdom or an EEA State; and
 - (b) is not regularly traded on or under the rules of such an exchange;
- (3) it:
 - (a) is a newly issued debenture which can be reasonably expected to be admitted to official listing on an exchange in the United Kingdom or an EEA State; and
 - (b) cannot reasonably be expected to be regularly traded on or under the rules of such an exchange when it begins to be traded.

4.12B.54 R

A debenture or preference share is not a speculative illiquid security where one or more of the exemptions in (1), (3) or (4) below applies.

- (1) This exemption applies where:
 - (a) the issuer or a member of the issuer's group uses the proceeds of the issue for the purpose of the activities in ■ COBS 4.12B.50R(2)(c) (buying or acquiring investments other than specified investments), (d) (buying real property or an interest in real property) or (e) (paying for or funding the construction of real property); and
 - (b) the relevant property or *investment* is or will be used by the issuer or a member of the issuer's group for a general commercial or industrial purpose which it carries on.
- (2) The exemption in (1) will not apply in respect of a debenture or preference share within ■ COBS 4.12B.50R(2)(d) or ■ (e) if the ability of the issuer to pay in relation to the debenture or preference share:
 - (a) any coupon or other income; and/or
 - (b) capital at maturity,
 - is wholly or predominantly linked to, contingent on, highly sensitive to, or dependent, on a return generated as a result of the matters referred to in ■ COBS 4.12B.50R(2)(d) or ■ (e).
- (3) This exemption applies where the debenture or preference share is:
 - (a) issued, or to be issued, by a credit institution;
 - (b) issued, or to be issued, by an investment trust;

COBS 4/88

- (c) a non-mainstream pooled investment;
- (d) a readily realisable security except for a debenture within
 COBS 4.12B.53R; or
- (e) a P2P agreement.
- (4) This exemption applies where:
 - (a) the issuer is:
 - (i) a property holding vehicle; or
 - (ii) a single-company holding vehicle;
 - (b) any financial promotions made relating to the investment comply with COBS 4.12A as appropriate; and
 - (c) any financial promotion made relating to a single-company holding vehicle clearly and prominently states which single company the investment relates to.

4.12B.55 R

- (1) For the purposes of COBS 4.12B.54R(1)(b), a general commercial or industrial purpose includes the following:
 - (a) a commercial activity, involving the purchase, sale and/or exchange of goods or commodities and/or the supply of services; or
 - (b) an industrial activity involving the production of goods; or
 - (c) a combination of (a) and (b).
- (2) For the purposes of COBS 4.12B.54R(1)(b), a general commercial or industrial purpose does not include:
 - (a) investment to generate a pooled return;
 - (b) property development or construction services; and
 - (c) hiring, leasing or rental services.

Guidance on general commercial or industrial purpose

4.12B.56 G

- (1) COBS 4.12B.50R provides that a debenture or preference share will fall within the definition of a speculative illiquid security where the proceeds of the issue are to be used by the issuer or a member of the issuer's group to fund various activities including buying or acquiring investments (other than specified investments) or the buying or construction of real property.
- (2) However, COBS 4.12B.54R(1) provides an exemption in cases where the *investments* (other than *specified investments*) that are bought or acquired, or the property which is bought or constructed are or will be used by the *issuer* or a member of the *issuer's group* for a general commercial or industrial purpose which it carries on.
- (3) General commercial or industrial purpose is defined in COBS 4.12B.55R.
- (4) The effect of the exemption in COBS 4.12B.54R(1) is that a debenture or preference share will not be a speculative illiquid security where the proceeds of the issue are used by the issuer or a member of the issuer's group to buy or acquire investments (other than specified

- investments), or to buy or construct real property, and the relevant investments or property are or will be used by the issuer or group member for the purposes of its own commercial or industrial activities. This is illustrated in the examples in (5) and (6) below.
- (5) In relation to COBS 4.12B.50R(2)(c) (buying or acquiring investments other than specified investments):
 - (a) where a company issues a debenture or preference share and uses the proceeds to purchase IT equipment for use in its business, to the extent that the IT equipment might be considered an investment, the debenture or preference share will benefit from the exemption because the IT equipment is used by the *company* for its own commercial activities (in this case, for use by its staff to provide services to customers);
 - (b) where a supermarket chain issues a debenture or preference share and uses the proceeds to purchase stock (for example wine) for sale as part of its retail business, to the extent that the wine might be considered an *investment*, the *debenture* or *preference* share will benefit from the exemption because the wine is used by the supermarket for its own commercial activities (in this case, to sell it on to its retail customers for a profit);
 - (c) where a company issues a debenture or preference share and uses the proceeds to buy or acquire art or fine wine as an investment, it will not benefit from the exemption because the art or fine wine will not be used by the company itself for its own commercial activities; if the art or fine wine is used to generate a pooled return, then the exemption would also not apply as a result of ■ COBS 4.12B.55R(2)(a); and
 - (d) where a company issues a debenture or preference share and uses the proceeds to purchase IT equipment for the purpose of hiring or leasing those out to another company, it will not benefit from the exemption because it is not using the IT equipment for its own commercial activities and hiring and leasing services are excluded from the definition of general commercial or industrial purpose as a result of ■ COBS 4.12B.55R(2)(c).
- (6) In relation to COBS 4.12B.50R(2)(d) or (e) (buying or constructing real property):
 - (a) where a retailer issues a debenture or preference share and uses the proceeds to build a shop, the debenture or preference share will benefit from the exemption because the property is used by the retailer for its own commercial activities (in this case, the sale of goods);
 - (b) where a property developer issues a debenture or preference share and uses the proceeds to fund the costs of a property development or construction of property, which is intended to be sold or rented out for commercial purposes or as residential dwellings, it will not benefit from the exemption because the development will not be used by the developer itself, and property development and construction services are excluded from the definition of general commercial or industrial purpose (see ■ COBS 4.12B.55R(2)(b));
 - (c) where a company issues a debenture or preference share to fund the costs of constructing a power station which the company

intends to operate itself with a view to selling the electricity it produces, the *debenture* or *preference share* will benefit from the exemption (unless ■ COBS 4.12B.54R(2) applies). That is because it will use the property for its own commercial or industrial activities (generating electricity). However, *firms* should also consider ■ COBS 4.12B.54R(2) and the *quidance* in (7) below.

- (7) ■COBS 4.12B.54R(2) provides that the general commercial or industrial purposes exemption does not apply where the ability of the issuer to pay the *coupon* or other income or to repay capital on maturity in relation to the *debenture* or *preference share* is wholly or predominantly linked to, contingent on, highly sensitive to, or dependent on, a return generated as a result of the matters referred to in COBS 4.12B.50R(2)(d) or (e) (buying or construction of real property).
- (8) The effect of the above is that where a *company* issues a *debenture* or *preference share* for the purpose of buying real property, an interest in real property or funding the construction of a particular project and the *company's* ability to pay interest on the *debenture* or *preference share* or repay capital depends on the success of that purchase or project, the exemption in COBS 4.12B.54R(1) will not apply. In those circumstances, the *debenture* or *preference share* will be a *speculative illiquid security* unless one of the other exemptions in COBS 4.12B.54R applies.

4.13 **UCITS**

Application

- R 4.13.1
- (1) This section applies to a firm in relation to a communication to a client, including an excluded communication, that is a marketing communication within the meaning of the UCITS Directive.
- (2) This section does not apply to:
 - (a) image advertising; or
 - (b) the instrument constituting the fund, the prospectus, the key investor information or the periodic reports and accounts of a UCITS scheme.

[Note: recital (58) of the UCITS Directive]

Marketing communications relating to UCITS schemes

- 4.13.2 R
- (1) A firm must ensure that a marketing communication that comprises an invitation to purchase units in a UCITS scheme and that contains specific information about the scheme:

The risk summaries in (3) and (4) are expected ordinarily to be used where a financial promotion will be communicated by an issuer of non-readily realisable securities or a firm intermediating investment in non-readily realisable securities other than by way of an online platform.

Risk summary for investments in *non-readily realisable securities* which are *arranged* by a *firm* by way of an online platform

Estimated reading time: 2 min

Due to the potential for losses, the Financial Conduct Authority (FCA) considers this investment to be high risk.

What are the key risks?

1. You could lose all the money you invest

- •Most investments are shares in start-up businesses or bonds issued by them. Investors in these shares or bonds often lose 100% of the money they invested, as most start-up businesses fail.
- •Certain of these investments can be held in an Innovative Finance ISA (IFISA). An IFISA does not reduce the risk of the investment or protect you from losses, so you can still lose all your money. It only means that any potential returns will be tax free.
- •Checks on the businesses you are investing in, such as how well they are expected to perform, may not have been carried out by the platform you are investing through. You should do your own research before investing.
- 2. You won't get your money back quickly

- •Even if the business you invest in is successful, it will likely take several years to get your money back.
- •The most likely way to get your money back is if the business is bought by another business or lists its shares on an exchange such as the London Stock Exchange. These events are not common.
- •Start-up businesses very rarely pay you back through dividends. You should not expect to get your money back this way.
- •Some platforms may give you the opportunity to sell your investment early through a 'secondary market' or 'bulletin board', but there is no quarantee you will find a buyer at the price you are willing to sell.

3.Don't put all your eggs in one basket

 Putting all your money into a single business or type of investment for example, is risky. Spreading your money across different investments makes you less dependent on any one to do well. A good rule of thumb is not to invest more than 10% of your money in high-risk investments. [https://www.fca.org.uk/investsmart/5-questions-askyou-invest]

4. The value of your investment can be reduced

- •If your investment is shares, the percentage of the business that you own will decrease if the business issues more shares. This could mean that the value of your investment reduces, depending on how much the business grows. Most start-up businesses issue multiple rounds of shares.
- •These new shares could have additional rights that your shares don't have, such as the right to receive a fixed dividend, which could further reduce your chances of getting a return on your investment.

5. You are unlikely to be protected if something goes wrong

- Protection from the Financial Services Compensation Scheme (FSCS), in relation to claims against failed regulated firms, does not cover poor investment performance. Try the FSCS investment protection checker here. [https://www.fscs.org.uk/check/investment-protection-checker/]

2 Risk summary for P2P agreements or P2P portfolios

Estimated reading time: 2 min

Due to the potential for losses, the Financial Conduct Authority (FCA) considers this investment to be high risk.

What are the key risks?

1. You could lose the money you invest

- •Many peer-to-peer (P2P) loans are made to borrowers who can't borrow money from traditional lenders such as banks. These borrowers have a higher risk of not paying you back.
- •Advertised rates of return aren't guaranteed. If a borrower doesn't pay you back as agreed, you could earn less money than expected. A higher advertised rate of return means a higher risk of losing your money.
- •These investments can be held in an Innovative Finance ISA (IFISA). An IFISA does not reduce the risk of the investment or protect you from losses, so you can still lose all

your money. It only means that any potential gains from your investment will be tax free

2. You are unlikely to get your money back quickly

- •Some P2P loans last for several years. You should be prepared to wait for your money to be returned even if the borrower repays on time.
- •Some platforms may give you the opportunity to sell your investment early through a 'secondary market', but there is no guarantee you will be able to find someone willing to buy.
- •Even if your agreement is advertised as affording early access to your money, you will only get your money early if someone else wants to buy your loan(s). If no one wants to buy, it could take longer to get your money back.

3.Don't put all your eggs in one basket

- •Putting all your money into a single business or type of investment for example, is risky. Spreading your money across different investments makes you less dependent on any one to do well.
- •A good rule of thumb is not to invest more than 10% of your money in <u>high-risk investments</u>. [https://www.fca.org.uk/investsmart/5-questions-ask-you-invest]

4. The P2P platform could fail

•If the platform fails, it may be impossible for you to collect money on your loan. It could take years to get your money back, or you may not get it back at all. Even if the platform has plans in place to prevent this, they may not work in a disorderly failure.

5. You are unlikely to be protected if something goes wrong

- •The Financial Services Compensation Scheme (FSCS), in relation to claims against failed regulated firms, does not cover investments in P2P loans. You may be able to claim if you received regulated advice to invest in P2P, and the adviser has since failed. Try the FSCS investment protection checker here. [https://www.fscs.org.uk/check/investment-protection-checker/]

3. You are unlikely to get your money back quickly

- •This type of business could face cash-flow problems that delay interest payments. It could also fail altogether and be unable to repay investors their money.
- •You are unlikely to be able to cash in your investment early by selling it. You are usually locked in until the business has paid you back over the period agreed. In the rare circumstances where it is possible to sell your investment in a 'secondary market', you may not find a buyer at the price you are willing to sell.

4. This is a complex investment

- •This investment has a complex structure based on other risky investments. A business that raises money like this lends it to, or invests it in, other businesses or property. This makes it difficult for the investor to know where their money is going.
- •This makes it difficult to predict how risky the investment is, but it will most likely be high.

Risk summary for units in a long-term asset fund

Estimated reading time: 2 min

Due to the potential for losses, the Financial Conduct Authority (FCA) considers this investment to be high risk.

What are the key risks?

- 1. You should be ready to invest for the long term and, during this time, the value of your investment may go up or down. You may lose money on your investment.
- •Assets in this fund may take a long time to buy and sell.
- •Long-Term Asset Funds (LTAFs) can invest into fixed assets, infrastructure, or complex financial products, all of which are relatively hard to sell. Investors who do not remain invested for the long-term may not get back all of their money. It may take many years to make a profit on the investment.
- •You should carry out your own research, so that you understand what you are investing in.
- 2.If you decide to exit early, you won't get your money back quickly

•This LTAF accepts requests to sell units only once a month and there is also a 90-day waiting period before the value of your units is determined and you receive your money. This means that:

olf you choose to sell your units on 2 January, and the trading day is the 15th of the month, you won't get any money back until approximately 20 April, assuming a few extra days for the trade to close and funds to transfer.

oThe value of the units you sell will be at the price set on 15 April if it is a business day, or else the next business day after it.

•Once your redemption request has been approved, you cannot cancel your request.

3.It will take a long time to make profits

- •If the assets the LTAF invests in are successful, it may still take a long time to get your money back and make a profit.
- •You should not expect to get your money back as payments of income (unless the LTAF includes payments of income as an investment objective).

4.Don't put all your eggs in one basket

- •Putting all your money into a single investment or type of investment is risky. Spreading your money across different investments makes you less dependent on any one to do well.
- •A good rule of thumb is not to invest more than 10% of your money in high-risk investments.

8 Risk summary for qualifying cryptoassets

Estimated reading time: 2 min

Due to the potential for losses, the Financial Conduct Authority (FCA) considers this investment to be high risk.

What are the key risks?

1. You could lose all the money you invest

- •The performance of most cryptoassets can be highly volatile, with their value dropping as quickly as it can rise. You should be prepared to lose all the money you invest in cryptoassets.
- •The cryptoasset market is largely unregulated. There is a risk of losing money or any cryptoassets you purchase due to risks such as cyber-attacks, financial crime and firm failure.

2. You should not expect to be protected if something goes wrong

- •The Financial Services Compensation Scheme (FSCS) doesn't protect this type of investment because it's not a 'specified investment' under the UK regulatory regime - in other words, this type of investment isn't recognised as the sort of investment that the FSCS can protect. Learn more by using the FSCS investment protection checker here. [https://www.fscs.org.uk/check/investment-protection-checker/]
- •[The Financial Ombudsman Service (FOS) will not be able to consider complaints related to this firm] or [Protection from the Financial Ombudsman Service (FOS) does not cover poor investment performance. If you have a complaint against an FCA-regulated

firm, FOS may be able to consider it.] Learn more about FOS protection here. [https://www.financial-ombudsman.org.uk/consumers]

3. You may not be able to sell your investment when you want to

- •There is no guarantee that investments in cryptoassets can be easily sold at any given time. The ability to sell a cryptoasset depends on various factors, including the supply and demand in the market at that time.
- •Operational failings such as technology outages, cyber-attacks and comingling of funds could cause unwanted delay and you may be unable to sell your cryptoassets at the time you want.

4.Cryptoasset investments can be complex

- •Investments in cryptoassets can be complex, making it difficult to understand the risks associated with the investment.
- •You should do your own research before investing. If something sounds too good to be true, it probably is.

5.Don't put all your eggs in one basket

- •Putting all your money into a single type of investment is risky. Spreading your money across different investments makes you less dependent on any one to do well.
