Application

■ Release 36 • May 2024

1.1 The general application rule

The general application rule

- 1.1.1 This sourcebook applies to a firm with respect to the following activities carried on in relation to a non-investment insurance contract from an establishment maintained by it, or its appointed representative, in the United Kingdom:
 - (1) an insurance distribution activity;
 - (2) effecting and carrying out contracts of insurance;
 - (3) managing the underwriting capacity of a Lloyd's syndicate as a managing agent at Lloyd's;
 - (4) communicating or approving a financial promotion;

and activities connected with them.

Modifications to the general application rule

- 1.1.2 R The general application *rule* is modified in ■ICOBS 1 Annex 1 according to the type of firm (Part 1), its activities (Part 2), and its location (Part 3).
- 1.1.3 The general application rule is also modified in the chapters of this sourcebook for particular purposes, including those relating to the type of firm, its activities or location, and for purposes relating to connected activities.

Guidance

1.1.4 Guidance on the application provisions is in ■ ICOBS 1 Annex 1 (Part 4).

.....

Application (see ICOBS 1.1.2 R)

Part 1: Who?

Modifications to the general application rule according to type of firm

1 Third party processors

- 1.1 R (1) This rule applies where a firm (or its appointed representative) ("A") has outsourced insurance distribution activities to a third party processor.
 - (2) Any *rule* in this sourcebook which requires the *third party processor*, when acting as such, to disclose its identity to a *customer* must be read as applying to the *third party processor* only to the extent that it applies to A and as requiring disclosure of A's identity.
- 1.2 G (1) The disclosure required of the *third party processor* under ICOBS 4.3.-7R can be made without having to disclose the identity of the *third party processor* to the *customer* and therefore without breaching paragraph 1.1R(2) above.
- 2 Managing agents
- 2.1 R (1) References to an *insurer* (including within the reference to *insurance distributor*) apply equally to a *managing agent* unless the context requires otherwise.
 - (2) A managing agent must give effect to the policy that a consumer must, where required by this sourcebook, be offered cancellation rights.
 - (3) References to *managing agents* in this sourcebook relate to their functions in managing the obligations of a *member* in his capacity as such.
- 3 Authorised professional firms
- 3.1 R This sourcebook (except for ICOBS 4.6) does not apply to an authorised professional firm with respect to its non-mainstream regulated activities except for:
 - (1) the provisions on communications to *clients* and *financial promotions* (see ICOBS 2.2);
 - (2) the e-commerce provisions (ICOBS 3.2);
 - (3) general information disclosure requirements in relation to complaints procedures (see ICOBS 4.1); and
 - (4) the UK provisions which implemented articles 1(4), 17, 18, 19, 20, 23, and 24 of the IDD (see ICOBS 2.2.2R (communication to customers and financial promotions), ICOBS 2.2.2AR (marketing communications), ICOBS 2.5.-1R (the customer's best interests rule), ICOBS 2.6 (Distribution of connected contracts through exempt persons), ICOBS 4.1 (Information about the firm, its services and remuneration), ICOBS 4.1A (Means of communicating to customers), ICOBS 4.3 (remuneration disclosure), ICOBS 5.2 (Demands and needs), ICOBS 5.3.3R (Advice on the basis of a fair analysis), ICOBS 5.3.4R (Personalised explanation), ICOBS 6A.1.4R (Ensuring the customer can make an informed decision) and ICOBS 6A.3 (Cross-selling)), except to the extent that the firm is subject to equivalent rules of its designated professional body approved by the FCA.
- 3.2 G Compliance with the *UK* provisions which implemented the *Distance Marketing Directive* is dealt with in the Professional Firms sourcebook (see PROF 5.4).
- 4 Appointed representatives
- 4.1 R (1) An *insurer* must ensure that its *appointed representative* complies with this sourcebook as it applies to an *insurance intermediary*.

Part 1: Who?

- However, if the appointed representative is acting as the insurer's third party processor then:
 - this rule is subject to the third party processors rule (see paragraph 1.1R); (a)
 - (b) the *insurer* is not required to ensure that the *appointed representative* complies with the rules in this sourcebook on commission disclosure (see ICOBS 4.4).
- 4.2 G The cancellation requirements in chapter 7 do not apply to a distance contract entered into by an appointed representative to provide distribution services. Regulations 9 (Right to cancel) to 13 (Payment for services provided before cancellation) of the Distance Marketing Regulations apply instead.
- 5 Service companies
- 5.1 This sourcebook does not apply to a service company, except for the provisions on communications to clients and financial promotions (see ICOBS 2.2).
- 6 Lloyd's

This sourcebook does not apply to the Society.

- 7 Gibraltar-based firms and TP firms
- 7.1 In addition to the general application rule in ICOBS 1.1.1R, the provisions in (2) (1) also apply to:
 - TP firms and Gibraltar-based firms which carry on business from an establishment in the *United Kingdom*; or
 - (b) (i)

TP firms and Gibraltar-based firms that provide services from an establishment outside the *United* Kingdom; or

(ii)

firms operating from an establishment overseas; and

with a customer in the United Kingdom.

- (2) The provisions specified for the purposes of (1) are:
 - ICOBS 6.1.7-AG, ICOBS 6.5.1AG and ICOBS 6A.4 (Travel insurance and medical conditions) (except for TP firms or Gibraltar-based firms in (1)(b)(i) where the state of the risk is an EEA State or Gibraltar, and to the extent that the EEA State in question or Gibraltar imposes measures of like effect); and
 - ICOBS 6A.5 (Retail premium finance: disclosure and remuneration). (b)
 - ICOBS 5.1.3CR(1A), ICOBS 6.2.6R, ICOBS 6.2.7G, ICOBS 6.5.1R(3)(d) and ICOBS 6A.6 (c) (Cancellation of automatic renewal);
 - (d) ICOBS 6B (Home and motor insurance pricing); and
 - ICOBS 6A.7 (Disclosure requirements for multi-occupancy buildings (e) insurance).

- 1 Reinsurance
- 1.1 R This sourcebook does not apply to activities carried on in relation to a reinsurance

ICOBS 1 Annex 1/2

Part 2: What?

Modifications to the general application rule according to type of firm

[Note: recital 51 to the IDD]

- 2 Contracts of large risks
- 2.1 R Subject to Part 3 of this Annex:
 - (1) this sourcebook does not apply to a *firm* distributing a *contract of large risks* where the risk is located outside the *United Kingdom*;
 - (2) only ICOBS 2 (General matters), ICOBS 6A.3 (Cross-selling) and ICOBS 6A.7 (Disclosure requirements for multi-occupancy buildings insurance) apply to a firm distributing a contract of large risks for a commercial customer where the risk is located within the United Kingdom; and
 - (3) the *IPID* requirement in ICOBS 6.1.10AR (How must IPID information be provided?) and ICOBS 6 Annex 3R (Providing product information by way of a standardised insurance information document) do not apply to a *firm* distributing a *contract of large risks*.

[Note:article 22(1) of the IDD]

- 2.2 G Principle 7 continues to apply so a firm should provide evidence of cover promptly after inception of a policy to its customer. In respect of a group policy, a firm should provide information to its customer to pass on to other policyholders and should tell the customer the information should be givento each policyholder.
- 2.3 R ICOBS 6.2.3 R does not apply to contracts of large risks.

[Note: article 184(1) of the Solvency II Directive]

- 3 Pure protection contracts: election to apply COBS rules
- 3.1 R (1) This sourcebook (except for ICOBS 4.6) does not apply in relation to a *pure* protection contract to the extent that a *firm* has elected to comply with the Conduct of Business sourcebook (*COBS*) in respect of such business.
 - (2) Within the scope of such an election, a *firm* must:
 - (a) comply with the rest of the Handbook (except for COBS 6.1A, COBS 6.1B and COBS 6.1.9 R) treating the *pure protection contract* as a life policy and a *designated investment*, and not as a *non-investment insurance contract*; and
 - (b) if applicable, also comply with ICOBS 4.6.
 - (3) A *firm* must make, and retain indefinitely, a record in a *durable medium* of such an election (and any reversal or amendment). The record must include the effective date and a precise description of the part of the *firm*'s business to which the election applies.
- 4 Chains of insurance intermediaries
- 4.1 R Where there is a chain of *insurance intermediaries* between the *insurer* and the *customer*, this sourcebook, except ICOBS 2, applies to any *insurance intermediary* in contact with the *customer*.
- 4.2 G ICOBS 2 applies to all *insurance intermediaries*, including those within a chain who are not in contact with the *customer*.
- 5 Travel insurance contracts
- 5.1 R [deleted]

[deleted]

5.2 G [deleted]

- EEA territorial scope rule: compatibility with European law [deleted]
- 2 Exemption for insurers: business with non-UK customers via non-UK intermediaries
- 2.1 This sourcebook does not apply to an insurer if:
 - (1) the intermediary (whether or not an insurance intermediary) in contact with the customer is not established in the United Kingdom; and
 - the customer is not habitually resident in, and, if applicable, the State of the (2) risk is outside the United Kingdom.
- 3 Exemption for insurers: business with non-UK EEA customers [deleted]

Insurance: Conduct of Business

Chapter 2

General matters

2.1 **Client categorisation**

Introduction

2.1.1 G Different provisions in this sourcebook may apply depending on the type of person with whom a firm is dealing:

- (1) A policyholder includes anyone who, upon the occurrence of the contingency insured against, is entitled to make a claim directly to the insurance undertaking.
- (2) Only a policyholder or a prospective policyholder who makes the arrangements preparatory to him concluding a contract of insurance (directly or through an agent) is a customer. In this sourcebook, customers are either consumers or commercial customers.
- (3) A consumer is any natural person who is acting for purposes which are outside his trade or profession.
- (4) A commercial customer is a customer who is not a consumer.

Customer to be treated as consumer when status uncertain

2.1.2 R If it is not clear in a particular case whether a customer is a consumer or a commercial customer, a firm must treat the customer as a consumer.

Customer covered in both a private and business capacity

- 2.1.3 G (1) Except where paragraph (2) applies, if a customer is acting in the capacity of both a consumer and a commercial customer in relation to a particular contract of insurance, the customer is a commercial customer.
 - (2) For the purposes of ■ICOBS 5.1.4 G and ■ICOBS 8.1.2 R, if, in relation to a particular contract of insurance, the customer entered into it mainly for purposes unrelated to his trade or profession, the customer is a consumer.

Customer classification examples

G 2.1.4 In practice, private individuals may act in a number of capacities. The following table sets out a number of examples of how an individual acting in certain capacities should, in the FCA's view, be categorised.

Customer classification examples	
Capacity	Classification
Personal representatives, including executors, unless they are acting in a professional capacity, for example, a solicitor acting as executor.	Consumer
Private individuals acting in personal or other family circumstances, for example, as trustee of a family trust.	Consumer
Trustee of a trust such as a housing or NHS trust.	Commercial customer
Member of the governing body of a club or other unin- corporated association such as a trade body and a student union.	Commercial customer
Pension trustee.	Commercial customer
Person taking out a policy covering property bought under a buy-to-let mortgage.	Commercial customer
Partner in a partnership when taking out insurance for purposes related to his profession.	Commercial customer

Communications to clients and 2.2 financial promotions

Application

2.2.1 In addition to the general application *rule* for this sourcebook, this section applies to the communication, or approval for communication, to a person in the United Kingdom of a financial promotion of a non-investment insurance contract unless it can lawfully be communicated by an unauthorised communicator without approval.

Clear, fair and not misleading rule

2.2.2 R When a firm communicates information, including a financial promotion, to a customer it must ensure that is clear, fair and not misleading.

[Note: article 17(2) of the IDD]

Marketing communications

2.2.2A R A firm must ensure that, in relation to insurance distribution, marketing communications are always clearly identifiable as such.

[Note: article 17(2) of the IDD]

Approving financial promotions

- 2.2.3 R (1) Before a firm approves a financial promotion it must take reasonable steps to ensure that the *financial promotion* is clear, fair and not misleading.
 - (2) If, subsequently, a firm becomes aware that a financial promotion is not clear, fair and not misleading, it must withdraw its approval and notify any *person* that it knows to be relying on its approval as soon as reasonably practicable.
- 2.2.3A G (1) The effect of section 55NA of the Act is that a firm is unable to approve a financial promotion unless:
 - (a) the firm is a permitted approver in relation to the financial promotion; or
 - (b) an approver permission exemption applies.
 - (2) SUP 6A contains guidance on applying for approver permission.

ICOBS 2/4

Pricing claims: guidance on the clear, fair and not misleading rule

2.2.4 G

- (1) This guidance applies in relation to a financial promotion that makes pricing claims, including financial promotions that indicate or imply that a firm can reduce the premium, provide the cheapest premium or reduce a customer's costs.
- (2) Such a financial promotion should:
 - (a) be consistent with the result reasonably expected to be achieved by the majority of *customers* who respond, unless the proportion of those *customers* who are likely to achieve the pricing claims is stated prominently;
 - (b) state prominently the basis for any claimed benefits and any significant limitations; and
 - (c) comply with other relevant legislative requirements, including the Consumer Protection from Unfair Trading Regulations 2008 and the Business Protection from Misleading Marketing Regulations 2008.

Sustainability-related claims: guidance on the clear, fair and not misleading rule

2.2.4A G

A firm is reminded of its obligations under ESG 4.3.1R when it communicates or approves a financial promotion that references the sustainability characteristics of a product or service.

The reasonable steps defence

2.2.5 R

If, in relation to a particular communication or *financial promotion*, a *firm* takes reasonable steps to ensure it is fair, clear and not misleading then:

- (1) the firm will not contravene ■ICOBS 2.2.2R where:
 - (a) the recipient is a *customer* that does not make the arrangements preparatory to the conclusion of the *contract of insurance*; or
 - (b) the communication is made in relation to activities other than *insurance distribution*; and
- (2) a contravention of the clear, fair and not misleading *rule* (■ ICOBS 2.2.2R) does not give rise to a right of action under section 138D of the *Act*.

2.3 **Inducements**

G 2.3.1

- (1) Principle 8 requires a firm to manage conflicts of interest fairly, both between itself and its customers and between a customer and another client. This principle extends to soliciting or accepting inducements where this would conflict with a firm's duties to its customers. A firm that offers such inducements should consider whether doing so conflicts with its obligations under:
 - (a) Principles 1 and 6 to act with integrity and treat customers fairly; and
 - (b) the customer's best interests rule.
- (2) An inducement is a benefit offered to a firm, or any person acting on its behalf, with a view to that firm, or that person, adopting a particular course of action. This can include, but is not limited to, cash, cash equivalents, commission, goods, hospitality or training programmes.

ICOBS 2/6

2.4 Record-keeping

2.4.1 G

- (1) The Senior Management Arrangements, Systems and Controls sourcebook (SYSC) contains high-level record-keeping requirements (see SYSC 3.2.20 R, SYSC 9.1.1 R and SYSC 9.1.1 AR).
- (2) This sourcebook does not generally have detailed record-keeping requirements: *firms* will need to decide what records they need to keep in line with the high-level record-keeping requirements and their own business needs.
- (3) Firms should bear in mind the need to deal with requests for information from the FCA as well as queries and complaints from customers which may require evidence of matters such as:
 - (a) the reasons for personal recommendations;
 - (b) what documentation has been provided to a customer; and
 - (c) how claims have been settled and why.

■ Release 36 • May 2024

2.5 Acting honestly, fairly and professionally, exclusion of liability, conditions and warranties

2.5.-1 R A firm must act honestly, fairly and professionally in accordance with the best interests of its customer.

[Note: article 17(1) of the IDD]

Exclusion of liability and conditions

- 2.5.1 R (1) A firm must not seek to exclude or restrict, or rely on any exclusion or restriction of, any duty or liability it may have to a customer or other policyholder unless it is reasonable for it to do so and the duty or liability arises other than under the regulatory system.
 - (2) A Solvency II firm must ensure that general and special policy conditions do not include any conditions intended to meet, in an individual case, the particular circumstances of the risk to be covered.

[Note: article 187 of the Solvency II Directive]

G 2.5.2 The general law, including the *Unfair Terms Regulations* (for contracts entered into before 1 October 2015) and the CRA, also limits the scope for a firm to exclude or restrict any duty or liability to a consumer.

Conditions and warranties in policies

- 2.5.2A R An insurer must ensure that any condition or warranty included in a policy with a consumer:
 - (1) has operative effect only in relation to the types of crystallised risk covered by the *policy* that are connected to that condition or warranty; and
 - (2) (for a warranty in a pure protection contract) is material to the risks to which it relates and is drawn to the customer's attention before the conclusion of the contract.
- 2.5.2B ■ ICOBS 2.5.2AR(2) does not apply to a 'life of another' contract where the warranty relates to a statement of fact concerning the life to be assured.

ICOBS 2/8

.....

2.5.2C G An *insurer* may choose to draft its conditions and warranties so that they clearly state the particular types of crystallised risks covered by the *policy* to which they are connected, for the purposes of ■ICOBS 2.5.2AR(1). Alternatively the *insurer* may in practice have systems and controls which operate the conditions and warranties in a way that has the same effect.

Reliance on others

2.5.3 G

- (1) Where it is compatible with the nature of the obligation imposed by a particular *rule*, including the *customer's best interests rule*, and with the *Principles*, in particular *Principles* 1 (Integrity), 2 (Skill, care and diligence) and 3 (Management and control), *firms* may rely on third parties in order to comply with the *rules* in this sourcebook.
- (2) For example, where a *rule* requires a *firm* to take reasonable steps to achieve an outcome, it will generally be reasonable for a *firm* to rely on information provided to it in writing by an unconnected *authorised person* or a *professional firm*, unless it is aware or ought reasonably to be aware of any fact that would give reasonable grounds to question the accuracy of that information. However, a *firm* cannot delegate its responsibility under the *regulatory system*. For example, where a *rule* imposes an absolute obligation (such as the requirement for an *insurer* to handle claims promptly and fairly) although a *firm* could use outsourcing arrangements to fulfil its obligation, it retains regulatory responsibility for achieving the outcome required.

Other requirements

2.5.4 G Firms are reminded of their obligations in ■ SYSC 19F.2 to ensure remuneration arrangements do not conflict with their duty to act in the customer's best interests.

2.5.5 G

Firms are reminded that for non-investment insurance contracts, their obligations under the customer's best interests rule (and in ■ SYSC 19F.2 and ■ PROD 4) will include consideration of the interests of any policy stakeholder of which the firm should be aware (which, in relation to a multi-occupancy building insurance contract, will include any leaseholder).

Customer's best interests rule and third-party incentives

2.5.6 G

- (1) A *firm* that offers incentives to third parties in connection with a *non-investment insurance contract* should consider whether doing so conflicts with its obligations under the *customer's best interests rule*, including whether this is consistent with the interests of *policyholders* and any *policy stakeholder* in relation to a *multi-occupancy building insurance contract*.
- (2) A 'third party incentive' is a benefit offered to any third party, with a view to that *firm*, or that *person*, adopting a particular course of action (for a *customer*, this includes taking out a particular *contract of insurance*), or which could be perceived as having that effect. This can include, but is not limited to, cash, cash equivalents, *commission*, goods, hospitality or training programmes.

2.6 **Distribution of connected contracts** through exempt persons

- 2.6.1 R
- (1) Where an insurance distributor is distributing through a person relying on the connected contracts exemption in article 72B of the Regulated Activities Order, the insurance distributor must ensure that the requirements in (2) are met.
- (1) The requirements referred to in (1) are:
 - (a) SYSC 19F.2 (Remuneration and insurance distribution activities);
 - (b) ■ICOBS 2.2.2R and ■ICOBS 2.2.2AR (Clear, fair and not misleading rule and marketing communications);
 - (c) ICOBS 2.5.-1R (Customer's best interests);
 - (d) ■ICOBS 4.1.2R(1)(a) and (c) (Status disclosure: general information provided by insurance intermediaries or insurers);
 - (e) ■ICOBS 5.2 (Demands and needs);
 - (f) ■ICOBS 6.1.5R(4) (Ensuring customers can make an informed decision: the appropriate information rule);
 - () ■ICOBS 6.1.10AR (How must IPID information be provided?) (see also ■ ICOBS 6.1.10BG); and
 - (h) ■ICOBS 6A.3 (Cross-selling).

[Note: article 1(4) of the IDD]

G 2.6.2

To comply with the relevant chapter of SYSC or Principle 3, an insurance distributor will need to have appropriate arrangements in place to ensure compliance with ■ ICOBS 2.6.1R.

ICOBS 2/10

2.7 Customers in financial difficulty

Purpose

- The purpose of the *guidance* in this section is to give the *FCA*'s view on the outcomes *firms* should aim to achieve and actions they should take to deliver good outcomes for *customers* experiencing financial difficulties.
- **2.7.2 G** The *guidance* complements:
 - (1) Principle 12, which requires firms to act to deliver good outcomes for retail customers;
 - (2) the obligations in PRIN 2A (the Consumer Duty), including in particular the *rules* in PRIN 2A.2 (cross-cutting obligations), PRIN 2A.5 relating to communication, interacting on a one-to-one basis and adapting communication, PRIN 2A.6 (Consumer Duty: retail customer outcome on consumer support) and expected standards in PRIN 2A.7; and
 - (3) the customer's best interests rule.

However, it is not, and does not seek to be, a complete exposition of all of a *firm's* responsibilities to *customers* experiencing financial difficulties, nor does it alter, replace or substitute applicable *rules*, *guidance* or law, including those in relation to credit agreements.

The guidance does not set expectations in relation to contracts of large risks distributed to commercial customers. However, firms distributing contracts of large risks to commercial customers continue to be subject to FCA rules (including the principles) referred to in ■ICOBS 2.7.2G in relation to that business, and will need to continue to consider what those rules may require of those firms in their particular circumstances.

Outcomes firms should aim to achieve

- 2.7.4 G Where a *firm* identifies a *customer* in financial difficulty, the *firm* should:
 - (1) provide or ensure that the *customer* is provided with good outcomesfocused support that is appropriate given the needs and characteristics of the *customer* to:
 - (a) reduce the impact of the financial difficulty on the customer;
 - (b) enable the *customer* to maintain an appropriate level of insurance that the *customer* can afford; and

- (c) reduce, as far as reasonably possible, the risk of the customer losing appropriate insurance cover that is important to the customer; and
- (2) ensure the *customer* has an appropriate level of information about the option or options available to them in good time and in an understandable format to enable the customer to make an informed decision.
- 2.7.5 The options available to, and the level of support reasonably expected to be provided by, firms to achieve the outcomes in ■ICOBS 2.7.4G will vary, depending on the nature of the firm's relationship with the customer, the firm's role in the distribution chain, the type of and characteristics of the customer and the type of product.
- G 2.7.6 Firms are reminded that the level of support needed for customers who have characteristics of vulnerability may be different from that for others; firms should take particular care to ensure they act to deliver good outcomes for those customers.
- G 2.7.7 In relation to *Principle* 12 and PRIN 2A (the Consumer Duty), *firms* are reminded of their responsibilities as a firm in a product's distribution chain, including in ■ PRIN 2A.1.14G, ■ PRIN 2A.1.15G and ■ PRIN 3.2.7R.
- G 2.7.8 When considering outcomes, firms should also consider:
 - (1) the purpose of the policy and the interests of all policyholders; and
 - (2) whether there are any relevant duties or obligations the customers may owe to others in connection with the *policy* that should be taken into account. For example, where a property owner may be subject to a duty to leaseholders and others around adequate insurance cover being in place for the property.

Signposting to customers

2.7.9 Firms should take reasonable steps to make customers aware of, and help them to understand, the support available to them in the event that they experience financial difficulty, and also to enable those customers to easily contact the firm. This includes, but is not limited to:

- (1) including sufficiently prominent information:
 - (a) in the firm's general communications, including the firm's website, software applications, letters, telephone recorded messages and other channels of communication;
 - (b) in communications to customers which could be relevant to potential financial difficulties experienced by the customers – for example, in communications to customers about missed payments;
- (2) making it easier for *customers* to contact them when they need help by considering the different communication needs of customers (for

example, those needing to communicate through channels other than electronic means, such as websites, webchats and email).

2.7.10 G

Where the *firm* has reason to believe that the *customer* is, or is likely to be, experiencing financial difficulty, the *firm* should take reasonable steps to make the *customer* aware of, and help them to understand, the support available (whether or not a *customer* has contacted the *firm* in relation to their financial difficulty).

Identifying customers experiencing financial difficulty

2.7.11 G

There are a number of circumstances in which *firms* may have reason to believe that a *customer* is, or is likely to be, experiencing financial difficulty. In particular, *firms* should include consideration of circumstances where:

- (1) customers contact the firm:
 - (a) wanting to reduce their insurance cover (whether having paid in full or on a monthly basis); and/or
 - (b) asking about their insurance cover in a manner that indicates they may have financial difficulties, or about *premium* payments, including where they have difficulty paying the *premium*;
- (2) customers have missed payments, even where they have not contacted the firm about possible financial difficulties. A firm should not cancel a customer's policy solely because of missed payments without first considering options to support the customer;
- (3) there are other indications (whether the customer has contacted the firm directly or not) that the customer is, or is likely to be, experiencing financial difficulty (for example, where the customer has requested cancellation of insurance cover that is important to the customer).

Options firms should consider

2.7.12 G

Options which *firms* should consider to ensure they meet the relevant obligations under the *rules*, including to act to deliver good outcomes (which may be used in combination with each other), include but are not limited to:

- (1) whether there are other products that provide an appropriate level of insurance cover for the *customer* at a price the *customer* can afford and revise the existing cover accordingly;
- (2) adjusting cover to take account of the change in the customer's financial circumstances. This could be done on a short-term basis (affecting a period within the policy cover period) or for the longer term (affecting the entirety of the remainder of the policy cover period);
- (3) working with *customers* to help them avoid the need to cancel cover that is important to them;
- (4) re-assessing the risk profile of the *customer*. It might be that some *customers*' risk profiles have changed since purchasing the *policy* and *customers* could potentially be offered lower *premiums*; and

- (5) considering whether it is appropriate to require the *customer* to pay all contractual fees or charges in circumstances where the firm not relying on these contractual provisions would be needed to provide fair treatment in the customer's best interests.
- (6) considering whether in the particular circumstances (see ■ ICOBS 2.7.5G) it would be appropriate to refer the *customer* to another firm in the distribution chain who is in a better position to support the customer.
- G 2.7.13 For shorter-term adjustments, firms should take reasonable steps to ensure that they re-assess the *customer's* situation when that short-term period comes to an end to ensure the *customer* continues to have an appropriate level of insurance. For example, by introducing an expiry date for any changes to a policy and reviewing the situation on expiry, or by inviting customers to contact the firm when their financial circumstances have improved sufficiently.
- 2.7.14 Depending on the circumstances, options could range from consideration of a single policy to a more holistic approach considering all the policies a customer has with the firm. Firms should consider if it is appropriate to take steps for all policies that the customer holds with the firm.
- G 2.7.15 When setting out the options available to a customer, firms should include an appropriate level of information about each option, including:
 - (1) where the option includes possible changes to insurance cover or to a different policy, what the possible changes are, the effect of the changes on the *customer*, the period of time the changes might apply for, the main exclusions where claims would no longer be able to be made, and the change in the costs to the customer or to their payment plan;
 - (2) the effect on premiums paid and still due, and on any interest owed; and
 - (3) any cancellation or adjustment fees and charges associated with the options.
- 2.7.16 Firms are reminded that other rules in ICOBS – for example, those relating to specifying the demands and needs of the customer (ICOBS 5.2.1R), the appropriate information rule which applies at all of the different stages of a contract (■ICOBS 6.1.5R), and renewal (■ICOBS 6.5) –may also be relevant to the firm in relation to the options available to the customer.

Distance communications

■ Release 36 • May 2024

3.1 **Distance marketing**

Application

3.1.1 This section applies to a *firm* that carries on any distance marketing activity from an establishment in the *United Kingdom*, with or for a *consumer* in the United Kingdom.

Guidance on the Distance Marketing Directive

3.1.2 G Guidance on expressions derived from the Distance Marketing Directive and on the Directive's application in the context of insurance distribution activity can be found in ICOBS 3 Annex 1 G.

The distance marketing disclosure rules

3.1.3 R A firm must provide a consumer with the distance marketing information (ICOBS 3 Annex 2 R) in good time before conclusion of a distance contract.

[Note: article 3(1) of the *Distance Marketing Directive*]

- G 3.1.4 The *rules* setting out the responsibilities of *insurers* and *insurance* intermediaries for producing and providing information apply to requirements in this section to provide information (see ■ ICOBS 6.-1.1R).
- 3.1.5 A firm must ensure that the distance marketing information, the commercial purpose of which must be made clear, is provided in a clear and comprehensible manner in any way appropriate to the means of distance communication used, with due regard, in particular, to the principles of good faith in commercial transactions, and the legal principles governing the protection of those who are unable to give their consent, such as minors.

[Note: article 3(2) of the Distance Marketing Directive]

3.1.6 R When a firm makes a voice telephony communication to a consumer, it must make its identity and the purpose of its call explicitly clear at the beginning of the conversation.

[Note: article 3(3)(a) of the Distance Marketing Directive]

3.1.7 R A firm must ensure that the information on contractual obligations to be communicated to a *consumer* during the pre-contractual phase is in conformity with the contractual obligations which would result from the law presumed to be applicable to the *distance contract* if that contract is concluded.

[Note: article 3(4) of the *Distance Marketing Directive*]

Terms and conditions, and form

3.1.8 R

A firm must communicate to the consumer all the contractual terms and conditions and the information referred to in the distance marketing disclosure rules in writing or another durable medium available and accessible to the consumer in good time before conclusion of any distance contract.

[Note: article 5(1) of the Distance Marketing Directive]

3.1.9 G

A *firm* will provide or communicate information or contractual terms and conditions to a *consumer* if another *person* provides or communicates it to the *consumer* on its behalf.

Commencing performance of the distance contract

3.1.10 R

The performance of the *distance contract* may only begin after the *consumer* has given his approval.

[Note: article 7(1) of the Distance Marketing Directive]

Exception: distance contract as a stage in the provision of another service

3.1.11 R

This section does not apply to a *distance contract* to act as *insurance intermediary*, if the *distance contract* is concluded merely as a stage in the provision of another service by the *firm* or another *person*.

[Note: recital 19 to the *Distance Marketing Directive*]

Exception: successive operations

3.1.12 R

In the case of a *distance contract* comprising an initial service agreement, followed by successive operations or a series of separate operations of the same nature performed over time, the *rules* in this section only apply to the initial agreement.

[Note: article 1(2) of the Distance Marketing Directive]

3.1.13 R

If there is no initial service agreement but the successive operations or separate operations of the same nature performed over time are performed between the same contractual parties, the distance marketing disclosure *rules* will only apply:

- (1) when the first operation is performed; and
- (2) if no operation of the same nature is performed for more than a year, when the next operation is performed (the next operation being deemed to be the first in a new series of operations).

[Note: recital 16 and article 1(2) of the Distance Marketing Directive]

Exception: voice telephony communications

3.1.14

- R
- (1) In the case of a voice telephony communication, and subject to the explicit consent of the consumer, only the abbreviated distance marketing information (ICOBS 3 Annex 3 R) needs to be provided during that communication.
- (2) However, unless another exemption applies (such as the exemption for means of distance communication not enabling disclosure) a firm must still provide the distance marketing information (ICOBS 3 Annex 2 R) in writing or another durable medium available and accessible to the consumer in good time before conclusion of any distance contract.

[Note: articles 3(3)(b) and 5(1) of the Distance Marketing Directive]

Exception: Means of distance communication not enabling disclosure

3.1.15

A firm may provide the distance marketing information (ICOBS 3 Annex 2 R) and the contractual terms and conditions in writing or another durable medium immediately after the conclusion of a distance contract, if the contract has been concluded at a consumer's request using a means of distance communication that does not enable the provision of that information in that form in good time before conclusion of any distance contract.

[Note: article 5(2) of the *Distance Marketing Directive*]

Consumer's right to request paper copies and change the means of communication

3.1.16 R At any time during the contractual relationship the consumer is entitled, at his request, to receive the contractual terms and conditions on paper. The consumer is also entitled to change the means of distance communication used unless this is incompatible with the contract concluded or the nature of the service provided.

[Note: article 5(3) of the *Distance Marketing Directive*]

Unsolicited services

3.1.17 R

- (1) A firm must not enforce, or seek to enforce, any obligations under a distance contract against a consumer, in the event of an unsolicited supply of services, the absence of reply not constituting consent.
- (2) This rule does not apply to the tacit renewal of a distance contract.

[Note: article 9 of the *Distance Marketing Directive*]

Mandatory nature of consumer's rights

3.1.18

If a consumer purports to waive any of the consumer's rights created or implied by the rules in this section, a firm must not accept that waiver, nor seek to rely on or enforce it against the consumer.

[Note: article 12 of the *Distance Marketing Directive*]

3.1.19

R

If a *firm* proposes to enter into a *distance contract* with a *consumer* that will be governed by the law of a country outside the *United Kingdom*, the *firm* must ensure that the *consumer* will not lose the protection created by the *rules* in this section if the *distance contract* has a close link with the territory of the *United Kingdom*.

[Note: articles 12 and 16 of the Distance Marketing Directive]

3.2 **E-Commerce**

Application

3.2.1 This section applies to a firm carrying on an electronic commerce activity from an establishment in the United Kingdom, with or for a person in the the *United Kingdom*.

- 3.2.2 R A firm must make at least the following information easily, directly and permanently accessible to the recipients of the information society services it provides:
 - (1) its name;
 - (2) the geographic address at which it is established;
 - (3) the details of the firm, including its e-mail address, which allow it to be contacted and communicated with in a direct and effective manner:
 - (4) an appropriate statutory status disclosure statement (GEN 4 Annex 1 R), together with a statement which explains that it is on the Financial Services Register and includes its Firm Reference Number;
 - (5) if it is a professional firm:

 - (b) the professional title;
 - (c) a reference to the applicable professional rules and the means to access them; and
 - (6) where the firm undertakes an activity that is subject to VAT, its VAT number.

[Note: article 5(1) of the *E-Commerce Directive*]

3.2.3 R If a firm refers to price, it must do so clearly and unambiguously, indicating whether the price is inclusive of tax and delivery costs.

[Note: article 5(2) of the *E-Commerce Directive*]

ICOBS 3/6

- A firm must ensure that commercial communications which are part of, or constitute, an *information society service*, comply with the following conditions:
 - (1) the commercial communication must be clearly identifiable as such;
 - (2) the *person* on whose behalf the commercial communication is made must be clearly identifiable;
 - (3) promotional offers must be clearly identifiable as such, and the conditions that must be met to qualify for them must be easily accessible and presented clearly and unambiguously; and
 - (4) promotional competitions or games must be clearly identifiable as such, and the conditions for participation must be easily accessible and presented clearly and unambiguously.

[Note: article 6 of the *E-Commerce Directive*]

An unsolicited commercial communication sent by e-mail by a *firm* must be identifiable clearly and unambiguously as an unsolicited commercial communication as soon as it is received by the recipient.

[Note: article 7(1) of the *E-Commerce Directive*]

Requirements relating to the placing and receipt of orders

- 3.2.6 R A firm must (except when otherwise agreed by parties who are not consumers):
 - (1) give an *ECA recipient* the following information, clearly, comprehensibly and unambiguously, and prior to the order being placed by the recipient of the service:
 - (a) the different technical steps to follow to conclude the contract;
 - (b) whether or not the concluded contract will be filed by the *firm* and whether it will be accessible;
 - (c) the technical means for identifying and correcting input errors prior to the placing of the order; and
 - (d) the languages offered for the conclusion of the contract;
 - (2) indicate any relevant codes of conduct to which it subscribes and provide information on how those codes can be consulted electronically;
 - (3) (when an ECA recipient places an order through technological means), acknowledge the receipt of the recipient's order without undue delay and by electronic means (an order and an acknowledgement of receipt are deemed to be received when the parties to whom they are addressed are able to access them); and
 - (4) make available to an *ECA recipient* appropriate, effective and accessible technical means allowing the recipient to identify and correct input errors prior to the placing of an order.

[Note: articles 10(1) and (2) and 11(1) and (2) of the E-Commerce Directive]

3.2.7 Contractual terms and conditions provided by a firm to an ECA recipient must be made available in a way that allows the recipient to store and reproduce them.

[Note: article 10(3) of the *E-Commerce Directive*]

Exception: contract concluded by e-mail

3.2.8 The requirements relating to the placing and receipt of orders do not apply R to contracts concluded exclusively by exchange of e-mail or by equivalent individual communications.

[Note: article 10(4) and 11(3) of the *E-Commerce Directive*]

ICOBS 3/8

Guidance on the UK provisions which implemented the Distance Marketing Directive

This Annex belongs to ■ICOBS 3.1.2 G

O1. What is a distance contract?

To be a distance contract, a contract must be concluded under an 'organised distance sales or service-provision scheme' run by the contractual provider of the service who, for the purpose of the contract, makes exclusive use (directly or otherwise) of one or more means of distance communication up to and including the time at which the contract is concluded.

So:

- the *firm* must have put in place facilities designed to enable a *consumer* to deal with it exclusively at a distance; and
- there must have been no simultaneous physical presence of the *firm* and the *consumer* throughout the offer, negotiation and conclusion of the contract. So, for example, contracts offered, negotiated and concluded over the internet, through a telemarketing operation or by *post*, will normally be *distance contracts*.
- Q2. What about a firm that normally operates face-to-face but occasionally uses distance means?

If a *firm* normally operates face-to-face and has no facilities in place enabling a *consumer* to deal with it customarily by distance means, there will be no *distance contract*. A one-off transaction effected exclusively by distance means to meet a particular contingency or emergency will not be a *distance contract*.

Q3. What is meant by "simultaneous physical presence"?

A consumer may visit the firm's local office in the course of the offer, negotiation or conclusion of a contract. Wherever, in the literal sense, there has been "simultaneous physical presence" of the firm and the consumer at the time of such a visit, any ensuing contract will not be a distance contract.

Q4. Does the mere fact that an intermediary is involved make the sale of a product or service a distance contract?

No.

Q5. When is a contract concluded?

A contract is concluded when an offer to be bound by it has been accepted. An offer in the course of negotiations (for example, an offer by an *insurer* to consider an application) is not an offer to be bound, but is part of a pre-contractual negotiation.

A consumer will provide all the information an insurer needs to decide whether to accept a risk and to calculate the premium. The consumer may do this orally, in writing or by completing a proposal form. The response by an insurer, giving a quotation to the consumer specifying the premium and the terms, is likely to amount to an offer of the terms on which the insurer will insure the risk. Agreement by the consumer to those terms is likely to be an acceptance which concludes the contract.

In other cases where the *insurer* requires a signed proposal form (for example, some *pure protection contracts*), the proposal form may amount to an offer by the *consumer* on which the *insurer* decides whether to insure the risk and in such cases the *insurer*'s response is likely to be the acceptance.

Q6. What if the contract has not been concluded but cover has commenced?

Where the parties to a contract agree that insurance cover should commence before all the terms

and conditions have been agreed, the consumer should be provided with information required to be provided before conclusion of the contract to the extent that agreement has been reached.

Q7. How do the UK provisions which implemented the Directive apply to insurance intermediaries' services?

The FCA expects the UK provisions which implemented the Distance Marketing Directive to apply to insurance intermediaries' services only in the small minority of cases where:

- the firm concludes a distance contract with a consumer covering its insurance distribution activities which is additional to any insurance contract which it is marketing; and
- that distance contract is concluded other than merely as a stage in the effecting or carrying out of an insurance contract by the firm or another person: in other words it has some continuity independent of an insurance contract, as opposed, for example, to being concluded as part of marketing an insurance contract.
- Q8. Can you give examples of when the UK provisions which implemented the Directive would and would not apply to insurance intermediaries' services?

The rules which implemented the Distance Marketing Directive will not apply in the typical case where an insurance intermediary sells an insurance contract to a consumer on a one-off basis, even if the insurance intermediary is involved in the renewal of that contract and handling claims under it.

Nor will the UK provisions which implemented the Directive apply if an insurance intermediary, in its terms of business, makes clear that it does not, in conducting insurance distribution activities, act contractually on behalf of, or for, the consumer.

An example of when the UK provisions which implemented the Distance Marketing Directive would apply would be a distance contract under which an insurance intermediary agrees to provide advice on a consumer's insurance needs as and when they arise.

O9. When would the exception for successive operations apply?

We consider that the renewal of a policy falls within the scope of this exception. So, the distance marketing disclosure rules would only apply in relation to the initial sale of a policy, and not to subsequent renewals provided that the new policy is of the same nature as the initial policy. However, unless there is an initial service agreement in place, the exclusion would only apply where the renewal takes place no later than one year after the initial policy was taken out or one year after its last renewal. If the policy terms have changed, firms will need to consider what information should be disclosed about those changes in accordance with the requirement to disclose appropriate information about a policy (see ICOBS 6.1.5 R), as well as ensuring their effectiveness under contract

Chapter 4

Information about the firm, its services and remuneration

■ Release 36 ● May 2024

4.1 General requirements for insurance intermediaries and insurers

Application: who?

4.1.1 This chapter applies to an insurance intermediary and to an insurer carrying on insurance distribution activities.

Interaction with the customer's best interests rule and Principle 7

- 4.1.1A To comply with the customer's best interests rule and Principle 7 (Communications with clients) a firm should include consideration of the information needs of the customer including:
 - (1) what a customer needs in order to understand the relevance of any information provided by the firm; and
 - (2) at which point in the sales process will the information be most useful to the *customer* to enable them to make an informed decision.

Status disclosure: general information provided by insurance intermediaries or insurers

- 4.1.2 In good time before the conclusion of an initial contract of insurance and, if R necessary, on its amendment or renewal:
 - (1) a firm must provide the customer with at least the following information:
 - (a) its identity, address and whether it is an insurance intermediary or an insurance undertaking;
 - (b) whether it provides a personal recommendation about the insurance products offered;
 - (c) the procedures allowing customers and other interested parties to register *complaints* about the *firm* with the *firm* and the Financial Ombudsman Service or, if the Financial Ombudsman Service does not apply, information about the out-of-court complaint and redress procedures available for the settlement of disputes between the firm and its customers; and
 - (2) an insurance intermediary must also provide the customer with the following information:

ICOBS 4/2

- (a) the fact that it is included in the *Financial Services Register* (or if it is not on the *Financial Services Register*, the register in which it has been included) and the means for verifying this;
- (b) whether it has a direct or indirect holding representing 10% or more of the voting rights or capital in a given *insurance* undertaking (that is not a pure reinsurer);
- (c) whether a given insurance undertaking (that is not a pure reinsurer) or its parent undertaking has a direct or indirect holding representing 10% or more of the voting rights or capital in the firm; and
- (d) whether it is representing the *customer* or is acting for and on behalf of the *insurer*; and

[Note: articles 18 and 19(1)(a) and (b) of the IDD]

(3) paragraph (2) does not apply in relation to a connected travel insurance contract.

Status disclosure exemption: introducers

- A firm whose contact with a customer is limited to effecting introductions (see PERG 5.6) need only provide its identity, address and whether it is a member of the same group as the firm to which it makes the introduction.
- 4.1.4 G If a *firm* goes further than putting a *customer* in contact with another *person* (for example, by *advising* the *customer* on a particular *policy* available from the *firm*) the full status disclosure requirements will apply.
- **4.1.5** R [deleted]

Scope of service: insurance intermediaries

- 4.1.6 R
- (1) Where an insurance intermediary proposes or advises on a contract of insurance then in good time before the conclusion of an initial contract of insurance (other than a connected travel insurance contract) and, if necessary, on its amendment or renewal an insurance intermediary must provide the customer with at least information on whether the firm:
 - (a) gives a *personal recommendation*, on the basis of a fair and personal analysis; or
 - (b) is under a contractual obligation to conduct insurance distribution exclusively with one or more insurance undertakings, in which case it must provide the names of those insurance undertakings; or
 - (c) (i) is not under a contractual obligation to conduct *insurance* distribution exclusively with one or more *insurance* undertakings; and
 - (ii) does not give a *personal recommendation* on the basis of a fair and personal analysis;

in which case it must provide its customer with the name of those insurance undertakings with which the insurance intermediary may and does conduct business.

(2) [deleted]

[Note: article 19(1)(c) of the IDD]

4.1.7

Where the firm has given information in ■ICOBS 4.1.6R(1)(b) and (c), then in good time before the conclusion of an initial contract of insurance with a consumer a firm must also state whether it is giving:

- (1) a personal recommendation but not on the basis of a fair and personal analysis;
- (2) other advice on the basis of a fair analysis of the market;
- (3) other advice not on the basis of a fair analysis of the market; or
- (4) just information.

Guidance on using panels to advise on the basis of a fair analysis

G 4.1.8

- (1) One way a firm may give advice on a fair analysis basis is by using 'panels' of insurance undertakings which are sufficient to enable the firm to give advice on a fair analysis basis and are reviewed regularly.
- (2) A firm which provides a service based on a fair analysis of the market (or from a sector of the market) should ensure that its analysis of the market and the available contracts is kept adequately up-to-date. For example, a firm should update its selection of contracts if aware that a contract has generally become available offering an improved product feature, or a better premium, compared with its current selection. The update frequency will depend on the extent to which new contracts are made available on the market. A firm is also required to ensure that the analysis is of a sufficiently large number of contracts of insurance available on the market (see ■ICOBS 5.3.3R).
- (3) The panel selection criteria will be important in determining whether the panel is sufficient to meet the 'fair analysis' criteria. Selection should be based on product features, premiums and services offered to customers, not solely on the benefit offered to the firm.
- (4) Where a firm also provides personal recommendations based on a fair and personal analysis, paragraphs (1) to (3) may also be relevant to that part of the service which involves a fair analysis of the market.

4.1.9

R

[deleted]

4.1A Means of communication to customers

Application

4.1A.1 R This section applies to all information required to be provided to a *customer* in this chapter and in other chapters or sections where stated.

Means of communication to customers; non-telephone sales

- 4.1A.2 R (1) A *firm* must communicate information to a *customer* using any of the following:
 - (a) paper; or
 - (b) a durable medium other than paper; or
 - (c) a website (where it does not constitute a *durable medium*) where the *website conditions* are satisfied.
 - (2) The firm must communicate the information in (1):
 - (a) in a clear and accurate manner, comprehensible to the customer;
 - (b) in an official language of the *United Kingdom* where the *State of the risk* is the *United Kingdom*, or in any other language agreed by the parties; and
 - (c) free of charge.

[Note: article 23(1), (2), (4) and (5) of the *IDD*]

Where the information is communicated using a *durable medium* other than paper or by means of a website, the *firm* must, upon request and free of charge, also send the *customer* a paper copy.

[Note: article 23(3) of the IDD]

- 4.1A.4 R A firm must ensure that a customer's choice or consent to receive the information by means of a website (whether a durable medium or where the website conditions are satisfied) is an active and informed choice or consent.
- (1) For the purposes of ■ICOBS 4.1A.4R for example an option to allow a change to the e-mail address to be used or an option to allow information to be provided by means of a website should be presented in a way that is clear, fair and not misleading.

- (2) The following are examples of circumstances not evidencing active or informed choice or consent:
 - (a) a pre-ticked box (suggesting that option has been selected) which appears in a more prominent place than an un-ticked box allowing another option to be selected; and
 - (b) the customer electing to be informed by a website without being first given other options.

4.1A.6

R

On renewal of a policy a firm may rely on a customer's previous choice or consent as appropriate where:

- (1) there is evidence that the customer has regular access to the internet;
- (2) the provision of information in that medium is appropriate in the context in which the business between the firm and the customer is carried on; and
- (3) the customer is made aware, for example in the renewal documentation, of the option to receive the information on paper in a way that is clear, fair and not misleading.

Means of communications to customers: telephone sales

4.1A.7

R

In the case of telephone selling:

- (1) the information must be given in accordance with the distance marketing disclosure rules (see ■ICOBS 3.1.14R); and
- (2) if prior to the conclusion of the contract the information is provided:
 - (a) orally; or
 - (b) on a durable medium other than paper;

the firm must also provide the information to the customer in accordance with ICOBS 4.1A.2R immediately after the conclusion of the contract of insurance.

 - (2) [deleted]
 - (3) If a *firm* anticipates providing, or provides, information on any main characteristic of a *policy* orally during a non-advised sale, taking reasonable steps includes explaining the *customer*'s responsibility orally.
 - (4) A *policy*'s main characteristics include its significant benefits, its significant exclusions and limitations, its duration and price information.

Status disclosure for insurers

- 4.2.5 R
- (1) Prior to the conclusion of an initial contract and, if necessary, on its amendment or *renewal*, an *insurer* must disclose to the *customer* at least:
 - (a) the statutory status disclosure statement (see GEN 4);
 - (b) whose policies it offers; and

- (c) whether it is providing a personal recommendation or information.
- (2) [deleted]
- 4.2.6 Insurers are reminded that they are not permitted to carry out business which does not directly arise from their insurance business (see the restriction of business in ■INSPRU 1.5.13R and rule 9 of the *PRA Rulebook*: Solvency II firms: Conditions Governing Business).

4.3 Remuneration disclosure

Remuneration disclosure: insurance intermediaries

- 4.3.-7 R
- In good time before the conclusion of the initial *contract of insurance* and, if necessary, on its amendment or *renewal* an *insurance intermediary* must provide the *customer* with information:
 - (1) on the nature of the *remuneration* received in relation to the *contract of insurance*:
 - (2) about whether in relation to the contract it works on the basis of:
 - (a) a fee, that is remuneration paid directly by the customer; or
 - (b) a commission of any kind, that is the remuneration included in the premium; or
 - (c) any other type of *remuneration*, including an economic benefit of any kind offered or given in connection with the contract; or
 - (d) on the basis of a combination of any type of *remuneration* set out above in (a), (b) and (c).

[Note: article 19(1)(d) and (e) of the IDD]

Remuneration disclosure: insurers

- 4.3.-6 R
- In good time before the conclusion of a *contract of insurance*, an *insurance undertaking* must provide its *customer* with information on the nature of the *remuneration* received by its *employees* in relation to the *contract of insurance*.

[Note: article 19(4) of the IDD]

Remuneration disclosure: general

- 4.3.-5 R
- The *remuneration* referred to in this section includes *remuneration* that is not guaranteed or which is contingent on meeting certain targets.
- 4.3.-4 G
- The information required to be disclosed by \blacksquare ICOBS 4.3.-7R and \blacksquare ICOBS 4.3.-6R includes the type of *remuneration* and, taking into account the clear, fair and not misleading *rule* (\blacksquare ICOBS 2.2.2R), should also include the source of the *remuneration*.
- 4.3.-3 G
- When considering what information to provide about the *remuneration*, a *firm* should include all *remuneration* which the *insurance intermediary* or the

employee of an insurance undertaking receives, or may receive in relation to the distribution of the *contract of insurance*. This includes *remuneration*:

- (1) provided indirectly by the *insurer* or another *firm* within the distribution chain; or
- (2) provided by way of a bonus (whether financial or non-financial) paid to the firm by the insurer or another firm, or provided by the firm to its employees, where this bonus is contingent on the achievement of a target to which the distribution of the particular contract of insurance could contribute. For example, this can include cash bonuses paid for achieving a sales target and additional annual leave for achieving a high customer service score on sales calls, profit share arrangements, overriders or other enhanced commissions.
- 4.3.-2 If any payments, other than ongoing premiums and scheduled payments, are made by the customer under the contract of insurance after its conclusion, a firm must make the disclosures under this section, for each such payment.

[Note: articles 19(3) and (5) of the IDD]

4.3.-1 G Examples of the type of payments made are those for mid-term adjustments, administration fees and cancellation fees.

Fee disclosure: additional requirements

- 4.3.1 R (1) Where a fee is payable, the firm must inform its customer of the amount of the fee.
 - (2) The information in (1) must be given before the *customer* incurs liability to pay the fee, or before conclusion of the contract of insurance, whichever is earlier.
 - (3) To the extent that it is not possible for an amount to be given, a firm must give the basis for its calculation.

[Note: articles 19(2) and (5) of the IDD]

4.3.2 R The fee disclosure requirement extends to all such fees that may be charged during the life of a policy.

[Note: article 19(3) of the IDD]

4.4 Commission disclosure for commercial customers

Commission disclosure rule

- 4.4.1 R
- (1) An *insurance intermediary* must, on a *commercial customer*'s request, promptly disclose the *commission* that it and any *associate* receives in connection with a *policy*.
- (2) Disclosure must be in cash terms (estimated, if necessary) and in writing or another *durable medium*. To the extent this is not possible, the *firm* must give the basis for calculation.
- 4.4.2 G

An *insurance intermediary* should include all forms of remuneration from any arrangements it may have. This includes arrangements for sharing profits, for payments relating to the volume of sales, and for payments from premium finance companies in connection with arranging finance.

- 4.4.3 G
- (1) The commission disclosure *rule* is additional to the general law on the fiduciary obligations of an agent in that it applies whether or not the *insurance intermediary* is an agent of the *commercial customer*.
- (2) In relation to contracts of insurance, the essence of these fiduciary obligations is generally a duty to account to the agent's principal. But where a customer employs an insurance intermediary by way of business and does not remunerate him, and where it is usual for the firm to be remunerated by way of commission paid by the insurer out of premium payable by the customer, then there is no duty to account but if the customer asks what the firm's remuneration is, it must tell him.

4.6 Commission disclosure for pure protection contracts sold with retail investment products

- G 4.6.1 The rules in this section:
 - (1) address the risk that a consumer believes that a firm's remuneration for its pure protection service is included in its adviser charge, where this is not the case; and
 - (2) enable the consumer to evaluate a firm's adviser charge in the light of any additional remuneration received by the firm for the pure protection service it provides.
- 4.6.2 A firm which agrees an adviser charge with a consumer and provides an associated pure protection service to that consumer must:
 - (1) in good time before the provision of its services, take reasonable steps to ensure that the consumer understands:
 - (a) how the firm is remunerated for its pure protection service; and
 - (b) if applicable, that the firm will receive commission in relation to its pure protection service in addition to the firm's adviser charge;
 - (2) as close as practicable to the time that it makes the personal recommendation or arranges the sale of the pure protection contract, comply with the following disclosure requirements, substituting pure protection contract for references to packaged product:
 - (a) COBS 6.4.3 R, or COBS 6.4.4A R and COBS 6.4.4B R; and
 - (b) COBS 6.4.5 R.
- 4.6.3 A pure protection service is unlikely to be associated with an adviser charge for the purposes of ■ICOBS 4.6.2 R if the firm agreed the adviser charge with the consumer 12 months or more before the provision of the pure protection service.
- 4.6.4 G A pure protection service is not associated with an adviser charge for the purposes of ■ICOBS 4.6.2 R if the adviser charge is agreed with the consumer by a firm or an appointed representative and the pure protection service is provided to that consumer by another firm or appointed representative. However, if a firm or an appointed representative refers a consumer with whom it is agreeing an adviser charge to another firm or appointed

Identifying client needs and advising

■ Release 36 • May 2024

5.1 **General**

Eligibility to claim benefits: general insurance contracts and pure protection contracts

- 5.1.1 G
- (1) In line with *Principle* 6, a *firm* should take reasonable steps to ensure that a customer only buys a policy under which he is eligible to claim benefits.
- (2) If, at any time while arranging a policy, a firm finds that parts of the cover apply, but others do not, it should inform the customer so he can take an informed decision on whether to buy the policy.
- (3) This guidance does not apply to policies arranged as part of a packaged bank account.

Eligibility to claim benefits: payment protection contracts

- 5.1.2 R
- (1) A firm arranging a payment protection contract must:
 - (a) take reasonable steps to ensure that the customer only buys a policy under which he is eligible to claim benefits; and
 - (b) if, at any time while arranging the policy, it finds that parts of the cover do not apply, inform the customer so he can take an informed decision on whether to buy the policy.
- (2) This rule does not apply to payment protection contract arranged as part of a packaged bank account.
- G 5.1.3
- (1) For a typical payment protection contract the reasonable steps required in the first part of the eligibility rule are likely to include checking that the *customer* meets any qualifying requirements for different parts of the policy.
- (2) This guidance does not apply to payment protection contracts arranged as part of a packaged bank account.

Eligibility to claim benefits: policies arranged as part of a packaged bank account

- 5.1.3A
- A firm arranging policies as part of a packaged bank account must:
 - (1) take reasonable steps to establish whether the *customer* is eligible to claim each of the benefits under each policy included in the packaged bank account which must include checking that the customer meets

- any qualifying requirements to claim each of the benefits under each policy; and
- (2) inform the *customer* whether or not he would be eligible to claim each of the benefits under each *policy* included in the *packaged bank* account so that the *customer* can take an informed decision about the arrangements proposed.
- A firm must make a record of the eligibility assessment and, if the customer proceeds with the arrangements proposed, retain it for a minimum period of three years from the date on which the assessment was undertaken.
- (1) Throughout the term of a *policy* included in a *packaged bank* account, a firm must provide the *customer* with an eligibility statement, in writing, on an annual basis. This statement must set out any qualifying requirements to claim each of the benefits under the *policy* and recommend that the *customer* reviews his circumstances and whether he meets these requirements.
 - Where any *policy* (except for private health or medical insurance, and pet insurance) included in a *packaged bank account* renews automatically, the statement must include the information the *firm* is required to provide under ICOBS 6.2.6R on the right to cancel the automatic *renewal* element of the *policy* at any time.
 - (2) Where a *customer* has reached an age limit on claiming benefits under a travel insurance *policy* included in a *packaged bank account* (or will reach an age limit before the next annual statement is due), a *firm* must state this clearly and prominently in the statement and on an annual basis thereafter.
 - (3) The statement (provided under ■ICOBS 5.1.3C R (1)) must not:
 - (a) include any information other than that provided in accordance with this *rule*, ICOBS 6.1.7-AG(2), ICOBS 6A.4.5R(1) and ICOBS 6A.4.7G; or
 - (b) form part of another *document* provided to the *customer* by the *firm*; or
 - (c) be included in the same mailing as any other *document* provided to the *customer* by the *firm*.

Disclosure

- 5.1.4 G
- A *firm* should bear in mind the restriction on rejecting claims (ICOBS 8.1.1R (3)). Ways of ensuring a *customer* knows what he must disclose include:
 - (1) explaining to a *commercial customer* the duty to disclose all circumstances material to a *policy*, what needs to be disclosed, and the consequences of any failure to make such a disclosure;
 - (2) ensuring that the *commercial customer* is asked clear questions about any matter material to the *insurance undertaking*;

- (3) explaining to the customer the responsibility of consumers to take reasonable care not to make a misrepresentation and the possible consequences if a consumer is careless in answering the insurer's questions, or if a consumer recklessly or deliberately makes a misrepresentation; and
- (4) asking the customer clear and specific questions about the information relevant to the policy being arranged or varied.

5.2 Demands and needs

Application: who? what?

This section applies to an *insurance distributor* when carrying on *insurance distribution activities*.

Demands and needs

- (1) Prior to the conclusion of a *contract of insurance* a *firm* must specify, on the basis of information obtained from the *customer*, the demands and the needs of that *customer*.
 - (2) The details must be modulated according to the complexity of the contract of insurance proposed and the type of customer.
 - (3) A statement of the demands and needs must be communicated to the *customer* prior to the conclusion of a *contract of insurance*.

[Note: articles 20(1) and 20(2) of the IDD]

- 5.2.2A G A firm may obtain information from the customer in a number of ways including, for example, by asking the customer questions in person or by way of a questionnaire prior to any contract of insurance being proposed.
- When proposing a contract of insurance a firm must ensure it is consistent with the customer's insurance demands and needs.

[Note: recital 44 to, and article 20(1) of, the IDD]

- 5.2.2C □ ICOBS 5.2.2BR applies whether or not advice is given and in the same way regardless of whether that contract is sold on its own, in connection with another *contract of insurance*, or in connection with other goods or services.
- The sale of a *contract of insurance* must always be accompanied by a demands and needs test on the basis of information obtained from the *customer*.

[Note: recital 44 to, and article 20(1) of, the IDD]

5.2.3 R [deleted]

Format of the statement of demands and needs: non-advised

5.2.4 G Once the firm has obtained information from the customer and ensured the contract of insurance is consistent with the demands and needs, the format of a statement of demands and needs is flexible. Examples of approaches that may be appropriate where a personal recommendation has not been given include:

- (1) providing a demands and needs statement as part of an application form, so that the demands and needs statement is made dependent upon the *customer* providing personal information on the application form. For instance, the application form might include a statement along the lines of: "If you answer 'yes' to questions a, b and c your demands and needs are those of a pet owner who wishes and needs to ensure that the veterinary needs of your pet are met now and in the future";
- (2) producing a demands and needs statement in product documentation that will be appropriate for anyone, for whose demands and needs the contract is consistent. For example, "This product meets the demands and needs of those who wish to ensure that the veterinary needs of their pet are met now and in the future"; and
- (3) giving a customer a record of all his demands and needs that have been discussed

Means of communication to customers

5.2.5 R The information to be provided to customers in ■ICOBS 5.2 must be given in accordance with ■ICOBS 4.1A (Means of communication to customers).

5.3 Advised sales

Suitability

5.3.1 R

A *firm* must take reasonable care to ensure the suitability of its advice for any *customer* who is entitled to rely upon its judgement.

Suitability guidance for protection policies

5.3.2 G

- (1) In taking reasonable care to ensure the suitability of advice on a payment protection contract or a pure protection contract a firm should:
 - (a) establish the *customer*'s demands and needs by using information readily available to the *firm* and by obtaining further relevant information from the *customer*, including details of existing insurance cover; it need not consider alternatives to *policies* nor *customer* needs that are not relevant to the type of *policy* in which the *customer* is interested;
 - (b) take reasonable care to ensure that a *policy* is suitable for the *customer*'s demands and needs, taking into account its level of cover and cost, and relevant exclusions, excesses, limitations and conditions; and
 - (c) inform the customer of any demands and needs that are not met.
- (2) This guidance does not apply to payment protection contracts or pure protection contracts included in a packaged bank account.

Suitability of advice on policies included in a packaged bank account

5.3.2A R

In taking reasonable care to ensure the suitability of advice on a *policy* included in a *packaged bank account*, a *firm* must:

- (1) establish the customer's demands and needs by using information readily available to the firm and by obtaining further relevant information from the customer, including details of existing insurance cover; it need not consider alternatives to policies nor customer needs that are not relevant to the type of policy in which the customer is interested;
- (2) take reasonable steps to establish whether each policy included in the packaged bank account is suitable for the customer's demands and needs, taking into account its level of cover and cost, and relevant exclusions, excesses, limitations, and conditions;

- (3) inform the customer of any demands and needs that are not met;
- (4) explain to the customer its recommendation and the reasons for the recommendation.
- 5.3.2B A firm must make a record of the suitability assessment, the recommendation given and the reasons for the recommendation and, if the customer proceeds with the recommendation, retain it for a minimum period of three years from the date on which the recommendation was made.

Advice on the basis of a fair analysis

5.3.3 If an insurance intermediary informs a customer that it gives:

- (1) advice on the basis of a fair analysis, it must give that advice on the basis of an analysis of a sufficiently large number of contracts of insurance available on the market to enable it to make a recommendation; or
- (2) a personal recommendation on the basis of a fair and personal analysis, it must give that personal recommendation on the basis of an analysis of a sufficiently large number of insurance contracts available on the market to enable it to make a personal recommendation:

and in each case, it must be in accordance with professional criteria, regarding which contract of insurance would be adequate to meet the customer's needs.[Note: article 20(1) third paragraph of the IDD]

Personalised explanation

5.3.4 Where a firm provides a personal recommendation (other than in relation to a connected travel insurance contract) the firm must, in addition to the statement of demands and needs, provide the customer with a personalised explanation of why a particular contract of insurance would best meet the customer's demands and needs.

- R 6.-1.3 An *insurer* must produce information in good time to enable the *insurance* intermediary to comply with the rules in this chapter, or promptly on an insurance intermediary's request.
- 6.-1.4 These general rules on the responsibilities of insurers and insurance intermediaries are modified by ■ICOBS 6 Annex 1 if one of the firms is not based in the *United Kingdom*, and in certain other situations.

 - (a) whether or not a personal recommendation is given; and
 - (b) irrespective of whether a *policy* is offered as part of a package with:
 - (i) a non-insurance product or service (see ICOBS 6A.3 (Cross-selling)); or
 - (ii) another policy.
- (3) Appropriate information is both objective and relevant information, and includes *IPID information*.

[Note: articles 20(1) first paragraph and 20(4) of the IDD]

6.1.6 The appropriate information rule applies:

- (1) at all of the different stages of a contract and includes pre-conclusion and post-conclusion, and also when mid-term changes and renewals are proposed;

- 6.1.6A G [deleted]

What level of information needs to be provided?

6.1.6B R A firm must ensure that the level of appropriate information provided takes into account the complexity of the policy and the type of customer.

[Note: article 20(4) of the IDD]

6.1.7 G The level of information required will vary according to matters such as:

- (1) the knowledge, experience and ability of a typical *customer* for the policy;
- (2) the policy terms, including its main benefits, exclusions, limitations, conditions and its duration;
- (3) the *policy*'s overall complexity;
- (4) whether the policy is bought in connection with other goods and services including another policy (also see ■ICOBS 6A.3 (cross selling));
- (5) distance communication information requirements (for example, under the distance communication rules less information can be given during certain telephone sales than in a sale made purely by written correspondence (see ■ ICOBS 3.1.14 R)); and

 - (b) a statement (provided under ICOBS 5.1.3CR(1)) in respect of a travel insurance policy included in a packaged bank account.
 - (2) At the same time as it provides the information in (1), the firm should:

- (b) if so, how, and the terms on which it can be removed.
- (3) Firms are also reminded of their obligations in ■ICOBS 5.2.2BR to ensure the *policy* proposed is consistent with the *consumer's* insurance demands and needs.

A firm dealing with a commercial customer:

- (1) may choose to provide some of or all of the appropriate information in an *IPID* (see ■ICOBS 6.1.10AR), a *policy summary* or a similar summary if it considers this to be a comprehensible form in which to provide that information; and
- (2) should include the *IPID information* (regardless of whether an *IPID* itself is provided).
- **6.1.8 G** [deleted]
- 6.1.9 Cancellation rights do not affect what information it is appropriate to give to a *customer* in order to enable him to make an informed purchasing decision.
- **6.1.10 G** [deleted]

How must IPID information be provided?

6.1.10A R

A firm, when dealing with a consumer must provide the IPID information by way of an IPID for each policy (other than a pure protection contract).

[Note: articles 20(4) and 20(5) of the IDD]

(■ICOBS 6.2.2R), renewals (■ICOBS 6.5) and guaranteed assets protection (GAP) products (■ ICOBS 6A.1.4R).

6.4 **Pre- and post-contract information:** protection policies

Application: what?

6.4.1 R This section applies in relation to a payment protection contract or a pure protection contract except as otherwise stated.

Oral sales: ensuring customers can make an informed decision

6.4.2 R

- (1) If a *firm* provides information orally during a sales dialogue with a customer on a main characteristic of a policy, it must do so for all the policy's main characteristics.
- (2) A *firm* must take reasonable steps to ensure that the information provided orally is sufficient to enable the customer to take an informed decision on the basis of that information, without overloading the *customer* or obscuring other parts of the information.

G 6.4.3

- (1) A policy's main characteristics include its significant benefits, its significant exclusions and limitations, its duration and price information.
- (2) A significant exclusion or limitation is one that would tend to affect the decision of *customers* generally to buy. In determining what exclusions or limitations are significant, a *firm* should particularly consider the exclusions or limitations that relate to the significant features and benefits of a policy and factors which may have an adverse effect on the benefit payable under it. Another type of significant limitation might be that the contract only operates through certain means of communication, e.g. telephone or internet.

Policy summary

6.4.4

A firm must provide a consumer with a policy summary in good time before the conclusion of a pure protection contract.

Complaints and compensation information

6.4.4A

In relation to a payment protection contract, a firm must provide a consumer with information about:

> how the consumer can complain to the insurance undertaking and that complaints may subsequently be referred to the Financial

Ombudsman Service (or other applicable named complaints scheme); and

the *consumer's* entitlement to compensation from the *compensation* scheme (or other applicable compensation scheme), or that there is no compensation scheme, in the event where the *insurance* undertaking is unable to meet its liabilities;

in good time before the conclusion of the policy.

Payment protection contracts: importance of reading documentation

- 6.4.5 R
- (1) A *firm* must draw a *consumer*'s attention to the importance of reading *payment protection contract* documentation before the end of the cancellation period to check that the *policy* is suitable for the *consumer*.
- (2) This must be done orally if a *firm* provides information orally on any main characteristic of a *policy*.

Price information: general

- 6.4.6 R
- A *firm* must provide price information in a way calculated to enable the *customer* to relate it to a regular budget.
- 6.4.7 G

Price information is likely also to include at least the total *premium* (or the basis for calculating it so that the *customer* can verify it) and, where relevant:

- (1) for *policies* of over one year with reviewable *premiums*, the period for which the guoted *premium* is valid, and the timing of reviews;
- (2) other fees, administrative charges and taxes payable by the customer through the firm; and
- (3) a statement identifying separately the possibility of any taxes not payable through the *firm*.
- 6.4.8 G

Price information should be given in writing or another *durable medium* in good time before conclusion of the contract. This is in addition to any requirement or decision to provide the information orally. In the case of a *distance contract* concluded over the telephone, it may be provided in writing or another *durable medium* no later than immediately after conclusion.

Price information: premiums paid using a non-revolving credit agreement

- 6.4.9 R
- (1) This *rule* applies when a *premium* will be paid using a credit agreement other than a revolving credit agreement.

- (2) A firm must provide price information in a way calculated to enable the *customer* to understand the additional repayments that relate to the purchase of the policy, and the total cost of the policy.
- (3) Price information must reflect any difference between the duration of the *policy* and that of the credit agreement.
- (4) A firm must explain to a customer, as applicable, that the premium will be added to the amount provided under the credit agreement and that interest will be payable on it.

Price information: policies sold in connection with revolving credit arrangements

- 6.4.10 G
- (1) This guidance applies to policies bought as secondary products to revolving credit agreements (such as store cards or credit cards).
- (2) Price information should be given in a way calculated to enable a typical customer to understand the typical cumulative cost of taking out the policy. This does not require oral disclosure where there is a sales dialogue with a customer. However, consistent with Principle 7, a firm should ensure that this element of price information is not undermined by any information given orally.

Mid-term changes

- 6.4.11 R
- (1) Throughout the term of a policy, a firm must provide a customer with information about any change to:
 - (a) the premium, unless the change conforms to a previously disclosed formula; and
 - (b) any term of the policy, together with an explanation of any implications of the change where necessary.
- (2) This information must be provided in writing or another durable medium in good time before the change takes effect or, if the change is at the *customer*'s request, as soon as is practicable provided the firm explains the implications of the change before it takes effect.
- G 6.4.12
- (1) When explaining the implications of a change, a *firm* should explain any changes to the benefits and significant or unusual exclusions arising from the change.
- (2) Firms will need to consider whether mid-term changes are compatible with the original policy, in particular whether it reserves the right to vary premiums, charges or other terms. Firms also need to ensure that any terms which reserve the right to make variations are not themselves unfair under the *Unfair Terms Regulations* (for contracts entered into before 1 October 2015) or the CRA.

6.5 Renewals

Renewals

6.5.1 R

- (1) This section applies when a *firm* proposes to a *consumer* the renewal of a *general insurance contract*, which is not a *group policy*, and which has a duration of 10 months or more.
- (2) In this section, 'renewal' means carrying forward a *policy*, at the point of expiry and as a successive or separate operation of the same nature and duration as the *policy*, with the same *insurance intermediary* or the same *insurer*.
- (3) The *firm* must provide to the *consumer* the following information in good time before the renewal:
 - (a) the premium to be paid by the consumer on renewal;
 - (b) in a way that is consistent with the presentation of (a) so that they can be easily compared:
 - (i) except where (ii) applies, the *premium* for the *policy* which the *firm* proposes to renew, as set out at the inception of that *policy*;
 - (ii) where one or more mid-term changes were made to the policy which the firm proposes to renew, an amount calculated by annualising (or otherwise adjusting as appropriate to the duration of the proposed policy) the premium in effect following the most recent mid-term change, excluding all fees or charges associated with those mid-term changes;
 - (c) a statement alongside (a) and (b) indicating that the consumer:
 - (i) should check that the level of cover offered by the renewal is appropriate for their needs; and
 - (ii) is able, if they so wish, to compare the prices and levels of cover offered by alternative providers; and
 - (d) a statement informing the *consumer* whether the contract will automatically renew or whether the *consumer* needs to take action to accept the renewal offer.
- (4) Where the proposed renewal will be the fourth or subsequent renewal the *consumer* has entered into in respect of the policy, the *firm* must include the following statement, to appear alongside the matters required by (3)(a), (b) and (c)(i) (but omitting (c)(ii)): "You have been with us a number of years. You may be able to get the insurance cover you want at a better price if you shop around."

- (5) The firm must communicate the information in (3) and (4):
 - (a) clearly and accurately;
 - (b) in writing or another durable medium; and
 - (c) in a way that is accessible and which draws the consumer's attention to it as key information.

G 6.5.1A

- (1) When a firm proposes to a consumer the renewal of a travel insurance policy, the firm should at the same time:
 - (a) disclose to the consumer whether any medical condition exclusion can be removed from the policy (in whole or in part); and
 - (b) if so, how, and the terms on which it can be removed.
- (2) Firms are reminded of their obligations in:
 - (a) ■ICOBS 6A.4.5R, where one or more of the circumstances set out in ■ICOBS 6A.4.6R applies in respect of the *policy* proposed on renewal; and
 - (b) ■ICOBS 5.2.2BR to ensure the *policy* proposed is consistent with the consumer's insurance demands and needs.

6.5.2 G

A firm should have regard to the record-keeping obligations referred to in ■ ICOBS 2.4.1G and ensure that it has appropriate systems and controls in place with respect to:

- (1) the adequacy of its records so it may fulfil its regulatory and statutory obligations; and
- (2) the sufficiency of its records to enable the FCA to monitor the firm's compliance with the requirements under the regulatory system.

6.5.3

A firm should ensure it complies with the other requirements in ICOBS that are relevant, such as providing product information to customers (see ■ ICOBS 6.1), including the requirement to provide an IPID (see ■ ICOBS 6.1.10AR).

ICOBS 6/16

 - (1) the *rules* and *guidance* on providing appropriate information to *customers* in ICOBS 6.1:
 - (2) the order of the information and priority of the information to be provided; and
 - (3) the information needs of the firm's typical customer for the policy.
- 2.3 G A *firm* that manufactures the *policy* should, when drawing up the *IPID*, have regard to the target market and intended distribution strategy.
- 23A G Firms are reminded that the IPID must be provided for each individual policy (see ICOBS 6.1.10AR). This is regardless of whether that policy is sold on its own, in connection with another policy or in connection with other goods and services.

Name and company logo of the manufacturer

- 2.4 R The name of the *manufacturer* of the *non-investment insurance product*, its regulatory status, and, where relevant, its *firm's* reference number (FRN) must immediately follow the title 'insurance product information document' at the top of the first page.

Reference to complete pre-contractual and contractual information

2.6 The IPID must state prominently that complete pre-contractual and contractual information about the policy is provided to the consumer in other documents. That statement must be placed immediately below the name of the manufacturer of the insurance product.

- 3 How must the IPID be presented and formatted?
- 3.1 The IPID must:
 - be a short and stand-alone document;
 - be presented and laid out in a way that is clear and easy to read, using characters of a readable size;
 - be no less comprehensible in the event that, having been originally produced in col-(3) our, it is printed or photocopied in black and white;
 - be written in the official languages, or in one of the official languages, used in the part of the state where the policy is offered or, if agreed by the consumer and the insurance distributor, in another language;

 - include a statement that complete pre-contractual and contractual information on the product is provided in other documents.

[Note: article 20(7)(a) to (g) of the IDD]

Length

3.2 R The IPID must be set out on two sides of A4-sized paper when printed. Exceptionally, if more space is needed, the IPID may be set out on a maximum of three sides of A4sized paper when printed. Where a manufacturer uses three sides of A4-sized paper, it must, upon request by the FCA, be able to demonstrate that more space was needed.

> [Note: article 3 of the Commission Implementing Regulation (EU) 2017/1469 of 11 August 2017 laying down a standardised presentation format for the insurance product information document]

Presentation and order of content

- The IPID information must be presented in different sections and in accordance with 3.3 the structure, lay-out, headings and sequence as set out in the standardised presentation format in ICOBS 6 Annex 3R paragraph 3.13R below, using a font size with an xheight of at least 1.2 mm.
- The length of the sections referred to in ICOBS 6 Annex 3R paragraph 3.3R may vary, de-3.4 G pending on the amount of information that is to be included in each section.
- 3.4A R Any information about optional covers must not be preceded by ticks, crosses or exclamation marks.

- 3.5 G Where the *IPID* is presented using a *durable medium* other than paper, the size of the components in the layout may be changed, provided that the layout, headings and sequence of the standardised presentation format, as well as the relative prominence and size of the different elements, are retained.
- 3.6 R Where the dimensions of the *durable medium* other than paper are such that a layout using two columns is not feasible, a presentation using a single column may be used, provided that the sequence of the sections is as follows:
 - (1) 'What is this type of insurance?'
 - (2) 'What is insured?'
 - (3) 'What is not insured?'
 - (4) 'Are there any restrictions on cover?'
 - (5) 'Where am I covered?'
 - (6) 'What are my obligations?'
 - (7) 'When and how do I pay?'
 - (8) 'When does the cover start and end?'
 - (9) 'How do I cancel the contract?'.
- 3.7 R The use of digital tools, including layering and pop-ups is permitted, provided that all the *IPID* information is provided in the main body of the *IPID* and that the use of such tools does not distract the *consumer's* attention from the content of the main document.

Information provided through layering and pop-ups must not include marketing or advertising material.

[Note: article 4 of the Commission Implementing Regulation (EU) 2017/1469 of 11 August 2017 laying down a standardised presentation format for the insurance product information document]

Plain language

3.8 R The *IPID* must be drafted in plain language, avoiding jargon and facilitating the *consumer's* understanding of the content of that document.

[Note: article 5 of the Commission Implementing Regulation (EU) 2017/1469 of 11 August 2017 laying down a standardised presentation format for the insurance product information document]

38A G Firms are reminded that the IPID forms a part of the appropriate information about a policy a firm must give a consumer so that the consumer can make an informed decision about the arrangements proposed (see ICOBS 6.1.5R). The IPID only focuses on the key information that the consumer will always need to make an informed decision.

[Note: article 5 of the Commission Implementing Regulation (EU) 2017/1469 of 11 August 2017 laying down a standardised presentation format for the insurance product information document]

- 3.9 R The sections of the *IPID* must set out the *IPID* information (see ICOBS 6 Annex 3R paragraph 2.1R) under the specified headings as follows:
 - (1) the type of insurance must be included under the heading 'What is this type of insurance?', at the top of the document;

- (10) the means of terminating the contract must be included under the heading 'How do I cancel the contract?'.
- 39A R The use of sub-headings is permitted, where necessary.

[Note: article 6 of the Commission Implementing Regulation (EU) 2017/1469 of 11 August 2017 laying down a standardised presentation format for the insurance product information document]

 - the information on the means of terminating the contract must be headed by (8)an icon of a hand with an open palm on a shield, which must be white on a black background, or black on a white background.
- 311 R All icons must be displayed in a manner consistent with the standardised presentation format in ICOBS 6 Annex 3R paragraph 3.13R the Annex.
- 312 G The icons referred to in ICOBS 6 Annex 3R paragraphs 3.10R and ICOBS 6 Annex 3R paragraphs 3.11R may be presented in black and white where the insurance product information document is printed or photocopied in black and white.

Insurance: Conduct of Business

Chapter 6A

Product specific rules

6A.1 **Guaranteed asset protection (GAP)** contracts

Application

- This section applies to a firm which sells a GAP contract to a customer in 6A.1.1 connection with the sale of a vehicle by:
 - (1) the firm; or
 - (2) a person connected to the firm.
- There is a sufficient connection between the GAP contract and the sale of a 6A.1.2 G vehicle if the GAP contract is sold in connection with other goods and services, for example a credit agreement.
- G 6A.1.3 A person connected with a firm includes acting as an introducer or appointed representative for that firm or if, regardless of authorisation status, it has a relevant business relationship with the firm.

Ensuring the customer can make an informed decision

- 6A.1.4 R
- (1) Before a GAP contract is concluded, a firm must give the customer the following information:
 - (a) the total premium of the GAP contract, separate from any other prices;
 - (b) the significant features and benefits, significant and unusual exclusions or limitations, and cross-references to the relevant policy document provisions;
 - (c) whether or not the GAP contract is sold in connection with vehicle finance, that GAP contracts are sold by other distributors;
 - (d) the duration of the policy;
 - (e) whether the GAP contract is optional or compulsory;
 - (f) when the GAP contract can be concluded by the firm, as described in ■ ICOBS 6A.1.6R and ■ ICOBS 6A.1.7R; and
 - (g) the date the information in (a) to (f) is provided to the customer.
- (2) This information must be communicated in a clear and accurate manner and on paper or another durable medium in accordance with ■ ICOBS 4.1A.

ICOBS 6A/2

- (3) This information must be drawn to the *customer's* attention and must be clearly identifiable as key information that the *customer* should read.
- **6A.1.5 G** A *firm* must also comply with the *rules* in ■ICOBS 6 (Product Information).

Deferred opt-in for GAP contracts

- A firm can conclude a GAP contract the day after providing the information in ■ICOBS 6A.1.4R to a customer if the customer:
 - (1) initiates the conclusion of the GAP contract; and
 - (2) consents to the *firm* concluding the *GAP contract* earlier than provided for in ICOBS 6A.1.6R, and confirms that they understand the restriction in ICOBS 6A.1.6R.
- Before concluding a *GAP contract*, a *firm* should have regard to the information needs of its *customers* and consider whether it would be in the *customer's* interest to receive the information in ■ICOBS 6A.1.4R again, for example, if a long time has passed between providing the information and the conclusion of the contract.

6A.2 **Optional additional products**

Restriction on marketing or providing an optional product for which a fee is payable

6A.2.1 R

- (1) A firm must not enter into an agreement with a customer under which a charge is, or may become, payable for an optional additional product unless the customer has actively elected to obtain that specific product.
- (2) A firm must not impose a charge on a customer for an optional additional product under an agreement entered into on or after 1 April 2016 unless the *customer* has actively elected to obtain that specific product before becoming bound to pay the charge.
- (3) A firm must not invite or induce a customer to obtain an optional additional product for which a charge will be, or may become, payable if the *firm* knows or has reasonable cause to suspect that:
 - (a) a contravention of (1) or (2) will take place with respect to the product; or
 - (b) the person supplying the optional additional product will act in a way that would contravene (1) or (2) if that person were a firm.
- (4) An omission by a *customer* is not to be regarded as an active election for the purpose of this rule.
- (5) It is immaterial for the purposes of (3) whether or not the firm would or might be a party to the agreement for the optional additional product.
- (6) A charge includes a financial consideration of any kind whether payable to the firm or any other person.
- (7) [deleted]
- (8) If the customer is required to obtain an additional product as a condition for the purchase of the *non-investment insurance contract* then that product is an optional additional product if the customer is given a choice:
 - (a) as to the seller or supplier from whom to obtain the product; or
 - (b) which specific product to obtain.

- (9) It is immaterial for the purposes of (7) and (8) whether the *optional* additional product is obtained from the *firm* or another person.
- (10) (a) If, under the terms and conditions of an optional additional product, there is to be an automatic renewal of the agreement on substantially the same terms, it suffices for the purposes of (1) to (3) if the customer actively elected before entering into the initial agreement or a preceding renewal to obtain the product.
 - (b) An automatic renewal of the agreement is not to be regarded as being on substantially the same terms if, following the renewal, a charge will or may become payable for the *optional additional product* for the first time (in which case, (1) to (3) apply at the time of the renewal).
 - (c) Except as set out in (b), changes in the level of charges for an optional additional product are to be disregarded in determining whether an automatic renewal of an agreement is on substantially the same terms.
- (11) A *customer* may make an active election for the purposes of this rule through an intermediary in the sales process or through a *person* acting on behalf of the *firm*.
- An example of an omission by a *customer* which is not to be regarded as an active election is the failure by the *customer* to change a default option such as a pre-ticked box on a website.
- 6A.2.3 G Firms are reminded that a similar prohibition on opt-out selling of add-on products is imposed by The Consumer Contracts (Information, Cancellation and Additional Charges) Regulations 2013 in relation to optional additional agreements where the main sale is not a financial service or product.
- **6A.2.4 G** Firms are reminded that they must ensure that their appointed representatives comply with this section ICOBS 6A.2.
- 6A.2.5 G Firms are reminded that retail premium finance is an optional additional product for the purposes of ICOBS 6A.2.1R.

6A.3 **Cross-selling**

Requirements where insurance is the primary product

6A.3.1 When offering a non-insurance ancillary product or service as part of a package or the same agreement with an insurance product, a firm must:

- (1) inform the *customer* whether it is possible to buy the different components separately and, if so must provide the customer with an adequate description of:
 - (1) the different components;
 - (b) where applicable, any way in which the risk or insurance coverage resulting from the agreement or package differs from that associated with the components taken separately; and
- (2) provide the customer with separate evidence of the costs and charges of each component.

[Note: articles 24(1) and (2) of the IDD]

Requirements where insurance is the ancillary product

- 6A.3.2 When offering an insurance product ancillary to and as part of a package or in the same agreement with a non-insurance product or service, a firm must offer the customer the option of buying the non-insurance goods or services separately.
- 6A.3.3 R ■ ICOBS 6A.3.2R does not apply where the non-insurance product or service is any of the following:
 - (1) investment services or activities;
 - (2) a credit agreement as defined in point 3 of article 4 of the MCD which is:
 - (i) an MCD credit agreement; or
 - (ii) an exempt MCD credit agreement; or
 - (iii) a CBTL credit agreement; or
 - (iv) a credit agreement referred to in articles 72G(3B) and (4) of the Regulated Activities Order;

(3) a payment account as defined in regulation 2(1) of the *Payment Accounts Regulations*.

[Note: article 24(3) of the IDD]

General

6A.3.4 R This section does not prevent the distribution of insurance products which provide coverage for various types of risks (multi-risk insurance policies).

[Note: article 24(5) of the IDD]

G In addition to the rules in ■ICOBS 6A.3 firms should still comply with the other rules in ICOBS relating to the offer and sale of insurance products that form part of the package or agreement, such as those applying to price disclosure (■ICOBS 6.1.13R), optional additional products (■ICOBS 6A.2) and specifying the demands and needs of the customer (■ICOBS 5.2.1R).

[Note: article 24(6) of the IDD]

■ Release 36 • May 2024

6A.4 **Travel insurance and medical** conditions

Application

- 6A.4.1 This section applies in relation to a travel insurance policy, which is not:
 - (1) a group policy; or
 - (2) a policy entered into by a commercial customer.

Purpose

6A.4.2 G The purpose of this section is to improve access for consumers to travel insurance policies that include cover for more serious medical conditions.

Medical cover firm directory

- 6A.4.3 R (1) A firm must include the details of a medical cover firm directory on the page of its website where it markets travel insurance policies.
 - (2) The information required by (1) must:
 - (a) be provided in a prominent, clear and accurate manner; and
 - (b) include the contact details of the medical cover firm directory, including its telephone number and a link to its website;
 - (3) The obligations in (1) and (2) apply 30 calendar days from the date on which the firm becomes aware (or ought reasonably to have become aware) of a publicly available directory that meets the requirements of a medical cover firm directory.
- 6A.4.4 G The FCA's website contains a list of those directories which it considers to be medical cover firm directories.

Additional pre-contract information for the consumer

- 6A.4.5 R (1) Where one or more circumstances set out in ■ICOBS 6A.4.6R applies, the *firm* that is responsible for communicating with the *consumer* under this sourcebook, must also communicate to the consumer:
 - (a) the contact details, including telephone number and website, of the medical cover firm directory;
 - (b) the purpose of the medical cover firm directory; and

- (c) the potential benefits of accessing the *medical cover firm directory* and any other relevant considerations.
- (2) The firm must communicate the information in (1):
 - (a) in a manner that is prominent, clear and accurate; and
 - (b) in accordance with ■ICOBS 4.1A.

The circumstances

6A.4.6

The circumstances for the purposes of ■ICOBS 6A.4.5R are where a *firm*:

(1) declines, or otherwise does not offer, a *consumer* a quotation due (wholly or partly) to a medical condition;

cancels a *consumer's policy* due (wholly or partly) to a medical condition;

offers a *policy* with a *medical condition exclusion* which cannot be removed from the *policy*;

offers a *policy* with a *medical condition premium* of £100 or more; and/or

offers a *policy* in respect of which the *medical condition premium* is not known.

Content of communication

6A.4.7 G

When describing the purpose and potential benefits of accessing the *medical cover firm directory*, the communication provided to consumers pursuant to ■ICOBS 6A.4.5R should:

- (a) tell the consumer why they are receiving the communication;
- (b) taken as a whole, not discourage the *consumer* from using the directory; and
- (c) otherwise be the result of careful consideration by the *firm* of *consumer* needs and expectations in light of the requirements of relevant *principles* and *rules*, including *Principles* 6, 7 and 8.

An example of a relevant consideration (referred to in ICOBS 6A.4.5R(1)(c)) is where multiple *consumers* have applied for a joint travel insurance *policy* from the *firm* and should consider the consequences of purchasing separate *travel insurance policies*.

Exception: multiple policies

6A.4.8

A firm need not comply with ■ICOBS 6A.4.5R where it is contemporaneously able to communicate an offer to a consumer of a travel insurance policy in respect of which none of the circumstances set out in ■ICOBS 6A.4.6R apply.

■ Release 36 • May 2024

Exception: consumer has already accessed the medical cover firm directory

- 6A.4.9
- R

A firm need not comply with ■ICOBS 6A.4.5R where all the following conditions are met:

- (1) the firm is listed on a medical cover firm directory;
- (2) the firm is aware that the consumer has already accessed the medical cover firm directory in respect of the same risk; and
- (3) only ICOBS 6A.4.6R (4) applies.
- 6A.4.10

R

A *firm* must not rely on the exception in ■ICOBS 6A.4.8R or ■ICOBS 6A.4.9R where it would still be in the consumer's best interests to provide the communication under ■ ICOBS 6A.4.5R.

6A.4.11 G

An example of where it may be in the consumer's best interests to provide the communication is where the consumer has expressed dissatisfaction to the firm with the quote provided.

6A.4.12 G

- (1) Whether a firm has responsibility for communicating with the consumer under this section will depend on the rules in this sourcebook applicable to the relevant circumstances, and the language of relevant provisions in this section should be construed accordingly. See, for example, ■ICOBS 5.1.3CR (Packaged bank accounts), ■ ICOBS 6.-1R (Producing and providing product information), ■ICOBS 6.1 (Providing product information to customers) and ■ ICOBS 6.5 (Renewals).
- (2) Guidance on the application of these requirements to an *insurer* that is an incoming firm can be found at ■ICOBS 1 Annex 1 (Part 2) 5.1R.
- (3) Firms with appointed representatives are reminded that the effect of s39(4) of the Act is that where the appointed representative carries out the relevant activity, the *firm* must ensure that the *appointed* representative complies with the relevant provision (see ■ SUP 12.3.1G).

Assessment of medical condition risk

G 6A.4.13

- (1) Firms should assess the risk associated with medical conditions and calculate medical condition premiums by reference to reliable information that is relevant to the assessment of the risk. Firms which do not do this may communicate unclear, unfair or misleading price information to consumers and so risk breaching Principles 2, 6 and/or 7, and ■ICOBS 2.2.2R and/or ■ICOBS 2.5-1R. Firms also need to consider their obligations under the Equality Act 2010.
- (2) Firms are also reminded of their obligations in PROD 4.2 or 4.3 to identify and distribute travel insurance policies to the target market.
- (3) Prior to a firm offering a policy with a very high medical condition premium, the firm should take all reasonable steps to consider whether:

- (a) the nature of the medical screening or assessment process is insufficient to provide reliable information which is relevant to the assessment of the risk associated with the particular medical condition;
- (b) the high premium is intended to indicate an unwillingness to accept the risk by the *insurer*; or
- (c) the high premium is due to the medical condition falling outside of the *insurer's* risk appetite or the target market for the product.
- (4) Where this is the case, offering a quote may mislead the *consumer* and/or result in them not being treated honestly, fairly and professionally in their best interests. A *firm* should consider instead whether it would be more appropriate not to offer a quote for the risk, explain the reason/s why not to the *consumer* and provide them with the details of the *medical cover firm directory* under ICOBS 6A.4.5R.

6A.5 Retail premium finance: disclosure and remuneration

Other requirements in the Handbook

6A.5.1 G This section does not affect the application of other requirements in the FCA Handbook applying to firms in relation to a regulated credit agreement.

Pre-contract information

- R
 - In good time before the conclusion of a policy including on any renewal, a firm offering retail premium finance in relation to that policy must give the customer:
 - (1) price information about:
 - (a) the total cost of the policy if purchased without retail premium finance:
 - (b) the total cost of the policy with retail premium finance including costs of, or associated with, the retail premium finance; and
 - (c) any difference in the costs in (a) and (b), alongside each other;
 - (2) a description that the use of retail premium finance arrangements will be more expensive for the customer compared to paying for the policy upfront;
 - (3) details of any difference between the duration of the *policy* and that of the retail premium finance; and
 - (4) where the price information is presented on any basis other than annually, an explanation alongside that information of any difference between the total price to be paid by the customer when buying with or without retail premium finance.
- 6A.5.3 The information in ■ICOBS 6A.5.2R must be communicated:
 - (1) in a way that is accessible and which draws the consumer's attention to it as key information; and
 - (2) in accordance with ■ICOBS 4.1A.

Active election

6A.5.4 G

For the purposes of ICOBS 6A.2.1R, providing the *customer* with the choice between paying monthly or annually will not be sufficient to show the *customer* has made an active election to obtain the *retail premium finance*.

Premium finance related remuneration

6A.5.5 R

A firm must not propose or arrange the use of any particular retail premium finance where that would be inconsistent with the firm's obligations in the FCA Handbook, including the customer's best interest rule, SYSC 19F.2 or CONC.

6A.5.6 G

- (1) Firms are reminded of their obligations elsewhere in the FCA Handbook including:
 - (a) Principles 1 and 6 to act with integrity and treat customers fairly;
 - (b) Principle 8 to manage conflicts of interest fairly, both between itself and its customers and between a customer and another client. This principle extends to the remuneration a firm receives including soliciting or accepting inducements where this would conflict with a firm's duties to its customers;
 - (c) conflicts of interest requirements in SYSC 3.3 (for *insurers*) or■ SYSC 10 (for *insurance intermediaries*);
 - (d) the customer's best interests rule, and ■SYSC 19F.2 to ensure remuneration arrangements do not conflict with their duty to comply with the customer's best interests rule.
- (2) An inducement is a benefit offered to a firm, or any person acting on its behalf, with a view to that firm, or that person, adopting a particular course of action. This can include, but is not limited to, cash, cash equivalents, commission, goods, hospitality or training programmes.

6A.5.7 G

- (1) Firms should consider, at inception and then on a regular basis, their arrangements with providers or distributors of retail premium finance and whether they could give an incentive to act in a way that is inconsistent with the customer's best interests rule or otherwise could risk breaching any of the provisions referred to in ■ICOBS 6A.5.6G above. For example, a firm's remuneration arrangements should not provide an incentive to offer retail premium finance having greater costs to the customer (including a higher APR) where another retail premium finance arrangement, better aligned with the customer's interests, is available to the firm in the market.
- (2) For the purposes of (1) a firm would be considering its arrangements with providers or distributors of retail premium finance on a regular basis where these arrangements are assessed as part of the firm's compliance with PROD 4.2.35AR (for a manufacturer) or PROD 4.3.6AR (for a distributor) to consider if these arrangements are consistent with providing fair value.
- (3) When considering its arrangements with providers or distributors of retail premium finance, both before entering into any arrangement and on a regular basis, a firm should be able to demonstrate:

ICOBS 6A: Product specific

rules

- (a) how the arrangements provide a fair outcome for the customer;
- (b) why that arrangement was selected.

For example, where the firm receives a greater level of remuneration, whether through a higher commission rate or otherwise, compared to other arrangements available to it, including any monthly payment arrangement where the price to the customer is not greater than where the policy is sold on a standalone basis, it will need to demonstrate how this selection was consistent with the customer's best interests rule.

(4) Where the remuneration firms receive in relation to retail premium finance conflicts with the duty to comply with the customer's best interests rule they will need to take appropriate actions to address the situation including, where necessary, changing retail premium finance providers.

6A.6 Cancellation of automatic renewal

Application

6A.6.1

This section applies in relation to all *general insurance contracts* entered into with *consumers* which have an automatic *renewal* feature except for:

private health or medical insurance; and pet insurance.

Purpose

6A.6.2 G

The purpose of this section is to support Treating Customers Fairly outcome 6 – "Consumers do not face unreasonable post-sale barriers imposed by firms to change product, switch provider, submit a claim or make a complaint", by making it easier for *consumers* who wish to prevent their *policy* from automatically *renewing* to cancel this feature of their *policy*.

.....

Requirement for a range of cancellation methods

6A.6.3

A *firm* must provide a *consumer* with easy and accessible methods for cancelling the automatic *renewal* feature in the *consumer's* contract.

6A.6.4 R

- (1) The methods provided by a *firm* in accordance with ■ICOBS 6A.6.3R must include at least all the methods by which a *consumer* is able to purchase a new *policy* with the *firm*.
- (2) A *firm* must consider the needs of its *customers* when determining what cancellation methods it provides.

6A.6.5 G

An easy and accessible method for cancelling an automatic *renewal* feature is a method that does not place any unnecessary barriers on the *consumer* who uses it. Unnecessary barriers may include one or both of the following:

- (1) unreasonably longer call waiting times to cancel the automatic renewal feature than to purchase a new policy; and/or
- (2) unnecessary questions or steps before the *consumer* is able to confirm their instructions to cancel the automatic *renewal* feature.

Times a consumer may cancel

6A.6.6

A firm must allow the consumer to exercise their right to cancel the automatic renewal feature:

- (1) at the time the consumer purchases the policy and at any time during the duration of the policy; and
- (2) free of charge.

6A.7 Disclosure requirements for multioccupancy buildings insurance

Application

6A.7.1 R

This section applies in relation to a *multi-occupancy building insurance* contract.

Purpose

6A.7.2 G

- (1) The purpose of this section is to:
 - (a) improve transparency in the *multi-occupancy building insurance* contract market; and
 - (b) enable *leaseholders* to receive clear and accessible information about the building insurance arrangements in connection with the building in which they are tenants to allow them to better understand:
 - (i) the scope of insurance cover in relation to that building; and
 - (ii) how any tenancy charges relating to the *multi-occupancy* building insurance contract have been incurred.
- (2) The rules in ■ICOBS 6A.7 require firms to produce disclosures to be provided to leaseholders. In the FCA Handbook, the term leaseholders will include any natural persons who are policy stakeholders or policyholders, who are acting outside of their trade or profession and who are liable to pay service charges in relation to tenancies for dwellings (in line with the Landlord and Tenant Act 1985) and, where relevant, a recognised tenants' association.

What information must be disclosed

6A.7.3

- (1) As soon as reasonably practicable after the conclusion of a *multi-occupancy building insurance contract*, and upon any subsequent renewal, a *firm* must:
 - (a) give the customer the information specified in (2); and
 - (b) tell the *customer* to pass a copy of this information on promptly and in full to any *leaseholder* of the building in relation to which the *multi-occupancy building insurance contract* provides cover.
- (2) The information in (1) must include:
 - (a) a summary of the cover (in accordance with ■ICOBS 6A.7.5R);
 - (b) pricing information (in accordance with ICOBS 6A.7.6R);

- (c) remuneration information (in accordance with ■ICOBS 6A.7.8R);
- (d) (for an insurance intermediary) placing and shopping around information (in accordance with ■ ICOBS 6A.7.11R); and
- (e) (for an insurance intermediary) conflicts of interest information (in accordance with ■ICOBS 6A.7.14R).
- (3) Where the firm is in contact with, or has contact details for, a leaseholder:
 - (a) it may meet the requirements in (1) by instead providing the information directly to the leaseholder; and
 - (b) where it has been made aware that the leaseholder has not received any information in (2) from the customer, it must provide the leaseholder with that information.
- 6A.7.4 G

The table in ■ICOBS 6A.7.21R sets out the responsibilities of *insurers* and insurance intermediaries in relation to which firm will be responsible for producing the information required by this section and which firm will be responsible for giving this information to the customer, or leaseholder, in order to meet ■ ICOBS 6A.7.3R(1).

Summary of the cover

- 6A.7.5 R
- The summary of the cover under ■ICOBS 6A.7.3R(2)(a) must include, where applicable, the following information:
 - (1) name of the insurance undertaking and its regulatory status;
 - (2) type of insurance;
 - (3) main risks insured;
 - (4) summary of excluded risks;
 - (5) the insured sum, together with:
 - (a) in the case of a flat, the amount for which the building containing it is insured under the policy and, if specified in the policy, the amount for which the flat is insured under it; and
 - (b) in the case of a dwelling other than a flat, the amount for which the dwelling is insured under the policy;
 - (6) excesses;
 - (7) term or duration of the *policy* including the start and end dates of the contract:
 - (8) exclusions where claims cannot be made; and
 - (9) significant features and benefits.

Pricing information

6A.7.6

The pricing information required by ■ICOBS 6A.7.3R(2)(b) must set out the total *premium* for the *policy* and include:

- (1) the amount of insurance premium tax;
- (2) the amount of value added tax; and
- (3) a breakdown of the *premium* at:
 - (a) (in the case of a flat) building level and (if specified in the *policy*) the flat; and
 - (b) (in the case of a dwelling that is not a flat) at dwelling level.

6A.7.7 R

- (1) For the purposes of ■ICOBS 6A.7.6R(3), where a *firm* is unable to identify the specific amount of *premium* at building or dwelling level, the *firm* may provide an estimate of the breakdown of the *premium* for that building or dwelling.
- (2) A *firm* relying on (1) must take reasonable care when producing the estimate to ensure the *leaseholder* can rely upon the amount to understand the building or dwelling level *premium*.

Remuneration information

6A.7.8 R

The remuneration information required by ■ICOBS 6A.7.3R(2)(c) must include:

- (1) the total commission that the firm and any associate receives; and
- (2) any remuneration or other financial incentive offered or given by the firm to any third party, including the freeholder or anyone acting on their behalf, in particular where the firm knows, or should be reasonably aware, that the sum will be included in the amount a leaseholder would be liable to pay,

in connection with the multi-occupancy building insurance contract.

6A.7.9

The disclosure in ■ ICOBS 6A.7.8R must be in cash terms (estimated, if necessary).

6A.7.10 G

The disclosure under ICOBS 6A.7.8R should include all forms of remuneration or financial incentive, that would or could be received by the *firm*, its associates or any third party, in connection with a multi-occupancy building insurance contract, whether before or after the conclusion of that policy. This would include arrangements for sharing profits or where the remuneration is contingent on future events such as payments that rely on certain targets being met.

Placement and shopping around information

6A.7.11 R

The information required by ■ICOBS 6A.7.3R(2)(d) must include:

- (1) the number of alternative *policy* guotes the *firm* obtained from:
 - (a) the *insurance undertaking* with which the *multi-occupancy* building insurance contract was taken out; and
 - (b) any other insurance undertaking(s); and

- (2) an explanation of why the particular multi-occupancy building insurance contract taken out was consistent with the interests of both the customer and the leaseholder.
- 6A.7.12 In relation to the information in ■ICOBS 6A.7.11R(1), a firm must, on request from a customer or a leaseholder, provide further details about the quotes it obtained.
- 6A.7.13 G The explanation in ■ICOBS 6A.7.11R(2) may be adapted according to whether the firm provided a personal recommendation in relation to the policy or not. It would be expected that where a personal recommendation has been provided, the explanation will set out why the particular policy was presented as suitable for the customer, taking into account its level of cover and cost, and relevant exclusions, excesses, limitations and conditions. Whether or not the *policy* was taken out following the provision of advice to the customer, the explanation should provide sufficient detail to enable the customer and leaseholder to understand why the particular policy was proposed.

Conflicts of interest information

- 6A.7.14 The information required in ■ICOBS 6A.7.3R(2)(e) must include:
 - (1) whether the firm has a direct or indirect holding representing 10% or more of the voting rights or capital in a given insurance undertaking;
 - (2) whether a given insurance undertaking or its parent undertaking has a direct or indirect holding representing 10% or more of the voting rights or capital in the firm; and
 - (3) whether the *firm* is representing the *customer* or is acting for and on behalf of the *insurer*.

Providing required information under ICOBS 6A.7

- 6A.7.15 (1) The information required by ■ICOBS 6A.7.3R may be provided:
 - () in a standalone document; or
 - () in a combination of documents including documents provided to the customer for the purposes of other ICOBS rules.
 - (2) A firm must ensure that the information required by ■ICOBS 6A.7.3R, in particular when presented in a combination of documents, is:
 - (a) clear, fair and not misleading;
 - (b) accessible and easy to understand for leaseholders; and
 - (c) sufficiently prominent and clearly identifiable as containing key information that the leaseholder should read (individually and when the documents are taken together).
- 6A.7.16 G (1) When determining the format in which the firm will provide the information for the purposes of ■ICOBS 6A.7.15R, a firm should

ICOBS 6A/20

- consider what a *leaseholder* needs in order to understand the relevance of any information provided by the *firm*.
- (2) In order to provide the information required in ■ICOBS 6A.7.3R, a firm may rely, at least in part, on the content in existing documents that are provided to the customer to meet disclosure requirements elsewhere in ICOBS, for example the IPID or policy summary, which include that information.

Means of communication

6A.7.17 R

- (1) The information in ■ICOBS 6A.7 must be given on paper or another durable medium in accordance with ■ICOBS 4.1A (Means of communication to customers).
- (2) A *firm* must use reasonable endeavours to ensure any election of the medium in which the information is to be provided is appropriate for the *leaseholders* receiving the information.

Receiving and responding to queries from customers and leaseholders

6A.7.18 R

Where a *firm* is contacted by a *customer* or *leaseholder* in relation to the information required to be provided by any of the *rules* in ■ICOBS 6A.7, it must:

- (1) respond promptly; and
- (2) provide good outcomes-focused support that is appropriate given the nature of the query, including by providing:
 - (a) an appropriate level of information to meet their needs;
 - (b) information that is:
 - (i) clear, fair and not misleading; and
 - (ii) accessible and easy to understand; and
 - (c) the information required under ■ICOBS 6A.7.3R where this has not been passed on to a *leaseholder*.

6A.7.19 G

- (1) When considering the good outcomes in ■ICOBS 6A.7.18R(2) in relation to a query from a *leaseholder*, a *firm* should consider the purpose of the *policy* and the interests of the *leaseholders*.
- (2) Where the *firm* receiving the query considers that another *firm* is better placed to provide a response (for example, due to that other *firm* having been responsible for producing the information to which the query relates), it should take all reasonable steps to refer the query to that other *firm* and reasonably support the *leaseholder* in obtaining a response.
- (3) Where a *firm* receives a query from a *leaseholder*, it should not create or rely on unreasonable barriers to responding to that query. In particular, where the *leaseholder* asserts that it has not received the information in ■ICOBS 6A.7.3R, ■ICOBS 6A.7.3R(3) requires the *firm* to provide this information proactively, and not wait to be asked for it

or refer the leaseholder to the customer. This includes providing the information to the leaseholder regardless of whether a customer is purporting to withhold consent to the required information being passed to a leaseholder.

Production and provision of information: responsibilities of insurers and insurance intermediaries

6A.7.20 Where a firm is responsible for producing information required by the rules in ■ICOBS 6A.7 as set out in ■ICOBS 6A.7.21R but is not in contact with the customer (or its representative), it must provide that information to the

relevant insurance intermediary in contact with the customer.

6A.7.21 The table in this *rule* sets out the responsibilities of *insurers* and *insurance* intermediaries for producing and providing to a customer the information required by this section in order to meet ■ ICOBS 6A.7.3R(1).

Requirement	Item of disclosure	Production	Providing to customer
ICOBS 6A.7.3R(2)(a)	Summary of the cover	Insurer	Firm in contact with customer

Responsibilities of insurers and insurance intermediaries in certain situations

Chapter 6B

Home insurance and motor insurance pricing

■ Release 36 ● May 2024

6B.1 **Application and purpose**

What?

6B.1.1

This chapter applies where a firm carries out any of the following activities in relation to a home insurance or motor insurance policy or any related additional product sold to a consumer:

- (1) setting the renewal price; or
- (2) setting the price for any additional product offered to the customer at renewal; or
- (3) determining the level of remuneration, including in particular any fees earned by the firm when distributing a product at renewal.
- 6B.1.2 This chapter also applies where a home insurance or motor insurance policy is sold on a subscription basis and at any point during the lifetime of the policy, the firm increases the price of the policy.
- 6B.1.2A R This chapter also applies where:
 - (1) a firm carries out insurance distribution activities at renewal; and
 - (2) the firm either:
 - (a) forgoes commission in whole or in part when selling to a new business customer; or
 - (b) offers cash or cash-equivalent incentives within the meaning of ■ ICOBS 6B.2.12R to new business customers.

•••••

Exclusions

6B.1.3 R This chapter does not apply to group policies where these include, or are sold alongside, home insurance or motor insurance products.

Purpose

6B.1.4 G The *rules* in this chapter:

(1) promote competition through ensuring consumers have a realistic picture of the long-term cost of their chosen product when purchasing it and incentivising *firms* to compete for *consumer* business on this basis; and

ICOBS 6B: Home insurance and motor insurance pricing

(2) protect *consumers* through ensuring that they are placed in a position where they can understand the long-term cost of their product.

6B.1.5 G

The *rules* in this chapter are not intended to affect how risk is priced for *home insurance* and *motor insurance*.

6E

6B.2 **Setting renewal prices**

Renewal price

6B.2.1 R A firm must not set a renewal price that is higher than the equivalent new business price.

Paragraph (1) applies at the point the renewal notice is prepared.

Combined home and motor insurance packages

6B.2.2 R In the case of a combined home insurance and motor insurance package, the renewal price for each of the following must be no higher than the equivalent new business price:

- (1) the home insurance element;
- (2) the motor insurance element; and
- (3) the bundled price for the package.

Net-rated business

G 6B.2.3

■ ICOBS 6B.2.1R does not distinguish between firms writing gross-rated business or net-rated business. Insurers or managing agents writing net-rated business should apply the rules in this section to arrive at a net-rated price which is the equivalent new business price on a net-rated price basis.

Renewal price of retail premium finance

G 6B.2.4

Where a customer pays for their policy through retail premium finance, the renewal price of the policy should be set in accordance with ■ICOBS 6B.2.1R and the renewal price for the retail premium finance should be set in accordance with ■ ICOBS 6B.2.37R.

Assumptions regarding channel used by customer

6B.2.5 R

- (1) In determining the equivalent new business price, a firm must assume that the existing customer has approached the firm through the same channel as they used when they first purchased their policy.
- (2) Where the firm no longer accepts new business through the channel that the *customer* originally used to purchase the *policy*, or where the channel can no longer be identified, the firm must assume that the

customer approached the firm through the channel most commonly used by new business customers of the firm.

If the *customer* used more than one *channel* when they first purchased their *policy*, the *firm* must determine the *equivalent new* business price using the channel or combination of *channels* that was used to determine the price of the *customer's policy* at new business.

6B.2.6 G

For the purposes of the assumptions in I COBS 6B.2.5R, a *firm* should treat each intermediary chain, price comparison website or *affinity/partnership* scheme through which it sells *policies* as a separate *channel*.

6B.2.7

- (1) A firm may calculate the equivalent new business price on the basis that the customer is using a different channel than they used when they first purchased their policy where:
 - (a) the *customer* has agreed to take out a different product to the one they took out in the last insurance period;
 - (b) the product the *customer* is taking out is most frequently purchased via a different *channel* to the one the *customer* used to take out their original product; and
 - (c) it is in the customer's best interests to take out the new product.
- (2) Where a firm calculates the *equivalent new business price* according to (1), it must assume that the *customer* approached the *firm* using the *channel* that the product is most frequently purchased through.

Changing to a different policy with the same firm at renewal

6B.2.8 G

- (1) Where a *firm* offers a *customer* a different product at *renewal* the *firm* should be able to demonstrate how it has met:
 - (a) the rules in ■ICOBS 5.2 (Demands and needs); and
 - (b) ■ICOBS 2.5.-1R (customer best interests).
- (2) Firms are reminded that ■ICOBS 5.2 includes requirements for a firm, before conclusion of any contract of insurance, to
 - (a) specify, on the basis of information obtained from the *customer*, the demands and needs of the *customer*; and
 - (b) ensure that any contract of insurance proposed is consistent with the customer's insurance demands and needs.

Before proposing a different product at *renewal*, a *firm* will need to take all necessary steps to meet these requirements which may include contacting the *customer* and obtaining all necessary information from that *customer* so the *firm* can conduct a demands and needs assessment.

- (3) A *firm* should not offer or propose a different product to the *customer* at *renewal* if:
 - (a) the different product is more commonly *distributed* through a more expensive channel than the *channel* or *channels* the *customer* originally approached the *firm* through; and

(b) the primary purpose of distributing the alternative product is to enable the firm to charge the customer a higher renewal price.

Incentives

business customer.

- 6B.2.9 When calculating the equivalent new business price, a firm must include any cash or cash-equivalent incentives that it gives to new business customers and that the renewing customer would be eligible for if they were a new
- 6B.2.10 R (1) ■ICOBS 6B.2.9R applies to any cash or cash-equivalent incentive that is

wholly or partially funded by the firm.

- (2) For the purposes of (1), it does not matter if the incentive is funded directly by the *firm* or if the *firm* provides funding to a third party contingent on that third party providing an incentive to the *customer*.
- 6B.2.11 Incentives that are not cash or cash-equivalent are excluded from the scope of these rules.
- 6B.2.12 A cash or cash-equivalent incentive is any incentive that can be readily expressed as having a monetary value including, but not limited to, the items listed in column 1 of the table at ■ICOBS 6B.2.14R.
- 6B.2.13 R Non-cash incentives are any incentives that are not capable of being readily expressed as having a definite monetary value.
- 6B.2.14 The following table gives examples of cash and non-cash incentives for the purposes of ■ ICOBS 6B.2.12R and ■ ICOBS 6B.2.13R.

Cash or cash-equivalent incentives	Non-cash incentives
A percentage discount on the premium	Toys
A monetary discount on the premium	Carbon off-setting
Part of the insurance term given for free (e.g. one month free)	A percentage chance to win back the premium
A free additional product	
Cashback	
Retail vouchers	
Points in a retail loyalty scheme	

6B.2.15 Firms are reminded that Principle 7 and ■ ICOBS 2.2.2R apply to the communication of incentives in the same way as they apply to all communications with their customers. Firms should present incentives in a way that makes clear both the overall price of the product, not including the incentive, and (if different) the price the customer will actually pay.

ICOBS 6B: Home insurance and motor insurance pricing

New business discounts

6B.2.16

R

The equivalent new business price must take account of any individually negotiated discounts the firm agrees with an equivalent new business customer for the product.

6B.2.17 G

In taking account of individually negotiated discounts agreed with *new* business customers, a firm should be able to demonstrate that:

- (1) the equivalent new business price does not discriminate on grounds of tenure contrary to ■ICOBS 6B.2.40R; and
- (2) the *firm* has taken account of the best interests of its *customers* (■ ICOBS 2.5.-1R) in determining its method for calculating the *equivalent new business price* in compliance with ICOBS 6B.2.16R.

Calculating the equivalent new business price - missing information

6B.2.18 G

- (1) Where a *firm* does not have the same information for an existing *customer* as it has when quoting for a *new business customer*, it may determine its own approach to how it takes account of any missing information when calculating the *equivalent new business price*.
- (2) Examples of situations where a *firm* may have missing information when calculating the *equivalent new business price* are:
 - (a) where the *firm* uses behavioural factors in calculating the price a *new business customer* pays, such as the length of time between the quote and the inception date; and
 - (b) where a *firm* has changed the information it obtains from *new* business customers when providing a quote.
- (3) Firms are reminded that where factors such as those described in (2) are taken into account in determining the renewal price, they must still be able to demonstrate compliance with:
 - (a) the requirement to not discriminate on grounds of *tenure* in ICOBS 6B.2.40R; and
 - (b) the requirements to provide fair value in relation to *non-investment insurance contracts* in PROD 4.2.14AR and, where relevant, PROD 4.2.14BR.

Calculating the equivalent new business price - information acquired during the term of the customer's current policy

6B.2.19 R

- (1) A *firm* must include in its determination of a *customer's* equivalent new business price any risk information acquired during the term of the customer's current policy that has the effect of either increasing or decreasing the *equivalent* new business price.
- (2) Paragraph (1) includes risk information that the *firm* would not normally have in relation to *new business customers*, such as telematics data or fraud risk indicators.

6B.2.20

Changes to contractual parties G A firm only needs to comply with the rules in this chapter where it arranged

the contract or was a party to the contract with the *customer* in the previous year. For example, where an intermediary operates a panel of insurers and re-brokes the customer's insurance to another member of the panel, the customer should be treated as a renewal by the intermediary but a new business customer by the insurer who did not underwrite the customer's policy in the previous year.

Subscription policies

- 6B.2.21 R Where a firm increases the price of a policy sold on a subscription basis, it must apply the rules in this chapter on setting a renewal price.
- R 6B.2.22 A firm that sells policies on a subscription basis must review the pricing of their subscription policies at least annually.
- 6B.2.23 The annual review must assess whether the price of the policy sold on a subscription basis is no higher than the equivalent new business price.
- 6B.2.24 G The rules in this chapter do not require a firm selling policies on a subscription basis to back date any price reductions that the firm may implement as the result of any review under ■ ICOBS 6B.2.21R.

Closed books

- 6B.2.25 Where a customer's policy is in a closed book, the firm must determine the customer's equivalent new business price according to the following rules.
- 6B.2.26 The firm must identify from the home insurance and motor insurance products that it currently actively markets or distributes, whether it has a home insurance or motor insurance product that is a close matched product.
- 6B.2.27 R Where the firm no longer actively markets or distributes any home insurance or motor insurance product which is a close matched product but it is part of a group which does actively market or distribute home insurance or motor insurance products, it must identify whether the firm's group actively markets or distributes a close matched product.
- 6B.2.28 R Where there is more than one product which is a close matched product, the firm must select:
 - (1) the close matched product which is the most similar to the customer's existing policy; or
 - (2) where it is not possible to identify the most similar close matched product, the close matched product which will lead to the most favourable pricing outcome for customers who hold a policy in the closed book.

ICOBS 6B: Home insurance and motor insurance pricing

6B.2.29

R

Where a close matched product is identified or selected, the equivalent new business price for a customer in the relevant book is the price set out in (1), taking account of the permitted adjustments set out in (2) below.

- (1) The equivalent new business price for the close matched product.
- (2) The permitted adjustments are those which fairly and proportionately reflect the difference in costs for the *firm* arising from differences between the cover or benefits (including any compulsory excess) or other costs of providing services or benefits under the contract (such as additional telephone support) provided by the *policies* in the *closed book* and the *close matched product*.

6B.2.30

In calculating the equivalent new business price for a close matched product, a firm must assume that the customer approached the firm using the channel most commonly used by new business customers of the close matched product.

6B.2.31 R

A *firm* must set the *renewal* price in accordance with ■ICOBS 6B.2.39R if either (1) or (2) apply:

- (1) the *firm* is unable to identify a product which is a *close matched product*; or
- (2) the *firm* is unable to determine an *equivalent new business price* because the *firm* would not offer a *policy* to a *new business customer* of the same risk profile as the existing *customer*.

6B.2.32 R

A *firm* must assess whether any of its *home insurance* or *motor insurance* products are in *closed books*:

- (1) at least annually; and
- (2) whenever the *firm* makes a material change to the distribution or marketing of the product that could change the book from being an open book to a *closed book*.

6B.2.33 G

- (1) The calculation of whether a book meets the *closed book* definition should be carried out on the basis of the product as a whole across all the *channels* used by the *firm* for distribution of the product.
- (2) A *firm* should apply the definition on the basis of its own book of business, without reference to other *firms* involved in *distributing* or underwriting the product. This means:
 - (a) an *insurer* should apply the *closed book* definition only to those products that it underwrites; and
 - (b) an *insurance intermediary* should apply the *closed book* definition only to those products which it has *distributed*.

Intermediaries' remuneration and involvement in setting price

6B.2.34 An insurance intermediary that is involved in the setting of any portion of the renewal price of the policy must ensure that the portion they set or their

contribution to that portion is set at a level that is no higher than it would be set for a new business customer.

- 6B.2.35 R An insurance intermediary that carries out insurance distribution activities at renewal and which either:
 - (1) forgoes commission in whole or in part when selling to new business customers; or
 - (2) offers a cash or cash-equivalent incentive (within the meaning of ■ ICOBS 6B.2.12R) to new business customers,

must, to the extent that a customer renewing a policy would be eligible to benefit from the commission forgone or the cash or cash-equivalent incentive if they were a new business customer, include that forgone commission or cash or cash-equivalent incentive when:

(1) determining the equivalent new business price at renewal; and

(2)applying ■ ICOBS 6B.2.9R to ■ ICOBS 6B.2.15G.

Additional products

- 6B.2.36 R A firm that has responsibility for setting the price of an additional product that is available to a *customer* in connection with a *home insurance* or *motor* insurance policy must ensure that the price of the additional product at renewal is no higher than the price at which the additional product would be offered to the customer if they were a new business customer.
- 6B.2.37 Where the additional product is retail premium finance, the price referred to in ■ICOBS 6B.2.36R is the APR if the retail premium finance is a regulated credit agreement or in all other cases the amount paid by the customer for retail premium finance for the amount of premium to be financed by the retail premium finance.
- 6B.2.38 Where a firm no longer offers to new business customers an additional product which is available to a customer in connection with the renewal of a home insurance or motor insurance policy, the price for that additional product must be set as follows:
 - (1) where the additional product is a policy, the firm must:
 - (a) apply the rules for closed books in ICOBS 6B.2.25R to ■ ICOBS 6B.2.33G (and references in these rules to home insurance or motor insurance should be read as 'additional product'); or
 - (b) if the additional product has no close matched product, apply ■ ICOBS 6B.2.39R:
 - (2) where the additional product is not a policy, the firm must apply ■ ICOBS 6B.2.39R.

motor insurance pricing

Firms' assurance over customer outcomes

6B.2.39

A firm must ensure that it does not systematically discriminate against customers based on their tenure, when determining:

- (1) an equivalent new business price;
- (2) the renewal price for customers in closed books where a firm is unable to identify a close matched product;
- (3) the price for any additional products offered to the customer at renewal of a policy; and
- (4) the level of any remuneration earned by the firm, including in particular any fees charged to a customer, at renewal of a policy.

6B.2.40 E

- (1) A firm's equivalent new business price for customers of longer tenure should not systematically exceed the new business price for new business customers.
- (2) A pricing model used by the firm to determine the equivalent new business price, or renewal prices for customers in closed books where a firm is unable to identify a close matched product, should not generate prices which are systematically higher the longer a customer's tenure is.
- (3) A firm's renewal price for customers of longer tenure, or the price for any additional products offered to customers of longer tenure at renewal of a policy, should offer fair value to the customer taking account of the prices offered to customers of shorter tenure. In particular, a *firm* should avoid the following outcomes:
 - (a) the price of any of the following materially exceeding the new business price which a customer of longer tenure would pay to obtain the cover and/or benefits offered by the product if the customer were to shop around as a new business customer approaching another firm or firms:
 - (i) the firm's renewal price for customers in a closed book where no close matched product is identified;
 - (ii) the firm's price for any additional product offered at renewal where that additional product is a policy and no close matched product is identified; or
 - (iii) the firm's price for any additional products offered at renewal where the additional product is not a policy and is no longer available to new business customers;
 - (b) the quality of service or cover enjoyed by *customers* of longer tenure is lower than that enjoyed by customers of shorter tenure for the same product; and
 - (c) relevant and appropriate value measures, or the gross incurred claims ratio, for policies held by customers of longer tenure indicate that the value provided by these policies is lower than that for policies held by customers of shorter tenure.
- (4) A firm should not systematically charge higher fees to a customer who is renewing a policy than to a new business customer.

- (5) A firm should not selectively close individual channels in order to take advantage of the premium difference between channels when setting an equivalent new business price.
- (6) A *firm* should not fund an incentive offered by a third party in a way that results in the equivalent new business price systematically exceeding the new business price actually paid by new business customers who receive the incentive.
- (7) Contravention of any of (1) to (6) may be relied on as tending to establish contravention of ■ICOBS 6B.2.39R.

6B.2.41 G When comparing a firm's new business price with the renewal price for individual customers, we would not expect to see that the longer a customer's tenure is, the greater the difference between:

- (1) in the case of an *insurer*, the risk price and the *net-rated price* or gross price; or
- (2) in the case of an intermediary, the net-rated price and the gross price.
- 6B.2.42 A firm must not make arrangements that are designed to enable it to treat existing customers as new business customers unless:
 - (1) the firm can demonstrate that the proposed arrangements are in the best interests of the customers that will be treated as new business customers under the arrangements; and
 - (2) the price of the products distributed to these *customers* does not adversely impact on the product offering fair value according to ■ PROD 4.2.14AR and, where relevant, ■ PROD 4.2.14BR.

6B.2.43 A firm should not participate in or carry out any of the following steps where the primary impact on existing customers affected by the steps is to increase the price these customers pay for their product:

- (1) establish a new entity or entities (whether this is done by the firm or a member of its group) that will be responsible for arranging polices for existing customers at renewal;
- (2) transfer the business of existing customers to existing entities in the group or existing subsidiaries; and
- (3) sell to existing customers at renewal a product that is only superficially different from the customer's current product.

Contravention of any of (1) to (3) may be relied upon as tending to establish contravention of ■ ICOBS 6B.2.42R and ■ ICOBS 2.5.-1R.

6B.2.44 It is not a contravention of ■ICOBS 6B.2.39R or ■ICOBS 2.5.-1R for a firm to offer a customer a renewal price that is lower than the equivalent new business price based on any factor, including the customer's tenure.

ICOBS 6B: Home insurance and motor insurance pricing

Notifications to the FCA

- A *firm* must notify the *FCA* if it becomes aware that any other *firm* in the distribution chain is not or may not be complying with the *rules* in this chapter.
- 6B.2.46 G Under *Principle 11*, *firms* should notify the *FCA* of any change in their pricing model where there is a material risk of harm for *customers*.

Sales practices

- When communicating a renewal price to customers, or when contacted by customers to discuss a renewal price, a firm must not systematically discriminate against customers based on tenure.
- When communicating a price for any additional product at renewal of the policy, or when contacted by customers to discuss the prices of additional products at renewal of their policy, a firm must not systematically discriminate against customers based on tenure.
- (1) A *firm* should not communicate with a *customer* of longer *tenure* in a manner which is objectively likely to discourage a customer of longer tenure from shopping around for an alternative *policy* offered by another *firm*.
 - (2) A *firm* should not communicate with *customers* of longer *tenure* with the intent, or in a way that might reasonably be expected to have the effect, that these *customers* are less likely than other *customers* to contact the *firm* to negotiate the *renewal price* of the *policy*.

.....

- (3) A *firm* should not interact with *customers* of longer *tenure* with the intent or the effect that these *customers* are more likely than other *customers* to accept the *renewal price* of the *policy*.
- (4) Contravention of any of (1) to (3) may be relied on as tending to establish contravention of ■ICOBS 6B.2.47R or ■ICOBS 6B.2.48R.
- Where a *firm* has communicated a *renewal price* to a *customer* in compliance with the *rules* in this chapter, a *firm* may subsequently agree a discount to a *renewal price* in individual negotiations with the *customer*.

Records

- A firm must make and retain written records of how it continues to satisfy itself that it does not systematically discriminate against *customers* based on tenure in contravention of ■ICOBS 6B.2.39R including details of:
 - (1) the assessment undertaken by the *firm* to evaluate whether the *equivalent new business price* for *customers* of longer *tenure* systematically exceeds that for *new business customers*;
 - (2) the controls put in place by the *firm* to ensure that any pricing model it uses to generate its *equivalent new business prices*, or the *renewal*

- prices for customers in closed books where a firm is unable to identify a close matched product, does not generate prices which are systematically higher the longer a customer's tenure is;
- (3) the evidence gathered and the assessment undertaken by the firm to evaluate whether its renewal prices or prices for additional products at renewal offer fair value to customers of longer tenure;
- (4) the assessment undertaken by the firm to evaluate whether the fees it charges to customers of longer tenure systematically exceed those charged to new business customers; and
- (5) any appropriate independent oversight of the assessments and controls in (1), (2), (3) and (4).
- 6B.2.52

A firm must make and retain written records of how it satisfies itself that any arrangements it makes to enable it to treat existing customers as new business customers are consistent with ■ICOBS 6B.2.39R, including details of:

- (1) the assessment it has undertaken to assure itself that the customer best interests rule in ■ICOBS 2.5.-1R is met: and
- (2) the assessment it has undertaken of the likely effect of the arrangements on the price customers will pay for their product after the arrangements have taken effect as compared to the price customers would pay if the arrangements did not take effect.
- 6B.2.53

A firm must also make and retain written records of its consideration of the extent to which material decisions which it takes in relation to its compliance with the *rules* in this chapter are consistent with:

- (1) the objectives of these rules as set out in ■ICOBS 6B.1.4G;
- (2) the requirement not to discriminate against customers based on tenure in ■ ICOBS 6B.2.39R, ■ ICOBS 6B.2.47R and ■ ICOBS 6B.2.48R; and
- (3) the requirements in ■ICOBS 6B.2.42R around making arrangements to treat existing customers as new business customers.
- 6B.2.54

The records in ■ICOBS 6B.2.51R and ■ICOBS 6B.2.52R must set out clearly:

- (1) the basis on which the *firm* is complying with the *rules* in this chapter;
- (2) how the firm has resolved any areas of discretion, ambiguity or potential uncertainty in its determination that the pricing of its home insurance and motor insurance renewal business, including additional products available to customers in connection with this business, is in compliance with the rules in this chapter; and
- (3) appropriate expert input and advice on which the firm relies in satisfying itself as to its compliance with the rules in this chapter.

ICOBS 6B: Home insurance and motor insurance pricing

- (1) launching, discontinuing or materially varying any aspect of a product which is, or could be, relevant to setting an *equivalent new business* price;
- (52) taking action which would result in a book becoming a *closed book* for the purposes of the *rules* in this chapter;
 - (3) identifying or selecting a *close matched product* or determining that it is not possible to identify a *close matched product*;
 - (4) making any adjustments to the equivalent new business price for a close matched product as a result of applying the assumptions in ICOBS 6B.2.29R and ICOBS 6B.2.30R;
 - (5) making changes to the *firm's* business structure or to the business structure of a *firm's* group to the extent that this may affect the basis on which an *equivalent* new business price is set;
 - (6) determining the *firm's* approach to ensuring that it does not systematically discriminate against *customers* based on their *tenure* in accordance with ■ICOBS 6B.2.39R, ■ICOBS 6B.2.43R and ■ICOBS 6B.2.44R; and
 - (7) arranging for another entity or entities to offer the *renewal* product to the *customer*.

6B.2.56 G

- (1) The following are examples of the types of records that *firms* should retain under ICOBS 6B.2.51R to ICOBS 6B.2.53R:
 - (a) records of minutes of any pricing committee;
 - (b) any analysis showing whether similar *customers* face different pricing outcomes;
 - (c) where the *firm's* data indicates any potential issues under ■ICOBS 6B.2.40R, any analysis demonstrating that the *firm* has not discriminated against *customers* of longer *tenure*.

6B.2.57

The records compiled by the firm in accordance with ■ICOBS 6B.2.51R to ■ICOBS 6B.2.53R must be provided as soon as reasonably practicable after the record is prepared or updated to the *person* responsible for the attestation in ■ICOBS 6B.2.60R, and to the *FCA* on request.

6B.2.58 G

Firms are reminded of their obligations under ■ SYSC 3.2.20R and ■ SYSC 9.1.1R in relation to the keeping of records and the guidance in ■ SYSC 3.2.21G and ■ SYSC 9.1.5G regarding the nature of the systems and controls a *firm* should have in place and the general principle that records should be retained for as long as is relevant for the purposes for which they are made.

Policies and procedures

6B.2.59 G

A *firm* should have in place policies and procedures to ensure its ongoing compliance with the *rules* in this chapter following any material changes to

the firm's pricing practices, pricing models or products which could affect a firm's compliance with rules in this chapter or fair outcomes for customers of longer tenure.

Attestation requirements

6B.2.60 R Every firm subject to the rules in this chapter must provide the attestation set out at (1) for the reporting period set out in (2) at the time set out in (3) by a person in (4) below.

- (1) The attestation is that the firm:
 - (a) is and has been complying with the *rules* in this chapter throughout the reporting period; and
 - (b) is satisfied that the pricing of its home insurance and motor insurance renewal business and related sales practices are consistent with the objectives of the rules as set out in ■ ICOBS 6B.1.4G and does not discriminate against customers of longer tenure as set out in ■ ICOBS 6B.2.39R, ■ ICOBS 6B.2.47R and ■ ICOBS 6B.2.48R.
- (2) The reporting period is the 12-month period beginning 1 January and ending 31 December.
- (3) The attestation must be provided annually, on or before 31 March in the year following the end of the reporting period.
- (4) The attestation must be provided by:
 - (a) a single person, who holds a senior management function in the firm; or
 - (b) where a firm is not an SMCR firm, by a director of the firm.

Format and method of submission of attestation

- 6B.2.61 R The attestation must be submitted online through the appropriate systems accessible from the FCA's website.
- 6B.2.62 R The attestation will not be considered as submitted to the FCA unless it has been accepted by the relevant FCA system.
- G 6B.2.63 If the FCA's information technology systems fail and online submission is unavailable for 24 hours or more, the FCA will endeavour to publish a notice on its website confirming that online submission is unavailable and will confirm what methods of submission should be used instead.

Chapter 7

Cancellation

■ Release 36 • May 2024

7.1 The right to cancel

The right to cancel

- 7.1.1 A consumer has a right to cancel, without penalty and without giving any reason, within:
 - (1) 30 days for a contract of insurance which is, or has elements of, a pure protection contract or payment protection contract; or
 - (2) 14 days for any other contract of insurance or distance contract.

[Note: article 6(1) of the Distance Marketing Directive in relation to a distance contract and article 186 of the Solvency II Directive in relation to a pure protection contract

7.1.2 A firm may provide longer or additional cancellation rights voluntarily, but if it does these should be on terms at least as favourable to the consumer as those in this chapter, unless the differences are clearly explained.

Exceptions to the right to cancel

- 7.1.3 The right to cancel does not apply to:
 - (1) a travel and baggage policy or similar short-term policy of less than one month's duration;
 - (2) a policy the performance of which has been fully completed by both parties at the consumer's express request before the consumer exercises his right to cancel;
 - (3) a pure protection contract of six months' duration or less which is not a distance contract:
 - (4) a pure protection contract effected by the trustees of an occupational pension scheme, an employer or a partnership to secure benefits for the employees or the partners in the partnership;
 - (5) a general insurance contract which is neither a distance contract nor a payment protection contract, sold by an intermediary who is an unauthorised person (other than an appointed representative); and
 - (6) a connected contract which is not a distance contract.

[Note: articles 6(2)(b) and (c) of the Distance Marketing Directive and article 186(2) of the Solvency II Directive]

7.1.4 A 'similar short-term policy' is any policy where the event or activity being insured is less than one month's duration. 'Duration' refers to the period of cover rather than the period of the contract.

Start of the cancellation period

7.1.5 R The cancellation period begins either:

- (1) from the day of the conclusion of the contract, except in respect of a pure protection contract where the time limit begins when the customer is informed that the contract has been concluded; or
- (2) from the day on which the consumer receives the contractual terms and conditions and any other pre-contractual information required under this sourcebook, if that is later than the date referred to above.

[Note: article 186(1) of the Solvency II Directive and article 6(1) of the Distance Marketing Directive]

Exercising a right to cancel

7.1.6 If a consumer exercises the right to cancel he must, before the expiry of the relevant deadline, notify this following the practical instructions given to him. The deadline shall be deemed to have been observed if the notification, if on paper or another durable medium, is dispatched before the deadline expires.

[Note: article 6(1) and (6) of the Distance Marketing Directive]

7.2.2

R

7.2 **Effects of cancellation**

Termination of contract

7.2.1 R By exercising the right to cancel, the consumer withdraws from the contract and the contract is terminated.

Payment for the service provided before cancellation

- (1) When a consumer exercises the right to cancel he may only be required to pay, without any undue delay, for the service actually provided by the *firm* in accordance with the contract.
 - (2) The amount payable must not:
 - (a) exceed an amount which is in proportion to the extent of the service already provided in comparison with the full coverage of the contract: and
 - (b) in any case be such that it could be construed as a penalty.
 - (3) A firm must not require a consumer to pay any amount:
 - (a) unless it can prove that the consumer was duly informed about the amount payable; or
 - (b) if it commenced the performance of the contract before the expiry of the cancellation period without the consumer's prior request.
 - (4) A consumer cannot be required to pay any amount when exercising the right to cancel a pure protection contract.
 - (5) A consumer cannot be required to pay any amount when exercising the right to cancel a payment protection contract unless a claim is made during the cancellation period and settlement terms are subsequently agreed.

[Note: article 7(1), (2) and (3) of the Distance Marketing Directive]

- 7.2.3 G The amount payable may include:
 - (1) any sums that a firm has reasonably incurred in concluding the contract, but should not include any element of profit;
 - (2) an amount for cover provided (i.e. a proportion of the policy's exposure that relates to the time on risk);

- (3) a proportion of the *commission* paid to an *insurance intermediary* sufficient to cover its costs; and
- (4) a proportion of any fees charged by an *insurance intermediary* which, when aggregated with any *commission* to be repaid, would be sufficient to cover its costs.
- 7.2.4 G In most cases, the FCA would expect the proportion of a policy's exposure that relates to the time on risk to be a pro rata apportionment. However, where there is material unevenness in the incidence of risk, an insurer could use a more accurate method. The sum should be reasonable and should not exceed an amount commensurate to the risk incurred.
- 7.2.5 G An insurer and an insurance intermediary should take reasonable steps to ensure that double recovery of selling costs is avoided, particularly where the contract for the insurance intermediary's services is a distance contract, or where both commission and fees are recouped by the insurer and insurance intermediary respectively.

Firm's obligation on cancellation

- 7.2.6 (1) A *firm* must, without any undue delay and no later than within 30 days, return to a *consumer* any sums it has received from him in accordance with the contract, except as specified in this section.
 - (2) This period shall begin from the day on which the *firm* receives the notification of cancellation.

[Note: article 7(4) of the *Distance Marketing Directive*]

Consumer's obligation on cancellation

- 7.2.7 R
- (1) A *firm* is entitled to receive from a *consumer* any sums and/or property he has received from the *firm* without any undue delay and no later than within 30 *days*.
- (2) This period shall begin from the day on which the *consumer* dispatches the notification of cancellation.

[Note: article 7(5) of the Distance Marketing Directive]

7.2.8 G If an *insurer* has made a charge for services provided, the sums and property to be returned by a *consumer* should not include any money or property provided in settling a claim.

Set off

7.2.9 R

Any sums payable under this section are owed as simple contract debts and may be set off against each other.

Automatic cancellation of an attached distance contract

7.2.10

A consumer's notice to cancel a distance contract may also operate to cancel any attached contract which is also a distance financial services contract. This is unless the consumer gives notice that cancellation of the contract is not to operate to cancel the attached contract. (See the Distance Marketing Regulations.) Where relevant, this should be disclosed to the consumer along with other information on cancellation.

Claims handling

■ Release 36 • May 2024

8.1 **Insurers:** general

- 8.1.1 An insurer must:
 - (1) handle claims promptly and fairly;
 - (2) provide reasonable guidance to help a policyholder make a claim and appropriate information on its progress;
 - (3) not unreasonably reject a claim (including by terminating or avoiding a policy); and
 - (4) settle claims promptly once settlement terms are agreed.

Cases where rejection of consumer's claim is unreasonable: contracts before 1 August 2017

8.1.2 R For contracts entered into or variations agreed before 1 August 2017, a rejection of a consumer policyholder's claim is unreasonable, except where there is evidence of fraud, if it is:

- (1) in relation to contracts entered into or variations agreed on or before 5 April 2013, for:
 - (a) non-disclosure of a fact material to the risk which the policyholder could not reasonably be expected to have disclosed;
 - (b) non-negligent misrepresentation of a fact material to the risk; or
- (2) in relation to contracts entered into or variations agreed on or after 6 April 2013, for misrepresentation by a *customer* and the misrepresentation is not a qualifying misrepresentation (see ■ ICOBS 8.1.3R); or
- (3) for breach of warranty or condition unless the circumstances of the claim are connected to the breach and unless (for a pure protection contract):
 - (a) under a 'life of another' contract, the warranty relates to a statement of fact concerning the life to be assured and, if the statement had been made by the life to be assured under an 'own life' contract, the insurer could have rejected the claim under this rule: or
 - (b) the warranty is material to the risk and was drawn to the customer's attention before the conclusion of the contract.

Cases where rejection of consumer's claim is unreasonable: contracts on or after 1 August 2017

8.1.2A G

- (1) Cases in which rejection of a *consumer's* claim would be unreasonable (in the FCA's view) include, but are not limited to rejection:
 - (a) for misrepresentation, unless it is a qualifying misrepresentation (see ICOBS 8.1.3R);
 - (b) where the claim is subject to the Insurance Act 2015, for breach of warranty or term, or for fraud, unless the *insurer* is able to rely on the relevant provisions of the Insurance Act 2015; and
 - (c) where the *policy* is drafted or operated in a way that does not allow the *insurer* to reject.
- (2) The Insurance Act 2015 sets out a number of situations in which an *insurer* may have no liability or obligation to pay. For example:
 - (a) section 10 provides situations in which an *insurer* has no liability under a *policy* due to a breach of warranty;
 - (b) section 11 places restrictions on an *insurer's* ability to reject a claim for breach of a term where compliance is aimed at reducing certain types of risk; and
 - (c) sections 12 and 13 provide for the extent to which a *firm* is entitled to reject fraudulent claims.

8.1.2B R

For contracts entered into or variations agreed on or after 1 August 2017, a rejection of a *consumer policyholder's* claim for breach of a condition or warranty (that is not subject to and within section 10 or 11 of the Insurance Act 2015) is unreasonable unless the circumstances of the claim are connected to the breach.

Definition of a qualifying misrepresentation

8.1.3 R

In this section, a "qualifying misrepresentation" is one made by a *consumer* before a consumer insurance contract was entered into or varied if:

- (1) the *consumer* made the misrepresentation in breach of the duty set out in section 2(2) of the Consumer Insurance (Disclosure and Representations) Act 2012 to take reasonable care not to make a misrepresentation to the *insurer*; and
- (2) the *insurer* shows that without the misrepresentation, that *insurer* would not have entered into the contract (or agreed to the variation) at all, or would have done so only on different terms.

[Note: section 4 of the Consumer Insurance (Disclosure and Representations) Act 2012.]

8.2 Motor vehicle liability insurers

Application: who? what?

- 8.2.1 R
- (1) This section applies to a motor vehicle liability insurer.
- (2) The rules in this section relating to the appointment of claims representatives apply:
 - (a) [deleted]
 - (b) in relation to claims arising out of events occurring, and risks situated, in the *United Kingdom*, and covered by a *firm* operating from an establishment in the European Economic Area.
- (3) The rules in this section relating to claims handling apply in respect of claims arising from any accident caused by a vehicle normally based in the *United Kinadom*.

[Note: article 20(1) of the Consolidated Motor Insurance Directive and article 152 of the *Solvency II Directive*]

Requirement to appoint claims representatives

- 8.2.2
- G

R

[deleted]

8.2.2A

R [deleted]

8.2.2B

A firm operating from an establishment in the European Economic Area carrying on motor vehicle liability insurance business and covering UK risks must have a claims representative in the *United Kingdom* to deal with claims arising out of events occurring in the United Kingdom.

[Note: article 152 of the Solvency II Directive]

Conditions for appointing claims representatives

- **8.2.3** R A *firm* must ensure that each claims representative:
 - (1) is responsible for handling and settling a claim by an injured party;
 - (2) is resident or established in the United Kingdom;
 - (3) collects all information necessary in connection with the settlement of a claim and takes the measures necessary to negotiate its settlement;
 - (4) possesses sufficient powers to represent the *firm* in relation to an *injured party* and to meet an *injured party*'s claim in full; and
 - (5) is capable of examining cases in the official language(s) of the *United Kingdom*.

[Note: article 21(1), (4) and (5) of the Consolidated Motor Insurance Directive and article 152 of the Solvency II Directive]

8.2.4 G The requirement to possess sufficient powers does not prevent a claims representative from seeking additional authority or instructions if needed. It does prevent it from declining to deal with, or transferring responsibility for, claims properly referred to it by an *injured party*, or their representative.

Notifying the appointment of claims representatives

- 8.2.5 R (1) A firm must notify to the Motor Insurers' Information Centre:
 - (a) the name and address of the claims representative which they have appointed in the *United Kingdom*;

[Note: article 23(2) of the Consolidated Motor Insurance Directive]

- (b) the telephone number and effective date of appointment; and
- (c) any material change to information previously notified.
- (2) Notification must be made within ten *business days* of an appointment or of a material change.

Motor vehicle liability claims handling rules

- **8.2.6** R Within three *months* of the *injured party* presenting his *claim* for compensation:
 - the firm of the person who caused the accident or its claims representative must make a reasoned offer of compensation in cases where liability is not contested and the damages have been quantified; or
 - (2) the *firm* to whom the claim for compensation has been addressed or its claims representative must provide a reasoned reply to the points made in the claim in cases where liability is denied or has not been clearly determined or the damages have not been fully quantified.

[Note: article 22 of the Consolidated Motor Insurance Directive and article 3 of the Consolidated Motor Insurance Directive

8.2.7 R

- (1) If liability is initially denied, or not admitted, within three months of any subsequent admission of liability, the firm must (directly, or through a claims representative) make a reasoned offer of settlement, if, by that time, the relevant claim for damages has been fully quantified.
- (2) If an injured party's claim for damages is not fully quantified when it is first made, within three months of the subsequent receipt of a fully quantified claim for damages, the firm must (directly, or through a claims representative) make a reasoned offer of damages, if liability is admitted at that time.
- 8.2.8 A claim for damages will be fully quantified for the purpose of this section when the injured party provides written evidence which substantiates or supports the amounts claimed.

Interest on compensation

8.2.9 R

- (1) If the firm, or its claims representative, does not make an offer as required by this section, the firm must pay simple interest on the amount of compensation offered by it or awarded by the court to the injured party, unless interest is awarded by any tribunal.
- (2) The interest calculation period begins when the offer should have been made and ends when the compensation is paid to the *injured* party, or his authorised representative.
- (3) The interest rate is the Bank of England's base rate (from time to time), plus 4%.

[Note: article 22 of the Consolidated Motor Insurance Directive. Regulation 6 of the Financial Services and Markets Act 2000 (Rights of Action) Regulations 2001 makes this rule actionable under section 138D of the Act (Actions for damages) by any person who suffers loss as a result of its contravention]

8.2.10 A firm will be taken to have received a claim, or a fully quantified claim, for damages when the claim is delivered to it, or a claims representative, by any person by any method of delivery which is lawful in the firm's, or its claims representative's, respective State of residence or establishment.

8.2.11 G The provisions in this section are not intended to, and do not, restrict any rights which the *injured party*, or its motor vehicle liability insurer, or any other insurer acting on its behalf, may have and which would enable any of them to begin legal proceedings against the person causing the accident or that person's, or the vehicle's, insurers.

8.3 Insurance intermediaries (and insurers handling claims on another insurer's policy)

Application: who?

8.3.1 G This section applies to an *insurance intermediary*, and to an *insurer* handling a claim on another *insurance undertaking's policy*.

Interaction with the general law

8.3.2 G A *firm* is expected to comply with the general law on the duties of an insurance intermediary. This section does not seek to set out the full extent of those duties.

Conflicts of interest

8.3.3 G

(1) Principle 8 requires a firm to manage conflicts of interest fairly.
■ SYSC 10 also requires an insurance intermediary to take all reasonable steps to identify conflicts of interest, and maintain and operate effective organisational and administrative arrangements to prevent conflicts of interest from constituting or giving rise to a material risk of damage to its clients.

.....

- (2) [deleted]
- (3) If a firm acts for a customer in arranging a policy, it is likely to be the customer's agent (and that of any other policyholders). If the firm intends to be the insurance undertaking's agent in relation to claims, it needs to consider the risk of becoming unable to act without breaching its duty to either the insurance undertaking or the customer making the claim. It should also inform the customer of its intention.
- (4) A *firm* should in particular consider whether declining to act would be the most reasonable step where it is not possible to manage a conflict, for example where the *firm* knows both that its *customer* will accept a low settlement to obtain a quick payment, and that the *insurance undertaking* is willing to settle for a higher amount.

G

Dealing with claims notifications without claims handling

8.3.4

A firm that does not have authority to deal with a claim should forward any claim notification to the insurance undertaking promptly, or inform the policyholder immediately that it cannot deal with the notification.

8.4 Employers' Liability Insurance

Application

8.4.1 R

- (1) The general application *rule* in ■ICOBS 1.1.1 R applies to this section subject to the modifications in (2).
- (2) This section applies to:
 - (a) any firm solely with respect to the activities of:
 - (i) carrying out contracts of insurance; or
 - (ii) managing the underwriting capacity of a Lloyd's syndicate as a managing agent at Lloyd's;

in relation to *general insurance contracts* and, in either case, including business accepted under *reinsurance to close*.

- (b) [deleted]
- (3) In this section references to:
 - (a) an 'employers' liability register' are to the employers' liability register referred to in ■ICOBS 8.4.4R (1)(a);
 - (b) a 'director's certificate' are to a statement complying with the requirements in SUP 16.23A;
 - (c) employers' liability insurance include business accepted under reinsurance to close covering employers' liability insurance (including business that is only included as employers' liability insurance for the purposes of this section);
 - (d) a 'qualified *director*'s certificate' are to the statement complying with the requirements in SUP 16.23A.5R; and
 - (e) a 'historical policy' are to a United Kingdom commercial lines employers' liability insurance policy or other evidence of cover issued or renewed before 1 April 2011.

Purpose

8.4.3 G

The purpose of ICOBS 8.4 is to assist individuals with claims arising out of their course of employment in the *United Kingdom* for employers carrying on, or who carried on, business in the *United Kingdom*, to identify an *insurer* or *insurers* that provided *employers' liability insurance* (other than certain co-

insurance and excess cover arrangements) by requiring insurers to produce an employers' liability register and to conduct effective searches for historical policies. In particular it aims to assist ex-employees whose employers no longer exist or who cannot be located.

Principal obligation to produce an employers' liability register

8.4.4 R

- (1) A firm carrying out contracts of insurance, or a managing agent managing insurance business, including in either case business accepted under reinsurance to close, which includes United Kingdom commercial lines employers' liability insurance, must:
 - (a) produce an employers' liability register complying with the requirements in (2) and ■ICOBS 8 Annex 1;
 - (b) [deleted]
 - (c) [deleted]
- (1A) [deleted]
 - (2) For the purposes of (1)(a) the employers' liability register is required
 - (a) include the date upon which the register was produced;
 - (b) include a database which:
 - (i) reliably stores information required by ■ICOBS 8 Annex 1;
 - (ii) in relation to information required by ■ ICOBS 8 Annex 1 1.1R(1), contains accurate information and, in relation to information required by ■ICOBS 8 Annex 1 1.1R(2),

ICOBS 8/10

- contains information which faithfully reproduces the information that the *firm* has; and
- (iii) has an effective search function which allows a person inputting data included on the register relating to a particular employer over a particular period to retrieve information on the register relating to a potential employers' liability claim corresponding to that employer and period;
- (c) allow for requests for information or searches relating to a potential claim to be made by:
 - (i) individuals with the potential claim, or their authorised representative, or
 - (ii) any employer to whom the potential claim relates; or
 - (iii) an *insurer* which is potentially jointly and severally liable with another *firm* in relation to the potential claim; or
 - (iv) a relevant insurance intermediary acting for an insurer in (iii);
- (d) allow for requests by a tracing office which meets the conditions in ■ICOBS 8.4.9R relating to the use of information on the firm's register to the extent that the information is necessary, and used solely, to enable the tracing office to provide comprehensive searching facilities to its users; and
- (e) allow for responses to requests or searches in (c) to be provided without delay.
- (3) [deleted]
- (4) For the purposes of (1):
 - (a) United Kingdom commercial lines employers' liability insurance means commercial lines employers' liability insurance where both the employer's business was or is carried on, and the employees' course of employment was or is, in the United Kingdom; and
 - (b) commercial lines business comprises contracts of insurance carried out in relation to persons whose employers' liability insurance relates to a business or profession they carry on.
- 8.4.4A R [deleted]
- **8.4.4B G** [deleted]
- 8.4.4C R [deleted]
- 8.4.5 G (1) For the purposes of ■ICOBS 8.4.4R (2)(c) and ■ICOBS 8.4.4R (2)(d), a firm may put in place appropriate screening on its employers' liability register to monitor:
 - (a) requests for information and searches to ensure that they are being made for a legitimate purpose by persons falling into one of the categories in ■ICOBS 8.4.4R (2)(c); and
 - (b) requests from tracing offices to ensure that the information is necessary, and will only be used by the tracing office, for the

purposes of providing users of the tracing service with the same information as the *firm* itself would have provided had the inquirer approached the firm directly.

If a firm has any reason to suspect that the information is, or may be, being misused then it may restrict the use of the information provided or request its return.

- (2) For the purposes of ■ICOBS 8.4.4R (2)(e) the FCA expects that, in the ordinary course, a person searching or making an information request will be provided with a response within one business day of the initial request.
- (3) In the FCA's view, commercial lines business does not include employers' liability insurance provided for retail consumers, for example, in relation to insurance taken out to cover liability in relation to domestic arrangements such as home help.

FCA notification requirements

8.4.6

A firm must:

- (1) notify the FCA, within one month of falling within ■ICOBS 8.4.1R (2), as to whether or not it, or, if relevant, a member of the syndicates it manages, carries on business falling within ■ICOBS 8.4.4R (1) and, if it does, include in that notification:
 - (a) details of the internet address of the firm or tracing office at which the employers' liability register is made available;
 - (b) the name of a contact person at the firm and their telephone number or postal address, or both; and

Requirement to make employers' liability register and supporting documents available

8.4.7

R

- (1) A firm must make available:
 - (a) the information on the employers' liability register either:
 - (i) on the firm's website at the address notified to the FCA in ■ ICOBS 8.4.6R (1); or

- (ii) by arranging for a tracing office which meets the conditions in ICOBS 8.4.9 R to make the information available on the tracing office's website; and
- (b) the latest *director*'s certificate prepared in accordance with SUP 16.23A.5R(1) and the latest report prepared by an auditor for the purposes of SUP 16.23A.6R(1), to a tracing office which has obtained information from the *firm* for the purposes of providing comprehensive tracing information, in accordance with ICOBS 8.4.4R (2)(d), provided that the tracing office has agreed with the *firm* not to disclose confidential information in the certificate and the report to third parties, save as required by law.

For the purposes of ■ICOBS 8.4.4R (2)(d) and ■ICOBS 8.4.7R (1)(a)(ii) the existence of published and up-to-date versions of both a certificate from the *directors* of the tracing office, stating that the tracing office has complied in all material respects with the requirements in ■ICOBS 8.4.9R (1) to ■ (6), and a report under a *reasonable assurance engagement*, addressing the accuracy and completeness of the tracing office's database, may be relied upon as tending to establish that a *firm* has satisfied the requirement to use a tracing office which meets the conditions in ■ICOBS 8.4.9R (1) to ■ (6).

Qualifying tracing offices

8.4.9 R

The conditions referred to in \blacksquare ICOBS 8.4.4R (2)(d) and \blacksquare ICOBS 8.4.7R (1)(a)(ii) are that the tracing office is one which:

- (1) maintains a database which:
 - (a) accurately and reliably stores information submitted to it by *firms* for the purposes of complying with these *rules*;
 - (b) has systems which can adequately keep it up to date in the light of new information provided by *firms*;
 - (c) has an effective search function which allows a person inputting data included on the database relating to a particular employer over a particular period to retrieve information on the database relating to a potential employers' liability claim corresponding to that employer and period;

- (2) maintains adequate records of the director's certificates and reports prepared by an auditor sent to it by firms for the purposes of complying with these rules;
- (3) has effective arrangements for information security, information back up and business continuity and to prevent the misuse of data;
- (4) accepts search requests in relation to information in (1) relating to a potential claim from:
 - (a) individuals with the potential claim, or their authorised representative; or
 - (b) the employer to whom the potential claim relates; or
 - (c) an insurer which is potentially jointly and severally liable with another firm in relation to the potential claim; or
 - (d) a relevant insurance intermediary acting for an insurer in (c);
- (5) provides responses to requests in (4) without delay;
- (6) has adequate arrangements for providing to a firm, upon request and without delay, a full copy of the information on the database that the firm has provided to it;
- (7) includes in its published annual report:
 - (a) a certificate from the *directors* of the tracing office stating whether the tracing office has complied with the requirements in (1) to (6) in relation to the period covered by the annual report; and
 - (b) an independent report commissioned under a reasonable assurance engagement satisfying the requirement in ■ ICOBS 8.4.9A R, addressing the accuracy and completeness of the database, prepared by an auditor satisfying the requirements of ■ SUP 3.4 and ■ SUP 3.8.5 R to ■ SUP 3.8.6 R, and addressed to the directors of the tracing office; and
- (8) provides to a *firm* making use of the tracing office for the purposes of ■ ICOBS 8.4.7R (1)(a)(ii):
 - (a) a copy of its annual report promptly after publication; and
 - (b) upon request and without delay a full copy of the information on the database that the firm has provided to it.
- 8.4.9A

The requirement referred to in ■ICOBS 8.4.9R (7)(b) is that the report must include an opinion from the auditor confirming whether, in all material respects, the tracing office maintains a database which accurately and reliably stores information submitted to it by firms for the purpose of complying with relevant requirements in ■ICOBS 8.4 and that it has systems which can adequately keep it up to date in the light of new information provided by firms.

- 8.4.10 G
- (1) ICOBS 8.4.4R (2)(b) and ICOBS 8.4.9R (1) require a firm, or a tracing office used by a *firm*, to have an effective search function in relation to the employers' liability register database. In the FCA's view an

- effective search function is one which finds all matches in the register to any specified whole word.
- (2) For the purposes of ■ICOBS 8.4.9R (5) the term 'without delay' should have the same meaning as in ■ICOBS 8.4.5G (2).
- (3) In order to assist *firms* with their obligations under these *rules* the *FCA* has agreed to publish on its website at www.fca.org.uk/ consumers/employers-liability-insurance a list of *persons* providing tracing office facilities which have published the *directors'* certificate and independent assurance report referred to in ■ICOBS 8.4.9R (7).

Updating and verification requirements

- 8.4.11 R
- (1) A firm must notify the FCA:
 - (a) of any information provided to the FCA under ICOBS 8.4.6 R or ICOBS 8.4.6A R which ceases to be true or accurate; and
 - (b) of the new position, in accordance with the notification requirements in ■ICOBS 8.4.6 R;

within one *month* of the change.

- (2) A firm producing an employers' liability register must:
 - (a) update the register with any new or more accurate information falling within ■ICOBS 8 Annex 1:
 - (i) by virtue of the entry into or renewal of, or of a claim made in relation to, a *policy*, as required by ■ICOBS 8 Annex 1 Part 1; and
 - (ii) in all other cases, by virtue of the *firm* having received that new or more accurate information;
 - (b) make the updated information in (a) available, in accordance with ■ICOBS 8.4.7 R, no later than:
 - (i) in relation to new or more accurate information arising out of the entry into or renewal of, or a claim made in relation to, a *policy*, three *months* from the date of entry, renewal or the date upon which the claim was made; and
 - (ii) in all other cases, three *months* from the date upon which the *firm* received the new or more accurate information:
 - (c) update the register, no less frequently than once every three *months*, and include the date that the register was updated and a statement that the register may be relied on as up-to-date as at a date three *months* prior to the date upon which the register was updated, or such later date as applicable to the *firm*;
- 8.4.12 G

For the purposes of ■ICOBS 8.4.11R (2)(c) a firm is required to include the date at which it updates the register. However, depending on the firm's processes for making information available for the purposes of ■ICOBS 8.4.11R (2)(b), the register may only be relied upon as being up-to-date as at a date three months prior to the date on which the firm has updated the register, or such lesser period as applicable to the firm as is consistent with the firm's processes. ■ICOBS 8.4.11R (2)(c) requires the firm to include a statement as to the date at which the register may be relied upon as containing up-to-date

information which can be no earlier than three *months* prior to the new date on the register, but may be later depending on the firm's circumstances.

8.4.12A R

- (1) For the purposes of ICOBS 8.4.11R (2)(a), 8.4.11R (2)(b) and ■ ICOBS 8 Annex 1 a claim is deemed to be made in relation to a policy at the date on which the firm establishes, or otherwise accepts, that it has provided relevant cover under the policy, and is therefore potentially liable subject to the terms of the policy.
- (2) A firm must use reasonable endeavours to establish whether it has provided relevant cover:
 - (a) within three months of being notified of a potential claim; or
 - (b) if that is not possible, as soon as is reasonably practicable thereafter.

8.4.15

- (3) details of how the searches will be carried out, including a description of how and in what circumstances the firm may decide not to conduct a search.

- (1) When a firm receives a request under ICOBS 8.4.14 R, from a qualifying tracing office, it must provide a response, in writing, to the requestor within one *month* of receiving the request.
- (2) This rule does not apply when the firm has conducted a search but no historical policies have been found.

(3) When a *firm* receives a request under ■ICOBS 8.4.14 R, other than from a qualifying tracing office, it must provide a response, in writing, to the requestor within two *months* of receiving the request in accordance with ■ICOBS 8.4.17 R.

8.4.17 R

- (1) Where a *firm* has established that a historical *policy* does exist, the response should confirm what cover was provided and set out any available information that is relevant to the request received.
- (2) Where there is evidence to suggest that a historical *policy* does exist, but the *firm* is unable to confirm what cover was provided, the response should set out any information relevant to the request and describe the next steps (if any) the *firm* will take to continue the search.
- (3) Subject to ■ICOBS 8.4.16R (2), where the *firm* has conducted a search, but no historical *policies* have been found, the response should set this out clearly and explain that reasonable steps were taken to conduct an effective search.

	(1)	the risk is covered by a single contract at an overall premium and for the same period by two or more <i>insurers</i> each for its own part;					
	(2)	one of the <i>insurers</i> is the lead <i>insurer</i> who is treated as if it were the <i>insurer</i> covering the whole risk;					
	(3)	the lead <i>insurer</i> fully assumes the leader's role in co-insurance practice and in particular determines the terms and conditions of insurance and rating;					
	(4)	the <i>firm</i> has entered into and maintains with the lead <i>insurer</i> up-to-date written agreements identifying the <i>policies</i> in relation to which the <i>firm</i> is a co-insurer of the lead <i>insurer</i> and the proportions of the risk for which the co-insurer is responsible; and					
	(5)	the <i>firm</i> is satisfied that the lead <i>insurer</i> complies with the requirements in 1.1R(1) and (2) in relation to the co-insured <i>policies</i> .					
1.1B R		A <i>firm</i> is not required to include information required by 1.1R(1) and (2) to the extent that it relates solely to the <i>firm</i> 's potential liability under an excess <i>policy</i> where another <i>insurer</i> has principal liability for the risk, and the following conditions are satisfied:

- (3)that tracing office has provided the firm with a commitment that it will use its best endeavours to obtain the ERN.
- 1.1CB G (1) Where the tracing office in 1.1CAR is using its best endeavours to obtain the ERN and asks a firm to help with obtaining it, that firm should take reasonable steps to do so in line with its obligations under *Principle* 2 (to conduct its business with due skill, care and diligence) and Principle 3 (to take reasonable care to organise and control its affairs responsibly and effectively).
 - (2) Where a firm is in possession of or comes into possession of the ERN, the firm should provide the ERN to the tracing office in 1.1CAR as soon as reasonably practicable.
 - Where a firm makes information on its employers' liability register avail-(3)able on its own website in accordance with ICOBS 8.4.7R(1)(a)(i) or the tracing office in 1.1CAR fails to meet any of the conditions in 1.1CAR, the rule in 1.1CCR may apply.
- 1.1CC R The conditions in this *rule* are that:
 - the firm has not been able to obtain the ERN solely due to failures by parties outside the firm's control; and

(2) It is the responsibility of each *firm* to decide what processes to use to obtain the ERN based on what is appropriate and proportionate for that *firm*, taking into account the volume of policies, type of business written and the distribution channels used to write that business.
