Mortgages and Home Finance: Conduct of Business Sourcebook

Chapter 5A

MCD Pre-application disclosure

5A.1 Application and purpose

- 5A.1.1 This chapter applies to a firm that is an MCD mortgage lender or MCD mortgage credit intermediary.
- G 5A.1.2 (1) ■ MCOB 5A amplifies Principle 6 and Principle 7.
 - (2) The purpose of MCOB 5A is to ensure that, before a consumer submits an application for a particular MCD regulated mortgage contract, they are supplied with information that makes clear:
 - (a) its features, any linked deposits, any linked borrowing and any tied products; and
 - (b) the price that the *consumer* will be required to pay under that contract, to enable the consumer to make a well-informed purchasing decision.
 - (3) MCOB 5A requires information to be disclosed in a consistent way to facilitate comparison between products of different providers.

5A.2 Applying for an MCD regulated mortgage contract

- An MCD mortgage lender must not enter into an MCD regulated mortgage contract, or agree to do so, with a consumer unless the consumer has submitted an application for that particular MCD regulated mortgage contract.
- (1) The purpose of ■MCOB 5A.2.1 R, along with other *rules* in this chapter, is to ensure that the *consumer* has received details of the particular *MCD regulated mortgage contract* for which they have applied, and has had the opportunity to satisfy themselves that it is appropriate for them.
 - (2) The application should identify the type of interest rate, rate of interest and the *MCD mortgage lender* at the point it is submitted by the *consumer*.

■ Release 36 • May 2024

5A.3 Information on MCD regulated mortgage contracts: general

- 5A.3.1 A firm that is an MCD mortgage credit intermediary must take reasonable steps to ensure that an ESIS which it issues, or which is issued on its behalf, other than that provided by an MCD mortgage lender is accurate.
- 5A.3.2 R It is the responsibility of the *firm* to ensure compliance with ■ MCOB 5A.3.1 R. However, where a firm can show that it was reasonable for it to rely on information provided by another person, other than the MCD mortgage lender, that an ESIS was accurate, it may be able to rely on ■ MCOB 2.5.2 R, if this turns out not to be the case.

ESISs where consumer is ineligible

- 5A.3.3 A firm must not issue an ESIS to a consumer for an MCD regulated mortgage contract for which the consumer is clearly ineligible on the basis of the information that the firm has obtained from the consumer or the MCD mortgage lender's lending criteria.
- 5A.3.4 G The purpose of ■ MCOB 5A.3.3 R is not to require a *firm* to ascertain whether a consumer is eligible for a particular MCD regulated mortgage contract before providing an ESIS. Instead, the purpose is to ensure that the firm takes into account the information it has obtained from the consumer before providing an ESIS to the consumer.

Explaining the importance of an ESIS

- 5A.3.5 R In providing an ESIS to a consumer, a firm must explain to the consumer the importance of reading the ESIS and understanding it.
- 5A.3.6 A firm may satisfy MCOB 5A.3.5 R by drawing the consumer's attention orally to the importance of reading and understanding the ESIS. For example, in a face-to-face meeting, or by referring to its importance in a covering letter or electronic communication, or other written information that accompanies the ESIS.

Form of an ESIS

MCOB 5A : MCD Pre-application

R 5A.3.7

Any ESIS provided to a consumer by a firm must be in a durable medium.

.....

[Note: article 14(2) of the MCD]

Provision of information

5A.3.8 G When providing information on an MCD regulated mortgage contract, a firm should bear in mind that the information must be given in accordance with ■ MCOB 2.5A.1 R (The customer's best interests).

G 5A.3.9

disclosure

■ MCOB 5A places no restrictions on the provision of information that is not specific to the amount the consumer wants to borrow. For example, marketing literature, including generic mortgage repayment tables or graphs illustrating the benefits of making a regular overpayment on a flexible mortgage. However, such literature may constitute a financial promotion and be subject to ■ MCOB 3A (Financial promotions and communications with customers).

Messages to be given with information on MCD regulated mortgage contracts -----

5A.3.10 R

- (1) Whenever a firm provides a consumer with information specific to the amount that the consumer wants to borrow on a particular MCD regulated mortgage contract, following an assessment of the consumer's needs and circumstances to comply with ■ MCOB 4.7A.2 R, it must give, clearly and prominently, the following information:
 - (a) the same information on the firm's product range as is required by ■ MCOB 4.4A.1 R, ■ MCOB 4.4A.2 R and ■ MCOB 4.4A.4R (1) (which require firms to provide information about limitations on the range of products they offer); and
 - (b) that the consumer has the right to request an ESIS for any MCD regulated mortgage contract which the firm is able to offer the consumer.
- (2) A firm need not give the information in (1) if it has previously given that information in compliance with this rule within the last ten business days.

5A.3.11 G

To demonstrate compliance with ■ MCOB 5A.3.10R (1), a firm may wish to consider, for example, doing one or more of the following actions:

- (1) giving the messages to the consumer in a durable medium;
- (2) building the requirements into the firm's training of staff, as evidenced by its training and compliance manuals;
- (3) insert appropriate prompts into paper-based or automated sales systems;
- (4) having procedures to monitor compliance by its staff with that *rule*.

What is required in each case will depend on all the circumstances.

R

Messages to be given when consumer requests an executiononly sale

- 5A.3.12
- (1) Whenever, as part of an execution-only sale (or potential executiononly sale), a consumer provides a firm with the information in ■ MCOB 4.8A.14R (1), ■ MCOB 4.8A.14R (2) or ■ (3), the *firm* must inform the consumer, clearly and prominently, that the consumer has the right to request an ESIS for any MCD regulated mortgage contract which the firm is able to offer the consumer.
- (2) A firm need not give the information in (1) if it has previously given that information in compliance with this rule within the last ten business days.

.....

Record keeping

- 5A.3.13
- A firm must make an adequate record of each ESIS that it issues to a consumer under ■ MCOB 5A.4.1 R where the consumer applies for that particular MCD regulated mortgage contract.
- 5A.3.14 R The record required by ■ MCOB 5A.3.13 R must be retained for one year from the date of the application made by the consumer.
- 5A.3.15 R ■ MCOB 5A.3.14 R does not require a *firm* to keep records of *ESISs* that are issued to a consumer when the consumer does not apply to enter into that particular MCD regulated mortgage contract.
- 5A.3.16 G

The record maintained under ■ MCOB 5A.3.13 R should contain or refer to matters such as:

- (1) the date on which the ESIS was provided to the consumer;
- (2) the date of the application made by the consumer; and
- (3) details of the medium through which the ESIS was provided.

5A.4 Provision of a European Standardised Information Sheet (ESIS)

Timing

5A.4.1 R

- (1) A firm must provide the consumer with an ESIS for an MCD regulated mortgage contract before the consumer submits an application for that MCD regulated mortgage contract to an MCD mortgage lender, unless an ESIS for that MCD regulated mortgage contract has already been provided.
- (2) Except in the circumstances in MCOB 5A.4.2 R, a firm must provide the consumer with an ESIS for an MCD regulated mortgage contract when any of the following occurs, unless an ESIS for that MCD regulated mortgage contract has already been provided:
 - (a) the *firm* advises the particular *consumer* to enter into that *MCD* regulated mortgage contract, then an *ESIS* must be provided at the point the advice is given, unless the advice is given by telephone, in which case the *firm* must provide an *ESIS* within five business days; or
 - (b) the consumer requests an ESIS for that MCD regulated mortgage contract, unless the firm is aware that it is unable to offer that regulated mortgage contract to them; or
 - (c) as part of an execution-only sale (or potential execution-only sale) the consumer has provided the firm with the information in MCOB 4.8A.14R (1) to MCOB 4.8A.14R (3) to indicate which MCD regulated mortgage contract they wish to enter into.
- (3) Except in the circumstances in MCOB 5A.4.2 R, and unless an ESIS for that MCD regulated mortgage contract has already been provided, a firm must provide the consumer with an ESIS for an MCD regulated mortgage contract:
 - (a) without undue delay after the consumer has given the necessary information on his needs, financial situation and preferences under MCOB 11.6.5R (2) (assessment of affordability) and
 MCOB 11.6.34R (2) (alternative provisions for loans with high net worth mortgage customers); and
 - (b) in good time before the *consumer* is bound by any *MCD* regulated mortgage contract or offer.

[Note: article 14(1) of the MCD]

■ Release 36 • May 2024

- 5A.4.2 A firm need not provide an ESIS:
 - (1) in relation to a direct deal;
 - (2) if the consumer refuses to disclose key information (for example, in a telephone conversation, his name or a communication address) or where the consumer is not interested in pursuing the enquiry; or
 - (3) if the firm does not wish to do business with the consumer.
- R 5A.4.3 If the firm chooses not to give an ESIS in the circumstances in ■ MCOB 5A.4.2R (1), where it has given advice on a direct deal, the firm must give the consumer a written record of the advice.
- G 5A.4.4 In the circumstances in ■ MCOB 5A.4.2R (2), the *rule* in ■ MCOB 5A.4.1R (1) will mean that the consumer may not make an application for an MCD regulated mortgage contract, as an ESIS has not been provided.
- 5A.4.5 G The effect of ■ MCOB 5A.2.1 R and ■ MCOB 5A.4.1R (1) is that, if a consumer's application to enter into an MCD regulated mortgage contract with a MCD mortgage lender, made through an MCD credit intermediary, is subsequently passed by that firm to another MCD mortgage lender, then the firm must ensure that the application is amended and the *consumer* is provided with an ESIS for the other MCD mortgage lender's MCD regulated mortgage contract before the application is passed to the other MCD mortgage lender.
- G 5A.4.6 If a firm chooses to issue an offer document in addition to an ESIS, it will need to comply with MCOB 6A.3.1R (MCD Mortgages: content of the offer document).
- 5A.4.7 A firm must not undertake any action that commits the consumer to an application (including accepting product-related fees for the MCD regulated mortgage contract concerned) until the consumer has had the opportunity to consider an ESIS.
- 5A.4.8 The effect of ■ MCOB 5A.4.1R (1) and ■ MCOB 5A.4.7 R is that a consumer will be deemed to be committed to an application if, for example, they pay a product-related fee (including a valuation fee) or provides electronic or verbal authority to process an application. It is not necessary for a consumer to provide an MCD mortgage lender with a completed application form to submit an application for an MCD regulated mortgage contract.
- 5A.4.9 The firm dealing directly with the consumer is responsible for ensuring compliance with the content and timing requirements, ie, an MCD mortgage lender is not responsible for ensuring that a consumer has received an ESIS before accepting an application from an MCD mortgage credit intermediary.
- 5A.4.10 Where a firm has already provided an ESIS under ■ MCOB 5A.4.1 R and the terms for the proposed regulated mortgage contract are subsequently materially altered or different, the firm must ensure that the consumer is

provided with a revised *ESIS*, before acting on the amendment, when the change occurs at the point that a *consumer* submits an application for the *MCD regulated mortgage contract*.

5A.4.11 G

What constitutes "materially altered" or "different" requires consideration of the facts of each individual case. For example, a change of product such that the underlying terms and conditions of the MCD regulated mortgage contract have changed should normally be regarded as material or different, as would an additional charge, such as a higher lending charge, applying to the MCD regulated mortgage contract when it did not previously.

Uncertainty whether a mortgage is regulated

5A.4.12 R

- (1) If, at the point an ESIS must be provided under MCOB 5A.4.1 R, a firm is uncertain whether the contract will be an MCD regulated mortgage contract, the firm must:
 - (a) provide an ESIS; or
 - (b) seek to obtain from the *consumer*, information that will enable the firm to ascertain whether the contract will be an *MCD* regulated mortgage contract.
- (2) Where (1)(b) applies, an *ESIS* must be provided, unless, on the basis of the information provided by the *consumer*, the *firm* has reasonable evidence that the contract is not an *MCD* regulated mortgage contract.

Providing an ESIS without delay in response to a customer request

5A.4.13 G

Where the consumer requests an ESIS for a particular MCD regulated mortgage contract (see ■ MCOB 5A.4.1R (2)(b)), the purpose of ■ MCOB 5A.4.14 R, ■ MCOB 5A.4.15 R and ■ MCOB 5A.4.16 G is to ensure that the consumer receives an ESIS without unnecessary delay. These requirements do not restrict the information that the firm may obtain from the consumer after it has provided the consumer with an ESIS.

5A.4.14 R

In meeting a request for an *ESIS* under ■ MCOB 5A.4.1R (2)(b), the *firm* must not delay the provision of the *ESIS* by requesting information other than:

- (1) such information as is necessary to complete the *ESIS* in accordance with MCOB 5A.5.2 R and MCOB 5A.5.3 R, if the *firm* does not already know it;
- (2) where the *firm* acts in accordance with MCOB 5A.4.12R (2), such information as is necessary to ascertain whether or not the contract will be an *MCD* regulated mortgage contract;
- (3) where the interest rates, payments or any other terms and conditions to be included in the *ESIS* are dependent on the *consumer*'s credit record, such information as is necessary to produce an *ESIS*;
- (4) where the *firm* includes a quotation for any *tied products* or compulsory insurance in the *ESIS*, such information as is necessary to produce those quotations;

- (5) any of the following information where it affects the availability of the MCD regulated mortgage contract that the consumer has requested information on, or affects the information to be included in, the ESIS:
 - (a) whether the consumer is a first-time buyer, a subsequent buyer moving home or entering into an MCD regulated mortgage contract without moving home;
 - (b) whether the MCD regulated mortgage contract is required for a right-to-buy purchase or for a shared ownership purchase;
 - (c) the location of the property to be purchased, where known; and
 - (d) whether the terms are dependent on a third-party guarantee.

5A.4.15 Where ■ MCOB 5A.4.14R (3) applies:

- (1) a firm must ask the consumer relevant questions about their credit history or obtain information on their credit record from a credit reference agency;
- (2) a credit reference agency must not be used unless:
 - (a) it would be quicker than asking the consumer the relevant questions about their credit history; or
 - (b) the consumer is not able to provide sufficient information on their credit history.
- 5A.4.16 A firm may use information that it already holds on the consumer for the purpose of producing the ESIS (for example, if it already holds the consumer's credit record), providing the use of this information does not delay the consumer receiving the ESIS and the consumer's consent is obtained, where appropriate.
- 5A.4.17 If, on the basis of the information obtained from the consumer or, on the basis of information that the firm already holds on the consumer, the firm would do business with the consumer but not on the terms requested, the firm may provide the consumer with an ESIS for a different MCD regulated mortgage contract, if it chooses to do so.

5A.5 Content of European Standardised Information Sheets (ESISs)

Content, order, format etc

- **5A.5.1** G MCOB 5A.5 sets out the required content of an *ESIS* provided to a *consumer* by a *firm*.
- 5A.5.2 R An ESIS provided to a consumer must follow the form and contain the material in MCOB 5A Annex 1 R.
- **5A.5.3** R A *firm* must:
 - (1) reproduce the text in MCOB 5A Annex 1 R in the ESIS;
 - (2) replace the indications between square brackets with the corresponding information;
 - (3) complete the ESIS in accordance with MCOB 5A Annex 2;
 - (4) wherever the words "where applicable" are indicated:
 - (a) provide the information required, if it is relevant to the MCD regulated mortgage contract; or
 - (b) where the information is not relevant to the MCD regulated mortgage contract, delete the information in question or the entire section (for example, in cases where the section is not applicable);
 - (5) if it deletes an entire section, adjust the numbering of the *ESIS* sections accordingly;
 - (6) provide the ESIS in a single document;
 - (7) ensure that the font used is clearly readable;
 - (8) use bold font, shading or larger font sizes for the information elements to be highlighted; and
 - (9) highlight all applicable risk warnings.

[Note: article 14(2) and Annex II, Part A, preamble of the MCD]

.....

5A.5.4 G

- (1) The ESIS can contain the MCD mortgage lender's or MCD mortgage credit intermediary's logo and other 'brand' information, so long as the requirements of ■ MCOB 5A.5 are satisfied.
- (2) The ESIS can contain page numbers and other references that aid understanding, record keeping and identification of a particular ESIS, such as the date and time it is produced or a unique reference number, provided these do not detract from the content of the ESIS.
- (3) Firms are reminded of their general obligation for communications to consumers to be clear, fair and not misleading. Sections of the ESIS may be split across pages where it is impractical to do otherwise. When splitting sections, firms should split the section at an appropriate place, for example at the end of a sub-section, and not split tables or risk warnings.

Content: required information

- 5A.5.5 R The ESIS provided to consumers must:
 - (1) contain only the material prescribed in MCOB 5A.5 and no other material; and
 - (2) be in a document separate from any other material that is provided to the consumer.
- 5A.5.6 A firm should not illustrate more than one MCD regulated mortgage contract in the same ESIS, for example by using one ESIS to compare alternative products, repayment methods or repayment terms.
- 5A.5.7 G Firms are reminded that they must comply with MCOB 7.6.5R in respect of the release of loan instalments after the start of the MCD regulated mortgage contract.

Content: retirement interest-only mortgage

- 5A.5.8 R For a retirement interest-only mortgage where, in accordance with ■ MCOB 1.2.16R(1), the *firm* elects to provide an *ESIS* instead of an *illustration*:
 - (1) the ESIS may diverge from the requirements of MCOB 5A where it is necessary to do so to describe a retirement interest-only mortgage, and
 - (2) the firm must also comply with MCOB 5.4.25R, MCOB 5.4.26R and ■ MCOB 5.6.6R as though a reference to an *illustration* is a reference to an *ESIS*.

5A.6 Other information

- 5A.6.1 R
- (1) A firm may provide information to the consumer in addition to that contained in the ESIS.
- (2) A firm must provide the additional information in (1) in a separate document.
- (3) A firm may annexe the separate document in (2) to the ESIS.

[Note: article 14(8) of the MCD]

- 5A.6.2 R
- (1) Where a firm issues an ESIS in relation to an MCD lifetime mortgage, the firm must simultaneously issue the consumer with a document in a durable medium containing the statements and warnings set out in the following rules, as modified by (2) below, as if the mortgage was an MCD exempt lifetime mortgage: ■ MCOB 9.4.33 R, ■ MCOB 9.4.35 R, ■ MCOB 9.4.62 R, and ■ MCOB 9.4.63 R only.
- (2) The document issued under (1) must contain the prescribed section headings but need not contain section numbers or otherwise comply with the format of an illustration.
- 5A.6.3 G

Firms are reminded of their general obligation for communications to customers to be fair, clear and not misleading.

(Where applicable) The maximum value of your loan will be [insert amount in sterling]. (Where applicable) You will receive a warning if the credit amount reaches [insert amount in sterling]. (Where applicable) You will have the opportunity to [insert right to renegotiate foreign currency loan or right to convert loan into [relevant currency] and conditions].

Duration of the loan: [duration]

[Type of loan]

[Type of applicable interest rate]

Total amount to be reimbursed (repaid):

This means that you will pay back [amount] for every [unit of the currency] borrowed.

The APRC applicable to your loan is [APRC].

It comprises:

Interest rate [value in percentage or, where applicable, indication of a reference rate and percentage value of creditor's spread]

[Other components of the APRC]

Costs to be paid on a one-off basis

Introduction

(Where applicable) You will need to pay a fee to register the mortgage. [Insert amount of fee where known or basis for calculation.]

Costs to be paid regularly

(Where applicable) This APRC is calculated using assumptions regarding the interest rate.

(Where applicable) Because [part of] your loan is a variable interest rate loan, the actual APRC could be different from this APRC if the interest rate for your loan changes. For example, if the interest rate rose to [scenario as described in Part B], the APRC could increase to [insert illustrative APRC corresponding to the scenario].

(Where applicable) Please note that this APRC is calculated on the basis that the interest rate remains at the level fixed for the initial period throughout the duration of the contract.

(Where applicable) The following costs are not known to the lender and are therefore not included in the APRC: [Costs]

(Where applicable) You will need to pay a fee to register the mortgage.

Please make sure that you are aware of all other taxes and costs associated with your loan.

5. Frequency and number of payments

Repayment frequency: [frequency]

Number of payments: [number]

6. Amount of each instalment

[Amount] [currency]

Your income may change. Please consider whether you will still be able to afford your [frequency] repayment instalments if your income falls.

(Where applicable) Because [this/part of this] is an interest-only loan you will need to make separate arrangements to repay the [insert amount of loan on an interest-only basis] you will owe at the end of the mortgage term. Remember to add any extra payments you will need to make to the instalment amount shown here.

(Where applicable) The interest rate on [part of] this loan can change. This means the amount of your instalments could increase or decrease. For example, if the interest rate rose to [scenario as described in Part B], your payments could increase to [insert instalment amount corresponding to the scenario].

(Where applicable) The value of the amount you have to pay in sterling each [frequency of instalment] could change. (Where applicable) Your payments could increase to [insert maximum amount in sterling] each [insert period]. (Where applicable) For example, if the value of sterling fell by 20% relative to [credit currency], you would have to pay an extra [insert amount in sterling] each [insert period]. Your payments could increase by more than this.

(Where applicable) The exchange rate used for converting your repayment in [credit currency] to sterling will be the rate published by [name of institution publishing exchange rate] on [date] or will be calculated on [date] using [insert name of benchmark or method of calculation].

(Where applicable) [Details on tied savings products, deferred-interest loans]
