

Chapter 9A

Suitability (MiFID and insurance-based investment products provisions)

9A.2 Assessing suitability: the obligations

- 9A.2.1** **R** When providing *investment advice* or *portfolio management* a firm must:
- (1) obtain the necessary information regarding the *client's*:
 - (a) knowledge and experience in the investment field relevant to the specific type of *financial instrument, insurance-based investment product* or service;
 - (b) financial situation including his ability to bear losses; and

- [Note: first paragraph of article 25(2) of *MiFID*, first paragraph of article 30(1) of the *IDD*]
- 9A.2.2** **G** *Firms* should undertake a suitability assessment not only when making a *personal recommendation* to buy a *financial instrument* or an *insurance-based investment product* but for all decisions whether to trade, including making any *personal recommendations* about whether or not to buy, hold or sell an investment.
- [Note: recital 87 to the *MiFID Org Regulation*]
- 9A.2.3** **G** Where a *firm* providing a *portfolio management* service makes a recommendation or request, or provides advice, to a *client* to the effect that the *client* should give or alter a mandate to the *firm* that defines the limits of the *firm's* discretion, that recommendation, request or advice should be considered a recommendation for the purposes of **COBS 9A.2.1R**. A *firm* should therefore undertake a suitability assessment in relation to any such recommendation, request or advice.
- [Note: recital 89 to the *MiFID Org Regulation*]
- 9A.2.3A** **R** When proposing an *insurance-based investment product* a firm must ensure it is consistent with the *client's* insurance demands and needs.

- (1) A transaction may be unsuitable for a *client* due to the risks of the associated *financial instruments*, the type of transaction, the characteristics of the order or the frequency of the trading.
- (1A) An *insurance-based investment product* may be unsuitable for a *client* due to the risks of the underlying investment assets, the type or characteristics of the product or the frequency of switching of underlying investment assets.
- (2) A series of transactions, each of which are suitable when viewed in isolation may be unsuitable if the recommendation or the decisions to trade are made with a frequency that is not in the best interests of the *client*.
- (3) In the case of *portfolio management*, a transaction might be unsuitable if it would result in an unsuitable portfolio.

[Note: recital 88 to the *MiFID Org Regulation*, recital 9 to the *IDD Regulation*]

Investments subject to restrictions on retail distribution: MiFID business and insurance-based investment products

9A.2.22 G

- (1) *Firms* should note that restrictions and specific requirements apply to the retail distribution of certain *investments*:
 - (a) *non-mainstream pooled investments* are subject to a restriction on *financial promotions* (see section 238 of the Act and ■ COBS 4.12);
 - (b) *non-readily realisable securities* are subject to a restriction on *direct offer financial promotions* (see ■ COBS 4.7);
 - (c) *mutual society shares* are subject to specific requirements in relation to *dealing and arranging activities* (see ■ COBS 22.2);
 - (d) *contingent convertible instruments* and *CoCo funds* are subject to a restriction on sales and on promotions (see ■ COBS 22.3);

- (e) *speculative illiquid securities* are subject to a restriction on *financial promotions* (see ■ COBS 4.14).
- (2) A *firm* should be satisfied that an exemption is available before recommending an *investment* subject to a restriction on distribution to a *retail client*, noting in particular that a *personal recommendation* to invest will generally incorporate a *financial promotion*.
- (3) In addition to assessing whether the promotion is permitted, a *firm* giving advice on an *investment* subject to a restriction on distribution should comply with their obligations in ■ COBS 9A and ensure any *personal recommendation* is suitable for its *client*.
- (4) In considering its obligations under ■ COBS 9A, a *firm* purchasing an *investment* subject to a restriction on distribution on behalf of a *retail client* as part of a discretionary management agreement should exercise particular care to ensure the transaction is suitable and in the client's best interests, having regard to the FCA's view that such *investments* pose particular risks of inappropriate distribution.
- (5) A restriction on promotion does not affect a transaction where there has been no prior communication with the *client* in connection with the investment by the *firm* or a person connected to the *firm*. Nonetheless, if promotion of an *investment* to a *retail client* would not have been permitted, then the discretionary manager's decision to purchase it on behalf of the *retail client* should be supported by detailed and robust justification of his assessment of suitability.

9A.2.23 UK

54(1) Where investment advice or portfolio management services are provided in whole or in part through an automated or semi-automated system, the responsibility to undertake the suitability assessment shall lie with the investment firm providing the service and shall not be reduced by the use of an electronic system in making the personal recommendation or decision to trade.

[Note: article 54(13) of the *MiFID Org Regulation*]

Automated or semi-automated systems: insurance-based investment products

9A.2.24 UK

12The insurance intermediary's or insurance undertaking's responsibility to perform the suitability assessment in accordance with [■ COBS 9A.2.1R and ■ COBS 9A.2.16R] shall not be reduced due to the fact that advice on insurance-based investment products is provided in whole or in part through an automated or semi-automated system.
