Senior Management Functions

Section 3

A statement of responsibilities should be drafted to clearly show the responsibilities that the candidate or senior manager is to perform as part of their controlled function and how they fit in with the firm's overall governance and management arrangements. A statement of responsibilities should also be consistent with the firm's management responsibilities map.

A *statement of responsibilities* should be drafted in such a way as to be practical and usable by regulators. The *FCA* considers that this would be achieved by succinct, clear descriptions of each responsibility which avoid unnecessary detail. Firms have the opportunity to provide details of each responsibility allocated to an individual using the free text boxes in this form. However, the FCA would not usually expect the description of each responsibility to exceed 300 words.

A *statement of responsibilities* must be a self-contained document. There should be one statement per senior manager per firm. Where an individual performs a senior management function on behalf of more than one firm within a group, one *statement of responsibilities* is required for each firm. Any supplementary information may be provided in section 4 (or if submitting electronically, in a **single** attachment). A statement of responsibilities must not cross-refer to or include other documents, attachments or links.

(SUP 10C.11)

If the appropriate regulator considers that the *statement of responsibilities* is not sufficiently clear to be practical and usable, it could be challenged as part of a candidate's application for approval, or in ongoing supervision.

Details of the individual's responsibilities should be set out in section 3.2:

• Section 3.2 covers anything for which a candidate or senior manager is to be responsible as part of their FCA senior management function(s) role.

3.1 Effective date and relevant Senior Management Functions

3.1.1	Please state the effective date of this statement of responsibilities.	

Please note that where this is a revised *statement of responsibilities*, i.e. since the granting of the application, there has been a significant change in the aspects of the firm's affairs which the individual is responsible for managing in performing the function: for example, a change in allocation of responsibilities within the firm, or if the senior manager is applying for a new or additional senior management function. In this case, the *statement of responsibilities* supersedes any previous versions.

3.1.2 List all *senior management functions* which the *approved person* is to perform and the effective date the *person* commenced or will commence the performance of the functions.

Such responsibilities do not need to be recorded in this statement, but any additional responsibilities should be recorded in the sections below.
