Chapter 6

Financial Services Compensation Scheme Funding

6.3 The FSCS's power to impose levies

Imposing management expenses and compensation costs levies

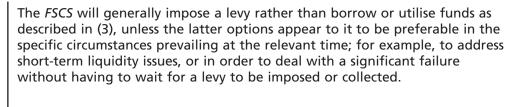

6.3.1

The FSCS may at any time impose a management expenses levy or a compensation costs levy, provided that the FSCS has reasonable grounds for believing that the funds available to it to meet relevant expenses are, or will be, insufficient, taking into account expenditure already incurred, actual and expected recoveries and:

- (1) in the case of a management expenses levy, the level of the FSCS's expected expenditure in respect of those expenses in the *financial* year of the compensation scheme in relation to which the levy is imposed; and
- (2) [deleted]
- (3) in the case of a compensation costs levy:
 - (a) the FSCS's expenditure in respect of compensation costs expected in the 12 months of the financial year of the compensation scheme in relation to which the levy is imposed; or, if greater
 - (b) one third of the FSCS's expenditure in respect of compensation costs expected in the 36 months following the 1 April in the financial year of the compensation scheme in relation to which the levy is imposed.
- G 6.3.2 The calculation of levies will also take into account previous levies, where funds raised in anticipation of meeting liabilities prove either more or less than the amount actually required.
- 6.3.2A The FSCS will usually levy once in each financial year (the annual levy). However, if the compensation costs or specific costs incurred, or expected to be incurred, exceed the amounts held, or reasonably expected to be held, to meet those costs, the FSCS may, at any time during the financial year, do one or more of the following:
 - (1) impose an interim levy; or
 - (2) utilise other sources of funding such as commercial borrowing or other borrowing including from the National Loans Fund; or
 - (3) utilise money collected from firms as set out in, and subject to, ■ FEES 6.3.17 R (Management of funds).

......

.....

- 6.3.3 G The FSCS has committed itself in Memorandum of Understanding with the FCA to publish its policy in respect of levying.
- 6.3.4 G The discretion over levying in FEES 6 also gives the *FSCS*, if it thinks this appropriate, the ability to use third parties as its agents in raising and collecting the levies.

Imposing a MERS levy

6.3.4A R The FSCS may at any time impose a MERS levy provided that the FSCS has reasonable grounds for believing that the funds available to it to meet relevant expenses are or will be insufficient, taking into account relevant expenses incurred or expected to be incurred in the financial year of the compensation scheme in relation to which the levy is imposed.

Limits on compensation costs and specific costs levies on classes

- The maximum aggregate amount of compensation costs and specific costs for which the FSCS can levy each class (including levies through the retail pool) in any one financial year of the compensation scheme is limited to the amounts set out in the table in FEES 6 Annex 2 R.
- **6.3.6** R [deleted]
- **6.3.7** R [deleted]
- 6.3.8 R [deleted]
- 6.3.9 R [deleted]

Levy for compensation costs paid in error

6.3.10 R The FSCS may include in a compensation costs levy the costs of compensation paid by the FSCS in error, provided that the payment was not made in bad faith.

Management of funds

The FSCS must hold any amount collected from a specific costs levy or compensation costs levy to the credit of the classes in accordance with the allocation established under ■ FEES 6.4.6AR and ■ FEES 6.5.2-AR.

FEES 6 : Financial Services Compensation Scheme Funding

- 6.3.12 Any funds received by the FSCS by way of levy or otherwise for the purposes of the compensation scheme are to be managed as the FSCS considers appropriate, and in doing this the FSCS must act prudently.
- 6.3.13 Interest earned by the FSCS in the management of funds held to the credit of a class must be credited to that class, and must be set off against the management expenses or compensation costs allocated to that class.
- 6.3.14 R The FSCS must keep accounts which include:
 - (1) the funds held to the credit of each class; and
 - (2) the liabilities of that class.
- 6.3.15 [deleted] R
- 6.3.15A G [deleted]
- G 6.3.16 [deleted]
- R 6.3.17 (1) The FSCS may use any money held to the credit of one class(the creditor class) to pay compensation costs or specific costs attributable or allocated by way of levy to another class (the debtor class) if the FSCS has reasonable grounds to believe that this would be more economical than borrowing funds from a third party or raising a levy.
 - (2) Where the FSCS acts in accordance with (1), it must ensure that:
 - (a) the creditor class is reimbursed by the debtor class as soon as possible;
 - (b) the debtor class pays interest at a rate equivalent to the Bank of England's repo rate from time to time in force; and
 - (c) the amount lent by the creditor class to the debtor class is taken into account by the FSCS when considering whether to impose a compensation costs levy on the creditor class under ■ FEES 6.3.1 R.
- 6.3.18 G ■ FEES 6.3.17 R deals with how FSCS may use money available to it and does not affect the *rules* on levy allocation in ■ FEES 6.4, ■ 6.5 and ■ 6.5A.
- R 6.3.19 Unless ■ FEES 6.3.20 R applies, any recoveries made by the FSCS in relation to protected claims must be credited to the classes to which the related compensation costs was attributable.
- R 6.3.20 (1) Where the FSCS makes recoveries in relation to protected claims where a related compensation costs levy would have been allocated to a class (class A) had the levy limit for class A not been reached and has been allocated to another class or classes in the retail pool, the recoveries must be applied:

- (a) first, to the *classes* to which the costs levied were allocated in accordance with FEES 6.5A in the same proportion as those *classes* contributed, up to the total amount of that allocation plus interest at a rate equivalent to the Bank of England's Official Bank Rate from time to time in force; and
- (b) thereafter, to class A.
- (2) This *rule* applies even though the recovery is made in a subsequent financial year.
- (3) [deleted]
- **6.3.20A** G Recoveries under FEES 6.3.20 R are net of the costs of recovery.
- If the FSCS has more funds (whether from levies, recoveries or otherwise) to the credit of a class than the FSCS believes will be required to meet levies on that class for the next 12 months, it may refund the surplus to members or former members of the class on any reasonable basis.

Adjustments to calculation of levy shares

- The FSCS may adjust the calculation of a participant firm's share of any levy to take proper account of:
 - any excess, not already taken into account, between previous levies of that type imposed in relation to previous periods and the relevant costs actually incurred in that period; or
 - (2) participant firms that are exempt from the levy under FEES 6.2; or
 - (3) amounts that the FSCS has not been able to recover from participant firms as a result of FEES 6.3.5 R; or
 - (4) amounts that the FSCS has not been able to recover from participant firms after having taken reasonable steps; or
 - (5) FEES 2.3 (Relieving Provisions), FEES 6.5.9 R (New participant firms) or FEES 6.3.23 R (Remission of levy or additional administrative fee); or
 - (6) anything else that the FSCS believes on reasonable grounds should be taken into account.
- The FSCS may not adjust the calculation of a participant firm's share of any levy under FEES 6.3.22 R on the grounds that it would be inequitable for that firm to pay that share or part of it or on the grounds that it would be inequitable for the FSCS to retain that share or part of it.
- 6.3.22B G The reason for FEES 6.3.22A R is that any such claim should be dealt with under FEES 2.3 (Relieving Provisions).

Firms acquiring businesses from other firms

- 6.3.22C
- R
- (1) This rule applies to the calculation of the levies of a firm (A) if:
 - (a) either:
 - (i) A acquires all or a part of the business of another firm (B), whether by merger, acquisition of goodwill or otherwise; or
 - (ii) A became authorised as a result of B's simple change of legal status (as defined in ■ FEES 3 Annex 1R Part 6);
 - (b) B is no longer liable to pay a levy; and
 - (c) that acquisition or change takes place after the date to which, or as of which, A's most recent statement of business under ■ FEES 6.5.13 R is drawn up so far as concerns the *classes* covered by B's business.
- (2) A must pay an additional amount equal to the levy that would have been payable by B in relation to the relevant business and relevant classes if the acquisition or change in status had not taken place and B had remained liable to pay levies. The amount is based on the most recent information supplied by B under ■ FEES 6.5.13 R. A is included in the classes applicable to the relevant business.
- (3) This rule only applies with respect to those financial years of the compensation scheme for which A's levies are calculated on the basis of a statement of business under ■ FEES 6.5.13 R drawn up to a date, or as of a date, before the acquisition or change in legal status took place.

Remission of levy or additional administrative fee

- 6.3.23
- R

If a participant firm's share of a levy or an additional administrative fee under ■ FEES 6.7.4 R would be so small that, in the opinion of the FSCS, the costs of collection would be disproportionate to the amount payable, the FSCS may treat the participant firm as if its share of the levy or additional administrative fee amounted to zero.

Levies on the Society of Lloyd's

- 6.3.24

The FSCS may impose a levy on the Society to be calculated as the aggregate of the levies that would be imposed on each member if this chapter applied to members, as follows:

- (1) a share of the base costs levy for each financial year; and
- (2) a share of a specific costs levy or a compensation costs levy allocated to the insurers – life contribution class or insurers – general contribution class in the retail pool in accordance with this chapter.
- 6.3.25

The following core provisions of the Act apply to the carrying on of insurance market activities by members:

(1) Part 9A (Rules and guidance) for the purpose of applying the rules in ■ FEES 6 and relevant interpretative provisions;

FEES 6/6

(2) Part XV (Financial Services Compensation Scheme).

[Note: section 316 of the Act]

6.3.26 G

The *insurance market direction* in ■FEES 6.3.25D is intended to advance the *FCA's* consumer protection objective in section 1C of the *Act* by assisting the *FSCS* to impose a levy on the *Society*, calculated as the aggregate of the levies that would be imposed on *members*, in accordance with ■FEES 6.3.24R. As a result of section 317(2) of the Act, references to an *authorised person* in Part XV of the *Act* include a *member*.

Effect of annulment of cancellation or variation of permission under Schedule 6A on levies

6.3.27 G

Schedule 6A to the *Act* sets out a procedure to enable the *FCA* to cancel or vary the *Part 4A permission* of a *person* who it appears to the *FCA* is not carrying on a *regulated activity*. Paragraph 5 of that schedule sets out a procedure for annulment of cancellation or variation of *Part 4A permission* in specified circumstances. Where the *FCA* grants an application for annulment, paragraph 6 of Schedule 6A sets out its effect. In particular, the cancellation or variation of *Part 4A permission* is treated as if it had never taken place. As a result of the effect of annulment under Schedule 6A, any levy provided for under this chapter applicable to the *person*, in relation to the period during which the *person's Part 4A permission* was cancelled or varied, applies to the *person*, unless the exemption in FEES 6.2.1AR applies.
