9.2.2AB A listed company with a controlling shareholder must demonstrate that, despite having a controlling shareholder, the listed company is still able to carry on an independent business as its main activity at all times.

9.2.2AC □ LR 6.5.3G provides guidance on factors that may indicate that a listed company with a controlling shareholder is not carrying on an independent business.

(1) must not be voted on within a period of 90 days from the date of the original vote;

(2) must be voted on within a period of 30 days from the end of the period set out in (1); and

**9.2.2H** In addition to the annual confirmation required to be included in a *listed company*’s annual financial report under **LR 9.8.4R (14)**, the FCA may request information from a *listed company* under **LR 1.3.1 R (3)** to confirm or verify that an undertaking in **LR 6.5.4R** or **LR 9.2.2ADR(1)** or a procurement obligation (as set out in **LR 6.5.5R(2)(a)** or **LR 9.2.2BR (2)(a)**) contained in an agreement entered into under **LR 6.5.4R** or **LR 9.2.2ADR(1)** is being or has been complied with.

### Control of business

9.2.6 A listed company that is not already required to comply with the obligations referred to under article 17 of the Market Abuse Regulation must comply with those obligations as if it were an issuer for the purposes of the disclosure requirements and transparency rules subject to article 22 of the Market Abuse Regulation.

9.2.6A A listed company, whose equity shares are admitted to trading on a regulated market, should consider its obligations under DTR 4 (Periodic financial reporting), DTR 5 (Vote holder and issuer notification rules), DTR 6 (Access to information) and DTR 7 (Corporate governance).

9.2.6B A listed company that is not already required to comply with the transparency rules must comply with DTR 4, DTR 5 and DTR 6 as if it were an issuer for the purposes of the transparency rules.

9.2.6C A listed company that is not already required to comply with DTR 7.3 (Related party transactions) must comply with DTR 7.3 as if it were an issuer to which DTR 7.3 applies, subject to the modifications set out in LR 9.2.6DR.

9.2.6D For the purposes of LR 9.2.6CR, DTR 7.3 is modified as follows:

(1) DTR 7.3.2R must be read as if the words “has the meaning in UK-adopted IFRS” are replaced by:

(3) DTR 7.3.9R must be read as follows:

(a) as if the words “after obtaining board approval” are replaced by “after publishing an announcement in accordance with DTR 7.3.8R(1)”; and

Disclosure of rights attached to equity shares

Unless exempted in LR 9.2.6HR, a listed company must:

(1) forward to the FCA for publication a copy of one or more of the following:

(a) the approved prospectus or listing particulars for its listed equity shares;

(b) the relevant agreement or document setting out the terms and conditions on which its listed equity shares were issued; or

(c) a document describing:

(i) the rights attached to its listed equity shares;

(ii) limitations on such rights; and

(iii) the procedure for the exercise of such rights, produced in accordance with the relevant Annex of the Prospectus Regulation that would have applied had the listed company been required to produce a prospectus for those listed equity shares; and

(2) if the information in relation to the rights attached to its listed equity shares set out in the document previously forwarded in accordance with (1) is no longer accurate, forward to the FCA for publication a copy of either of the following:

(a) a new document in accordance with (1); or

(b) a document describing or setting out the changes which have occurred in relation to the rights attached to the listed company’s listed equity shares.

The documents in LR 9.2.6ER must be forwarded to the FCA for publication by uploading them to the national storage mechanism.
The purpose of LR 9.2.6ER is to require listed companies to maintain publicly available information in relation to the rights attached to their listed equity shares so that investors can access such information.

A listed company is exempt from LR 9.2.6ER where:

(1) it has previously forwarded to the FCA for publication, or otherwise filed with the FCA, a document specified in LR 9.2.6ER(1);

(2) if the information in relation to the rights attached to its listed equity shares set out in the document previously forwarded or filed in accordance with (1) is no longer accurate, it has forwarded to the FCA for publication, or otherwise filed with the FCA, a copy of either of the following:
   (a) one of the documents specified in LR 9.2.6ER(1); or
   (b) a document describing or setting out the changes which have occurred in relation to the rights attached to the listed company’s listed equity shares, and

(3) the documents in (1) and (2) have been forwarded to the FCA for publication, or otherwise filed with the FCA, by:
   (a) forwarding them for publication on a location previously identified on the FCA website where the public can inspect documents referred to in the listing rules as being documents to be made available at the document viewing facility; or
   (b) uploading them to the national storage mechanism.

Contact details

A listed company must ensure that the FCA is provided with up to date contact details of at least one appropriate person nominated by it to act as the first point of contact with the FCA in relation to the company’s
compliance with the listing rules and the disclosure requirements and transparency rules.

Publication of unaudited financial information

9.2.18 (1) This rule applies to a listed company that has published:

(a) any unaudited financial information in a class 1 circular or a prospectus; or

(b) any profit forecast or profit estimate.

(2) The first time a listed company publishes financial information as required by DTR 4.1 after the publication of the unaudited financial information, profit forecast or profit estimate, it must:

(a) reproduce that financial information, profit forecast or profit estimate in its next annual report and accounts;
(b) produce and disclose in the annual report and accounts the actual figures for the same period covered by the information reproduced under paragraph (2)(a); and

(c) provide an explanation of the difference, if there is a difference of 10% or more between the figures required by paragraph (2)(b) and those reproduced under paragraph (2)(a).

9.2.19 G

LR 9.2.18 R does not apply to:

1. pro forma financial information prepared in accordance with Annex 1 and Annex 2 of the PR Regulation; or

2. any preliminary statements of annual results or half-yearly or quarterly reports that are reproduced with the unaudited financial information.

Externally managed companies

An issuer must at all times ensure that the discretion of its board to make strategic decisions on behalf of the company has not been limited or transferred to a person outside the issuer's group, and that the board has the capability to act on key strategic matters in the absence of a recommendation from a person outside the issuer's group.

Voting on matters relevant to premium listing

9.2.21 R

1. Subject to LR 9.2.22AR, where the provisions of LR 5.2, LR 5.4A, LR 9.4, LR 9.5, LR 10, LR 11, LR 12 or LR 15 require a shareholder vote to be taken, that vote must be decided by a resolution of the holders of the listed company's shares that have been admitted to premium listing.

2. Where the provisions of LR 5.2.5R(2), LR 5.4A.4R(3)(b)(ii), LR 5.4A.4R(3)(c)(ii) or LR 9.2.2ER require that the resolution must in addition be approved by independent shareholders, only independent shareholders who hold the listed company's shares that have been admitted to premium listing can vote.

9.2.22 G

The FCA may modify the operation of LR 9.2.21 R in exceptional circumstances, for example to accommodate the operation of:

1. special share arrangements designed to protect the national interest;

2. dual listed company voting arrangements; and

3. voting rights attaching to preference shares or similar securities that are in arrears.

Voting on matters relevant to premium listing by holders of specified weighted voting rights shares

9.2.22A R

1. Holders of specified weighted voting rights shares may participate in a vote on matters falling within the provisions referred to in
■ LR 9.2.21R in accordance with the voting rights attached to those shares.

(2) ■ LR 9.2.22AR(1) only applies with respect to issuers:

(a) to which the condition in ■ LR 6.9.1AR applied on the first occasion they made an application for shares to be admitted to premium listing; and

(b) which have had no class of weighted voting rights shares in issue other than specified weighted voting rights shares since the issuer first had a class of shares admitted to premium listing.

(3) Subject to paragraph (4), the exception to ■ LR 9.2.21R in paragraph (1) applies for a period of 5 years beginning with the date on which the issuer first had a class of shares admitted to premium listing.

(4) Where an admission of shares to premium listing is connected with a transaction or arrangement of the kind listed below in relation to a listed company (A), the exception to ■ LR 9.2.21R in paragraph (1) applies for a period of 5 years beginning with the date on which A first had a class of shares admitted to premium listing:

(a) an acquisition of A;

(b) a reorganisation or restructuring of A’s group;

(c) the listing of a new holding company of A;

(d) a reverse takeover in connection with A;

(e) a merger involving A’s business;

(f) any transaction or arrangement having similar effect to those set out in (a) to (e).

The purpose of ■ LR 9.2.22AR(4) is to ensure that holders of specified weighted voting rights shares only participate in the shareholder votes referred to for 5 years from the date of company A’s initial listing, and not, for example, 5 years from the date of any new holding company’s admission to listing. A group restructuring or a reverse takeover or another similar transaction should not have the effect of artificially extending the period within which holders of A’s specified weighted voting rights shares may exercise voting rights on the matters relevant to premium listing referred to in ■ LR 9.2.21R(1).

Specified weighted voting rights shares are weighted voting rights shares of a class which meet the following conditions:

(1) subject to paragraph (2), each share carries the same number of votes on matters at a general meeting of the company as a share in the class admitted to premium listing;

(2) in relation to the following matters only, each share may carry up to 20 times the votes carried by a share in the class admitted to premium listing:

(a) the removal of the holder as a director whether under section 168 of the Companies Act 2006 or otherwise; and

(b) following a change of control in the issuer, any matter; and
(3) the shares may only be held by a director of the issuer or, following the death of a director, a beneficiary of the director’s estate.

(1) For the purposes of LR 9.2.22CR(1)(b), (subject to paragraph (2)) a change of control is the acquisition by any person of an interest in shares in a listed company that, taken together with shares in which that person and any persons acting in concert with them are interested, results in that person being entitled to exercise or control the exercise of more than 50 per cent of the votes able to be cast on all or substantially all matters at general meetings of the company.

(2) There is no change of control for the purposes of LR 9.2.22CR(1)(b) where the person acquiring an interest in shares is a holder of specified weighted voting rights shares or any person acting in concert with that person.

(3) Without prejudice to the generality of paragraph (1), if such an acquisition is effected by means of:
   (a) a scheme of arrangement under Part 26 of the Companies Act 2006, a change of control occurs when the scheme of arrangement becomes effective;
   (b) a takeover offer under Part 28 of the Companies Act 2006, a change of control occurs when the takeover offer becomes unconditional in all respects.

The effect of ■ LR 9.2.22AR(1) and ■ LR 9.2.22CR is that:

(1) the holder of specified weighting voting rights shares may vote on matters otherwise reserved to holders of premium listed shares under ■ LR 9.2.21R(1) on the same basis as those shareholders, subject to ■ LR 9.2.22AR(2) to ■ (4); and

(2) if there is a change of control, the holder of a specified weighted voting rights share may then vote on such matters on the basis of weighted voting rights of up to 20 times the votes attaching to a premium listed share, subject to ■ LR 9.2.22AR(2) to ■ (4) and ■ LR 9.2.22CR.

The FCA may modify the operation of LR 9.2.21AR to LR 9.2.21DR in exceptional circumstances, for example to accommodate the operation of:

(1) special share arrangements designed to protect the national interest;

(2) dual listed company voting arrangements; and

(3) voting rights attaching to preference shares or similar securities that are in arrears.
Notifications to the FCA: notifications regarding continuing obligations

9.2.23 A listed company must notify the FCA without delay if it does not comply with any continuing obligation set out in LR 9.2.2A R, LR 9.2.2ABR, LR 9.2.2ADR, LR 9.2.2E R, LR 9.2.2F R, LR 9.2.15 R, LR 9.2.21 R or LR 9.2.22AR.

Notifications to the FCA: notifications regarding compliance with independence provisions

9.2.24 A listed company must notify the FCA without delay if:

(1) it no longer complies with LR 9.2.2G R;

(2) it becomes aware that an undertaking in LR 6.5.4R or LR 9.2.2ADR(1) has not been complied with by the controlling shareholder or any of its associates; or

(3) it becomes aware that a procurement obligation (as set out in LR 6.5.5R(2)(a) or LR 9.2.2BR (2)(a)) contained in an agreement entered into under LR 6.5.4R or LR 9.2.2ADR(1) has not been complied with by a controlling shareholder.

Notifications to the FCA: notifications regarding LR 9.8.4AR

9.2.25 A listed company must notify the FCA without delay if its annual financial report contains a statement of the kind specified under LR 9.8.4A R.

Inability to comply with continuing obligations

9.2.26 Where a listed company is unable to comply with a continuing obligation set out in LR 9.2, it should consider seeking a cancellation of listing or applying for a transfer of its listing category. In particular, the listed company should note LR 5.2.2 G (2) and LR 5.4A.16 G.
9.3 Continuing obligations: holders

Proxy forms

9.3.6 A listed company must ensure that, in addition to its obligations under the Companies Act 2006, a proxy form:

(1) [deleted]

(2) provides for at least three-way voting on all resolutions intended to be proposed (except that it is not necessary to provide proxy forms with three-way voting on procedural resolutions); and

(3) [deleted]

(4) states that if it is returned without an indication as to how the proxy shall vote on any particular matter, the proxy will exercise his discretion as to whether, and if so how, he votes.

Proxy forms for re-election of retiring directors

9.3.7 If the resolutions to be proposed include the re-election of retiring directors and the number of retiring directors standing for re-election exceeds five, the proxy form may give shareholders the opportunity to vote for or against (or abstain from voting on) the re-election of the retiring directors as a whole but must also allow votes to be cast for or against (or for shareholders to abstain from voting on) the re-election of the retiring directors individually.

9.3.8 [deleted]
Sanctions

Where a listed company has taken a power in its constitution to impose sanctions on a shareholder who is in default in complying with a notice served under section 793 of the Companies Act 2006 (Notice by company requiring information about interests in its shares):

1. Sanctions may not take effect earlier than 14 days after service of the notice;
2. For a shareholding of less than 0.25% of the shares of a particular class (calculated exclusive of treasury shares), the only sanction the constitution may provide for is a prohibition against attending meetings and voting;
3. For a shareholding of 0.25% or more of the shares of a particular class (calculated exclusive of treasury shares), the constitution may provide:
   a. For a prohibition against attending meetings and voting;
   b. For the withholding of the payment of dividends (including shares issued in lieu of dividend) on the shares concerned; and
   c. For the placing of restrictions on the transfer of shares, provided that restrictions on transfer do not apply to a sale to a genuine unconnected third party (such as through a RIE or an overseas exchange or by the acceptance of a takeover offer); and
4. Any sanctions imposed in accordance with paragraph (2) or (3) above must cease to apply after a specified period of not more than seven days after the earlier of:
   a. Receipt by the issuer of notice that the shareholding has been sold to an unconnected third party through a RIE or an overseas exchange or by the acceptance of a takeover offer; and
   b. Due compliance, to the satisfaction of the issuer, with the notice under section 793.

An overseas company with a premium listing is not required to comply with LR 9.3.9 R.

Pre-emption rights

A listed company proposing to issue equity securities for cash or to sell treasury shares that are equity shares for cash must first offer those equity securities in proportion to their existing holdings to:

1. Existing holders of that class of equity shares (other than the listed company itself by virtue of it holding treasury shares); and
2. Holders of other equity shares of the listed company who are entitled to be offered them.

LR 9.3.11 R does not apply to:

1. A listed company incorporated in the United Kingdom if a disapplication of statutory pre-emption rights has been authorised by
shareholders in accordance with section 570 (Disapplication of pre-emption rights: directors acting under general authorisation) or section 571 (Disapplication of pre-emption rights by special resolution) of the Companies Act 2006 and the issue of equity securities or sale of treasury shares that are equity shares by the listed company is within the terms of the authority; or

(2) a listed company undertaking a rights issue or open offer provided the disapplication of pre-emption rights is with respect to:

(a) equity securities representing fractional entitlements; or

(b) equity securities which the company considers necessary or expedient to exclude from the offer on account of the laws or regulatory requirements of a territory other than its country of incorporation unless that territory is the United Kingdom; or

(3) a listed company selling treasury shares for cash to an employee share scheme; or

(4) an overseas company with a premium listing if a disapplication of statutory pre-emption rights has been authorised by shareholders that is equivalent to an authority given in accordance either with section 570 or section 571 of the Companies Act 2006 or in accordance with the law of its country of incorporation provided that the country has implemented article 29 of Directive 77/91/EEC or article 33 of Directive 2012/30/EU and the issue of equity securities or sale of treasury shares that are equity shares by the listed company is within the terms of the authority;

9.4 Documents requiring prior approval

Employees share schemes and long-term incentive plans

9.4.1 This rule applies to the following schemes of a listed company incorporated in the United Kingdom and of any of its major subsidiary undertaking (even if that major subsidiary undertaking is incorporated or operates overseas):

(a) an employees' share scheme if the scheme involves or may involve the issue of new shares or the transfer of treasury shares; and

(b) a long-term incentive scheme in which one or more directors of the listed company is eligible to participate.

9.4.2 LR 9.4.1 R does not apply to the following long-term incentive schemes:

(1) an arrangement where participation is offered on similar terms to all or substantially all employees of the listed company or any of its subsidiary undertakings whose employees are eligible to participate in the arrangement (provided that all or substantially all employees are not directors of the listed company); and

(2) an arrangement where the only participant is a director of the listed company (or an individual whose appointment as a director of the listed company is being contemplated) and the arrangement is established specifically to facilitate, in unusual circumstances, the recruitment or retention of the relevant individual.

9.4.3 For a scheme referred to in LR 9.4.2R (2), the following information must be disclosed in the first annual report published by the listed company after the date on which the relevant individual becomes eligible to participate in the arrangement:

(1) all of the information prescribed in LR 13.8.11 R;

(2) the name of the sole participant;

(3) the date on which the participant first became eligible to participate in the arrangement;
(4) an explanation of why the circumstances in which the arrangement was established were unusual;

(5) the conditions to be satisfied under the terms of the arrangement; and

(6) the maximum award(s) under the terms of the arrangement or, if there is no maximum, the basis on which awards will be determined.

Discounted option arrangements

9.4.4 (1) This rule applies to the grant to a director or employee of a listed company or of any subsidiary undertaking of a listed company of an option to subscribe, warrant to subscribe or other similar right to subscribe for shares in the capital of the listed company or any of its subsidiary undertakings.

(2) A listed company must not, without the prior approval by an ordinary resolution of the shareholders of the listed company in a general meeting, grant the option, warrant or other right if the price per share payable on the exercise of the option, warrant or other similar right to subscribe is less than whichever of the following is used to calculate the exercise price:

(a) the market value of the share on the date when the exercise price is determined; or

(b) the market value of the share on the business day before that date; or

(c) the average of the market values for a number of dealing days within a period not exceeding 30 days immediately before that date.

9.4.5 ■ LR 9.4.4 R does not apply to the grant of an option to subscribe, warrant to subscribe or other similar right to subscribe for shares in the capital of a listed company or any of its subsidiary undertakings:

(1) under an employees' share scheme if participation is offered on similar terms to all or substantially all employees of the listed company or any of its subsidiary undertakings whose employees are entitled to participate in the scheme; or

(2) following a take-over or reconstruction, in replacement for and on comparable terms with options to subscribe, warrants to subscribe or other similar rights to subscribe held immediately before the take-over or reconstruction for shares in either a company of which the listed company thereby obtains control or in any of that company's subsidiary undertakings.
9.5 Transactions

Rights issue

9.5.1 For a placing of rights arising from a rights issue before the official start of dealings, a listed company must ensure that:

(1) the placing relates to at least 25% of the maximum number of equity securities offered;

(2) the placees are committed to take up whatever is placed with them;

(3) the price paid by the placees does not exceed the price at which the equity securities which are the subject of the rights issue are offered by more than one half of the calculated premium over that offer price (that premium being the difference between the offer price and the theoretical ex-rights price); and

(4) the equity securities which are the subject of the rights issue are of the same class as the equity securities already listed.

9.5.2 The FCA may modify LR 9.5.1R (1) to allow the placing to relate to less than 25% if it is satisfied that requiring at least 25% would be detrimental to the success of the issue.

9.5.3 In a rights issue, the FCA may list the equity securities at the same time as they are admitted to trading in nil paid form. On the equity securities being paid up and the allotment becoming unconditional, the listing will continue without any need for a further application to list fully paid securities.

9.5.4 If existing shareholders do not take up their rights to subscribe in a rights issue:

(1) the listed company must ensure that the equity securities to which the offer relates are offered for subscription or purchase on terms that any premium obtained over the subscription or purchase price (net of expenses) is to be for the account of the holders, except that if the proceeds for an existing holder do not exceed 5.00, the proceeds may be retained for the company’s benefit; and

(2) the equity securities may be allotted or sold to underwriters, if on the expiry of the subscription period no premium (net of expenses) has been obtained.
A listed company must ensure that for a rights issue the following are notified to a RIS as soon as possible:

1. the issue price and principal terms of the issue; and
2. the results of the issue and, if any rights not taken up are sold, details of the sale, including the date and price per share.

A listed company must ensure that the offer relating to a rights issue remains open for acceptance for at least 10 business days. For the purposes of calculating the period of 10 business days, the first business day is the date on which the offer is first open for acceptance.

Open offers

A listed company must ensure that the timetable for an open offer is approved by the RIE on which its equity securities are traded.

A listed company must ensure that the open offer remains open for acceptance for at least 10 business days. For the purposes of calculating the period of 10 business days, the first business day is the date on which the offer is first open for acceptance.

A listed company must ensure that in relation to communicating information on an open offer:

1. if the offer is subject to shareholder approval in general meeting the announcement must state that this is the case; and
2. the circular dealing with the offer must not contain any statement that might be taken to imply that the offer gives the same entitlements as a rights issue unless it is an offer with a compensatory element.

If existing shareholders do not take up their rights to subscribe in an open offer with a compensatory element:

1. the listed company must ensure that the equity securities to which the offer relates are offered for subscription or purchase on terms that any premium obtained over the subscription or purchase price (net of expenses) is to be for the account of the holders, except that if the proceeds for an existing holder do not exceed £5, the proceeds may be retained for the company’s benefit; and
2. the equity securities may be allotted or sold to underwriters, if on the expiry of the subscription period no premium (net of expenses) has been obtained.

A listed company must ensure that for a subscription in an open offer with a compensatory element the following are notified to a RIS as soon as possible:

1. the offer price and principal terms of the offer; and
(2) the results of the offer and, if any securities not taken up are sold, details of the sale, including the date and price per share.

Vendor consideration placing

A listed company must ensure that in a vendor consideration placing all vendors have an equal opportunity to participate in the placing.

Discounts not to exceed 10%

(1) If a listed company makes an open offer, placing, vendor consideration placing, offer for subscription of equity shares or an issue out of treasury (other than in respect of an employees’ share scheme) of a class already listed, the price must not be at a discount of more than 10% to the middle market price of those shares at the time of announcing the terms of the offer for an open offer or offer for subscription of equity shares or at the time of agreeing the placing for a placing or vendor consideration placing.

(2) In paragraph (1), the middle market price of equity shares means the middle market quotation for those equity shares as derived from the daily official list of the London Stock Exchange or any other publication of an RIE showing quotations for listed securities for the relevant date.

(2A) If a listed company makes an open offer, placing, vendor consideration placing or offer for subscription of equity shares during the trading day it may use an appropriate on-screen intra-day price derived from another market.

(3) Paragraph (1) does not apply to an offer or placing at a discount of more than 10% if:
(a) the terms of the offer or placing at that discount have been specifically approved by the issuer’s shareholders; or
(b) it is an issue of shares for cash or the sale of treasury shares for cash under a pre-existing general authority to disapply section 561 of the Companies Act 2006 (Existing shareholders’ rights of pre-emption).

(4) The listed company must notify a RIS as soon as possible after it has agreed the terms of the offer or placing.

On each occasion that the listed company plans to use an on-screen intra-day price it should discuss the source of the price in advance with the FCA. The FCA may be satisfied that there is sufficient justification for its use if the alternative market has an appropriate level of liquidity and the source is one that is widely accepted by the market.

Offer for sale or subscription

A listed company must ensure that for an offer for sale or an offer for subscription of equity securities:
(1) letters of allotment or acceptance are all issued simultaneously and numbered serially (and, where appropriate, split and certified by the listed company's registrars);

(2) if the equity securities may be held in uncertificated form, there is equal treatment of those who elect to hold the equity securities in certificated form and those who elect to hold them in uncertificated form;

(3) letters of regret are posted at the same time or not later than three business days after the letters of allotment or acceptance; and

(4) if a letter of regret is not posted at the same time as letters of allotment or acceptance, a notice to that effect is inserted in a national newspaper, to appear on the morning after the letters of allotment or acceptance are posted.

9.5.12 R

(1) If a listed company produces a circular containing proposals to be put to shareholders in a general meeting relating to a reconstruction or a re-financing, the circular must be produced in accordance with § LR 13.3 and must include a working capital statement.

(2) The requirement for a working capital statement set out in paragraph (1) does not apply to a closed-ended investment fund.

(3) The working capital statement required by paragraph (1) must be prepared in accordance with item 3.1 of Annex 11 of the PR Regulation and on the basis that the reconstruction or the re-financing has taken place.

9.5.13 R

If, for an issue of equity securities (other than an issue in lieu of dividend), a shareholders entitlement includes a fraction of a security, a listed company must ensure that the fraction is sold for the benefit of the holder except that if its value (net of expenses) does not exceed 5.00 it may be sold for the company's benefit. Sales of fractions may be made before listing is granted.

9.5.14 R

When shares of the same class as shares that are listed are allotted, an application for admission to listing of such shares must be made as soon as possible and in any event within one month of the allotment. [Note: Article 64 CARD]

9.5.15 R

(1) is serially numbered;

(2) states where applicable:

(b) for a fixed income security, the amount of the next payment of interest or dividend;
(c) the pro rata entitlement;

(e) how the securities rank for dividend or interest;
(f) the nature of the document of title and proposed date of issue;
(g) how fractions (if any) are to be treated; and
(h) for a rights issue, the time, being not less than 10 business days calculated in accordance with LR 9.5.6 R, in which the offer may be accepted, and how equity securities not taken up will be dealt with; and

(3) if renounceable:
(a) states in a heading that the document is of value and negotiable;
(b) advises holders of equity securities who are in any doubt as to what action to take to consult appropriate independent advisers immediately;
(c) states that where all of the securities have been sold by the addressee (other than ex rights or ex capitalisation), the document should be passed to the person through whom the sale was effected for transmission to the purchaser;
(d) has the form of renunciation and the registration instructions printed on the back of, or attached to, the document;
(e) includes provision for splitting (without fee) and for split documents to be certified by an official of the company or authorised agent;
(f) provides for the last day for renunciation to be the second business day after the last day for splitting; and
(g) if at the same time as an allotment is made of shares issued for cash, shares of the same class are also allotted credited as fully paid to vendors or others, provides for the period for renunciation to be the same as, but no longer than, that provided for in the case of shares issued for cash.

Definitive documents of title

A listed company must ensure that any definitive document of title for an equity share (other than a bearer security) includes the following matters on its face (or on the reverse in the case of paragraphs (5) and (7)):

(c) where in its annual financial report or (where appropriate) other document the climate-related financial disclosures referred to in (a) can be found.

9.8.6A

(1) The effect of 9.8.6R (1) is that a listed company is required to set out a 'snapshot' of the total interests of a director and his or her connected persons, as at the end of the period under review (including certain information to update it as at a date not more than a month before the date of the notice of the annual general meeting). The interests that need to be set out are limited to those in respect of which transactions fall to be notified under the notification requirement for PDMRs in article 19 of the Market Abuse Regulation. Persons who are directors during, but not at the end of, the period under review need not be included.

(2) A listed company unable to compile the statement in 9.8.6R (1) from information already available to it may need to seek the relevant information, or confirmation, from the director himself, including that in relation to connected persons, but would not be expected to obtain information directly from connected persons.

9.8.6B

For the purposes of 9.8.6R(8), in determining whether climate-related financial disclosures are consistent with the TCFD Recommendations and Recommended Disclosures, a listed company should undertake a detailed assessment of those disclosures which takes into account:

(1) Section C of the TCFD Annex entitled “Guidance for All Sectors”;

(2) (where appropriate) Section D of the TCFD Annex entitled “Supplemental Guidance for the Financial Sector”; and

(3) (where appropriate) Section E of the TCFD Annex entitled “Supplemental Guidance for Non-Financial Groups”.

9.8.6C

For the purposes of 9.8.6R(8), in determining whether a listed company’s climate-related financial disclosures are consistent with the TCFD Recommendations and Recommended Disclosures, the FCA considers that the following documents are relevant:

(1) the TCFD Final Report and the TCFD Annex, to the extent not already referred to in 9.8.6R(8) and 9.8.6BG;

(2) the TCFD Technical Supplement on the Use of Scenario Analysis;

(3) the TCFD Guidance on Risk Management Integration and Disclosure;

(4) (where appropriate) the TCFD Guidance on Scenario Analysis for Non-Financial Companies; and

(5) the TCFD Guidance on Metrics, Targets and Transition Plans.

9.8.6D

For the purposes of 9.8.6R(8), in determining whether climate-related financial disclosures are consistent with the TCFD Recommendations and Recommended Disclosures, a listed company should consider whether those
disclosures provide sufficient detail to enable users to assess the listed company’s exposure to and approach to addressing climate-related issues. A listed company should carry out its own assessment to ascertain the appropriate level of detail to be included in its climate-related financial disclosures, taking into account factors such as:

1. the level of its exposure to climate-related risks and opportunities; and
2. the scope and objectives of its climate-related strategy,

noting that these factors may relate to the nature, size and complexity of the listed company’s business.

For the purposes of LR 9.8.6R(8), the FCA would ordinarily expect a listed company to be able to make climate-related financial disclosures consistent with the TCFD Recommendations and Recommended Disclosures, except where it faces transitional challenges in obtaining relevant data or embedding relevant modelling or analytical capabilities.

In particular, the FCA would expect that a listed company should ordinarily be able to make disclosures consistent with:

1. the recommendation and recommended disclosures on governance in the TCFD Recommendations and Recommended Disclosures;
2. the recommendation and recommended disclosures on risk management in the TCFD Recommendations and Recommended Disclosures; and
3. recommended disclosures (a) and (b) set out under the recommendation on strategy in the TCFD Recommendations and Recommended Disclosures, to the extent that the listed company does not face the transitional challenges referred to in (1) in relation to such disclosures.

Where making disclosures on transition plans as part of its disclosures on strategy under the TCFD Recommendations and Recommended Disclosures, a listed company that is headquartered in, or operates in, a country that has made a commitment to a net zero economy, such as the UK’s commitment in the Climate Change Act 2008 (2050 Target Amendment) Order 2019, is encouraged to assess the extent to which it has considered that commitment in developing and disclosing its transition plan. Where it has not considered this commitment in developing and disclosing its transition plan, the FCA encourages a listed company to explain why it has not done so.

An overseas company with a premium listing must include in its annual report and accounts the information in LR 9.8.6R(5), LR 9.8.6R(6), LR 9.8.6R(8) and LR 9.8.8R.

(1) An overseas company with a premium listing must comply with DTR 7.2 (Corporate governance statements) as if it were an issuer to which that section applies.
(2) An overseas company with a premium listing which complies with LR 9.8.7 R will be taken to satisfy the requirements of DTR 7.2.2 R and DTR 7.2.3 R, but must comply with all of the other requirements of DTR 7.2 as if it were an issuer to which that section applies.

Report to shareholders

9.8.8 R
The report to the shareholders by the Board required by LR 9.8.6R (7) must contain details of the unexpired term of any director’s service contract of a director proposed for election or re-election at the forthcoming annual general meeting, and, if any director proposed for election or re-election does not have a directors’ service contract, a statement to that effect.
