Information requests by authorised fund managers for liquidity management purposes

14.4.10 R If an *intermediate Unitholder* receives a reasonable request from an *authorised fund manager* for information relating to the beneficial owners of the *units* of a *scheme* that it operates which the *authorised fund manager* reasonably needs for the purposes of liquidity management, the *intermediate Unitholder* must provide that information to the *authorised fund manager* as soon as is reasonably practicable.

14.4.11 G Examples of information which may be reasonably requested by an *authorised fund manager* include:

- (1) a breakdown of the total number of *units* held by the *intermediate Unitholder* in each *scheme* to indicate the number of *units* attributable to individual beneficial owners; and

- (2) information about the types of distribution channel which have been used to sell the *units* to the relevant beneficial owners.

**14.4.12**

**G**

In determining whether a request from an *authorised fund manager* is reasonable, an *intermediate Unitholder* may take into account the frequency with which such requests have been received from that *authorised fund manager*.
