		4.2 Obligation to pay periodic fees
4.2.1	R	General A <i>person</i> shown in column (1) of the table in FEES 4.2.11 R as the relevant fee payer must pay each periodic fee applicable to it, calculated in accordance with the provisions referred to in column (2) of the applicable table, as adjusted by any relevant provision in this chapter:
		 (1) in full and without deduction (unless permitted or required by a provision in <i>FEES</i>); and (2) on or before the date given in column (3) of that table, unless FEES 4.2.10 R applies.
4.2.2	G	A relevant fee payer will be required to pay a periodic fee for every year during which they have the status in column 1 of the table in FEES 4.2.11 R (or in relation to collective investment schemes, for every year during which it is a regulated collective investment scheme) subject to any reductions or exemptions applicable under this chapter. If a <i>person</i> is the relevant fee payer for more than one status listed in column 1 of the table in FEES 4.2.11 R (or in relation to collective investment schemes, the relevant fee payer for more than one regulated collective investment schemes, the relevant fee payer for more than one regulated collective investment schemes, the relevant fee payer for more than one regulated collective investment scheme) he will be required to pay a fee in relation to each.
4.2.2A	G	A <i>recognised body</i> may also have obligations to pay fees to the FCA under other <i>rules</i> arising from legislation other than the Act.
4.2.3	G	The FCA will issue invoices online at least 30 <i>days</i> before the dates on which payments fall due under EEES 4.2.1 R.
4.2.3A	R	If, in response to a request from a fee payer, the FCA issues a paper invoice, an administration charge of £50 per year will be added to the fee otherwise payable.

(1D) A person meets the conditions referred to in (1C) if: (a) its periodic fee for the previous fee year was at least £50,000 and it is: (i) an FCA-authorised person; or (ii) a designated professional body; or (iii) a recognised investment exchange; or (iv) a regulated covered bond issuer; or (b) it is a PRA-authorised person and its combined FCA and PRA periodic fees for the previous fee year were at least £50,000. (1E) The fee in (1C) is: (a) an amount equal to 50% of the FCA periodic fee payable for the previous *fee year* by: (i) 1 April; or (ii) if later, within 30 days of the date of the invoice, in the fee year to which the sum due under FEES 4.2.1R relates; and (b) the balance of the FCA periodic fee due for the current fee year by: (i) 1 September; or (ii) if later, within 30 days of the date of the invoice, in the fee year to which that sum relates. [Note: If the firm is a PRA-authorised person that meets the condition at FEES 4.3.6R(1)(D)(b), the firm will also pay its PRA periodic fees in two tranches as specified in the Fees Part of the PRA Rulebook. The FCA, acting as the PRA's collection agent, will collect

- (3) If a firm has applied to cancel its Part 4A permission in the way set out in ■ SUP 6.4.5 D (Cancellation of permission), or its status as a payment institution under regulation 10 of the Payment Services Regulations (Cancellation of authorisation) or as regulation 10 is applied by regulation 14 of the Payment Services Regulations (Supplementary provisions), or its status as an electronic money issuer under regulation 10 of the Electronic Money Regulations (Cancellation of authorisation) or as regulation 10 is applied by regulation 15 of the Electronic Money Regulations (Supplementary provisions), or its registration as a CBTL firm under article 13(c) of the MCD Order or its authorisation as a data reporting services provider under regulation 11 of the DRS Regulations, then (1C), (1D) and (1E) do not apply but it must pay the total amount due when the application is made.
- (4) If the FCA has exercised its *own-initiative powers* to cancel a *firm's Part 4A permission*, then (1C), (1D) and (1E) do not apply but the *firm* must pay the total amount due immediately before the cancellation becomes effective.
- (4A) If the FCA has cancelled a firm's authorisation or registration under regulation 10 of the Payment Services Regulations or regulation 10 of the Electronic Money Regulations or its registration under regulation 10 as applied by regulation 14 of the Payment Services Regulations or its registration under regulation 10 as applied by regulation 15 of the Electronic Money Regulations, or its registration under article 13 (except under article 13(c)) of the MCD Order, or its authorisation as a data reporting services provider under regulation 11 or 12 of the DRS Regulations, then (1C), (1D) and (1E) do not apply but the firm must pay the total amount due immediately before the cancellation becomes effective.

 - (6) Paragraphs (1C), (1D) and (1E) do not apply to any periodic fee in relation to a *firm's permission* for *operating a multilateral trading facility* or *operating an organised trading facility* and such a fee is not taken into account for the purposes of the split in (1E). Instead any fee for this *permission* is payable:
 - (a) on 1 August; or
 - (b) 30 *days* from the date of the invoice in the case of a *firm* which receives *permission* to be *operating a multilateral trading facility* or to be *operating an organised trading facility* or whose *permission* is extended to include either activity in the course of the relevant financial year.
 - (7) Where the FCA grants a person's application for annulment of a cancellation or variation of Part 4A permission under Schedule 6A to the Act and the person falls within, as the case may be, (1C) or (2) and:

		(a) the annulment takes effect after 1 April or after the invoice referred to in (1E)(a)(ii) has been issued, then (1C), (1D) and (1E) do not apply, but the <i>person</i> must, where the annulment takes effect after 1 April but before 1 September, pay:
		 (i) an amount equal to 50% of the FCA periodic fee payable for the previous fee year on the date on which the annulment takes effect; and
		 (ii) the balance of the FCA periodic fee due for the current fee year by 1 September or, if later, within 30 days of the date of the invoice, in the fee year to which that sum relates; or
		(b) the annulment takes effect after 1 September or after the invoice referred to in (1E)(b)(ii) has been issued, then (1C), (1D) and (1E) do not apply, but the <i>person</i> must pay the total amount due on the date on which the annulment takes effect; or
		(c) the annulment takes effect after 1 August or after the invoice referred to in (2) has been issued, then (2) does not apply, but the <i>person</i> must pay the periodic fee in full on the date on which the annulment takes effect.

		Firms Applying to Cancel or Vary Permission Before Start of Period
4.3.13	R	(1) If:
		(a) a firm:
		 (i) makes an application to vary its <i>permission</i> (by reducing its scope), or cancel it, in the way set out in ■ SUP 6.3.15D(3) (Variation of permission) and ■ SUP 6.4.5D (Cancellation of permission); or
		 (ii) applies to vary (by reducing its scope) or cancel its authorisation or registration (regulation 8 and 10(1) of the <i>Payment Services Regulations</i> including as applied by regulation 14 of the <i>Payment Services Regulations</i>); or
		 (iii) applies to cancel its authorisation or registration (regulation 10 and 12 of the <i>Electronic Money Regulations</i> including as applied by regulation 15 of the <i>Electronic Money</i> <i>Regulations</i>); or
		(iv) applies for revocation of its registration under article 13(c) of the <i>MCD Order</i> ; or
		 (v) applies to vary (by reducing its scope) or cancel its authorisation as a <i>data reporting services provider</i> under regulation 11 and 12 of the <i>DRS Regulations</i>; or
		(aa) an issuer makes an application for de-listing; or
		(ab) a sponsor notifies the FCA of its intention to be removed from the list of approved sponsors; and
		(b) the <i>firm</i> , <i>issuer</i> or <i>sponsor</i> makes the application or notification referred to in (a), (aa) or (ab) respectively, before the start of the <i>fee year</i> to which the fee relates;
		■ FEES 4.2.1 R applies to the <i>firm</i> as if the relevant variation or cancellation of the <i>firm's permission</i> or authorisation or registration under the <i>Payment Services Regulations</i> , <i>MCD Order</i> , <i>DRS Regulations</i> or the <i>Electronic Money Regulations</i> , de-listing or removal from the list of approved <i>sponsors</i> , took effect immediately before the start of the <i>fee year</i> to which the fee relates.
		(2) But (1) does not apply if, due to the continuing nature of the business, the variation, cancellation, de-listing or removal is not to take effect on or before 30 June of the <i>fee year</i> to which the fee relates.

 - (b) if the acquisition or simple change of legal status takes place after B's valuation date and B has not paid the relevant fees or levies, then the data should be reported and fees be paid by A as if the transfer had taken place immediately before the valuation (if B continues to be authorised, it should strip the transferred business out of its report).

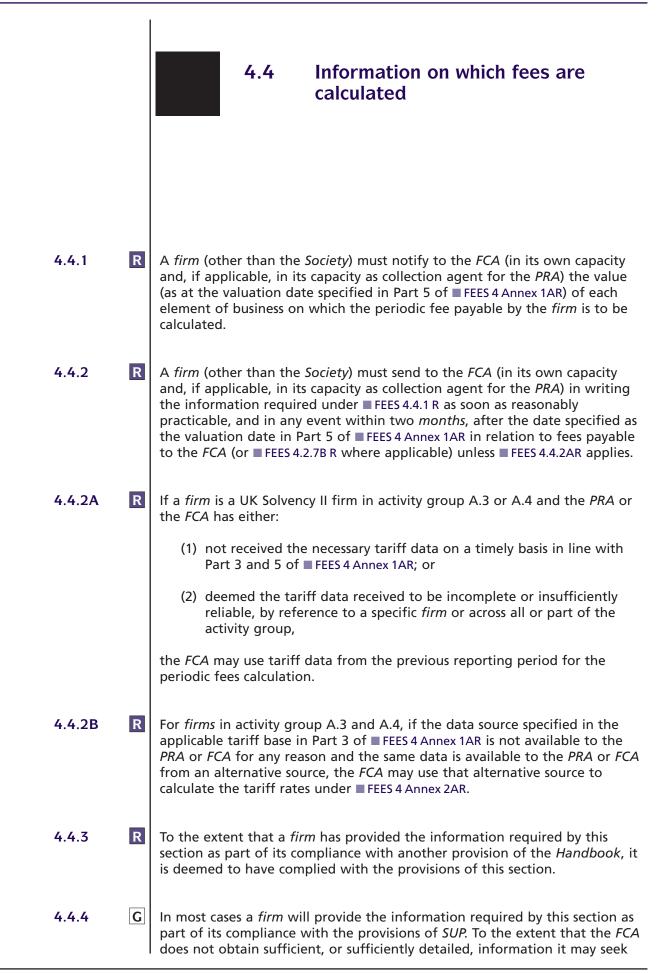

Cancellation and variation of Part 4A permission under Schedule 6A

G The FCA will not refund periodic fees if, after the start of the period to which they relate, a *person's Part 4A permission* is cancelled under Schedule 6A or the *person's Part 4A permission* is varied, reducing its permission under Schedule 6A (but see **FEES 2.3** (Relieving Provisions)).

Effect on periodic fees of annulment of cancellation or variation of permission under Schedule 6A

4.3.19 G Schedule 6A to the *Act* sets out a procedure to enable the *FCA* to cancel or vary the *Part 4A permission* of a *person* who it appears to the *FCA* is not carrying on a *regulated activity*. Paragraph 5 of Schedule 6A to the *Act* sets out a procedure for annulment of cancellation or variation of *Part 4A permission* in specified circumstances. It is for the *FCA* to decide whether it is just and reasonable to annul the decision to cancel a *person's* permission or vary the permission to reduce its scope. Where the *FCA* grants an application for annulment, paragraph 6 of Schedule 6A sets out its effect. In particular, the cancellation or variation of *Part 4A permission* is treated as if it had never taken place. As a result of annulment, the periodic fees for the period during which the *person's Part 4A permission* was cancelled or varied apply to the *person*.

R	[deleted], except those provided on a cross border services basis.
R	The obligations of a <i>firm</i> to supply information as set out in FEES 4.4.1 R and FEES 4.4.2 R do not apply in respect of any of its <i>payment services</i> business.
R	Where the FCA grants a person's application for annulment of a cancellation or variation of Part 4A permission under Schedule 6A to the Act and on the date the annulment has effect the date for notification to the FCA referred to in FEES 4.4.2R of the information on which a person's periodic fee is calculated has passed, the date for compliance referred to in FEES 4.4.2R does not apply, but the person must comply with FEES 4.4.1R and FEES 4.4.2R within 2 months after the date on which the annulment takes effect.
	Information relating to payment services and the issuance of electronic money
D	A fee-paying payment service provider and a fee-paying electronic money issuer must notify to the FCA the value (as at the valuation date specified in Part 4 of FEES 4 Annex 11) of each element of business on which the periodic fee (other than a flat fee) payable by the <i>firm</i> under I R is to be calculated, including any payment services carried on by its agents from an establishment in the United Kingdom.
D	A firm must send to the FCA in writing the information required under FEES 4.4.7 D as soon as reasonably practicable, and in any event within two months, after the date specified as the valuation date in Part 4 of FEES 4 Annex 11.
D	To the extent that a <i>firm</i> has provided the information required by • FEES 4.4.7 D to the <i>FCA</i> as part of its compliance with another provision of the <i>Handbook</i> , it is deemed to have complied with the provisions of that direction.

FCA activity groups, tariff bases and valuation dates

Part 1

This table shows how the FCA links the regulated activities for which a firm has permission to activity groups (fee-blocks). A firm can use the table to identify which fee-blocks it falls into based on its permission.

•	
Activity group	Fee payer falls in the activity group if:
A.1 Deposit acceptors	its <i>permission</i> includes <i>accepting deposits</i> or <i>operating a dormant asset fund</i> BUT DOES NOT include either of the following:
	effecting contracts of insurance;
	carrying out contracts of insurance.
A.2 Home	its permission includes a regulated activity within one or more of the following:
finance providers	entering into a home finance transaction; or

A.6 The So- ciety of Lloyd's	it is the <i>Society</i> of Lloyd's
Note for aut	horised professional firms:

Generally, for fee-blocks A.7 to A.19 below, only those *regulated activities* that are not limited to *non-mainstream regulated activities* should be taken into account in determining which fee-block(s) fee-payers belong to for the purpose of charging periodic fees. However, in the case that all the *regulated activity* within a *firm permission* are limited to *non-mainstream regulated activities*, then that *firms* will be allocated to fee-block A.13 alone. This does not prevent a fee being payable by an *authorised professional firm* under FEES 3.2.7 R and/or FEES 3.2.7A R(c) where it applies to vary its *Part*

4A permission such that it would normally be allocated to fee-block(s) other than A.13 if the variation was granted. Part 2

This table sets out the activity groups (fee blocks) in relation to (i) the minimum feespayable to the *FCA* and (ii) the prudential fee payable to the *FCA*.

Activity group	Fee payer falls into the fee-block if
A.0 FCA minimum fee	(1) it is in at least one of the fee blocks under Part 1; and
	(2) it is not:
	(a) a <i>UK ISPV</i> ; or
	(b) a firm whose only permission is operating a dormant asset fund; or
	(c) a firm exclusively carrying on credit-related regulated activities.
AP.0 <i>FCA</i> prudential fee	(1) it is an FCA authorised person other than an FCA authorised person carrying on credit-related regulated activities with limited permission; and
	(2) the periodic fee it pays to the FCA is not limited to the A.0 FCA minimum fee.

Part 3

This table indicates the tariff base for each fee-block set out in Part 1.

The tariff base in this Part is the means by which the *FCA* measures the amount of business conducted by a *firm* for the purposes of calculating the annual periodic fees payable to the *FCA* by that *firm*.

Notes: (1)[deleted] (2) For the measure of the number of contracts being administered, each charge counts as one contract, irrespective of the number of loans involved. (3) Home finance transactionsadministered include those that the firm administers on behalf of other firms. A.3 GROSS WRITTEN PREMIUM FOR FEES PURPOSES AND BEST ESTIMATE LIABILITIES FOR **FEES PURPOSES** Gross written premium for fees purposes means: (1) for UK Solvency II firms, a firm's gross written premium as reported to the PRA, being the total of items entered under row codes R0110, R0120 and R0130, as expressed in column code C0200 where this column is completed for those row codes of the annual quantitative reporting template \$.05.01.01; and (2) [deleted] (3) for non-directive firms, a firm's gross premium written as reported to the PRA under item 11 of form 11, or where this is not reported because the firm is a Swiss general insurer or holds a relevant waiver given by the PRA under the PRA Rulebook, the entry at sheet 1, line 1, column 1, of form 20A, or where the firm is a friendly society, the income and expenditure account entry for gross premium written or contributions as income receivable, as appropriate under the Friendly Societies (Accounts and Related Provisions) Regulation 1994 (SI 1994/1983). AND

Best estimate liabilities for fees purposes means:

(1) for UK Solvency II firms, a *firm's* best estimate liabilities as reported to the *PRA*, being the sum of items entered under row codes R0010, R0370, R0380, R0410 and R0420, column code C0180, of the annual quantitative reporting template S17.01.01; plus the

sum of items entered under row codes R0010, R0030, column codes C0090, C0140 and C0190, of the annual quantitative reporting template S12.01.01; and

(2) [deleted]for *incoming EEA firms* or *incoming Treaty firms*, a *firm's* best estimate liabilities as reported to their *Home State regulator*, being the sum of items entered under row codes R0010, R0370, R0380, R0410 and R0420, column code C0180, of the annual quantitative reporting template \$17.01.01; plus the sum of items entered under row codes R0010, R0030, column codes C0090, C0140 and C0190, of the annual quantitative reporting template \$12.01.01 but only in relation to the *regulated activities* of the *firm* which are carried on in the *United Kingdom*, except those provided on a *cross border services* basis; and

(3) for non-directive firms, a firm's total gross technical provisions as reported to the *PRA* under item 19 of form 15, or where this is not reported because the firm is a marine *mutual*, item 29 of form M2, or where the firm is a friendly society, the balance sheet entry C3 'claims outstanding' where this entry is required under the Friendly Societies (Accounts and Related Provisions) Regulations 1994 (SI 1994/1983); and otherwise zero.

'Annual quantitative reporting template' has the meaning given in Fees Chapter 1 Application and Definitions of the *PRA Rulebook*.

'Corporate pension business' has the meaning given in Fees Chapter 1 Application and Definitions of the *PRA Rulebook*.

'UK Solvency II firm' has the meaning given in Insurance General Application 2 of the *PRA Rulebook*.

Notes:

(1) The recovery of the *FCA's* annual funding requirement allocated to the A.3 feeblock will be weighted:

(a) 90% from gross written premium for fees purposes; and

(b) 10% from best estimate liabilities for fees purposes.

(2) This tariff base (A.3 fee-block) does not include gross written premium for fees purposes and best estimate liabilities for fees purposes on which a *composite firm* reports data relevant for fee-block A.4.

(3) Where any figure used in the calculation of this tariff base is a negative number, it shall instead be deemed to be zero.

(4) For UK ISPVs this tariff base is not relevant and a flat fee set out in FEES 4 Annex 2AR is payable.

GROSS WRITTEN PREMIUM FOR FEES PURPOSES AND BEST ESTIMATE LIABILITIES FOR FEES PURPOSES (see FEES 4 Annex 12 G)

Gross written premium for fees purposes means:

(1)

for UK Solvency II firms, a *firm's* gross written premium as reported to the *PRA*, being the item entered under row code R1410, column code C0300 of the annual quantitative reporting template S05.01.01 minus corporate pension business as reported to the *PRA* under the annual quantitative reporting template S14.01.01.

AND

Best estimate liabilities for fees purposes means:

for UK Solvency II firms, a *firm's* best estimate liabilities as reported to the *PRA*, being the sum of items entered under row codes R0010 and R0030, column codes C0150 and C0210 minus the sum of items entered under row codes R0010 and R0030, column codes C0090, C0140 and C0190 of the annual quantitative reporting template S12.01.01; minus corporate pension business reported under the annual quantitative reporting template S14.01.01.

A.4

'Annual quantitative reporting template' has the meaning given in Fees Chapter 1 Application and Definitions of the *PRA Rulebook*.

'Corporate pension business' has the meaning given in Fees Chapter 1 Application and Definitions of the *PRA Rulebook*.

'UK Solvency II firm' has the meaning given in Insurance General Application 2 of the *PRA Rulebook*.

Notes:

(1) The recovery of the *FCA*'s annual funding requirement allocated to the A.4 feeblock will be weighted:

(a) 60% from gross written premium for fees purposes; and

(b) 40% from best estimate liabilities for fees purposes.

(2) For non-directive firms, including non-directive composite firms to the extent that they come within the A.4 fee block, the tariff base is not relevant to the level of fees due and only the minimum fee as specified in Part 2(b) of FEES 4 Annex 2AR is payable.

(3) Where any figure used in the calculation of this tariff base is a negative number, it shall instead be deemed to be zero.

A.5 ACTIVE CAPACITY

The capacity of the *syndicate(s)* under management in the year in question. This includes the capacity for *syndicate(s)* that are not writing new business, but have not been closed off in the year in question.

A.6 Not applicable.

A.7 FUNDS UNDER MANAGEMENT (FuM)

The total value, in pounds sterling, of all assets (see note (a) below) in portfolios which the *firm* manages, on a discretionary basis (see note (b) below), in accordance with its terms of business, less:

a) funds covered by the exclusion contained in article 38 (Attorneys) of the *Regulated Activities Order*;

(b) funds covered by the exclusion contained in article 66(3) (Trustees, nominees and personal representatives) of the *Regulated Activities Order*;

(c) funds covered by the exclusion contained in article 68(6) (Sale of goods or supply of services) of the *Regulated Activities Order*;

(d) funds covered by the exclusion contained in article 69(5) (Groups and joint enterprises) of the *Regulated Activities Order*; and

(e) the value of those parts of the managed portfolios in respect of which the responsibility for the discretionary management has been formally delegated to another *firm* (and which *firm* will include the value of the assets in question in its own FuM total); any such deduction should identify the *firm* to which management responsibility has been delegated.

Notes on FuM

(a) Except for funds under management where the *fund* is an *AIF*, for the purposes of calculating the value of funds under management, assets means all assets that consist of or include any *investment* which is a *designated investment* or those assets in respect of which the arrangements for their management are such that the assets may consist of or include such *investments*, and either the assets have at any time since 29 April 1988 done so or the arrangements have at any time (whether before or after that date) been held out as arrangements under which the assets would do so.

(aa) for funds under management, where the *fund* is an *AIF*, assets means all assets or property of any description of the *fund*.

(b) Assets managed by the *firm* on a discretionary basis exclude the *firm*'s own assets. Assets managed on a non-discretionary basis, being assets that the *firm* has a contractual duty to keep under continuous review but in respect of which prior specific con-

sent of the *client* must be obtained for proposed transactions, are also excluded as this activity is covered in those charged to fees in activity group A.13.

(c) In respect of *collective investment schemes*, assets means the total value of the assets of the scheme.

(d) For an *OPS firm*, the FuM should also be reduced by the value of the assets held as a result of a decision taken in accordance with article 4(6) of The Financial Services and Markets Act 2000 (Carrying on Regulated Activities by Way of Business) Order 2001 (investments in *collective investment scheme* or *bodies corporate* which have as their primary purpose the acquisition, directly, or indirectly, of relevant investments, as defined in that article).

(e) Only assets that are managed from an establishment maintained by the *firm* in the *United Kingdom* are relevant.

(f) If the *firm* is managing an overlay portfolio of *derivative* instruments and the underlying assets are managed by itself or a *firm* within the same *group* that has not reported them separately to the *FCA*, or by a *firm* outside its *group*, then it should calculate the value of the *derivatives* and other assets as prescribed in the *guidance* in FSA038 in SUP 16 Annex 25.

If the underlying assets are managed by another *firm* within the same *group* who has reported their value separately to the *FCA*, then to avoid double-counting within the *group*, the calculation must be restricted to the exposure of the overlay.

GROSS INCOME(1) For AIFMs (excluding internally managed AIFs), management companies, operators (including ACDs and authorised fund managers of unit trusts or authorised contractual schemes but excluding operators of a personal pension scheme or a stakeholder pension scheme) and residual CIS operators gross income from the activity relating to fee-block A.9 is defined as:

the amount of the annual charge on investments in the *fund* received or receivable in the latest accounting period (this is calculated as a % of funds invested, typically 1% p.a., excluding any additional ad hoc charges such as performance fees);

PLUS(a)

the front-end or exit charge levied on sales or redemptions of *collective investment* schemes (typically 4-5% of sales/redemptions) in that same accounting period; and

(b) any amount the *firm* would have levied as such a charge but for a business decision to waive, discount or rebate etc. that charge;

PLUS

any additional initial or management charges levied through a product wrapper such as an *ISA*;

BUT EXCLUDING box management profits.

(2)For depositaries (including trustees of collective investment schemes and ICVC or ACS depositaries):

The amount of the annual charge levied on investments in *funds* for which they act as *depositary* (typically a % of the total funds for which they act as *depositary*).(3)

For operators of a personal pension scheme or a stakeholder pension schemegross income from the activity relating to fee block A.9 is defined as:

The amount of the charges levied on the *personal pension scheme* or *stakeholder pension* scheme for which they act as *operator*:

including up-front charges, fund related charges, transaction related charges and periodic charges; but

A.9

	excluding charges made to an investor in respect of third party suppliers; for example, charges for stock broking, borrowing, banking services and charges for arranging third party legal services, surveys or environmental screening in connection with property.
	Note:
	Only the gross income corresponding to <i>United Kingdom</i> business is relevant.
	(4) <i>Internally managed AIFs</i> must use a proxy for gross income for the activities relating to fee block A.9. This is the total value of funds under management (as defined in fee block A.7) multiplied by 0.01.
A.10	NUMBER OF TRADERS
7410	Any <i>employee</i> or agent, who:
	ordinarily acts within the <i>United Kingdom</i> on behalf of an <i>authorised person</i> liable to pay fees to the <i>FCA</i> in its fee-block A.10 (firms dealing as principal); and who,
	as part of their duties in relation to those activities of the <i>authorised person</i> , commits the <i>firm</i> in market dealings or in transactions in <i>securities</i> or in other <i>specified investments</i> in the course of <i>regulated activities</i> .
	But not any employees or agents who work solely in the firm's MTF operation.
	A <i>firm</i> may, as an option, report <i>employees</i> or agents as full-time equivalents (FTE), taking account of any part-time staff. In calculating the FTE, <i>firms</i> must take into account the total hours <i>employees</i> or agents have contracted to work for the <i>firm</i> and not the time <i>employees</i> or agents devote to the <i>dealing in investments as principal</i> and <i>bidding in emissions auctions</i> functions set out in fee-block A.10. Any figures using the FTE calculation to be recorded to one decimal place, rounded down to the nearest decimal place.

Part 4

This table indicates the tariff base for each fee block set out in Part 2.

The tariff base in this Part is the means by which the *FCA* measures the amount of business conducted by a *firm* for the purposes of calculating the annual periodic fees payable to the *FCA* by that *firm*.

This table indicates the valuation date for each fee-block. A *firm* can calculate its tariff data in respect of fees payable to the *FCA* by applying the tariff bases set out in Part 3 with reference to the valuation dates shown in this table.

FCA Fee rates for the period from 1 April 2023 to 31 March 2024

Part 1 This table shows the tariff rates applicable to each of the fee blocks set out in Part 1 of FEES 4 Annex 1AR. (1)For each activity group specified in the table below, the fee is the total of the sums payable for each of the tariff bands applicable to the *firm's* business, calculated by multiplying the value of the firm's tariff base by the rate applicable to each tranche of the tariff base, as indicated. A firm may apply the relevant tariff bases and rates to non-UK business, as well as to its UK (2)business, if: (a) it has reasonable grounds for believing that the costs of identifying the *firm's UK* business separately from its non-UK business in the way described in Part 3 of FEES 4 Annex 1A R are disproportionate to the difference in fees payable; and it notifies the FCA in writing at the same time as it provides the information con-(b) cerned under FEES 4.4 (Information on which fees are calculated), or, if earlier, at the time it pays the fees concerned. For a firm which has not complied with FEES 4.4.2R (Information on which fees are calculated) (3) for this period: (a) the fee is calculated using (where relevant) the valuation or valuations of business applicable to the previous period, multiplied by the factor of 1.10; and an additional fee of £250 is payable, unless the firm is a PRA-authorised person in (b) which case an additional fee of £125 is payable instead. Part 1 - Periodic fees payable

Fees are charged according to the number of funds or *sub-funds* operated by a *firm* as at 31 March preceding the relevant *fee year*. Where a new *collective investment scheme* becomes authorised during a *fee year*, fees are charged according to the number of funds or *sub-funds* operated by a *firm* as at the date of authorisation. Where more than one fund or *sub-fund* is operated, the number of funds (not including the *umbrella* or parent fund) produces a 'fund factor' in accordance with the table above, which is then applied to a basic fee to produce one total fee per *operator*. Fund factors are applied per *operator* rather than per *scheme* so that the fees relate to the number of funds rather than the number of *schemes*. This means that, for example, an *authorised fund manager* of three *schemes* pays the same as an *operator* or *authorised fund manager* of one *scheme* with three *sub-funds* (as only the *sub-funds* are counted).

Schemes set up under section 264 of the Act are charged according to the number of funds or sub-funds which a *firm* is operating and *marketing* into the UK as at 31 March immediately before the start of the period to which the fee applies. For example, for 2010/11fees a reference to 31 March means 31 March 2010.

Part 2 - Periodic fees for *AIFs* marketed in the *UK*, following a notification to the *FCA* under regulation 57, 58 or 59 of the *AIFMD UK regulation*

Periodic fees for designated professional bodies: tariff base, valuation date and tariff rates

Periodic fees in respect of payment services, electronic money issuance, regulated covered bonds, CBTL business, data reporting services, third party verifiers and proxy advisers in relation to the period 1 April 2023 to 31 March 2024

This Annex sets out the periodic fees in respect of payment services carried on by fee-paying payment service providers under the Payment Services Regulations and electronic money issuance by fee-paying electronic money issuers under the Electronic Money Regulations and issuance of regulated covered bonds by issuers and CBTL business carried on by CBTL firms under the MCD Order and data reporting services providers under the DRS Regulations.

Part 1 - Method for calculating the fee for fee-paying payment service providers

- (1) The periodic fee for *fee-paying payment service providers* is calculated by identifying the relevant activity group under Part 2 and thenadding the minimum fee to an additional fee calculated by multiplying the tariff base identified in Part 3 of FEES 4 Annex 11 by the appropriate rates applying to each tranche of the tariff base as indicated in the table at Part 5. For *small payment institutions* and *small electronic money institutions* the tariff rates are not relevant and a flat fee is payable.
- (2) A fee-paying payment service provider may apply the relevant tariff bases and rates to non-UK business, as well as to its UK business, if:
 - (a) it has reasonable grounds for believing that the costs of identifying the *firm's UK* business separately from its non-*UK* business in the way described in Part 3 of FEES 4 Annex 11 is disproportionate to the difference in fees payable; and
 - (b) it notifies the FCA in writing at the same time as it provides the information concerned under FEES 4.4 (Information on which fees are calculated), or, if earlier, at the time it pays the fees concerned.
- (3) For a *fee-paying payment service provider* which is required to comply with FEES 4.4.9 D (Information on which fees are calculated) and has not done so for this period:
 - (a) the fee is calculated using (where relevant) the valuation or valuations of business applicable to the previous period, multiplied by the factor of 1.10; and
 - (b) an additional administrative fee of £250 is payable.
 - (c) [deleted]

Part 1A - Method for calculating the fee for fee-paying electronic money issuers

- (1) The periodic fee for *fee-paying electronic money issuers* is calculated by identifying the relevant activity group under Part 2A and then multiplying the tariff base identified in Part 3 of 1 R by the appropriate rates applying to each tranche of the tariff base as indicated in the table at Part 5. For small electronic money institutions, the tariff rates are not relevant and a flat fee is payable.
- (2) A fee-paying electronic money issuer may apply the relevant tariff bases and rates to non-UK business, as well as to its UK business, if:
 - (a) it has reasonable grounds for believing that the costs of identifying the *firm's UK* business separately from its non-*UK* business in the way described in Part 3 of 1 R is disproportionate to the difference in fees payable; and
 - (b) it notifies the *FCA* in writing at the same time as it provides the information concerned under FEES 4.4 (Information on which fees are calculated), or, if earlier, at the time it pays the fees concerned.

(3)

For a *fee-paying electronic money issuer* which is required to comply with FEES 4.4 (Information on which fees are calculated) and has not done so for this period:

- the fee is calculated using (where relevant) the valuation or valuations of business applicable to the previous period, multiplied by the factor of 1.10; and
- (b) an additional administrative fee of £250 is payable.
- (c) [deleted]

Part 1B - Method for calculating the periodic fee where the firm is both a fee-paying payment service provider and a fee-paying electronic money issuer

Add the fee calculated under Part 1 to the fee calculated under Part 1A.

Part 1C - Method for calculating the fee for an issuer of a regulated covered bond

The issuance of *regulated covered bonds* by *issuers* is linked to activity group G.15 in this annex. The periodic fees for *issuers* of *regulated covered bonds* is calculated by multiplying the tariff base relevant to G.15 in Part 3 of 1 R by the appropriate rates applying to each tranche of the tariff base as indicated in the table at Part 5.

Part 2 - Activity groups relevant to fee-paying payment service providers

This table shows how the *payment services* performed by *fee-paying payment service providers* are linked to activity groups (fee-blocks). A *fee-paying payment service provider* can use the table to identify which fee-blocks it falls into based on its authorisation or registration.

In this table, reference to specific dates or months are references to the latest one occurring before the start of the period to which the fee applies e.g. for 2010/11 fees (1 April 2010 to 31 March 2011), a reference to December means December 2009.

Where the tariff data of a *fee-paying payment service provider* or a *fee-paying electronic money issuer* is in a currency other than sterling, it must be converted into sterling at the exchange rate prevailing on the relevant valuation date.

Definition of annual income for the purposes of calculating fees in fee blocks A.13, A.14, A.18, A.19, A.23 and B. Service Companies, UK Recognised Investment Exchanges, Multilateral Trading Facilities, Organised Trading Facilities, Regulated Benchmark Administrators and Claims Management Companies

Annual income definition

General definition for all relevant fee-blocks (other than where the firm is an operator of a UK Recognised Investment Exchange, a Multilateral Trading Facility, an Organised Trading Facility a Regulated Benchmark Administrator or a Claims Management Company)

"Annual income" for a particular fee block (the "relevant fee block") is the gross inflow of economic benefits (i.e. cash, receivables and other assets) recognised in the *firm's* accounts during the reporting year in respect of, or in relation to, the provision in the *UK* of the *regulated activities* specified in FEES 4 Annex 1A R Part 1 as belonging to the relevant fee block.

The figure should be reported for the relevant fee block without netting off the operating costs or business expenses, but including:

(a) all brokerages, commissions, fees, and other related income (for example, administration charges, overriders, profit shares etc) due to the *firm* in respect of, or in relation to, the provision in the *UK* of the *regulated activities* specified in FEES 4 Annex 1A R Part 1 as belonging to the relevant fee block and which the *firm* has not rebated to *clients* or passed on to other *firms* (for example, where there is a commission chain).

PLUS:

(b) any ongoing *commission* from previous business received by the *firm* during the reporting year.

PLUS:

(c) the "fair value" of any goods or services the *firm* provided to *clients*. This is the *commission equivalent* or an estimate of the amount the *firm* would otherwise have received for any *regulated activity* under (a) above, but for which it has made a business decision to waive or discount its charges.

Definition for UK Recognised Investment Exchanges

"Annual income" for a UK recognised investment exchange is the gross inflow of economic benefits (i.e. cash, receivables and other assets) recognised in the *firm's* accounts during the reporting year in respect of, or in relation to activities that comprise a necessary part of an exchange's business as an investment exchange. This should include all revenues the *firm* derives from operating *multilateral trading facilities* and *organised trading facilities*.

For the purposes of calculating annual income of the UK recognised investment exchange include amounts received in relation to the operation of its markets; access to those markets; the submission, management and execution of orders; quotes or transactions on those markets; the supply of pre-and post- trade transparency information about those markets; fees for admission to trading or listing; membership of connectivity charges; fees for order execution or management; trade reporting; market data and any other relevant revenue streams.

Definition for firms operating Multilateral Trading Facilities and Organised Trading Facilities

This refers to firms operating a multilateral trading facility or organised trading facility.

"Annual income" for an operator of a *multilateral trading facility* or *organised trading facility* is the gross inflow of economic benefits (i.e. cash, receivables and other assets) recognised in the *firm's* accounts during the reporting year in respect of, or in relation to activities that comprise a necessary

FEES 4 Annex 11A/1

Annual income definition

part of the firm's business as an operator of a multilateral trading facility or organised trading facility.

For the purposes of calculating annual income of the operator of a *multilateral trading facility* or *organised trading facility* include amounts received in relation to the operation of its markets; access to those markets; the submission, management and execution of orders; quotes or transactions on those markets; the supply of pre-and post-trade transparency information about those markets; fees for *admission to trading* or listing; membership of connectivity charges; fees for order execution or management; trade reporting; market data and any other relevant revenue streams.

Where the firm is a Regulated Benchmark Administrator

"Annual income" for a regulated benchmark administrator is the gross inflow of economic benefits (i.e. cash, receivables and other assets) recognised in the *firm's* accounts during the reporting year in respect of, or in relation to activities in the *UK* that comprise a necessary part of its business as a regulated benchmark administrator.

Where the sales and marketing of a benchmark are undertaken by a separate legal entity, the *regulated benchmark administrator* is responsible for identifying the relevant income and reporting it to us as its own income. To avoid double counting, the *regulated benchmark administrator* should report only the income from sales and exclude any amount paid to it from that income to pay for its expenses as a *regulated benchmark administrator*.

Where the firm's regulated activities are carried on by an appointed representative of the firm

The *firm*'s annual income must include income received by an *appointed representative* carrying a *regulated activity* in a relevant fee block on behalf of the *firm*.

The appointed representative's annual income must be calculated in the same way as the *firm*'s. However, to avoid double counting, the appointed representative's annual income must not include any income also recognised in the *firm*'s accounts, including income recognised as a result of a commission sharing arrangement with the appointed representative.

Where the relevant fee-block is fee-block A.18

For the purposes of calculating annual income for fee-block A.18, also include the following:

(d) for any *home finance mediation activity* carried out by the *firm* for which it receives payment from the lender or provider on a basis other than that in (a), the value of all new mortgage advances and amounts provided under other *home finance transactions* resulting from that activity multiplied by 0.004;

PLUS:

(e) if the *firm* is a *home finance provider*, the value of all new mortgage advances and amounts provided under other *home finance transactions* which are *regulated mortgage contracts*, *home purchase plans*, *home reversion plans* or *regulated sale and rent back mediation activity*, multiplied by 0.004m, excluding mortgage advances and *home finance transactions* which result from *home finance mediation activity* carried on by another *firm*, where payment has been made by the *home finance provider* to that other *firm* under (a);

PLUS:

(f) for *firms* whose *permission* includes *administering regulated mortgage contracts*, but not *entering into a regulated mortgage contract* and *firms* whose *permission* includes *administering a home finance transaction* but not entering into a *home finance transaction*, and in either case whose *permission* does not include *advising on a home finance transaction*, the relevant amounts are multiplied by 0.15.

Where the relevant fee-block is fee-block A.19

For the purposes of calculating annual income for fee-block A.19, also include the following:

(g) in relation to any activities in (a), for any *insurance distribution activity* carried out by the *firm* for which it receives payment from the *insurer* on a basis other than that in (a), the amount of *pre-miums* receivable on its *contracts of insurance* multiplied by 0.07;

PLUS:

Annual income definition

(h) if the *firm* is an *insurer* in relation to the activities in (a), the amount of *premiums* receivable on its *contracts of insurance* multiplied by 0.07, excluding those *contracts of insurance* which:

- result from *insurance distribution activity* by another *firm*, where payment has been made by the *insurer* to the *firm* under (a); or

- are not general insurance contracts or pure protection contracts.

AND

(i) for the purposes of calculating annual income for fee-block A.19:

- the provision in the *UK* of the *regulated activities* specified in FEES 4 Annex 1A Part 1 as belonging to the relevant fee block includes the provision of activities that would have been *insurance distribution activity* in relation to *general insurance contracts* or *pure protection contracts* if they had been carried on after 13 January 2005 or, in relation to *connected travel insurance contracts*, from 1 January 2009; - a reference to a "*firm*" includes a reference to any *person*, including a *connected travel insurance distribution activity* (in re*spect of general insurance contracts* or *pure protection contracts*) if they had been carried on after 13 January 2005 or, in relation to *connected travel insurance contracts*, from 1 January 2005 or, in relation to *connected travel insurance contracts*, from 1 January 2005 or, in relation to *connected travel insurance contracts*, from 1 January 2005 or, in relation to *connected travel insurance contracts*, from 1 January 2009.Guidance on the interpretation of this definition is presented in FEES 4 Annex 13 G.

Where the firm is a Claims Management Company (fee-block claims management company)

Income is defined as turnover.

"Turnover" means the sum of the amounts paid to, or received by, an authorised *claims management company* in respect of *regulated claims management activities* in *Great Britain*, including:

(j) charges, commission, the share of any compensation, fees and subscriptions;

(k) the monetary value of any services received by the *claims management company* where it makes no payment for those services or where the payment received is worth less than the monetary value of the services; and

(I) the monetary value of any advertising in respect of the *claims management company* that it has not paid for out of funds referred to in sub-paragraphs (j) and (k).

Definition of annual income for the purposes of calculating fees in fee blocks CC1 and CC2

(1) Annual income definition for credit related regulated activities

"Annual income" is the gross inflow of economic benefits (i.e. cash, receivables and other assets) recognised in the *firm*'s accounts during the reporting year in respect of, or in relation to, the provision in the *UK* of the *regulated activities* specified in FEES 4 Annex 1AR Part 1 as belonging to feeblocks CC1 or CC2 as applicable.

The figure should be reported without netting off the operating costs or business expenses, but including:

(a) all interest received on loans, brokerages, *commissions*, *fees*, and other related income (for example, administration *charges*, overriders, profit shares etc) due to the *firm* in respect of, or in relation to, the provision in the UK of the *credit-related regulated activities* specified in FEES 4 Annex 1AR Part 1 as belonging to fee-blocks CC1 and CC2 and which the *firm* has not rebated to *clients* or passed on to other authorised firms (for example, where there is a commission chain).

(aa)In the case of *consumer hire agreements*, interest should be calculated as the total revenue over the period of the lease minus depreciation of the asset over the same period. Where depreciation is not recorded in the accounts and a *firm* uses its own internal conventions for calculating depreciation, it must be ready on request to demonstrate that its methodology uses straight-line depreciation or an alternative depreciation method in line with the UK Financial Reporting Standard (FRS 102) or *International Accounting Standards* (IAS). In the absence of internal conventions for calculating depreciation, the assumption should be made that the asset depreciates to zero over the period (or minimum period) of the lease, or (if no period is specified) over a reasonable period.

Plus:

Or

(e) The figure must be reported using the proxy measure of annual income if the *firm* receives no annual income of the type in 1(a) to (c) and meets the criteria in (2).

(2) Proxy measure of annual income

(a) A *firm* that receives no annual income of the type in 1(a) to (c) must report its annual income using the proxy measure in (b) if:

(i) its main business is to sell goods or supply services, and is not to carry on a credit activity in 2(a)(ii) or 2(a)(iii);

and

(ii) it carries on:

(aa) credit broking in relation to credit agreements, except for credit broking in relation to buy-tolet mortgages; or

(bb) entering into a regulated credit agreement as lender;

or

(iii) it carries on:

(aa) credit broking in relation to consumer hire agreements; or

(bb) entering into a regulated consumer hire agreement as owner.

(b) The proxy measure for annual income is calculated:

(i) for activities in 2(a)(ii), by multiplying the gross loan amount under all agreements falling within the activity by the percentage value at (b)(iii);

(ii) for activities in 2(a)(iii), by multiplying the gross value of all goods under all agreements falling within the activity by the percentage value at (b)(iii);

(iii) the percentage value is 5%.

(3) Where the firm's regulated activities are being carried on by an appointed representative of the firm

The *firm*'s annual income must include income received by an *appointed representative* carrying a *regulated activity* in a relevant fee block on behalf of the *firm*.

The appointed representative's annual income must be calculated in the same way as the *firm*'s. However, to avoid double counting, the appointed representative's annual income must not include any income also recognised in the *firm*'s accounts, including income recognised as a result of a commission sharing arrangement with the appointed representative.

Guidance on the interpretation of this definition is presented in Table 2 of FEES 4 Annex 13 G.

Guidance on the calculation of tariffs set out in FEES 4 Annex 1AR Part 3

The following table sets out guidance on how a firm should calculate tariffs for fee-block A.4.

Gross written premium for fees purposes (GWP) and Best estimate liabilities for fees purposes (BEL) - calculation of new regular premium business

(1) If any business is transferred to a *firm* (A) from another *firm* (B) under the procedure set out at Part VII of the *Act* and that business would have been included in B's tariff base in the absence of such a transfer, this business should be included in either A's or B's tariff base, depending on the date of transfer. FEES 4.3.17R explains in whose tariff base it should be included.

(2) Best estimate liabilities for fees purposes should take account of all of A's business, including all new business transferred from B.

Guidance on the calculation of tariffs set out in FEES 4 Annex 1AR Part 3

Table 1

The following table sets out *guidance* on how a *firm* should calculate tariffs for fee blocks A.13, A.14, A.18, A.19, A.23 and B. Service Companies, Recognised Investment Exchanges, Multilateral Trading Facilities, Organised Trading Facilities, Regulated Benchmark Administrators and Claims Management Companies.

Calculating and apportioning annual income - FEES 4 Annex 11AR

Calculating annual income

Defining relevant income streams

- (1) The *firm* should refer to the fee-block definitions in FEES 4 Annex 1AR, Part 1 to decide which particular income streams should be taken into account when calculating its annual income for the purposes of fee-blocks A.13, A.14, A.18, A.19 and B. Service Companies, Recognised Investment Exchanges, Multilateral Trading Facilities, Organised Trading Facilities and Benchmark Administrators.
- (2) For the avoidance of doubt, the only income streams reportable for a relevant fee-block are those income streams which relate to a *regulated activity* listed in that fee-block. Income streams that do not relate to a *regulated activity* listed in the relevant fee-block should not be reported. Service companies, operators of *recognised investment exchanges*, *multilateral trading facilities*, *organised trading facilities* and *regulated benchmark administrators* should report the income relating to each of these activities, excluding income from any other activities in the B fee-block on which they pay *FCA* fees. Operators of *recognised investment exchanges* should include all income derived from operating *multilateral trading facilities* and *organised trading facilities*.

Under FEES 4 Annex 11AR, where the sales and marketing of a benchmark are undertaken by a separate legal entity within the same *group*, the income generated as a result is also deemed to relate to the *regulated activity* carried on by the *benchmark administrator* and so should be reported to the *FCA* by the *benchmark administrator* as its own income (for fees setting purposes).

Firms should exclude from the calculation of their annual income for any particular feeblock all income directly derived from the performance of *regulated activities* belonging to other fee-blocks. For example:

(a)interest from loans made in the course of providing or administering home finance (A.2) should be excluded from commission earned from arranging home finance agreements (A18);

(b)premium interest from carrying out or effecting life insurance contracts (A.3), income from managing the underwriting capacity of a Lloyd's syndicate as a managing agent at Lloyds (A.5) should be excluded from commissions for arranging general insurance (A.19);

(c)income from managing investments, collective investment schemes or pensions schemes (A.7 or A.9) or income from operating *multilateral trading facilities* should be excluded from income derived from investment intermediation (A.13) or operating a *recognised investment exchange* or administering a *specified benchmark*.

(3) *Firms* should only include revenue streams that relate to *regulated activities* which are carried on 'in the *United Kingdom*'. In many cases, it will be quite straightforward to identify where an activity is carried on. But when there is a cross-border element, for example because a client is outside the *United Kingdom* or because some other element of the activity happens outside the *United Kingdom*, the question may arise as to where the activity is car-

ried on. PERG 2.4 generally and PERG 4.11 regarding activities relating to *regulated mort-gage contracts*, PERG 5.12 regarding activities relating to *insurance distribution activities* and PERG 14.6 regarding *home reversion plans* and *home purchase plans* describe the legislation that is relevant to this question and gives the *FCA*'s views on various scenarios.

Reporting period

- (4) Except for *claims management companies*, the "reporting year" is the *firm*'s financial year end during the calendar year prior to the *FCA fee year*. This *fee year* starts on 1 April. This is specified in part 5 of FEES 4 Annex 1A.
- (5) The income that should be included is the income that was recognised in the accounts of the relevant reporting year. This means that some income due may not be reported until the following year because it has not yet been recognised in the accounts, while other income may be carried forward from previous years.

Fair value

(6)

Except in relation to fee-block A.18 and A.19 where one or more of paragraphs (d) to (f) or (g) to (i) of FEES 4 Annex 11A apply, the *firm* should report a "fair value" price for any services for which it has made a business decision not to charge to *clients*.

We consider fair value to refer to the amount at which goods or services could be exchanged in an arm's length transaction between informed and willing parties, other than in a forced or liquidation sale.

For example, where a *firm* has forgone or discounted the *commission* or *fee* would actually have charged but for the business decision to grant a discount in a particular case or on a temporary basis, it should report the amount it would have otherwise have charged for providing equivalent activities.

In the case of *home finance mediation* in fee-block A.18 and general insurance intermediation in fee-block A.19 where one or more of paragraphs (e) to (f) or (g) to (i) of FEES 4 Annex 11A apply, instead of asking for firms to estimate fair value, certain ratios are prescribed in FEES 4 Annex 11BR where the *client* is not charged directly for the service provided.

Inclusions

- (7) Annual income should include:
 - (a) all amounts due to the *firm* arising out of the *regulated activities* referred to in the relevant fee block for which the *firm* holds *permission*, including regular *charges* and instalments due to the *firm* during the reporting year;
 - (b) any payment from a parent to facilitate the discounting or forgoing of any amounts that would otherwise be charged in full to a *client*, to the extent that the payment exceeds the "fair value" price reported in accordance with paragraph (6) above;
 - (c) (i) amounts earned by a *firm's appointed representative* when carrying on a *regulated activity* for the *firm* to which FEES 4 Annex 11A applies; and
 - (ii) amounts earned by a *person* who will become the *firm's appointed representative* immediately after *authorisation*;
 - (d) administrative charges and any interest from income related to the *regulated activities* specified in the relevant fee block.
- (8) Additional inclusions in respect of fee-block A.18:
 - (a) a *firm* must include in paragraph (a) any survey and booking fees due to it in respect of *home finance mediation activity*.

Prohibited deductions

- (9) Deductions should not be made for:
 - (a) bad debts;
 - (b) customer benefits such as cash rewards, complimentary travel insurance, air miles vouchers etc.;

- items such as general business expenses (e.g. employees' salaries and overheads);
- (d) fines or penalties levied against the *firm*;
- (e) commission a *firm* pays another party to arrange a transaction with a *client* unless it receives a *fee* in respect of the same transaction;
- (f) the difference (if positive) between the fee payable by a *firm* to another party for arranging a transaction and the amount payable to the *firm* by the end *client* in respect of that transaction (here, the *firm* must net any excess payable by the end *client* to zero);
- (g) payments made to *clients* by way of redress.

Exclusions

- (10) The following should be excluded from the calculation of annual income:
 - (a) To avoid double-counting, amounts which have been passed on to other *firms* may be excluded from the calculation of annual income, for example, where there is a commission chain. Transfers of income to other *firms* may be especially common within *groups* where, to present a single interface to *clients*, all amounts due to the *group* may be collected by one *firm* for subsequent redistribution to other *firms* within the group. It is for *groups* themselves to decide the most convenient way to report such annual income i.e. whether the *firm* which receives the full amount should declare that full amount, or whether each *firm* in the *group* should report its separate distribution.
 - (b) Any payment from a parent to facilitate the discounting or forgoing of any amount that would otherwise be charged in full to a *client* should be excluded to the extent that the payment does not exceed or equal the "fair value" price reported in accordance with paragraph (6) above.
 - (c)
- (i) rebates to *customers* and members of a *recognised investment exchange*, *multilateral trading facility* and *organised trading facility*; and
- (ii) fees or commissions passed onto other firms.
- (d) Authorised professional firms should exclude the income from non-mainstream regulated activities. They may estimate the proportion of their business that is derived from those activities and split the income from individual invoices accordingly.
- (e) For the avoidance of doubt, income relating to or in respect of an activity is not part of annual income for the purposes of the definition in FEES 4 Annex 11A to the extent that the activity benefits from the exclusion in article 69 of the Financial Services and Markets Act 2000 (Regulated Activities Order) 2001 (Groups and joint enterprises). *Firms* should refer to the *guidance* on the application of this exclusion is contained in PERG 2.9.

Apportioning annual income

Where a *firm* cannot separate its income on the basis of activities, it may apportion the income on the basis of the proportionate split of business that the *firm* otherwise undertakes. For instance:

- (1) If a *firm* receives annual income from a platform-based business it may report this in line with a wider breakdown of its activities.
- (2) A *firm* providing corporate finance advice which does not maintain records of the split between *regulated activities* and non-regulated activities for individual cases may calculate that regulated business accounts for a certain proportion of its business overall and apply that as a multiplier across its income.
- (3) A *firm* may allocate ongoing *commission* from previous business on the basis of the type of *firm* it receives the *commission* from. This avoids tracking back legacy business which may no longer match the provider's current business model.
- (4) An *authorised professional firm* may estimate the proportion of its business that is derived from *regulated activity* and split its income for individual invoices accordingly.

(5) If a *firm* has invested income from *regulated activities*, then any interest received should be reported as income, in proportion to the volume of regulated business it undertakes to avoid tracking back old payments.

- (6) *Firms*' systems ought to be able to distinguish *UK* from non-*UK* business to establish which conduct of business regime it was conducted under. If, however, they do not relate the figures back to income streams for the specific *regulated activities* in a particular fee-block then the *firm* may make a proportionate split as described above, calculating its regulated *UK* income on the basis of the overall split between *UK* and overseas income.
- (7) It is for individual *firms* to determine how they should calculate the appropriate split of income. The *FCA* is not prescriptive about the methodology. It requires only that:
 - (a) the approach should be proportionate the FCA is looking for *firms* to make their best efforts to estimate the split;
 - (b) the *firm* must be able on request to provide a sound and clearly expressed rationale for its approach - for example, if all invoices were analysed over a particular period, the *firm* should be able to justify the period as representative of its business across the year;
 - (c) the methodology should be objective for example, based on random sampling of invoices or random stratified sampling;
 - (d) the *firm* must on request be able to provide an audit trail which demonstrates that the choice of methodology was properly considered at an appropriate level or in the appropriate forums within the *firm*, and the decision periodically reviewed at the same level or in an equivalent forum.

Table 2

The following table sets out *guidance* on how a *firm* should calculate tariffs for fee blocks CC.1 and CC.2.

Calculating and apportioning annual income - FEES 4 Annex 11BR

Calculating annual income

Defining relevant income streams

- (1) *Firms* should report the total income from the *credit-related regulated activities* for which they have *permission*.
- (2) Firms should only include revenue streams that relate to regulated activities which are carried on 'in the United Kingdom'. In many cases, it will be quite straightforward to identify where an activity is carried on. But when there is a cross-border element, for example because a client is outside the United Kingdom or because some other element of the activity happens outside the United Kingdom, the question may arise as to where the activity is carried on. PERG 2.4 describes the legislation that is relevant to this question.

Reporting period

- (3) The "reporting year" is the *firm*'s financial year end during the calendar year prior to the *FCA fee year*. This *fee year* starts on 1 April. This is specified in part 5 of FEES 4 Annex 1A.
- (4) The income that should be included is the income that was recognised in the accounts of the relevant reporting year. This means that some income due may not be reported until the following year because it has not yet been recognised in the accounts, while other income may be carried forward from previous years.

Fair value

(5) The *firm* should report a "fair value" price for any services for which it has made a business decision not to charge to *clients*. We consider fair value to refer to the amount at which goods or services could be exchanged in an arm's length transaction between informed and willing parties, other than in a forced or liquidation sale.

Some examples where fair value may be relevant in the context of consumer credit are:

(a) "Imputed interest": where a loan has been provided interest-free or at a discounted rate, the charge should be rounded up to the prevailing rate normally chargeable to a *client* with a similar credit rating;

(b) "Commission-equivalent" or "fee-equivalent": where a firm has foregone or discounted the commission or fee it would actually have charged but for the business decision to grant a discount in a particular case or on a temporary basis, it should report the amount it would otherwise have charged for providing equivalent credit-related regulated activity.

(6) *Firms* should not estimate a fair value where:

(a) there is a statutory prohibition on charging interest (such as bankruptcy debts); or

(b) they have reduced or suspended their normal charging structure because the debtor is unable to meet contractual repayments and an alternative repayment arrangement has been agreed with the creditor; or

(c) they have made a "borrower-lender-supplier" agreement to allow a customer to pay the cash price of goods or services in instalments - any penalties or interest charged where the customer is in default should be declared as income.

- (6A) [deleted]
- (6B) Proxy measure of annual income FEES 4 Annex 11BR(2)

FEES 4 Annex 11BR(2) sets out the proxy measure of annual income for a *firm* defined in FEES 4 Annex 11BR(1)(e). An example of what a *firm* would report as a proxy measure of annual income is provided below:

If a *firm* enters into a *regulated credit agreement* as *lender*, providing a gross loan amount of £1,000 to enable a *customer* to purchase goods from it priced at £1,000, the *firm* should report: $5\% \times £1000 = £50$.

Inclusions

- (7) Annual income should include:
 - (a) all amounts due to the *firm* arising out of *credit-related regulated activities* for which the *firm* holds *permission*, including regular *charges* and instalments due to the *firm* during the reporting year;
 - (b) income received in relation to the provision of current account overdrafts interest charges, arrangement fees and credit cards charges;
 - (c) any payment from a parent to facilitate the discounting or forgoing of any amounts that would otherwise be charged in full to a *client*, to the extent that the payment exceeds the "fair value" price reported in accordance with paragraph (5) above;
 - (d) (i) amounts earned by the *firm's appointed representatives* when carrying on a regulated activity for the firm to which FEES 4 Annex 11B R applies; and

(ii) amounts earned by a *person* who will become the *firm's appointed representative* immediately after *authorisation*; and

(e) administrative charges and any interest from income related to its *credit-related regulated activity*.

Prohibited deductions

- (8) Deductions should not be made for:
 - (a) bad debts;
 - (b) customer benefits such as cash rewards, complimentary travel insurance, air miles vouchers etc;
 - (c) items such as general business expenses (eg, employees' salaries and overheads);
 - (d) fines or penalties levied against the *firm*;
 - (e) commission a *firm* pays to another party to arrange a transaction with a *client* unless it receives a *fee* in respect of the same transaction;

- (f) the difference (if positive) between the fee payable by a *firm* to another party for arranging a transaction and the amount payable to the *firm* by the end *client* in respect of that transaction (here, the firm must net any excess payable by the end client to zero);
- (g) payments to *clients* made by way of redress; and
- (h) commission or fees clawed back by a third party *firm* in subsequent years, for example because a *client* introduced by a *credit broker* to a *lender* repays a loan early or defaults.

Exclusions

(9)

- The following should be excluded from the calculation of annual income:
 - (a) Any income arising from business which is not a *credit-related regulated activity*.
 - (b) (i) Repayments of principal lent by the *firm* in the course of it carrying on a *credit-related regulated activity* and (ii) sums received by the *firm* in exchange for the rights to principal owed to the *firm* where the principal was lent by the *firm* in the course of carrying on a *credit-related regulated activity* and where the rights are not sold at a premium to the value of the principal outstanding, should not be included. By the same token, the money a *firm* has received for the purpose of lending on to consumers as principal (e.g. money raised through wholesale borrowing, grant-aid, intra-group transfers, etc) should not be treated as income.
 - (c) On the same principle, the income on debt purchase is the difference between the price paid for the purchased book and the amount collected.
 - (d) To avoid double-counting, amounts which have been passed on to other *firms* carrying on *credit-related regulated activity* may be excluded from the calculation of annual income, for example where there is a commission chain. Transfers of income to other *firms* may be particularly common within *groups* where, to present a single interface to *clients*, all amounts due to the *group* may be collected by one firm for subsequent redistribution to other *firms* within the *group*. It is for *groups* themselves to decide the most convenient way to report such annual income, ie whether the *firm* which receives the full amount should declare that full amount or whether each *firm* in the *group* should report its separate distribution.
 - (e) Any payment from a parent to facilitate the discounting or forgoing of any amount that would otherwise be charged in full to a *client* should be excluded to the extent that the payment does not exceed or equal the "fair value" price reported in accordance with paragraph (6) above.
 - (f) Rebates to *customers* and *fees* or *commissions* passed onto other *firms* should be excluded.
 - (g) The costs of wholesale funding should be excluded from the calculation ie interest payments on money borrowed in order to lend on to customers.
 - (h) If the total income a *firm* reports to us in one year includes an estimate for potential income which had been recognised in the accounts but not in practice received, and which has subsequently been written off as a bad debt, the amount may be deducted from the following year's reported income.
 - (i) Any debit backs deducted from an intermediary by a lender where a customer settles the loan early or defaults.

- (j) Authorised professional firms should exclude the income from non-mainstream regulated activities. They may estimate the proportion of their business that is derived from those activities and split the income from individual invoices accordingly.
- (k) For the avoidance of doubt, income relating to operating current accounts and debit card transactions should be excluded except where the income relates to the provision of overdrafts (see paragraph (6)(c) above).
- (I) For the avoidance of doubt, income relating to or in respect of an activity is not part of annual income to the extent that the activity benefits from the exclusion in article 69 of the Financial Services and Markets Act 2000 (Regulated Activities Order) 2001 (Groups and joint enterprises). *Firms* should refer to the *guidance* on the application of this exclusion is contained in PERG 2.9.
- (m) Where a consumer hire agreement is open ended, its term should be taken as the period over which depreciation is calculated to zero. If the agreement is in practice terminated before depreciation reaches zero, the residual value may not be subtracted from the revenue. Where an agreement ends before depreciation reaches zero, but is subsequently renewed, the residual value of the asset should determine its cost at the beginning of the new agreement and depreciation recalculated accordingly. For example, if the cost of the asset at the start of the original agreement was £500 and depreciation was 80%, then its residual value carried forward to the new agreement would be £100. If the asset was assumed to depreciate to zero during the original agreement, then there is no residual value to carry forward and the income for the second agreement would be the total revenue from the lease.

Apportioning annual income

Where a *firm* cannot separate its income on the basis of *credit-related regulated activities*, it may apportion the income on the basis of the proportionate split of business that the *firm* otherwise undertakes. Examples are outlined below.

- (1) If a *firm* receives annual income from a platform-based business it may report this in line with a wider breakdown of its activities.
- (2) A *firm* may allocate ongoing *commission* from previous business on the basis of the type of *firm* it receives the *commission* from. This avoids tracking back legacy business which may no longer match the provider's current business model.
- (3) If a *firm* has invested income from *credit-related regulated activities*, then any interest received should be reported as income, in proportion to the volume of business relating to *credit-related regulated activities* it undertakes to avoid tracking back old payments.
- (4) *Firms*' systems ought to be able to distinguish *UK* from non-*UK* business to establish which conduct of business regime it was conducted under. However, if, a *firm* has a mix of business and its systems do not relate the figures back to the income streams from *credit-related regulated activities*, then it may make a proportionate split as described above, calculating its regulated *UK* income on the basis of the overall split between *UK* and non-*UK*income.
- (5) An *authorised professional firm* may estimate the proportion of its business that is derived from *regulated activity* and split its income for individual invoices accordingly.
- (6) It is for individual *firms* to determine how they should calculate the appropriate split of income. The *FCA* is not prescriptive about the methodology. It requires only that:
 - (a) the approach should be proportionate the FCA is looking for *firms* to make their best efforts to estimate the split;
 - (b) the *firm* must be able on request to provide a sound and clearly expressed rationale for its approach - for example, if all invoices were analysed over a particular period, the *firm* should be able to justify the period as representative of its business across the year;
 - (c) the methodology should be objective for example, based on random sampling of invoices or random stratified sampling; and

(d)

the *firm* must on request be able to provide an audit trail which demonstrates that the choice of methodology was properly considered at an appropriate level or in the appropriate forums within the *firm*, and the decision periodically reviewed at the same level or in an equivalent forum.

Periodic fees for credit rating agencies, trade repositories and securitisation repositories

This Annex sets out the periodic fees in respect of *credit rating agencies*, *trade repositories* and *securitisation repositories*.

Part 1 – Method for calculating the fee for fee-paying payment service providers

The periodic fee is calculated by identifying the relevant activity group under Part 2 and multiplying the tariff base identified in Part 3 of FEES 4 Annex 16R by the appropriate rates in the table at Part 4.

Part 2 – Activity groups
