# Chapter 15

## Cancellation

## 15.1 Application

### 15.1.1

**G**

This chapter is relevant to a *firm* that enters into a contract cancellable under this chapter. In summary, this means it is relevant to:

- (1) most providers of retail financial products that are based on *designated investments*; and
- (2) *firms* that enter into *distance contracts* with *consumers* that relate to *designated investment business*; and
- (3) *firms* that enter into *distance contracts* the making or performance of which by the *firm* constitutes, or is part of, the activity of *issuing electronic money*.
