Senior Management Regime: Statement of Responsibilities

Version 2 – June 2018

A *statement of responsibilities* should be drafted to clearly show the responsibilities that the *candidate* or senior manager is to perform as part of their *controlled function* and how they fit in with the *firm's* overall governance and management arrangements. A *statement of responsibilities* should also be consistent with the *firm's management responsibilities map*.

A *statement of responsibilities* should be drafted in such a way as to be practical and useable by regulators. The *FCA* and the *PRA* consider that this would be achieved by succinct, clear descriptions of each responsibility which avoid unnecessary detail. Firms have the opportunity to provide details of each responsibility allocated to an individual using the free text boxes in this form, however, the *PRA* and *FCA* would not usually expect the description of each responsibility to exceed 300 words.

A *statement of responsibilities* must be a self-contained document. There should be one statement per senior manager per firm. Where an individual performs a senior management function on behalf of more than one firm within a group, one *statement of responsibilities* is required for each firm. Any supplementary information may be provided in section 4 (or if submitting electronically, in a **single** attachment). A statement of responsibilities must not cross refer to other documents, attachments or links.

A *statement of responsibilities* should include responsibilities held in relation to *FCA* controlled functions that are included in a *PRA controlled function* under *SUP* 10C.9 (Minimising overlap with the *PRA* approved persons regime).

(*SUP* 10C.11)

If the appropriate regulator considers that the *statement of responsibilities* is not sufficiently clear to be practical and usable, it could be challenged as part of a candidate's application for approval, or in ongoing supervision.

Details of the individual's responsibilities should be set out in sections 3.2 to 3.4, as appropriate:

- Section 3.2 covers prescribed responsibilities required by regulators to be allocated to one or more senior managers.
- Section 3.3 covers having overall responsibility for each of the business areas, activities, and management functions of the firm.
- Section 3.4 covers anything else, not otherwise included, for which a candidate or senior manager is to be responsible as part of their *FCA* and/or *PRA* senior management function(s) role.

3.1 Effective date and relevant Senior Management Functions

3.1.1 Please state the effective date of this *statement of responsibilities*:

Please note that where this is a revised *statement of responsibilities*, i.e. since the granting of the application, there has been a significant change in the aspects of the firm's affairs which the individual is responsible for managing in performing the function (for example, a change in allocation of responsibilities within the firm, or the senior manager is applying for a new or additional senior management function), then this *statement of responsibilities* supersedes any previous versions.

3.1.2 List all *senior management functions* which the *approved person* is to perform and the effective date the *person* commenced or will commence the performance of the functions.

The above question(s) should be completed whether submission of this form is online or in one of the other ways set out in *SUP* 15.7 or in 'Senior Managers Regime - Applications and Notifications' in the *PRA* Rulebook

3.2 Prescribed Responsibilities

This section deals with those responsibilities to be allocated to one or more senior managers. The allocation of responsibilities under a statement of responsibilities should not reduce or alter the scope of any applicable prescribed requirements.

If the responsibilities that the candidate or senior manager is to carry out as described in the statement of responsibilities go beyond those set out in this section, those additional responsibilities should not reduce or alter the scope of the prescribed requirements set out in this section.

(FCA SUP 10C.11/PRA: Allocation of Responsibilities)

3.2.1 Please indicate below which of the responsibilities listed are/will be allocated to this individual, if any.

Note: the form includes references to provisions in the FCA Handbook which are also set out in the PRA Rulebook, sometimes in slightly different wording. Where this is the case, the underlying provisions should be interpreted as equivalent in substance unless indicated otherwise. Any differences are purely presentational.

If the individual has not been allocated a prescribed responsibility, please go to section 3.3.

3.3 Overall Responsibility

This section deals with having overall responsibility for any of the business areas, activities, or management functions of the firm.

By overall responsibility we mean the ultimate responsibility (under the governing body) for managing or supervising that function, and primary and direct responsibility for briefing and reporting to the governing body about that function and putting matters for decision about that function to the governing body of the firm.

(SYSC 4.7)

3.3.1 If the individual has overall responsibility for any or part of the business areas, activities, or management functions of a firm, please provide details of each in the table below.

Where responsibilities are shared (for example, a responsibility may be shared as part of a job share or where departing and incoming senior managers work together temporarily as part of a handover), please provide details of any sharing arrangements including, if known, the name(s), IRN(s) and/or job title(s) of the individual(s) you are sharing this responsibility with. The responsibility should be recorded in the same way in the statements of responsibilities for each individual.

If the individual does not have overall responsibility for a business area, activity or management function of the firm, please go to section 3.4

A *firm* may wish to refer to SYSC 4 Annex 1G (replicated in Annex A of this form) to help it make sure it has not failed to allocate overall responsibility for a particular activity of the firm. Please note that the *FCA* does not require firms to organise themselves by the functions in SYSC 4 Annex 1G, and that the Annex is not comprehensive. It is important that a firm does not fail to allocate overall responsibility for business areas, activities and management functions, in line with SYSC 4.7.8R.
