

Principles for Businesses

Chapter 1

Introduction

1.1 Application and purpose

Application

- 1.1.1 **G** The *Principles* (see ■ PRIN 2) apply in whole or in part to every *firm*. The application of the *Principles* is modified for *firms* conducting *MIFID business* and *Annex II benchmark administrators*. ■ PRIN 3 (Rules about application) specifies to whom, to what and where the *Principles* apply.
- 1.1.1A **G** The *Principles* also apply to certain *payment service providers* and *electronic money issuers* that are not *firms*. ■ PRIN 3.1.1AR sets out the application of the *Principles* to these *persons*. The references to a *firm* in ■ PRIN 2 includes such *persons*.

Purpose

- 1.1.2 **G** The *Principles* are a general statement of the fundamental obligations of *firms* and the other *persons* to whom they apply under the *regulatory system*. They derive their authority from the *FCA's* rule-making powers as set out in the *Act*, including as applied by the *Payment Services Regulations* and the *Electronic Money Regulations*, and reflect the *statutory objectives*.
- 1.1.3 **G** [deleted]

Link to fit and proper standard

- 1.1.4 **G** In substance, the *Principles* express the main dimensions of the "fit and proper" standard set for *firms* in *threshold condition 5* (Suitability), although they do not derive their authority from that standard or exhaust its implications. Being ready, willing and organised to abide by the *Principles* is therefore a critical factor in applications for *Part 4A permission*, and breaching the *Principles* may call into question whether a *firm* with *Part 4A permission* is still fit and proper.
- 1.1.4A **G** For *persons* authorised or registered under the *Payment Services Regulations* or the *Electronic Money Regulations*, the relevant "fit and proper standards" are the standards set in those Regulations.

Taking group activities into account

- 1.1.5 **G** *Principles 3 (Management and control), 4 (Financial prudence) and (in so far as it relates to disclosing to the FCA) 11 (Relations with regulators) take into account the activities of members of a firm's group. Compliance by another person to whom the Principles apply with Principles 3, 4 and 11 can also be affected by the activities of other persons who are members of their group. This does not mean that, for example, inadequacy of a group member's risk management systems or resources will automatically lead to a firm contravening Principle 3 or 4. Rather, the potential impact of a group member's activities (and, for example, risk management systems operating on a group basis) will be relevant in determining the adequacy of the firm's risk management systems or resources respectively.*

Standards in markets outside the United Kingdom

- 1.1.6 **G** *As set out in ■ PRIN 3.3 (Where?), Principles 1 (Integrity), 2 (Skill, care and diligence) and 3 (Management and control) apply to world-wide activities in a prudential context. Principle 5 (Market conduct) applies to world-wide activities which might have a negative effect on confidence in the UK financial system. In considering whether to take regulatory action under these Principles in relation to activities carried on outside the United Kingdom, the FCA will take into account the standards expected in the market in which the firm or other person to whom the Principles apply is operating. Principle 11 (Relations with regulators) applies to world-wide activities; in considering whether to take regulatory action under Principle 11 in relation to cooperation with an overseas regulator, the FCA will have regard to the extent of, and limits to, the duties owed by the firm or other person to that regulator. (Principle 4 (Financial prudence) also applies to world-wide activities.)*
- 1.1.6A **G** ■ PRIN 4 (Principles : MiFID Business) provides guidance on the application of the Principles to MiFID business.

Consequences of breaching the Principles

- 1.1.7 **G** *Breaching a Principle makes a firm or other person to whom the Principles apply liable to disciplinary sanctions. In determining whether a Principle has been breached it is necessary to look to the standard of conduct required by the Principle in question. Under each of the Principles the onus will be on the FCA to show that a firm or other person has been at fault in some way. What constitutes "fault" varies between different Principles. Under Principle 1 (Integrity), for example, the FCA would need to demonstrate a lack of integrity in the conduct of a firm's or other person's business. Under Principle 2 (Skill, care and diligence) a firm or other person would be in breach if it was shown to have failed to act with due skill, care and diligence in the conduct of its business. Similarly, under Principle 3 (Management and control) a firm or other person would not be in breach simply because it failed to control or prevent unforeseeable risks; but a breach would occur if the firm or other person had failed to take reasonable care to organise and control its affairs responsibly or effectively.*
- 1.1.8 **G** *The Principles are also relevant to the FCA's powers of information-gathering, to vary a firm's Part 4A permission or authorisation or registration under the Payment Services Regulations or Electronic Money Regulations,*

and of investigation and intervention, and provide a basis on which the *FCA* may apply to a court for an *injunction* or restitution order or require a *firm* or other *person* to make restitution. However, the *Principles* do not give rise to actions for damages by a *private person* (see ■ PRIN 3.4.4 R).

1.1.9

G

Some of the other *rules* and *guidance* in the *Handbook* deal with the bearing of the *Principles* upon particular circumstances. However, since the *Principles* are also designed as a general statement of regulatory requirements applicable in new or unforeseen situations, and in situations in which there is no need for *guidance*, the *FCA's* other *rules* and *guidance* or *onshored regulations* should not be viewed as exhausting the implications of the *Principles* themselves.

Responsibilities of providers and distributors under the Principles

1.1.10

G

RPPD contains *guidance* on the responsibilities of providers and distributors for the fair treatment of *customers* under the *Principles*.

1.2 Clients and the Principles

Characteristics of the client

- 1.2.1 **G** *Principles 6 (Customers' interests), 7 (Communications with clients), 8 (Conflicts of interest), 9 (Customers: relationships of trust), 10 (Clients' assets) and 12 (Consumer Duty) impose requirements on firms expressly in relation to their clients or customers. These requirements depend, in part, on the characteristics of the client or customer concerned. This is because what is "due regard" (in Principles 6 and 7), "fairly" (in Principles 6 and 8), "clear, fair and not misleading" (in Principle 7), "reasonable care" (in Principle 9), "adequate" (in Principle 10) or "good outcomes" (in Principle 12) will, of course, depend on those characteristics.*

Approach to client categorisation

- 1.2.2 **G** [deleted]

- 1.2.3 **G** [deleted]

- 1.2.4 **G** [deleted]

- 1.2.5 **G** [deleted]

Acting through an agent

- 1.2.6 **G** If the person with or for whom the firm is carrying on an activity is acting through an agent, the ability of the firm to treat the agent as its client under ■ COBS 2.4.3 R (Agent as client) will not be available. For example, if a general insurer is effecting a general insurance contract through a general insurance broker who is acting as agent for a disclosed policyholder, the policyholder will be a client of the firm and the firm must comply with the Principles accordingly.

- 1.1 A *firm* may categorise the following types of *client* as an *eligible counterparty* for the purposes of *PRIN*:
