Chapter 10

Limits on the amount of compensation payable

10.1 **Application and Purpose**

Application

- 10.1.1 This chapter applies to the FSCS.
- 10.1.2 G It is also relevant to claimants.

Purpose

G 10.1.3 In most cases it is appropriate for there to be a limit on the amount of compensation payable by the FSCS and that there should be some part of the claim which is not compensatable and for which the claimant must bear the loss. The purpose of this chapter is to set these limits out.

COMP 10/2

10.2 Limits on compensation payable

- The limits on the maximum compensation sums payable by the FSCS for protected claims are set out in COMP 10.2.3 R.
- The limits apply to the aggregate amount of *claims* in respect of each category of *protected claim* that an *eligible claimant* has against the *relevant person* (or, where applicable, a *successor*). Consequently, a claimant who has, for example, a *claim* against a *relevant person* (or, where applicable, a *successor*) in connection with *protected investment business* of £70,000, and a further such *claim* of £20,000, will only receive the £85,000 limit.

10.2.4 G COMP 12 sets out the rules the FSCS will follow when calculating the amount of compensation payable.

10.2.5 G ■ COMP 12.4.4R includes further limits relating to certain claims against pre-IP completion day incoming EEA firms, where the act or omission giving rise to the claim arose before IP completion day. These reflect the Investor Compensation Directive, which will continue to apply to EEA State compensation schemes after IP completion day, under which compensation may be payable by the pre-IP completion day incoming EEA firm's EEA State compensation scheme.

Claims in cases where there is a successor No claimant shall be eligible to make a claim under the compensation scheme in respect of both the relevant person and a successor arising from the same act or omission by the relevant person.
