Interim Prudential sourcebook for investment businesses

Chapter 5

Financial resources

IPRU-INV 5 : Financial resources

		5.5	Annual expenditure	
5.5.1 R		termination nual expenditure is:		
	 (a) the sum of the amounts described as total expenditure in the four quarterly financial returns up to (and including) that prepared at the firm's most recent accounting reference date, less the following items (if they are included within such expenditure): (i) staff bonuses, except to the extent that they are guaranteed; 			
		employees	and directors' shares in profits, except to the extent are guaranteed;	
	(iii)	-	ropriations of profits;	
		shared con	nmission and fees payable which are directly related to n and fees receivable which are included within total	
	(v)		arges in respect of borrowings made to finance the of the firm's readily realisable investments;	
	(vi)	interest pa	aid to customers on client money;	
	(vii)	interest pa	id to counterparties;	
	(viii)	exchanges	erage and other charges paid to clearing houses, and intermediate brokers for the purposes of registering or clearing transactions;	
	(ix) foreign exchange losses; or			
	 (b) where the previous accounting period does not include twelve months' trading, an amount calculated in accordance with paragraph (a) above prorated to an equivalent annual amount; or 			
	the fore	commence ecast expen	nas not prepared four quarterly financial returns since ment of its permitted business , an amount based on diture included in its budget for the first twelve ng, as submitted with its application for membership.	
5.5.2 G	A <i>firm</i> 's financial resources requirement will be recalculated annually when its fourth quarterly financial return is prepared. The <i>firm</i> must maintain financial resources sufficient to meet its new financial resources requirement from the date on which the fourth quarterly financial return is prepared and			

no later than 80 business days after the *firm's* accounting reference date. The **expenditure based requirement** applicable at the accounting reference date will be based on the four quarterly **financial returns** prepared up to and on that date.
