Annex B
Amendments to SUP
coming into force on 1 October 2002

In this Annex, underlining indicates new text and striking through indicates deleted text. Where an entire new section is inserted, the place that it goes is indicated and the text is not underlined.

8.3.1A  G  Even if the conditions in section 148(4) of the Act are satisfied, the FSA will consider other relevant factors before giving a waiver, such as whether the waiver would be compatible with European law, including rel EC Directives.

**Waiver of an evidential provision**

8.3.11  G  An application for a waiver of an evidential provision will normally be granted only if a breach of the underlying binding rule is actionable under section 150 of the Act. Individual guidance would normally be a more appropriate response (see SUP 9 (Individual Guidance)) if there is no right of action.

8.3.12  G  An application for a waiver of the presumption of compliance created by an evidential provision would not normally be granted.

8.3.13  G  For an application for a waiver of the presumption of contravention of a binding rule, which is actionable under section 150 of the Act, the FSA would normally wish to be satisfied that the evidential rule is itself unduly burdensome or does not achieve the purpose of the rule.

**Waiver of a two-way evidential provision**

8.3.14  G  In the case of an application for a waiver of a two-way evidential provision relating to an actionable binding rule, the policy in SUP 8.3.12G would apply to the presumption of compliance and the policy in SUP 8.3.13G would apply to the presumption of contravention. In other words, any modification is likely to be in relation to the second presumption only.

Note In row (1A), a change in control is exempt if the controller or proposed controller is exempt from any obligation to notify the FSA under Part XII of the Act (Control over Authorised Persons) because of The Financial Services and Markets Act 2000 (Controllers) (Exemption) (No 2) Order 2001 (SI 2001/3338). (See SUP 11.3.2AG(2).)

11.3.2A G The Treasury have made the following exemptions:

(1) controllers and potential controllers of non-directive friendly societies are exempt from the obligation to notify a change in control (The Financial Services and Markets Act 2000 (Controllers) (Exemption) Order 2001 (SI 2001/2638));

(2) controllers and potential controllers of building societies are exempt from the obligation to notify a change in control unless the change involves the acquisition of a holding of a specified percentage of a society's capital or the increase or reduction by a specified percentage of a holding of a society's capital (The Financial Services and Markets Act 2000 (Controllers) (Exemption) (No.2) Order 2001 (SI 2001/3338.). The "capital" of a society for these purposes consists of:
(a) any shares of a class defined as deferred shares for the purposes of section 119 of the Building Societies Act 1986 which have been issued by the society (in practice, likely to be permanent interest bearing shares (PIBS)); and

(b) the general reserves of the society.

Exceptions: Building societies and friendly societies

16.4.10R …

16.4.11R In SUP 16.4.5R and SUP 16.4.10R, a building society may regard a person as not being a controller if that person is exempt from the obligation to notify a change in control under The Financial Services and Markets Act 2000 (Controllers) (Exemption) (No.2) Order 2001 (SI 2001/3338) (see SUP 11.3.2AG (2)).
