Compensation

## Chapter 12

## Calculating compensation

## COMP 12 : Calculating compensation

		12.2 Quantification: general
12.2.1A	R	The amount of compensation payable to the claimant in respect of any type of <i>protected claim</i> is the amount of his overall net <i>claim</i> against the <i>relevan person</i> (or, where applicable, a <i>successor</i> ) at the <i>quantification date</i> and any reference in <i>COMP</i> to overall <i>claim</i> means "overall net <i>claim</i> ".
12.2.2	R	■ COMP 12.2.1AR is, however, subject to the other provisions of <i>COMP</i> , in particular those <i>rules</i> that set limits on the amount of compensation payable for various types of <i>protected claim</i> . The limits are set out in <i>COMP</i> 10.
12.2.3	G	Where a liability of a <i>relevant person</i> (or, where applicable, a <i>successor</i> ) to an <i>eligible claimant</i> could fall within more than one type of claim protected by the <i>compensation scheme</i> whether under the <i>rules</i> of the <i>FCA</i> (see COMP 5.2.1 R) or of the <i>PRA</i> , for example a <i>claim</i> in connection with <i>money</i> held by a <i>MiFID investment firm</i> that is also a <i>credit institution</i> , the <i>FSCS</i> should seek to ensure that the claimant does not receive any further compensation payment from the <i>FSCS</i> in cases where the claimant has already received compensation from the <i>FSCS</i> in respect of that <i>claim</i> .
		Overall net claim
12.2.4	R	A claimant's overall <i>claim</i> is the sum of the <i>protected claims</i> of the same category that he has against a <i>relevant person</i> (or, where applicable, a <i>successor</i> ) <i>in default</i> , less the amount of any liability which the <i>relevant person</i> or <i>successor</i> , as appropriate, may set off against any of those <i>claims</i> (see $\blacksquare$ COMP 10.2.2 G).
12.2.5	G	For the different categories of <i>protected claim</i> , see <i>COMP</i> 5 and ■ COMP 10.2.3 R.
12.2.6	G	In calculating the claimant's overall <i>claim</i> , the <i>FSCS</i> may rely, to the extent that it is relevant, on any determination by:
		(1) a court of competent jurisdiction;
		(2) a trustee in bankruptcy;
		(3) a liquidator;
		(4) any other recognised insolvency practitioner;

		and on the certification of any net sum due which is made in default proceedings of any exchange or clearing house.		
12.2.7A	R	<b>Payments to the claimant</b> The <i>FSCS</i> must take into account any payments to the claimant (including amounts recovered by the <i>FSCS</i> on behalf of the claimant) made by the <i>relevant person</i> (or, where applicable, a <i>successor</i> ) or the <i>FSCS</i> or any other <i>person</i> , including any payment made by the <i>FSCS</i> under the <i>PRA's rules</i> , if that payment is connected with the <i>relevant person's</i> (or, where applicable, a <i>successor's</i> ) liability to the claimant in calculating the claimant's overall <i>claim</i> .		
12.2.8	R	<b>Time for calculation of compensation due to the claimant</b> The <i>FSCS</i> must calculate the amount of compensation due to the claimant as soon as reasonably possible after it is satisfied that the conditions in COMP 3.2.1 R have been met.		
12.2.10	R	<ul> <li>Settlement of claims</li> <li>(1) The FSCS may pay compensation without fully or at all investigating the eligibility of the claimant and/or the validity and/or amount of the claim notwithstanding any provision in this sourcebook or ■ FEES 6 to the contrary, if in the opinion of the FSCS:</li> <li>(a) the costs of investigating the merits of the claim are reasonably likely to be disproportionate to the likely benefit of such investigation; and</li> <li>(b) (as a result or otherwise) it is reasonably in the interests of neutrine to the disproportionate to the interests of the claim are the design of the claim and the interests of the claim are the design of the design of the claim are the design of the claim are</li></ul>		
		participant firms to do so. (2) This rule does not apply with respect to <i>claims</i> that are excluded by article 3 of the <i>Investor Compensation Directive</i> .
