

Chapter 11

Responsible lending, and responsible financing of home purchase plans

11.4 Application

11.4.2 **R** This table belongs to **■ MCOB 11.4.1 R**

What?

11.4.3 **R** This chapter applies:

- (1) if a *firm* enters into a *regulated mortgage contract* or *home purchase plan* with a *customer*; or
- (2) if a *firm* varies an existing *regulated mortgage contract* or *home purchase plan*; and

throughout the term of any *regulated mortgage contract* or *home purchase plan* which a *firm* has entered into.

11.5 Purpose

11.5.1

G

- (1) This chapter requires a *firm* to treat *customers* fairly by assessing, before deciding to:
 - (a) *enter into a regulated mortgage contract or home purchase plan*;
or
 - (b) *vary a regulated mortgage contract or home purchase plan*;
whether the *customer* will be able to repay the sums borrowed and interest (in the case of a *regulated mortgage contract*) or pay the sums due (in the case of a *home purchase plan*).
- (2) This chapter aims to ensure that *customers* are not exploited by *firms* that provide finance in circumstances where the *customers* are self-evidently unable to repay (or pay) through income and have no alternative means of repayment (or payment).
- (3) This chapter sets out some limited exceptions to the requirement to assess the *customer's* ability to repay (or pay), including transitional arrangements in relation to *customers* with existing *regulated mortgage contracts or home purchase plans* which satisfy certain conditions.
- (4) This chapter also applies in relation to extending the term of a *bridging loan*.

11.6 Responsible lending and financing

Contents of this section

11.6.1

G

- (1) This section sets out *rules* and *guidance* for lenders and providers under *regulated mortgage contracts* and *home purchase plans*, in relation to the assessment of affordability for the *customer* of these contracts. *Firms* have the option of applying certain of the *rules* and *guidance* on a modified basis in relation to *regulated mortgage contracts* and *home purchase plans* which are solely for a business purpose or are with *high net worth mortgage customers*. This section also contains (at ■ MCOB 11.6.41 R to ■ MCOB 11.6.52 G) additional *rules*, with accompanying *guidance*, in relation to *regulated mortgage contracts* which are *interest-only mortgages*. These *rules*:
- (a) restrict the circumstances in which *interest-only mortgages* may be entered into, and impose additional requirements on *mortgage lenders* in those limited cases where they are permitted; and
 - (b) provide for an exception to the requirement to assess affordability in relation to those *interest-only mortgages* which are *interest roll-up mortgages*, and restrict the circumstances in which *interest roll-up mortgages* may be used (see ■ MCOB 11.6.57 R to ■ MCOB 11.6.59 G).
- (2) This section also contains (at ■ MCOB 11.6.53 E to ■ MCOB 11.6.54 G) special provisions for *mortgage lenders* in relation to *bridging loans*, including some which apply only where the *bridging loan* is an *interest-only mortgage*.

The assessment of affordability

11.6.2

R

- (1) Except as provided in ■ MCOB 11.6.3 R, ■ MCOB 11.6.57 R (Interest roll-up mortgages) and ■ MCOB 11.7 (Transitional arrangements):
- (a) before *entering into*, or agreeing to vary, a *regulated mortgage contract* or *home purchase plan*, a *firm* must assess whether the *customer* (and any guarantor of the *customer's* obligations under the *regulated mortgage contract* or *home purchase plan*) will be able to pay the sums due; and
- [Note: article 18(1) of the MCD]
- (b) the *firm* must not enter into the transaction in (a) unless it can demonstrate that the new or varied *regulated mortgage contract* or *home purchase plan* is affordable for the *customer* (and any guarantor).

[Note: article 18(5)(a) of the *MCD*]

- (2) In ■ MCOB 11.6, references to payment of sums due means:
- (a) in the case of a *regulated mortgage contract*, the making of the payments to repay the sums advanced and interest reasonably expected to be accrued under the *regulated mortgage contract*; and

[Note: article 18(6) of the *MCD*]

- (b) in the case of a *home purchase plan*, the payment of sums due under the *home purchase plan*;

in each case as they fall due.

- (3) In ■ MCOB 11.6, references to the *customer* must be read as referring also to any guarantor of the *customer's* obligations under the *regulated mortgage contract*, where the context permits.

11.6.3

R

- (1) ■ MCOB 11.6.2 R does not apply to:

(a) entering into a new *regulated mortgage contract* or *home purchase plan* as a replacement for an existing *regulated mortgage contract* or *home purchase plan* between the *customer* and the *firm* (either as the original *mortgage lender* or *home purchase provider* or as the transferee of the existing contract), whether or not the new contract relates to the same property;

- (aa) entering into a new *regulated mortgage contract* as a replacement for an existing *regulated mortgage contract*, whether or not the new contract relates to the same property, where the original *mortgage lender* (or, where the existing contract has been transferred, the transferee):
- (i) is not entering into *regulated mortgage contracts* with new *customers*; and
- (ii) is in the same *group* as the *mortgage lender* under the new contract; or

(b) a variation of an existing *regulated mortgage contract* or *home purchase plan*;

provided the conditions in (2) are satisfied.

- (2) The conditions referred to in (1) are that:

(a) the proposed new or varied *regulated mortgage contract* or *home purchase plan* would not involve the *customer* taking on additional borrowing or (for a *home purchase plan*, increasing the amount of finance provided under the plan) beyond the amount currently outstanding under the existing *regulated mortgage contract* or *home purchase plan*, other than to finance any product fee or arrangement fee for the proposed new or varied contract; and

[Note: article 18(6) of the *MCD*]

(b) there is no change to the terms of the *regulated mortgage contract* or *home purchase plan* which is likely to be material to affordability.

11.6.4

E

- (3) ■ MCOB 11.6.2 R does not apply to a variation to the terms of a *regulated mortgage contract* or *home purchase plan* which:
 - (a) reduces (including to zero) the capital repayments required under a *repayment mortgage* for a period of no longer than six *months*;
 - (b) reverses (in full or in part) a term extension within six *months* of it taking effect; or
 - (c) is made solely for the purposes of forbearance where the *customer* has a *payment shortfall*, or in order to avoid a *payment shortfall*.
- (4) Paragraph (3)(a) only applies where the contract:
 - (a) remains a *repayment mortgage* after the variation (because the mortgage is still designed to be repaid in full over its term);
 - (b) has not previously been varied in reliance on that paragraph; and
 - (c) is not a *bridging loan* or a *second charge regulated mortgage contract*.
- (5) Paragraph (3)(b) only applies where the contract:
 - (a) has not previously been varied in reliance on that paragraph; and
 - (b) is not a *bridging loan* or a *second charge regulated mortgage contract*.

11.6.5

R

When assessing for the purposes of ■ MCOB 11.6.2 R whether a *customer* will be able to pay the sums due, a *firm*:

- (1) must not base its assessment of affordability on the equity in the property which is used as security under the *regulated mortgage contract* or is subject to the *home purchase plan*, or take account of an expected increase in property prices;

[Note: article 18(3) of the *MCD*]

- (2) must take full account of:
 - (a) the income of the *customer*, net of income tax and national insurance; and, as a minimum

- (b) (i) the *customer's* committed expenditure; and
- (ii) the basic essential expenditure and basic quality-of-living costs of the *customer's* household;

[Note: article 20(1) of the *MCD*]

- (3) (if it is a *mortgage lender*) must assess affordability on the basis of both repayment of capital and payment of interest over the term, except where lending under an *interest-only mortgage* in accordance with ■ MCOB 11.6.41R (1); and
- (4) (if it is a *mortgage lender*) must take account of the impact of likely future interest rate increases on affordability, as set out in ■ MCOB 11.6.18 R.

[Note: article 18(1) of the *MCD*]

11.6.6 R For the purposes of ■ MCOB 11.6.2 R, a *firm* must not rely on a general declaration of affordability by the *customer* or his representative.

Income multiples

11.6.7 G A *firm* may wish to impose a limit, expressed as a multiple of the *customer's* income, on the amount it is prepared to advance under a *regulated mortgage contract* or *home purchase plan*. Such an approach is not, of itself, inconsistent with ■ MCOB 11.6.2 R but, in accordance with the *rules* in this section, the *firm* must be able to demonstrate that the loan is affordable, having taken full account of the *customer's* income and expenditure, and (for a *mortgage lender*) the impact of future likely interest rate increases on affordability.

Income

11.6.8 R In taking account of the *customer's* income (in accordance with ■ MCOB 11.6.5R (2)(a)) for the purposes of its assessment of whether the *customer* will be able to pay the sums due:

- (1) a *firm* must obtain evidence of the income declared by the *customer* for the purposes of the *customer's* application for the *regulated mortgage contract* or *home purchase plan* (or variation). The evidence, whether document-based or derived through the use of automated systems, must be of a type and for a period which is adequate to support each element of income that the *firm* is taking into account, and subject to appropriate anti-fraud controls; and
- (2) a *firm* must not accept self-certification of income by the *customer*, and the source of the evidence in (1) must be independent of the *customer*.

11.6.9 G In relation to taking account of the *customer's* income for the purposes of its assessment of whether the *customer* will be able to pay the sums due:

- (1) income may be derived from sources other than employment (such as pensions or investments), or from more than one job;

- (2) the evidence necessary to comply with ■ MCOB 11.6.8 R will vary according to factors such as the employment status and the nature of the employment of the *customer* (for example, whether he is employed, self-employed, a contractor or retired), his length of employment and, in particular, any elements of income that are not contractually guaranteed. For example: income from overtime working may be evidenced by payslips over a period of time or by checking the level of income regularly paid into a bank account;
- (3) for a self-employed *customer*, a *firm* may wish to consider using projections of future income, where these form part of a credible business plan;
- (4) a *firm* may use information it already holds about a *customer's* income, for example where the *customer* holds a current account with the *mortgage lender*;
- (5) the source of evidence may be independent of the *customer* even where it is supplied by the *customer*; for example, in the form of payslips, bank statements or tax returns;
- (6) a *firm* may use information provided to it by a *home finance intermediary* or other third party, including electronic sources of information, but the *firm* will retain responsibility for compliance with this chapter; and
- (7) *mortgage lenders* and *home purchase providers* are reminded of their obligations under ■ SYSC 8 in respect of outsourcing where they choose to use a third party to verify income information.

Expenditure

11.6.10

R

For the purposes of a *mortgage lender's* or *home purchase provider's* assessment of whether the *customer* will be able to pay the sums due:

- (1) the committed expenditure of a *customer* in ■ MCOB 11.6.5R (2)(b)(i) is his credit and other contractual commitments which will continue after the *regulated mortgage contract* or *home purchase plan* (or variation) is entered into;
- (2) the basic essential expenditure of a *customer's* household in ■ MCOB 11.6.5R (2)(b)(ii) comprises expenditure for: housekeeping (food and washing); gas, electricity and other heating; water; telephone; council tax; buildings insurance; ground rent and service charge for leasehold properties; and essential travel (including to work or school); and
- (3) the basic quality-of-living costs of a *customer's* household in ■ MCOB 11.6.5R (2)(b)(ii) are its expenditure which is hard to reduce and gives a basic quality of life (beyond the absolute essential expenditure in (2)).

11.6.11

G

- (1) Examples of committed expenditure are: credit commitments such as secured and unsecured loans and credit cards; hire purchase agreements; child maintenance; alimony; and the cost of a *repayment strategy* where the *customer* has an *interest-only mortgage* (where

affordability has not been assessed on a capital and interest basis: see ■ MCOB 11.6.48 R (Assessing affordability under an *interest-only mortgage*)).

- (2) Examples of basic quality-of-living costs (which can be reduced, but only with difficulty) are: clothing; household goods (such as furniture and appliances) and repairs; personal goods (such as toiletries); basic recreation (television, some allowance for basic recreational activities, some non-essential transport); and childcare.

11.6.12 **R** For the purposes of its assessment of whether the *customer* will be able to pay the sums due:

- (1) a *firm* may generally rely on any evidence of income or information on expenditure provided by the *customer* unless, taking a common sense view, it has reason to doubt the evidence or information;
- (2) in taking account of the *customer's* committed expenditure, a *firm* must take reasonable steps to obtain details of the *customer's* actual outstanding commitments; and
- (3) in taking account of the basic essential expenditure and basic quality-of-living costs of a *customer's* household, a *firm* may obtain details of the actual expenditure. Alternatively, it may use statistical data or other modelled data appropriate to the composition of the *customer's* household, including the *customer*, dependent children and other dependents living in the household. If it uses statistical or other modelled data a *firm* must apply realistic assumptions to determine the level of expenditure of the *customer's* household.

11.6.13 **G** (1) Examples of evidence of income in ■ MCOB 11.6.12R (1) are payslips and bank statements.

- (2) If a *firm* obtains details of the *customer's* credit commitments from the *customer*, it should corroborate the information, for example by making a credit reference agency search or checking credit card or bank statements.

- (3) Where the *customer's* credit or contractual commitments are due to end shortly after the *regulated mortgage contract* or *home purchase plan* (or variation) has been entered into, a *firm* should take a common sense approach to deciding whether to include those commitments in its assessment of whether the *customer* will be able to pay the sums due, according to such factors as the remaining term of the commitment and the magnitude of payments required under it.

Future changes to income and expenditure

11.6.14 **R** If a *firm* is, or should reasonably be aware from information obtained during the application process, that there will, or are likely to, be future changes to the income and expenditure of the *customer* during the term of the *regulated mortgage contract* or *home purchase plan*, the *firm* must take them into account when assessing whether the *customer* will be able to pay the sums due for the purposes of ■ MCOB 11.6.2 R.

11.6.15

G

- (1) Examples of future changes to income and expenditure in **■ MCOB 11.6.14 R** are: reductions in income that may come about following the *customer's* retirement; where it is known that the *customer* is being made redundant; or where the *firm* is aware of another loan commitment that will become due during the term of the *regulated mortgage contract* or *home purchase plan*, such as an equity loan to assist in property purchase.
- (2) If the term of a *regulated mortgage contract* or *home purchase plan* would extend beyond the date on which the *customer* expects to retire (or, where that date is not known, the state pension age), a *firm* should take a prudent and proportionate approach to assessing the *customer's* income beyond that date. The degree of scrutiny to be adopted may vary according to the period of time remaining to retirement when the assessment is made. The closer the *customer* is to retiring, the more robust the evidence of the level of income in retirement should be. For example, where retirement is many years in the future, it may be sufficient merely to confirm the existence of some pension provision for the *customer* by requesting evidence such as a pension statement; where the *customer* is close to retirement, the more robust steps may involve considering expected pension income from a pension statement. In accordance with **■ MCOB 11.6.12R (1)**, a *firm* should take a common sense view when assessing any information provided by the *customer* on his expected retirement date.
- (3) Where an additional loan commitment is expected to become due during the term of the *regulated mortgage contract* or *home purchase plan*, the *mortgage lender* should assess whether the *regulated mortgage contract* or *home purchase plan* will remain affordable when the loan commitment becomes due, unless there is an appropriate *repayment strategy* in place to repay that loan, such as through the sale of the property which is the subject of the *regulated mortgage contract* or *home purchase plan*.
- (4) When assessing the affordability of a *retirement interest-only mortgage* with joint borrowers, the *firm* should consider the ability of a single borrower to continue making the required payments if the other dies, taking into account relevant evidence such as pensions payable to the surviving spouse or civil partner.

Debt consolidation and credit-impaired consumers

11.6.16

R

- (1) This *rule* applies where:
 - (a) a purpose of a *regulated mortgage contract* or *home purchase plan* (or variation) is debt consolidation; and
 - (b) for a *first charge regulated mortgage contract*, the *customer* is a *credit-impaired customer*.
- (2) Subject to (3), where each of the conditions in (1) is satisfied and, if the debts which are to be repaid using the sums raised by the *regulated mortgage contract* or *home purchase plan* (or variation) were not repaid, the transaction would not be affordable for the *customer*, the *firm* must take reasonable steps to ensure that, on completion of the transaction, those debts are actually repaid.

- (3) The requirement in (2) does not apply if the *firm* has assumed that the *customer's* existing debts which are to be repaid using the sums raised by the *regulated mortgage contract* or *home purchase plan* (or variation) will not in fact be repaid and, accordingly, include them as committed expenditure in the affordability assessment for the *customer*.

- 11.6.17 **G** The requirement in ■ MCOB 11.6.16R (2) for reasonable steps may be satisfied by the *mortgage lender's*, or *home purchase provider's*, repaying the committed expenditure directly to the creditors concerned as a condition of granting the *regulated mortgage contract* or *home purchase plan*.

Considering the effect of future interest rate rises

- 11.6.18 **R**
- (1) Under ■ MCOB 11.6.5R (4), in taking account of likely future interest rate increases for the purposes of its assessment of whether the *customer* will be able to pay the sums due, a *mortgage lender* must consider the likely future interest rates over a minimum period of five years from the expected start of the term of the *regulated mortgage contract* (or variation), unless the interest rate under the *regulated mortgage contract* is fixed for a period of five years or more from that time, or for the duration of the *regulated mortgage contract* (or variation), if less than five years.
- (2) In coming to a view as to likely future interest rates, a *mortgage lender* must have regard to:
- (a) market expectations; and
 - (b) any prevailing *Financial Policy Committee* recommendation on appropriate interest-rate stress tests;
- and must be able to justify the basis it uses by reference to (a) and (b).
- (3) For the purposes of this *rule*, even if the basis used by the *mortgage lender* in (2) indicates that interest rates are likely to fall, or to rise by less than 1%, during the first five years of the *regulated mortgage contract* (or variation), a *mortgage lender* must assume that interest rates will rise by a minimum of 1% over that period.

- 11.6.18A **R**
- (1) Under ■ MCOB 11.6.5R (4), in taking account of likely future interest rate increases for the purposes of its assessment of whether the *customer* will be able to pay the sums due, a *second charge lender* must also consider the likely future interest rates of any *regulated mortgage contract* in existence at the time of the assessment and remaining in existence after the relevant *second charge regulated mortgage contract* has been entered into.
- (2) The *second charge lender* must, at a minimum, base its assessment under (1) on the balance outstanding of any *regulated mortgage contract* relevant under (1).

11.6.19 **G** In relation to ■ MCOB 11.6.18R (2):

- (1) an example of market expectations is the forward sterling rate published on the Bank of England website. A *mortgage lender* should not use its own forecast; and
- (2) a *mortgage lender* should not link its determination to market expectations without considering the likely effect of rate changes in accordance with the market expectations on the specific *regulated mortgage contract* in question.

Responsible lending or financing policy

11.6.20 **R** A *firm* must put in place, and operate in accordance with, a written policy (which may be contained in more than one document), approved by its *governing body*, setting out the factors it will take into account in assessing a *customer's* ability to pay the sums due. The policy must address the following matters:

- (1) how income and expenditure is to be assessed, including (except as provided in ■ MCOB 11.6.32R (1) and ■ MCOB 11.6.39R (1)):
 - (a) details of the types of income which are acceptable;
 - (b) the proportion of different income streams which is acceptable;
 - (c) how variations in income over time, of which the *firm* is aware, are to be considered;
 - (d) what is acceptable evidence of income (including the time period to be covered by the evidence); and
 - (e) how committed expenditure, basic essential expenditure and basic quality-of-living costs are taken into account when assessing affordability;
- (2) how future interest rates are taken into account when assessing affordability;
- (3) the calculations used to determine whether the *regulated mortgage contract* or *home purchase plan* is affordable;
- (4) how the *mortgage lender's* or *home purchase provider's* anti-fraud controls are incorporated into affordability assessments;
- (5) how the *mortgage lender's* or *home purchase provider's* method of calculating the size of the advance for each *customer*, based on a consideration of the *customer's* income and expenditure, is to be monitored, including the timing of reviews and key performance indicators to be used (see ■ MCOB 11.6.22 R (Monitoring));
- (6) the actions to be taken if the *mortgage lender's* or *home purchase provider's* calculation method, referred to in (5), does not perform as expected;
- (7) how regular audits of compliance with the *mortgage lender's* or *home purchase provider's* responsible lending or financing policy established in accordance with this *rule* are to be undertaken (as required by ■ MCOB 11.6.24 R);

- (8) how the record keeping requirements in ■ MCOB 11.6.60 R are to be met;
- (9) (if applicable) the matters required by ■ MCOB 11.6.50 R (Interest-only policy); and
- (10) (if applicable) how the *firm* will apply the *rules* in ■ MCOB 11.7 (Transitional arrangements) so as to permit exceptions to its procedures for affordability assessments, to include arrangements for use of management information to monitor its application of those exceptions.

[Note: article 18(2) of the *MCD*]

11.6.21 **G** Examples of different income streams in ■ MCOB 11.6.20R (1)(b) are: income derived from sources other than employment; income from more than one job; and elements of income that are not contractually guaranteed.

11.6.21A **R** An *MCD mortgage lender* must keep a record of the valuation and types of immovable property accepted as a security, as well as the related mortgage underwriting policies used.

[Note: article 19(2) and second sentence of article 26(1) of the *MCD*]

11.6.21B **G** When considering the period for which the records kept under ■ MCOB 11.6.21A R are to be retained, *MCD mortgage lenders* are reminded of the high-level record-keeping provisions in *SYSC*.

Monitoring.....

11.6.22 **R** A *firm* must put in place, and be able to demonstrate that it has, robust systems and controls (including the use of management information and key performance indicators) to monitor the effectiveness of its affordability assessments, including in preventing payment difficulties.

11.6.23 **G** Except as provided in ■ MCOB 11.6.32R (2) and ■ MCOB 11.6.39R (2), the monitoring in ■ MCOB 11.6.22 R should:

- (1) include use of management information, key performance indicators and root cause analysis to review and (where appropriate) adjust and improve the *mortgage lender's* or *home purchase provider's* method of calculating the size of the advance for each *customer*, based on a consideration of the *customer's* income and expenditure; and
- (2) take place on a regular basis. However, a *firm* should put in place key performance indicators that trigger more frequent reviews; for example, if the incidence of *customers* being in *arrears*, or of early *arrears*, is higher than expected.

11.6.24 **R** A *firm* must ensure that its compliance with the responsible lending or financing policy required by ■ MCOB 11.6.20 R is reviewed at least once per calendar year:

- (1) in any case where the *firm* has an internal audit function or outsourced equivalent, by that function; and
- (2) in any other case, by the *firm's* internal compliance function or an outsourced equivalent.

Alternative provisions for loans which are solely for a business purpose

11.6.25 **R** Where a *regulated mortgage contract* is solely for a business purpose, a *firm* may opt to apply **■** MCOB 11.6.26 R to **■** MCOB 11.6.31 R in place of **■** MCOB 11.6.5 R to **■** MCOB 11.6.19 G.

11.6.26 **R** When assessing for the purposes of **■** MCOB 11.6.2 R whether a *customer* will be able to pay the sums due, a *firm*:

- (1) must not base its assessment of affordability on the equity in the property which is used as security under the *regulated mortgage contract*, or take account of an expected increase in property prices;
- (2) must:
 - (a) where the repayments will be made from the resources of the *customer*:
 - (i) take full account of the income, net of income tax and national insurance, or net assets (or both) of the *customer*; and the *customer's* committed expenditure; and
 - (ii) take account, in general terms as a minimum, of the basic essential expenditure and basic quality-of-living costs of the *customer's* household; and
 - (b) where the repayments will be made from the financial resources of the business, take full account of the strength of those resources;
- (3) in a case falling within (2)(b), if the *customer* is relying on the business for his personal income, must as a minimum consider in general terms whether the business can support the *customer's* basic essential expenditure and basic quality-of-living costs;
- (4) must assess affordability on the basis of both repayment of capital and payment of interest over the term, except where lending under an *interest-only mortgage* in accordance with **■** MCOB 11.6.41R (1); and
- (5) must take account of the impact of likely future interest rate increases on affordability.

11.6.27 **R** For the purposes of **■** MCOB 11.6.2 R, a *firm* must not rely on a general declaration of affordability by the *customer* or his representative.

11.6.28 **R** In taking account (in accordance with **■** MCOB 11.6.26R (2)) of the *customer's* income or net assets (or both) and the resources of the business for the purposes of its assessment of whether the *customer* will be able to pay the sums due:

- (1) a *firm* must obtain evidence of the income or net assets (or both) of the *customer* and the resources of the business, as declared by the *customer* for the purpose of the *customer's* application for the *regulated mortgage contract* (or variation); and
- (2) a *firm* must not accept self-certification of income by the *customer*, and the source of the evidence in (1) must be independent of the *customer*.

11.6.29 **R** In **■ MCOB 11.6.26 R**, for the purposes of taking full account of committed expenditure and taking account in general terms of basic essential expenditure and basic quality-of-living costs, the meaning of those phrases is as set out in **■ MCOB 11.6.10 R**.

11.6.30 **G** The information which a *firm* should consider when taking account, for the purposes of **■ MCOB 11.6.26R (2)(b)**, of the strength of the financial resources of the business will vary according to the characteristics of the business, but may include factors such as the cash flow, assets and liabilities of the business.

11.6.31 **R** If a *firm* is, or should reasonably be aware from information obtained during the application process, that there will, or are likely to, be future changes to the income and expenditure of the *customer*, or the resources of the business, during the term of the *regulated mortgage contract*, the *firm* must take them into account when assessing whether the *customer* will be able to pay the sums due for the purposes of **■ MCOB 11.6.2 R**.

11.6.32 **R** Where a *firm* chooses, in accordance with **■ MCOB 11.6.25 R**, to apply the provisions of **■ MCOB 11.6.26 R** to **■ MCOB 11.6.31 R** in place of **■ MCOB 11.6.5 R** to **■ MCOB 11.6.19 G**:

- (1) its policy in **■ MCOB 11.6.20R (1)** need not address each of the matters prescribed in sub-paragraphs (a) to (e) of that *rule*;
- (2) **■ MCOB 11.6.23 G** does not apply; and
- (3) in each case the record-keeping requirements in **■ MCOB 11.6.60R (2)(a)** to **■ (d)** apply only to the extent relevant, but the record in **■ MCOB 11.6.60R (1)** must also include, to the extent relevant:
 - (a) the *customer's* assets and the evidence relied on to assess them; and
 - (b) the details considered in relation to the resources of the business.

Alternative provisions for loans with high net worth mortgage customers

11.6.33 **R** Where a *regulated mortgage contract* is for a *high net worth mortgage customer*, a *firm* may opt to apply **■ MCOB 11.6.34 R** to **■ MCOB 11.6.38 R** in place of **■ MCOB 11.6.5 R** to **■ MCOB 11.6.19 G**.

- 11.6.34** **R** When assessing for the purposes of **■ MCOB 11.6.2 R** whether a *customer* will be able to pay the sums due, a *firm*:
- (1) must not base its assessment of affordability on the equity in the property which is used as security under the *regulated mortgage contract*, or take account of an expected increase in property prices;
- [Note: article 18(3) of the *MCD*]
- (2) must:
 - (a) take full account of the income, net of income tax and national insurance, or net assets (or both) of the *customer*; and the *customer's* committed expenditure; and
 - (b) take account, in general terms as a minimum, of the basic essential expenditure and basic quality-of-living costs of the *customer's* household;
- [Note: article 20(1) of the *MCD*]
- (3) must assess affordability on the basis of both repayment of capital and payment of interest over the term, except where lending under an *interest-only mortgage* in accordance with **■ MCOB 11.6.41R (1)**; and
 - (4) must take account of the impact of likely future interest rate increases on affordability.
- 11.6.35** **R** For the purposes of **■ MCOB 11.6.2 R**, a *firm* must not rely on a general declaration of affordability by the *customer* or his representative.
- 11.6.36** **R** In taking account of the *customer's* income or net assets (or both) (in accordance with **■ MCOB 11.6.34R (2)(a)**) for the purposes of its assessment of whether the *customer* will be able to pay the sums due:
- (1) a *firm* must obtain evidence of the income or net assets (or both) declared by the *customer* for the purpose of the *customer's* application for the *regulated mortgage contract* (or variation); and
 - (2) a *firm* must not accept self-certification of income by the *customer*, and the source of the evidence in (1) must be independent of the *customer*.
- 11.6.37** **R** In **■ MCOB 11.6.34 R**, for the purposes of taking full account of committed expenditure and taking account in general terms of basic essential expenditure and basic quality-of-living costs, the meaning of those phrases is as set out in **■ MCOB 11.6.10 R**.
- 11.6.38** **R** If a *firm* is, or should reasonably be, aware from information obtained during the application process, that there will, or are likely to, be future changes to the income and expenditure of the *customer* during the term of the *regulated mortgage contract*, the *firm* must take them into account when assessing whether the *customer* will be able to pay the sums due for the purposes of **■ MCOB 11.6.2 R**.

11.6.39 **R** Where a *firm* chooses, in accordance with ■ MCOB 11.6.33 R, to apply the provisions of ■ MCOB 11.6.34 R to ■ MCOB 11.6.38 R in place of ■ MCOB 11.6.5 R to ■ MCOB 11.6.19 G:

- (1) its policy in ■ MCOB 11.6.20R (1) need not address each of the matters prescribed in sub-paragraphs (a) to (e) of that *rule*;
- (2) ■ MCOB 11.6.23 G does not apply; and
- (3) in each case the record-keeping requirements in ■ MCOB 11.6.60R (2)(a) to ■ MCOB 11.6.60R (2)(d) apply only to the extent relevant, but the record in ■ MCOB 11.6.60R (1) must also include, to the extent relevant, the *customer's* assets and the evidence relied on to assess them.

Interest-only mortgages

11.6.40 **G** The rules in this part (■ MCOB 11.6.41 R to ■ MCOB 11.6.49 R) provide that *interest-only mortgages* may be entered into by *mortgage lenders* in limited circumstances.

11.6.40A **G** A *shared equity credit agreement* may be an *interest-only mortgage*.

Entering into interest-only mortgages

- 11.6.41** **R**
- (1) A *mortgage lender* may only enter into an *interest-only mortgage*, or switch a *repayment mortgage* onto an interest-only basis for all or part of its term, if:
 - (a) it has evidence that the *customer* will have in place a clearly understood and credible *repayment strategy*; and
 - (b) as far as it is reasonably able to assess at that time, the *repayment strategy* has the potential to repay the capital borrowed and any interest reasonably expected to be accrued under the *interest-only mortgage*.
 - (2) In ■ MCOB 11.6, a reference to an *interest-only mortgage* is to be read as including any *regulated mortgage contract* which includes an interest-only period or where part of the sum is advanced on an interest-only basis.
 - (3) A *mortgage lender* must not accept *speculative repayment strategies* for the purposes of (1).
 - (4) Paragraph (1) does not apply in respect of a variation to the terms of a *regulated mortgage contract* made in accordance with ■ MCOB 11.6.3R(3)(a).

11.6.42 **G** *Firms* are reminded that:

- (1) *interest-only mortgages* include those where some, but not all, interest is payable at the end of the term. Accordingly, the requirement in ■ MCOB 11.6.41R (1)(b) applies equally to such *interest-only mortgages* as it does to those where all of the interest is accrued until the end of the term; and

(2) a *lifetime mortgage* is a type of *interest-only mortgage*, as full repayment of capital and interest is not required over the term. Accordingly, the requirements in the *Handbook* (including in ■ MCOB 11.6 and ■ MCOB 11.7) which apply to *interest-only mortgages* apply to *lifetime mortgages*, unless specifically disapplied. Depending always on its terms, a *lifetime mortgage* may also be an *interest roll-up mortgage*, as noted in ■ MCOB 11.6.59 G.

11.6.43 **R** ■ MCOB 11.6.41R (1) does not prevent a *mortgage lender*, when appropriate, from making a temporary concession, by which he accepts payment of interest only, with a *customer* who is in *arrears* or has a *payment shortfall*, or is at risk of *arrears* or a *payment shortfall*, on a *regulated mortgage contract*.

11.6.44 **G** *Firms* are reminded that whether it is appropriate to take the action contemplated by ■ MCOB 11.6.43 R will depend on all the circumstances of the particular case and must be considered having regard to, among other things, *Principle 6* and the *rules* in ■ MCOB 13.

11.6.45 **G** The following are examples of *repayment strategies* that may, subject to the circumstances of the *customer*, be acceptable for the purposes of ■ MCOB 11.6.41R (1):

- (1) regular deposits into a savings or investment product;
- (2) the periodic repayment of capital from irregular sources of income (such as bonuses or some sources of income from self-employment);
- (3) the sale of assets such as another property or other land owned by the *customer*; and
- (4) for a *shared equity credit agreement* or a *retirement interest-only mortgage*, the sale of the property which is the subject of the agreement.

11.6.46 **E** Acceptance by a *mortgage lender* of any of the following *repayment strategies* for the purposes of ■ MCOB 11.6.41R (1) may be relied upon as tending to show contravention of that *rule*:

- (1) an expectation that the value of the property which is the subject of the *regulated mortgage contract* will increase over its term sufficiently to enable the *customer* to sell the property to repay the capital borrowed and, where applicable, pay the interest accrued under the *interest-only mortgage*;
- (2) an intention on the part of the *customer* to utilise an expected, but uncertain, inheritance to repay the capital borrowed and, where applicable, pay the interest accrued under the *interest-only mortgage*; and
- (3) the sale of the property which is the subject of the *regulated mortgage contract*, where that is the *customer's* main residence and the *mortgage lender* does not consider whether the property will have the potential to:

- (a) provide sufficient funds for the *customer* to repay the capital borrowed and, where applicable, the interest accrued under the *interest-only mortgage*; and
- (b) allow the *customer* to purchase a cheaper property to reside in or execute any other associated strategy.

The above list is not exhaustive.

11.6.46A **R** ■ MCOB 11.6.46E(3)(b) does not apply in relation to a *retirement interest-only mortgage*.

11.6.47 **G** In complying with ■ MCOB 11.6.41R (1), where a *customer's repayment strategy* is the sale of the property which is the subject of the *regulated mortgage contract*, a *mortgage lender* may wish to consider, as part of its assessment of that *repayment strategy*, factors such as the equity in the property when considered in relation to the level of property prices in the relevant area at the time of the consideration or, for a *lifetime mortgage*, the borrower's life expectancy.

Assessing affordability under an interest-only mortgage

11.6.48 **R** For the purposes of ■ MCOB 11.6.2 R, where a *mortgage lender* is lending under an *interest-only mortgage* in accordance with ■ MCOB 11.6.41R (1), it may assess affordability on the basis of payment of interest only over the term (plus repayment of such capital as may be due to be repaid over the term). If it does so, it must consider as part of the *customer's* committed expenditure under ■ MCOB 11.6.5R (2)(b)(i) (or the equivalent alternative provision for transactions with *high net worth mortgage customers* or solely for business purposes) the cost to the *customer* of the *repayment strategy* (unless the mortgage is a *retirement interest-only mortgage*).

Review during the term of interest-only mortgages

- 11.6.49** **R**
- (1) This *rule* applies in relation to all *interest-only mortgages* which a *mortgage lender* enters into on or after 26 April 2014 except:
 - (a) *lifetime mortgages*;
 - (aa) *retirement interest-only mortgages*;
 - (b) *bridging loans*; and
 - (c) any other case where the repayment of capital borrowed and, if applicable, interest accrued, is certain.
 - (2) Except as set out in (3), a *mortgage lender* must carry out a review (as a minimum, once) during the term of the mortgage, in which contact is made with the *customer*, to check that the *customer's repayment strategy* is still in place, and that it is still reasonable to expect that the *repayment strategy* has the potential to repay the capital borrowed and, where applicable, pay the interest reasonably expected to be accrued under the *interest-only mortgage*. The review must be carried out at a stage of the term when, if the *repayment strategy* is not in place, or not adequate, there is likely to be sufficient time prior to the end of the term for the *customer* to take appropriate steps to remedy the situation.

- (3) The review in (2) is not required in any case where, despite reasonable efforts to contact the *customer*, the *mortgage lender* has been unable to do so.
- (4) Following the review in (1), where appropriate the *mortgage lender* must take reasonable steps to discuss with the *customer* what may be done to address the situation.

Interest-only policy

11.6.50

R

A *mortgage lender* which enters into *interest-only mortgages* (unless they are only *lifetime mortgages*) must include in the policy which is required by ■ MCOB 11.6.20 R (Responsible lending and financing policy) a policy on *interest-only mortgages*, setting out its processes and procedures for ensuring compliance with ■ MCOB 11.6.41R (1) and for safeguarding the interests of *customers* during the term of *interest-only mortgages*. This policy must include:

- (1) details of the *mortgage lender's* plans for lending by way of *interest-only mortgages*, including its planned volumes of lending on that basis over a specified period, and provision for reviewing the actual volumes of lending on that basis, including the timing and method of review;
- (2) specification of the types of *repayment strategy* which will be considered acceptable, and the evidential requirements and other controls which will be applied to ensure that only such types will be accepted, including the controls to be applied where the *repayment strategy* is the sale of the property which is the subject of the *regulated mortgage contract*;
- (3) the procedures for checking the existence and adequacy of the *repayment strategy* in line with the policy, including questions to be asked of the *customer*;
- (4) the arrangements for monitoring and auditing compliance with the policy, processes and procedures (see ■ MCOB 11.6.22 R and ■ MCOB 11.6.24 R (Monitoring)); and
- (5) the process for the review required by ■ MCOB 11.6.49 R which, as a minimum:
 - (a) prescribes the timing of the review;
 - (b) prescribes the content of the review, including the questions to be asked of the *customer* and the actions to be taken if the *customer* proves difficult to contact or otherwise does not co-operate with the review;
 - (c) sets out how it is to be decided whether the *customer's repayment strategy* meets the criteria in ■ MCOB 11.6.49R (2); and
 - (d) sets out the actions which will be appropriate to be considered during the discussions in ■ MCOB 11.6.49R (2), depending on the circumstances of the *customer*.

11.6.51

G

- (1) The controls in ■ MCOB 11.6.50R (2) may include, where appropriate: maximum loan to value limits; minimum equity requirements;

regional factors such as property prices; or other eligibility requirements.

- (2) The policy and procedures for safeguarding the interests of a customer under an *interest-only mortgage* should not permit the mortgage lender to change the *interest-only mortgage* to a *repayment mortgage*, extend the term or otherwise change the features of the *interest-only mortgage* unless to do so is compatible with the duties of the mortgage lender under Principle 6 and any other applicable rules and regulations, including those relating to arrears or payment shortfall. A mortgage lender should also have regard to the CRA when drafting the provisions of regulated mortgage contracts in relation to changes to their features.

11.6.52 G ■ MCOB 11.6.50 R sets out requirements for mortgage lenders to have appropriate procedures for managing *interest-only mortgages* in order to safeguard the interests of customers. Firms are reminded of the rules and guidance in SYSC (notably ■ SYSC 7.1) relating to systems and controls for the management of risks to which firms themselves are exposed. Firms will need to consider whether their systems and controls are adequate in relation to the management of risks arising from *interest-only mortgages*.

Assessing the customer's repayment strategy for bridging loans

11.6.53 E For a *bridging loan* which is an *interest-only mortgage*, acceptance by a mortgage lender as a *repayment strategy* for the purposes of ■ MCOB 11.6.41R (1) of an expectation that, by entering into the *bridging loan*, the customer's credit status will be sufficiently improved to enable him to refinance to a longer-term *regulated mortgage contract* (except where the mortgage lender has evidence of a guaranteed offer for such a longer-term contract) may be relied upon as tending to show contravention of that rule.

11.6.54 G For a *bridging loan* which is an *interest-only mortgage*, in complying with ■ MCOB 11.6.41R (1):

- (1) where the customer's *repayment strategy* is the sale of his existing home, the mortgage lender may wish to consider asking for it to be supported by an independent valuation of that property, as a condition of accepting that *repayment strategy*; and
- (2) where the customer's *repayment strategy* is the replacement of the *bridging loan* with a mainstream *regulated mortgage contract*, the mortgage lender should not accept that *repayment strategy* unless it is reasonably satisfied that a mainstream mortgage lender will be willing to enter into a *regulated mortgage contract* with the customer. A firm may wish to consider requesting evidence of a guaranteed offer or agreement in principle that will be in place once the existing term of the *bridging loan* has expired, or obtain the necessary income and expenditure information, in order to be so satisfied.

Extending the term of a bridging loan

- 11.6.55** **R** Except in relation to a secured overdraft which is solely for a business purpose or is with a *high net worth mortgage customer*:
- (1) when considering extending the term of a *bridging loan*, a *mortgage lender* must comply with **MCOB 11.6.2 R** as if the *bridging loan* were a new loan;
 - (2) where **MCOB 11.6.2 R** does not apply in relation to extending the term of a *bridging loan* (because the *bridging loan* is an *interest roll-up mortgage*, and therefore **MCOB 11.6.57 R** applies), the *mortgage lender* must consider with the *customer*, before he commits himself to extend the term, the impact of the extension on the *customer's* remaining equity in the property which is the subject of the *bridging loan*; and
 - (3) a *firm* must not agree to extend the term of a *bridging loan* unless the *customer* has made a positive choice to do so.

- 11.6.56** **G** *Firms* are reminded that, when extending the term of a *bridging loan* to which **MCOB 11.6.55 R** does not apply, in accordance with **MCOB 2.5A.1 R**, they must act honestly, fairly and professionally in accordance with the best interests of their *customer*.

Interest roll-up mortgages

- 11.6.57** **R** The requirements in **MCOB 11.6.2 R** (and any *Handbook* provisions applicable only to that *rule*) do not apply in relation to an *interest roll-up mortgage*, or to the type of *lifetime mortgage* described in **MCOB 9.4.132AR**.

- 11.6.57A** **G** The type of *lifetime mortgage* described in **MCOB 9.4.132AR** is one under which the *customer* makes payments to start with, but which can be converted to an *interest roll-up mortgage* at any time of the *customer's* choosing.

- 11.6.58** **R** A *mortgage lender* may not enter into an *interest roll-up mortgage*, or vary an existing *regulated mortgage contract* so that it becomes an *interest roll-up mortgage*, unless it is:

- (1) a *lifetime mortgage*; or
- (2) a *bridging loan*; or
- (3) a loan to a *high net worth mortgage customer*; or
- (4) a loan solely for business purposes; or
- (5) a *shared equity credit agreement*.

- 11.6.59** **G** *Firms* are reminded that an *interest roll-up mortgage* is a type of *interest-only mortgage*, where no payments of interest or capital are required or anticipated until the mortgage comes to an end. Depending always on their terms, it is possible to structure the types of product set out in

■ MCOB 11.6.58R (1) to ■ (4) as an *interest roll-up mortgage*. Where that is the case, ■ MCOB 11.6.2 R will not apply in relation to them, but ■ MCOB 11.6.40 G to ■ MCOB 11.6.52 G will apply to all *interest roll-up mortgages*, to the extent they are permitted by ■ MCOB 11.6.58 R.

11.6.59A **G** A *shared equity credit agreement* may be an *interest roll-up mortgage*.

Record-keeping

- 11.6.60** **R**
- (1) A *firm* must make, in paper or electronic form, an adequate record of the steps it takes to comply with the *rules* in this chapter in relation to each *customer*.
 - (2) The record in (1) must include the information taken into account in each affordability assessment, so that it is possible to understand from the record the basis of the *mortgage lender's* or *home purchase provider's* lending or financing decision, including (except as provided in ■ MCOB 11.6.32R (3) and ■ MCOB 11.6.39R (3)):
 - (a) the *customer's* income, including, where relevant, a breakdown of the different income types;
 - (b) the *customer's* committed expenditure;
 - (c) the basic essential expenditure and basic quality-of-living costs of the *customer's* household (whether actual expenditure for that household or assumed expenditure from statistical or other modelled data, including information to show why the assumed data is appropriate to that *customer's* household);
 - (d) the evidence relied on to assess income and expenditure;
 - (e) the rate or assumptions used to test affordability against likely future interest rate rises;
 - (f) the repayment type and term of the *regulated mortgage contract*, or the term of the *home purchase plan*; and
 - (g) the calculation used to determine whether the *regulated mortgage contract*, *home purchase plan* is (or, where applicable, following the variation, remains) affordable for the *customer*.
 - (3) In relation to *interest-only mortgages*, the record in (1) must include:
 - (a) the reasons for each decision to offer an *interest-only mortgage* to a *customer*;
 - (b) the evidence of the *customer's* *repayment strategy* and, where applicable, its cost;
 - (c) details of the *firm's* attempts to contact the *customer* where required by ■ MCOB 11.6.49 R; and
 - (d) the outcome of each review required by ■ MCOB 11.6.49 R (whether conducted once during the term of the *interest-only mortgage* or more frequently).
 - (4) In relation to the extension of the term of a *bridging loan* which falls within ■ MCOB 11.6.55 R, the record in (1) must include:
 - (a) the *customer's* positive choice to extend the term;
 - (b) the reasons for the decision to extend the term; and

- (c) the evidence of the *customer's repayment strategy* and its cost.
- (5) A firm must retain the records required by (1) to (4) for the term of the *regulated mortgage contract* or *home purchase plan*.
- (6) Where a firm enters into or varies a *regulated mortgage contract* or *home purchase plan* under ■ MCOB 11.7 (Transitional arrangements), it must keep, for the term of the contract or plan, a record of:
 - (a) the outstanding balance on the existing contract or plan;
 - (b) the cost of the repairs or maintenance work to the property, where relevant;
 - (c) any product fee or arrangement fee financed by any additional borrowing taken on under the contract or increase in the amount of finance provided under the plan; and
 - (d) the rationale for each decision made to enter into or vary a *regulated mortgage contract* or *home purchase plan* under ■ MCOB 11.7 (Transitional arrangements), including why the firm considered it to be in the *customer's* best interests.
- (7) A firm must make, and keep up to date, an adequate record of the policy required by ■ MCOB 11.6.20 R. When the policy is changed, a record of the previous policy must be retained for so long as any *regulated mortgage contract* or *home purchase plan* to which it was applicable remains outstanding.

[Note: article 18(2) of the *MCD*]

11.6.61

G

For the purposes of ■ MCOB 11.6.60R (2)(c) and ■ (g), if it is not practicable for the *firm* to record on the *customer's* file full details of the calculation method applied, it should record clearly which version of that method was applied in order that the file can be reviewed in conjunction with the applicable version of the method, so that it is possible to reconstruct the lending decision.

11.7 Transitional arrangements

11.7.1 **R** When considering *entering into a first charge regulated mortgage contract* or varying a *first charge regulated mortgage contract* or *home purchase plan*, a *firm* need not apply the rules in ■ MCOB 11.6.2 R to ■ MCOB 11.6.18 R inclusive (as modified by ■ MCOB 11.6.25 R to ■ MCOB 11.6.31 R and ■ MCOB 11.6.33 R to ■ MCOB 11.6.38 R, where applicable) if it has established, acting reasonably, that the following conditions are satisfied:

- (1) the *customer* has:
 - (a) an existing *first charge regulated mortgage contract* (whether or not entered into on or after 31 October 2004) with the *firm* or *home purchase plan* (whether or not entered into on or after 6 April 2007) which was in existence prior to 26 April 2014; or
 - (b) an existing *first charge regulated mortgage contract* with the *firm* or *home purchase plan* which was entered into in reliance on, and in compliance with, ■ MCOB 11.7;
- (2) subject to ■ MCOB 11.7.2 R, the proposed *regulated mortgage contract* or *home purchase plan*, or variation, would not involve the *customer* taking on additional borrowing (or, for a *home purchase plan*, increasing the amount of finance provided under the plan) beyond the amount currently outstanding under the existing *regulated mortgage contract* or *home purchase plan*, other than to finance any product fee or arrangement fee for the proposed new or varied contract;
- (3) the proposed transaction would be in the *customer's* best interests; and
- (4) the *customer* has not, after 26 April 2014 increased the size of the advance under the existing *regulated mortgage contract* or *home purchase plan* other than to finance any relevant product fee or arrangement fee in relation to, or the cost of essential repairs or maintenance to the property which is the subject of, that *regulated mortgage contract* or *home purchase plan*.

11.7.2 **R** The condition in ■ MCOB 11.7.1R (2) does not apply if each of the following conditions is satisfied:

- (1) the *firm* is the *mortgage lender* or *home purchase provider* under the existing *regulated mortgage contract* or *home purchase plan* in ■ MCOB 11.7.1R (1);

- (2) the value of the property which is the subject of the *regulated mortgage contract* or *home purchase plan* is at risk if repairs or maintenance work to the property are not carried out;
- (3) the funds generated by the additional borrowing or increase in finance provided are to be used to carry out the repairs or maintenance work; and
- (4) the *firm* has obtained credible evidence which demonstrates that the additional borrowing or increase in finance are no more than the cost of the repairs or maintenance work.
- (5) the proposed transaction is:
 - (a) the variation of an existing non-MCD *first charge regulated mortgage contract*,
 - (b) the entry into a non-MCD *first charge regulated mortgage contract*, or
 - (c) a *home purchase plan* or variation of a *home purchase plan*.

11.7.3

R

- (1) When considering *entering into a first charge regulated mortgage contract* which is an *interest-only mortgage* or *varying a first charge regulated mortgage contract* which is an *interest-only mortgage*, a *mortgage lender* need not apply the rules in ■ MCOB 11.6.41R (1), ■ MCOB 11.6.49 R, ■ MCOB 11.6.50 R and ■ MCOB 11.6.60R (3) if the conditions in ■ MCOB 11.7.1 R) are satisfied, and if it has established, acting reasonably, that the existing *regulated mortgage contract* in ■ MCOB 11.7.1R (1) is an *interest-only mortgage*.
- (2) Where only part of the sum advanced under the existing *regulated mortgage contract* is on an interest-only basis, (1) applies, but only to that part.

11.7.4

G

In accordance with its obligation under *Principle 6* to treat its *customers* fairly, a *firm* should not treat a *customer* with whom it *enters into* or *varies a regulated mortgage contract* or *home purchase plan* pursuant to this section 11.7 less favourably than it would treat other *customers* with similar characteristics, for example by offering less favourable interest rates or other terms.

11.7.5

G

Firms should note the record-keeping requirements at ■ MCOB 11.6.60R (6) which apply when *regulated mortgage contracts* and *home purchase plans* are *entered into* or *varied* under this section.

11.7.6

R

Where a *firm* has elected to apply any of *MCOB TPs* 22, 24, 26, 28, 30, 32, 34, 36, 38 or 40 in ■ MCOB TP 1.1, any *first charge regulated mortgage contract* they propose to enter into between 21 September 2015 and 21 March 2016 is not to be regarded as an *MCD regulated mortgage contract* for the purposes of this chapter.

11.8 Customers unable to change regulated mortgage contract, home purchase plan or provider

11.8.1

E

Where a *customer* is unable to:

- (1) enter into a new *regulated mortgage contract* or home purchase plan or vary the terms of an existing *regulated mortgage contract* or *home purchase plan* with the existing *mortgage lender* or *home purchase provider*; or
- (2) enter into a new *regulated mortgage contract* or *home purchase plan* with a new *mortgage lender* or *home purchase provider*;

the existing *mortgage lender* or *home purchase provider* should not (for example, by offering less favourable interest rates or other terms) take advantage of the *customer's* situation or treat the *customer* any less favourably than it would treat other *customers* with similar characteristics. To do so may be relied on as tending to show contravention of *Principle 6* (Customers' interests).

11.9 Remortgaging with the same or a different lender with no additional borrowing

Application and purpose

11.9.1

R

(1) Subject to (2), this section applies to a *firm* in relation to a *customer* who:

- (a) is a borrower under a *regulated mortgage contract* ("the existing *regulated mortgage contract*"), whether with that *firm* or a different *firm*; and
- (b) wishes to enter into a new *regulated mortgage contract* ("the proposed *regulated mortgage contract*") with that *firm* to replace the existing *regulated mortgage contract*.

(2) But this section only applies if:

- (a) the proposed *regulated mortgage contract* would not involve the *customer* borrowing:
 - (i) a capital amount greater than that outstanding under the existing *regulated mortgage contract* at the date of the *customer's* application for the proposed *regulated mortgage contract*; or
 - (ii) where a purpose of the proposed *regulated mortgage contract* is to replace two or more existing *regulated mortgage contracts*, a capital amount greater than the cumulative capital amount outstanding under those contracts at that date;

disregarding any increase that is exclusively for the purpose of financing a product fee or arrangement fee for the proposed *regulated mortgage contract* or a fee charged by a *mortgage intermediary* for *arranging* or *advising on regulated mortgage contracts* in relation to the proposed *regulated mortgage contract*;

- (b) the proposed *regulated mortgage contract* is to be secured on the same property as the existing *regulated mortgage contract*;
- (c) on the date on which the *customer* applies for the proposed *regulated mortgage contract*:
 - (i) there is no sum that has become due under the terms of the existing *regulated mortgage contract* that constitutes a *payment shortfall*; and
 - (ii) at no point in the period of 12 *months* ending on that date has there been a sum that has become due under the terms

of the existing *regulated mortgage contract* that constituted a *payment shortfall*;

- (d) the written policy required by ■ MCOB 11.6.20R (responsible lending policy) addresses how the *firm* will apply the *rules* in this section; and
- (e) the *firm* has and operates an internal switching policy (see ■ MCOB 11.9.12R).

(3) For the purposes of this section, *linked borrowing* which is linked to an existing *regulated mortgage contract* is to be treated as if it were an existing *regulated mortgage contract*.

11.9.2 **R** ■ MCOB 11.9.14R (notice to customers) also applies to a *firm* that has *permission* for *administering a regulated mortgage contract*.

11.9.3 **G**

- (1) The purpose of this section is to facilitate borrowers switching mortgages, provided that they are not taking out additional borrowing. But the mortgage does not have to be exactly like-for-like and the borrower can, for example:
 - (a) extend the term of the mortgage, for example to replace a mortgage with 10 years remaining with a new mortgage with a 25-year term;
 - (b) consolidate a *first charge regulated mortgage contract* and one or more *second charge regulated mortgage contracts* into the proposed *regulated mortgage contract* (but unsecured loans and other debts cannot be consolidated, unless the unsecured loan or debt is *linked borrowing* which is linked to an existing *regulated mortgage contract*);
 - (c) move from an *interest-only mortgage* to a *repayment mortgage* (provided it is more affordable); or
 - (d) take a mortgage with a different type of interest rate, for example to move from a variable rate to a fixed rate.
- (2) This section permits *firms* to choose to modify certain provisions when assessing a *customer's* ability to afford a mortgage. The provisions capable of modification are grouped (such as the provisions linked to the assessment of income and expenditure). *Firms* can choose whether to adopt all, some, or none of the modifications in this section, on a case-by-case basis (though they cannot modify some provisions in a group and not others). However, we would expect *firms* to have regard to *Principle 6* ("A *firm* must pay due regard to the interests of its *customers* and treat them fairly") and not unfairly apply *rules* in one case but not another where the *customers'* circumstances are otherwise the same.
- (3) But the *firm* must have an internal switching policy in place and operate in accordance with it, if it wishes to rely on the *rules* in this section. This means that, if the *firm* has allowed a *customer* to remortgage to it, it will allow the *customer* the benefit of the *rules* in this section again, or rely on ■ MCOB 11.6.3R or ■ MCOB 11.7 (if relevant), if the *customer* wants to switch again to a more affordable product with the *firm* (see ■ MCOB 11.9.12R). In addition, the *firm's*

responsible lending policy (see ■ MCOB 11.6.20R) must set out how the *firm* will apply the *rules* in this section.

- (4) Where a *customer* has a *payment shortfall* and has entered into a repayment arrangement with their current *mortgage lender*, the *customer* should be treated as having a *payment shortfall* until such time as the shortfall is repaid. This would be the case even though the *customer* may have started to have a *payment shortfall* more than 12 *months* before the date on which they apply for the proposed *regulated mortgage contract* but they are (and have been) up to date with payments under the repayment arrangement. Where a *payment shortfall* has been capitalised in accordance with ■ MCOB 13, the *firm* may treat the *customer* as eligible provided that the capitalisation occurred more than 12 *months* before the date on which the *customer* applies for the proposed *regulated mortgage contract* and the *customer* has made all the payments due under the mortgage contract during those 12 *months* on time.

The assessment of affordability

11.9.4

R

- (1) A *firm* may elect that the modifications to the *rules* in MCOB specified in (2) are to apply in relation to the proposed *regulated mortgage contract*. The *firm* may not elect that only some of those modifications apply in relation to the proposed *regulated mortgage contract* but not others.
- (2) (a) ■ MCOB 11.6.2R does not apply, but ■ 11.9.5R applies in its place.
 (b) ■ MCOB 11.6.3R and ■ 11.6.4E do not apply.
 (c) ■ MCOB 11.6.5R and ■ 11.6.6R do not apply.

11.9.5

R

- (1) The *firm* must not enter into the proposed *regulated mortgage contract* unless that contract is more affordable for the *customer* (and any guarantor) than the existing *regulated mortgage contract*.
- (2) The proposed *regulated mortgage contract* is more affordable than the existing *regulated mortgage contract* if:
- (a) the aggregate amount of:
- (i) the monthly payments due from the *customer* under that contract in respect of any discounted or introductory period, or (where there is no discounted or introductory period) in respect of the term of the proposed *regulated mortgage contract*; and
 - (ii) any product fee or arrangement fee due from the *customer* in relation to that contract, and any fee charged by a *mortgage intermediary* for *arranging* or *advising on regulated mortgage contracts* in relation to that contract, which the *customer* intends to pay without including it in the amount being lent under the proposed *regulated mortgage contract*;

is less than the aggregate amount due from the *customer* under the existing *regulated mortgage contract* (or all the existing *regulated mortgage contracts*, if more than one) in respect of the proposed *regulated mortgage contract's* discounted or

introductory period or (where there is no discounted or introductory period) in respect of the term of each existing *regulated mortgage contract*;

- (2) the monthly payment that was due from the *customer* under the existing *regulated mortgage contract* (or the aggregate of the monthly payments due under all the existing *regulated mortgage contracts*, if more than one) in each of the 12 *months* before the date on which the customer applies for the proposed *regulated mortgage contract*, ignoring any atypical payments, was greater than:
 - (b) the typical monthly payment which would be due from the *customer* under the proposed *regulated mortgage contract* in any discounted or introductory period; or
 - (b) (where there is no discounted or introductory period) the typical monthly payment which is expected to be due for the term of the proposed *regulated mortgage contract*; and
- (2) the interest rate applicable under the proposed *regulated mortgage contract*:
 - (c) in respect of any discounted or introductory period; or
 - (c) (where there is no discounted or introductory period) that which is expected to apply during the term of the contract;is lower than the interest rate currently applicable under the existing *regulated mortgage contract* (or each existing *regulated mortgage contract*, if more than one).

11.9.6

G

- (1) ■ MCOB 11.6.7G does not apply in relation to a *regulated mortgage contract* entered into under *rules* disappplied by virtue of ■ MCOB 11.9.4R.
- (2) ■ MCOB 11.9.5R(2) determines whether one *regulated mortgage contract* is more affordable than another. The references in that *rule*:
 - (a) to a discounted or introductory period include, for example, any fixed rate period after which a different interest rate applies, and any period in respect of which interest is deferred. Where interest is due in respect of a discounted or introductory period but is deferred, it is the gross rate payable that should be considered for the purposes of the conditions in ■ MCOB 11.9.5R(2), as if interest were not deferred;
 - (b) to a typical monthly payment should be taken to ignore any payment in respect of a period greater or less than a *month* (for example, where a first payment is larger, or smaller, than that which would normally be due because it relates to a period greater or less than a *month*);
 - (c) to aggregate amounts due under the existing *regulated mortgage contract* should be taken to be on the assumption that that contract would not be redeemed early and would not incur an *early repayment charge*; and
 - (d) to future payments or interest rates should be taken to be on the assumption that there is no variation to the reference rate in question, unless the *regulated mortgage contract* expressly provides for a variation (for example, when considering a lifetime

Bank of England base rate tracker, it should be assumed that the Bank of England base rate will remain unchanged).

Assessment of income and expenditure

11.9.7

R

- (1) A *firm* may elect that the modifications to the *rules* in *MCOB* specified in (2) are to apply in relation to the proposed *regulated mortgage contract*. The *firm* may not elect that only some of those modifications apply in relation to the proposed *regulated mortgage contract* but not others.
- (2)
 - (a) ■ [MCOB 11.6.8R](#), ■ [11.6.10R](#) and ■ [11.6.12R](#) (income and expenditure) do not apply.
 - (b) ■ [MCOB 11.6.14R](#) (future changes to income and expenditure) does not apply, but if the term of the proposed *regulated mortgage contract* extends beyond the date on which the *customer* (or, where there are joint borrowers, one of them) expects to retire or, where that date is not known, the date on which the *customer* will reach the state pension age, the *firm* must consider whether the *customer's* income beyond that date would be sufficient to enable them to meet their commitments under the contract.
 - (c) ■ [MCOB 11.6.18R](#) (considering the effect of future interest rate rises) does not apply.

11.9.8

G

- (1) ■ [MCOB 11.9.7R](#) modifies the affordability assessment required by ■ [MCOB 11.6](#), in line with the modification to ■ [MCOB 11.6.2R](#) made by ■ [MCOB 11.9.4R](#). This is on the basis that a *customer* who has evidenced an ability to afford a mortgage at a higher monthly payment than that which would be charged under the proposed *regulated mortgage contract* may be treated as likely to be able to afford the proposed *regulated mortgage contract*.
- (2) ■ [MCOB 11.6.9G](#), ■ [11.6.11G](#), ■ [11.6.13G](#) and ■ [11.6.15G](#) do not apply in relation to a *regulated mortgage contract* entered into under *rules* which are disapplied by virtue of ■ [MCOB 11.9.7R](#).
- (3) If the term of the proposed *regulated mortgage contract* extends beyond the date on which the *customer* (or, where there are joint borrowers, one of them) expects to retire or, where that date is not known, will reach the state pension age, the *firm* should take a prudent and proportionate approach to considering whether the *customer's* income beyond that date would be sufficient to enable them to meet their commitments under the contract. The degree of scrutiny to be adopted may vary according to the period of time remaining to retirement when the assessment is made. The closer the *customer* is to retiring, the more robust the evidence of the level of income in retirement should be. For example, where retirement is many years in the future, it may be sufficient merely to confirm the existence of some pension provision for the *customer* by requesting evidence such as a pension statement; where the *customer* is close to retirement, the more robust steps may involve considering expected pension income from a pension statement.

- (4) This section does not prevent a *firm* from undertaking an investigation of the *customer's* financial circumstances before offering to enter into a *regulated mortgage contract* with the *customer*. Where a *firm* does so, it may take into account that the *customer* is not in *payment shortfall* and that the proposed *regulated mortgage contract* is more affordable than the existing *regulated mortgage contract* when determining the nature and degree of that investigation. In particular, the *firm* may also wish to consider whether it is necessary to require the same information from the *customer* as it would from a customer who does not currently have a *regulated mortgage contract*.
- (5) If the *firm* is considering the effect of future interest rate rises on the prospect of the *customer* meeting their obligations under the proposed *regulated mortgage contract*, the *firm* may wish to have regard to the extent to which the interest rate applicable to the existing *regulated mortgage contract* is higher than that applicable to the proposed *regulated mortgage contract*. The *firm* may also wish to have regard to the fact that the *customer* is not in *payment shortfall* in relation to the existing *regulated mortgage contract*.

Interest-only mortgages

11.9.9

R

- (1) A *firm* may elect that all of ■ 11.6.41R, ■ 11.6.43R, ■ 11.6.46E, ■ 11.6.46AR, ■ 11.6.48R and ■ 11.6.50R do not apply in relation to the proposed *regulated mortgage contract*.
- (2) But a *firm* may not make an election under (1) if:
 - (a) the existing *regulated mortgage contract* is a *repayment mortgage* and the proposed *regulated mortgage contract* is an *interest-only mortgage*; or
 - (b) under the terms of the proposed *regulated mortgage contract*, the capital amount that will be outstanding at the end of that contract may be higher than that which would be outstanding at the end of the existing *regulated mortgage contract* (or the aggregate of that which would be outstanding at the end of each existing *regulated mortgage contract*, if more than one).

11.9.10

G

- (1) ■ MCOB 11.6.40G, ■ 11.6.40AG, ■ 11.6.42G, ■ 11.6.44G, ■ 11.6.45G, ■ 11.6.47G, ■ 11.6.51G and ■ 11.6.52G do not apply in relation to a *regulated mortgage contract* entered into under *rules* which are disapplied by virtue of ■ MCOB 11.9.9R.
- (2) ■ MCOB 11.6.49R (review during the term of interest-only mortgages) applies to an *interest-only mortgage* entered into by a *firm* which has made an election under ■ MCOB 11.9.9R(1).

Explanation of affordability assessment, and accompanying warning

11.9.11

R

- (1) This *rule* applies if a *firm* makes an election under any of the following *rules*:
 - (a) ■ MCOB 11.9.4R (assessment of affordability);
 - (b) ■ MCOB 11.9.7R (assessment of income and expenditure);

- (c) ■ MCOB 11.9.9R (interest-only mortgages).
- (2) The *firm* must provide the *customer* with an explanation which indicates:
 - (a) what steps the *firm* has taken to ascertain that the proposed *regulated mortgage contract* is more affordable than the existing *regulated mortgage contract*; and
 - (b) how the steps it has taken differ from the steps it would have taken under ■ MCOB 11.6 if the *firm* had not applied *rules* in this section.
- (3) The *firm* must accompany the explanation with a warning (as relevant to the individual case) that:
 - (a) interest rates may increase and the *customer* could end up paying a higher interest rate than they are currently paying under the existing *regulated mortgage contract*, even though the *firm* has assessed that the proposed *regulated mortgage contract* is currently more affordable;
 - (b) the *firm's* assessment that the proposed *regulated mortgage contract* is currently more affordable has not taken into account any *early repayment charges* that the *customer* may incur in relation to repaying their existing *regulated mortgage contract*; and
 - (c) where the term of the proposed *regulated mortgage contract* is to end later than the term of the existing *regulated mortgage contract*, the *customer* may end up paying more in interest overall as a result of entering into the proposed *regulated mortgage contract*.
- (4) The *firm* must provide the explanation and the warning:
 - (a) in a *durable medium*; and
 - (b) no later than the *firm* provides the *customer* with an *offer document*.
- (5) The *firm* need not provide an explanation or a warning under this *rule* if a *mortgage intermediary* has already provided the explanation and the warning to the *customer* in relation to the proposed *regulated mortgage contract*.

Internal switching policy

11.9.12

R

- (1) An internal switching policy is a policy which:
 - (a) is made or approved by the *governing body* of the *firm*; and
 - (b) commits or obliges the *firm*:
 - (i) to permit an eligible *customer* to enter into a more affordable *regulated mortgage contract* (see ■ MCOB 11.9.5R(2)); and
 - (ii) to apply such of the *rules* in this section as may be necessary to enable that *customer* to enter into that contract (though the *firm* may apply other *rules* in addition if it wishes), or to rely on ■ MCOB 11.6.3R or ■ MCOB 11.7 (if relevant) to enable that *customer* to enter into that contract.

- (2) For the purposes of an internal switching policy, a *customer* must be eligible if:
 - (a) the *firm* has entered into the existing *regulated mortgage contract* as the lender;
 - (b) the *firm* chose to apply one or more of the *rules* in this section in relation to the existing *regulated mortgage contract*;
 - (c) the *customer* wishes to enter into a more affordable *regulated mortgage contract* with the *firm* (see ■ MCOB 11.9.5R(2)); and
 - (d) the *customer* meets the conditions in ■ MCOB 11.9.1R(2)(c)(i) and (ii).

11.9.13 **E** If a *firm* has an internal switching policy but does not, without good reason:

- (1) permit an eligible *customer* to enter into a more affordable *regulated mortgage contract*; or
- (2) apply ■ MCOB 11.6.3R or ■ MCOB 11.7 (if relevant) or such of the *rules* in this section as may be necessary to enable that *customer* to enter into the more affordable *regulated mortgage contract*;

this may be relied on as tending to show contravention of *Principle 6*.

Notice to customers

- 11.9.14 **R**
- (1) For the purpose of this *rule*, a *customer* is a notifiable *customer* if, when the *firm* makes the determination required by this *rule*:
 - (a) the *customer* meets the conditions in ■ MCOB 11.9.1R(2)(c)(i) and ■ (ii), and there is no fee or charge which has become payable under the *regulated mortgage contract* and remains unpaid beyond the date on which it was due to be paid;
 - (b) the *customer's regulated mortgage contract* is:
 - (i) not a *lifetime mortgage*; and
 - (ii) for residential purposes, and the *customer* does not have the lender's consent to let the property; and
 - (c) the *regulated mortgage contract* had a discounted or introductory period which has expired (such that the interest rate payable by the *customer* under that contract is a reversion or standard variable rate).
 - (2) A *firm* with *permission* for administering a *regulated mortgage contract* must have, and operate in accordance with, a strategy for:
 - (a) determining whether each of the *customers* in relation to whom the *firm* is carrying on that activity for an unregulated owner is a notifiable *customer*; and
 - (b) giving the notice required by this *rule* at least once to each such notifiable *customer*.
 - (3) For the purposes of (2), an unregulated owner is a person who does not have *permission* for entering into a *regulated mortgage contract* and:

- (a) who entered into the *regulated mortgage contract* as lender; or
 - (b) to whom the rights of the lender under *regulated mortgage contract* have passed by legal or equitable assignment, or by operation of law.
- (4) A *firm* which has *permission* for entering into a *regulated mortgage contract* but is no longer carrying on that activity in relation to a particular portfolio or book of *regulated mortgage contracts* must have, and operate in accordance with, a strategy for:
- (a) determining whether each of the *customers* in that portfolio or book is a *notifiable customer*; and
 - (b) giving the notice required by this *rule* at least once to each such *notifiable customer*.
- (5) The notice must:
- (a) include a statement to the effect that it has recently become simpler for a *customer* to enter into a more affordable mortgage with another lender if the *customer* is not looking to borrow any more than they currently owe under their mortgage and has kept up to date with their mortgage payments over the last 12 *months*; and
 - (b) refer the *customer* to sources of information about how to switch their mortgage to a lender who applies the *rules* in this section.
- (6) A notice under this *rule* must be in a *durable medium*.
- (7) A *firm* is not required to give a notice under this *rule* to a *customer* in relation to a *regulated mortgage contract* if another *person* has given such a notice to the *customer* in relation to that contract.

11.9.15

R

- (1) The *governing body* of the *firm* must adopt or approve the strategy required by ■ MCOB 11.9.14R no later than 1 May 2020.
- (2) The *firm* must make the determination and give the notice required by ■ MCOB 11.9.14R no later than 15 January 2021.

11.9.16

G

In developing and implementing their strategy for notifying relevant borrowers of the possibility of switching lender under this section, *firms* should have regard both to the purpose of this section and to the likely timescales for lenders to be ready to offer mortgages to borrowers in reliance on the *rules* in this section. For example, they should neither notify borrowers before there are lenders ready to make use of the *rules* in this section, nor delay sending notices until shortly before 15 January 2021 (as to do so might leave borrowers paying for a less affordable mortgage for longer than is necessary).
