- (3) "condition" refers to a condition imposed in relation to any approval of the performance by an *approved person* of any function to which the approval relates (under section 66 of the *Act*);
- (4) "limitation" refers, apart from in DEPP 6A.1.2G(2), to a limitation of the period for which any approval of the performance by an *approved person* of any function to which the approval relates is to have effect (under section 66 of the Act); and
- (5) "disciplinary prohibition" refers to a temporary or permanent prohibition on an individual holding an office or position involving responsibility for taking decisions about the management of a *MiFID investment firm* (under section 123A(2)(a) and (3) of the *Act*) or a temporary prohibition on an individual directly or indirectly acquiring or disposing of *financial instruments* on their own account or the account of a third party, (under section 123A(2)(b) of the *Act*) or a temporary prohibition on an individual directly or indirectly making a bid at an auction conducted by a *recognised auction platform*, on their own account or the account of a third party (under section 123A(2)(c) of the *Act*).
- 6A.1.3 **G** The power to impose a suspension, restriction, condition, limitation or disciplinary prohibition is a disciplinary measure which the *FCA* may use in addition to, or instead of, imposing a financial penalty or issuing a *public censure*. The principal purpose of imposing such a measure is to promote high standards of regulatory and/or market conduct by deterring *persons* who have committed *breaches* from committing further *breaches*, helping to deter other *persons* from committing similar *breaches*, and demonstrating generally the benefits of compliant behaviour. These measures are tools that the *FCA* may employ to help it to achieve its *statutory objectives*. Examples of measures that we may impose include:
 - we may restrict an *authorised person's* carrying on of a *regulated activity* so that they can only sell certain products or provide certain services;
 - (2) we may place a condition on an *approved person's* performance of their *controlled functions* so that they can only give advice to *consumers* or deal in certain products if they are appropriately supervised.
 - (3) we may impose a restriction on the exercise of the functions by a *person* of an*FCA investment firm* or a *parent undertaking* of an *FCA investment firm*.
- 6A.1.4 **G** The powers to impose a suspension, restriction, condition or limitation in relation to *authorised persons* and *approved persons*, to impose a restriction on *non-authorised parent undertakings* of *FCA investment firms*, members of the *management body* and *employees* of *non-authorised parent undertakings* who are knowingly concerned in contravention of *FCA rules* and to impose a disciplinary prohibition in relation to individuals, are disciplinary measures; where the *FCA* considers it necessary to take action, for example, to protect *consumers* from an *authorised person*, the *FCA* will seek to cancel or vary the *authorised person's permissions*. If the *FCA* has concerns with a *person's* fitness to be approved, and considers it necessary to take action, the *FCA* will seek to prohibit the *approved person* or withdraw

their approval. For an SMF manager, the FCA may instead vary their approval by imposing one or more conditions, if the FCA is satisfied that they would be a fit and proper person to perform functions in relation to regulated activities if the conditions are imposed, and that it is appropriate to do so. While the powers to impose a suspension or a restriction in relation to sponsors and primary information providers under sections 88A(2)(b)/(c) and 89Q(2)(b)/(c) of the Act are disciplinary measures, the FCA can impose suspensions, limitations or other restrictions in relation to sponsors and primary information providers in other circumstances. G 6A.1.5 The FCA expects to impose a limitation in two situations. The FCA may impose a limitation where it considers it appropriate for an approval to cease to have effect: (1) after a certain period, unless the approved person demonstrates during the period of limitation that it is appropriate for them to be reapproved without the limitation; (2) after a short period, without giving the approved person the opportunity to demonstrate that they should be re-approved. The imposition of a limitation in (2) is equivalent to a withdrawal of approval, apart from that it is carried out for disciplinary reasons and the FCA will have made no finding of lack of fitness or propriety. The FCA recognises that the use of this power will have serious consequences for the approved person concerned; therefore, it will exercise its power in a proportionate manner. The FCA's policy on determining the length of the limitation is set out in DEPP 6A.3AG.
