1.1A.2

	(2)	a UK RIE.				
	as set	out in the text of that chapter.				
G	The provisions in SYSC should be read in conjunction with GEN 2.2.23 R to GEN 2.2.25 G. In particular:					
	(1)	[deleted]				
	(2)	Provisions made by the FCA, and by the PRA in the PRA Rulebook, may be applied by both regulators to PRA-authorised persons. Such provisions are applied by each regulator to the extent of its powers and regulatory responsibilities.				
	(3)	For Solvency II firms, the FCA considers that the requirements and guidance in Chapters 2, 3, 12 to 18, 19F.2, 21, 22 and 28 of SYSC are not inconsistent with:				
		 (a) the parts of the PRA Rulebook which implemented the governance provisions in the Solvency II Directive (articles 40 to 49); 				
		(b) the Solvency II Regulation, or				
		 (c) EIOPA guidelines on systems of governance dated 28 January 2015 (EIOPA-BoS-14/253 EN). 				
		In most cases, there is no direct overlap with those provisions because the SYSC requirements are directed at FCA conduct requirements not expressly covered by or under provisions which implemented or supplemented the Solvency II Directive. Where there is a direct overlap with SYSC rules and guidance, the FCA will take requirements and guidelines which implemented or supplemented the Solvency II Directive into account. The definition of Solvency II firm includes (for SYSC) large non-directive insurers because the PRA have applied certain Solvency II derived requirements to those firms. Where SYSC refers to the PRA Rulebook applicable to Solvency II firms, large non-directive insurers should read those references as if they were references to the corresponding part of the PRA Rulebook applicable to large non-directive insurers.				

		1.4 Application of SYSC 11 to 28A			
1.4.1	G	What? The application of each of chapters SYSC 11 to SYSC 21 is set out in those chapters and in SYSC 1.4.1A R.			
1.4.1-A	G	The application of each of the chapters ■ SYSC 19F.2, ■ SYSC 22 to ■ SYSC 28A is set out in those chapters.			
1.4.1A	R	■ SYSC 12 and ■ SYSC 21 do not apply to a <i>firm</i> in relation to its carrying on of <i>auction regulation bidding</i> .			
1.4.1B	G	Apart from SYSC 12, and SYSC 21 which are disapplied by SYSC 1.4.1A R, the other chapters of SYSC 11 to SYSC 14 do not apply in relation to a <i>firm's</i> carrying on of <i>auction regulation bidding</i> because they only apply to an <i>insurer</i> . SYSC 18 provides guidance on the Public Interest Disclosure Act. Other chapters of SYSC may not apply to <i>auction regulation bidding</i> , for example because an <i>exempt MiFID commodities firm</i> will not be a <i>MIFIDPRU investment firm</i> .			
		Actions for damages			
1.4.2	R	A contravention of a <i>rule</i> in SYSC 11 to SYSC 14, SYSC 18 to SYSC 21, SYSC 22.8.1R, SYSC 22.9.1R or SYSC 23 to SYSC 28A does not give rise to a right of action by a <i>private person</i> under section 138D of the <i>Act</i> (and each of those <i>rules</i> is specified under section 138D(3) of the <i>Act</i> as a provision giving rise to no such right of action).			

1.5 Significant SYSC firm Purpose 1.5.1 G (1) The purpose of SYSC 1.5 is to set out the definition of a significant SYSC firm. (2) The following governance requirements in SYSC apply by reference to the term *significant SYSC firm*: (a) ■ SYSC 4.3A.6R on the limitations in the number of directorships; (b) ■ SYSC 4.3A.8R on the nomination committee; and (c) SYSC 7.1.18R and SYSC 7.1.18AAR on the risk committee. (3) MIFIDPRU investment firms are not subject to SYSC 4.3A.8R or ■ SYSC 7.1.18R, and should refer instead to ■ MIFIDPRU 7.3. (4) The definition of significant SYSC firm is also relevant in determining whether a firm is an enhanced scope SMCR firm for the purposes of the senior managers and certification regime. Definition of a significant SYSC firm 1.5.2 R A firm is a significant SYSC firm if it meets one or more of the following conditions: (1) its total assets exceed £530 million; (2) its total liabilities exceed £380 million; (3) the annual fees and commission income it receives in relation to the regulated activities carried on by the firm exceeds £160 million in the 12-month period immediately preceding the date the firm carries out the assessment under this rule; (4) the client money that it receives or holds exceeds £425 million; and (5) the assets belonging to its *clients* that it holds in the course of, or in connection with, its regulated activities exceeds £7.8 billion. 1.5.3 R (1) This *rule* defines some of the terms used in SYSC 1.5.2R. (2) "Total assets" means the firm's total assets: (a) as set out in the most recent relevant report submitted to the FCA under SUP 16.12 (Integrated Regulatory Reporting); or

			(b) (where the <i>firm</i> carries out the assessment under \blacksquare SYSC 1.5.4R at any time after the date of its most recent report in (a)) as the <i>firm</i> would report to the <i>FCA</i> in accordance with the relevant report, as if the reporting period for that report ended on the date of the assessment.
		(3)	"Total liabilities" means the firm's total liabilities:
			 (a) as set out in the most recent relevant report submitted to the FCA under ■ SUP 16.12 (Integrated Regulatory Reporting); or
			(b) (where the <i>firm</i> carries out the assessment under ■ SYSC 1.5.4R at any time after the date of its most recent report in (a)) as the firm would report to the <i>FCA</i> in accordance with the relevant report, as if the reporting period for that report ended on the date of the assessment.
			"client money" means <i>client money</i> that a <i>firm</i> receives or holds in the course of, or in connection with, all of the <i>regulated activities</i> that it carries on:
			 (a) as set out in the most recent client money and client asset report submitted to the FCA under ■ SUP 16.12 (Integrated Regulatory Reporting); or
			(b) (where the <i>firm</i> carries out the assessment under \blacksquare SYSC 1.5.4R at any time after the date of its most recent report in (a)) as the <i>firm</i> would report to the <i>FCA</i> in accordance with the relevant report, as if the reporting period for that report ended on the date of the assessment.
		(5)	"Assets belonging to its <i>clients</i> " means the assets to which the <i>custody rules</i> apply:
			(a) as set out in the most recent client money and client asset report submitted to the FCA under ■ SUP 16.12 (Integrated Regulatory Reporting); or
			(b) (if the <i>firm</i> carries out the assessment under ■ SYSC 1.5.4R at any time after the date of its most recent report in (a)) as the <i>firm</i> would report to the <i>FCA</i> in accordance with the relevant report, as if the reporting period for that report ends on the date the assessment is carried out.
1.5.4	R	A firm	must assess regularly whether it becomes a significant SYSC firm.
1.5.5	R	(1)	If a <i>firm</i> , at any time, becomes aware that it is likely to become a <i>significant SYSC firm</i> , it must forthwith make arrangements to establish and have in place sound, effective and comprehensive strategies, processes and systems to achieve compliance with the requirements that apply to a <i>significant SYSC firm</i> .
		(2)	The <i>firm</i> in (1) must comply with the requirements that apply to a <i>significant SYSC firm</i> on the expiry of a period of 3 <i>months</i> from the date it meets any one of the conditions in SYSC 1.5.2R.
1.5.6	R		<i>m</i> that is a <i>significant SYSC firm</i> ceases to meet any of the conditions SC 1.5.2R, it must continue to comply with the <i>rules</i> and requirements

		applicable to a <i>significant SYSC firm</i> until the first anniversary of the date on which the <i>firm</i> ceased to be a <i>significant SYSC firm</i> .
1.5.7	G	The FCA may, on a case-by-case basis, require a <i>firm</i> which does not meet any of the conditions in \blacksquare SYSC 1.5.2R to comply with the rules and requirements that apply to a <i>significant SYSC firm</i> if the FCA considers it appropriate to do so to meet its strategic objective or to advance one or more of its operational objectives under the Act.
1.5.8	G	(1) A firm may apply to the FCA under section 138A of the Act to waive any one or more of the conditions in ■ SYSC 1.5.2R if it believes that one or more of the governance requirements in (2) that apply to a significant SYSC firm may be disproportionate. In its application for a waiver, the FCA expects the firm to demonstrate that it should not be considered as significant, taking into account the size, nature, scope and complexity of its activities, any membership of a group and the internal organisation of that group.
		(2) The governance requirements referred to in (1) are:
		(a) ■ SYSC 4.3A.6R on the limitations in the number of directorships;
		(b) ■ SYSC 4.3A.8R on the nomination committee; or
		(c) ■ SYSC 7.1.18 R on the risk committee.
		(3) The effect of such <i>waiver</i> is that the <i>firm</i> would not be a <i>significant SYSC firm</i> only for the purpose of the particular governance requirement in (2) that the <i>waiver</i> is expressed to apply to. For the avoidance of doubt, such a <i>firm</i> would still be a <i>significant SYSC firm</i> for the purpose of the other <i>rules</i> in the <i>FCA Handbook</i> that apply to a <i>significant SYSC firm</i> , except where expressly otherwise provided for.
