Interaction of SUP 12 and other modules in relation to MiFID business

12.1.1D In addition to those rules in SUP 12 relating to the MiFID business of appointed representatives and tied agents, there are other obligations derived from MiFID in the Handbook relevant to the knowledge and competence of tied agents and related compliance obligations (see SYSC 5.1, TC and FIT (in respect of appointed representatives that are approved persons)). These provisions are subject to the territorial application requirements in their respective chapters.
Territorial application: Gibraltar

This chapter applies to a Gibraltar-based firm which is considering appointing, has decided to appoint or has appointed an appointed representative in accordance with the general application of this chapter.

Purpose

This chapter gives guidance to a firm, which is considering appointing an appointed representative, on how the provisions of section 39 of the Act (Exemption of appointed representatives) work. For example, it gives guidance on the conditions that must be satisfied for a person to be appointed as an appointed representative. It also gives guidance to a firm on the implications, for the firm itself, of appointing an appointed representative.

The chapter also sets out the FCA’s rules, and guidance on these rules, that apply to a firm before it appoints, when it appoints and when it has appointed an appointed representative. The main purpose of these rules is to place responsibility on a firm for seeking to ensure that:

1. its appointed representatives are fit and proper to deal with clients in its name; and
2. clients dealing with its appointed representatives are afforded the same level of protection as if they had dealt with the firm itself.

The FCA’s website includes information about becoming and appointing an appointed representative. This information can be found at [https://www.fca.org.uk/firms/appointed-representatives-principals](https://www.fca.org.uk/firms/appointed-representatives-principals).

This chapter also sets out:

1. guidance about section 39A of the Act, which is relevant to a MiFID investment firm that is considering appointing an FCA registered tied agent; and
2. the FCA’s rules, and guidance on those rules, in relation to the appointment of:
   a. an FCA registered tied agent by a MiFID investment firm;
   b. a MiFID optional exemption appointed representative; and
   c. a structured deposit appointed representative.
12.2 Introduction

What is an appointed representative?

12.2.1 (1) Under section 19 of the Act (The general prohibition), no person may carry on a regulated activity in the United Kingdom, or purport to do so, unless he is an authorised person, or he is an exempt person in relation to that activity.

(2) A person will be an exempt person if he satisfies the conditions in section 39(1) of the Act, guidance on which is given in SUP 12.2.2 G. A person who is exempt as a result of satisfying these conditions is referred to in the Act as an appointed representative.

(3) If an appointed representative is also a tied agent or a MiFID optional exemption appointed representative he must also satisfy the condition in section 39(1A) of the Act in order to be an exempt person. See SUP 12.4.12 G and SUP 12.4.13 G for guidance on that condition, SUP 12.2.16 G for more general guidance about tied agents, and SUP 12.2.17 G for guidance about MiFID optional exemption appointed representatives.

(3A) If an appointed representative is also a structured deposit appointed representative he must also satisfy the condition in section 39(1AA) of the Act in order to be an exempt person. See SUP 12.4.12 G and SUP 12.4.13 G for guidance on that condition and SUP 12.2.18 G for guidance about structured deposit appointed representatives.

(4) If an appointed representative has entered into a contract with an MCD credit intermediary and is a person to whom section 39(1BA) of the Act applies, they must also satisfy the conditions in section 39(1BB) of the Act to be an exempt person. See SUP 12.4.10 C G for guidance on those conditions.

12.2.2 (1) A person (other than a firm with only a limited permission) must satisfy the conditions in section 39(1) of the Act to become an appointed representative. These are that:

(a) the person must not be an authorised person, that is, he must not have permission under the Act to carry on any regulated activity in his own right (section 39(1) of the Act);

(b) the person must have entered into a contract with an authorised person, referred to in the Act as the ‘principal’, which:

(i) permits or requires him to carry on business of a description prescribed in the Appointed Representatives Regulations (section 39(1)(a)(i) of the Act) (see SUP 12.2.7 G); and
(ii) complies with any requirements that may be prescribed in the Appointed Representatives Regulations (section 39(1)(a)(ii) of the Act) (see G SUP 12.5.2 G); and

(c) the principal must have accepted responsibility, in writing, for the authorised activities of the person in carrying on the whole, or part, of the business specified in the contract.

(2) The appointed representative is an exempt person in relation to any regulated activity comprised in the carrying on of the business for which his principal has accepted responsibility.

Appointed representatives with limited permission to carry on certain credit activities

12.2.2A G

(1) Under sections 20(1) and (1A) of the Act (Authorised persons acting without permission), if an authorised person carries on a regulated activity in the United Kingdom, or purports to do so, otherwise than in accordance with his permission, he is to be taken to have contravened a requirement imposed by the FCA (in the case of a FCA-authorised person) or the FCA and the PRA (in the case of a PRA-authorised person).

(2) In addition, under section 23(1A) of the Act (Contravention of the general prohibition or section 20(1) or (1A)), an authorised person is guilty of an offence if he carries on a credit-related regulated activity in the United Kingdom, or purports to do so, otherwise than in accordance with his permission. For these purposes, entering into a regulated credit agreement as lender, exercising, or having the right to exercise, the lender’s rights and duties under a regulated credit agreement and debt collecting are credit-related regulated activities, except in so far as the activity relates to an agreement under which the obligation of the borrower to repay is secured on land (see the Financial Services and Markets Act 2000 (Consumer Credit) (Designated Activities) Order 2014).

(3) Section 39(1D) of the Act provides, however, that sections 20(1) and (1A) and 23(1A) of the Act do not apply:

(a) to an authorised person with only a limited permission;

(b) in relation to the carrying on by him of a regulated activity which is not one to which his limited permission relates;

if the conditions in section 39(1C) of the Act are met. Guidance on these conditions is given at G SUP 12.2.28 G. A firm carrying on a regulated activity in circumstances where, as a result of section 39(1D) of the Act, sections 20(1) and (1A) and 23(1A) of the Act do not apply is also referred to as an appointed representative.

12.2.2B G

(1) A firm must satisfy the conditions in section 39(1C) of the Act to become an appointed representative. These are that:

(a) the firm must have only a limited permission (section 39(1C)(a) of the Act);

(b) the firm must have entered into a contract with another authorised person, referred to in the Act as the ‘principal’, which:
(i) permits or requires him to carry on business of a description prescribed in the Appointed Representatives Regulations section 39(1C)(b)(i) of the Act (see §SUP 12.2.7 G); and

(ii) complies with any requirements that may be prescribed in the Appointed Representatives Regulations section 39(1C)(b)(ii) of the Act; and

(c) the principal must have accepted responsibility, in writing, for the authorised activities of the firm in carrying on the whole, or part, of the business specified in the contract.

(2) The appointed representative is not subject to sections 20(1) or (1A) or 23(1A) of the Act in relation to the carrying on of the regulated activity which is comprised in the business for which his principal has accepted responsibility and for which he does not have limited permission.

Who can be an appointed representative?

As long as the conditions in section 39 of the Act are satisfied, any person, other than an authorised person (unless he has only a limited permission), may become an appointed representative, including a body corporate, a partnership or an individual in business on his own account. However, an appointed representative cannot be an authorised person under the Act unless he has only a limited permission. A person cannot be exempt for some regulated activities and authorised for others. An appointed representative with a limited permission is not an exempt person, but he may carry on the regulated activity comprised in the business for which his principal has accepted responsibility without being taken to have contravened a requirement imposed on him by the FCA or PRA or committing an offence, even though the activity is not covered by his limited permission.

Can an appointed representative have more than one principal?

The Act and the Appointed Representatives Regulations do not prevent an appointed representative from acting for more than one principal. However, §SUP 12.5.6A R (Prohibition of multiple principals for certain activities) prevents this for particular kinds of business.

What is a "network"?

A firm is referred to as a ‘network’ if it appoints five or more appointed representatives (not counting introducer appointed representatives) or if it appoints fewer than five appointed representatives (again, not counting introducer appointed representatives) which have, between them, twenty-six or more representatives. However, a network does not include:

(a) a product provider;
(b) a firm which markets the packaged products of a product provider in the same group as the firm and which does so other than by selecting products from the whole market;
Business for which an appointed representative is exempt

(1) The Appointed Representatives Regulations are made by the Treasury under sections 39(1), (1C) and (1E) of the Act. These regulations describe, among other things, the business for which an appointed representative may be exempt or to which sections 20(1) and (1A) and 23(1A) of the Act may not apply, which is business which comprises any of:

(a) dealing in investments as agent (article 21 of the Regulated Activities Order) where the transaction relates to:
   (i) a pure protection contract (but only where the contract is not a long-term care insurance contract) or general insurance contract; or
   (ii) a funeral plan contract;

(aa) bidding in emissions auctions (article 24A of the Regulated Activities Order) where that activity does not consist either of dealing on own account or the execution of orders on behalf of clients;

(b) arranging (bringing about) deals in investments (article 25(1) of the Regulated Activities Order) (that is in summary, deals in a designated investment (other than a P2P agreement), structured deposit, funeral plan contract, pure protection contract, general insurance contract or right to or interest in a funeral plan);

(c) making arrangements with a view to transactions in investments (article 25(2) of the Regulated Activities Order) (that is in summary, transactions in a designated investment (other than a P2P agreement), structured deposit, funeral plan contract, pure protection contract, general insurance contract or right to or interest in a funeral plan);

(d) arranging (bringing about) a home finance transaction (articles 25A(1), 25A(2A), 25B(1) and 25C(1) of the Regulated Activities Order);

(e) making arrangements with a view to a home finance transaction (articles 25A(2), 25B(2) and 25C(2) of the Regulated Activities Order);

(ea) credit broking (article 36A of the Regulated Activities Order);

(eb) operating an electronic system in relation to lending (article 36H of the Regulated Activities Order);

(f) assisting in the administration and performance of a contract of insurance (article 39A of the Regulated Activities Order);

(fa) debt adjusting (article 39D of the Regulated Activities Order);

(fb) debt counselling (article 39E of the Regulated Activities Order);

(fc) debt collecting (article 39F of the Regulated Activities Order);

(fd) debt administration (article 39G of the Regulated Activities Order);
(g) arranging safeguarding and administration of assets (part of article 40 of the Regulated Activities Order);

(h) giving basic advice on a stakeholder product (article 52B of the Regulated Activities Order);

(i) advising on investments (except P2P agreements) (article 53(1) to (1D) of the Regulated Activities Order) (that is in summary, advising on any designated investment (other than a P2P agreement), structured deposit, funeral plan contract, pure protection contract, general insurance contract or right to or interest in a funeral plan);

(ii) advising on P2P agreements (article 53(2) of the Regulated Activities Order);

(j) advising on a home finance transaction (articles 53A, 53B and 53C of the Regulated Activities Order);

(ja) entering into a regulated credit agreement as lender or exercising, or having the right to exercise, the lender's rights and duties under a regulated credit agreement (article 60B of the Regulated Activities Order) when carried on in relation to a credit agreement under which the credit is provided free of interest and without any other charges;

(jaa) advising on regulated credit agreements for the acquisition of land (article 53DA of the Regulated Activities Order);

(jab) advising on conversion or transfer of pension benefits (article 53E of the Regulated Activities Order);

(jb) entering into a regulated consumer hire agreement as owner or exercising, or having the right to exercise, the owner's rights and duties under a regulated consumer hire agreement (article 60N of the Regulated Activities Order);

(k) agreeing to carry on a regulated activity (article 64 of the Regulated Activities Order) where the regulated activity is one of those specified in Regulation 2(1)(d) of the Appointed Representatives Regulations; and

(l) providing credit information services (article 89A of the Regulated Activities Order).

(2) If the appointed representative is also a tied agent, the business for which the appointed representative may be exempt includes the following additional activities:

(a) placing financial instruments or structured deposits;

(b) providing advice to clients or potential clients in relation to the placing of financial instruments or structured deposits.

(3) [deleted]

(4) Regulated claims management activity is not a type of business for which an appointed representative may be exempt.
What is an introducer appointed representative?

12.2.8 G

(1) An introducer appointed representative is an appointed representative appointed by a firm whose scope of appointment must, under SUP 12.5.7 R, be limited to:

(a) effecting introductions to the firm or other members of the firm’s group; and

(b) distributing non-real time financial promotions which relate to products or services available from or through the firm or other members of the firm’s group.

(2) The permitted scope of appointment of an introducer appointed representative does not include in particular:

(a) dealing in investments as agent; or

(b) arranging (bringing about) deals in investments or arranging (bringing about) regulated mortgage contracts; or

(c) assisting in the administration and performance of a contract of insurance; or

(d) advising on investments, giving basic advice on a stakeholder product advising on a home finance transaction, advising on regulated credit agreements for the acquisition of land, or other activity that might reasonably lead a customer to believe that they had received, or that the introducer appointed representative is permitted to provide, one of those services.

(3) An introducer appointed representative may have more than one principal, but will need a contract with each principal.

(4) The approved persons regime does not apply to an introducer appointed representative (see SUP 10A.1.15 R).

12.2.9 G

To become an introducer appointed representative, a person must meet the conditions in the Act to become an appointed representative (see SUP 12.2.2 G).

12.2.10 G

All rules in SUP 12 apply in relation to introducer appointed representatives except for:

(1) SUP 12.4.2 R, SUP 12.4.5B R and SUP 12.4.5C, on the appointment of appointed representatives, which are replaced by SUP 12.4.6 R;

(2) SUP 12.5.6A R on required contract terms, which is replaced by SUP 12.5.7 R;

(2A) SUP 12.6A.2R to SUP 12.6A.4R; and

(3) SUP 12.9.1 R (4) (Record keeping).

12.2.11 G

If an introducer appointed representative is an individual in business on his own, then he will also be an introducer (see SUP 12.2.13 G). This has certain implications in COBS.
Introducers and representatives: what do these terms mean and what is the relationship with an appointed representative?

12.2.12 A firm or its appointed representative may appoint or employ individuals to act as introducers or representatives in respect of designated investment business.

12.2.13 (1) An introducer is an individual appointed by a firm or by an appointed representative of such a firm to carry out, in the course of designated investment business, either or both of the following activities:

(a) effecting introductions;
(b) distributing non-real time financial promotions.

(2) An introducer is not an exempt person under section 39 of the Act (unless he is also an introducer appointed representative) and hence cannot benefit from the exemption to carry on regulated activities in his own right. As a result, an introducer that is not an introducer appointed representative works in the name of his firm or the firm's appointed representative but he does not fall within the scope of the approved persons regime as he does not, as such, perform a controlled function.

12.2.14 (1) A representative is an individual who is appointed by a firm or an appointed representative, to carry on any of the activities in (1)(a) to (c):

(a) advising on investments;
(b) arranging (bringing about) deals in investments;
(c) dealing in investments as agent.

(2) If a firm appoints an appointed representative who is an individual in (1), that appointed representative will also be a representative. The individual may need to be approved to perform the customer function, (see SUP 12.6.8 G and SUP 12.6.9 G). In these circumstances, in addition to complying with the requirements of SUP 12 and other regulatory requirements, the firm should ensure that the rules for representatives in COBS 6 (Information about the firm, its services and remuneration) are complied with.

12.2.15 [deleted]

What is a tied agent?

12.2.16 (1) A tied agent is a person who acts for and under the responsibility of a MiFID investment firm (or a third country investment firm) in respect of MiFID business (or the equivalent business of the third country investment firm). Most tied agents appointed by firms are also appointed representatives.

(2) Unless otherwise provided, this chapter applies to a firm that appoints a tied agent that is an appointed representative in the same way as it applies to the appointment of any other appointed representative.
(3) This chapter sets out the provisions which apply to tied agents appointed by a MiFID investment firm.

(4) [deleted]

(5) A tied agent will not be an appointed representative if it does not and is not likely to conduct any business as a tied agent in the UK. Such a tied agent will be an FCA registered tied agent.

(6) This chapter only applies to a firm that appoints a tied agent that is not an appointed representative where it expressly refers to tied agents.

(7) A MiFID investment firm may appoint a tied agent established in the UK but that does not, and is not likely to, conduct any business as a tied agent in the UK. That must be registered with the FCA. Such a tied agent is referred to in the Handbook as an FCA registered tied agent.

(8) [deleted]

What is a MiFID optional exemption appointed representative?

12.2.17 G

(1) A MiFID optional exemption appointed representative is a person who acts for and under the responsibility of a MiFID optional exemption firm. Such appointed representatives are not also tied agents since they do not act on behalf of a MiFID investment firm in respect of MiFID business.

(2) Unless otherwise provided, this chapter applies to a firm that appoints a MiFID optional exemption appointed representative in the same way as it applies to the appointment of any other appointed representative.

(3) The rules in this chapter which apply with respect to tied agents appointed by firms also apply to a firm that appoints a MiFID optional exemption appointed representative.

What is a structured deposit appointed representative?

12.2.18 G

(1) If a MiFID investment firm or a third country investment firm appoints a person to act under its full and unconditional responsibility but only for the purpose of selling, or advising clients in relation to, structured deposits (and not any of the activities within section 39(7) of the Act), that person will not be a tied agent in respect of that activity.

(2) Unless otherwise provided, this chapter applies to a firm that appoints a structured deposit appointed representative in the same way as it applies to the appointment of any other appointed representative.

(3) The rules in this chapter which apply with respect to tied agents appointed by firms also apply to a firm that appoints a structured deposit appointed representative.
12.3 What responsibility does a firm have for its appointed representatives or FCA registered tied agents?

Responsibility for appointed representatives

12.3.1 In determining whether a firm has complied with:

(1) any provision in or under the Act such as any Principle or other rule; or

(2) any provision in Part 3 of the MCD Order; or

(3) any qualifying provision specified, or of a description specified, for the purpose of section 39(4) of the Act by the Treasury by order,

anything that an appointed representative has done or omitted to do as respects the business for which the firm has accepted responsibility will be treated as having been done or omitted to be done by the firm (section 39(4) of the Act and article 17 of the MCD Order).

12.3.2 The firm is responsible, to the same extent as if it had expressly permitted it, for anything the appointed representative does or omits to do in carrying on the business for which the firm has accepted responsibility (section 39(3) of the Act and article 17 of the MCD Order).

12.3.3 In determining whether the firm has committed any offence, however, the knowledge or intentions of an appointed representative are not attributable to the firm, unless in all the circumstances it is reasonable for them to be attributed to it (section 39(6) of the Act).

12.3.4 SYSC 6.1.1 R requires a MiFID investment firm and a credit firm to ensure the compliance of its appointed representative with obligations under the regulatory system. The concept of a relevant person in SYSC includes an officer or employee of a tied agent.
Section 12.3 : What responsibility does a firm have for its appointed representatives or FCA registered tied agents?

### Responsibility for FCA registered tied agents

**12.3.5** [deleted]

**12.3.6** The effect of [section 39A(6)(b)] of the Act is to prohibit a MiFID investment firm from appointing an FCA registered tied agent unless it has accepted responsibility in writing for the agent’s activities in acting as a tied agent.
SUP 12 : Appointed representatives

12.4 What must a firm do when it appoints an appointed representative or an FCA registered tied agent?

The permission that the firm needs

12.4.1 [deleted]

12.4.1A The effect of sections 20 (Authorised persons acting without permission) and 39(4) (Exemption of appointed representatives) of the Act is that the regulated activities covered by an appointed representative's appointment need to:

(1) fall within the scope of the principal's permission; or

(2) be excluded from being regulated activities when carried on by the principal, for example because:

   (a) they fall within article 28 of the Regulated Activities Order (Arranging transactions to which the arranger is a party);

   (b) they constitute CBTL business and the principal is a CBTL firm; or

   (c) the principal is appropriately authorised (see article 53(1A) of the Regulated Activities Order).

12.4.1B In relation to CBTL business only a CBTL firm which is a firm can appoint an appointed representative.

12.4.1C Where the principal is appropriately authorised for the purposes of article 53(1A) of the Regulated Activities Order (and so does not need permission to provide non-personal recommendation advice), the terms of the appointed representative's appointment will still need to cover their business in carrying on non-personal recommendation advice. This is because an appointed representative providing non-personal recommendation advice will only be exempt from the general prohibition if the principal has accepted responsibility in writing for the appointed representative in carrying on such business. An appointed representative is not exempt from the general prohibition simply because the principal is appropriately authorised for the purposes of article 53(1A) of the Regulated Activities Order (see also PERG 8.24.1AG (Advising on investments)).
Before a firm appoints a person as an appointed representative (other than an introducer appointed representative) and on a continuing basis, it must establish on reasonable grounds that:

1. The appointment does not prevent the firm from satisfying and continuing to satisfy the threshold conditions;

2. The person:
   a. Is solvent;
   b. Is otherwise suitable to act for the firm in that capacity; and
   c. Has no close links which would be likely to prevent the effective supervision of the person by the firm;

3. The firm has adequate:
   a. Controls over the person’s regulated activities for which the firm has responsibility (see SYSC 3.1 or SYSC 4.1); and
   b. Resources to monitor and enforce compliance by the person with the relevant requirements applying to the regulated activities for which the firm is responsible and with which the person is required to comply under its contract with the firm (see SUP 12.5.3 G (2));

4. The firm is ready and organised to comply with the other applicable requirements contained or referred to in this chapter; and

5. The person’s activities do not, or would not, result in undue risk of harm to consumers or market integrity.
In assessing, under SUP 12.4.2 R(2)(b), whether an appointed representative is otherwise suitable to act for the firm in that capacity, a firm should consider:

1. whether the person is fit and proper; guidance on the information that firms should take reasonable steps to obtain and verify is given in SUP 12.4.1 R(2)(b);

2. the fitness and propriety (including good character) and financial standing of the controllers, directors, partners, proprietors and managers of the person; firms seeking guidance on the information which they should take reasonable steps to obtain and verify should refer to FIT and the questions in the relevant Form A (Application to perform controlled functions under the approved person regime) in SUP 10A.4.1 R(2)(b); and

3. the competence and capabilities of relevant directors, partners, proprietors and managers of the person, including whether they have:
   a. appropriate experience, knowledge, skills and training in relation to the activities and business carried out, or to be carried out, on behalf of the firm; and
   b. the necessary time to properly perform the tasks and functions for which they are, or will be, responsible.

In considering the competence and capabilities of relevant individuals, firms should note that other provisions, including SYSC 3.1 (Systems and controls) and SYSC 5.1 (Skills, knowledge and expertise), the requirements of the Training and Competence sourcebook (TC) and guidance in the Fit and Proper test for Employees and Senior Personnel sourcebook (FIT) may also be relevant. See also SUP 12.6.10G.

In assessing whether the firm has adequate controls and resources for the purposes of SUP 12.4.2(3)(a) and SUP 12.4.2R(3)(b), a firm should consider whether these:

- are commensurate to:
  a. the size or potential size of the appointed representative; and
  b. the nature of the regulated activities for which the firm has, or proposes to have, responsibility;

- enable the firm to effectively manage conflicts of interest;

- allow the firm to maintain effective oversight of the appointed representative;

- enable the firm to identify and remediate any issues arising at the appointed representative; and

- enable the firm to maintain a level of oversight of the appointed representative’s regulated activities equivalent to that which would be, and ought reasonably to be, applied if:
Section 12.4: What must a firm do when it appoints an appointed representative or an FCA registered tied agent?

(a) those activities were carried on by the *firm* in a principal capacity; and
(b) all *individuals* engaged in those activities were employees of the *firm*,

(1) the nature of the risks associated with the *person’s* appointment and activities or proposed activities having regard to, amongst other things, the *person’s*:
   (a) business model;
   (b) (as applicable) senior management and governance arrangements;

(2) the likely impact on clients or potential *clients* were a relevant risk to crystallise having regard to, amongst other things:
   (a) the number of *clients* with which the *person* is, or is likely be, dealing;
   (b) whether the *clients* or potential *clients* with which the *person* is, or is likely to be, dealing include those in vulnerable circumstances who may be at greater risk of harm if things go wrong;
   (c) the likely extent of any financial loss that *clients* may suffer;

(3) the likely impact on the *firm* were a relevant risk to crystallise including, but not limited to, the impact of a significant volume of complaints relating to the *person’s* activities;

(4) the likely impact on the continuity of the provision of services to *clients* in the event of the *person’s* failure;

(5) the potential for reputational damage which could harm the *clients* with which the *person* deals, or is likely to deal; and

(6) the ability of its own arrangements to effectively identify and manage those risks in compliance with its obligations in SYSC.

[Editor’s note: The provision at SUP 12.4.4DG is moved from SUP 12.4.5G.]

In determining, under ■ SUP 12.4.2R(2)(c), whether an appointed representative has any *close links* which would be likely to prevent the *firm’s* effective supervision, a *firm* should consider the guidance to threshold condition 2C or 3B as applicable in ■ COND 2.3.
Practical considerations for assessment

12.4.4E In undertaking the assessment required by § SUP 12.4.2R, a firm should:

(1) ensure and verify that information provided by the appointed representative, either at entity-level or about relevant individuals (§ SUP 12.4.4G(2) and § (3)), is accurate, sufficiently detailed and up to date;

(2) discuss any omissions or concerns proactively with relevant individuals at the appointed representative; and

(3) ensure that it is made aware of any changes, including to relevant individuals at the appointed representative, which may affect the quality or integrity of the information provided.

Continuing obligations after appointment: controls and resources

12.4.4F § SUP 12.4.2R applies on a continuing basis. In particular:

(1) a firm should re-assess whether its controls and resources remain adequate for the purposes of § SUP 12.4.2R(3)(a) and § (b) if any of the following circumstances arise:

(a) the size or volume of the appointed representative’s business involving regulated activity increases significantly in a short period of time;

(b) the firm identifies an unusually high rate of turnover at the appointed representative of:

(i) senior management; or

(ii) other staff of the appointed representative involved in carrying on the regulated activities for which the firm has accepted responsibility;

the firm identifies a significant increase in the number of complaints it receives about the appointed representative;

the appointed representative changes its business model (including target market); or

a change is made to the scope of the appointed representative’s appointment.

§ SUP 12.6A.3R requires a firm to carry out a review, including of the adequacy of the firm’s controls and resources, in any of the circumstances specified in that rule.

Practical steps to ensure effective oversight

12.4.4G In order to comply with the various obligations in this chapter and having due regard to the nature of the appointed representative’s activities and the risks associated with them, a firm should:

(1) collect and scrutinise relevant management information and agree with its appointed representative how and when management information should be provided, the format it should take and the data it should capture;
(2) analyse data provided by the appointed representative to identify emerging risks and issues;

(3) closely monitor the delivery of the appointed representative’s activities and business, within the scope of its appointment (for example, by reviewing call scripts or other materials provided by the appointed representative and organising regular meetings with them);

(4) engage regularly with its appointed representative, whether through in-person meetings, telephone calls or email communication; and

(5) establish clear processes for the escalation of issues, including service level agreements where necessary. This could include, for example, grading of issue severity based on impact and potential harm to clients and processes for remediation within defined timeframes. Where appropriate, such expectations should be included in the contract between the firm and the appointed representative.

[Editor’s note: The provisions at SUP 12.4.4HR and SUP 12.4.4IG are not new text; they are moved from SUP 12.4.2AR and SUP 12.4.2BG respectively.]

Appointment of tied agents, MiFID optional exemption appointed representatives and structured deposit appointed representatives

12.4.4H R

(1) A firm must ensure that:

   (a) a tied agent that is an appointed representative; or

   (b) a MiFID optional exemption appointed representative; or

   (c) a structured deposit appointed representative,

   is of sufficiently good repute and that it possesses appropriate general, commercial and professional knowledge and competence so as to be able to communicate accurately all relevant information regarding the proposed service to the client or potential client. This does not limit a firm’s obligations under SUP 12.4.2R.

(2) A firm must ensure that its tied agent or MiFID optional exemption appointed representative also possesses appropriate general, commercial and professional knowledge and competence so as to be able to deliver the investment service or ancillary service for which the firm has accepted responsibility.

   [Note: paragraphs 2 and 3 of article 29(3) of MiFID]

12.4.4I G

(1) A firm to which SUP 12.4.4HR applies should also have regard to SYSC 5.1 (Skills, knowledge and expertise). The requirements of the Training and Competence sourcebook (TC) and guidance in the Fit and Proper test for Employees and Senior Personnel (FIT) may also be relevant.

(2) ESMA has issued guidelines for MiFID investment firms specifying the criteria for the assessment of knowledge and competence. These guidelines are relevant to tied agents (see SYSC 5.1.5ADG).
Section 12.4: What must a firm do when it appoints an appointed representative or an FCA registered tied agent?

12.4.5 [deleted] [Editor’s note: This provision now appears at SUP 12.4.4DG.]

Appointment representative who may be appointed by other principals

12.4.5A If a firm proposes to appoint an appointed representative, but not to prohibit its appointment by any other principals (see ■ SUP 12.5.2 G (3)), the firm should, in particular:

(1) require, in the contract, that the appointed representative notifies the firm about other principals (see ■ SUP 12.5.5 R (3)) and

(2) unless the appointed representative is an introducer appointed representative:

(a) take reasonable steps to check whether the appointed representative is already appointed by one or more other principals and, if it is, contact those other principals; such steps should include asking the appointed representative and checking the Financial Services Register;

(b) if there are any other principals, agree arrangements with the other principals (see ■ SUP 12.4.5B R) ; and

(c) establish effective systems and controls for ensuring that the appointed representative complies with all contractual restrictions imposed, including those relating to multiple principals under the Appointed Representatives Regulations and under ■ SUP 12.5.6A R (see ■ SUP 12.6.11A R).

Multiple principals

12.4.5B (1) A firm must not appoint a person as its appointed representative until it has entered into a written agreement (a "multiple principal agreement") with every other principal the person may have; but this does not apply to the appointment of an introducer appointed representative nor does it require an agreement with another principal which has appointed a person as an introducer appointed representative.

(2) A firm must not unreasonably decline to enter into a multiple principal agreement with any principal of his appointed representative unless the firm is relying on a prohibition on the appointed representative from representing any other firms (or is seeking to impose such a prohibition) as permitted by article 3 of the Appointed Representative Regulations.

(3) A multiple principal agreement must contain all the provisions which are necessary or desirable to:

(a) set out the relationship between the principals of that appointed representative; and

(b) protect the interests of clients;

including the matters set out in ■ SUP 12.4.5C.

---

One effect of the multiple principal agreement is to introduce a 'lead-principal' concept in relation to complaints handling for the benefit of the client. For example, where the client has been given advice by an appointed representative who has two principals, and the advice could have led to a transaction being arranged with either principal, the client will know that he...
may pursue his complaint with (but not necessarily against) one of the

principals. Whether he later decides to refer his complaint to the Financial Ombudsman Service, and if so, against which principal, will depend on the circumstances.

12.4.5E

(1) Under the relevant provisions in COBS, ICOBS and MCOB, the customer will receive details of how to complain to the appointed representative and, when a product is purchased, details of the complaints procedure for the product provider, insurer or home finance provider.

(2) Under DISP 1.2.1 R, a firm must among other things, supply summary details of its internal process for dealing promptly and fairly with complaints to the customer when it receives a complaint. In complying with DISP 1.2.1 R, a firm should ensure that the "lead-principal" is clearly identified in the procedures.

(3) The complaints procedure should also explain that the customer has a choice of whether to contact the appointed representative, the "lead-principal" or the product provider, insurer or home finance provider and that the "lead-principal" will be the appropriate point of contact where the customer does not wish to complain about a specific product or is unsure who to contact.

(4) In other words, where the customer, has a doubt who to complain to the "lead-principal" is to be the point of contact for all complaints arising out of the activities of the appointed representative.

12.4.5F

When considering the provisions for complaints handling (see SUP 12.4.5C(2)) firms should consider the use of a mediation clause. If a complaint is made by a client, principals which are unable to resolve a dispute about liability to the client should consider all quick and effective ways of resolving the dispute, including referring the matter to the Financial Ombudsman Service and mediation.

12.4.5G

It is for the principals to consider in each case whether it would be appropriate to show the multiple principal agreement to their appointed representative, or in some circumstances make their appointed representative a party to it.

Appointment of an introducer appointed representative

12.4.6

Before a firm appoints a person as an introducer appointed representative, and on a continuing basis, it must take reasonable care to ensure that:

(1) the person is suitable to act for the firm in that capacity (having regard, in particular, to other persons connected with the person who will be, or who are, directly responsible for its activities);

(2) the firm is ready and organised to comply with the other applicable requirements contained or referred to in this chapter; and

(3) the person’s activities do not, or would not, result in undue risk of harm to consumers or market integrity.
In assessing, under SUP 12.4.6 R(1), whether an introducer appointed representative or prospective introducer appointed representative is otherwise suitable to act for the firm in that capacity, the firm should determine whether the introducer appointed representative and those persons who will be, or who are, directly responsible for its activities are of sufficiently good reputation and otherwise fit and proper for that appointment. The firm should, as a minimum, verify the identity of a prospective introducer appointed representative and relevant persons but need not carry out the more extensive due diligence required for the appointment of an appointed representative under SUP 12.4.2 R.

In complying with the requirements in SUP 12.4.6R, a firm should also have regard, so far as relevant, to the guidance in SUP 12.4.4BG, SUP 12.4.4CG, SUP 12.4.4FG and SUP 12.4.4GG.

If a firm has doubts that a prospective introducer appointed representative or other person is of sufficiently good reputation and otherwise fit and proper, the FCA will expect it to resolve those doubts before appointing the prospective introducer appointed representative. For example, if a firm is aware that a person’s previous appointment as an introducer appointed representative or representative was terminated, it should take reasonable steps to find out the reasons for the termination and the extent to which those reasons reflect on the person concerned.

Before a firm appoints a person as an appointed representative to carry on insurance distribution activity, it must in relation to insurance distribution activity ensure that the person will comply on appointment, and will continue to comply with, the provisions of SYSC 28.3 (Good repute) as if the appointed representative were a firm.

A firm that has appointed an appointed representative to carry on insurance distribution activity must ensure that the appointed representative:

(1) establishes, maintains and keeps appropriate records to demonstrate compliance with SYSC 28.3 (Good repute); and

(2) provides the name of the person responsible for the record-keeping requirement in (1) to the firm.

Knowledge and ability requirements

A firm’s relevant employees. This includes its appointed representatives and their employees.

[deleted]
Close links

12.4.8C Before a firm appoints an appointed representative who does not already appear on the Financial Services Register ("A") to carry on insurance distribution activity, it must obtain from A the following information:

1. the identities of shareholders or members, whether natural or legal persons, that have a holding in A that exceeds 10% and the amount of those holdings;

2. the identities of persons who have close links with A; and

3. that those holdings or close links do not prevent the effective supervision of A by the firm.

[Note: article 3(6) of the IDD]

Inclusion on the Financial Services Register

12.4.9 An appointed representative must not commence an insurance distribution activity until they are included on the Financial Services Register as carrying on such activities (see 12.5.2 G (3)).

12.4.10 The FCA has the power to decide not to include on the Financial Services Register (or to remove from the Financial Services Register) an appointed representative whose scope of appointment includes an insurance distribution activity, if it appears to the FCA that he is not a fit and proper person to carry on those activities (article 95 of the Regulated Activities Order).

2. If the FCA proposes to use the power in (1), it must give the appointed representative a warning notice. If the FCA decides to proceed with its proposal, it must give the appointed representative a decision notice. The procedures followed by the FCA in relation to the giving of warning notices and decision notices are set out in DEPP 2.

3. An appointed representative may apply to the FCA for a determination of the kind referred to in (1) to be revoked. If the FCA proposes to refuse the application, it must give the appointed representative a warning notice, and if the FCA decides to proceed with the refusal, it must give the appointed representative a decision notice.

Appointed representative carrying on MCD credit intermediation activity

12.4.10A Before a firm appoints a person as an appointed representative to carry on an MCD credit intermediation activity, it must ensure that the person has, and will maintain on a continuing basis after appointment, professional indemnity insurance in accordance with the rules applicable to MCD credit intermediaries. A firm will satisfy this requirement if:
(1) the appointed representative has professional indemnity insurance which satisfies the rules in MIPRU 3.2 applicable to the activities of the appointed representative, as if the appointed representative were an MCD credit intermediary;

(2) professional indemnity insurance which would satisfy the requirements of SUP 12.4.10AR (1) is provided by the firm; or

(3) the appointed representative holds a comparable guarantee (as understood by reference to MIPRU 3.1.1R (3)(b)) provided by the firm.

[Note: article 31(2) of the MCD]

12.4.10B

(1) Before a firm appoints a person as an appointed representative to carry on MCD credit intermediation activity and on a continuing basis after appointment, it must, in relation to such activities, ensure that:

(a) if the appointed representative is an individual, the individual:
   (i) has not been convicted of any serious criminal offences linked to crimes against property or other crimes related to financial activities (other than spent convictions under the Rehabilitation of Offenders Act 1974 or any other national equivalent); and
   (ii) has not been adjudged bankrupt (unless the bankruptcy has been discharged);

   under the law of any part of the United Kingdom or under the law of a country or territory outside the United Kingdom; and

   (iii) possesses the appropriate level of knowledge and competence under the rules in TC applicable to the activities of the appointed representative;

(b) if the appointed representative is a body corporate, the members of the board of the appointed representative, and persons performing equivalent tasks:

   (i) have not been convicted of any serious criminal offences linked to crimes against property or other crimes related to financial activities (other than spent convictions under the Rehabilitation of Offenders Act 1974 or any other national equivalent); and

   (ii) have not been adjudged bankrupt (unless the bankruptcy has been discharged);

   under the law of any part of the United Kingdom or under the law of a country or territory outside the United Kingdom; and

   (iii) possess the appropriate level of knowledge and competence under the rules in TC applicable to the activities of the appointed representative.

Section 12.4 : What must a firm do when it appoints an appointed representative or an FCA registered tied agent?

12.4.10C  (1) [deleted]

(2) An appointed representative must not commence an MCD credit intermediation activity until they are included on the Financial Services Register.

(3) If an appointed representative's scope of appointment is to include MCD credit intermediation activity, the Act provides that that appointed representative's principal may not be a tied MCD credit intermediary.

Appointment of an FCA registered tied agent

12.4.11  If a MiFID investment firm appoints an FCA registered tied agent, ■ SUP 12.4.2 R and ■ SUP 12.4.4HR apply to that firm as though the FCA registered tied agent were an appointed representative.

[Note: paragraphs 2 and 3 of article 29(3) of MIFID]

Tied agents

12.4.12  (1) A tied agent that is an appointed representative may not start to act as a tied agent until it is included on the applicable register (section 39(1A) of the Act). The register maintained by the FCA is the applicable register for these purposes.

(2) A MiFID investment firm that appoints an FCA registered tied agent who is not registered with the FCA will, subject to certain conditions, be taken to have contravened a requirement imposed on it by or under the Act (see section 39A(6)(c) and (d) of the Act).

(3) [deleted]

(4) [deleted]

(5) [deleted]

(6) A tied agent can only act as such for one MiFID investment firm or third country investment firm (see ■ SUP 12.5.6A R (1A)).

MiFID optional exemption appointed representatives and structured deposit appointed representatives

12.4.13  (1) A MiFID optional exemption appointed representative or a structured deposit appointed representative may not start to act as such until it is included on the Financial Services Register (sections 39(1A) and 39(1AA) of the Act).

Reporting of information about Directory persons

12.4.14  (1) ■ SUP 16.26 (Reporting of information about Directory persons) requires an SMCR firm that has appointed an appointed
representative to report information to the FCA in respect of any individual who is an appointed representative Directory person.

(2) The SMCR firm should ensure that appropriate arrangements are in place so that the SMCR firm is able to report all relevant information about each such appointed representative Directory person to the FCA within the specified timeframes, in accordance with the requirements of SUP 16.26 (Reporting of information about Directory persons).
1.2.5  Contracts: required terms

Required contract terms for all appointed representatives

12.5.1  The Appointed Representatives Regulations include, among other things, the prescribed requirements applying to contracts between firms and appointed representatives for the purposes of section 39(1)(a)(ii) of the Act.

12.5.2  (1) Regulations 3(1) and (2) of the Appointed Representatives Regulations make it a requirement that the contract between the firm and the appointed representative (unless it prohibits the appointed representative from representing other counterparties) contains a provision enabling the firm to:

(a) impose such a prohibition; or

(b) impose restrictions as to the other counterparts which the appointed representative may represent, or as to the types of investment in relation to which the appointed representative may represent other counterparties.

(1A) [deleted]

(2) Under the Appointed Representatives Regulations, an appointed representative is treated as representing other counterparties if, broadly, it:

(a) makes arrangements (within article 25 of the Regulated Activities Order) for persons to enter into investment transactions with other counterparties; or

(b) arranges the safeguarding and administration of assets by other counterparties; or

(c) gives advice (within article 53(1) of the Regulated Activities Order (Advising on investments)) on the merits of entering into investment transactions with other counterparties;

(d) assists in the administration and performance of a contract of insurance (article 39A of the Regulated Activities Order);

where an “investment transaction” means a transaction to buy, sell, subscribe for or underwrite a security or a relevant investment (that is, a designated investment (other than a P2P agreement), structured deposit (where applicable), funeral plan contract, pure protection contract, general insurance contract or right to or interest in a funeral plan; or

(e) arranges:
(i) for persons to enter (or with a view to persons entering) as customers into home finance transactions (or as plan providers in the case of a home reversion plan) with other counterparties;

(ii) for a person to vary a home finance transaction entered into by a person as customer (or as plan provider in the case of a home reversion plan) before 31 October 2004 (in the case of a legacy CCA mortgage contract), or on or after 31 October 2004 (in the case of any other regulated mortgage contract) or 6 April 2007 (in all other cases) with other counterparties;

(f) gives advice (within articles 53A, 53B or 53C of the Regulated Activities Order) on the merits of:

(i) persons entering as customers into home finance transactions (or as plan provider in the case of a home reversion plan) with other counterparties;

(ii) persons varying home finance transactions entered into by them as customer (or as plan provider in the case of a home reversion plan) before 31 October 2004 (in the case of a legacy CCA mortgage contract), or on or after 31 October 2004 (in the case of any other regulated mortgage contract) or 6 April 2007 (in all other cases) with other counterparties;

(g) giving basic advice on a stakeholder product;

(h) effects introductions (within article 36A (Credit broking) of the Regulated Activities Order) of individuals to other counterparties;

(ia) facilitates a person assuming the rights of the lender under an article 36H agreement (within the meaning of the Regulated Activities Order) by assignment or operation of law on behalf of other counterparties;

(j) carries on any of the other activities specified in article 36H(3) of the Regulated Activities Order on behalf of other counterparties in the course of, or in connection with, facilitation mentioned in (i) or (ia) by the appointed representative or its principal;

(ja) gives advice (within article 53(2) of the Regulated Activities Order) on the merits of:

(i) a person entering into a ‘relevant article 36H agreement’ (within the meaning of the Appointed Representatives Regulations) as a lender or assuming the rights of a lender under such an agreement by assignment or operation of law; or

(ii) a person providing instructions to a P2P platform operator with a view to entering into a ‘relevant article 36H agreement’ as a lender or assuming the rights of a lender under such an agreement by assignment or operation of law, where the instructions involve:

(A) accepting particular parameters for the terms of the agreement presented by a P2P platform operator; or
(B) choosing between options governing the parameters of the terms of the agreement presented by a P2P platform operator; or

(C) specifying the parameters of the terms of the agreement by other means; or

(iii) a person enforcing or exercising the lender’s rights under a ‘relevant article 36H agreement’; or

(iv) a person assigning rights under a ‘relevant article 36H agreement’;

on behalf of other counterparties;

(k) takes steps (within article 39D (Debt adjusting) of the Regulated Activities Order) on behalf of other counterparties;

(l) gives advice to a borrower (within article 39E (Debt-counselling) of the Regulated Activities Order) on behalf of other counterparties;

(q) takes steps on behalf of, or gives advice to, an individual in relation to the taking of any steps (in circumstances constituting the carrying on of providing credit information services) on behalf of other counterparties.

(3) If the scope of appointment covers, in relation to a contract of insurance, dealing in investments as agent, arranging, assisting in the administration and performance of a contract of insurance or advising on investments, regulation 3(4) of the Appointed Representatives Regulations makes it a requirement that the contract between the firm and the appointed representative contains a provision providing that the appointed representative is not permitted or required to carry on such business unless included in the Financial Services Register as carrying on insurance distribution activities.

[Editor’s note: This provision now appears at SUP 12.5.12G.]
12.5.3 G (Subject to SUP 12.5.13G) a firm should satisfy itself that the terms of the contract with its appointed representative (including an introducer appointed representative):

1. are designed to enable the firm to comply properly with any limitations or requirements on its own permission;
2. require the appointed representative to cooperate with the FCA as described in SUP 2.3.4 G (Information gathering by the FCA on its own initiative: cooperation by firms) and give access to its premises, as described in SUP 2.3.5 R (2);
3. require the appointed representative to give the firm’s auditors the same rights as are provided by section 341 of the Act; and
4. require the appointed representative to provide the firm with such information as is necessary to enable the firm to comply with its obligations under this chapter (SUP 12), including, without limitation:
   a. as to any matters which might require the firm to undertake a review under SUP 12.6A.3R;
   b. to enable the firm to comply with its reporting and notification obligations in SUP 12.7.

12.5.3A G [deleted] [Editor’s note: This provision now appears at SUP 12.5.13G.]

12.5.4 G A firm should have the ability to terminate the contract with its appointed representative in the circumstances in SUP 12.6.1R(2). However, such a termination provision should not be automatic (see SUP 12.8.3R(1)). SUP 12.5.5R(4) also requires that the firm be able to terminate the contract in the event that the firm determines that it is no longer able to effectively oversee the activities of the appointed representative.

12.5.5 R A firm must ensure that its written contract with each of its appointed representatives:

1. complies with the requirements prescribed in regulation 3 of the Appointed Representatives Regulations (see SUP 12.5.2 G);
2. requires the appointed representative to comply, and to ensure that any persons who provide services to the appointed representative under a contract of services or a contract for service comply, with the relevant requirements in or under the Act (including the rules) that apply to the activities which it carries on as appointed representative of the firm;
3A. (where the scope of appointment of the appointed representative includes CBTL business) requires the appointed representative to comply, and to ensure that any persons who provide services to the appointed representative under a contract for service comply, with the requirements of and arising under Part 3 of the MCD Order;
3. (unless the written contract prohibits appointments by other principals) requires the appointed representative to notify the firm:
(a) that it is seeking appointment as an appointed representative of another person, who the person is and the business for which the other person will accept responsibility;

(b) (as soon as possible) of any change in the business notified under (a); and

(c) (as soon as possible) of the termination of any such appointment; and

(4) enables the firm to terminate the contract in the event that the firm determines, pursuant to its continuing obligation in SUP 12.4.2R, SUP 12.4.6R or SUP 12.4.8AR that it is no longer able to adequately oversee the activities of the appointed representative.

12.5.6 [g]

(1) If the appointed representative is appointed to give advice on investments to retail clients concerning packaged products, the firm should also satisfy itself that the contract requires compliance with the rules in COBS 6 or COBS 6.1ZA (Information about the firm, its services and remuneration).

(2) The contractual requirements in SUP 12.5.5 R should extend to:

(a) the activities of the appointed representative, if the appointed representative is an individual; and

(b) the activities of the employees of, representatives and introducers appointed by, the appointed representative.

Prohibition of multiple principals for certain activities

12.5.6A [r]

(1) A firm must ensure that, if appointing an appointed representative (other than an introducer appointed representative), to carry on any of the following regulated activities, its written contract prohibits the appointed representative from carrying on any of the specified activities as an appointed representative for another firm:

(a) any designated investment business for retail clients: the prohibition must cover all designated investment business for retail clients;

(b) any regulated mortgage activities (other than in relation to lifetime mortgages): the prohibition must cover all regulated mortgage activities (other than lifetime mortgages);

(c) any regulated mortgage activities in relation to lifetime mortgages: the prohibition must cover all lifetime mortgages;

(d) any reversion activities: the prohibition must cover all reversion activities;

(e) any home purchase activities: the prohibition must cover all home purchase activities.

(1A) If the appointed representative is a tied agent, the prohibition must prevent the appointed representative acting as a tied agent for any other MiFID investment firm or third country investment firm.

(1B) In relation to any MCD credit intermediation activity, the prohibition must prevent the appointed representative acting as an appointed
sup
representative in respect of MCD credit intermediation activity for any other firm.

(2) As an exception to (1), if the firm is a long-term insurer or an operator of a UCITS scheme, it may permit an appointed representative to carry on designated investment business as the appointed representative of one or more other firms provided that:

(a) each of those other firms is a long-term insurer or an operator of a UCITS scheme;

(b) the first firm and each of those other firms is a member of the same group; "group" means for this purpose a group of bodies corporate all having the same holding company including the holding company; and

(c) the scope of each appointment does not overlap, as to both activities and investments.

[Note: articles 4(1)(29) and 29(1) of MiFID]

12.5.6B

(1) The effect of SUP 12.5.6A R (1)(a) is that, in relation to designated investment business with retail clients, appointed representatives are restricted to one principal.

(1A) The effect of SUP 12.5.6A R (1A) is that tied agents are restricted to one principal when acting as such. A tied agent who has a MiFID investment firm or a third country investment firm as a principal may have other principals who are not MiFID investment firms or third country investment firms.

(2) The effect of the rule prohibiting multiple principals for certain activities is that, in relation to home finance activities, appointed representatives are restricted to having four principals: one for regulated mortgage contracts other than lifetime mortgages, one for lifetime mortgages, one for home reversion plans and one for home purchase plans. However, if any of the business of the appointed representative involves MCD credit intermediation activity, the appointed representative is restricted to having one principal in relation to that business.

12.5.6C

As SUP 12.5.6A R does not apply to non-investment insurance contracts, there are no restrictions on the number of principals an appointed representative may have in relation to those contracts.

Required contract terms for an introducer appointed representative

12.5.7

A firm must ensure that its written contract with each of its introducer appointed representatives limits the scope of the appointment to:

(1) effecting introductions to the firm or other members of the firm’s group; and

(2) distributing non-real time financial promotions which relate to products or services available from or through the firm or other members of the firm’s group.
Required contract terms for FCA registered tied agents

If a MiFID investment firm appoints an FCA registered tied agent, SUP 12.5.6A R (1A) applies to that firm as though the FCA registered tied agent were an appointed representative.

[Note: articles 4(1)(29) and 29(1) of MiFID]

Required contract terms for FCA registered tied agents

Under section 39A(6)(a) of the Act a MiFID investment firm must ensure that the contract it uses to appoint an FCA registered tied agent complies with the requirements that would apply under the Appointed Representatives Regulations if it were appointing an appointed representative.

Required contract terms for appointed representatives of MCD credit intermediaries

A firm must ensure that, if appointing an appointed representative to carry on MCD credit intermediation activity, its written contract requires the appointed representative to provide such evidence to the FCA as to the knowledge and competence of the staff of the appointed representative, as the FCA may require from time to time.

[Note: article 9(4) of the MCD]

Required contract terms for appointed representatives carrying on insurance distribution activity

A firm must ensure that, if appointing an appointed representative to carry on insurance distribution activity, its written contract requires the appointed representative to inform the firm of any change to the information obtained by the firm from the appointed representative in accordance with SUP 12.4.8CR.

If:

(1) a MiFID investment firm or a third country investment firm appoints an appointed representative that is a tied agent or a MiFID optional exemption appointed representative, regulation 3(6) of the Appointed Representatives Regulations requires the contract between the firm and the appointed representative to contain a provision that the representative is only permitted to provide the services and carry on the activities referred to in section 39(7) of the Act while entered on the Register;

(2) a firm appoints an appointed representative that is a structured deposit appointed representative, regulation 3(6) of the Appointed Representatives Regulations requires the contract between the firm...
and the appointed representative to contain a provision that the representative is only permitted to sell, or advise clients on, structured deposits while entered on the Register.

Required contract terms for appointed representatives engaging in CBTL business

12.5.13 To the extent that the appointment of the appointed representative includes CBTL business, a firm should satisfy itself that the terms of the contract with its appointed representative:

(1) are designed to enable the firm to comply properly with any direction issued or imposed under article 19 of the MCD Order; and

(2) require the appointed representative to deal with the FCA in an open and co-operative manner and give access to its premises, as set out in SUP 2.3.4G and SUP 2.3.5R(2), as applied by SUP 2.1.2AG.
12.6 Continuing obligations of firms with appointed representatives or FCA registered tied agents

12.6.1 If at any time a firm has reasonable grounds to believe that the conditions in SUP 12.4.2 R, SUP 12.4.6 R or SUP 12.4.8A R (as applicable) are not satisfied, or are likely not to be satisfied, in relation to any of its appointed representatives, the firm must:

(1) take immediate steps to rectify the matter; or

(2) terminate its contract with the appointed representative.

12.6.1-A Where SUP 12.6.1R applies, the circumstances in which it is likely to be appropriate to terminate the contract include, but are not limited to, where:

(1) there are issues with the appointed representative which have not been resolved satisfactorily or within a reasonable period of time. This may include where the appointed representative has agreed to resolve known issues but it has not met the firm’s standards or expectations for remediation or where the firm considers the proposed remediation would risk it breaching applicable rules;

(2) the appointed representative is unable to satisfactorily explain unusually high rates of senior management turnover;

(3) the principal becomes aware that the appointed representative is carrying on regulated activities in breach of the general prohibition or (if the appointed representative is a firm with a limited permission) in breach of section 20(1) or (1A) of the Act;

(5) any of the appointed representative’s senior management with responsibility for, or involvement in, activities carried on within the scope of the appointed representative’s appointment are dismissed on the basis of gross misconduct.

12.6.1-B SUP 12 Annex 7G contains a flowchart to assist firms in determining whether a particular matter is more properly addressed through remediation or termination.
12.6.1A  A firm that is a principal of a tied agent that is an appointed representative must monitor the activities of that tied agent so as to ensure the firm complies with obligations derived from MiFID (or equivalent obligations relating to the equivalent business of a third country investment firm) when acting through that tied agent.

[Note: paragraph 3 of article 29(2) of MiFID]

12.6.1B  A firm that is a principal of an appointed representative that carries on MCD credit intermediation activity must monitor the activities of that appointed representative to ensure compliance with obligations derived from the MCD (including those in MCOB and TC).

[Note: article 31(3) of the MCD]

Appointed representative’s financial position

12.6.2  A firm is required to review the financial position of its appointed representatives (other than its introducer appointed representatives) at least annually (SUP 12.6A.2R). An appropriately experienced person (for example, a financial accountant) should carry out these checks in support of the firm’s obligation in SUP 12.6A.2R.

12.6.3  Consideration should be given, among other things, to the impact on the appointed representative’s financial position of any debts owed to, or by, the appointed representative. Indicators that an appointed representative is experiencing financial problems may include failure to adhere to repayment schedules for any debts, failure to meet any other financial commitments or requests for advances of commission.

12.6.4  A firm should look into any concerns that may arise at any time about an appointed representative's financial standing and take the necessary action. The necessary action may include, for example, increased monitoring or, if appropriate, suspension or termination of the appointment.

Appointed representatives not to hold client money

12.6.5  (1) A firm must not permit an appointed representative to hold client money unless the firm is an insurance intermediary acting in accordance with CASS 5.5.18 R to CASS 5.5.23 R (which include provision for periodic segregation and reconciliation).

(2) The firm must take reasonable steps to ensure that if client money is received by the appointed representative, it is paid into a client bank account of the firm, or forwarded to the firm, in accordance with:

(a) CASS 4.3.15 R to CASS 4.3.17 R; or
Section 12.6: Continuing obligations of firms with appointed representatives or FCA registered tied agents

12.6.5A When complying with the MiFID client money segregation requirements, firms' attention is drawn to CASS 7.13.34 R and CASS 7.13.35 G.

Appointed representatives performing functions or tasks for principals

12.6.5B (1) Where a firm delegates functions or tasks to an appointed representative, it should apply appropriate safeguards including, but not limited to:

(a) ensuring that the delegation does not represent a conflict of interest; and

(b) applying enhanced monitoring to the delegated task or function.

(2) A firm should also refer, where applicable, to SYSC 3.2.3G.

Regulated activities and investment services outside the scope of appointment

12.6 (1) A firm must take reasonable steps to ensure that each of its appointed representatives:

(a) does not carry on regulated activities in breach of the general prohibition in section 19 of the Act or (if the appointed representative is a firm with a limited permission) in breach of section 20(1) or (1A) of the Act; and

(b) carries on the regulated activities for which the firm has accepted responsibility in a way which is, and is held out as being, clearly distinct from any of the appointed representative’s other business:

(a) which is performed as an appointed representative of another firm or in accordance with a limited permission; or

(b) which:

(i) is, or is held out as being, primarily for the purposes of investment or obtaining credit, or obtaining insurance cover; and

(ii) is not a regulated activity.

12.6.6A In determining what are reasonable steps for the purposes of SUP 12.6.6R, a firm should have regard to the guidance at SUP 12.4.4GG.

Senior management responsibility for appointed representatives

12.6.7 The senior management of a firm should be aware that the activities of appointed representatives are an integral part of the business that they manage. The responsibility for the control and monitoring of the activities of appointed representatives rests with the senior management of the firm.

[Note: paragraph 1 of article 29(4) of MiFID]

Continuing obligations of firms with FCA registered tied agents

12.6.15 If a MiFID investment firm appoints an FCA registered tied agent, § SUP 12.6.1 R, § SUP 12.6.1A R, § SUP 12.6.5 R and § SUP 12.6.11A R apply to that firm as though the FCA registered tied agent were an appointed representative.

Continuing obligations of firms with MiFID optional exemption appointed representatives or structured deposit appointed representatives

12.6.15A If a firm appoints a MiFID optional exemption appointed representative or a structured deposit appointed representative, that firm must:
(1) monitor the activities of the appointed representative to ensure that the firm complies with those obligations which implemented provisions of MiFID and to which it is subject when acting through its appointed representative;

(2) ensure that its appointed representative discloses the capacity in which it is acting and the firm it is representing when contacting a client or potential client or before dealing with a client or potential client; and

The certification regime

SYSC 27.4.2G explains the application of the certification regime in SYSC 5.2 to appointed representatives of SMCR firms. The certification regime does not apply to firms that are not SMCR firms.
12.6A Assessment of compliance

Purpose

12.6A.1

(1) ■ SUP 12.4.2R imposes continuing obligations on a firm that has appointed an appointed representative. This includes to ensure on reasonable grounds that the person is suitable to act in the capacity of an appointed representative and that the firm has adequate controls and resources to oversee the person’s activities. ■ SUP 12.4.6R imposes similar obligations in relation to introducer appointed representatives.

(2) ■ SUP 12.6.1R requires a firm to act where it has reasonable grounds to believe that the conditions referred to in (1) are not, or are not likely to be, satisfied in relation to any appointed representative.

(3) Without prejudice to these continuing requirements, the rules in this section require:

(a) a firm to undertake a specific review (referred to in this section as the ‘annual review’) of certain aspects of its arrangements with appointed representatives (other than introducer appointed representatives) on at least an annual basis; and

(b) the governing body of a firm to:

(i) review and approve at least once every 12 months a written record of the firm’s assessment of how it is meeting the requirements in this chapter (referred to in this section as the ‘self-assessment document’); and

(ii) agree the firm’s response to any material issues identified.

(4) The assessment in (3)(b) applies in relation to introducer appointed representatives to the extent that the rules in this chapter apply to arrangements with introducer appointed representatives.

Annual review

12.6A.2

At least once every 12 months, a firm must specifically review in respect of each of the firm’s appointed representatives (other than its introducer appointed representatives):

(1) whether the appointed representative is solvent and otherwise suitable for the purposes of ■ SUP 12.4.2R(2)(a) and ■ SUP 12.4.2R(2)(b);

(2) the fitness and propriety of the controllers, directors, partners, proprietors and managers of the appointed representative and, in
particular, their ability to carry out the *regulated activities* for which the *firm* has accepted responsibility; and

(3) the adequacy of the *firm’s* controls over, and resources for monitoring and enforcing compliance of, the *appointed representative* for the purposes of [SUP 12.4.2R](#) (a) and [SUP 12.4.2R](#) (b).

### 12.6A.3

In addition to the annual review required by [SUP 12.6A.2R](#), a *firm* must carry out a review of the matters in [SUP 12.6A.2R](#) in relation to an *appointed representative* where:

(1) the *appointed representative* changes its business model (including its target market);

(2) the scope of the *appointed representative’s* appointment is expanded to include one or more additional *regulated activities*;

(3) the *appointed representative* changes any of its senior management in a particular role with responsibility for, or being involved with, the activities being carried on within the scope of its appointment more than once in a 12-month period;

(4) the *appointed representative* is appointed by an additional *principal*; or

(5) the *firm* identifies a significant increase in the number of *complaints* it receives about the *appointed representative*.

### 12.6A.4

(1) A *firm* must maintain a written record of each review undertaken for the purposes of [SUP 12.6A.2R](#) or [SUP 12.6A.3R](#).

(2) The written record required by (1) must be retained for at least 6 years.

### 12.6A.5

(1) In carrying out, and documenting, each review required by [SUP 12.6A.2R](#) or [SUP 12.6A.3R](#), a *firm*:

(a) should have regard to the *guidance* on assessing the matters covered by the review in [SUP 12.4](#);

(b) may focus on any changes from the previous such review undertaken in relation to the relevant *appointed representative* and cross-refer, where appropriate, to previous reviews.

(2) A *firm* may determine the most appropriate way in which to undertake and *document* each review required by [SUP 12.6A.2R](#) or [SUP 12.6A.3R](#). Each review should be undertaken by one or more individuals at the *firm* with an appropriate level of knowledge and experience.

(3) A *firm* should ensure that any significant issues which arise as a result of a review undertaken for the purposes of [SUP 12.6A.2R](#) or [SUP 12.6A.3R](#) are escalated for consideration by its *governing body*, where appropriate, in particular in so far as those issues give rise to risks of harm to *consumers* or market integrity (see also [SUP 12.6A.7G](#)(1)(c)).
Self-assessment

12.6A.6 R

(1) At least once every 12 months, the governing body of a firm must:

(a) review and approve a written record (its ‘self-assessment document’):

(i) of the way in which the firm complies with the requirements in this chapter (SUP 12); and

(ii) that identifies any material deficiencies in, or concerns in relation to, such compliance; and

(b) agree the steps to be taken to address the matters in (1)(a)(ii).

(2) The self-assessment document must include any concerns arising from the most recent reviews undertaken in relation to each of the firm’s appointed representatives for the purposes of SUP 12.6A.2R or SUP 12.6A.3R.

12.6A.7 G

(1) The self-assessment document should include, as appropriate, the firm’s current assessment of:

(a) the effectiveness of the firm’s arrangements for overseeing its appointed representatives;

(b) the adequacy of the firm’s controls and resources for the purposes of SUP 12.4.2R(3);

(c) the firm’s assessment of the risk of harm to consumers or market integrity arising from its appointed representatives’ activities or business (SUP 12.4.2R(5));

(d) the outcome of any re-assessment of the continuing adequacy of the firm’s controls and resources for the purposes of SUP 12.4.4FG; and

(e) the methodologies used to assess and verify the firm’s compliance with the requirements.

(2) In respect of any introducer appointed representatives, the self-assessment document should include, as appropriate, those matters in (1) which are relevant to introducer appointed representatives (including those matters specified in SUP 12.6A.7G(1)(a), SUP 12.6A.7G(1)(c) and SUP 12.6A.7G(1)(d)).

12.6A.8 R

A firm must retain a copy of each self-assessment document approved by the governing body of the firm for at least 6 years from the date of approval.

12.6A.9 G

(1) While the self-assessment document must be approved by the governing body each year (SUP 12.6A.6R), it is not expected that the firm creates a new document each year.

(2) A firm that has appointed more than one appointed representative need only maintain a single self-assessment document covering all of its appointed representative relationships.

12.6A.10 G

While the self-assessment document need only be approved by the governing body once a year, firms are reminded that the senior management
of a firm is responsible for the control and monitoring of the firm’s appointed representatives (SUP 12.6.7G). Notwithstanding the requirements of this section, a firm should ensure that any issues relating to its appointed representatives are escalated for consideration by its governing body where appropriate, in addition to the annual approval of the self-assessment document, in particular in so far as those issues give rise to risks of harm to consumers or market integrity.

(3) [deleted]

Method of submission of the form in SUP 12 Annex 4R

12.7.8A R

(1) Subject to (2A), a firm other than a credit union must submit the form as set out in §SUP 12 Annex 4 R online at http://www.fca.org.uk using the FCA’s online notification and application system.

(2) A credit union must submit the form in §SUP 12 Annex 4 R in the way set out in §SUP 15.7.4 R to §SUP 15.7.9 G (Form and method of notification).
(2A) If the notification:

(a) relates to an appointed representative whose scope of appointment covers only credit-related regulated activity; or

(b) is of a change to the scope of appointment of an appointed representative to add or remove credit-related regulated activity;

the firm must submit the form in SUP 12 Annex 4 in the way set out in SUP 15.7.4 R to SUP 15.7.9 G (Form and method of notification).

(3) Where a firm is obliged to submit an application online under (1), if the FCA’s information technology systems fail and online submission is unavailable for 24 hours or more, until such time as facilities for online submission are restored, a firm must submit the form in SUP 12 Annex 4 R in the way set out in SUP 15.7.4 R to SUP 15.7.9 G (Form and method of notification).

[Note: See SUP 12.7.10 G to SUP 12.7.11 G regarding notification in the event of online failure.]

Notifications relating to FCA registered tied agents

12.7.9 R If a MiFID investment firm appoints an FCA registered tied agent this section applies to that firm as though the FCA registered tied agent were an appointed representative.

Notification of intention to act as a regulatory host

12.7.9A R (1) A firm must notify the FCA if it intends to begin acting as a regulatory host.

(2) The notification in (1) must be received by the FCA at least 60 days before the firm begins offering services as a regulatory host.

12.7.9B G (1) Any notification required by SUP 12.7.9AR is in addition to any notification required by any other rule in SUP 12 (including the requirement to notify the FCA of an intention to appoint individual appointed representatives in SUP 12.7.1R).

(2) A firm making a notification in accordance with SUP 12.7.9AR should consider the rules and guidance in SUP 15.7 on the form and method of notification.

(3) When providing the notification required by SUP 12.7.9AR, a firm may include information about the service that it intends to offer.

Other notifications

12.7.9C G (1) A firm should also be aware that certain matters relating to firms’ appointed representatives may require notification to be made to the FCA under the notification rules in SUP 15 and Principle 11.

(2) In particular, SUP 15.3.8G(2) sets out the FCA’s expectation that a firm will notify the FCA in accordance with Principle 11 in the event of a significant failure of the firm’s systems and controls for overseeing its appointed representatives.
Complaints and revenue data reporting

12.7.9D R

(1) This rule applies to a firm that has appointed one or more appointed representatives.

(2) A firm must, once a year, submit the form in SUP 12 Annex 6R (Ongoing reporting by principal firms on their appointed representatives) to the FCA including information on:

(a) numbers of complaints relating to each of the firm’s appointed representatives; and

(b) revenue and remuneration attributed to each of the firm’s appointed representatives.

(3) The form in (2) must be submitted to the FCA within 60 business days of the firm’s accounting reference date using the appropriate online systems accessible from the FCA’s website.

(4) A firm must submit the form in (2) in respect of each 12-month period to its accounting reference date in respect of which it has been a principal to one or more appointed representatives (whether or not it was a principal for the complete 12-month period).

(5) In relation to an appointed representative with more than one principal, a firm need not report information about the appointed representative’s revenue from non-regulated activities if it is not the ‘lead-principal’ (see SUP 12.4.5DG).

12.7.9E G

In complying with SUP 12.7.9DR in relation to an appointed representative with more than one principal, a firm should only report information about the appointed representative’s revenue from that regulated activity for which the firm has accepted responsibility.

Submission in the event of failure of FCA information technology systems

12.7.10 G

If the FCA’s information technology systems fail and online submission is unavailable for 24 hours or more, the FCA will endeavour to publish a notice on its website confirming that online submission is unavailable and that firms, other than credit unions, should use the alternative methods of submission set out in SUP 12.7.1AR (3) and SUP 12.7.8AR (3) (as appropriate), and SUP 15.7.4 R to SUP 15.7.9 G, clearly marking applications as relating to appointed representatives.

12.7.11 G

Where SUP 12.7.1AR (3) or SUP 12.7.8AR (3) apply to a firm, GEN 1.3.2 R (Emergency) does not apply.
12.8 Termination of a relationship with an appointed representative or FCA registered tied agent

Notification of termination or prohibited amendment of the contract

12.8.1 If either the firm or the appointed representative notifies the other that it proposes to terminate the contract of appointment or to amend it so that it no longer meets the requirements contained or referred to in SUP 12.5 (Contracts: required terms), the firm must:

1. complete and submit to the FCA the form in SUP 12 Annex 5 R (Appointed representative termination form) in accordance with the instructions on the form and no more than ten business days after the date of the decision to terminate or so amend the contract or, if later, as soon as it becomes aware that the contract is to be or has been terminated or amended.

2. [deleted]

3. [deleted]

4. [deleted]

12.8.1A (1) Subject to (2A), a firm other than a credit union must submit any notification under SUP 12.8.1 R (1) in the form set out in SUP 12 Annex 5 R, online at www.fca.org.uk using the FCA’s online notification and application system.

2. A credit union must submit any notification under SUP 12.8.1 R (1) in the form set out in SUP 12 Annex 5 R and in the way set out in SUP 15.7.4 R to SUP 15.7.9 G (Form and method of notification).

2A. A firm must submit any notification under SUP 12.8.1 R (1) that relates to an appointed representative whose scope of appointment covers only credit-related regulated activity in the form set out in SUP 12 Annex 5 and in the way set out in SUP 15.7.4 R to SUP 15.7.9 G (Form and method of notification).

3. Where a firm is obliged to submit a notification online under (1), if the FCA’s information technology systems fail and online submission is unavailable for 24 hours or more, until such time as facilities for online submission are restored, a firm must submit any notification in the form set out in SUP 12 Annex 5 R and in the way set out in SUP 15.7.4 R to SUP 15.7.9 G (Form and method of notification).
If the FCA’s information technology systems fail and online submission is unavailable for 24 hours or more, the FCA will endeavour to publish a notice on its website confirming that online submission is unavailable and that the alternative methods of submission set out in SUP 12.8.1AR(3) and SUP 15.7.4 R to SUP 15.7.9 G (Form and method of notification) should be used.

Where SUP 12.8.1AR (3) applies to a firm, GEN 1.3.2 R (Emergency) does not apply.

In assessing whether to terminate a relationship with an appointed representative, a firm should have regard to the guidance in SUP 12.6.1-AG and be aware that the notification rules in SUP 15 require notification to be made immediately to the FCA if certain events occur. Examples include a matter having a serious regulatory impact or involving an offence or a breach of any requirement imposed by the Act or by regulations or orders made under the Act by the Treasury.

Steps to be taken on termination or prohibited amendment of the contract

If a contract with an appointed representative is terminated, or if it is amended in a way which gives rise to a requirement to notify under SUP 12.8.1R, a firm must take all reasonable steps to ensure that:

1. if the termination is by the firm, the appointed representative is notified in writing before, or if not possible, immediately on, the termination of the contract and informed that it will no longer be an exempt person for the purpose of the Act because of the contract with the firm;
2. outstanding regulated activities and obligations to customers are properly completed and fulfilled either by itself or another of its appointed representatives;
3. where appropriate, clients are informed of any relevant changes;
4. all the other principals of the appointed representative of which the firm is aware are notified; and
5. if the termination results in the wind down of relevant business, this is, or will be, undertaken in an orderly way.

Notification of approved persons on termination

The firm is responsible for notifying the FCA of any approved person who no longer performs a controlled function under an arrangement entered into by a firm or its appointed representative (see SUP 10A.3 and SUP 10C.3).

Removal of an appointed representative from the Register

The FCA has the power to remove from the Financial Services Register an appointed representative, whose scope of appointment covers insurance distribution activities (see SUP 12.4.9 G and SUP 12.4.10 G).
12.8.6 R

Termination of a MiFID investment firm's relationship with an FCA registered tied agent

If a MiFID investment firm has appointed an FCA registered tied agent this section applies to that firm as though the FCA registered tied agent were an appointed representative.
12.9 Record keeping

12.9.1 A firm must make the following records on each of its appointed representatives:

(1) the appointed representative's name;

(2) a copy of the original contract with the appointed representative and any subsequent amendments to it (including details of any restrictions placed on the activities which the appointed representative may carry on);

(3) the date and reason for terminating or amending its contract with the appointed representative, whenever such termination or amendment gives rise to a requirement to notify under SUP 12.8.1 R; and

(4) any arrangements agreed with other principals under SUP 12.4.5B R (Multiple principals).

12.9.2 A firm must retain these records for at least three years from the date of termination or the amendment of the contract with the appointed representative other than in respect of tied agents when the records must be retained for a period of five years.

12.9.2A SUP 12.6A also contains rules on maintaining records of a firm’s self-assessment documents and of reviews undertaken by a firm’s governing body of appointed representative arrangements.

12.9.3 The firm should also satisfy itself that:

(1) the appointed representative is making and retaining records in accordance with the relevant record keeping rules in the Handbook or, in relation to CBTL business, the record keeping requirements in or under Part 3 of the MCD Order, if these records are not maintained by the firm;

(2) the appointed representative (other than an introducer appointed representative) is making and retaining records sufficient to disclose with reasonable accuracy the financial position of the business it carries on in its capacity as the firm’s appointed representative; and
(3) the firm has full access to the appointed representative's records under (1) and (2) and any other records relevant to the regulated activities that the appointed representative carries on in that capacity.

12.9.4 **G** Firms are reminded that they should make and retain records in relation to any person who falls within the scope of the rules in TC or who performs a controlled function under an arrangement entered into by a firm or by an appointed representative. See SUP 10A, SUP 10C and TC for the applicable record keeping rules.

**Record keeping in relation to FCA registered tied agents**

12.9.5 **R** If a MiFID investment firm appoints an FCA registered tied agent this section applies to that firm as though the FCA registered tied agent were an appointed representative.
## Guidance on steps a firm should take in assessing the financial position of an appointed representative (other than an introducer appointed representative). See ▼ SUP 12.4.3 G

1. The **guidance** in this annex applies to a **firm** which intends to appoint, or has appointed, an appointed representative (other than an **introducer appointed representative**).

2. All of the items in this annex should be applied, as appropriate, to an individual who is in business on his own.

3. **Partners** in partnerships (other than limited partners in **limited liability partnerships**) have joint and several unlimited liability. It follows that any assessment of the financial position of an appointed representative which is a **partnership** should take into account the final position of the individual **partners** as well as the **partnership** itself.

### Accounts

1. Consider whether the type of accounts obtained is appropriate to the type of appointed representative (for example, **companies** should supply audited accounts prepared in accordance with Companies Act provisions while individuals in business on their own may only prepare unaudited accounts, for example, for submission to HM Revenue and Customs or their bankers).

2. Consider whether the accounts have been prepared on a timely basis. Consider the content of the audit report, including all detail and explanations given, and any qualifications which it may contain. Investigate any concerns.

3. If relevant, obtain the most recent management accounts to assess whether the appointed representative's financial position has changed materially since the most recent audited accounts.

4. If audited accounts are not available, be more circumspect about the accounts as they have not been independently audited. If necessary, consider obtaining third party verification of material balances.

### Unusual items/ recoverability of debts/goodwill

1. Investigate fully any unusual items - in particular any amounts outstanding with directors, partners, connected persons or associates and any guarantees.

2. Consider whether any amounts due to the appointed representative would be recoverable; and whether the appointed representative would be in a position to pay any debts if it were required to do so at short notice.

3. Any balance for goodwill should be ignored since this will normally represent a stream of potential future income which may not be forthcoming if the equity interest in the appointed representative were sold.

### Financial stability/ cashflows

1. Critically review the accounts to ensure that the appointed representative is financially stable. The review should take into account the overall position of the appointed representative and its cashflow.

2. The review should also consider the nature of the appointed representative's assets and whether or not they are liquid and readily available to the appointed representative, if required. **Investments** in (for example) unquoted **companies** or **property** may be difficult to realise if there were a sudden need for **cash**.

### Income/ financial

1. Assess the overall financial pressures on the appointed representative and **connected persons**. Account should be taken of the full range of the appointed representative's activities (and not merely those activities in which the appointed representative will be acting...

Guidance on information firms should take reasonable steps to obtain to verify and to assess the fitness and propriety of an appointed representative (other than an introducer appointed representative). See SUP 12.4.4 G (1).

2.

1. The guidance in this annex applies to a firm which intends to appoint or has appointed an appointed representative (except an introducer appointed representative).

2. Items 1(c) and 1(d) in the following table will not be relevant in the case of an individual who is himself an appointed representative, unless, in the case of 1(d), the individual is in business on his own.

3. If the appointed representative is a partnership, the information a firm should obtain, having regard to SUP 12.4.4 G (1), is that contained in this annex on the basis that the information sought applies to each partner. When considering the fitness and propriety of each partner, having regard to SUP 12.4.4 G (1), information a firm should obtain will also include information in this annex. Therefore, a firm may wish to assess the fitness and propriety of partners as suggested in SUP 12.4.4 G (2) and then consider if any additional information is recommended under this annex.
