Chapter 5

Insurance distributors and home finance providers using insurance distribution or home finance mediation services

MIPRU 5 : Insurance distributors and home finance providers using insurance distribution or...

		5.1 Application and purpose
F 1 1	D	Application
5.1.1	R	This chapter applies to a <i>firm</i> with a <i>Part 4A permission</i> to carry on: (1) <i>insurance business</i> ; or
		(1) insurance distribution activity; or
		(2) home financing;
		(3) [deleted]
5.1.1A	R	(1) This chapter also applies to a firm which is a P2P platform operator facilitating a regulated mortgage contract, home purchase plan, home reversion plan or regulated sale and rent back agreement where the lender or provider under that contract does not fall within the definition of a mortgage lender, home purchase provider, reversion provider or regulated sale and rent back firm.
		(2) Where (1) applies, references to a <i>firm</i> using the services of another <i>person</i> consisting of <i>insurance distribution</i> , <i>insurance distribution activity</i> or <i>home finance mediation activity</i> are to be read as references to the <i>P2P platform operator</i> using those services.
		Purpose
5.1.2	G	The purpose of this chapter is to implement article 16 of the <i>IDD</i> in relation to <i>insurance undertakings</i> and <i>insurance intermediaries</i> . The provisions of this chapter have been extended to <i>home finance providers</i> in relation to <i>insurance distribution activity</i> , and to <i>insurance undertakings</i> and <i>home</i> <i>finance providers</i> in relation to <i>home finance mediation activity</i> , to ensure that <i>firms</i> using these services are treated in the same way and to ensure that <i>clients</i> have the same protection. To avoid the loss of protection where an intermediary itself uses the services of an <i>unauthorised person</i> , this chapter also ensures that each <i>person</i> in the chain of those providing services is authorised.
5.1.3	G	This chapter supports the more general duties in <i>Principles</i> 2 and 3, and the relevant <i>rule</i> in the Senior Management Arrangements, Systems and Controls sourcebook (see SYSC 3.1.1 R and SYSC 4.1.1 R).
