Chapter 10A

FCA Approved Persons
10A.1 Application

**General**

10A.1.1 **R** This chapter applies to every:

(1) firm that is not an SMCR firm; and

(2) SMCR firm, but only to the extent required by SUP 10A.1.16BR (Appointed representatives).

other than a firm which has permission to carry on only regulated claims management activities.

10A.1.1A **G** SUP 10C deals with the approved persons regime for SMCR firms themselves.

10A.1.2 **G** This chapter is also relevant to every FCA-approved person:

(1) of a firm that is not an SMCR firm; and

(2) of any appointed representative, including of an appointed representative of an SMCR firm.

10A.1.3 **G** The rules in this chapter specify descriptions of FCA controlled functions under section 59 of the Act (Approval for particular arrangements).

10A.1.4 **G** The directions in this chapter relate to the manner in which a firm must apply for the FCA's approval under section 59 of the Act and other procedures.

**Overseas firms: UK services**

10A.1.5 **R** This chapter does not apply to an overseas firm in relation to regulated activities which are carried on in the United Kingdom other than from an establishment maintained by it or its appointed representative in the United Kingdom.

**Overseas firms: UK establishments**

10A.1.6 **R** Only the following FCA controlled functions apply to an overseas firm which maintains an establishment in the United Kingdom from which regulated activities are carried on:

(1) the director function where the person performing that function:
(a) has responsibility for the regulated activities of a UK branch which are likely to enable him to exercise significant influence over that branch; or
(b) is someone whose decisions or actions are regularly taken into account by the governing body of that branch;

(2) the non-executive director function where the person performing one of those functions:
(a) has responsibility for the regulated activities of a UK branch which is likely to enable him to exercise significant influence over that branch; or
(b) is someone whose decisions or actions are regularly taken into account by the governing body of that branch;

(3) the chief executive function;
(4) the FCA required functions;
(5) the systems and controls function;
(6) the significant management function in so far as the function relates to:
   (a) designated investment business other than dealing in investments as principal, disregarding article 15 of the Regulated Activities Order; or
   (b) processing confirmations, payments, settlements, insurance claims, client money and similar matters in so far as this relates to designated investment business; and
(7) the customer function.

Incoming EEA firms, incoming Treaty firms and UCITS qualifiers

This chapter does not apply to:

(1) an incoming EEA firm; or
(2) an incoming Treaty firm; or
(3) a UCITS qualifier;

if and in so far as the question of whether a person is fit and proper to perform a particular function in relation to that firm is reserved, under any of the Single Market Directives, the Treaty, the UCITS Directive, the auction regulation or the benchmarks regulation, to an authority in a country or territory outside the United Kingdom.

SUP 10A.1.7 R reflects the provisions of section 59(8) of the Act and, in relation to an incoming Treaty firm and a UCITS qualifier, the Treaty and the UCITS Directive. It preserves the principle of Home State prudential regulation. In relation to an incoming EEA firm exercising an EEA right, or an incoming Treaty firm exercising a Treaty right, the effect is to reserve to the Home State regulator the assessment of the fitness and propriety of a person performing a function in the exercise of that right. A member of the
governing body, or the notified UK branch manager, of an incoming EEA firm, acting in that capacity, will not therefore have to be approved by the FCA under the Act.

(2) [deleted]

10A.9 Notwithstanding SUP 10A.1.8 G, an incoming EEA firm or incoming Treaty firm will have had to consider the impact of the Host State rules with which it is required to comply when carrying on a passported activity or Treaty activity through a branch in the United Kingdom. An incoming EEA firm will have been notified of those provisions under Part II of Schedule 3 to the Act in the course of satisfying the conditions for authorisation in the United Kingdom.

10A.10 An incoming EEA firm will have to consider, for example, the position of a branch manager based in the United Kingdom who may also be performing a function in relation to the carrying on of a regulated activity not covered by the EEA right of the firm. In so far as the function is within the description of an FCA controlled function, the firm will need to seek approval for that person to perform that FCA controlled function.

Incoming EEA firms: passported activities from a branch

10A.11 Only the following FCA controlled functions apply to an incoming EEA firm with respect to its passported activities carried on from a branch in the United Kingdom:

(1) the money laundering reporting function;

(2) the significant management function, in so far as the function relates to:
   
   (a) designated investment business other than dealing in investments as principal, disregarding article 15 of the Regulated Activities Order; or

   (b) processing confirmations, payments, settlements, insurance claims, client money and similar matters, in so far as this relates to designated investment business; and

   (c) [deleted]

(3) the customer function other than where this relates to the function in SUP 10A.10.7R (4) and (7).

10A.12 [deleted]
Incoming EEA firms etc with top-up permission activities from a UK branch

In relation to the activities of a firm for which it has a top-up permission, only the following FCA controlled functions apply:

1. the FCA required functions, other than the apportionment and oversight function and the compliance oversight function;

2. the significant management function, in so far as it relates to:
   a. designated investment business other than dealing in investments as principal, disregarding article 15 of the Regulated Activities Order; or
   b. processing confirmations, payments, settlements, insurance claims, client money and similar matters, in so far as this relates to designated investment business; and
   c. [deleted]

3. the customer function.

A person does not perform the significant management function for a firm under SUP 10A.1.11 R or SUP 10A.1.13 R if that person would not have been treated as performing any FCA controlled function for that firm if that firm had been a UK firm.

Appointed representatives

The descriptions of the following FCA controlled functions apply to an appointed representative of a firm, except in relation to CBTL business or an introducer appointed representative, as they apply to an FCA-authorised person:

1. the FCA governing functions, subject to SUP 10A.1.16 R and except for a tied agent of an EEA MiFID investment firm; and

2. the customer function other than in relation to acting in the capacity of an investment manager (see SUP 10A.10.7R (6)).

10A.1.16 R is modified in relation to an appointed representative meeting the conditions in (2) so that only one of the following FCA governing functions:

a. director function; or

b. chief executive function; or

c. partner function; or

d. director of unincorporated association function;

applies, as appropriate, to an individual within that appointed representative who will be required to be an FCA-approved person.

The conditions are that:

a. the scope of appointment of the appointed representative includes insurance distribution activity in relation to non-
investment insurance contracts or credit-related regulated activity, but no other regulated activity; and

(b) the principal purpose of the appointed representative is to carry on activities other than regulated activities.

10A.1.16A R
This chapter applies to an appointed representative that has a limited permission to carry on a regulated activity prescribed for the purposes of section 39(1E)(a) of the Act as follows:

(1) **FCA controlled functions** apply to the appointed representative as set out in • SUP 10A.1.15 R and • SUP 10A.1.16 R in relation to the carrying on of the regulated activity, for which it does not have permission, comprised in the business for which its principal has accepted responsibility;

(2) (a) unless it is a not-for-profit debt advice body, the apportionment and oversight function applies in relation to the carrying on of the regulated activity for which it has limited permission;

(b) if it is a not-for-profit debt advice body and a CASS large debt management firm, the CASS operational oversight function applies in relation to the carrying on of debt management activity.

10A.1.16B R • SUP 10A.1.15R and • SUP 10A.1.16R apply to the appointed representative of an SMCR firm.

10A.1.16C G
(1) References in this chapter to a firm include an SMCR firm, but only to the extent required by • SUP 10A.1.16BR.

(2) References in • SUP 10A.1.15R and • SUP 10A.1.16R to FCA governing functions and other controlled functions are to controlled functions in this chapter, not in • SUP 10C (FCA senior managers regime for approved persons in SMCR firms).

10A.1.16D G
(1) Under section 59(6A) of the Act, if the FCA is satisfied that, in relation to the carrying on of a regulated activity by an SMCR firm, a controlled function is a senior management function, the FCA must designate the function in its rules as a senior management function.

(2) Generally, the FCA does not think that a person performing a function in • SUP 10A.1.16BR will have sufficient responsibility for managing the affairs of the appointed representative’s principal (as opposed to managing the affairs of the appointed representative itself) to perform a senior management function.

(3) Therefore:

(a) the FCA has not designated any of the functions in • SUP 10A.1.16BR as a senior management function; and
(b) none of the functions in SUP 10A.1.16BR are designated senior management functions.

(4) SUP 10C.1.8G (Appointed representatives) explains that it is unlikely that SUP 10C (FCA senior managers regime for approved persons in SMCR firms) will apply to approved persons working in appointed representatives of an SMCR firm in addition to this chapter.

Members of a profession

10A.1.17 R

(1) This chapter, except in respect of the FCA required functions, does not apply to an authorised professional firm in respect of its non-mainstream regulated activities, subject to (2).

(2) Where the authorised professional firm has appointed FCA-approved persons to perform the FCA governing functions with equivalent responsibilities for the firm’s non-mainstream regulated activities and other regulated activities, for the firm’s non-mainstream regulated activities this chapter applies with respect to the FCA governing functions and the FCA required functions (other than the apportionment and oversight function) only.

Oil market participants, service companies, energy market participants, subsidiaries of local authorities or registered social landlords and insurance intermediaries.

10A.1.18 R

The descriptions of FCA significant-influence functions, other than the FCA required functions, and, if the firm is a MiFID investment firm, the FCA governing functions do not extend to activities carried on by a firm whose principal purpose is to carry on activities other than regulated activities and which is:

(1) an oil market participant; or

(2) a service company; or

(3) an energy market participant; or

(4) a wholly owned subsidiary of:
   (a) a local authority; or
   (b) a registered social landlord; or

(5) a firm with permission to carry on insurance distribution activity in relation to non-investment insurance contracts but no other regulated activity (except advising on P2P agreements).

10A.1.19 G

It will be a matter of fact in each case whether, having regard to all the circumstances, including in particular where the balance of the business lies, a firm’s principal purpose is to carry on activities other than regulated activities. If a firm wishes to rely on SUP 10A.1.18 R, it should be in a position to demonstrate that its principal purpose is to carry on activities other than regulated activities.
Insolvency practitioners

10A.20 R This chapter does not apply to a function performed by:

(1) a person acting as an insolvency practitioner within the meaning of section 388 of the Insolvency Act 1986; or

(2) a person acting as a nominee in relation to a voluntary arrangement under Parts I (Company Voluntary Arrangements) and VIII (Individual Voluntary Arrangements) of the Insolvency Act 1986; or

(3) a person acting as an insolvency practitioner within the meaning of Article 3 of the Insolvency (Northern Ireland) Order 1989; or

(4) a person acting as a nominee in relation to a voluntary arrangement under Parts II (Company Voluntary Arrangements) and VIII (Individual Voluntary Arrangements) of the Insolvency (Northern Ireland) Order 1989.

Bidders in emissions auctions

10A.21 G For a firm that is exempt from MiFID under article 2(1)(j) and whose only permission is bidding in emissions auctions, the only FCA controlled functions that apply to it are:

(1) the FCA governing functions;

(2) the money laundering reporting function; and

(3) the customer function.

(4) [deleted]

This is because the FCA-approved person regime specifies a number of functions by incorporation of requirements in SYSC; however, a firm carrying on auction regulation bidding is only subject to SYSC to a limited extent in relation to that activity. This means that the FCA required functions do not apply to auction regulation bidding, except for the money laundering reporting function. Similarly, the significant management function does not apply in relation to auction regulation bidding because, in carrying on that activity, a firm is not subject to SYSC 4.1.1 R and is not undertaking proprietary trading.

Benchmark activities

10A.21A G (1) For a firm which only has a permission for administering a benchmark, the following FCA controlled functions do not apply:

(a) the apportionment and oversight function;

(b) the compliance oversight function;

(c) the money laundering reporting function; and

(d) the systems and controls function.

(2) That is because:

(a) the FCA controlled functions in (a) to (c) above do not apply because those functions are specified by incorporation of
requirements in SYSC and the relevant parts of SYSC do not apply in relation to benchmark activities (which includes administering a benchmark);

(b) the FCA controlled function in (d) above does not apply in relation to benchmark activities (see SUP 10A.8.2R).

(3) The functions in (a) to (d) still apply to a firm which administers a benchmark as well as carrying on other regulated activities. However, they do not apply in respect of its activities as a regulated benchmark administrator.

(4) Various other FCA controlled functions are only relevant to firms which carry on particular types of activity and will not be relevant to a firm (F) which does not carry on any regulated activities other than administering a benchmark. For instance:

(a) the CASS operational oversight function will not be relevant to F because that function is only relevant to CASS medium firms CASS large firms and CASS large debt management firms; F will not hold client money and will therefore not be a CASS medium firm, a CASS large firm or a CASS large debt management firm;

(b) the customer function involves performing various types of activity none of which would be performed by a firm which does not carry on any regulated activities other than administering a benchmark;

(c) the small friendly society function will only be relevant to certain firms.

(5) The functions in SUP 10A.1.21AG(1) to (d) do not apply to a benchmark contributor in relation to its contribution of input data to a BMR benchmark administrator.

(6) That is because:

(a) the functions in SUP 10A.1.21AG(1)(a) to (c) are specified by incorporation of requirements in SYSC and the relevant parts of SYSC do not apply in relation to benchmark activities (which includes contributing input data to a BMR benchmark administrator); and

(b) the FCA controlled function in SUP 10A.1.21AG(1)(d) above does not apply in relation to benchmark activities (see SUP 10A.8.2R).

10A.1.22 [deleted]

10A.1.23 [deleted]

Internally managed corporate AIFs

10A.1.24 [deleted]

In accordance with section 59(7C) of the Act this chapter does not apply to an internally managed AIF which is a body corporate and not a collective investment scheme.
Credit firms with limited permission

10A.1.25  R  (1) Subject to (2) and (3), this chapter, except in respect of the apportionment and oversight function, does not apply to a firm that has limited permission in relation to the carrying on of the relevant credit activity (as defined in paragraph 2G of Schedule 6 to the Act) for which it has limited permission.

(2) Subject to (3), this chapter does not apply to a not-for-profit debt advice body.

(3) This chapter applies to a not-for-profit debt advice body that is a CASS large debt management firm with respect to the CASS operational oversight function only.

10A.1.26  R  [deleted]

10A.1.27  G  [deleted]

Claims management exclusions

10A.1.28  R  For the purposes of ■ SUP 10A.1.13R, ■ SUP 10A.1.18R, ■ SUP 10A.6.23R (Partner function (CF4)) and ■ SUP 10A.6.31R (Small friendly society function (CF6)), a regulated claims management activity is treated as an unregulated activity.

10A.1.29  R  A function performed by a person (A) in relation to a firm (B), whose permission includes a regulated claims management activity, is not a controlled function when performed by A in relation to B if:

(1) A is not the subject of a current FCA approved person approval for that controlled function in relation to B;

(2) that function would otherwise have been a controlled function but for this rule; and

(3) that function would not have been a controlled function in relation to A and B if articles 89G to 89M of the Regulated Activities Order (regulated claims management activities) were not in the Regulated Activities Order.

10A.1.30  R  ■ SUP 10A.1.25R also applies to a firm whose permission only includes regulated claims management activities and relevant credit activities.

10A.1.31  G  ■ SUP 10A.1.28R to ■ SUP 10A.1.30R mean a firm whose permission includes a regulated claims management activity will not need to seek additional approved person approvals, because those activities became regulated activities in April 2019.

10A.1.32  G  ■ SUP 10A.1.28R to ■ SUP 10A.1.30R are not relevant to a firm which has permission to carry on only regulated claims management activities because ■ SUP 10A.1.1R excludes it from this chapter altogether.
10A.2 Purpose

10A.2.1 The immediate purpose of SUP 10A.3 to SUP 10A.11 is to specify, under section 59 of the Act, descriptions of the FCA controlled function which are listed in SUP 10A.4.4 R. The underlying purpose is to establish, and mark the boundaries of, the "FCA-approved persons regime".

10A.2.2 [deleted]

10A.2.3 [deleted]
A function is an FCA controlled function only to the extent that it is performed under an arrangement entered into by:

1. a firm; or
2. a contractor of the firm;

in relation to the carrying on by the firm of a regulated activity.

Sections 59(1) and (2) of the Act provide that approval is necessary in respect of an FCA controlled function which is performed under an arrangement entered into by a firm, or its contractor (typically an appointed representative), in relation to a regulated activity.

Arrangement is defined in section 59(10) of the Act as any kind of arrangement for the performance of a function which is entered into by a firm or any of its contractors with another person and includes the appointment of a person to an office, his becoming a partner, or his employment (whether under a contract of service or otherwise). For the provisions in this chapter relating to outsourcing, see §SUP 10A.13.5 G and §SUP 10A.13.6 G.

If, however, a firm is a member of a group, and the arrangements for the performance of an FCA controlled function of the firm are made by, for instance, the holding company, the person performing the function will only require approval if there is an arrangement (under section 59(1)) or a contract (under section 59(2)) between the firm and holding company permitting this. This need not be a written contract but could arise, for example, by conduct, custom and practice.

The arrangement must be “in relation to” the carrying on of a regulated activity. Regulated activities are defined in the Glossary by reference to the Regulated Activities Order. This order prescribes the activities which are regulated activities for the purposes of the Act.
10A.4 Specification of functions

10A.4.1 Each of the functions described in SUP 10A.4.4 R (the table of FCA controlled function) is an FCA controlled function.

10A.4.2 The table of FCA controlled functions applies in relation to an FCA-authorised person. It also applies in relation to an appointed representative for the purposes of SUP 10A.1.15 R to SUP 10A.1.16BR (Appointed representatives) whether its principal is an FCA-authorised person or a PRA-authorised person.

10A.4.3 The fact that a person may be FCA-approved for one purpose does not have the effect of bringing all his activities within that FCA controlled function.

*FCA significant-influence functions*
10A.5 Significant-influence functions

What are the FCA significant-influence functions?

10A.5.1 The FCA significant-influence functions, which are specified in SUP 10A.4.1 R, comprise the FCA governing functions (SUP 10A.6), the FCA required functions (SUP 10A.7), the systems and controls function (SUP 10A.8) and the significant management function (SUP 10A.9). SUP 10A.5 applies to each of the FCA significant-influence functions.

Definition of FCA significant-influence function

10A.5.2 Each FCA significant-influence function is one which comes within the definition of a significant-influence function.

10A.5.3 A significant-influence function, in relation to the carrying on of a regulated activity by a firm, means a function that is likely to enable the person responsible for its performance to exercise a significant influence on the conduct of the firm's affairs, so far as relating to the activity.

10A.5.4 [deleted]

10A.5.5 Whether an FCA controlled function is likely to result in the person responsible for its performance exercising significant influence on the conduct of the firm's affairs is a question of fact in each case. The FCA has identified the FCA significant-influence functions as satisfying this condition.

Periods of less than 12 weeks

10A.5.6 If:

(1) a firm appoints an individual to perform a function which, but for this rule, would be an FCA significant-influence function;

(2) the appointment is to provide cover for an approved person whose absence is:
   (a) temporary; or
   (b) reasonably unforeseen; and

(3) the appointment is for less than 12 weeks in a consecutive 12-month period;
the description of the relevant FCA significant-influence function does not relate to those activities of that individual.

10A.5.7

SUP 10A.5.6 R enables cover to be given for, as an example, holidays and emergencies and avoids the need for the precautionary approval of, for example, a deputy. However, as soon as it becomes apparent that a person will be performing an FCA controlled function for more than 12 weeks, the firm should apply for approval.
10A.6 FCA governing functions

Introduction

10A.6.1 (1) Every firm will have one or more persons responsible for directing its affairs. These persons will be performing the FCA governing functions and will be required to be FCA-approved persons unless the application provisions in SUP 10A.1, or the particular description of an FCA controlled function, provide otherwise. For example, each director of a company incorporated under the Companies Acts will perform an FCA governing function.

(2) [deleted]

(3) [deleted]

10A.6.2 A sole trader does not fall within the description of the governing functions.

10A.6.2A [deleted]

What the FCA governing functions include

10A.6.3 Each of the FCA governing functions includes:

(1) (where apportioned under SYSC 4.3.1 R and SYSC 4.4.3 R (or, for a full-scope UK AIFM apportioned under article 60(1) of the AIFMD level 2 regulation))

(a) the systems and controls function (if it applies to the firm); and

(b) the significant management function;

(2) (in respect of bidding in emissions auctions) that part of the customer function specified in SUP 10A.10.7R (7) (bidder’s representative).

This does not apply to the non-executive director function or the function described in SUP 10A.6.8 R.

10A.6.4 (1) The effect of SUP 10A.6.3 R is that a person who is approved to perform an FCA governing function will not have to be specifically FCA-approved to perform the systems and controls function or the significant management function or the part of the customer function specified in SUP 10A.10.7R (7). However, a person who is approved to perform an FCA governing function will have to be additionally FCA-
approved before he can perform any of the FCA required functions or the customer function (except the part specified in SUP 10A.10.7 R (7)).

(2) SUP 10A.6.3 R does not apply to the non-executive director function. It does not apply to the director function if the only part of that function that the FCA-approved person is performing is the function described in SUP 10A.6.8 R.

10A.6.5 See MIPRU 2.2 for how the FCA’s approved persons regime is adjusted for a firm carrying on insurance distribution activity.

10A.6.6 [deleted]

10A.6.7 R

Director function (CF1)

If a firm is a body corporate (other than a limited liability partnership), the director function is the function of acting in the capacity of a director (other than non-executive director) of that firm.

10A.6.8 R

(1) If a firm is a body corporate (other than a limited liability partnership), the director function is also the function of acting in the capacity of a person:

(a) who is a director, partner, officer, member (if the parent undertaking or holding company is a limited liability partnership), senior manager, or employee of a parent undertaking or holding company of the firm; and

(b) whose decisions or actions are regularly taken into account by the governing body of the firm.

(2) (1) does not apply if that parent undertaking or holding company has a Part 4A permission or is regulated by an EEA regulator.

(3) (1) does not apply to the function falling into SUP 10A.6.13 R (non-executive director of the parent undertaking or holding company).

10A.6.9 G

Examples of where SUP 10A.6.8 R might apply include (but are not limited to):

(1) a chairman of an audit committee of a parent undertaking or holding company of a UK firm where that audit committee is working for that UK firm (that is, functioning as the audit committee for the group); or

(2) a director (other than a non-executive director) of a parent undertaking or holding company of a UK firm exercising significant influence by way of his involvement in taking decisions for that UK firm; or

(3) an individual (such as a senior manager) of a parent undertaking or holding company of a UK firm who is responsible for and/or has significant influence in setting the objectives for and the remuneration of executive directors of that UK firm; or
(4) an individual who is a director (other than a non-executive director) or a senior manager of a parent undertaking or holding company of a UK firm who is accustomed to influencing the operations of that UK firm, and acts in a manner in which it can reasonably be expected that an executive director or senior manager of that UK firm would act; or

(5) an individual of an overseas firm which maintains an establishment in the United Kingdom from which regulated activities are carried on, where that individual has responsibilities for those regulated activities which are likely to enable him to exercise significant influence over the UK branch.

10A.6.10 G A director can be a body corporate and may accordingly require approval as an FCA-approved person in the same way as a natural person may require approval.

10A.6.11 G [deleted]

10A.6.11A R [deleted]

Non-executive director function (CF2)

10A.6.12 R If a firm is a body corporate, the non-executive director function is the function of acting in the capacity of a non-executive director of that firm.

10A.6.13 R (1) If a firm is a body corporate, the non-executive director function is also the function of acting in the capacity of a person:

(a) who is a non-executive director of a parent undertaking or holding company; and

(b) whose decisions or actions are regularly taken into account by the governing body of the firm.

(2) However, (1) does not apply if that parent undertaking or holding company has a Part 4A permission or is regulated by an EEA regulator.

10A.6.14 G Examples of where SUP 10A.6.13 R might apply include (but are not limited to):

(1) an individual who is a non-executive director of a parent undertaking or holding company who takes an active role in the running of the business of a UK firm, for example, as a member of a board or committee (on audit or remuneration) of that firm; or

(2) an individual who is a non-executive director of a parent undertaking or holding company having significant influence in setting and monitoring the business strategy of the UK firm; or

(3) an individual who is a non-executive director of a parent undertaking or holding company of a UK firm involved in carrying out
responsibilities such as scrutinising the approach of executive management, performance, or standards of conduct of the UK firm; or

(4) an individual who is a non-executive director of a parent undertaking or holding company of a UK firm who is accustomed to influence the operations of the UK firm, and acts in a way in which it can reasonably be expected that a non-executive director of the UK firm would act; or

(5) an individual who is a non-executive director of an overseas firm which maintains a branch in the United Kingdom from which regulated activities are carried on where that individual has responsibilities for those regulated activities which are likely to enable him to exercise significant influence over the UK branch.

Guidance on persons in a parent undertaking or holding company exercising significant influence

(1) This paragraph explains the basis on which the director function and the non-executive director function are applied to persons who have a position with the firm's parent undertaking or holding company under SUP 10A.6.8 R or SUP 10A.6.13 R.

(2) The basic position is set out in SUP 10A.3.4 G. As is the case with all controlled functions, SUP 10A.6.8 R and SUP 10A.6.13 R are subject to the overriding provisions in SUP 10A.3.1 R, which sets out the requirements of section 59(1) and (2) of the Act. This means that unless the firm has an arrangement permitting the performance of these roles by the persons concerned, these persons will not be performing these controlled functions. Therefore, the FCA accepts that there will be cases in which a person performing these roles will not require approval. However where there is such an arrangement the function may apply.

Chief executive function (CF3)

The chief executive function is the function of acting in the capacity of a chief executive of a firm.

This function is having the responsibility, alone or jointly with one or more others, under the immediate authority of the governing body:
(1) for the conduct of the whole of the business (or relevant activities); or

(2) in the case of a branch in the United Kingdom of an overseas firm, for the conduct of all of the activities subject to the UK regulatory system.

For a branch in the United Kingdom of an overseas firm, the FCA would not normally expect the overseas chief executive of the firm as a whole to be FCA-approved for this function where there is a senior manager under him with specific responsibility for those activities of the branch which are subject to the UK regulatory system. In some circumstances, the person within the firm responsible for UK operations may, if the function is likely to enable him to exercise significant influence over the branch, also perform the chief executive function (see ■ SUP 10A.7.4 G).

A person performing the chief executive function may be a member of the governing body but need not be. If the chairman of the governing body is also the chief executive, he will be discharging this function. If the responsibility is divided between more than one person but not shared, there is no person exercising the chief executive function. But if that responsibility is discharged jointly by more than one person, each of those persons will be performing the chief executive function.

Note that a body corporate may be a chief executive. If so, it will need to be approved to perform the chief executive function.

Partner function (CF4)

(1) If a firm is a partnership, the partner function is the function of acting in the capacity of a partner in that firm.

(2) If the principal purpose of the firm is to carry on one or more regulated activities, each partner performs the partner function.

(3) If the principal purpose of the firm is other than to carry on regulated activities:

(a) a partner performs the partner function to the extent only that he has responsibility for a regulated activity; and

(b) a partner in a firm will be taken to have responsibility for each regulated activity except where the partnership has apportioned responsibility to another partner or group of partners.

Any apportionment referred to in ■ SUP 10A.6.23R (3)(b) will have taken place under ■ SYSC 4.3.1 R and ■ SYSC 4.4.3 R. The FCA may ask to see details of the apportionment but will not require, as a matter of course, a copy of the material which records this.
10A.6.25 **G** The effect of [SUP 10A.1.17 R](#) is that *regulated activity* in [SUP 10A.6.23 R](#) (and elsewhere) is to be taken as not including an activity that is a *non-mainstream regulated activity*. Therefore, *a partner* whose only *regulated activities* are incidental to his professional services, in *a partnership* whose principal purpose is to carry on other than *regulated activities*, need not be an *FCA-approved person*. What amounts to the principal purpose of the *firm* is a matter of fact in each case having regard to all the circumstances, including the activities of the *firm* as a whole. Any *regulated activities* which such a partner carries on are not within the description of the *partner function*.

10A.6.26 **R** If a *firm* is a *limited liability partnership*, the *partner function* extends to the *firm* as if the *firm* were a *partnership* and a member of the *firm* were a *partner*.

10A.6.27 **R** If a *partnership* is registered under the Limited Partnership Act 1907, the *partner* function does not extend to any function performed by a limited *partner*.

10A.6.28 **G** [deleted]

### Director of unincorporated association function (CF5)

10A.6.29 **R** If a *firm* is an unincorporated association, the *director of unincorporated association function* is the function of acting in the capacity of a *director* of the unincorporated association.

10A.6.30 **G** [deleted]

### Small friendly society function (CF6)

10A.6.31 **R**

1. **(1)** If a *firm* is a *non-directive friendly society*, the *small friendly society function* is the function of directing its affairs, either alone or jointly with others.

2. **(2)** If the principal purpose of the *firm* is to carry on *regulated activities*, each *person* with responsibility for directing its affairs performs the *FCA controlled function*.

3. **(3)** If the principal purpose of the *firm* is other than to carry on *regulated activities*, a *person* performs the *small friendly society function* only to the extent that he has responsibility for a *regulated activity*.

10A.6.32 **R**

1. **(1)** Each *person* on the *non-directive friendly society's governing body* will be taken to have responsibility for its *regulated activities*, unless the *firm* has apportioned this responsibility to one particular individual to whom it is reasonable to give this responsibility.

2. **(2)** The individual need not be a member of the *governing body*. 
Typically a non-directive friendly Society will appoint a “committee of management” to direct its affairs. However, the governing arrangements may be informal and flexible. If this is the case, the FCA would expect the society to resolve to give responsibility for the carrying on of regulated activities to one individual who is appropriate in all the circumstances. That individual may, for example, have the title of chief executive or similar. The individual would have to be an FCA-approved person under §SUP 10A.6.31 R.

In practice, the FCA expects that most non-directive friendly societies will be PRA-authorised persons. Where that is the case, this chapter does not apply and so the small friendly society function will not apply.
10A.7 FCA required functions

Apportionment and oversight function (CF8)

10A.7.1 R  
(1) The **apportionment and oversight function** is the function of acting in the capacity of a **director or senior manager** responsible for the apportionment function and/or the oversight function set out in §SYSC 4.4.5R.

(2) [deleted]

10A.7.2 G  
In requiring someone to apportion responsibility, a **common platform firm** should not apply for that **person or persons** to be FCA-approved to perform the **apportionment and oversight function** (see §SUP 10A.7.1 R and §SYSC 1 Annex 1).

10A.7.3 G  
The fact that there is a **person** performing the **apportionment and oversight function**, and who has responsibility for activities subject to regulation by the FCA, may have a bearing on whether a manager who is based overseas will be performing an **FCA controlled function**. It is a factor to take into account when assessing the likely influence of the overseas manager.

10A.7.4 G  
Generally, in relation to a UK establishment of an **overseas firm** or a **firm** which is part of an overseas **group**, where an overseas manager’s responsibilities in relation to the **United Kingdom** are strategic only, they will not need to be an **FCA-approved person**. However, where, in accordance with §SYSC 4 to §SYSC 10, they are responsible for implementing that strategy in the **United Kingdom**, and have not delegated that responsibility to a **senior manager** in the **United Kingdom**, they are likely to be performing an **FCA controlled function** for example, the **chief executive function**.

10A.7.5 G  
A **firm** carrying on **insurance distribution activity**, other than a **sole trader**, must allocate to a **director or senior manager** the responsibility for the **firm’s insurance distribution activity** (§MIPRU 2.2.1 R). The **firm** may allocate this responsibility to the **person** performing the **apportionment and oversight function**.

10A.7.6 G  
Where the **person** performing the **apportionment and oversight function** is also responsible for the **firm’s insurance distribution activity**, the words “(insurance distribution)” will be inserted after this **FCA controlled function** (see §MIPRU 2.2.5 G).
Compliance oversight function (CF10)

The compliance oversight function is the function of acting in the capacity of:

1. a director or senior manager who is allocated the function set out in:
   - (a) [deleted]
   - (b) SYSC 6.1.4R(2); or
   - (c) article 22(3) of the MiFID Org Regulation; or
   - (d) article 22(3) of the MiFID Org Regulation (as applied in accordance with SYSC 1 Annex 1 2.8AR, SYSC 1 Annex 1 3.2-AR, SYSC 1 Annex 1 3.2-BR, SYSC 1 Annex 1 3.2CR and SYSC 1 Annex 1 3.3R); or
   - (e) SYSC 6.1.4CR; or

2. for a full-scope UK AIFM, a person allocated the function in article 61(3)(b) of the AIFMD level 2 regulation.

CASS operational oversight function (CF10a)

In relation to a CASS medium firm and a CASS large firm (other than a CASS large debt management firm), the CASS operational oversight function is the function of acting in the capacity of a person to whom is allocated the function set out in CASS 1A.3.1A R.

In relation to a CASS large debt management firm, the CASS operational oversight function is the function of acting in the capacity of a person to whom is allocated the function in CASS 11.3.4 R.

Money laundering reporting function (CF11)

The money laundering reporting function is the function of acting in the capacity of the money laundering reporting officer of a firm.

A firm’s obligations in respect of its money laundering reporting officer are set out elsewhere in the FCA Handbook (see SYSC 6.3.9 R and for its scope, see the application provisions in SYSC 1 Annex 1).
10A.8 Systems and controls functions

Systems and controls function (CF28)

10A.8.1 The systems and controls function is the function of acting in the capacity of an employee of the firm with responsibility for reporting to the governing body of a firm, or the audit committee (or its equivalent) in relation to:

1. its financial affairs;
2. setting and controlling its risk exposure (see SYSC 7.1.6R, article 23(2) of the MiFID Org Regulation and article 23(2) of the MiFID Org Regulation (as applied in accordance with SYSC 1 Annex 1 2.8AR, SYSC 1 Annex 1 3.2-AR, SYSC 1 Annex 1 3.2-BR, SYSC 1 Annex 1 3.2CR and SYSC 1 Annex 1 3.3R)); and
3. adherence to internal systems and controls, procedures and policies (see SYSC 6.2, article 24 of the MiFID Org Regulation and article 24 of the MiFID Org Regulation (as applied in accordance with SYSC 1 Annex 1 2.8AR, SYSC 1 Annex 1 3.2-AR, SYSC 1 Annex 1 3.2-BR, SYSC 1 Annex 1 3.2CR and SYSC 1 Annex 1 3.3R)).

[deleted]

10A.8.2 The systems and controls function does not apply in relation to:

- bidding in emissions auctions carried on by a firm that is exempt from MiFID under article 2(1)(j); or
- benchmark activities.

[deleted]

10A.8.3 [deleted]

10A.8.4 Where an employee performs the systems and controls function the FCA would expect the firm to ensure that the employee had sufficient expertise and authority to perform that function effectively. A director or senior manager would meet this expectation.

Full scope UK AIFM

10A.8.5 For a full-scope UK AIFM, the requirement to have an employee responsible for reporting to the governing body of the firm or the audit committee for
matters in SUP 10A.8.1R (2) and SUP 10A.8.1R (3) is derived from the AIFMD level 2 regulation, which imposes obligations on such firms to have a permanent risk management function and, where appropriate and proportionate for their business, an internal audit function.
10A.9 Significant management functions

Application

10A.9.1 SUP 10A.9 applies only to a firm which:

(1) under SYSC 4.1.1 R, apportions a significant responsibility, within the description of the significant management function, to a senior manager of a significant business unit; or

(2) undertakes proprietary trading.

(3) [deleted]

10A.9.2 The FCA anticipates that there will be only a few firms needing to seek approval for an individual to perform the significant management function set out in SUP 10A.9.1R (1). In most firms, those approved for the FCA governing functions, FCA required functions and, where appropriate, the systems and controls function, are likely to exercise all the significant influence at senior management level.

10A.9.3 A proprietary trader undertakes activities with the firm's money and has the ability to commit the firm. By virtue of this role, all proprietary traders have potential to be able to exercise significant influence on the firm for the purposes of the definition of significant-influence function. Therefore, it is the FCA's expectation that all firms will assess all their proprietary traders to ascertain the ones for whom approval is required.

10A.9.4 The scale, nature and complexity of the firm's business may be such that a firm apportions, under SUP 10A.9.1R (1), a significant responsibility to an individual who is not approved to perform the FCA governing functions, FCA required functions or, where appropriate, the systems and controls function. If so, the firm should consider whether the functions of that individual fall within the significant management function. For the purposes of the description of the significant management functions, the following additional factors about the firm should be considered:

(1) the size and significance of the firm's business in the United Kingdom; for example, a firm carrying on designated investment business may have a large number of approved persons (for example, in excess of 100 individuals);

(2) the number of regulated activities carried on, or proposed to be carried on, by the firm and (if relevant) other members of the group;
(3) its group structure (if it is a member of a group);
(4) its management structure (for example, matrix management); and
(5) the size and significance of its international operations, if any.

10A.9.5 When considering whether a business unit is significant, the firm should take into account all relevant factors in the light of the firm’s current circumstances and its plans for the future, including:

(1) the risk profile of the unit; or
(2) its use or commitment of a firm’s capital; or
(3) its contribution to the profit and loss account; or
(4) the number of employees or approved persons in the unit; or
(5) the number of customers of the unit; or
(6) any other factor which makes the unit significant to the conduct of the firm’s affairs so far as relating to the regulated activity.

10A.9.6 The question may arise whether a manager who is based overseas will be performing the significant management function under ■ SUP 10A.9.9 R and should, therefore, be an FCA-approved person. This is especially true where the firm operates matrix management. The fact there is a person performing the apportionment and oversight function, and who has responsibility for activities subject to regulation by the FCA, may have a bearing on this. It is a factor to take into account when assessing the likely influence of the overseas manager.

10A.9.7 Generally, in relation to a branch of a firm, or a firm which is part of an overseas group, where an overseas manager is responsible for strategy, he will not need to be approved for the significant management function. However, where he is responsible for implementing that strategy in the United Kingdom, and has not delegated that responsibility to a senior manager in the United Kingdom, he is likely to be performing that FCA controlled function.

10A.9.8 See also ■ SUP 10A.7.3 G to ■ SUP 10A.7.6 G in relation to matrix management.

Significant management function (CF29)

10A.9.9 The significant management function is the function of acting as a senior manager with significant responsibility for a significant business unit that:

(1) carries on designated investment business or other activities not falling within (2) to (4);

(2) [deleted]

(2A) carries on credit-related regulated activity;
(3) makes material decisions on the commitment of a firm’s financial resources, its financial commitments, its assets acquisitions, its liability management and its overall cash and capital planning;

(4) processes confirmations, payments, settlements, insurance claims, client money and similar matters.

(5) [deleted]

10A.9.10 **R** The significant management function also includes the function of acting as a proprietary trader.

10A.9.11 **R** The significant management function does not include any of the activities described in any other FCA controlled function if that other controlled function applies to the firm.

10A.9.12 **G** A senior manager carrying on the significant management function under ▪ SUP 10A.9.9 R with significant responsibility for a significant business unit that carries on activities other than designated investment business for the purposes of ▪ SUP 10A.9.9R (1) could, for example, be the head of a unit carrying on the activities of: personal lending, corporate lending, salvage or loan recovery, or proprietary trading, or a member of a committee (that is, a person who, together with others, has authority to commit the firm) making decisions in these functions.

10A.9.13 **G** A proprietary trader also undertakes activities which may have a significant influence on the firm. Such activities may require approval for CF29 under ▪ SUP 10A.9.10 R.

10A.9.14 **G** A firm carrying on insurance distribution activity, other than a sole trader, must allocate to a director or senior manager the responsibility for the firm’s insurance distribution activity (▪ MiPRU 2.2.1 R). The firm may allocate this responsibility to the person performing the significant management function.

10A.9.15 **G** Where the person performing the significant management function is also responsible for the firm's insurance distribution activity, the words “(insurance distribution)” will be inserted after this FCA controlled function (see ▪ MiPRU 2.2.5 G).

Section 10A.10 : Customer-dealing functions

10A.10 Customer-dealing functions

Introduction

10A.10.1 SUP 10A.10 applies with respect to activities carried on from an establishment maintained by the firm (or by its appointed representative) in the United Kingdom.

10A.10.2 Without SUP 10A.10.1 R, the description of the customer function would extend to this function wherever it was performed. The effect of SUP 10A.10.1 R is that the description is limited, in relation to regulated activities with an overseas element, in a manner which is broadly consistent with the scope of conduct of business regulation.

10A.10.3 The customer function has to do with giving advice on, dealing and arranging deals in and managing investments; it has no application to banking business such as deposit taking and lending, nor to general insurance business or credit-related regulated activity.

The basic rule about the customer function

10A.10.4 The customer function is one which comes within the definition of a customer-dealing function.

10A.10.5 The customer-dealing function, in relation to the carrying on of a regulated activity by a firm (“A”), means a function that will involve the person performing it in dealing with:

(1) customers of A; or

(2) property of customers of A;

10A.10.5A In SUP 10A.10.5R, customer, in relation to a firm, means a person who is using, or who is or may be contemplating using, any of the services provided by the firm.

10A.10.6 The FCA interprets the phrase “dealing with” as including having contact with customers and extending beyond “dealing” as used in the phrase “dealing in investments”. “Dealing in” is used in Schedule 2 to the Act to describe in general terms the regulated activities which are specified in Part II of the Regulated Activities Order.
Customer function (CF 30)

10A.10.7 The customer function is the function of:

(1) advising on investments other than a non-investment insurance contract (but not where this is advising on investments in the course of carrying on the activity of giving basic advice on a stakeholder product) and performing other functions related to this such as dealing and arranging;

(2) giving advice to clients solely in connection with corporate finance business and performing other functions related to this;

(3) giving advice or performing related activities in connection with pension transfers, pension conversions or pension opt-outs for retail clients;

(4) giving advice to a person to become, or continue or cease to be, a member of a particular Lloyd's syndicate;

(5) dealing, as principal or as agent, and arranging (bringing about) deals in investments other than a non-investment insurance contract with, for, or in connection with customers where the dealing or arranging deals is governed by COBS 11 (Dealing and managing);

(6) acting in the capacity of an investment manager and carrying on functions connected to this;

(7) in relation to bidding in emissions auctions, acting as a 'bidder's representative' within the meaning of subparagraph 3 of article 6(3) of the auction regulation.

10A.10.8 The customer function does not extend to an individual who is performing the functions in SUP 10A.10.7R (1) to SUP 10A.10.7R (2) or SUP 10A.10.7R (5) to (7) and who is based overseas and who, in a 12-month period, spends no more than 30 days in the United Kingdom to the extent that he is appropriately supervised by a person approved for this function.

10A.10.9 The FCA would expect an individual from overseas to be accompanied on a visit to a customer. TC 2.1.9 R (2) provides that the firm will have to be satisfied that the individual has at least three years of up-to-date, relevant experience obtained outside the United Kingdom. However, the remaining provisions of TC 2.1.9 R (2) are disapplied in these circumstances (except for an individual who gives advice to retail clients on retail investment products, gives advice on P2P agreements to retail clients or is a broker fund adviser). The effect of this is that such individuals need not attain the relevant regulatory module of an appropriate qualification (see TC 2.1.9 R (2)).

10A.10.10 The customer function in SUP 10A.10.7R (5) does not extend to the individual who, on the instructions of the customer, simply inputs the customer's instructions into an automatic execution system where no discretion is or may be exercised by the individual performing the activity. Nor does it extend to merely introducing a customer to a firm or distributing advertisements.
An individual may advise on investments prior to being assessed as competent in accordance with the rules in the Senior Management Arrangements, Systems and Controls sourcebook (SYSC) and, where relevant, the Training and Competence sourcebook (TC). The firm should record when that person subsequently becomes competent.

10A.13 Application for approval and withdrawing an application for approval

When to apply for approval

10A.13.1 In accordance with section 59 of the Act (Approval for particular arrangements), where a candidate will be performing one or more FCA controlled functions, a firm must take reasonable care to ensure that the candidate does not perform these functions unless he has prior approval from the FCA.

Failure to apply for approval

10A.13.2 If a person performs an FCA controlled function without approval it is not only the firm that is accountable. Under section 63A of the Act (Power to impose penalties), if the FCA is satisfied that:

1. a person (“P”) has at any time performed an FCA controlled function without approval; and
2. at that time P knew, or could reasonably be expected to have known, that P was performing an FCA controlled function without approval;

it may impose a penalty on P of such amount as it considers appropriate.

How to apply for approval

10A.13.3 An application by a firm for the FCA’s approval under section 59 of the Act (Approval for particular arrangements) must be made by completing Form A (except where SUP 10A.14.4 D requires a Form E).

10A.13.3A If a firm must make an application using Form A, it must use Form A (shortened form) if:

1. the candidate:
   (a) has current approved person approval to perform:
      (i) an FCA controlled function that is a significant influence function; or
      (ii) an FCA-designated senior management function; or
      (iii) a PRA controlled function; or
(b) has had current approved person approval of the type described in (a) within the previous six months; and

(2) there have been no matters arising in relation to the fitness and propriety of the person to whom the application relates which mean that the information provided to the FCA or the PRA regarding fitness and propriety in connection with the current approved person approval in (1)(a) or (b) may have changed since the application for that current approved person approval was made.

10A.13.3B D
A firm must not use Form A (shortened form) if:

(1) the firm is a MiFID investment firm (except a credit institution); and

(2) SUP 10A.14.4B applies to that application.

10A.13.4 G
SUP 10A.16.1 D explains how applications should be submitted.

10A.13.4A G
When a MiFID investment firm (except a credit institution) notifies the FCA of a change using Form A or Form E, they must also submit the MiFID Article 4 APER Information Form. The details can be found in SUP 10A.14.4BD.

Who should make the application?

10A.13.5 G
(1) In accordance with section 60 of the Act (Applications for approval), applications must be submitted by, or on behalf of, the firm itself, not by:

(a) the FCA candidate; or

(b) (where the FCA candidate works for the firm's parent undertaking or holding company) by the firm's parent undertaking or holding company.

(2) Usually this will be the firm that is employing the FCA candidate to perform the FCA controlled function. Where a firm has outsourced the performance of an FCA controlled function, the details of the outsourcing determine where responsibility lies and whom the FCA anticipates will submit FCA-approved persons application forms. SUP 10A.13.6 G describes some common situations. The firm which is outsourcing is referred to as "A" and the person to whom the performance of the FCA controlled function has been outsourced, or which makes the arrangement for the FCA controlled function to be performed, is referred to as "B". In each situation, A must take reasonable care to ensure that, in accordance with section 59(2) of the Act, no person performs an FCA controlled function under an arrangement entered into by its contractor in relation to the carrying on by A of a regulated activity, without approval from the FCA. 10A.13.7 G Where the notification of an appointed representative (SUP 12.7.1 R) is linked to an application for approval (SUP 10A.13 (Applications for approval and withdrawing an application for approval)), any delay in receiving the notification under SUP 12.7.1 R may delay the FCA’s approval of the individuals employed by that appointed representative who will be performing FCA controlled functions for the firm.

Processing an application

10A.13.8 G The Act sets out the time that the FCA has to consider an application and come to a decision.

10A.13.9 G In any case where the application for approval is made by a person applying for permission under Part 4A of the Act, the FCA has until the end of whichever of the following periods ends last:

1. the period within which an application for that permission must be determined; and
(2) the period of three months from the time it receives a properly completed application.

10A.13.10 In any other case it is the period of three months from the time it receives a properly completed application.

10A.13.11 The FCA must either grant the application or, if it proposes not to grant an application, issue a warning notice (see DEPP 2). The FCA will deal with cases more quickly than this whenever circumstances allow and will try to meet the standard response times published on the website and in its Annual Report. However, if an application is incomplete when received, or the FCA has knowledge that, or reason to believe that, the information is incomplete, then the processing time will be longer than the published standard response times.

10A.13.12 Application forms must always be completed fully and honestly. Further notes on how to complete the form are contained in each form. If forms are not completed fully and honestly, applications will be subject to investigation and the FCA candidate’s suitability to be approved to undertake an FCA controlled function will be called into question. A person who provides information to the FCA that is false or misleading may commit a criminal offence, and could face prosecution under section 398 of the Act regardless of the status of their application.

10A.13.13 If there is a delay in processing the application within the standard response time, the FCA will tell the firm making the application as soon as this becomes apparent.

10A.13.14 Before making a decision to grant the application or give a warning notice, the FCA may ask the firm for more information about the FCA candidate. If it does this, the three-month period in which the FCA must determine a completed application:

   (1) will stop on the day the FCA requests the information; and

   (2) will start running again on the day on which the FCA finally receives all the requested information.

10A.13.15 The FCA may grant an application only if it is satisfied that the FCA candidate is a fit and proper person to perform the FCA controlled function stated in the application form. Responsibility lies with the firm making the application to satisfy the FCA that the FCA candidate is fit and proper to perform the FCA controlled function applied for.

10A.13.16 For further guidance on criteria for assessing whether a FCA candidate is fit and proper, see FIT.
### Decisions on applications

10A.13.17 G 
Whenever it grants an application, the FCA will confirm this in writing to all interested parties.

10A.13.18 G 
If the FCA proposes to refuse an application in relation to one or more FCA controlled functions, it must follow the procedures for issuing warning and decision notices to all interested parties. The requirements relating to warning and decision notices are in [DEPP 2](#).

### Withdrawing an application for approval

10A.13.19 R 
A firm notifying the FCA of its withdrawal of an application for approval must notify the FCA using Form B ([SUP 10C Annex 4R](#)).

10A.13.20 G 
Under section 61(5) of the Act (Determination of applications), the firm may withdraw an application only if it also has the consent of the candidate and the person by whom the candidate is or would have been employed, if this is not the firm making the application.
10A.14 Changes to an FCA-approved person’s details

Moving within a firm

10A.14.1 An FCA-approved person’s job may change from time to time as a result, for instance, of a change in personal job responsibilities or a firm’s regulated activities. Where the changes will involve the person performing one or more FCA controlled functions different from those for which approval has already been granted, then an application must be made to the FCA for approval for the person to perform those FCA controlled functions. The firm must take reasonable care to ensure that an individual does not begin performing an FCA controlled function until the FCA has granted FCA-approved person status to that individual in respect of that FCA controlled function.

10A.14.2 If an FCA-approved person or a PRA-approved person is ceasing to perform FCA controlled functions or a PRA controlled function, as well as applying for approval in respect of FCA controlled functions within the same firm or group, the firm should generally use Form E. Further details can be found in ▬ SUP 10A.14.4D.

10A.14.3 If a person is to perform an FCA controlled function for a firm for which they already perform an FCA controlled function as an approved person but they are not at the same time ceasing to perform an FCA controlled function or PRA controlled function for the firm or a firm in the same group, a firm should use Form A. See ▬ SUP 10A.13.3D and ▬ SUP 10A.13.3AD for further details.

10A.14.4 (1) A firm must use Form E where an approved person is both ceasing to perform one or more controlled functions and needs to be approved in relation to one or more FCA controlled functions within the same firm or group.

(2) A firm must not use Form E if:
   (a) the approved person has never before been approved to perform for any firm:
       (i) an FCA controlled function that is a significant-influence function; or
       (ii) an FCA-designated senior management function; or
       (iii) a PRA controlled function;
(b) the approved person has not been subject to a current approved person approval from the FCA or PRA to perform:

(i) an FCA controlled function that is a significant-influence function; or

(ii) an FCA-designated senior management function; or

(iii) a PRA controlled function;

in relation to any firm for more than six months; or

(c) any of the following apply (where applicable):

(i) a notification referred to in SUP 10C.10.9D(4)(b) or (c) (notification obligations under the Act applying to SMCR firms) has been made or should be made; or

(ii) any of the circumstances in SUP 10A.14.10R (Qualified Form C) apply;

in relation to any:

(iii) controlled functions which that person is ceasing to perform (as referred to in (1)); or

(iv) controlled function that they are continuing to perform for that firm or a firm in the same group.

(3) A firm must not use Form E if a notification has been made or should be made under:

(a) SUP 10A.14.17R (Changes in fitness to be notified under Form D);

(b) SUP 10C.14.18R (the corresponding requirement for SMCR firms); or

(c) the corresponding PRA requirements to (a).

(whichever is applicable) in relation to any controlled functions that that person is ceasing to perform (as referred to in (1)) or any controlled function that he is continuing to perform in relation to that firm or a firm in the same group.

(1) The MiFID authorisation and management body change notification ITS requires that MiFID investment firms (except credit institutions) submit the Annex III information on the ESMA template available at https://www.fca.org.uk/publication/forms/mifid-changes-management-body-form.docx (‘Annex III template’) where there is a change to a member of the management body or a person who effectively directs the business.

(2) MiFID investment firms (except credit institutions) need to submit this Annex III template within ten business days of the change in the online notification and application system (also known as Connect).

(3) SUP 10A.14.48D explains how this requirement fits in with the requirement to submit a Form A or Form E.

(4) [deleted]
(except a credit institution) notify the appropriate regulator of information about members of its management body by filling in the template set out in Annex II of the MiFID authorisation and management body change notification ITS.

(2) This applies whether:
   (a) the person is applying for authorisation; or
   (b) the person is a firm applying for a variation of its permission that would turn it into a MiFID investment firm.

(3) The requirement in SUP 10A.14.4BD to fill in the MiFID Article 4 SMR Information Form along with a Form A or Form E does not apply.

Where:

10A.14.4B

(1) there is a change to a member of the management body or person who directs the business of a MiFID investment firm (except a credit institution) that the firm must notify to the appropriate regulator under Annex III of the MiFID authorisation and management body change notification ITS; and

(2) that change also requires the firm to apply for approval for that member or person to perform an FCA controlled function;

the firm must submit to the FCA the completed form found in SUP 10A Annex 10D (MiFID Article 4 APER Information Form) at the same time as submitting the Form A or Form E about a the candidate.

10A.14.4C

MiFID investment firms (except credit institutions) who submit:

(1) Form A and/or E; and

(2) the MiFID Article 4 APER Information Form

about a candidate may complete the Annex III template outlined in SUP 10A.14.4AG(1) by cross-referring to any information required by the template that has been included in the relevant Form A or Form E. The template should be annexed to the relevant Form A or Form E.

10A.14.5

SUP 10A.16.1 D explains how applications should be submitted.

Moving between firms

10A.14.6

If it is proposed that an FCA-approved person will no longer be performing an FCA controlled function under an arrangement entered into by one firm or one of its contractors, but will be performing the same or a different FCA controlled function under an arrangement entered into by a new firm or one of its contractors (whether or not the new firm is in the same group as the old firm), the new firm will be required to make a fresh application for the performance of the FCA controlled function by that person.

10A.14.7

[deleted]
Ceasing to perform an FCA controlled function

10A.14.8  R

(1) A firm must submit to the FCA a completed Form C (SUP 10C Annex 5R) no later than ten business days after an FCA-approved person ceases to perform an FCA controlled function.

(2) If:

(a) the firm is also making an application for approval for that approved person to perform a controlled function within the same firm or group; and

(b) ceasing to perform the FCA controlled function in (1) has triggered a requirement to make that application for approval:

(i) to the FCA using Form E (rather than a Form A) under SUP 10A or SUP 10C; or

(ii) to the PRA using the PRA’s Form E in accordance with the corresponding PRA requirements;

it must make the notification under (1) using that Form E.

10A.14.9  G

■ SUP 10A.16.2 R explains how notifications should be submitted.

10A.14.9A G

The MiFID authorisation and management body change notification ITS requires that a MiFID investment firm (except a credit institution) submit the information in Annex III of the MiFID authorisation and management body change notification ITS on the ESMA template where there is a change to a member of the management body or a person who effectively directs the business.

This means that a MiFID investment firm required to notify the FCA under (1) may also need to submit the Annex III information along with the Form C or Form E.

See ■ SUP 10A.14.4AG to ■ SUP 10A.14.4CG for more about these notification requirements in a case in which the firm is applying for approval under section 59 of the Act (Approval for particular arrangements).

10A.14.10  R

(1) A firm must notify the FCA as soon as practicable after it becomes aware, or has information which reasonably suggests, that it will submit a qualified Form C in respect of an FCA-approved person.

(2) Form C is qualified if the information it contains:

(a) relates to the fact that the firm has dismissed, or suspended, the FCA-approved person from its employment; or

(b) relates to the resignation by the FCA-approved person while under investigation by the firm, the FCA or any other regulatory body; or

(c) otherwise reasonably suggests that it may affect the FCA’s assessment of the FCA-approved person’s fitness and propriety.
Section 10A.14 : Changes to an FCA-approved person’s details

**10A.14.11** Notification under SUP 10A.14.10 R may be made by telephone, email or fax and should be made, where possible, within one business day of the firm becoming aware of the information. If the firm does not submit Form C, it should inform the FCA in due course of the reason. This could be done using Form D, if appropriate.

**10A.14.12** A firm is responsible for notifying the FCA if any FCA-approved person has ceased to perform an FCA controlled function under an arrangement entered into by its appointed representative or former appointed representative.

**10A.14.13** A firm can submit Form C or Form E and the MiFID Article 4 APER Information Form to the FCA in advance of the cessation date. When a person ceases the arrangement under which they perform an FCA controlled function, they will automatically cease to be an FCA-approved person in relation to that FCA controlled function. A person can only be an FCA-approved person in relation to a specific FCA controlled function. Therefore, a person is not an FCA-approved person during any period between ceasing to perform one FCA controlled function (when they are performing no other FCA controlled function) and being approved in respect of another FCA controlled function.

**10A.14.14** Sending forms promptly will help to ensure that any fresh application can be processed within the standard response times.

### Changes to an approved person’s personal details

**10A.14.15** If an FCA-approved person’s title, name or national insurance number changes, the firm for which the person performs an FCA controlled function must notify the FCA on Form D (SUP 10C Annex 6R) of that change within seven business days of the firm becoming aware of the matter.

**10A.14.16** The duty to notify in SUP 10A.14.15 R does not apply to changes to an FCA-approved person’s private address.

**10A.14.17** If a firm becomes aware of information which would reasonably be material to the assessment of an FCA-approved person’s, or a FCA candidate’s, fitness and propriety (see FIT), it must inform the FCA on Form D, or (if it is more practical to do so and with the prior agreement of the FCA) by e-mail or fax, as soon as practicable.

**10A.14.18** SUP 10A.16.2 R applies to the submission of Form D.

**10A.14.19** Failing to disclose relevant information to the FCA may be a criminal offence under section 398 of the Act.

**10A.14.20** The duty to notify in SUP 10A.14.17 R extends to any circumstances that would normally be declared when giving the information required for section 5 of Form A or matters considered in FIT 2.
Section 10A.14 : Changes to an FCA-approved person’s details

10A.14.21 G

(1) If, in relation to a firm which has completed the relevant Form A (SUP 10A Annex 4D), any of the details relating to arrangements and FCA controlled functions are to change, the firm must notify the FCA on Form D (SUP 10C Annex 6R).

(2) The notification under (1) must be made as soon as reasonably practicable after the firm becomes aware of the proposed change.

(3) This also applies in relation to an FCA controlled function for which an application was made using Form E.

(4) This rule also applies to a firm in respect of an approved person, to whom the grandfathering arrangements relating to the coming into force of the Act applied as if the firm had completed the relevant Form A for that person.

10A.14.22 G

SUP 10A.16.2 R also applies to the submission of Form D under SUP 10A.14.21 G.

10A.14.23 G

An example of where a firm should use Form D is when an individual who is appointed by one appointed representative becomes employed by another appointed representative but continues to perform the customer function for the firm. The firm should notify the FCA by completing Section 1.07 of Form D.

10A.15 References and accurate information

References

10A.15.1 (1) SYSC 22 (Regulatory references) says that if a firm (A):

   - is considering appointing a person (P) to perform any controlled function or certain other functions;
   - requests a reference from a firm (B) that is P's current or former employer; and
   - indicates to B the purpose of the request;

   B should, as soon as reasonably practicable, give a reference to A.

(2) This applies even if A is a firm to which SUP 10C (FCA senior managers regime for approved persons in SMCR firms) applies rather than this chapter.

The need for complete and accurate information

10A.15.4 The obligations to supply information to the FCA under either SUP 10A.14.8R or SUP 10A.14.10R apply notwithstanding any agreement (for example a ‘COT 3’ Agreement settled by the Advisory, Conciliation and Arbitration Service (ACAS)) or any other arrangements entered into by a firm and an employee upon termination of the employee’s employment. A firm should not enter into any such arrangements or agreements that could conflict with its obligations under this section.

10A.15.5 Failing to disclose relevant information to the FCA may be a criminal offence under section 398 of the Act.
(1) This direction applies to an application under Form A or Form E.

(2) Subject to (2A), an application by a firm must be made by submitting the Form online at fca.org.uk using the form specified on the FCA’s and PRA’s online notification and application system.

(2A) An application by a firm whose application for permission or whose Part 4A permission covers only credit-related regulated activities must be made using the form in ▪ SUP 10A Annex 4 or ▪ SUP 10A Annex 8 and must be submitted in the way set out in ▪ SUP 15.7.4 R to ▪ SUP 15.7.9 G (Form and method of notification).

(3) [deleted]

(4) Where a firm is obliged to submit an application online under (2), if the information technology systems used by the FCA fail and online submission is unavailable for 24 hours or more, until such time as facilities for online submission are restored a firm must use the form in ▪ SUP 10A Annex 4D or ▪ SUP 10A Annex 8D and submit it in the way set out in ▪ SUP 15.7.4 R to ▪ SUP 15.7.9 G (Form and method of notification).

(5) An application by a firm in relation to a controlled function to which ▪ SUP 10A.1.16BR (appointed representative of an SMCR firm) applies must be made in accordance with ▪ SUP 10C.15 (Forms and other documents and how to submit them to the FCA) and not this section.

(1) This rule applies to a notification under Form C or Form D.

(2) A notification must be made in accordance with ▪ SUP 10A.16.1 D, except that the annexes in which the forms are to be found are ▪ SUP 10C Annex 5R or ▪ SUP 10C Annex 6R, rather than the Annexes mentioned in ▪ SUP 10A.16.1 D.

(3) A notification by a firm in relation to a controlled function to which ▪ SUP 10A.1.16BR (appointed representative of an SMCR firm) applies must be made in accordance with ▪ SUP 10C.15 (Forms and other documents and how to submit them to the FCA) and not this section.

▪ SUP 10A.16.2R(3) also applies to Form B in relation to a controlled function to which ▪ SUP 10A.1.16BR (appointed representative of an SMCR firm) applies.
10A.16.3 If the information technology systems used by the FCA fail and online submission is unavailable for 24 hours or more, the FCA and PRA will endeavour to publish a notice on their websites confirming that online submission is unavailable and that the alternative methods of submission set out in SUP 10A.16.1D (4) and SUP 15.7.4 R to SUP 15.7.9 G (Form and method of notification) should be used.

10A.16.4 Where SUP 10A.16.1D (4) or the equivalent situation under SUP 10A.16.2 R applies to a firm, GEN 1.3.2 R (Emergency) does not apply.

<tr>

</tr>
<tr>
<td>10 What is the role of the FCA candidate in the application process?</td>

</tr>
<tr>
<td>11 What checks should a firm make on a FCA candidate before submitting an application for approval from the FCA?</td>
<td>The FCA expects firms to perform due and diligent enquiries into their FCA candidates before they submit an application to the FCA for approval. The FCA’s approval process is not a substitute for the checks that a firm should be carrying out on its prospective recruits. It is for the firm to determine what checks are appropriate but, in making its decision, a firm should have regard to the FCA controlled function to which the application relates. Firms' enquiries should include checks to verify relevant qualifications and previous employment. Note also the provisions of EG 6.</td>
</tr>
<tr>
<td>12 Should these checks include a check of criminal records?</td>
<td>It is for senior management to decide what checks should be made. In deciding if it is necessary to carry out a check of criminal records, the firm should consider that the FCA does not routinely carry out these checks during the approval process. By virtue of the rehabilitation exceptions orders, the FCA and the industry also have a right to ask about the spent criminal convictions specified in those Orders, as well as any unspent criminal convictions, in order to assess the suitability of FCA candidates for approved person status (see section 5 of the relevant Form A (Application to perform controlled functions under the approved persons regime)). Note also the provisions of EG 6 (Publicity).</td>
</tr>
<tr>
<td>13 What is the “fit and proper” test for approval?</td>
<td>Section 61(1) of the Act (Determination of applications) provides that the FCA may grant an application only if it is satisfied that the FCA candidate is a fit and proper person to perform the relevant function. In determining this question, the Act sets out the matters to which the FCA may have regard (section 61(2)) and the FCA has given guidance on this in FIT.</td>

<tr>
<td>15 What happens if adverse information comes to light after the application form has been submitted or after the individual has been <strong>FCA</strong>-approved?</td>

Form A: Application to perform controlled functions under the approved persons regime

This annex consists only of one or more forms. Note that there are separate forms for Solvency II firms, large and small non-directive insurers, incoming EEA firms, applicants for a Part 4A permission or variation of permission that would result in an initial authorisation under MiFID, applicants for a Part 4A permission that would result in the applicant becoming exempt under article 3 of MiFID and other firms. Swiss general insurers must use the forms for large non-directive insurers not the form for Solvency II firms. It also includes the scope of responsibilities form which must be included as an attachment to Form A in certain cases. An applicant applying for a Part 4A permission or variation of permission that would result in an initial authorisation under MiFID or in the applicant becoming exempt under article 3 of MiFID is only required to use the “Long Form A – UK and Overseas Firms (not Incoming EEA) for MiFID authorisation applications” in relation to members of the management body or persons effectively directing its business.

Terms in these notes

These notes use the following terms:

• ‘you’ refers to the candidate for whom the Form A is being completed by the Applicant;
• ‘candidate’ (paper forms only) refers to the individual for whom the Form A is being completed by the Applicant;
• ‘the Applicant’ refers to the firm applying for authorisation of the candidate;
• ‘the FCA’, ‘we’, ‘us’ or ‘our’ refers to the Financial Conduct Authority;
• ‘the PRA’, refers to the Prudential Regulation Authority; and
What is the Form A used for?

The Form A is used by a firm which seeks the FCA and/or PRA’s approval under section 59 of the Financial Services and Markets Act 2000 (‘FSMA’) for a particular individual to perform controlled functions. The Form A is referred to in the Supervision Manual (“SUP”).

Full details of the Approved Persons regime including, Senior Insurance Managers’ (SIMR) regime, the Senior Managers’ (SMR) and the application process are given in SUP 10A, SUP 10A Annex 4D, SUP 10C and SUP 10C Annex 2D respectively of the FCA Handbook and the Parts relating to the Senior Managers Regime and Senior Insurance Managers Regime in the PRA Rulebook.

There are different versions of Form A for applications under the Senior Managers Regime, the Senior Insurance Managers Regime and for other firms - please ensure you are using the correct version.

Applications for corporate candidates must be made using an adapted Form A that will be supplied by the FCA and/or PRA upon request.

Important information about the Form A

The Form A is of the utmost importance to the FCA and/or PRA assessment of the fitness and propriety of the candidate.

All information relevant to the application must be provided to the FCA and/or PRA with the Form A. This applies even if the information is, or is believed to be, already known to the FCA and/or PRA, as a result of it being in the public domain, or has been previously disclosed to the FCA and/or PRA or to another regulatory body. In all circumstances, disclosures should be full, frank and unambiguous.

If the firm or candidate becomes aware of further information which might be relevant to the application following submission of the Form A, it should provide it to the FCA and/or PRA immediately. The obligation to provide full, frank and unambiguous information does not stop with the submission of the Form A.

The information supplied by the candidate should be verified by the firm wherever possible. If the FCA and/or PRA vetting checks reveal any matters that have not been disclosed, then applications will be delayed and, in some cases, possibly rejected.

The firm is responsible for the accuracy of the data and completion of the Form A. If the Form A is not fully and correctly completed, the FCA and/or PRA may need to return it for proper completion. This could significantly delay the FCA and/or PRA’s, decision on whether to grant approval to perform the requested controlled functions.

The FCA and/or PRA may require the applicant to provide further information at any time after receiving an application and before determining whether approval is to be granted or not. It may direct the format in which this information is provided, for example, in an interview with the candidate.

Key assumptions about the firm and the candidate

The FCA and/or PRA relies on the information contained in the Form A and makes certain assumptions about the firm and the candidate in considering the information contained in the form. It is very important that the candidate and the firm are aware of these assumptions:

- It is assumed that the candidate is not performing the controlled function applied for. A candidate must not perform any controlled function until the FCA and/or PRA, has granted approval. If the firm permits the candidate to perform controlled functions without FCA and/or PRA approval it may be in breach of section 59 of FSMA and the candidate may also be in breach of his or her regulatory obligations;

- It is assumed that the firm and the candidate know and understand the factors which the FCA and/or PRA takes into account when considering the fitness and propriety of the candidate. These factors are set out in the part of the Handbook entitled the Fit and Proper Test for
Approved Persons ("FIT") and in the Fitness and Propriety and in the Insurance – Fitness and Propriety Parts of the PRA Rulebook.

It is assumed that the candidate knows and understands the obligations and responsibilities of an approved person. These are set out in the FCA Handbook and the PRA Rulebook including in the following:

- the Statements of Principle and Code of Practice for Approved Persons ("APER");
- COCON Code of Conduct;
- SUP 10A FCA Approved Persons;
- SUP 10C FCA senior management regime for approved persons in relevant authorised persons; and
- in the Parts of the PRA Rulebook entitled: Senior Management Functions; Fitness and Propriety; Allocation of Responsibilities and Conduct Rules; and
- Insurance – Senior Insurance Management Functions; Insurance – Fitness and Propriety; Insurance – Allocation of Responsibilities; and Insurance – Conduct Standards;
- firms should also refer for further information to the PRA supervisory statements - SS 28/15 Strengthening individual accountability in banking for deposit takers, and SS 35/15 Strengthening individual accountability in insurance for insurers.

Finally, it is assumed that both the firm and the candidate have read and understood these guidance notes in completing the Form A. The responsibility for the accuracy and completeness of the information supplied rests with the candidate and the firm. Seeking legal and/or compliance advice about how to complete the Form A will not discharge that responsibility.

Completing a Form A using Connect

If you are using Connect to complete a Form A it will ask you some initial questions to determine the sections you need to complete.

Completing a Paper Form A – Long or Short

The Form A must be completed in black ink and (if in manuscript) in BLOCK LETTERS.

Indicate clearly if a question is not applicable. Select the appropriate box where a yes/no answer is required. Where you answer “yes” you must:

- provide further details in section 6 (Supplementary Information) of the Form A. If there is insufficient space for a detailed answer then you may attach further pages; and
- tick “yes” at the bottom of the relevant page of the Form A to confirm that you have provided additional information.

If you want to attach additional information to the Form A it must be securely attached, for example by stapling it to the Form A and you should state in section 6 (Supplementary Information) the number of additional sheets attached.

There are two types of Form A; a Long Form A and a Short Form A. The key difference is that the Long Form A requires detailed information about the fitness and propriety of the candidate.

- For firms subject to the Senior Managers Regime, the circumstances in which each form may be used are detailed in SUP 10C (FCA senior management regime for approved persons in relevant authorised persons) of the FCA Handbook and the Senior Managers Regime – Applications and Notifications of the PRA Rulebook.
For firms subject to the Senior Insurance Managers Regime and the FCA approved persons regime for insurers, the circumstances in which each form may be used are detailed in Senior Insurance Managers Regime - Applications and Notifications Parts of the PRA Rulebook and SUP 10A FCA Approved Persons of the FCA Handbook.

For all other firms, the circumstances in which each form may be used are detailed in SUP 10A FCA Approved Persons of the FCA Handbook.

The Short Form A may be used if any of the following conditions apply:

• an individual who is already an approved person is applying to perform an additional controlled function under an arrangement with the same firm; or

• the candidate has ceased to perform a controlled function under an arrangement with firm A and now requires approval to perform a controlled function under an arrangement with firm B. These can be two entirely different firms and not just two firms in the same group (however, see the exception in the following paragraph; or

• an individual who is already an approved person with another firm, firm B, is applying to perform a controlled function for a different firm, firm A and is already approved for that particular group of functions.

You should submit a curriculum vitae (‘CV’) with the Short Form A if the candidate’s CV has altered from the last time they applied to hold a controlled function (i.e. it has changed from the last time the FCA and/or PRA had sight of the CV).

The CV should be attached securely to the Short Form A by stapling it.

The Long Form A must be completed if:

• the candidate ceased to be an approved person more than six months ago;

• the candidate or approved person is seeking approval in respect of a significant influence function and has either never had approval from the FCA or PRA to perform a SIF, SMF or PRA controlled function or ceased to have approval to perform that function more than six months ago; or

• there have been any matters arising in relation to the candidate’s fitness and propriety which mean that their answers to Section 5 of the Long Form A (Fitness and Propriety) may have changed since they last completed a Form A (i.e. since they last made an application for approval).

For example, such matters could include (but are not limited to), where:

• the candidate has been investigated by the FCA and/or PRA, by another regulatory body or an authorised firm;

• the candidate has had CCJs registered against their name or has entered into a voluntary arrangement with creditors (whether formal or informal);

• the candidate has been convicted of criminal offences; or

• the candidate has been the subject of any civil action.

If you are in any doubt whether a Short Form A is acceptable, please submit a Long Form A and make full disclosure of all issues which could potentially be relevant. A Long Form A is acceptable in all circumstances. Please see SUP 10A Annex 2G and SUP 10C Annex 1G.

Paper Form A users

Where the application is for the candidate to perform the controlled function(s) at a single firm, the firm should answer questions 3.02, 3.03 and 3.04. However, if the application is being made on behalf of a candidate who proposes to perform controlled functions for more than one firm, then the final question of section three (3.04 and 3.05 where applicable) must also be answered to describe the controlled functions and the relationships between the candidate and each firm for which the candidate proposes to perform the controlled function.

Question 3.02 – Guidance about the particular controlled functions can be found in SUP 10C (for senior management functions) and SUP 10A (for all other controlled functions). For more information on Senior Management Functions and Senior Insurance Management Functions, please refer to SS28/15 and SS35/15, which are published on the PRA website.

Question 3.03 – This box should be left blank in all cases unless there is a reason to delay the commencement of the performance of the controlled functions (subject to approval) until a date which is after the FCA and/or PRA published standard response times, details of which can be found at:

www.fca.org.uk/your-fca, and/or

www.bankofengland.co.uk/PRA
The FCA and/or PRA will assume that the firm wishes an application to be determined as soon as possible unless this box is completed and the reason for the delay set out in section 6 of the Form A.

Please note that the candidate must not perform the controlled function until the FCA and/or PRA approval has been granted. To do so will mean that both the firm and the candidate may be in breach of FCA and/or PRA rules and principles.

Question 3.04 - If the candidate seeks approval for a significant influence function, the specific job title of the candidate must be included.

Insurance Distribution

This is not a controlled function in its own right. However, every firm that carries on insurance distribution activities must appoint an approved person(s) who will be responsible for insurance distribution activities at the firm (MIPRU 2.2).

This responsibility must be allocated to a member of the governing body of the firm or in certain circumstances, a senior manager (i.e. an individual that is applying for approval as CF1, 3-8 or 29).

Please note that insurance distribution is not applicable to appointed representatives.

Where a firm has appointed an appointed representative to carry on insurance distribution activities on its behalf, the person responsible for the firm’s insurance distribution activities will also be responsible for the insurance distribution activities carried on by an appointed representative.

Mortgage Credit Directive intermediation activity

The term ‘Mortgage Credit Directive (MCD) intermediation activity’, as used within this application, is equivalent to the term ‘MCD credit intermediation activity’ as defined with the Glossary of the FCA Handbook.

This is not a controlled function in its own right. However, every firm that carries on MCD credit intermediation activities must appoint an approved person(s) who will be responsible for MCD credit intermediation activities at the firm (see MIPRU 2.2).

This responsibility must be allocated to a member of the governing body of the firm or in certain circumstances, a senior manager (i.e. an individual that is applying for approval as CF1, 3-8 or 29).

Where a firm has appointed an appointed representative to carry on MCD credit intermediation activity on its behalf, the person responsible for the firm’s MCD credit intermediation activity will also be responsible for the MCD credit intermediation activity carried on by an appointed representative.

Unless the firm indicates otherwise, the FCA and/or the PRA assumes that the arrangement given on the application form includes all of the activities that fall within the description of the controlled function. This means that a firm may alter a candidate’s responsibilities within the broad description of a controlled function without needing further approval from the FCA and/or the PRA. However, they will be required to record this change on the scope/statement of responsibilities record (where applicable) that is maintained by the firm for each individual in a controlled function.

Employment History

This section will not be displayed if you have been approved for a function within the last six months and your Fitness and Propriety and Employment History has not changed.

Fitness and Propriety
This section will not be displayed if you have been approved for certain controlled functions within the last six months and your Fitness and Propriety and Employment History has not changed.

If you are using the paper forms, this section contains the notes you will need for Section 5 – Fitness and propriety.

If any disclosures are made in the fitness and propriety section of the application to perform a controlled function, full details should be provided in support of the application. This includes disclosures about any previous disciplinary investigation by previous regulators or employers involving the candidate.

We take non-disclosure seriously, especially where there is an apparent attempt to mislead. Non-disclosure will add to the seriousness of the undisclosed issue. If our vetting checks reveal any matters that have not been disclosed, then applications will be subject to investigation and the candidate’s suitability to be approved will be called into question. A person who knowingly or recklessly provides information to the FCA and/or the PRA that is false or misleading may commit a criminal offence, and could face prosecution under section 398 of the FSMA (Misleading FCA or PRA: residual cases) regardless of the status of their application.

You should also be aware that, while advice may be sought from a third party (e.g. legal advice), responsibility for the accuracy of information, as well as the disclosure of relevant information, on the form is ultimately the responsibility of the firm and the candidate.

The purpose of this Form

This is Form E referred to in:

• SUP 10A and SUP 10C in the FCA Handbook;
• the Senior Managers Regime — Applications and Notifications Part of the PRA Rulebook; and
• the relevant “Senior Insurance Managers Regime — Applications and Notifications” Parts in the “Solvency II firms” and “Non-Solvency II Firms” sectors of the PRA Rulebook.

A firm should use Form E when an approved person ceases to perform one or more controlled functions and the firm wishes to apply for approval for the individual in respect of other controlled functions. Form E should not be used for a qualified withdrawal (see SUP 10A.14.10R and SUP 10C.14.7R in the FCA Handbook, Chapter 5 of Senior Management Regime — Applications and Notifications and Chapter 4.2 of Solvency II firms: Senior Insurance Managers Regime — Applications and Notifications in the PRA Rulebook). Form E may also be used for transfers between firms that are part of the same group:

Form E should not be used in the circumstances set out in SUP 10A.14.4D(2)-(3) or SUP 10C.10.9D(2)-(4) of the FCA Handbook; or Senior Managers Regime — Applications and Notifications 2.4 & 2.5 or Senior Insurance Managers Regime - Applications and Notifications 2.4 & 2.5 of the PRA Rulebook.

Form C must be used if the individual is ceasing to perform a controlled function and the firm is not seeking approval in respect of another controlled function.
Form A must be completed in full if the approved person is seeking approval in respect of a controlled function including a senior management function or senior insurance management function for the first time.

**Completing this Form**

If in manuscript, Form E must be completed in black ink and in BLOCK LETTERS.

All dates should be provided in numeric form (e.g. 29/02/2000 for 29 February 2000).

Indicate clearly if a question is not applicable. Tick the appropriate box where a yes/no answer is required. Further details should be given in section 5 (Supplementary Information) if there is insufficient space for a detailed answer.

Additional information can be attached to the Form. It must be securely attached to the rest of the Form and you must indicate at question 5.02 the number of additional sheets attached.

Do not assume that information is known to the FCA and/or PRA merely because it is in the public domain, or has been previously disclosed to the FCA and/or PRA or to another regulatory body. In all circumstances, disclosures should be full, frank and unambiguous. The information supplied by the candidate should be verified by the firm wherever possible. Should the FCA and/or PRA vetting checks reveal any matters that have not been disclosed, then applications will be delayed and, in some cases, possibly rejected. See [SUP 10A.13.12G](#) and [SUP 10C.10.30G](#) of the FCA Handbook.

Expressions in Form E in italics have the meaning given in the Glossary to the FCA Handbook (or, if no meaning is given there, the expressions are to be interpreted in accordance with the related expression defined in the Glossary).

The firm is responsible for the completion of Form E. If Form E is not fully and correctly completed, the FCA and/or PRA may need to return it for proper completion. This could significantly delay the FCA and/or PRA’s decision on whether to grant approval to perform the requested controlled functions (see [SUP 10A.13.12G](#) and [SUP 10C.10.30G](#) of the FCA Handbook).

The FCA and/or PRA may require the applicant to provide further information at any time after receiving an application and before determining whether it is to be granted or not (see [SUP 10A.13.14G](#), [SUP 10B.11.13G](#) and [SUP 10C.10.28G](#) in the FCA Handbook).

If a firm has provided, or has information that reasonably suggests that it may have provided, the FCA and/or PRA with information which was or has become false, misleading, incomplete or inaccurate, in a material particular, it must notify the FCA and/or PRA immediately (see [SUP 15.6.4R](#) in the FCA Handbook, Notification 6 in the PRA Rulebook and the equivalent Parts in the “Solvency II firms” and “Non-Solvency II Firms” sectors of the PRA Rulebook). Failure to notify the FCA and/or PRA may result in a delay in processing or rejection.

**SECTION 4 – ARRANGEMENTS AND CONTROLLED FUNCTIONS**

The firm must tick the box in 4.01 that most accurately describes its arrangement with the candidate. For applications from a single firm, the firm should complete 4.02, 4.03 & 4.04 indicating the controlled functions required by selecting the appropriate box in 4.02. However, if the application is being made on behalf of a candidate who will carry out controlled functions for more than one firm, 4.05 must be used to describe the controlled functions and the relationships between the candidate and those firms. For senior management functions, firms should use 4.04 in the relevant Form E.

If this application relates to more than one appointed representative, provide details in section 5.
4.02 If the controlled function 28 or 29 is requested, the specific job title of the candidate should be included.

4.03 The effective date is the date on which the firm wishes the candidate to begin performing controlled functions (subject to approval). This should be left blank unless there is a reason for the effective date to be beyond the FCA and/or PRA published standard response times. For instance, a firm may wish to be sure that a candidate has been approved before they take up their post.

4.04 Insurance distribution

This is not a controlled function in its own right. However, every firm that carries on insurance distribution activities must appoint an approved person(s) who will be responsible for insurance distribution activities at the firm (as detailed at MIPRU 2.2).

This responsibility must be allocated to a member of the governing body of the firm or in certain circumstances, a senior manager. (i.e. an individual that is applying for approval as CF1, 3-8 or 29).

Where a firm has appointed an appointed representative to carry on insurance distribution activities on its behalf, the person responsible for the firm's insurance distribution activities will also be responsible for the insurance distribution activities carried on by an appointed representative.

Unless the firm indicates otherwise, the FCA and/or PRA assumes that the arrangement given on the application form includes all of the activities that fall within the description of the controlled function. This means that a firm may alter a candidate's responsibilities within the broad description of a controlled function without needing further approval from the FCA and/or PRA. However, they will be required to record this change on the scope/statement of responsibilities record (where applicable) that is maintained by the firm for each individual performing a controlled function.

SECTION 5 – SUPPLEMENTARY INFORMATION

This section provides extra space for any previous answer and for additional information relevant to this application.

The firm must include details of any other matter which the firm is aware of and which in its reasonable opinion is relevant in connection with the approved person ceasing to perform their controlled function. If there is insufficient space, additional sheets may be used.

SECTION 6 – DECLARATIONS AND SIGNATURES

This section contains declarations which must be signed by both an appropriate individual for the firm or applicant submitting the application and the candidate. The FCA and/or PRA considers that an appropriate individual would either be an individual approved [to perform a SIF, SMF or a PRA controlled function] or someone to whom the firm has delegated the authority to notify the FCA and/or PRA. If this authority has been delegated, the firm should keep records of those individuals authorised to sign on behalf of the firm.

N.B. Please keep these notes before returning the completed Form to the FCA and/or PRA.
