Credit Unions sourcebook

Chapter 10

Application of other parts of the Handbook to credit unions

		10.1	Application and purpose		
10.1.1	R	Application This chapter applies to	all credit unions.		
10.1.2	G	Purpose This chapter is intended to draw <i>credit unions</i> ' attention to the application of other key parts of the Handbook to <i>credit unions</i> as set out in the table at CREDS 10.1.3 G.			
		Application of other parts of the Handbook and of Regulatory Guides to Credit Unions			
10.1.3	G	Module The Principles for Businesses (<i>PRIN</i>)	Relevance to Credit Unions The Principles for Businesses (<i>PRIN</i>) set out high-level requirements imposed by the <i>FCA</i> . They provide a general statement of regulatory requirements. The <i>Principles</i> apply to all <i>credit unions</i> . In applying the <i>Principles</i> to <i>credit unions</i> , the <i>FCA</i> will be mindful of proportionality. In practice, the implications are likely to vary according to the size and complexity of the <i>credit union</i> .		
		Senior Management Arrangements, Sys- tems and Controls (SYSC)	SYSC 1,SYSC 4 to 10 and SYSC 21 apply to all <i>credit</i> <i>unions</i> in respect of the carrying on of their <i>regu-</i> <i>lated activities</i> and unregulated activities in a <i>pruden-</i> <i>tial context.</i> SYSC 22 (Regulatory references), SYSC 23 (Senior managers and certification regime: Introduc- tion and classification), SYSC 24 (Senior managers and certification regime: Allocation of prescribed respons- ibilities), SYSC 25 (Senior managers and certification regime: Management responsibilities maps and hand- over procedures and material), SYSC 26 (Senior man- agers and certification regime: Overall and local re- sponsibility), SYSC 27 (Senior managers and certifica- tion regime: Certification regime) and SYSC 18 (Whistleblowing) apply to all <i>credit unions</i> in respect of both their <i>regulated activities</i> and their unregu- lated activities. SYSC 19F.2 (IDD remuneration incent- ives) and SYSC 28 (Insurance distribution: specific knowledge, ability and good repute requirements) also apply to <i>credit unions</i> when carrying out <i>insur-</i> <i>ance distribution activities</i> .		
		Code of Conduct (COCON)	This contains <i>rules</i> and <i>guidance</i> that are directly applicable to a <i>credit union's SMF managers, certifica-</i> <i>tion employees</i> and (from 2017) other <i>conduct rules</i> <i>staff.</i> There is also <i>guidance</i> for <i>credit unions</i> on giv- ing their staff training about <i>COCON</i> .		

Module	Relevance to Credit Unions
Threshold Condi- tions (COND)	In order to become <i>authorised</i> under the <i>Act</i> all <i>firms</i> must meet the <i>threshold conditions</i> . The <i>threshold conditions</i> must be met on a continuing basis by <i>credit unions</i> . Failure to meet one of the conditions is sufficient grounds for the exercise by the <i>FCA</i> of its powers.
The Fit and Proper test for Employees and Senior Person- nel (<i>FIT</i>)	The purpose of <i>FIT</i> is to set out and describe the cri- teria that a <i>firm</i> should consider when assessing the fitness and propriety of a person (1) in respect of whom an application is being made for approval to undertake a <i>controlled function</i> under the senior managers regime, (2) who has already been ap- proved, (3) who is a <i>certification employee</i> or (4) whom a <i>firm</i> is considering appointing to be a <i>certi- fication employee</i> .
	It also sets out and describes criteria that the FCA will consider when assessing the fitness and propri- ety of a <i>candidate</i> for a <i>controlled function</i> position and that it may consider when assessing the continu- ing fitness and propriety of <i>approved persons</i> .
General Provisions (<i>GEN</i>)	<i>GEN</i> contains <i>rules</i> and <i>guidance</i> on general mat- ters, including interpreting the <i>Handbook</i> , statutory status disclosure, the <i>FCA</i> 's logo and insurance against financial penalties.
Fees manual (FEES)	This manual sets out the fees applying to <i>credit unions</i> .
Prudential sourcebook for Mortgage and Home Finance Firms, and Insur- ance Intermediaries (<i>MIPRU</i>)	<i>MIPRU</i> applies to any <i>credit union</i> carrying out <i>insur-</i> <i>ance distribution activity</i> or <i>home finance mediation</i> activity, or using these services. In particular, it sets out requirements for allocation of responsibility for the <i>credit union's insurance distribution activity</i> (MI- PRU 2), for the use of <i>home finance intermediaries</i> or <i>persons</i> doing <i>insurance distribution activity</i> (MI- PRU 5) and for professional indemnity insurance (MI- PRU 3).
Conduct of Business sourcebook (<i>COBS</i>)	A credit union which acts as a CTF provider or pro- vides a cash-deposit ISA will need to be aware of the relevant requirements in COBS. COBS 4.6 (Past, simulated past and future performance), COBS 4.7.1 R (Direct offer financial promotions), COBS 4.10 (Ap- proving and confirming compliance of financial pro- motions), COBS 13 (Preparing product information) and COBS 14 (Providing product information to cli- ents) apply with respect to accepting deposits as set out in those provisions, COBS 4.1 and BCOBS. A credit union that communicates with clients, including in a financial promotion, in relation to the promotion of deferred shares and credit union subordinated debt will need to be aware of the requirements of COBS 4.2 (Fair, clear and not misleading communications) and COBS 4.5 (Communicating with retail clients).
	A credit union carrying on insurance distribution ac- tivities in relation to life policies will also need to be aware of the relevant requirements in COBS. A firm may also elect to comply with COBS in relation to pure protection contracts that otherwise fall under ICOBS (see ICOBS 1 Annex 1 3.1R(1)).

Module	Relevance to Credit Unions
	<i>Credit unions</i> are reminded that they are subject to the requirements of the appropriate legislation, in cluding the Credit Unions Act 1979, relating to act ities a <i>credit union</i> may carry on.
Insurance: Conduct of Business sourcebook (<i>ICOBS</i>)	ICOBS applies to any credit union carrying on non- vestment insurance distribution activities, such as a ranging or advising on general insurance contracts to be taken out by members or where those mem- bers gain rights under such a contract (for exampl in relation to a group policy). ICOBS does not appl to a credit union taking out an insurance policy for its own purposes, such as a policy against default members on their loans where the credit union is the beneficiary of the policy, since in this circum- stance the credit union would not be acting as an surance intermediary, but would itself be the cus- tomer. Credit unions are reminded that they are su ject to the requirements of the appropriate legisla tion, including the Credit Unions Act 1979, relating to activities a credit union may carry on.
Mortgages and Home Finance: Con- duct of Business sourcebook (<i>MCOB</i>)	<i>MCOB</i> applies to any <i>credit union</i> that engages in any <i>home finance activity</i> . <i>MCOB</i> rules cover advis ing and selling standards, responsible lending (in- cluding affordability assessment), charges, and the fair treatment of <i>customers</i> in payment difficulties
Banking: Conduct of Business sourcebook (<i>BCOBS</i>)	BCOBS sets out rules and guidance for credit union on how they should conduct their business with their customers. In particular there are rules and guidance relating to communications with banking customers and financial promotions (BCOBS 2), dis- tance communications (BCOBS 3), information to be communicated to banking customers (BCOBS 4), po sale requirements (BCOBS 5), and cancellation (BCO 6). The rules in BCOBS 3.1 that relate to distance co tracts may apply to a credit union. This is because BCOBS 3 contains requirements which implemented the Distance Marketing Directive where there is "a organised distance sales or service-provision schem run by the supplier" (Article 2(a)) of the Distance Marketing Directive), i.e. if the credit union rou- tinely sells any of its services by post, telephone, fa or the internet.
Client Assets (CASS)	CASS 5 (Client money: insurance distribution activit applies to <i>credit unions</i> carrying on <i>insurance distri- bution activities</i> where the <i>credit union</i> receives o holds money in the course of or in connection wit those activities (i.e. where the application rules set out in CASS 5.1.1R are met). This may vary on a case by-case basis depending on the <i>firm's</i> business model.
Product Interven- tion and Product Governance sourcebook (PROD)	PROD 1.4 (Product Intervention and Product Governance Sourcebook (<i>PROD</i>)) and PROD 4 (Product governance: IDD and pathway investments) apply to <i>credit unions</i> involved in the <i>manufacture</i> or <i>distribution</i> of insurance products.
Supervision manual (<i>SUP</i>)	The following provisions of <i>SUP</i> are relevant to <i>credit unions</i> : SUP 1A (The FCA's approach to super sion), SUP 2 (Information gathering by the FCA or PRA on its own initiative), SUP 3.1 to SUP 3.8 (Aud

	itors), SUP 5 (Reports by skilled persons), SUP 6 (Applications to vary and cancel Part 4Apermission and to impose, vary or cancel requirements), SUP 7 (Individual requirements), SUP 8 (Waiver and modification of rules), SUP 9 (Individual guidance), SUP 10C (FCA senior managers regime for approved persons in SMCR firms), SUP 11 (Controllers and Close links), SUP 15 (Notifications to the FCA) and SUP 16 (Reporting Requirements). Where <i>credit unions</i> carry on <i>insurance distribution activities</i> and fall within the category provided at SUP 3.1.2R(10), SUP 3.10 and SUP 3.11 (Auditors) will also be relevant.
	<i>Credit unions</i> are reminded that they are subject to the requirements of the <i>Act</i> and SUP 11 on <i>close</i> <i>links</i> , and are bound to notify the <i>FCA</i> of changes. It may be unlikely, in practice, that <i>credit unions</i> will develop such relationships. It is possible, however, that a <i>person</i> may acquire <i>close links</i> with a <i>credit</i> <i>union</i> within the meaning of the <i>Act</i> by reason of holding the prescribed proportion of <i>deferred</i> <i>shares</i> in the <i>credit union</i> .
	In relation to SUP 16, <i>credit unions</i> are exempted from the requirement to submit annual reports of <i>close links</i> .
Decision, Procedure and Penalties man-	DEPP is relevant to credit unions because it sets out:
ual (DEPP)	(1) the FCA's decision-making procedure for giving statutory notices. These are warning notices, decision notices and supervisory notices (DEPP 1.2 to DEPP 5); and
	(2) the FCA's policy with respect to the imposition and amount of penalties under the Act (see DEPP 6).
Dispute Resolution: Complaints (<i>DISP</i>)	DISP sets out rules and guidance in relation to treat- ing complainants fairly and the Financial Ombuds- man Service.
Compensation (COMP)	<i>COMP</i> sets out <i>rules</i> relating to the scheme for compensating consumers when authorised <i>firms</i> are unable, or likely to be unable, to satisfy claims against them.
Consumer Credit sourcebook (CONC)	CONC contains rules that apply to firms carrying on credit-related regulated activities. PERG 2.7.19IG pro- vides guidance on relevant exemptions. Where an exemption applies, the credit union lending will be outside the scope of CONC. However, subject to the constraints in the Credit Unions Act 1979 or the Credit Unions (Northern Ireland) Order 1985 (as rel- evant), credit unions may undertake credit-related regulated activities to which CONC does apply if the activity is carried out by way of business. This could include lending under a borrower-lender-supplier agreement, including entering into conditional sale agreements and/or hire-purchase agreements, or debt adjusting or debt counselling where the credit union is not the lender. A credit union carrying on such activities should consider whether it requires

	<i>permission</i> to do so. Further information can be found on the <i>FCA's</i> website.
General guidance on Benchmark Ad- ministration, Con- tribution and Use (<i>BENCH</i>)	BENCH provides guidance about which parts of the Handbook are relevant to a firm when carrying out benchmark activities and when using a benchmark. It also provides guidance about the benchmarks regulation.
The Enforcement Guide (<i>EG</i>)	The Enforcement Guide (<i>EG</i>) describes the <i>FCA</i> 's approach to exercising the main enforcement powers given to it by the <i>Act</i> and by other legislation.
Financial Crime Guide: A firm's guide to countering financial crime risks (FCG) and Financial Crime Thematic Re- views (FCTR)	FCG and FCTR provide guidance on steps that a firm can take to reduce the risk that it might be used to further financial crime.
