

Chapter 5

Guidance on insurance distribution activities

5.12 Link between activities and the United Kingdom

Introduction

- 5.12.1

G

Section 19 of the *Act* (The general prohibition) provides that the requirement to be *authorised* under the *Act* only applies in relation to *regulated activities* which are carried on 'in the *United Kingdom*'. In many cases, it will be quite straightforward to identify where an activity is carried on. But, when there is a cross-border element, for example because a *customer* is outside the *United Kingdom* or because some other element of the activity happens outside the *United Kingdom*, the question may need careful consideration.
- 5.12.2

G

Even if a *person* concludes that he is not carrying on a *regulated activity* in the *United Kingdom*, he will need to ensure that he does not contravene other provisions of the *Act* that apply to *unauthorised persons*. These include the controls on *financial promotion* (section 21 (Financial promotion) of the *Act*) (see ■ PERG 8 (Financial promotion and related activities)), and on giving the impression that a *person* is *authorised* (section 24 (False claims to be authorised or exempt)).
- 5.12.3

G

The table in ■ PERG 5.12.4 G is a very simplified summary of territorial issues relating to overseas insurance intermediaries carrying on the business of *insurance distribution activities* in or into the *United Kingdom* for remuneration.

Third country intermediary providing services in (or into) the <i>UK</i>	Yes unless overseas persons exclusion applies	Potentially available

Where are insurance distribution activities carried on?.....

5.12.5 G *Persons carrying on insurance distribution activities from a registered office or head office in the United Kingdom will clearly be carrying on regulated activities in the United Kingdom. However, a person may be considered to be carrying on regulated activities in the United Kingdom even where not carrying on the activity from a registered office or head office in the United Kingdom. This is explained further in ■ PERG 5.12.6 G to ■ PERG 5.12.8 G.*

5.12.6 G In determining the location of an activity, and hence whether it is carried on in the *United Kingdom*, various factors need to be taken into account in turn, notably:

- (1) section 418 of the *Act* (Carrying on regulated activities in the United Kingdom);
- (2) the nature of the activity; and
- (3) the *overseas persons* exclusion (see ■ PERG 5.12.9 G to ■ PERG 5.12.10 G (Overseas persons)).

5.12.7 G Section 418 of the *Act* extends the meaning that 'carry on regulated activity in the United Kingdom' would normally have by setting out additional cases in which a *person* who would not otherwise be regarded as carrying on the activity in the *United Kingdom* is to be regarded as doing so. Each of the following cases thus amounts to carrying on a *regulated activity* in the *United Kingdom*:

- (1) [deleted]
- (2) where a *UK-based person* carries on a *regulated activity* and the day-to-day management of the activity is the responsibility of an establishment in the *United Kingdom*;
- (3) where a *regulated activity* is carried on by a *person* who is not based in the *United Kingdom* but is carried on from an establishment maintained by him in the *United Kingdom*; and
- (4) [deleted]

In each of these cases it is irrelevant where the *person* with whom the activity is carried on is situated.

5.12.8 G Otherwise, where the cases in ■ PERG 5.12.7G (1) do not apply, it is necessary to consider further the nature of the activity in order to determine where *insurance distribution* is carried on. *Persons* that arrange *contracts of insurance* will usually be considered as carrying on the activity of *arranging* in the location where these activities take place. As for dealing activities, the location of the activities will depend on factors such as where the acceptance takes place, which in turn will depend on the method of communication used. In the case of advising, this is generally considered to take place where the advice is received.

		<div>Overseas persons</div>
5.12.9	G	<p>Article 72 of the <i>Regulated Activities Order</i> (Overseas persons) provides a potential exclusion for <i>persons</i> with no permanent place of business in the <i>United Kingdom</i> from which <i>regulated activities</i> are conducted or offers to conduct <i>regulated activities</i> are made. Where these <i>persons</i> carry on <i>insurance distribution activities</i> in the <i>United Kingdom</i>, they may be able to take advantage of the exclusions in article 72 of the <i>Regulated Activities Order</i>. In general terms, these apply where the <i>overseas person</i> either:</p> <ol style="list-style-type: none"> (1) deals or arranges deals with or through authorised or <i>exempt persons</i> only; or (2) enters into deals with (or on behalf of) a <i>person</i> in the <i>United Kingdom</i> or gives advice on investments in the <i>United Kingdom</i>, in each case as a result of a 'legitimate approach'. <p>A 'legitimate approach', for the purposes of (2), is one that results from an unsolicited approach by a <i>person</i> (for example, a <i>customer</i>) or otherwise is a result of an approach by, or on behalf of, an <i>overseas person</i> which complies with the restriction on <i>financial promotion</i> under section 21 of the <i>Act</i> (see ■ PERG 8.3.1 G (Financial promotion)).</p>
5.12.10	G	<p>The <i>overseas person</i> exclusion is available to <i>persons</i> who do not have a permanent place of business in the <i>United Kingdom</i> and so is of relevance to third country intermediaries who carry on <i>insurance distribution activities</i> in, or into, the <i>United Kingdom</i> (for example with or through authorised insurance brokers and insurance <i>undertakings</i> operating in the Lloyd's market).</p>
		<div>How should persons be authorised?</div>
5.12.11	G	<p><i>UK-based persons</i> must obtain <i>Part 4A permission</i> in relation to their <i>insurance distribution activities</i> in the <i>United Kingdom</i> as one of the following:</p> <ol style="list-style-type: none"> (1) a <i>body corporate</i> whose registered office is situated in the <i>United Kingdom</i>; or (2) a <i>partnership</i> or unincorporated association whose head office is situated in the <i>United Kingdom</i>; or (3) an individual (that is, a sole trader) whose residence is situated in the <i>United Kingdom</i>.
5.12.12	G	<p>Non-<i>UK-based persons</i> wishing to carry on <i>insurance distribution activities</i> in the <i>United Kingdom</i> must:</p> <ol style="list-style-type: none"> (1) [deleted] (2) make use of the <i>overseas persons</i> exclusion (which then has the effect that activities are deemed not to be <i>regulated activities</i> carried on in the <i>United Kingdom</i>); or (3) seek <i>Part 4A permission</i>.
