# Notice of sub-threshold AIFM exceeding AUM limit

# Name of alternative investment fund manager (AIFM)

# Firm reference number (FRN)

#### Legal entity identification code (LEI)

#### Purpose of this form

This form is only for existing sub-threshold AIFMs who are making a notification about the AUM exceeding the relevant threshold limit.

This form is therefore applicable to:

- · small authorised UK AIFMs
- small registered UK AIFMs and
- EuSEF managers and EuVECA managers who may be both a small registered UK AIFM and/or a small authorised UK AIFM

where the value of assets under management exceeds:

- €500 million in total in cases where the portfolio of AIFs consist of AIFs that are unleveraged and have no redemption rights exercisable during a period of five years following the date of initial investment in each AIF or
- €100 million in total in other cases, including any asset acquired through the use of leverage.

For the purpose of the thresholds, an AIFM may be the AIFM of an AIF if it manages the AIF directly, or indirectly through a company with which the AIFM is linked by common management or control, or by a substantive direct or indirect holding. Furthermore, AUM should be calculated in accordance with article 2 of the AIFMD level 2 regulation.

#### Purpose of this form

Your attention is drawn to the strict timeframes in which a notification must be submitted to the FCA.

- **Notification of temporary status** without delay from when the AUM was first identified as temporarily above the sub-threshold limit.
- **Verification of temporary status three months** from when the AUM was first identified as being temporarily above the sub-threshold limit.
- **Notification of permanent status** both the notification and the application for full-scope AIFM authorisation should be sent without delay but, in any event, no later than **30 calendar days** from when the AUM was first identified as being permanently above the sub-threshold limit.

Failure to comply with these timeframes may result in the FCA commencing suspension or revocation of permission procedures against the AIFM.

When assessing whether AUM exceeds the sub-threshold limit on a temporary or permanent basis, the AIFM should consider anticipated subscription and redemption activity or, where applicable, capital drawdowns and distribution. However, anticipated market movements should not be used as part of this assessment. Further, the AIFM should have regard to the extent to which the threshold has been exceeded and the frequency of any previous occurrences in the last year when determining whether such basis is likely to be of a permanent nature.

Where an AIFM provides a satisfactory rationale for the situation being temporary, it is not required to notify the FCA at the point of resolution. Instead, it need only validate this by providing the total assets under management figure three months after the temporary situation was first identified. By contrast if, during the three-month verification period, the AIFM identifies the circumstances have changed such that the status has altered from being temporary to permanent it should make preparations for submitting a variation of permission application and, subsequently, ensuring all necessary arrangements and systems and controls will be in place at the point that the FCA determines the application.

In the case of a permanent status, during the interim period between submitting a variation of permission application for full-scope authorisation status and having the application determined by the FCA, the AIFM is permitted to carry on managing its AIFs without restriction. If the total value of assets under management falls below the relevant threshold during the interim period and before determination then the FCA may consider requests to withdraw the application on a case-by-case basis.

Words and phrases used in this form have the same meaning as in the FCA's Handbook, unless stated otherwise.

Sub-threshold AIFMs seeking authorisation to become a full-scope UK AIFM as a consequence of a permanent status will find the Variation of Permission application form on the FCA website at <a href="https://www.fca.org.uk/firms/aifmd/uk-aifm">https://www.fca.org.uk/firms/aifmd/uk-aifm</a>
