

## Chapter 3A

# Shares, deposits and borrowing

3A

3A.1 Application and purpose

Application

3A.1.1 R This chapter applies to all *credit unions*

Purpose

3A.1.2 G The purpose of this chapter is to provide conduct rules and guidance on *credit unions*’ holding of shares and deposits, joint accounts, borrowings and insurance cover.

3A.2 Shares and deposits

Joint accounts

3A.2.1 G There is no restriction on the number of members who may jointly hold shares in a *credit union*.

Deposits including child trust funds

3A.2.2 R A *credit union* must not accept deposits except:

- (1) by way of subscription for its shares from *persons* who may lawfully be admitted to membership of the *credit union* under the Credit Unions Act 1979 or the Credit Union (Northern Ireland) Order 1985 (as appropriate) and the rules of the *credit union*; or
- (2) from *persons* too young to be members under any provision of the *credit union's* rules or (for *Northern Ireland credit unions*) under article 15 of the Credit Unions (Northern Ireland) Order 1985; or
- (3) as loans from *persons* under ■ CREDS 3A.3.1R.

3A.2.3 G *Credit unions* that provide *CTFs* should ensure that under their rules depositors under the age of 18 whose *deposits* are held within a *CTF* continue to be treated as juvenile depositors until the age of 18. This will provide for the fact that *CTF* account holders may not withdraw any money from the *CTF* until they reach the age of 18, in contrast with the position in relation to other *deposits* which become shares and may be withdrawn earlier.

3A.2.4 G ■ CREDS 3A.2.2R and ■ CREDS 3A.3.1R are intended to ensure that the liberalisation of *credit union* borrowing (■ CREDS 3A.3.2G) does not have the unintended effect of undermining the common bond concept by allowing *credit unions* to operate deposit accounts for natural *persons* who do not qualify for membership.

Sale of deferred shares

3A.2.5 R A *credit union* must not require any of its members to purchase *deferred shares* or purport to do so.

3A

3A.3 Borrowing

- 3A.3.1

R

A *credit union* must not borrow from a natural person, except by way of a subordinated loan qualifying as capital under *PRA* rules.
- 3A.3.2

G

■

 CREDS 3A.3.1R does not apply to borrowing from a *body corporate*. A loan made to a *credit union* by a *body corporate* can either be a subordinated loan (providing regulatory capital within *PRA* rules) or a senior loan (providing ordinary funding, but not constituting regulatory capital).
- 3A.3.3

R

A *credit union* must not require any of its members to make a subordinated loan to the *credit union* or purport to do so.

		<div>3A.4</div> <div>Insurance against fraud or other dishonesty</div>	
3A.4.1	R	A <i>credit union</i> must at all times maintain in force a policy of insurance that complies with the requirements in part 2.10 of the Credit Unions Rulebook Part of the PRA Rulebook.	
3A.4.2	G	The policy of insurance required by ■ CREDS 3A.4.1R is intended to protect the <i>credit union</i> from loss suffered or liability incurred by reason of the fraud or other dishonesty of any of its <i>officers</i> or employees.	
3A.4.3	R	A <i>credit union</i> must ensure that the <i>governing body</i> reports to the <i>members</i> at the annual general meeting of the <i>credit union</i> on whether the <i>credit union</i> has maintained at all times the policy of insurance required by ■ CREDS 3A.4.1R.	

3A.5 Requirements on the retail distribution and financial promotion of capital instruments

Application

3A.5.1 R

- (1) The requirements in this section apply:
  - (a) (excluding the requirements in ■ CREDS 3A.5.6R and ■ CREDS 3A.5.7R) to a *firm* when *dealing* in or *arranging* a deal in a *deferred share* with or for a *relevant credit union client* where the *relevant credit union client* is to enter into the *deal* as buyer; and
  - (b) (excluding the requirements in ■ CREDS 3A.5.3R to ■ CREDS 3A.5.5R) to a *firm* when:
    - (i) *communicating a direct offer financial promotion* relating to *credit union subordinated debt* to a *relevant credit union client*; or
    - (ii) *approving a direct offer financial promotion* relating to *credit union subordinated debt* for *communication* to a *relevant credit union client*.
- (2) The requirements in this section do not apply if the *deal* relates to the trading of a *deferred share* or *credit union subordinated debt* in the secondary market.
- (3) The requirements in this section, other than ■ CREDS 3A.5.8R, ■ CREDS 3A.5.9R and ■ CREDS 3A.5.10R, do not apply if the *firm* has taken reasonable steps to ensure that the *relevant credit union client* is a *certified high net worth investor*, a *certified sophisticated investor* or a *self-certified sophisticated investor* in accordance with ■ COBS 22.2.4R, as adapted by ■ CREDS 3A.5.8R for the purposes of this section.

3A.5.2 G

The effect of ■ CREDS 3A.5.1R(1)(a) is that the requirements of this section apply to a *credit union* where it is *dealing* in its own *deferred shares*.

Statements requirement relating to the retail distribution of deferred shares

3A.5.3 R

- (1) The *firm* must:
  - (a) give the *relevant credit union client* a risk warning in the form in
  - (2) on paper or another *durable medium*; and

(b) obtain confirmation in writing from the *relevant credit union client* that the *relevant credit union client* has read it, in good time before the *relevant credit union client* has committed to buy the *deferred share*.

- (2) "The investment to which this communication relates is a deferred share. Direct investment in deferred shares can be high risk and is very different to investment in deposit accounts or other savings products. In particular, you should note that:
- (a) the entire amount you pay for the deferred share is at risk;
  - (b) the sum you pay is only repayable to you in limited circumstances, specifically if:
    - (i) the credit union has obtained specific regulatory permission to make the repayment; or
    - (ii) the credit union is wound up, and there are funds remaining after all creditors, including savers and holders of subordinated debt, have been repaid;
  - (c) the sum you pay for deferred shares is not covered by the Financial Services Compensation Scheme;
  - (d) a deferred share may only be sold to a member of the same credit union and may be difficult to sell on; and
  - (e) investing more than 10% of your savings or net investment portfolio in deferred shares issued by a credit union, credit union subordinated debt and mutual society shares is unlikely to be in your best interests."

**3A.5.4**

**R**

- (1) The *firm* must:
- (a) give the *relevant credit union client* a statement in the form in (2) on paper or another *durable medium*; and
  - (b) obtain confirmation in writing from the *relevant credit union client* that the *relevant credit union client* has signed it, in good time before the *relevant credit union client* has committed to buy the *deferred share*.
- (2) "I make this statement in connection with my proposed investment in deferred shares issued by a credit union. I have been made aware that investing more than 10% of my net assets in deferred shares issued by a credit union, credit union subordinated debt and mutual society shares is unlikely to be in my best interests. I declare that the proposed investment would not result in more than 10% of my net assets being invested in deferred shares issued by a credit union, credit union subordinated debt and mutual society shares. Net assets for these purposes mean my financial assets after deduction of any debts I have. My debts for these purposes do not include the outstanding balance of any mortgage I have on my home, unless this is more than the current value of my home, in which case the debts include the amount above the current value. My financial assets for these purposes do not include:
- (a) the property which is my primary residence or any money raised through a loan secured on that property;

3A

- (b) any rights of mine under a contract of insurance; or
- (c) any benefits (in the form of pensions or otherwise) which are payable on the termination of my service or on my death or retirement and to which I am (or my dependants are) or may be entitled.

I accept that the investment to which this statement relates will expose me to a significant risk of losing all the money invested.

- (3) The requirement in (1) to give a *relevant credit union client* the statement, and to obtain written confirmation that the statement has been signed, applies only where the *relevant credit union client*:
  - (a) is an individual; and
  - (b) is not receiving advice that constitutes a *regulated activity* on the *deferred share*.

### Assessing the appropriateness of an investment in deferred shares

3A.5.5

**R**

If the *relevant credit union client* is not receiving advice that constitutes a *regulated activity* on the *deferred share*, the *firm* must assess whether investment in the *deferred share* is appropriate for the *relevant credit union client*, complying with the requirements in **COBS 10** as if the *firm* were providing non-advised *investment services* in the course of *MiFID* or *equivalent third country business*.

### Statements requirement in the case of a direct offer financial promotion relating to subordinated debt

3A.5.6

**R**

- (1) The *firm* must:
  - (a) include a risk warning in the form in (2) for any *direct offer financial promotion* to a *relevant credit union client* relating to *credit union subordinated debt*; and
  - (b) obtain confirmation in writing from the *relevant credit union client* that the *relevant credit union client* has read the risk warning,

in good time before the *relevant credit union client* makes the subordinated loan to the *credit union*.
- (2) "The investment to which this financial promotion relates is credit union subordinated debt. Making a subordinated loan to a credit union can be high risk and is very different to investment in deposit accounts or other savings products. In particular you should note that:
  - (a) the entire amount you lend is at risk;
  - (b) the loan will not be repaid to you until at least five years from the date on which you lend the amount to the credit union;
  - (c) if the credit union is wound up the sum you lend is only repayable to you if there are funds remaining after all creditors (excluding holders of deferred shares) have been repaid;

- (d) the entire amount you lend is not covered by the Financial Services Compensation Scheme;
- (e) to the fullest extent possible, you will be required to waive any right to set off any amount you owe to the credit union against any amount the credit union owes to you under the subordinated loan; and
- (f) investing more than 10% of your savings or net investment portfolio in credit union subordinated debt, deferred shares issued by a credit union and mutual society shares is unlikely to be in your best interests."

**3A.5.7**

**R**

- (1) The *firm* must:
  - (a) include a statement in the form in (2) in any *direct offer financial promotion* to a *relevant credit union client* relating to *credit union subordinated debt*; and
  - (b) obtain confirmation in writing from the *relevant credit union client* that the *relevant credit union client* has signed the statement,

in good time before the *relevant credit union client* makes the subordinated loan to the *credit union*.
- (2) "I make this statement in connection with my proposed making of a subordinated loan to a credit union. I have been made aware that investing more than 10% of my net assets in credit union subordinated debt, deferred shares issued by a credit union and mutual society shares is unlikely to be in my best interests. I declare that the proposed investment would not result in more than 10% of my net assets being invested in credit union subordinated debt, deferred shares issued by a credit union and mutual society shares. Net assets for these purposes mean my financial assets after deduction of any debts I have. My debts for these purposes do not include the outstanding balance of any mortgage I have on my home, unless this is more than the current value of my home, in which case the debts include the amount above the current value. My financial assets for these purposes do not include:
  - (a) the property which is my primary residence or any money raised through a loan secured on that property;
  - (b) any rights of mine under a contract of insurance; or
  - (c) any benefits (in the form of pensions or otherwise) which are payable on the termination of my service or on my death or retirement and to which I am (or my dependants are) or may be entitled.

I accept that the investment to which this statement relates will expose me to a significant risk of losing all the money invested.
