FINANCIAL CONGLOMERATES AND OTHER FINANCIAL GROUPS
INSTRUMENT 2004

Powers exercised

A. The Financial Services Authority makes this instrument in the exercise of the following powers and related provisions in the Financial Services and Markets Act 2000 ("the Act"):  

(1) section 138 (General rule-making power);  
(2) section 150(2) (Action for damages);  
(3) section 156 (General supplementary powers);  
(4) section 157(1) (Guidance); and  
(5) section 340 (Appointment).

B. The rule-making powers listed above are specified for the purpose of section 153(2) (Rule-making instruments) of the Act.

Commencement

C. The annexes to this instrument come into force as indicated in the following table.

<table>
<thead>
<tr>
<th>Annex</th>

Citation

E. This instrument may be cited as the Financial Conglomerates and Other Financial Groups Instrument 2004.

By order of the Board
15 July 2004

Amended by Addendum
17 August 2004
Annex A

Amendments to the Threshold Conditions

In this Annex, underlining indicates new text.

2.5.3 G …

(3) In relation to a firm which is an EEA regulated entity, the Financial Groups Directive provides that the FSA should consult other competent authorities when assessing the suitability of the shareholders and the reputation and experience of directors involved in the management of another entity in the same group.
Annex B

Amendments to the Interim Prudential sourcebook for banks

In this Annex, underlining indicates new text and striking through indicates deleted text. Where an entire section of text is being deleted or inserted, the place where the change will be made is indicated and the text is not struck through or underlined.

Amend IPRU(BANK), Volume 1, Chapter GN, Sections 2 and 3 as follows:

PURPOSE

3. …

4. The purpose of the prudential standards set out in this sourcebook is to ensure that banks maintain capital and other financial resources commensurate with their risks and appropriate systems and controls to enable them to manage those risks. The FSA requires in particular that banks maintain adequate capital against their risks: capital enables banks to absorb losses without endangering customer deposits; that they maintain adequate liquidity; and that they identify and control their large credit exposures - which might otherwise be a source of loss to a bank on a scale that might threaten a bank's solvency.

5. This sourcebook, together with the separate prudential sourcebook applying to building societies, also implements EC directives setting out prudential standards as these apply to credit institutions. Where a bank is part of a financial conglomerate, it will also be subject to additional rules and guidance set out in PRU 8.4. A bank with an ultimate non-EEA parent may also be subject to some provisions in PRU 8.5. And all banks that are part of a group are subject to the general provisions in PRU 8.1.

…

Definitions

Insert new definitions in the following table in the appropriate alphabetical position:

3.5.1 R In this section the term or phrase in the first column of the following table has the meaning given to it in the second column:

<table>
<thead>
<tr>
<th>financial holding company</th>
<th>A financial institution whose subsidiary undertakings are either exclusively or mainly credit institutions or financial institutions (at least one being a credit institution) and which is not a mixed financial holding company.</th>
</tr>
</thead>

holding company, or a mixed financial holding company, whose subsidiaries include at least one credit institution.

mixed financial holding company

See definition in the Glossary.

See definition in the Glossary, except where the context otherwise requires (such as in the phrase "sub-participation").

PRU

See definition in the Glossary.

Amend IPRU(BANK), Volume 1, Chapter CA, Section 1 as follows:

1.2 Legal sources

3 The sources noted in the Legal Sources section of the Capital Adequacy Overview chapter are also relevant to this chapter.

4 The Banking Consolidation Directive (formerly The Directive on Own Funds, “Own Funds Directive”, “OFD” - 89/299/EEC) establishes a standard EU definition of capital for prudential supervisory purposes. This follows closely the Basel Convergence Agreement on capital standards. The Directive has been amended by the Financial Groups Directive (2002/87/EC) and some of the resulting changes are given effect in this chapter.

Amend IPRU(BANK), Volume 1, Chapter CA, Section 10 as follows:

10.2 Deductions from the total of Tier 1 capital and Tier 2 capital

2 Certain deductions should be made from the total of Tier 1 (after Tier 1 deductions) and Tier 2 capital:

(a) Investments in subsidiaries and associates which fall outside the scope of a bank’s capital adequacy return (including all material insurance holdings):

(b) …
(c) …

(d) Investments in life assurance companies should be treated on the same principles as other investments. The amount of any material insurance holding should (subject to (i) below) be deducted from the total of Tier 1 and Tier 2 capital. A material insurance holding means the higher of:

1. the book value of an investment held in an insurance undertaking, reinsurance undertaking, or insurance holding company (investment for this purpose is either a participation, or the investment in a subsidiary undertaking); or

2. the bank's proportionate share of that undertaking's local or notional regulatory capital requirement.

Where the undertaking is a subsidiary and it has a solvency deficit, the subsidiary's local or notional regulatory requirement should be deducted in full. A description of how a notional capital requirement is to be calculated is set out in paragraphs 6.7 and 6.8 in Part 6 of PRU 8 Annex 1. A notional requirement should be calculated in all cases where the undertaking is not regulated to EEA or equivalent standards: this is also explained in paragraphs 6.7 and 6.8 in Part 6 of PRU 8 Annex 1.

(i) However, where an insurance affiliate undertaking is accounted for using the embedded value method, the following treatment should be applied, modified as follows (unless the regulatory capital requirement is the higher figure):

- On acquisition, any “goodwill” element, i.e. the difference between the acquisition value according to the embedded value method and the actual investment, should be deducted from Tier 1 capital.

- The embedded value should be deducted from the total of Tier 1 & 2 capital.

- Post-acquisition, where the embedded value of the company undertaking increases, the increase should be added to reserves, while the new embedded value is deducted from total capital. This means that the net impact on the level of capital is zero, although Tier 2 headroom will increase with any increase in Tier 1 reserves.

(ii) Embedded value is the value of the company taking into account the present value of the expected future inflows from existing life assurance business.

(e) …
7

See ch CS s2 & s9

(b)…

(c) All holdings of capital instruments issued by other credit institutions and financial firms institutions unless these are covered by a trading book concession;

(a) …

(b) …

See s3.1

(c) For the purposes of this sub section The definition of a financial institution is defined as a directly supervised institution (or a financial holding company above a supervised financial institution) whose exclusive or main business is to carry out one or more of the activities listed in points 2–12 in Annex I to The Banking Consolidation Directive (formerly the Annex to 2BCD). These activities are listed in items (b) to (l) of the Appendix to Chapter EU given in the Glossary

10.4 Deductions of qualifying holdings from Tiers 1 and 2 capital

…

22 For the purposes of qualifying holding deductions, commercial non-financial undertakings are defined as all undertakings other than:

See s10.4

(a) Credit and certain financial institutions;

a) The above are defined to be credit institutions, supervised financial firms and financial holding companies whose exclusive or main business is to carry out one or more of the activities listed in points 2–12 of Annex I to the Banking Consolidation Directive (formerly the Annex to 2BCD). These activities are also listed in points (b) to (l) of the Appendix to Chapter EU.

The capital instruments of institutions which meet the definition of financial and credit institutions in section 10.2 fall outside the scope of qualifying holdings. (The full definition of financial institution is in the Glossary.)

(b) Institutions whose exclusive or main activities are a direct extension of banking, or concern services ancillary to banking, such as leasing, factoring, the management of unit trusts, the management of data processing services supporting banking services or any other similar activity; and

a) These activities are set out in Article 43(2)(f) of the Bank Accounts Directive (86/635/EEC).

(c) Insurance and reinsurance companies, and insurance holding
companies.

Amend IPRU(BANK), Volume 2, Chapter LE as follows:

2 The rationale for a large exposures policy
1 …
2 …
3 …
4 The need to control risk concentration was the main reason for the minimum standards for a limits-based approach towards large exposures brought in by the LED (now replaced by The Banking Consolidation Directive). Where appropriate, the FSA’s policy goes further, to reflect its own view of what constitutes a prudent approach in this key area of banks’ internal management controls. (Following the amendments to the Banking Consolidation Directive resulting from the Financial Groups Directive, the FSA is also required to supervise transactions between a bank and a mixed activity holding company (MAHC), to have significant transactions with the MAHC reported to the FSA; and to take appropriate action if these intra-group transactions pose a threat to the bank’s financial position.)

These requirements are set out below.

(i) The FSA’s existing requirements for the control and monitoring of exposures to connected counterparties, set out in this chapter LE (particularly section 9.2.2) and the large exposures reporting forms in SUP 16 Ann 1R.

(ii) A specific new requirement in SUP 16.7 to report significant transactions with an MAHC that do not constitute exposures; and

(iii) The requirements (Rule 3.3.19 and PRU 8.1) for a bank to have the systems to enable the control and monitoring described above, and provide the necessary information for reporting to the FSA.
Amend IPRU(BANK), Volume 2, Chapter CS as follows:

CONSOLIDATED SUPERVISION
1. INTRODUCTION
1.1 Legal sources

See COND1 A bank’s compliance with the policy set out in this chapter will help establish that it satisfies the Threshold Conditions (as to “Adequate resources” and “Suitability”) and complies with the Principles (as to “Management and control” and “Financial prudence”).

2 The Banking Consolidation Directive (2000/12/EC) formerly the Second Consolidated Supervision Directive 92/30/EEC) sets required minimum standards for the performance of consolidated supervision of groups including banks within the EEA. This chapter on consolidated supervision is the principal vehicle implementing 2CSD (now replaced by those parts of The Banking Consolidation Directive) that derive originally from the Second Consolidated Supervision Directive (92/30/EEC) and have now been further amended by the Financial Groups Directive (2002/87/EC). Banks that are part of a group should also refer to the rules and guidance on group risks in PRU 8.1.

3 The Capital Adequacy Directive (CAD - 93/6/EEC) introduced both a framework for capital requirements for market risk and a requirement for a consolidated assessment of groups including investment firms. This chapter includes the updates to the consolidated supervision regime applied to banks which resulted from its implementation, most notably the introduction of aggregation plus as a technique for consolidating trading book exposures in some cases for CAD banks.

4 The obligations in these directives require consolidation only up to the highest relevant parent incorporated in the EEA, and not to Where the ultimate parents is outside the EEA, the FSA also needs to establish whether the bank is subject to equivalent consolidated supervision by the competent authorities in the ultimate parent's home country, and if not, to take appropriate measures to achieve the objectives of the Banking Consolidation Directive. This is covered in more detail in PRU 8.5: banks with non-EEA parents should therefore note that they are also subject to the relevant provisions in PRU 8.5.

4A It is open, however, to supervisors to go further than the minimum requirements. It may be important to consolidate other parts of the group, in order to have all the relevant risks included. The FSA is committed to extending its consolidated supervision beyond the requirements of the directives if the result is a more accurate assessment of risk to a bank. Moreover, where a banking group includes an entity active in the insurance sector, it may possibly constitute a financial conglomerate and would then be subject to additional rules and guidance necessary to implement the Financial Groups Directive in such cases. The exact definitions and criteria as to what constitutes a financial conglomerate, and the additional rules and guidance that apply to them, are set out in PRU 8.4. If a banking group is, or becomes, a financial
conglomerate, it will be subject to these additional rules and guidance, as well as to the rules and guidance in this chapter.

1.2 Application
5 This chapter applies to UK-incorporated banks (and banking groups with UK-incorporated non-bank parents) only.
(a) Banks incorporated elsewhere in the EEA with UK branches are, of course, subject to the requirements of the “2CSD” (now replaced by The Banking Consolidation Directive as implemented by their home supervisors.

1.3 How this chapter is organised
6 …
7 …
8 Section 8 covers Material on qualitative consolidated supervision, formerly in section 8 of this chapter (now deleted), has been replaced by the rules and guidance in PRU 8.1. And Section 9 explains the solo consolidation treatment which may be adopted for solo purposes.

2 THE FSA’S APPROACH TO CONSOLIDATED SUPERVISION
1 …
2 …
3 …
4 …
5 The FSA regards consolidated supervision as a complement to, not a substitute for, solo supervision.
(a) Solo supervision is needed as well. For events elsewhere in the group and the activities of other group companies can pose a threat to the bank in ways which consolidated supervision alone cannot detect: for example, intra-group linkages arising from transactions between the bank and other group companies will only be revealed by solo supervision. And a complementary assessment of solo capital adequacy permits an assessment of whether, so far as the bank itself is concerned, there is an appropriate distribution of capital in a group.
(b) So institutions should comply with the FSA’s policy on capital adequacy and large exposure on both a solo (or solo-consolidated) and a consolidated basis.
The FSA also seeks to ensure that persons who effectively direct the business of a financial holding company are of sufficiently good repute and have sufficient experience to perform these duties. This requirement was introduced into the Banking Consolidation Directive by the Financial Groups Directive (article 54a of the Banking Consolidation Directive as inserted by article 29(8) of the Financial Groups Directive). But without prejudice to this specific requirement, the Directive also makes clear that the consolidation of the financial situation of a financial holding company (as part of the consolidated supervision of its banking subsidiary by the FSA) in no way implies that the FSA is required to play a supervisory role in relation to that financial holding company on a stand-alone basis.

Article 55a of the Banking Consolidation Directive (as inserted by article 29(9) of the Financial Groups Directive) also requires the FSA to exercise general supervision over transactions between a bank that is a subsidiary of a mixed activity holding company (MAHC), and the MAHC itself and its other subsidiaries. The relevant guidance to banks is set out in section 3 of this chapter, para 3.1.4. If these intra-group transactions were to pose a threat to the bank's financial position, the FSA will take appropriate measures.

3 QUANTITATIVE CONSOLIDATED SUPERVISION

3.1.3 Adequate controls

A bank should have adequate internal control mechanisms to produce any data and information which might be relevant for the purpose of supervision on a consolidated basis; this is now placed on a new and stronger footing in PRU 8.1 (see also rule 3.3.19 which requires a bank to have adequate systems and controls which enable it to monitor, control and calculate its large exposures).

3.1.4 Intra-group transactions with MAHC

Where a bank's parent is a mixed-activity holding company (MAHC), the FSA is required to supervise transactions between the bank, and the MAHC and its other subsidiaries, and any significant transactions are to be reported to the FSA. The most important category of such transactions will be those (i.e., credit exposures and off-balance sheet items) that give rise to "exposures" to the relevant connected counterparty for the purposes of chapter LE and the large exposure reporting forms. The FSA considers that in these cases the directive requirement is adequately met by the existing arrangements under which the bank's exposures to individual, or groups of, connected counterparties are reported and monitored (see 3.1.2 above, and also chapter LE section 9.2.2, and the large exposure reporting forms in SUP 16Ann 1R). Reporting of other significant transactions (that do not give rise to "exposures") is also now required as a separate item by SUP 16.7.8R. The requirements for the bank to have adequate systems and controls to produce the necessary information (see 3.1.3 above), and systems and controls generally to mitigate group risk, are also covered in PRU 8.1 which applies to all banks that are part of groups.
4 Scope of consolidation

4.1 INTRODUCTION

See Supervision Manual chapter 16

1 …

4.2 Domain of consolidation within a group including a bank

2 Consolidation should be undertaken in the following cases:

…

(a) …

(b) when the bank is not the parent company, but:

(i) the bank is part of a group or sub-group whose business wholly or mainly comprises the listed activities; and

(ii) the parent of the group or sub-group is itself a financial institution.

See a10.1

(a) The listed activities are those given in the first paragraph of the first appendix to this chapter.

See s4.3

(b) The definition of parent is given below.

(c) To qualify as a financial institution, the exclusive or main business of a company should be either to carry out one or more of the listed activities or to acquire holdings in companies undertaking these activities. The formal definition of a financial institution is given in the Glossary.

(d) …

…

4.3 Companies to be consolidated

3 Consolidation then extends to all relevant financial companies within that domain: that is the parent company; its subsidiaries; and companies in which the parent or its subsidiaries have a participation.

(a) The definitions used of parent and subsidiary are those contained in the Seventh Company Law Directive (83/349/EEC); these are implemented in the United Kingdom in section 258 of the Companies Act 1985. The definition of participation is set out in the Table in chapter GN.

(b) The notion of subsidiary is also normally extended to cover a company over which the parent or one of its subsidiaries exercises dominant influence. The criteria used to determine whether dominant influence exists are those provided by the contemporary UK accounting standards.

(i) The relevant accounting standard is FRS2, Accounting for Subsidiary Undertakings.
The threshold for the consolidation of group companies which are not subsidiaries – *participations* – is the ownership of 20% or more of the voting rights or capital.

In the case where undertakings are linked to the domain of consolidation by a relationship within the meaning of article 12(1) of Directive 83/349/EEC (see definition of "consolidation article 12(1) relationship" in the Glossary), the FSA will determine how consolidation is to be carried out.

Asset management companies (which for this purpose has the meaning given in the Glossary) are also to be consolidated, whether or not they come within the definition of *financial institution*, thereby fulfilling specific requirements in the Financial Groups Directive.

Companies whose business is not financial are not usually included in the consolidation; however, the FSA may consider that it is appropriate to include them.

Insurance and the broking of insurance are not financial activities for this purpose, and so these companies are not usually included in a consolidation.

A non-financial subsidiary or *participation* should be excluded from the consolidation only with the FSA’s prior agreement. If the exclusion is agreed, the investment in that company should be deducted from consolidated capital and its assets not included in group weighted risk assets.

4.4 General exceptions to the above policy

As provided for by article 3.3 of the 2CSD (now replaced by Article 52.3 of The Banking Consolidation Directive, in a limited number of cases the FSA may permit the exclusion from a bank’s consolidated returns of subsidiaries or participations which otherwise meet the criteria for consolidation, where:

...
supervisor) that adheres to the Basel minimum standards for the supervision of international banking groups and their cross-border establishments.

In those cases in which it determines that a whole-group consolidation would not be appropriate, the FSA nonetheless considered that sub-consolidation from the highest relevant EEA parent down, as outlined above, would be appropriate.

4.6 Groups not subject to consolidation

11 When a bank belongs to a group or sub-group for which the FSA determines consolidation would be inappropriate (for example in cases where the preponderance of the group's business comprises industrial or insurance business), the FSA may ask the parent institution and its other subsidiaries to supply it with any data or information which it considers relevant to the purpose of supervising the bank.

12 When the parent of a bank is an insurance company (but the whole group does not constitute a financial conglomerate), the FSA does not normally consider it necessary to consolidate down from the insurance company, pending further harmonisation of the basis of accounting for banks and insurance companies. However, the FSA seeks to liaise with the supervisors of the insurance company parent if that supervisor is not the FSA. Where the group as a whole constitutes a financial conglomerate, it will in any case be subject to the additional rules and guidance on consolidated supervision set out at PRU 8.4.

After Chapter CS, Section 7 delete Section 8 in its entirety.

8 QUALITATIVE CONSOLIDATED SUPERVISION

[deleted]
Annex C

Amendments to the Interim Prudential sourcebook for building societies

In this Annex underlining indicates new text and striking through indicates deleted text. Where an entire section of text is being deleted or inserted, the place where the change will be made is indicated and the text is not struck through or underlined.

Amend IPRU(BSOC), Volume 1, Chapter 1 as follows:

1 SOLVENCY

…

1.4 EU Directives

…

1.4.6 The BCD also requires the FSA to carry out consolidated supervision of building society groups. The EU provisions for consolidated supervision have been supplemented by the Financial Groups Directive (2002/87/EC). Where a building society group includes an entity active in the insurance sector, while the group's main business lies in the deposit-taking sector, it may possibly constitute a "financial conglomerate" (though the FSA expects this will be rare, at least in the near future). The exact definitions and criteria as to what constitutes a "financial conglomerate" and the additional rules and guidance that apply to them, are set out in the Integrated Prudential Sourcebook (PRU) at PRU 8.4. If (but only if) a building society is, or becomes, a financial conglomerate, it will be subject to these additional rules and guidance, as well as to the rules and guidance in this IPRU (BSOC). Moreover, all building societies that are part of a group are subject to the general provisions in PRU 8.1.

…

1.8 Deductions

1.8.1 Societies should make certain deductions from own funds and observe certain restrictions on the inclusion of Tier 2 items. The deductions comprise:

(1) …

(2) …

(3) …

(4) …
the amount of any material insurance holding (see Annex 1D for definitions), relating to an insurance undertaking, reinsurance undertaking, or insurance holding company.

1.8.2 G Societies may be expected to make a deduction from own funds to reflect the existence of a contingent liability which, if called, would create an asset that societies would be required to deduct from own funds.

NB: See section 1.13 for deductions in respect of the treatment of insurance companies that are subsidiaries, section 1.14 for MIG captives, section 1.16 for holdings in other institutions, and for possible deductions arising out of securitisation, section 1.15.

…

1.13 Exclusions from Consolidation

1.13.1 G Subject to a limited degree of discretion allowed to the supervisory authorities, the BCD requires building societies to consolidate subsidiary undertakings which are financial or credit institutions (defined in Annex 1D) for the purposes of calculating their solvency ratio. However unless:

(1) the inclusion of a particular non financial institution or non-credit institution subsidiary undertaking would result in a higher solvency ratio than if it were to be excluded; or

(2) the FSA specifically requires the subsidiary undertaking to be excluded;

societies should include all their subsidiary undertakings when calculating their solvency ratio. Exclusion is likely where the FSA believes that a subsidiary's inclusion in the consolidation would be misleading or inappropriate. Life insurance and general insurance, reinsurance and insurance holding companies fall into this category: societies are already expected to deduct material insurance holdings from own funds (see section 1.8 above); and societies should calculate their solvency ratio after reversing the impact of the investment in, or consolidation of, these subsidiary undertakings. In the society only ratio calculation, the carrying value of the investment should be removed from the weighted asset total, and an equal deduction made from the society’s own funds. In the consolidated ratio calculation, the weighted assets of the insurance subsidiary should be removed from the consolidated weighted assets, and the reserves of the subsidiary consolidated into group own funds should be reversed out, including any benefit of the embedded value taken through the group's reserves. The only profits of the subsidiary that may count as group own funds are those that have been distributed to the parent society i.e. as dividends. Societies should also note that the consolidation of asset management companies (which for this purpose have the meaning given in the Handbook Glossary) is now required by article 30 of the Financial Groups Directive, whether or not they come within the definition of a financial institution.

…
1.16  Deductions in Respect of Holdings in Other Institutions

....

1.16.3  G The Directive gives member states the option not to apply the restrictions to life and general insurance companies or reinsurance companies; and not to apply them in other cases provided they require a deduction from the credit institution's own funds of 100% of the amount in excess of the 15% or 60% limits.

1.16.4  G The FSA has decided not to apply the limits to participation in insurance or reinsurance companies but under section 1.8 above - "material insurance holdings" – see Annex 1D for definitions - are already subject to deduction from the society's own funds; see also section 1.13 for capital treatment in respect of holdings in the exclusion of insurance companies subsidiaries from consolidation. The FSA has also decided not to apply the limits in other cases but to recommend a 100% deduction from own funds of the amount of the holding in excess of 15%.

....

Calculation of "Own Funds"

....

1A.6  Own funds

1A.6.1 Gross own funds comprise Tier 1 capital plus Tier 2 capital. From this should be deducted:

(1)  ...

(2)  ...

(4)  any deductions in respect of insurance, reinsurance or insurance holding companies (section 1.13), MIG Captives (section 1.14), holdings in other undertakings (section 1.16) and securitisation (paragraph 1.15.2);

... to arrive at "own funds".

ANNEX 1D

HOlDINGS OF CAPITAL INSTRUMENTS OF OTHER CREDIT AND FINANCIAL INSTITUTIONS TO BE EXCLUDED DEDUCTIONS FROM "OWN FUNDS" CALCULATIONS

DEFINITIONS (for section 1.8)

G
Insert the following new definitions in Annex 1D.1:
1D.1 Definitions

1D.1.4 Material Insurance Holding means the higher of

a. the book value of an investment held in an insurance undertaking, reinsurance undertaking, or insurance holding company ("investment" for this purpose is either a participation, or the investment in a subsidiary undertaking), or
b. the society's proportionate share of that undertaking's local or notional regulatory capital requirement.

Where the undertaking is a subsidiary and it has a solvency deficit, the subsidiary's local or notional regulatory requirement should be deducted in full.

A description of how a notional capital requirement is to be calculated is set out in paragraphs 6.7 and 6.8 in Part 6 of PRU 8 Annex 1. A notional requirement should be calculated in all cases where the undertaking is not regulated to EEA or equivalent standards: this is also explained in paragraphs 6.7 and 6.8 in Part 6 of PRU 8 Annex 1.

1D.1.5 Participation means

(1) a participating interest as defined in section 260 of the Companies Act 1985 (participating interests); or
(2) the direct or indirect ownership of 20% or more of the voting rights or capital of an undertaking.
Annex D

Amendments to the Interim Prudential sourcebook for friendly societies

In this Annex, underlining indicates new text and striking through indicates deleted text.

Chapter 7
DEFINITIONS

Part I   Definitions

7.1  In this Part of the IPRU(FSOC), unless the contrary intention appears, the following definitions apply –

**participating undertaking** means an undertaking which is either a parent undertaking or other undertaking which holds a participation in or is linked by a consolidation Article 12(1) relationship with the undertaking in question an undertaking which holds a participation in another undertaking;

**proxy capital resources requirement** means the solo capital resources requirement to which an undertaking would have been subject if it had a permission for each activity it carries on anywhere in the world, so far as that activity is a regulated activity;

**regulated related undertaking** means a related undertaking that is any of the following:

(a) a regulated entity;
(b) an insurance undertaking which is not a regulated insurance entity;
(c) an asset management company;
(d) a financial institution which is neither a credit institution nor an investment firm;
(e) a financial holding company; or
(f) an insurance holding company.

**related undertaking** means in relation to an undertaking 'U':

(a) any subsidiary undertaking of U;
(b) any undertaking in which U or any of U's subsidiary undertakings holds a participation;
(c) any undertaking linked to U by a consolidation Article 12(1) relationship; or
(d) any undertaking linked by a consolidation Article 12(1) relationship to an undertaking in (a), (b) or (c), an undertaking in which a participation is held by another undertaking or which is a subsidiary undertaking;

**relevant regulatory requirements** means:

(a) in the case of a related undertaking that is an insurance undertaking, established in a designated state or territory, at the option of the friendly society:
(i) the regulatory requirements of that state or territory applicable to
an undertaking carrying on *direct insurance business* (even if it only carries on *reinsurance* business or is an *insurance holding company*), or

(ii) the requirements referred to in (b);

(b) in the case of any other *insurance undertaking* or *insurance holding company*, the rules in *IPRU(INS)* applicable to an *insurer* (other than a *pure reinsurer*) with its head office in the United Kingdom (whether or not it is such an *insurer*)

surplus assets has the meaning given in paragraph 3(3) of Appendix 4 except that in relation to a related undertaking which is an insurance undertaking or an insurance holding company it has the meaning given in *IPRU (INS)*.
PART II – General Provisions

7.2 A word or phrase which is printed in italics is used in the defined sense. Where a word or phrase is printed in italics and is not given a meaning in Part 1 of Chapter 7, that word or phrase has the meaning given to it in the Handbook Glossary.

7.3 …
Appendix 4

ASSET VALUATION RULES

Shares in a related undertaking

3. (1) Where any shares are held by a friendly society in a related undertaking, which is an insurance undertaking or insurance holding company:

(a) the value of the shares must not exceed the value, determined in accordance with rule 4.2 of IPRU(INS) of the related undertaking’s surplus assets (as defined in IPRU(INS));

(b) the friendly society must make provision in respect of the related undertaking in accordance with rule 5.3A of IPRU(INS).

(2) Where any shares are held by a friendly society in a related undertaking which is not an insurance undertaking or insurance holding company, the value of the shares must not exceed the greater of:

(a) the value (or, where the shareholding, whether held directly or indirectly, is less than 100%, the relevant proportional share of the value), determined in accordance with this Appendix (other than 15(1)(a) to (c)), of the related undertaking’s surplus assets; and

(b) the value of those shares as determined under 9 reduced:

(i) by an appropriate amount, to the extent that the shares cannot effectively be made available or realised to meet losses (if any) arising in the friendly society;

(ii) by an appropriate amount, to the extent needed to exclude value attributable to goodwill generated from business with the friendly society or any related undertaking of the friendly society that is an insurance undertaking or an insurance holding company, and

(iii) by the amount by which the value of any shares held by the group undertaking in a related undertaking of the friendly society which is an insurance undertaking or an insurance holding company exceeds the value (or proportional share), determined in accordance with this Appendix (other than 15(1)(a) to (c)), of the surplus assets of the related undertaking.

(3) The surplus assets of a related undertaking (other than an insurance undertaking or an insurance holding company) are its total assets excluding:

(a) the assets that are selected to cover liabilities;
(b) assets that are interests directly or indirectly held in the related undertaking’s own capital;

(c) amounts due, or to become due, in respect of share capital, or other contributions from members of the related undertaking, subscribed or called for but not fully paid up; and

(d) assets that cannot effectively be made available or realised to meet losses (if any) arising in the friendly society, including assets that represent capital not owned, directly or indirectly, by the friendly society.

(4) The assets selected in (3)(a) to be excluded from the total assets:

(a) must be of a value at least equal to the amount of the liabilities of the related undertaking, determining that value and that amount in accordance with this Appendix (other than 15(1)(a) to (c)) and Appendix 5; and

(b) must not include:

(i) assets falling within (3)(b), or

(ii) assets falling within (3)(c) where the amount is due, or to become due, from a related undertaking;

(c) notwithstanding (a), a liability of the related undertaking which is a debt due to the friendly society is not required to be determined at an amount which is higher than the value placed on that debt as an asset of the friendly society.

3. (1) Where any shares are held by a friendly society in a related undertaking, which is a regulated related undertaking the value of the shares may be taken as, and in any event must not exceed, the value (or, where the shareholding, whether held directly or indirectly, is less than 100%, the relevant proportional share of the value), determined in accordance with this Appendix (other than paragraph 15(1)(a) to (c)), of the surplus assets of the regulated related undertaking.

(2) Where any shares are held by a friendly society in a related undertaking which is not a regulated related undertaking, the value of the shares must not exceed the greater of:

(a) the value (or, where the shareholding, whether held directly or indirectly, is less than 100%, the relevant proportional share of the value), determined in accordance with this Appendix (other than 15(1)(a) to (c)), of the related undertaking’s surplus assets; and

(b) the value of those shares as determined under paragraph 9 reduced:
(i) by an appropriate amount, to the extent that the shares cannot effectively be made available or realised to meet losses (if any) arising in the friendly society.

(ii) by an appropriate amount, to the extent needed to exclude value attributable to goodwill generated from business with the friendly society or any related undertaking of the friendly society that is a regulated related undertaking, and

(iii) by the amount by which the value of any shares held by the related undertaking in a related undertaking of the friendly society which is a regulated related undertaking exceeds the value (or proportional share), determined in accordance with this Appendix (other than 15(1)(a) to (c)), of the surplus assets of the related undertaking.

(3) The surplus assets of a related undertaking are its total assets excluding:

(a) the assets that are selected to cover liabilities and, in the case of a related undertaking which is a regulated related undertaking, to cover its regulatory requirement;

(b) the regulatory requirement of a regulated related undertaking is:

(i) in respect of an insurance undertaking, the notional required minimum margin;

(ii) in respect of a regulated entity with its head office in the EEA (excluding an insurance undertaking), the solo capital resources requirement calculated in accordance with the sectoral rules for the financial sector applicable to it;

(iii) in respect of a regulated entity not within (ii) (excluding an insurance undertaking), its proxy capital resources requirement;

(iv) in respect of an asset management company, the solo capital resources requirement that would apply to it if, in connection with its activities, it were treated as an investment firm for the purposes of calculating the solo capital resources requirement;

(v) in respect of a financial institution (including a financial holding company) which is not a regulated entity, the solo capital resources requirement that would apply to it if, in connection with its activities, it were treated as being within the banking sector; and

(vi) in respect of an insurance holding company, zero.
(c) assets that are interests directly or indirectly held in the related undertaking’s own capital (as defined in the relevant regulatory requirements for that undertaking);

(d) where the related undertaking carries on long-term insurance business, profit reserves and future profits;

(e) assets which represent either a long-term insurance fund or a fund the allocation of which as between policy holders and other purposes has yet to be determined;

(f) amounts due, or to become due, in respect of share capital, or other contributions from members of the related undertaking, subscribed or called for but not fully paid up; and

(g) assets that cannot effectively be made available or realised to meet losses (if any) arising in the friendly society, including assets that represent capital not owned, directly or indirectly, by the friendly society.

(4) The assets selected in (3)(a) to be excluded from the total assets:

(a) where the related undertaking is an insurance undertaking, must be identified and valued in accordance with relevant regulatory requirements as to the value, admissibility, nature, location or matching that apply to the assets available to cover its liabilities (determined under the relevant regulatory requirements) and the notional required minimum margin;

(b) where the group undertaking is a regulated related undertaking (excluding an insurance undertaking), must be identified and valued in accordance with the relevant sectoral rules applicable to the regulated related undertaking as to cover its liabilities and the applicable regulatory requirement identified in paragraph 3(3)(b);

(c) where the group undertaking is not a regulated related undertaking, must be of a value at least equal to the amount of its liabilities, determining that value and that amount in accordance with this Appendix (other than 15(1)(a) to (c)) and Appendix 5; and

(d) in all cases, must not include:

(i) assets falling within (3)(c), or

(ii) assets falling within (3)(f) where the amount is due, or to become due, from a related undertaking; but

(e) notwithstanding (a), (b) and (c), a liability of a related undertaking which is a debt due to the friendly society is not required to be
determined at an amount which is higher than the value placed on that debt as an asset of the friendly society.

(5) For the purposes of (4), the relevant regulatory requirements must be treated as if paragraphs 15(1)(a) to (c) (or their equivalent in a designated State or territory) do not apply for the purpose of valuing shares in related undertakings that are not dependants.

(6) For the purposes of this Appendix, any value attributed to any shares held directly or indirectly in a related undertaking which is an ancillary insurance service undertaking, an ancillary investment services undertaking or an ancillary banking services undertaking, calculated in accordance with paragraph 3, must be deducted from the assets of the friendly society.

Value of non capital interests in a group undertaking

4A (1) A friendly society must notify the FSA of:

(a) any related undertaking which:

   (i) no participation is held in by another related undertaking; and

   (ii) is not a subsidiary undertaking; but

   (iii) is linked by a consolidation Article 12(1) relationship with another related undertaking; and

(b) the value of that undertaking calculated on the basis of paragraph 3.

(2) For the purposes of this Appendix, the related undertaking referred to in (1)(a)(iii)'s proportional share of the value of the related undertaking in (1)(a) is determined in accordance with Article 28(5) of the Financial Groups Directive.
Appendix 5

LIABILITY VALUATION RULES

Provision for related undertakings

3A (1) Except to the extent that provision for the deficit has been made (whether in the calculation of surplus assets or otherwise) in another related undertaking the value of whose shares is taken to be the value of its surplus assets under paragraph 3(1) or (2) of Appendix 4 (but only to the extent of the friendly society's proportional share of that undertaking), a friendly society must make provision in respect of a related undertaking that is a regulated related undertaking:

(a) where the related undertaking is also a subsidiary undertaking of the friendly society, for the whole of any solvency deficit; and

(b) in any other case, for the friendly society's proportional share of any such deficit.

(2) For the purposes of (1), the identification and valuation of assets of regulated related undertaking available to cover liabilities and the regulatory requirement, set out in paragraph 3(3)(b) of Appendix 4 must be determined in accordance with paragraph 3(4) of Appendix 4.
Annex E

Amendments to Interim Prudential Sourcebook for Insurers (IPRU(INS))

In this Annex, underlining indicates new text and striking through indicates deleted text:

IPRU(INS) - VOLUME 1

Chapter 4

VALUATION OF ASSETS

______________________________

Shares in a group undertaking

4.2 (1) Notwithstanding rule 4.8, the value of any shares held in a group undertaking which is an insurance undertaking or an insurance holding company a regulated related undertaking may be taken as, and, in any event, must not exceed, the value (or, where the shareholding, whether held directly or indirectly, is less than 100%, the relevant proportional share of the value), determined in accordance with the Valuation of Assets Rules (other than rule 4.14(1)(a) to (c)), of the surplus assets of the regulated related undertaking.

(1A) The value of any shares held in a group undertaking which is not an insurance undertaking or an insurance holding company a regulated related undertaking must not exceed the greater of:

(a) …

(b) …

(i) …

(ii) …. 

(iii) by the amount by which the value of any shares held by the group undertaking in a related undertaking of the insurer which is a regulated related undertaking insurance undertaking or an insurance holding company exceeds the value (or proportional share), determined in accordance with the Valuation of Assets Rules (other than rule 4.14(1)(a) to (c)), of the surplus assets of the related undertaking.

(2) The surplus assets of a group undertaking are its total assets excluding:

(a) the assets that are selected to cover liabilities and, in the case of a group undertaking which is an insurance undertaking, to cover the notional required minimum margin a regulated related undertaking, to cover its regulatory requirement;
(aa) the regulatory requirement of a regulated related undertaking is:

(i) in respect of an insurance undertaking, the notional required minimum margin;

(ii) in respect of a regulated entity with its head office in the EEA (excluding an insurance undertaking), the solo capital resources requirement calculated in accordance with the sectoral rules for the financial sector applicable to the regulated related undertaking;

(iii) in respect of a regulated entity not within (ii) (excluding an insurance undertaking), its proxy capital resources requirement;

(iv) in respect of an asset management company, the solo capital resources requirement that would apply to it if, in connection with its activities, it were treated as an investment firm for the purposes of calculating the solo capital resources requirement;

(v) in respect of a financial institution (including a financial holding company) which is not a regulated entity, the solo capital resources requirement that would apply to it if, in connection with its activities, it were treated as being within the banking sector; and

(vi) in respect of an insurance holding company, zero.

(c) ....
(d) ....
(e) ....
(f) ....

(3) The assets selected in (2)(a) to be excluded from the total assets:

(a) ...

(b) where the group undertaking is a regulated related undertaking (excluding an insurance undertaking), must be identified and valued in accordance with the relevant sectoral rules applicable to the regulated related undertaking as to cover its liabilities and the applicable regulatory requirement identified in rule 4.2(2)(aa);

(c) where the group undertaking is not an insurance undertaking a regulated related undertaking, must be of a value at least equal to the amount of its liabilities, determining that value and that amount in accordance with the Valuation of Assets Rules (other than 4.14(1)(a) to (c)) and the Determination of Liabilities Rules; and

(d) in all both cases, must not include:
(i) assets falling within (2)(b), or

(ii) assets falling within (2)(e) where the amount is due, or to become due, from a group undertaking; but

(de) notwithstanding (a), (b) and (c), a liability of a group undertaking which is a debt due to the insurer is not required to be determined at an amount which is higher than the value placed on that debt as an asset of the insurer.

(5) For the purposes of the Valuation of Assets Rules, any value attributed to any shares held directly or indirectly in a group undertaking which is an ancillary insurance services undertaking, an ancillary investment services undertaking or an ancillary banking services undertaking, calculated in accordance with rule 4.2, shall be deducted from the assets of the insurer.

Value of non capital interests in a group undertaking

4.3A (1) An insurer must notify the FSA of:

(a) any group undertaking which:

   (i) no participation is held in by another group undertaking; and

   (ii) is not a subsidiary undertaking; but

   (iii) is linked by a consolidation Article 12(1) relationship with another group undertaking; and

(b) the value of that undertaking calculated on the basis of rule 4.2.

(2) For the purposes of Valuation of Assets Rules, the group undertaking referred to in (1)(a)(iii)'s proportional share of the value of the group undertaking in (1)(a) shall be determined in accordance with Article 28(5) of the Financial Groups Directive.
5.3A  (1) Except to the extent that provision for the deficit has been made (whether in the calculation of surplus assets or otherwise) in another group undertaking the value of whose shares is taken to be the value of its surplus assets under rule 4.2(1) or (1A)(a) (but only to the extent of the insurer's proportional share of that undertaking), an insurer must make provision in respect of a related undertaking that is an insurance undertaking or insurance holding company— a regulated related undertaking:

(a) where the related undertaking is also a subsidiary undertaking of the insurer, for the whole of any solvency deficit; and

(b) in any other case, for the insurer's proportional share of any such deficit.

(2) For the purposes of (1), the identification and valuation of assets of a regulated related undertaking available to cover liabilities and the regulatory requirement, set out in rule 4.2(2)(aa), national required minimum margin must be determined in accordance with rule 4.2(3).

PART 2

GENERAL PROVISIONS

Use of definitions

11.5 A word or phrase which is printed in italics is used in the defined sense. Where a word or phrase is printed in italics and is not given a meaning in Part 1 of Chapter 11, that word or phrase has the meaning given to it in the Handbook Glossary.
SHARES IN AND DEBTS DUE TO A GROUP UNDERTAKING

Shares in a group undertaking (rule 4.2)

2. Shares in a group undertaking may be valued either as arms-length investments under rule 4.8 (see paras 4.63 to 4.76 of Guidance Note 4.1) or under rules 4.2 (1) to (4). Shares in group undertakings that are insurance undertakings or insurance holding companies (see paragraph 4 of Guidance Note 10.1 for guidance on insurance holding companies) may not be given a higher value than the surplus assets in those undertakings calculated according to rules 4.2(2) to (4), but otherwise the insurer has the option whether or not to use rule 4.8. If rule 4.8 is used, then admissibility limits apply and from 1 May 2003 there must be a deduction for intra-group goodwill under rule 4.2(1A)(b)(ii) (see 5). When valuing shares in a group undertaking, rules 4.2 (2) to (4) require net asset value to be used with certain adjustments.

1 For the purposes of implementing the Financial Groups Directive and the amendments to the Insurance Groups Directive, with effect from 1 January 2005, shares held by an insurer in a group undertaking that is a regulated related undertaking (including insurance undertakings and insurance holding companies) are to be valued in accordance with the amended rules 4.2(1) to (5) and the insurer will not have the option to use rule 4.8 in respect of a regulated related undertaking. For the purposes of Annex C of this Guidance Note 4.1, references to group undertakings that are either insurance undertakings or insurance holding companies, or both should be read as references to group undertakings that are regulated related undertakings. Please note that the examples on pages 76J, K & L have not been amended to take account of this change (although they remain correct for a firm which does not have any regulated related undertakings which are not insurance undertakings).
GUIDANCE NOTE 10.1

THE PARENT UNDERTAKING SOLVENCY CALCULATION

Introduction

1. This guidance relates to the parent undertaking solvency calculation required by the Insurance Groups Directive and implemented in Chapter 10 of IPRU(INS). The calculation is formulated on a basis analogous to the basis on which shares in group undertakings are valued for the required solvency margin (see Annex C paragraphs 4.7 to 4.12 of Guidance Note 4.1)1, but in contrast the parent undertaking solvency calculation is applied to an insurer's ultimate insurance parent undertaking and its ultimate EEA insurance parent undertaking, if different. Valuation of shares in group undertakings at the solo level focus "downwards" on the insurer's holdings in group undertakings, whereas the parent undertaking solvency calculation focuses "upwards" towards the ultimate parent of the insurance group of which it is a member.

Application and scope

3. The information and calculations to be provided under Chapter 10 are in respect of the insurer and each member of its insurance group. The insurance group consists of the insurer's ultimate insurance parent undertaking and its related undertakings— which are insurance undertakings or insurance holding companies.

---

1 Annex C of Guidance Note 4.1 has been amended with effect from 1 January 2005 for the purposes of implementing the Financial Groups Directives and amendments to the Insurance Groups Directive to include regulated related undertakings within the scope of rule 4.2(1).
Annex F

Amendments to the Interim Prudential sourcebook for investment business

In Chapter 13, after the heading "Consolidated Supervision of Group Companies" insert the following text as a footnote:

Under the Financial Conglomerates and Other Financial Groups Instrument 2004, the rules in Chapter 14 shall (with respect to a particular firm, group or financial conglomerate) apply from the first day of its financial year beginning in 2005 in place of rules 13.7.1 to 13.7.2B.
After IPRU, Chapter 13, insert the following new Chapter 14:

CHAPTER 14: CONSOLIDATED SUPERVISION FOR INVESTMENT BUSINESSES

14.1 Application

14.1.1 R Subject to rule 14.1.2, consolidated supervision and this chapter apply to a firm which is a member of a group if it is:

(1) a securities and futures firm, subject to the financial rules in Chapter 3, which is a broad scope firm but not a venture capital firm;

(2) an investment management firm, which is a CAD investment firm subject to the financial rules in Chapter 5;

(3) a UCITS investment firm, subject to the financial rules in chapter 7;

(4) a securities and futures firm, subject to the financial rules in Chapter 10, unless the firm is a category D firm; or

(5) a category A personal investment firm, subject to the financial rules in Chapter 13.

Cases where consolidated supervision under this chapter will not apply

14.1.2 R A firm is not subject to consolidated supervision under the rules in this Chapter where any of the following conditions are fulfilled:

(1) the firm is included in the supervision on a consolidated basis of the group of which it is a member by a competent authority other than the FSA; or

(2) the firm is already included in the supervision on a consolidated basis of the group of which it is a member by the FSA under IPRU(BANK) or IPRU(BSOC).

14.1.3 G (1) The rules in this chapter apply even if the firm is subject to the rules in PRU 8.4 (the financial conglomerates rules) or PRU 8.3 (the insurance group rules), if the firm is part of an investment sub-group. Financial conglomerates are subject to the Financial Groups Directive (2002/87/EC). Insurance groups are subject to the Insurance Groups Directive (98/78/EC). Neither directive allows a waiver of consolidation of a Capital Adequacy Directive group. So if there is an investment sub-group within an insurance group, the rules in this chapter apply, regardless of the application of a group capital assessment to the wider group.
(2) Where firms authorised in two or more member states have as their parent the same financial holding company, supervision on a consolidated basis will be exercised by the competent authority of the firms authorised in the member state in which the financial holding company was set up. If no firm has been authorised in the Member State in which the financial holding company was set up, the competent authorities of the Member States concerned will seek to reach agreement as to who amongst them will exercise supervision on a consolidated basis. In the absence of such an agreement, supervision on a consolidated basis will be exercised by the competent authority that granted authorisation to the firms with the greatest balance-sheet total (measured on the basis of total assets). If that figure is the same for more than two authorised firms, supervision on a consolidated basis will be exercised by the competent authority which first gave the authorisation.

(3) Where there is more than one authorised firm in the group, subject to the rules of this chapter, one consolidated supervision return may be submitted on behalf of all the firms in the group in accordance with SUP 16.3.25G.

Exemption from consolidated supervision

14.1.4 R A firm need not meet the requirements in rules 14.3.1 and 14.3.2 if:

(1) there is no credit institution in the group;
(2) no firm in the group deals in investments as principal, except where it is an operator of a collective investment scheme dealing solely as a result of its activity of operating a collective investment scheme, or where the firm's positions fulfil the CAD Article 3 exempting criteria;
(3) each member of the group which is a CAD investment firm:
   (a) deducts any material holdings in credit and financial institutions from its financial resources;
   (b) complies with its solo applicable financial resources requirement and the large exposures requirements; and
   (c) has systems and controls to monitor and control the sources of capital and funding of all other financial institutions within the group;
(4) the firm notifies the FSA of any serious risk that could undermine the financial stability of the group as soon as it becomes aware of that risk;
(5) the firm reports to the FSA all group large exposures as at the end of each quarter, and within the period specified in SUP 16;
(6) the firm meets the conditions in rule 14.1.5; and
(7) the firm has first notified the FSA in writing that it intends to rely on this rule.

14.1.5 R If the firm notifies the FSA under rule 14.1.4 that it will not apply the rules in this section, it must:

(1) submit to FSA a consolidated supervision return within the time period specified by SUP 16, together with a consolidated profit and loss account;

(2) ensure that each firm in the group deducts from its solo financial resources any quantifiable contingent liability in respect of other group entities;

(3) ensure that the solo financial resources requirement of each firm in the group incorporates the full value of the expenditures of the firm wherever they are incurred on behalf of the firm; and

(4) make a note in its audited financial statements that it is not subject to regulatory consolidated capital requirements.

14.1.6 G (1) The Capital Adequacy Directive (articles 7(4) to 7(6)) provides that a competent authority such as the FSA may waive consolidated supervision provided certain conditions are met. The conditions in rule 14.1.4 are mainly derived from the Capital Adequacy Directive.

(2) The conditions in rule 14.1.5 aim to ensure that the firm is protected from weaknesses in other group entities.

(3) In rule 14.1.5(2), contingent liabilities includes direct and indirect guarantees.

(4) 14.1.5(3) aims to ensure that the expenditure-based requirement incorporates the firm's actual ongoing annual expenditures (including any share of depreciation on fixed assets) where these have been met by another group entity.

(5) The FSA may require further information from the firm if it considers that the firm's consolidated financial position raises undue risks to consumers. It may also seek reassurance that the firm has sufficiently robust client money and asset controls - for example, it may require a skilled person's report. The FSA may also use its own initiative power to impose conditions on the firm. This could include raising additional capital or further limitations on the firm's intra-group exposures.
(6) Rule 14.1.4(5) refers to *large exposures*, which should be measured against group consolidated own funds or (if this would result in all *exposures* being classified as *large exposures*) by aggregating all the *exposures* of the individual entities in the group and measuring them against the own funds of the individual *firm* giving rise to the consolidated supervision requirement. If there is more than one *firm* in the group giving rise to the consolidated supervision requirement, the group *large exposures* should be measured against the *firm* with the smallest own funds.

14.2 Scope of consolidation
14.2.1 R For the purposes of the rules in this chapter, a *firm's* group means the *firm* and:

(1) any *EEA parent* in the group which is a *financial holding company*, a *credit institution*, or an *investment firm*;

(2) any *credit institution*, *investment firm* or *financial institution* which is a *subsidiary* either of the *firm* or of the *firm's EEA parent* as defined in (1); and

(3) any *credit institution*, *investment firm* or *financial institution* in which the *firm* or one of the entities in (1) or (2) holds a *participation*.

14.2.2 R If a group exists under rule 14.2.1, the *firm* must also include in the scope of consolidation any *ancillary services undertaking* and *asset management company* in the group.

14.2.3 G Rule 14.1.1 states what type of *firm* may be subject to consolidated supervision (trigger firm). Rule 14.2.1 states what type of relationship triggers the existence of a group for consolidated supervision purposes. Rules 14.2.1 and 14.2.2 specify what entities should be included in the scope of consolidated supervision.

14.2.4(1) G A *firm's parent* is a *financial holding company* if it carries out mainly *listed activities* or activities undertaken by a Chapter 3 *broad scope firm* or if its main business is to acquire holdings in companies undertaking these activities. For this purpose the *FSA* interprets the phrases 'mainly' or 'main business' to mean where the balance of business is over 40% of the relevant group or sub-group's balance sheet (measured on the basis of total assets) or profit and loss statement (measured on the basis of gross income). In addition, if the *firm's parent* has significant holdings in *insurance undertakings* or *reinsurance undertakings*, it is a *mixed financial holding company*, and the *firm* is subject to the rules in PRU 8.4 instead of the rules in this chapter. This is because a parent cannot be a financial *holding company* and a mixed financial holding company at the same time. PRU 8.4 sets out what constitutes significant insurance holdings (broadly more than 10% of the financial sector activities of the group).

14.2.4(2) G A *firm* with an ultimate non-EEA parent may also be subject to the provisions in PRU 8.5.
14.2.4 G In the case where undertakings are linked to the domain of consolidation by a relationship within the meaning of article 12(1) of Directive (83/349/EEC), the FSA will determine how consolidation is to be carried out.

Exclusions

14.2.5 R A firm may, having first notified the FSA in writing, exclude from its group the following:

(1) any entity the total assets of which are less than the smaller of the following two amounts:

   (a) 10 million euros; or
   (b) 1% of the total assets of the group’s parent or the undertaking that holds the participation;

provided that the total assets of such entities do not collectively breach these limits.

(2) any entity the inclusion of which within the group would be misleading or inappropriate for the purposes of consolidated supervision.

14.2.6 G (1) The FSA may require a firm to provide information about the position in the group of any undertaking excluded from the consolidation under rule 14.2.5.

(2) An exclusion under rule 14.2.5(2) would normally be appropriate when an entity would be excluded from the scope of consolidation under the relevant UK generally accepted accounting principles.

14.3 Consolidated supervision requirement

14.3.1 R A firm must at all times ensure that its group maintains group financial resources in excess of its group financial resources requirement.

14.3.2 R A firm, other than one which is defined in rule 14.1.1(1), must at all times comply with large exposures limits applied on a group basis.

14.4 Group financial resources

14.4.1 R A firm must calculate its group financial resources on the basis of the consolidated accounts of the relevant group, subject to the adjustments in rule 14.4.2 and on the basis specified in rule 14.4.3.
14.4.2 R (1) If more than one *firm* in the group is subject to the rules of this chapter, *group financial resources* are defined according to the relevant rules applicable to the main *firm* in the group, with Tier 1 minority interests being allowed as Group Tier 1 capital and Tier 2 minority interests being allowed as Group Tier 2 capital.

(2) In calculating the *group financial resources*, deductions should be made for intangible assets, material unaudited losses incurred since the balance sheet date and investments in own shares.

(3) *Material holdings* and *material insurance holdings* must be recalculated on a group basis and deducted in arriving at the *group financial resources*.

14.4.3 R Financial resources will be defined based upon the main *firm* in the group as follows:

(1) if a *broad scope securities and futures firm* (excluding a *venture capital firm*), Table 3-61R;

(2) if an *investment management firm*, Table 5.2.2(1)R but excluding any illiquid assets or qualifying property adjustments required by that Table;

(3) if a *UCITS investment firm*, Table 7.3.1R but excluding any illiquid assets or qualifying property adjustments required by that Table;

(4) if an *ISD securities and futures firm*, Table 10-62(2)AR, but excluding any adjustment in (E) of that Table;

(5) if a *personal investment firm*, Table 13.3.2(1)R.

14.4.4 G (1) The *FSA* interprets ‘main’ by reference to the share of the *firm’s* business in the group, its contribution to the group’s balance sheet (measured on the basis of total assets) or profit and loss statement (measured on the basis of gross income).

(2) The form in *SUP 16 Ann 19 R*, together with the guidance in *SUP 16 Ann 20G*, shows the mechanics of the calculation.

14.4.5G A *firm* may apply for a *waiver of rule* 14.4.1 to permit an aggregation approach to determine *group financial resources*. Any *waiver* application should guarantee future compliance with any relevant own funds limit.

14.5 Group financial resources requirement

14.5.1 R A *firm* must calculate its *group financial resources requirement* as the aggregate of:
(1) the sum of the financial resources requirements of all group entities within the scope of consolidation calculated in accordance with rule 14.5.2, except that:

(a) requirements in respect of intra-group balances with other entities within the scope of consolidation should be excluded;

(b) large exposures requirements of individual group entities should be excluded;

(2) the sum of any adjustments that are made to each firm's financial resources, calculated on a solo basis in accordance with rule 14.4.3, in order to arrive at the amount of financial resources used to meet its solo financial resources requirement. These adjustments must exclude deductions in respect of the investment in and other relationships with other entities that are included within the scope of consolidation; and:

(3) if the main firm in the group is a securities and futures firm under rule 14.1.1(4), a group large exposures requirement.

The financial resources requirements of entities in which the group holds a participation must be included proportionately.

**14.5.2 R** Financial resources requirements for individual entities in the group are:

(1) for firms regulated by the FSA, their regulatory capital requirement under FSA rules;

(2) for entities regulated by an EEA regulator or one of the regulators listed in IPRU(INV) 10-App 59 or IPRU(BANK) CS Appendix D, their local regulatory capital requirement; and

(3) for other entities in the group, a notional financial resources requirement calculated as if the entity were regulated by the FSA.

**14.5.3 G** (1) For the purposes of rule 14.5.2(3) the notional financial resources requirements of group entities should normally be calculated as if the entities were subject to the financial rules in IPRU(INV) relevant to the main firm in the group. The interpretation of ‘main’ given in 14.4.4 G applies here.

(2) For the purposes of calculating an expenditure-based requirement, no account should be taken of expenses that have been recharged to another entity included in the scope of consolidation. For example, in calculating the notional requirement for a service company, the expenditure-based requirement should be calculated net of recharged expenses. This is to avoid double counting of the expenses.
(3) In 14.5.1(2), the adjustments referred to, are for investment management firms, the illiquid assets and qualifying property adjustments, and for securities and futures firms, the adjustments referred to in item (E) of Table 10-62(2)A. For personal investment firms, the adjustment required by 14.5.1(1) and (2) combined is the higher of:
(a) the own funds requirement in 13.3.1R or 13.10.1R and;
(b) the sum of the relevant expenditure-based requirement and illiquid assets, position risk, and counterparty risk adjustments required by Chapter 13 of IPRU(INV).

14.5.4G A firm may apply for a waiver of rule 14.5.1R, to permit a line-by-line approach to determine its group financial resources requirement. Any waiver application should demonstrate (where relevant) that the constraints for intra-group offsets under the Capital Adequacy Directive (article 7) are met. A firm should also demonstrate that calculating its requirement in this way does not result in a distortion of the group financial resources requirement.

APPENDIX 14(1) (INTERPRETATION)

Glossary of defined terms for Chapter 14

Note: If a defined term does not appear in the glossary below, the definition appearing in the Glossary annexed to the General Provisions Instrument 2001 applies.

ancillary services undertaking: an undertaking the principal activity of which consists of owning or managing property, managing data-processing services, or any other similar activity which is ancillary to the principal activity of one or more of the firms subject to this chapter.

asset management company: in accordance with Article 2(5) of the Financial Groups Directive (Definitions) a management company within the meaning of Article 1a(2) of the UCITS Directive, as well as an undertaking the registered office of which is outside the EEA and which would require authorisation in accordance with Article 5(1) of the UCITS Directive if it had its registered office within the EEA.

broad scope firm: as in the Glossary in IPRU(INV) chapter 3.

CAD Article 3 exempting criteria: the following criteria in respect of the firm's dealing positions:
- such positions arise only as a result of the firm's failure to match investors orders precisely;
- the total market value of all such positions is subject to a ceiling of 15% of the firm's initial capital; and
- such positions are incidental and provisional in nature and strictly limited to the time required to carry out the transaction in question.

CAD investment firm: a firm subject to the requirements of the Capital Adequacy Directive (CAD) (93/6/EEC) excluding a person to whom the CAD does not apply under Article 2.2 of that Directive.
Category A personal investment firm as in the Glossary in IPRU(INV) chapter 13.

Category D firm as in the Glossary in IPRU(INV) chapter 10.

contingent liability the meaning in FRS 12 which states that it is:
(a) a possible obligation that arises from past events and whose existence will be confirmed only by the occurrence of one or more uncertain future events not wholly within the entity's control or
(b) a present obligation that arises from past events but is not recognised because:
   (i) it is not probable that a transfer of economic benefits will be required to settle the obligation; or
   (ii) the amount of the obligation cannot be measured with sufficient reliability.

consolidated supervision the application of the financial rules in the Interim Prudential sourcebook for investment businesses in accordance with rules and guidance in 14.1.1 to 14.5.4.

EEA parent a firm's direct or indirect parent which has its head office in the EEA.

financial holding company a financial institution the subsidiary undertakings of which are either exclusively or mainly credit institutions, investment firms and financial institutions, one of which at least is a credit institution or an investment firm and which is not a mixed financial holding company within the meaning of PRU 8.4.

financial institution an undertaking other than a credit institution, the principal activity of which is to acquire holdings or to carry on a listed activity.

group of connected third parties as in the Glossary in IPRU(INV) chapter 10.

group financial resources the resources of a firm's group calculated in accordance with rules 14.4 (Group financial resources).

group financial resources requirement the requirement that a firm's group maintains financial resources calculated in accordance with the rules in 14.5 (Group financial resources requirement).

investment firm investment firm as in the main Glossary except that it excludes persons to which the ISD does not apply as a result of article 2.2 of the ISD.

large exposure (a) in relation to non-trading book exposures, an exposure or number of exposures to a third party or group of connected third parties which exceed 10% of group consolidated own funds; and

(b) in relation to the aggregate of non-trading book and trading book exposures, an exposure or number of exposures to a third
party or group of connected third parties which exceed 10% of group financial resources;

large exposures requirement

as set out in Rule 10-194 of IPRU(INV).

listed activity

a listed activity within the meaning of the BCD, that is one or more of the following activities:
(a) lending;
(b) financial leasing;
(c) money transmission services;
(d) issuing and administering means of payment;
(e) guarantees and commitments;
(f) trading for own account or for the account of customers in:
   (i) money market instruments (cheques, bills, certificates of deposit, etc);
   (ii) foreign exchange;
   (iii) financial futures and options;
   (iv) exchange and interest rate instruments;
   (v) transferable securities;
(g) participation in share issues and the provision of services related to such issues;
(h) corporate finance advice;
(i) money broking;
(j) portfolio management and advice; or
(k) safekeeping and administration of securities.

material holding

a holding of -
(a) ordinary share capital and non cumulative preference share capital; or
(b) subordinated loan and non fixed-term cumulative preference share capital, in a credit institution or a financial institution where - (i) (a) or (b) above exceeds 10% of the share capital plus share premium of the issuer; or
(ii) the aggregate of (a) and (b) above exceeds 10% of the firm's own funds, before deducting the holding.

material insurance holding

the higher of –
(1) the book value of an investment held in an insurance undertaking, reinsurance undertaking, or insurance holding company (investment for this purpose is either a participation or the investment in a subsidiary undertaking); or
(2) the group's proportionate share of that undertaking's local or notional regulatory capital requirement."

non-trading book parent

as in the Glossary in IPRU(INV) chapter10.
any parent undertaking as defined in section 258 of the Companies Act 1985 or paragraph 14 of Financial Reporting Standard No 2 and any undertaking which effectively exercises a dominant influence over
another undertaking.

**participation** a participation within the meaning of Article 17 of Directive 78/660/EEC or the ownership either direct or indirect of 20% or more of the voting rights or capital of another undertaking which is not a subsidiary.

**securities and futures firm** as in the Glossaries in IPRU(INV) chapter 3 and IPRU(INV) chapter 10.

**subsidiary** as in section 736 of the Companies Act 1985.

**trading book** as in the Glossary in IPRU(INV) chapter 10.

**UCITS investment firm** a firm which:

1. is the operator of a UCITS scheme including where in addition the firm is the operator of a collective investment scheme which is not a UCITS scheme; and
2. has permission to manage investments where the investments managed include one or more of the instruments listed in Section B of the Annex to the ISD.

**venture capital firm** as in the Glossary in IPRU(INV) chapter 3.
## Annex G

Amendments to the Integrated Prudential sourcebook (PRU)

In this Annex, all the text is new and is not underlined.

Insert new Section 1.8 as follows:

1.8 Actions for damages

1.8.1 R A contravention of the rules in PRU does not give rise to a right of action by a private person under section 150 of the Act (and each of those rules is specified under section 150(2) of the Act as a provision giving rise to no such right of action).

Sections 2 to 7 – to follow.

Insert new Section 8.1 as follows:

8.1 Group risk systems and controls requirement

Application

8.1.1 R Subject to PRU 8.1.3R to PRU 8.1.5R, PRU 8.1 applies to each of the following which is a member of a group:

1. a firm that falls into any of the following categories:
   (a) a regulated entity;
   (b) a bank, ELMI or building society;
   (c) an insurer;
   (d) an own account dealer;
   (e) a matched principal broker;
   (f) a UCITS investment firm; and
   (g) a broker/manager or an arranger that satisfies the following conditions:
      (i) it is an ISD investment firm; and
      (ii) it is not an exempt CAD firm;

2. a UCITS firm, but only if its group contains a firm falling into (1); and

3. the Society.

8.1.2 R Except as set out in PRU 8.1.5R, PRU 8.1 applies with respect to different types of group as follows:
(1) PRU 8.1.9R and PRU 8.1.11R apply with respect to all groups, including FSA regulated EEA financial conglomerates, other financial conglomerates and groups dealt with in PRU 8.1.14R and PRU 8.1.15R;

(2) the additional requirements set out in PRU 8.1.12R and PRU 8.1.13R only apply with respect to FSA regulated EEA financial conglomerates; and

(3) the additional requirements set out in PRU 8.1.14R and PRU 8.1.15R only apply with respect to groups of the kind dealt with by whichever of those rules apply.

8.1.3 R PRU 8.1 does not apply to:

(1) an incoming EEA firm; or

(2) an incoming Treaty firm; or

(3) a UCITS qualifier; or

(4) an ICVC.

8.1.4 R A venture capital firm that would otherwise be included in PRU 8.1.1R(1)(d) to PRU 8.1.1R(1)(g) is excluded from those rules if it is not an ISD investment firm.

8.1.5 R (1) This rule applies to:

(a) PRU 8.1.9R(2);

(b) PRU 8.1.11R(1), so far as it relates to PRU 8.1.9R(2);

(c) PRU 8.1.11R(2); and

(d) PRU 8.1.12R to PRU 8.1.14R.

(2) The rules referred to in (1):

(a) only apply with respect to a financial conglomerate if it is an FSA regulated EEA financial conglomerate;

(b) (so far as they apply with respect to a group that is not a financial conglomerate) do not apply with respect to a group for which a competent authority in another EEA state is lead regulator;

(c) (so far as they apply with respect to a financial conglomerate) do not apply to a firm with respect to a financial conglomerate of which it is a member if the interest of the financial conglomerate in that firm is no more than a participation;
(d) (so far as they apply with respect to other groups) do not apply to a firm with respect to a group of which it is a member if the only relationship of the kind set out in paragraph (3) of the definition of group between it and the other members of the group is nothing more than a participation; and

(e) do not apply with respect to a third-country group.

8.1.6 G For the purposes of PRU 8.1, a group is defined in the Glossary, and includes the whole of a firm’s group, including financial and non-financial undertakings. It also covers undertakings with other links to group members if their omission from the scope of group risk systems and controls would be misleading. The scope of the group systems and controls requirements may therefore differ from the scope of the quantitative requirements for groups.

Purpose

8.1.7 G The purpose of this chapter is to set out how systems and controls requirements apply where a firm is part of a group. SYSC 3.1 (Systems and controls) requires a firm to take reasonable care to establish and maintain such systems and controls as are appropriate to the nature, scale and complexity of its business. If a firm is a member of a group, it should be able to assess the potential impact of risks arising from other parts of its group as well as from its own activities.

8.1.8 G PRU 8.1 implements Articles 52(6) (Supervision on a consolidated basis of credit institutions) and 55a (Intra-group transactions with mixed activity holding companies) of the Banking Consolidation Directive, Article 9 of the Financial Groups Directive (Internal control mechanisms and risk management processes) and Article 8 of the Insurance Groups Directive (Intra-group transactions).

General rules

8.1.9 R A firm must:

(1) have adequate, sound and appropriate risk management processes and internal control mechanisms for the purpose of assessing and managing its own exposure to group risk, including sound administrative and accounting procedures; and

(2) ensure that its group has adequate, sound and appropriate risk management processes and internal control mechanisms at the level of the group, including sound administrative and accounting procedures.

8.1.10 G For the purposes of PRU 8.1.9R, the question of whether the risk management processes and internal control mechanisms are adequate, sound and appropriate should be judged in the light of the nature, scale and complexity of the group’s business.

8.1.11 R The internal control mechanisms referred to in PRU 8.1.9R must include:
(1) mechanisms that are adequate for the purpose of producing any data and information which would be relevant for the purpose of monitoring compliance with any prudential requirements (including any reporting requirements and any requirements relating to capital adequacy, solvency and large exposures):

(a) to which the firm is subject with respect to its membership of a group; or

(b) that apply to or with respect to that group or part of it; and

(2) mechanisms that are adequate to monitor funding within the group.

Financial conglomerates

8.1.12 R Where PRU 8.1 applies with respect to a financial conglomerate, the risk management processes referred to in PRU 8.1.9R(2) must include:

(1) sound governance and management processes, which must include the approval and periodic review by the appropriate managing bodies within the financial conglomerate of the strategies and policies of the financial conglomerate in respect of all the risks assumed by the financial conglomerate, such review and approval being carried out at the level of the financial conglomerate;

(2) adequate capital adequacy policies at the level of the financial conglomerate, one of the purposes of which must be to anticipate the impact of the business strategy of the financial conglomerate on its risk profile and on the capital adequacy requirements to which it and its members are subject;

(3) adequate procedures for the purpose of ensuring that the risk monitoring systems of the financial conglomerate and its members are well integrated into their organisation; and

(4) adequate procedures for the purpose of ensuring that the systems and controls of the members of the financial conglomerate are consistent and that the risks can be measured, monitored and controlled at the level of the financial conglomerate.

8.1.13 R Where PRU 8.1 applies with respect to a financial conglomerate, the internal control mechanisms referred to in PRU 8.1.9R(2) must include:

(1) mechanisms that are adequate to identify and measure all material risks incurred by members of the financial conglomerate and appropriately relate capital in the financial conglomerate to risks; and

(2) sound reporting and accounting procedures for the purpose of identifying, measuring, monitoring and controlling intra-group transactions and risk concentrations.
Credit institutions and investment firms

8.1.14 R In the case of a firm that:

(1) is a credit institution or investment firm; and

(2) has a mixed-activity holding company as a parent undertaking;

the risk management processes and internal control mechanisms referred to in PRU 8.1.9R must include sound reporting and accounting procedures and other mechanisms that are adequate to identify, measure, monitor and control transactions between the firm's parent undertaking mixed-activity holding company and any of the mixed-activity holding company’s subsidiary undertakings.

Insurance undertakings

8.1.15 R In the case of an insurer that has a mixed-activity insurance holding company as a parent undertaking, the risk management processes and internal control mechanisms referred to in PRU 8.1.9R must include sound reporting and accounting procedures and other mechanisms that are adequate to identify, measure, monitor and control transactions between the firm's parent undertaking mixed-activity insurance holding company and any of the mixed-activity insurance holding company’s subsidiary undertakings.

8.1.16 G PRU 8.1.14R cannot apply to a building society as it cannot have a mixed-activity holding company as a parent undertaking. PRU 8.1.15R cannot apply to a friendly society as it cannot have a mixed-activity insurance holding company as a parent undertaking.

Nature and extent of requirements and allocation of responsibilities within the group

8.1.17 G Assessment of the adequacy of a group’s systems and controls required by PRU 8.1 will form part of the FSA’s risk management process.

8.1.18 G The nature and extent of the systems and controls necessary under PRU 8.1.9R(1) to address group risk will vary according to the materiality of those risks to the firm and the position of the firm within the group.

8.1.19 G In some cases the management of the systems and controls used to address the risks described in PRU 8.1.9R(1) may be organised on a group-wide basis. If the firm is not carrying out those functions itself, it should delegate them to the group members that are carrying them out. However, this does not relieve the firm of responsibility for complying with its obligations under PRU 8.1.9R(1). A firm cannot absolve itself of such a responsibility by claiming that any breach of that rule is caused by the actions of another member of the group to whom the firm has delegated tasks. The risk management arrangements are still those of the firm, even though personnel elsewhere in the firm’s group are carrying out these functions on its behalf.
8.1.20 G *PRU 8.1.9R(1)* deals with the systems and controls that a *firm* should have in respect of the exposure it has to the rest of the *group*. On the other hand, the purpose of *PRU 8.1.9R(2)* and the *rules* in *PRU 8.1* that amplify it is to require *groups* to have adequate systems and controls. However a *group* is not a single legal entity on which obligations can be imposed. Therefore the obligations have to be placed on individual *firms*. The purpose of imposing the obligations on each *firm* in the *group* is to make sure that the *FSA* can take supervisory action against any *firm* in a *group* whose systems and controls do not meet the standards in *PRU 8.1*. Thus responsibility for compliance with the *rules* for *group* systems and controls is a joint one.

8.1.21 G If both a *firm* and its *parent undertaking* are subject to *PRU 8.1.9R(2)*, the *FSA* would not expect systems and controls to be duplicated. In this case, the *firm* should assess whether and to what extent it can rely on its parent's *group* risk systems and controls.

Sections 8.2 and 8.3 - to follow.

Insert new Sections 8.4 and 8.5 as follows:

8.4 Cross sector groups

Application

8.4.1 R (1) *PRU 8.4* applies to every *firm* that is a member of a *financial conglomerate* other than:

(a) an *incoming EEA firm*;

(b) an *incoming Treaty firm*;

(c) a *UCITS qualifier*; and

(d) an *ICVC*.

(2) *PRU 8.4* does not apply to a *firm* with respect to a *financial conglomerate* of which it is a member if the interest of the *financial conglomerate* in that *firm* is no more than a *participation*.

(3) *PRU 8.4.25* (Capital adequacy requirements: high level requirement), *PRU 8.4.26R* (Capital adequacy requirements: application of Method 4 from Annex I of the Financial Groups Directive), *PRU 8.4.29R* (Capital adequacy requirements: application of Methods 1, 2 or 3 from Annex I of the Financial Groups Directive) and *PRU 8.4.35* (Risk concentration and intra group transactions: the main rule) do not apply with respect to a *third-country financial conglomerate*. 
PRU 8.4 implements the *Financial Groups Directive*. However, material on the following topics is to be found elsewhere in the *Handbook* as follows:

1. Further material on *third-country financial conglomerates* can be found in *PRU* 8.5;

2. *SUP* 15.9 contains notification *rules* for members of *financial conglomerates*;

3. Material on reporting obligations can be found in *SUP* 16.7.73R and *SUP* 16.7.74R; and

4. Material on systems and controls in *financial conglomerates* can be found in *PRU* 8.1.

**Introduction: identifying a financial conglomerate**

8.4.3 G (1) In general the process in (2) to (8) applies for identifying *financial conglomerates*.

2. *Competent authorities* that have authorised *regulated entities* should try to identify any *consolidation group* that is a *financial conglomerate*. If a *competent authority* is of the opinion that a *regulated entity* authorised by that *competent authority* is a member of a *consolidation group* which may be a *financial conglomerate* it should communicate its view to the other *competent authorities* concerned.

3. A *competent authority* may start (as described in (2)) the process of deciding whether a group is a *financial conglomerate* even if it would not be the *coordinator*.

4. A member of a group may also start that process by notifying one of the *competent authorities* that have authorised group members that its group may be a *financial conglomerate*, for example by notification under *SUP* 15.9.

5. If a group member gives a notification in accordance with (4), that does not automatically mean that the group should be treated as a *financial conglomerate*. The process described in (6) to (9) still applies.

6. The *competent authority* that would be *coordinator* will take the lead in establishing whether a group is a *financial conglomerate* once the process has been started as described in (2) and (3).

7. The process of establishing whether a group is a *financial conglomerate* will normally involve discussions between the *financial conglomerate* and the *competent authorities* concerned.
(8) A financial conglomerate should be notified by its coordinator that it has been identified as a financial conglomerate and of the appointment of the coordinator. The notification should be given to the parent undertaking at the head of the group or, in the absence of a parent undertaking, the regulated entity with the largest balance sheet total in the most important financial sector. That notification does not of itself make a group into a financial conglomerate; whether or not a group is a financial conglomerate is governed by the definition of financial conglomerate as set out in PRU 8.4.

(9) PRU 8 Ann 4G is a questionnaire (together with its explanatory notes) that the FSA asks groups that may be financial conglomerates to fill out in order to decide whether or not they are.

Introduction: The role of other competent authorities

8.4.4 G A lead supervisor (called the coordinator) is appointed for each financial conglomerate. Article 10 of the Financial Groups Directive describes the criteria for deciding which competent authority is appointed as coordinator. Article 11 of the Financial Groups Directive sets out the tasks of the coordinator.

Definition of financial conglomerate: basic definition

8.4.5 R A financial conglomerate means a consolidation group that is identified as a financial conglomerate in accordance with the decision tree in PRU 8 Ann 3R.

Definition of financial conglomerate: sub-groups

8.4.6 R A consolidation group is not prevented from being a financial conglomerate because it is part of a wider:

(1) consolidation group; or

(2) financial conglomerate; or

(3) group of persons linked in some other way.

Definition of financial conglomerate: the financial sectors: general

8.4.7 R For the purpose of the definition of financial conglomerate, there are two financial sectors as follows:

(1) the banking sector and the investment services sector, taken together; and

(2) the insurance sector.

8.4.8 R (1) This rule applies for the purpose of the definition of financial conglomerate and the financial conglomerate definition decision tree.

(2) Any mixed financial holding company is considered to be outside the overall financial sector for the purpose of the tests set out in the boxes titled Threshold Test 1, Threshold Test 2 and Threshold Test 3 in the financial
conglomerate definition decision tree.

(3) Determining whether the tests set out in the boxes titled Threshold Test 2 and Threshold Test 3 in the financial conglomerate definition decision tree are passed is based on considering the consolidated and/or aggregated activities of the members of the consolidation group within the insurance sector and the consolidated and/or aggregated activities of the members of the consolidation group within the banking sector and the investment services sector.

Definition of financial conglomerate: adjustment of the percentages

8.4.9 R Once a financial conglomerate has become a financial conglomerate and subject to supervision in accordance with the Financial Groups Directive, the figures in the financial conglomerate definition decision tree are altered as follows:

(1) the figure of 40% in the box titled Threshold Test 1 is replaced by 35%;
(2) the figure of 10% in the box titled Threshold Test 2 is replaced by 8%; and
(3) the figure of six billion Euro in the box titled Threshold Test 3 is replaced by five billion Euro.

8.4.10 R The alteration in PRU 8.4.9R only applies to a financial conglomerate during the period that:

(1) begins when the financial conglomerate would otherwise have stopped being a financial conglomerate because it does not meet one of the unaltered thresholds referred to in PRU 8.4.9R; and
(2) covers the three years following that date.

Definition of financial conglomerate: balance sheet totals

8.4.11 R The calculations referred to in the financial conglomerate definition decision tree regarding the balance sheet must be made on the basis of the aggregated balance sheet total of the members of the consolidation group, according to their annual accounts. For the purposes of this calculation, undertakings in which a participation is held must be taken into account as regards the amount of their balance sheet total corresponding to the aggregated proportional share held by the consolidation group. However, where consolidated accounts are available, they must be used instead of aggregated accounts.

Definition of financial conglomerate: solvency requirement

8.4.12 R The solvency and capital adequacy requirements referred to in the financial conglomerate definition decision tree must be calculated in accordance with the provisions of the relevant sectoral rules.
Definition of financial conglomerate: discretionary changes to the definition

8.4.13 G Articles 3(3) to 3(6), Article 5(4) and Article 6(5) of the Financial Groups Directive allow competent authorities, on a case by case basis, to:

1. change the definition of financial conglomerate and the obligations applying with respect to a financial conglomerate;

2. apply the scheme in the Financial Groups Directive to EEA regulated entities in specified kinds of group structures that do not come within the definition of financial conglomerate; and

3. exclude a particular entity in the scope of capital adequacy requirements that apply with respect to a financial conglomerate.

Capital adequacy requirements: introduction

8.4.14 G The capital adequacy provisions of PRU 8.4 are designed to be applied to EEA-based financial conglomerates.

8.4.15 G PRU 8.4.25R is a high level capital adequacy rule. It applies whether or not the FSA is the coordinator of the financial conglomerate concerned.

8.4.16 G PRU 8.4.26R to PRU 8.4.31R and PRU 8 Ann 1R implement the detailed capital adequacy requirements of the Financial Groups Directive. They only deal with a financial conglomerate for which the FSA is the coordinator. If another competent authority is coordinator of a financial conglomerate, those rules do not apply with respect to that financial conglomerate and instead that coordinator will be responsible for implementing those detailed requirements.

8.4.17 G Annex I of the Financial Groups Directive lays down four methods for calculating capital adequacy at the level of a financial conglomerate. Those four methods are implemented as follows:

1. Method 1 calculates capital adequacy using accounting consolidation. It is implemented by PRU 8.4.29R to PRU 8.4.31R and Part 1 of PRU 8 Ann 1R.

2. Method 2 calculates capital adequacy using a deduction and aggregation approach. It is implemented by PRU 8.4.29R to PRU 8.4.31R and Part 2 of PRU 8 Ann 1R.

3. Method 3 calculates capital adequacy using book values and the deduction of capital requirements. It is implemented by PRU 8.4.29R to PRU 8.4.31R and Part 3 of PRU 8 Ann 1R.

4. Method 4 consists of a combination of Methods 1, 2 and 3 from Annex I of the Financial Groups Directive, or a combination of two of those Methods. It is implemented by PRU 8.4.26R to PRU 8.4.28R, PRU 8.4.30R and Part 4 of PRU 8 Ann 1R.
8.4.18  G  Part 4 of PRU 8 Ann 1R (Use of Method 4 from Annex I of the Financial Conglomerates Directive) applies the FSA’s sectoral rules with respect to the financial conglomerate as a whole, with some adjustments. Where Part 4 of PRU 8 Ann 1R applies the FSA’s sectoral rules for:

(1)  the insurance sector, that involves a combination of Methods 2 and 3; and

(2)  the banking sector and the investment services sector, that involves a combination of Methods 1 and 3.

8.4.19  G  Paragraph 5.5 of PRU 8 Ann 1R (Capital adequacy calculations for financial conglomerates) deals with a case in which there are no capital ties between entities in a financial conglomerate. In particular, the FSA, after consultation with the other relevant competent authorities and in accordance with Annex I of the Financial Groups Directive, will determine which proportional share of a solvency deficit in such an entity will have to be taken into account, bearing in mind the liability to which the existing relationship gives rise.

8.4.20  G  (1)  In the following cases, the FSA (acting as coordinator) may choose which of the four methods for calculating capital adequacy laid down in Annex I of the Financial Groups Directive should apply:

(a)  where a financial conglomerate is headed by a regulated entity that has been authorised by the FSA; or

(b)  the only relevant competent authority for the financial conglomerate is the FSA.

(2)  PRU 8.4.28R automatically applies Method 4 from Annex I of the Financial Groups Directive in these circumstances except in the cases set out in PRU 8.4.28R(1)(e) and PRU 8.4.28R(1)(f). The process in PRU 8.4.22G does not apply.

8.4.21  G  Where PRU 8.4.20G does not apply, the Annex I method to be applied is decided by the coordinator after consultation with the relevant competent authorities and the financial conglomerate itself.

8.4.22  G  The method of calculating capital adequacy chosen in respect of a financial conglomerate as described in PRU 8.4.21G will be applied with respect to that financial conglomerate by varying the Part IV permission of a firm in that financial conglomerate to include a requirement. That requirement will have the effect of obliging the firm to ensure that the financial conglomerate has capital resources of the type and amount needed to comply with whichever of the methods in PRU 8 Ann 1R is to be applied with respect to that financial conglomerate. The powers in the Act relating to waivers and varying a firm's Part IV permission can be used to implement one of the methods from Annex I of the Financial Groups Directive in a way that is different from that set out in PRU 8.4 and PRU 8 Ann 1R if that is necessary to reflect the consultations referred to in PRU 8.4.21G.
8.4.23 G If there is more than one firm in a financial conglomerate with a Part IV permission, the FSA would not normally expect to apply the requirement described in PRU 8.4.22G to all of them. Normally it will only be necessary to apply it to one.

8.4.24 G The FSA expects that in all or most cases falling into PRU 8.4.21G, the rules in Part 4 of PRU 8 Ann 1R will be applied.

Capital adequacy requirements: high level requirement

8.4.25 R (1) A firm that is a member of a financial conglomerate must at all times have capital resources of such an amount and type that results in the capital resources of the financial conglomerate taken as a whole being adequate.

(2) This rule does not apply with respect to any financial conglomerate until notification has been made that it has been identified as a financial conglomerate as contemplated by Article 4(2) of the Financial Groups Directive.

Capital adequacy requirements: application of Method 4 from Annex I of the Financial Groups Directive

8.4.26 R If this rule applies under PRU 8.4.27R to a firm with respect to a financial conglomerate of which it is a member, the firm must at all times have capital resources of an amount and type:

(1) that ensure that the financial conglomerate has capital resources of an amount and type that comply with the rules applicable with respect to that financial conglomerate under Part 4 of PRU 8 Ann 1R (as modified by that annex); and

(2) that as a result ensure that the firm complies with those rules (as so modified) with respect to that financial conglomerate.

8.4.27 R PRU 8.4.26R applies to a firm with respect to a financial conglomerate of which it is a member if one of the following conditions is satisfied:

(1) the condition in PRU 8.4.28R is satisfied; or

(2) this rule is applied to the firm with respect to that financial conglomerate as described in PRU 8.4.30R.

Capital adequacy requirements: compulsory application of Method 4 from Annex I of the Financial Groups Directive

8.4.28 R (1) The condition in this rule is satisfied for the purpose of PRU 8.4.27R(1) with respect to a firm and a financial conglomerate of which it is a member (with the result that PRU 8.4.26R automatically applies to that firm) if:
(a) notification has been made in accordance with regulation 2 of the Financial Groups Directive Regulations that the financial conglomerate is a financial conglomerate and that the FSA is coordinator of that financial conglomerate;

(b) the financial conglomerate is not part of a wider FSA regulated EEA financial conglomerate;

(c) the financial conglomerate is not an FSA regulated EEA financial conglomerate under another rule or under paragraph (b) of the definition of FSA regulated EEA financial conglomerate (application of supplementary supervision through a firm's Part IV permission);

(d) one of the following conditions is satisfied:

   (i) the financial conglomerate is headed by a regulated entity that is a UK domestic firm; or

   (ii) the only relevant competent authority for that financial conglomerate is the FSA;

(e) this rule is not disappplied under paragraph 5.5 of PRU 8 Ann 1R (No capital ties); and

(f) the financial conglomerate meets the condition set out in the box titled Threshold Test 2 (10% average of balance sheet and solvency requirements) in the financial conglomerate definition decision tree.

(2) Once PRU 8.4.26R applies to a firm with respect to a financial conglomerate of which it is a member under PRU 8.4.27R(1), (1)(f) ceases to apply with respect to that financial conglomerate. Therefore the fact that the financial conglomerate subsequently ceases to meet the condition in (1)(f) does not mean that the condition in this rule is not satisfied.

Capital adequacy requirements: application of Methods 1, 2 or 3 from Annex I of the Financial Groups Directive

8.4.29 R If with respect to a firm and a financial conglomerate of which it is a member, this rule is applied to the firm with respect to that financial conglomerate as described in PRU 8.4.30R, the firm must at all times have capital resources of an amount and type that ensures that the conglomerate capital resources of that financial conglomerate at all times equal or exceed its conglomerate capital resources requirement.

Capital adequacy requirements: use of Part IV permission to apply Annex I of the Financial Groups Directive

8.4.30 R With respect to a firm and a financial conglomerate of which it is a member:
(1) **PRU 8.4.26R** (Method 4 from Annex I of the *Financial Groups Directive*) is applied to the *firm* with respect to that *financial conglomerate* for the purposes of **PRU 8.4.27R(2)**; or

(2) **PRU 8.4.29R** (Methods 1 to 3 from Annex I of the *Financial Groups Directive*) is applied to the *firm* with respect to that *financial conglomerate*;

if the *firm's Part IV permission* contains a *requirement* obliging the *firm* to comply with **PRU 8.4.26R** or, as the case may be, **PRU 8.4.29R**.

8.4.31 R If **PRU 8.4.29R** (Methods 1-3 from Annex I of the *Financial Groups Directive*) applies to a *firm* with respect to a *financial conglomerate* of which it is a member, the definitions of *conglomerate capital resources* and *conglomerate capital resources requirement* that apply for the purposes of that rule are the ones from whichever of Part 1, Part 2 or Part 3 of **PRU 8 Ann 1R** is specified in the *requirement* referred to in **PRU 8.4.30R**.

**Risk concentration and intra-group transactions: introduction**

8.4.32 G **PRU 8.4.35R** implements Article 7(4) and Article 8(4) of the *Financial Groups Directive*, which provide that where a *financial conglomerate* is headed by a *mixed financial holding company*, the *sectoral rules* regarding *risk concentration* and *intra-group transactions* of the most important financial sector in the *financial conglomerate*, if any, shall apply to that sector as a whole, including the *mixed financial holding company*.

8.4.33 G Articles 7(3) (Risk concentration) and 8(3) (Intra-group transactions) and Annex II (Technical application of the provisions on intra-group transactions and risk concentration) of the *Financial Groups Directive* say that Member States may apply at the level of the *financial conglomerate* the provisions of the *sectoral rules on risk concentrations and intra-group transactions*. **PRU 8.4** does not take up that option, although the *FSA* may impose such obligations on a case by case basis.

**Risk concentration and intra-group transactions: application**

8.4.34 R **PRU 8.4.35R** applies to a *firm* with respect to a *financial conglomerate* of which it is a member if:

(1) the condition in Articles 7(4) and 8(4) of the *Financial Groups Directive* is satisfied (the *financial conglomerate* is headed by a *mixed financial holding company*); and

(2) that *financial conglomerate* is an *FSA regulated EEA financial conglomerate*. 

70
Risk concentration and intra group transactions: the main rule

8.4.35  R  A firm must ensure that the sectoral rules regarding risk concentration and intra-group transactions of the most important financial sector in the financial conglomerate referred to in PRU 8.4.34R are complied with with respect to that financial sector as a whole, including the mixed financial holding company. The FSA's sectoral rules for these purposes are those identified in the table in PRU 8.4.36R.

Risk concentration and intra-group transactions: Table of applicable sectoral rules

8.4.36  R  Table: application of sectoral rules
This table belongs to PRU 8.4.35R

<table>

</tbody>
</table>

Note: The rules as applied in column three apply without any concession or exemption for exposures to other group members.

Note: The decision tree in paragraph 4.5 of PRU 8  Ann 1R applies for the purpose of identifying the most important financial sector.

8.4.37  G  The material in IPRU(BANK) that has particular application to the rules in IPRU(BANK) referred to in the table in PRU 8.4.36R is:

(1) (in the case of column 2) Chapter LE as it applies on a consolidated basis;

(2) (in the case of column 3) Chapter LE as it applies on a solo basis.

8.4.38  G  The table in PRU 8.4.36R does not refer to the rules for building societies as a building society cannot have a mixed financial holding company as a parent.

The financial sectors: asset management companies
In accordance with Article 30 of the Financial Groups Directive (Asset management companies), this rule deals with the inclusion of an asset management company that is a member of a financial conglomerate in the scope of regulation of financial conglomerates. This rule does not apply to the definition of financial conglomerate.

An asset management company is in the overall financial sector and is a regulated entity for the purpose of:

(a) PRU 8.4.26R to PRU 8.4.36R;

(b) PRU 8 Ann 1R (Capital adequacy calculations for financial conglomerates) and PRU 8 Ann 2R (Prudential rules for third country groups); and

(c) any other provision of the Handbook relating to the supervision of financial conglomerates.

In the case of a financial conglomerate for which the FSA is the coordinator, all asset management companies must be allocated to one financial sector for the purposes in (2), being either the investment services sector or the insurance sector. But if that choice has not been made in accordance with (4) and notified to the FSA in accordance with (4)(d), an asset management company must be allocated to the investment services sector.

The choice in (3):

(a) must be made by the undertaking in the financial conglomerate holding the position referred to in Article 4(2) of the Financial Groups Directive (group member to whom notice must be given that the group has been found to be a financial conglomerate);

(b) applies to all asset management companies that are members of the financial conglomerate from time to time;

(c) cannot be changed; and

(d) must be notified to the FSA as soon as reasonably practicable after the notification in (4)(a).

Third-country groups

Application
8.5.1 R PRU 8.5 applies to every firm that is a member of a third-country group. But it does not apply to:

1. an incoming EEA firm; or
2. an incoming Treaty firm; or
3. a UCITS qualifier; or
4. an ICVC.

Purpose

8.5.2 G PRU 8.5 implements in part Article 18 of the Financial Groups Directive and Article 56a of the Banking Consolidation Directive.

Equivalence

8.5.3 G The first question that must be asked about a third-country financial group is whether the EEA regulated entities in that third-country group are subject to supervision by a third-country competent authority, which is equivalent to that provided for by the Financial Groups Directive (in the case of a financial conglomerate) or the EEA prudential sectoral legislation for the banking sector or the investment services sector (in the case of a banking and investment group). Article 18(1) of the Financial Groups Directive sets out the process for establishing equivalence with respect to third-country financial conglomerates and the first three paragraphs of Article 56a of the Banking Consolidation Directive does so with respect to third-country banking and investment groups.

Other methods: General

8.5.4 G If the supervision of a third-country group by a third-country competent authority does not meet the equivalence test referred to in PRU 8.5.3G, competent authorities may apply other methods that ensure appropriate supervision of the EEA regulated entities in that third-country group in accordance with the aims of supplementary supervision under the Financial Groups Directive or consolidated supervision under the applicable EEA prudential sectoral legislation.
Supervision by analogy: introduction

8.5.5 G If the supervision of a third-country group by a third-country competent authority does not meet the equivalence test referred to in PRU 8.5.3G, a competent authority may, rather than take the measures described in PRU 8.5.4G, apply, by analogy, the provisions concerning supplementary supervision under the Financial Groups Directive or, as applicable, consolidated supervision under the applicable EEA prudential sectoral legislation, to the EEA regulated entities in the banking sector, investment services sector and (in the case of a financial conglomerate) insurance sector.

8.5.6 G The FSA believes that it will only be right to adopt the option in PRU 8.5.5G in response to very unusual group structures.

8.5.7 G PRU 8.5.8R and PRU 8.5.9R and PRU 8 Ann 2 set out rules to deal with the situation covered in PRU 8.5.5G. Those rules do not apply automatically. Instead, they can only be applied with respect to a particular third-country group through the Part IV permission of a firm in that third-country group. Broadly speaking the procedure described in PRU 8.4.22G also applies to this process.

Supervision by analogy: rules for third-country conglomerates

8.5.8 R If the Part IV permission of a firm contains a requirement obliging it to comply with this rule with respect to a third-country financial conglomerate of which it is a member, it must comply, with respect to that third-country financial conglomerate, with the rules in Part 1 of PRU 8 Ann 2R, as adjusted by Part 3 of that annex.

Supervision by analogy: rules for third-country banking and investment groups

8.5.9 R If the Part IV permission of a firm contains a requirement obliging it to comply with this rule with respect to a third-country banking and investment group of which it is a member, it must comply, with respect to that third-country banking and investment group, with the rules in Part 2 of PRU 8 Ann 2R, as adjusted by Part 3 of that annex.
Capital adequacy calculations for financial conglomerates (PRU 8.4.26R and PRU 8.4.29R)

1 Table: PART 1: Method of Annex I of the Financial Groups Directive (Accounting Consolidation Method)

<table>
<thead>
<tr>
<th>Capital resources</th>
<th>1.1</th>
<th>The conglomerate capital resources of a financial conglomerate calculated in accordance with this Part are the capital of that financial conglomerate, calculated on an accounting consolidation basis, that qualifies under paragraph 1.2.</th>
</tr>
</thead>
<tbody>
<tr>
<td></td>
<td>1.2</td>
<td>The elements of capital that qualify for the purposes of paragraph 1.1 are those that qualify in accordance with the applicable sectoral rules, in accordance with the following:</td>
</tr>
<tr>
<td></td>
<td></td>
<td>(1) the conglomerate capital resources requirement is divided up in accordance with the contribution of each financial sector to it; and</td>
</tr>
<tr>
<td></td>
<td></td>
<td>(2) the portion of the conglomerate capital resources requirement attributable to a particular financial sector must be met by capital resources that are eligible in accordance with the applicable sectoral rules for that financial sector.</td>
</tr>
<tr>
<td>Capital resources requirement</td>
<td>1.3</td>
<td>The conglomerate capital resources requirement of a financial conglomerate calculated in accordance with this Part is equal to the sum of the capital adequacy and solvency requirements for each financial sector calculated in accordance with the applicable sectoral rules for that financial sector.</td>
</tr>
<tr>
<td>Consolidation</td>
<td>1.4</td>
<td>The information required for the purpose of establishing whether or not a firm is complying with PRU 8.4.29R (insofar as the definitions in this Part are applied for the purpose of that rule) must be based on the consolidated accounts of the financial conglomerate, together with such other sources of information as appropriate.</td>
</tr>
<tr>
<td></td>
<td>1.5</td>
<td>The applicable sectoral rules that are applied under this Part are the applicable sectoral consolidation rules. Other applicable sectoral rules must be applied if required.</td>
</tr>
</tbody>
</table>
| Capital resources | 2.1 | The conglomerate capital resources of a financial conglomerate calculated in accordance with this Part are equal to the sum of the following amounts (so far as they qualify under paragraph 2.3) for each member of the overall financial sector:

(1) (for the person at the head of the financial conglomerate) its solo capital resources;

(2) (for any other member):

(a) its solo capital resources; less

(b) the book value of the financial conglomerate's investment in that member.

2.2 The deduction in paragraph 2.1(2) must be carried out separately for each type of capital represented by the financial conglomerate's investment in the member concerned.

2.3 The elements of capital that qualify for the purposes of paragraph 2.1 are those that qualify in accordance with the applicable sectoral rules. In particular, the portion of the conglomerate capital resources requirement attributable to a particular member of a financial sector must be met by capital resources that would be eligible under the sectoral rules that apply to the calculation of its solo capital resources.

| Capital resources requirement | 2.4 | The conglomerate capital resources requirement of a financial conglomerate calculated in accordance with this Part is equal to the sum of the solo capital resources requirement for each member of the financial conglomerate that is in the overall financial sector.

| Partial inclusion | 2.5 | The capital resources and capital resources requirements of a member of the financial conglomerate in the overall financial sector must be included proportionally. If however the member is a subsidiary undertaking and it has a solvency deficit, they must be included in full.

| Accounts | 2.6 | The information required for the purpose of establishing whether or not a firm is complying with PRU 8.4.29R (insofar as the definitions in this Part are applied for the purpose of that rule) must be based on the individual accounts of members of the financial conglomerate, together with such other sources of information as appropriate. |

</table>
| Table | 4.3 | Where chapter 14 of *IPRU(INV)* applies:  
(1) the *main investment services undertaking* is treated as being the main firm for the purpose of rule 14.4.2 of chapter 14 of *IPRU(INV)*;  
(2) if the *main investment services undertaking* is not subject to any of the *FSA's sectoral rules* applied by chapter 14 of *IPRU(INV)*, then the *FSA's sectoral rules* that are applied are those that would do so if:  
(a) it were a *UK domestic firm*; and  
(b) it had a *permission* that includes all the *regulated activities* that it would need to have in its *Part IV permission* if it carried on all its activities in the *United Kingdom*. |
|---|---|---|
| 4.4 | (1) The decision tree in paragraph 4.5:  
(a) decides into which of the categories listed in the table in paragraph 4.2 a *financial conglomerate* falls; and  
(b) modifies the definition of the *most important financial sector* for the purposes of *PRU 8 Ann 1R* and for the purposes of any other provision in *PRU 8 (Group risk)* that applies that decision tree.  
(2) Paragraph 6.1(2) (*financial institution* allocated to the *banking sector*) and paragraph 6.1(3) (*allocation of asset management companies*) apply for the purpose of 4.4 and the table in paragraph 4.5. |
Table: Paragraph 4.5: Types of financial conglomerate and definition of most important financial sector

Is the insurance sector the most important financial sector, treating the banking sector and the investment services sector as one?

(a) The insurance sector is the most important financial sector; and
(b) The financial conglomerate is an insurance conglomerate.

Is the financial conglomerate headed by a building society?

It is a building society conglomerate.

Is the investment services sector more important than the banking sector? *

The investment services sector is the most important financial sector

The banking sector is the most important financial sector

Is the banking sector the most important financial sector?

It is a banking conglomerate.

Is the financial conglomerate headed by a credit institution?

*This calculation must be carried out using the rules for identifying the most important financial sector.
A mixed financial holding company must be treated in the same way as:

1. a financial holding company (if the rules in IPRU(BANK) or IPRU(INV) are applied; or
2. an insurance holding company (if the rules in IPRU(INS) are applied).

If there are no full credit institutions or investment firms in a banking conglomerate but there are one or more e-money issuers, the sectoral rules in IPRU(BANK) are amended as follows:

1. the rules in ELM that apply on a solo basis must be used to establish the capital requirement for the e-money issuers; and
2. for the purpose of (1), those rules in ELM shall be amended by calculating the amount of the deductions in respect of ownership shares and capital falling into ELM 2.4.17R(6) in accordance with paragraph 3.3(2).

Capital may not be included in:

1. a firm's conglomerate capital resources under PRU 8.4.29R; or
2. in the capital resources of the financial conglomerate for the purposes of PRU 8.4.26R;

if the effectiveness of the transferability and availability of the capital across the different members of the financial conglomerate is insufficient, given the objectives (as referred to in the third unnumbered sub-paragraph of paragraph 2(ii) of Annex I of the Financial Groups Directive (Technical principles)) of the capital adequacy rules for financial conglomerates.

Capital must not be included in:

1. a firm's conglomerate capital resources under PRU 8.4.29R;
or

(2) the capital resources of the financial conglomerate for the purposes of PRU 8.4.26R;

if:

(3) it would involve double counting or multiple use of the same capital; or

(4) it results from any inappropriate intra-group creation of capital.

Cross sectoral capital

5.3 In accordance with the second sub-paragraph of paragraph 2(ii) of Section I of Annex I of the Financial Groups Directive (Other technical principles and insofar as not already required in Parts 1-3):

(1) the solvency requirements for each different financial sector represented in a financial conglomerate required by PRU 8.4.26R or, as the case may be, PRU 8.4.29R must be covered by own funds elements in accordance with the corresponding applicable sectoral rules; and

(2) if there is a deficit of own funds at the financial conglomerate level, only cross sectoral capital (as referred to in that sub-paragraph) shall qualify for verification of compliance with the additional solvency requirement required by PRU 8.4.26R or, as the case may be, PRU 8.4.29R.

Application of sectoral rules

5.4 The following adjustments apply to the applicable sectoral rules as they are applied by the rules in this annex.

(1) The scope of those rules will be extended to cover any mixed financial holding company and each other member of the overall financial sector.

(2) If any of those rules would otherwise not apply to a situation in which they are applied by PRU 8 Ann 1R, those rules nevertheless still apply (and in particular, any of those rules that would otherwise have the effect of disapplying consolidated supervision (or, in the case of the insurance sector, supplementary supervision) do not apply).

(3) (If it would not otherwise have been included) an ancillary investment services undertaking is included in the investment services sector.

(4) (If it would not otherwise have been included) an ancillary insurance services undertaking is included in the insurance sector.
(5) (In relation to the insurance sector) to the extent that:

(a) those rules merely require a report on whether or not a specified level of solvency is met (a soft limit); or

(b) the requirements in those rules concern having certain net assets of an amount at or above certain levels;

those requirements are restated so as to include an obligation at all times actually to have capital at or above that level (a hard limit), thereby turning a soft limit drafted by reference to assets and liabilities into a hard limit requiring capital to be held at or above specified levels. If those rules apply both a hard and a soft limit, and the level of the soft limit is higher, that soft limit is applied under this annex, but translated into a hard limit in accordance with the earlier provisions of (5).

(6) The scope of the those rules is amended so as to remove restrictions relating to where members of the financial conglomerate are incorporated or have their head office, so that the scope covers every member of the financial conglomerate that would have been included in the scope of those rules if those members had their head offices in an EEA State.

(7) (For the purposes of Parts 1 to 3) those rules must be adjusted, if necessary, when calculating the capital resources, capital resources requirements or solvency requirements for a particular financial sector to exclude those for a member of another financial sector.

No capital ties 5.5

(1) This rule deals with a financial conglomerate in which some of the members are not linked by capital ties at the time of the notification referred to in PRU 8.4.28R(1) (Capital adequacy requirements: Compulsory application of Method 4 from Annex I of the Financial Groups Directive).

(2) If:

(a) PRU 8.4.26R (Capital adequacy requirements: Application of Method 4 from Annex I of the Financial Groups Directive) would otherwise apply with respect to a financial conglomerate under PRU 8.4.28R; and
(b) all members of that financial conglomerate are linked directly or indirectly with each other by capital ties except for members that collectively are of negligible interest with respect to the objectives of supplementary supervision of regulated entities in a financial conglomerate (the "peripheral members");

PRU 8.4.28R continues to apply. Otherwise PRU 8.4.28R does not apply with respect to a financial conglomerate falling into (1).

(3) If PRU 8.4.28R applies with respect to a financial conglomerate in accordance with (2) the peripheral members must be excluded from the calculations under PRU 8.4.26R.

(4) If:

(a) PRU 8.4.26R applies with respect to a financial conglomerate falling into (1) under PRU 8.4.27R(2) (Use of Part IV permission to apply Annex I of the Financial Groups Directive); or

(b) PRU 8.4.49R (Capital adequacy requirements: Application of Methods 1, 2 or 3 from Annex I of the Financial Groups Directive) applies with respect to a financial conglomerate falling into (1);

then:

(c) the treatment of the links in (1) (including the treatment of any solvency deficit) is as provided for in the requirement referred to in PRU 8.4.30R; and

(d) PRU 8.4.26R or PRU 8.4.29R, as the case may be, apply even if the applicable sectoral rules do not deal with how undertakings not linked by capital ties are to be dealt with for the purposes of consolidated supervision (or, in the case of the insurance sector, supplementary supervision).

(5) Once PRU 8.4.26R applies to a firm with respect to a financial conglomerate of which it is a member under PRU 8.4.27R(1) (automatic application of Method 4 from Annex I of the Financial Groups Directive on satisfaction of the condition in PRU 8.4.28R), the disapplication of PRU 8.4.28R under (2) ceases to apply with respect to that financial conglomerate.
**Defining the financial sectors**

<table>
<thead>
<tr>
<th>Paragraph</th>
<th>Definition</th>
</tr>
</thead>
</table>
| 6.1       | For the purposes of Parts 1 to 3 of this annex (but, unless specified otherwise in paragraph 4.4, not for the purposes of the definition of most important financial sector):

1. The banking sector and the investment services sector are considered separately;

2. If a financial institution could otherwise fall into both the banking sector and the investment services sector, it must be allocated to the banking sector;

3. An asset management company is allocated in accordance with PRU 8.4.39R; and

4. A mixed financial holding company must be treated as being a member of the most important financial sector. |

**Solo capital resources requirement:**

<td>6.3</td>
</tr>
<tr>
<td>Mixed financial holding company</td>
<td>6.4</td>
</tr>
</tbody>
</table>
| Non-EEA firms subject to equivalent regimes | 6.5 | The solo capital resources requirement for a regulated entity that:

1. Does not fall into paragraphs 6.2 to 6.4;

2. Is subject to any of the sectoral rules referred to in paragraph 6.6 applicable to its financial sector; and

3. Is incorporated in and has its head office in:

   a. (where the sectoral rules in (2) are for the banking sector or the investment services sector) the same state |
or territory as the regulator for those *sectoral rules*, as referred to in paragraph 6.6(1) or 6.6(2)); or

(b) (where the *sectoral rules* in (2) are for the *insurance sector*) the designated state or territory in question, as referred to in 6.6(3);

is equal to the amount of capital resources it is obliged to hold under those *sectoral rules*. However, where 3(b) would otherwise apply, paragraph 6.7 may be applied instead.

6.6 The *sectoral rules* referred to in paragraph 6.5 are:

(1) (for the *banking sector*) the *sectoral rules* of or administered by one of the regulators listed in Appendix D of chapter CS of *IPRU(BANK)*;

(2) (for the *investment services sector*) the *sectoral rules* of or administered by one of the regulators listed in Appendix 59 of chapter 10 of *IPRU(INV)*; and

(3) (for the *insurance sector*) the *sectoral rules* of the states or territories referred to in the definition of designated states or territories in chapter 11 of *IPRU(INS)* (Definitions), but excluding *EEA States*.

Solo capital resources requirement: other members

6.7 The *solo capital resources requirement* for any member of a *financial conglomerate* in the overall *financial sector* not treated under paragraphs 6.2 to 6.6 is a notional capital requirement. It is the capital resources requirement that would apply to it under the following *rules*:

(1) (in the case of an *asset management company*) the *rules* in Chapter 7 of *IPRU(INV)*; and

(2) (in any other case) the *rules* applicable to its *financial sector* under the table in paragraph 6.8.

PRU 8 Ann 2R

Prudential rules for third country groups (PRU 8.5.8R to PRU 8.5.9R)

1 Table: PART 1: Third-country financial conglomerates

1.1 This Part of this annex sets out the rules with which a firm must comply under PRU 8.5.8R with respect to a financial conglomerate of which it is a member.

1.2 A firm must comply, with respect to the financial conglomerate referred to in paragraph 1.1, with whichever of PRU 8.4.26R and PRU 8.4.29R is applied under paragraph 1.3.

1.3 For the purposes of paragraph 1.2:

(1) the rule in PRU 8.4 that applies as referred to in paragraph 1.2 is the one that is specified by the requirement referred to in PRU 8.5.8R;

(2) (where PRU 8.4.29R is applied) the definitions of conglomerate capital resources and conglomerate capital resources requirement that apply for the purposes of that rule are the ones from whichever of Part 1, Part 2 or Part 3 of PRU 8 Ann 1R is specified in that requirement; and

(3) the rules so applied (including those in PRU 8 Ann 1R) are adjusted in accordance with paragraph 3.1.

1.4 If the condition in Articles 7(4) and 8(4) of the Financial Groups Directive is satisfied (the financial conglomerate is headed by a mixed financial holding company) with respect to the financial conglomerate referred to in paragraph 1.1 the firm must also comply with PRU 8.4.35R (as adjusted in accordance with paragraph 3.1) with respect to that financial conglomerate.

1.5 A firm must comply with the following with respect to the financial conglomerate referred to in paragraph 1.1:

(1) PRU 8.1 (as it applies to financial conglomerates and as adjusted under paragraph 3.1); and

(2) PRU 8.4.25R.

2 Table: PART 2: Third-country banking and investment groups

2.1 This Part of this annex sets out the rules with which a firm must comply under PRU 8.5.9R with respect to a third-country banking and investment group of which it is a member.
2.2 A firm must comply with one of the sets of rules specified in paragraph 2.3 as adjusted under paragraph 3.1 with respect to the third-country banking and investment group referred to in paragraph 2.1.

2.3 The rules referred to in paragraph 2.2 are as follows:

1. the applicable sectoral consolidation rules in IPRU(BANK); or

2. the applicable sectoral consolidation rules for the investment services sector; or

3. the rules in ELM 7.

2.4 The set of rules from paragraph 2.3 that apply with respect to a particular third-country banking and investment group (as referred to in paragraph 2.1) are those that would apply if they were adjusted in accordance with paragraph 3.1.

2.5 The sectoral rules applied by Part 2 of this annex cover all prudential rules applying on a consolidated basis including those relating to large exposures.

2.6 A firm must comply with PRU 8.1 (as it applies to banking and investment groups and as adjusted under paragraph 3.1) with respect to the third-country banking and investment group referred to in paragraph 2.1.

3 Table: PART 3: Adjustment of scope

3.1 The adjustments that must be carried out under this paragraph are that the scope of the rules referred in Part 1 or Part 2 of this annex, as the case may be, are amended:

1. so as to remove any provisions disapplying those rules for third-country groups;

2. so as to remove all limitations relating to where a member of the third-country group is incorporated or has its head office; and

3. so that the scope covers every member of the third-country group that would have been included in the scope of those rules if those members had their head offices in, and were incorporated in, an EEA State.
Part 1: General Information

A Name of Group:

B Name of FSA supervisor:

C Name of entity at head of the group:

D Type of entity at head of the group:
   (select one of D1, D2, D3 and D4)
   - D1 EU regulated entity country of authorisation
     - (a) Credit institution
     - (b) Investment firm
     - (c) Insurance firm
   - D2 EU non-regulated entity country of location
   - D3 Non-EU regulated entity country of authorisation
   - D4 Non-EU non-regulated entity country of location

*See guidance notes on a recommended method of calculation.*
**Part 3: Conclusion on reason for becoming a financial conglomerate**

Select **ONE** of the following based on the answers in section 1 & 2.

If answer to F1 is NO or if none of the following are met then select type **Z**:

- **Z**  Not a conglomerate.

If the group is category D1 or D3 and
the average of F4 and F5 is greater than 10% then select type **i**.

- **i**  Conglomerate headed by a regulated institution with significant cross sector activities. [article 3(2)]

If the group is category D1 or D3 and
the average of F4 and F5 is less than 10% but F6 is greater than €6bn then select type **ii**.

- **ii**  Possible conglomerate headed by a regulated institution with presumed significant cross sector activities. [article 3(3)]

If the group is category D2 or D4 and the answer to F2 is greater than 40% AND the average of F4 and F5 is greater than 10% then select type **iii**.

- **iii**  Conglomerate headed by non-regulated entity with significant cross sector activities. [article 3(1) & 3(2)]

If the group is category D2 or D4 and the answer to F2 is greater than 40% AND the average of F4 and F5 is less than 10% but F6 is greater than €6bn then select type **iv**.

- **iv**  Possible conglomerate headed by non-regulated entity with presumed significant cross sector activities. [article 3(1) & 3(3)]
**Part 4: Other relevant information**

| H1 | Who do you think are the relevant competent authorities for your group (i.e. supervisors in EEA States in which the group has significant regulated activity)?  
See article 2 (17)(a) for definition of relevant competent authorities. |
| H2 | Who do you think should be the likely coordinator for the group (i.e. EEA supervisor of the group's most important regulated activity in the EU)?  
See article 10(1) and 10(2). |
| H3 | Do you consider that balance sheet value and solvency requirements were an appropriate criterion to determine whether a group is financial and whether cross sector activities exist? If not, do you consider there are other parameters (as referred to in article 3(5)) that would be more appropriate? |
| H4 | Do you have any other relevant comments?  
(use continuation sheet if necessary) |
Purpose and scope

The form is designed to identify groups and sub-groups that are likely to be financial conglomerates under the Financial Groups Directive. A group may be a financial conglomerate if it contains both insurance and banking/investment businesses and meets certain threshold tests. The FSA needs to identify conglomerates with their head offices in the EEA and those with their head offices outside the EEA, although this does not necessarily mean that the latter will be subject to EEA conglomerate supervision.

This form’s purpose is to enable the FSA to obtain sufficient information so as to be able to determine how likely a group/sub-group is to be a financial conglomerate. In certain cases this can only be determined after consultation with the other EU relevant competent authorities. A second purpose of the form is therefore to identify any groups and sub-groups that may need such consultation so that this can be made as soon as possible. This should allow firms time to prepare to comply.

The third purpose of the form is to gain information from firms on the most efficient way to implement the threshold calculations in detail (consistently with the directive). We have, therefore, asked for some additional information in part 4 of the form.

A copy of this form will can be found on the FSA's Financial Groups Website with current contact details.

Please include workings showing the method employed to determine the percentages in part 2 (for the threshold conditions) and giving details of all important assumptions / approximations made in doing the calculations.

The definition of financial conglomerate includes not only conventional groups made up of parent-subsidiary relationships but groups linked by control and "consolidation Article 12(1) relationships". If this is the case for your group, please submit along with this form a statement that this is the case. Please include in that statement an explanation of how you have included group members not linked by capital ties in the questionnaire calculations.

A consolidation Article 12(1) relationship arises between undertakings in the circumstances set out in Article 12(1) of the Seventh Company Law Directive. These are set out in the Handbook Glossary (in the definition of consolidation Article 12(1) relationship). Broadly speaking, undertakings come within this definition if they do not form a conventional group but:

(a) are managed on a unified basis; or

(b) have common management.
General guidance

We would like this to be completed based on the most senior parent in the group, and, if applicable, for the company heading the most senior conglomerate group in the EEA. If appropriate, please also attach a list of all other likely conglomerate sub-groups.

Please use the most recent accounts for the top level company in the group together with the corresponding accounts for all subsidiaries and participations that are included in the consolidated accounts. Please indicate the names of any significant subsidiaries with a different year-end from the group’s year-end.

Please note the following:

(a) Branches should be included as part of the parent entity.

(b) Include in the calculations overseas entities owned by the relevant group or sub-group.

(c) There are only two sectors for this purpose: banking/investment and insurance.

(d) You will need to assign non-regulated financial entities to one of these sectors:

- **banking/investment** activities are listed in - IPRU Banks CS 10 Appendix A
- **insurance** activities are listed in - IPRU Insurers Annex 11.1 and 11.2 p 163-168.
- Any operator of a UCITS scheme, insurance intermediary, mortgage broker and mixed financial holding company does not fall into the directive definitions of either financial sector or insurance sector. They should therefore be ignored for the purposes of these calculations.

Threshold tests

For the purpose of completing section 2 of the form relating to the threshold tests, the following guidance should be used. However, if you consider that for your group there is a more appropriate calculation then you may use this calculation so long as the method of computation is submitted with the form.

Calculating balance sheet totals

Generally, use total (gross) assets for the balance sheet total of a group/entity. However, investments in other entities that are part of the group will need to be deducted from the sector that has made the investment and the balance sheet total of the entity is added to the sector in which it operates.
Our expectation of how this may be achieved efficiently is as follows:

(i) Off-balance-sheet items should be excluded.

(ii) Where off-balance sheet treatment of **funds under management** and on-balance sheet treatment of **policy holders' funds** may distort the threshold calculation, groups should consult the FSA on the appropriateness of using other measures under article 3.5 of the Financial Groups Directive.

(iii) If consolidated accounts exist for a sub-group consisting of financial entities from only one of the two sectors, these consolidated accounts should be used to measure the balance-sheet total of the sub-group (i.e. total assets less investments in entities in the other sector). If consolidated accounts do not exist, intra-group balances should be netted out when calculating the balance sheet total of a single sector (but cross-sector intra-group balances should not be netted out).

(iv) Where consolidated accounts are used, minority interests should be excluded and goodwill should be included.

(v) Where accounting standards differ between entities, groups should consult the FSA if they believe this is likely materially to affect the threshold calculation.

(vi) Where there is a subsidiary or participation in the opposite sector from its parent (i.e. insurance sector for a banking/investment firm parent and vice versa), the balance sheet amount of the subsidiary or participation should be allocated to its sector using its individual accounts.

(vii) The balance-sheet total of the parent entity/sub-group is measured as total assets of the parent/sub-group less the book value of its subsidiaries or participations in the other sector (i.e. the value of the subsidiary or participation in the parent's consolidated accounts is deducted from the parent's consolidated assets).

(viii) The cross-sector subsidiaries or participations referred to above, valued according to their own accounts, are allocated pro-rata, according to the aggregated share owned by the parent/sub-group, to their own sector.
(ix) If the cross-sector entities above themselves own group entities in the first sector (i.e. that of the top parent/sub-group) these should (in accordance with the methods above) be excluded from the second sector and added to the first sector using individual accounts.

Solvency (capital adequacy) requirements

Generally, the solvency requirements should be according to sectoral rules (that is EEA prudential sectoral legislation – see Glossary). However, for convenience, you may choose to use either EEA rules, FSA rules or local rules. But if this choice makes a significant difference, either with respect to whether the group is a financial conglomerate or with respect to which sector is the biggest, you should consult with the FSA. Non-regulated financial entities should have proxy requirements calculated on the basis of the most appropriate sector. If sub-groups submit single sector consolidated returns then the solvency requirement may be taken from those returns.

Our expectation of how this may be achieved efficiently is as follows:

(i) If you complete a solvency return for a sub-group consisting of financial entities from only one of the two sectors, the total solvency requirement for the sub-group should be used.

(ii) Solvency requirements taken must include any deductions from available capital so as to allow the appropriate aggregation of requirements.

(iii) Where there is a regulated subsidiary or participation in the opposite sector from its parent/sub-group, the solvency requirement of the subsidiary or participation should be from its individual regulatory return. If there is an identifiable contribution to the parent’s solvency requirement in respect of the cross-sector subsidiary or participation, the parent’s solvency requirement may be adjusted to exclude this.

(iv) Where there is an unregulated financial undertaking in the opposite sector from its parent/sub-group, the solvency requirement of the subsidiary or participation should be one of the following:

(a) as if the entity were regulated by the FSA under the appropriate sectoral rules;
(b) using EU minimum requirements for the appropriate sector; or
(c) using non-EU local requirements* for the appropriate sector.
Please note on the form which of these options you have used, according to the country and sector, and whether this is the same treatment as in your latest overall group solvency calculation.

(v) For banking/investment requirements, use the total amount of capital required.

(vi) For insurance requirements, use the Required Minimum Margin:

(a) UK firms, Form 9: for general insurance business = capital resources requirement [line 29]; for long-term insurance business = capital resources requirement (higher of Minimum Capital Requirement and Enhanced Capital Resources Requirement) [line 52].

(b) Overseas firms, either:
   • the local requirement*;
   • the EU minimum; or
   • the FSA requirement.

* N.B. local requirements may only be used if they are at least equivalent to the EU minimum (designated states or territories). However, local requirements of a non-designated state or territory may be used if the resulting ratio in F5 is significantly below the 10% threshold (for this purpose "significantly below" may be taken to mean <5%).

**Market share measures**

These are not defined by the directive. The aim is to identify any standard industry approaches to measuring market share in individual EU countries by sector, or any data sources which are commonly used as a proxy.

**Threshold tests**

*Test F2*

\[ \text{B/S of banking/investment + insurance sector} = \text{result \%} \]

\[ \text{B/S total} \]

*Test F3/F4/F5*

\[ \text{B/S of insurance sector} \]

\[ \text{B/S of banking/investment sector + insurance sector} = A\% \]
**B/S of banking/investment sector**  
B/S of banking/investment sector + insurance sector = B%

**Solvency requirement of insurance sector**  
Solvency requirement of banking/investment sector + insurance sector = C%

**Solvency requirement of banking/investment sector**  
Solvency requirement of banking/investment sector + insurance sector = D%

The relevant percentage for the insurance sector is:

\[(A\% + C\%)/2 = I\%\]

The relevant percentage for the banking/investment sector is:

\[(B\% + D\%)/2 = BI\%\]

The smallest sector is the sector with the smallest relevant percentage.

**If I\% < BI\% then F3 is insurance, F4 = A\%, and F5 = C\%**

**If BI\% < I\% then F3 is banking/investment, F4 = B\% and F5 = D\%**
Footnote: The conditions are that the EEA regulated entity at the head of the consolidation group:
(1) is a parent undertaking of a member of the consolidation group in the overall financial sector;
(2) has a participation in a member of the consolidation group that is in the overall financial sector; or
(3) has a consolidation Article 12(1) relationship with a member of the consolidation group that is in the overall financial sector.
Insert schedules into PRU as follows:

The Integrated Prudential Sourcebook
Schedule 1
Record Keeping Requirements

There are no record keeping requirements in PRU 1 or PRU 8. This Schedule does not cover any other chapter of PRU.
The Integrated Prudential Sourcebook
Schedule 2
Notification requirements

G

1  There are no notification requirements in *PRU* 1 or *PRU* 8. This Schedule does not cover any other chapter of *PRU*. 
G

1. There are no requirements for fees or other payments in PRU 1 or PRU 8. This Schedule does not cover any other chapter of PRU.
The Integrated Prudential Sourcebook
Schedule 4
Powers Exercised

G

1 The following powers and related provision in the Act have been exercised by the FSA to make the rules in PRU 1 and PRU 8:

(1) section 138 (General rule-making power)
(2) section 150(2) (Actions for damages)
(3) section 156 (General Supplementary powers).

2 The following power in the Act has been exercised by the FSA to give the guidance in PRU 1 and PRU 8:

Section 157(1) (Guidance).

3 This Schedule does not cover any other chapter of PRU.
The Integrated Prudential Sourcebook
Schedule 5
Rights of action for damages

G

1 The table below sets out the rules in PRU contravention of which by an *authorised person* may be actionable under section 150 of the Act (Actions for damages) by a person who suffers loss as a result of the contravention.

2 If a "Yes" appears in the column headed "For private person", the *rule* may be actionable by a *private person* under section 150 (or, in certain circumstances, his fiduciary or representative; see article 6(2) and (3)(c) of the Financial Services and Markets Act 2000 (Rights of Action) Regulations 2001 (SI 2001 No 2256)). A "Yes" in the column headed "Removed" indicates that the FSA has removed the right of action under section 150(2) of the Act. If so, a reference to the *rule* in which it is removed is also given.

3 The column headed "For other person" indicates whether the *rule* may be actionable by a person other than a *private person* (or his fiduciary or representative) under article 6(2) and (3) of those Regulations. If so, an indication of the type of person by whom the *rule* may be actionable is given.

Schedule 6
Rules that can be waived

G

1. The rules in PRU 8 can be waived by the FSA under section 148 of the Act (Modification or waiver of rules). This Schedule does not cover any other chapter of PRU.
Annex H

Amendments to the Authorisation manual

In this Annex, underlining indicates new text.

Connected persons

3.9.22 G (1) …

(1A) The Financial Groups Directive Regulations make special provision where the FSA is exercising its functions under Part IV of the Act (Permission to carry on regulated activities) for the purposes of carrying on supplementary supervision. Broadly, where the FSA, in the course of carrying on supplementary supervision, is considering varying the Part IV permission of a person who is a member of a group which is a financial conglomerate, the consultation provisions in section 49(2) of the Act are disapplied. In their place, the regulations impose special obligations, linked to the Financial Groups Directive, to obtain the consent of the relevant competent authorities, to consult those authorities and to consult with the group itself.
Annex I
Amendments to the Supervision manual

In this Annex underlining indicates new text and striking through indicates deleted text. Where an entire section of text is being deleted or inserted, the place where the change will be made is indicated and the text is not struck through or underlined.

3.9.5 R Table Auditor’s report

<table>
<thead>
<tr>
<th>whether in the auditor's opinion:</th>
</tr>
</thead>
<tbody>
<tr>
<td>(14) if the firm prepares a consolidated reporting statement supervision return at its accounting reference date, that it has been prepared in accordance with the rules.</td>
</tr>
</tbody>
</table>

... When will the FSA grant an application for variation of permission? ...

6.3.31 G In considering whether to grant a firm’s application to vary its Part IV permission, the FSA will also have regard, under section 49(1) of the Act (Persons connected with an applicant), to any person appearing to be, or likely to be, in a relationship with the firm which is relevant (see AUTH 3.9.22G to AUTH 3.9.24G (Connected persons)). The Financial Groups Directive Regulations make special consultation provisions where the FSA is exercising its functions under Part IV of the Act (Permission to carry on regulated activities) for the purposes of carrying on supplementary supervision – see AUTH 3.9.22G(1A).

... 7.3: Criteria for varying a firm’s permission ...

7.3.2 G The FSA may seek to vary a firm’s Part IV permission on its own initiative in certain situations, including the following:

... (4) If a firm is a member of a financial conglomerate and the FSA is implementing supplementary supervision under the Financial Groups Directive with respect to that financial conglomerate by imposing obligations on the firm. Further material on this can be found in PRU 8.4 (Cross sector groups) and SUP 16.7.73R to SUP
16.7.74R (reporting requirements with respect to financial conglomerates).

…

8.9: Decision making

…

8.9.2 G If the FSA, in the course of carrying on supplementary supervision of a financial conglomerate, is considering exercising its powers under section 148 of the Act (Modification or waiver of rules), regulation 4 of the Financial Groups Directive Regulations contains special provisions. The FSA must, in broad terms, do two things. Where required by those regulations, it must obtain the consent of the relevant competent authorities of the group. And, where required by those Regulations, it must consult those competent authorities.

…

11.5: Form of notification by firms

…

11.5.4A G Firms are also reminded that a change in control may give rise to a notification as a financial conglomerate or a change in the supplementary supervision of a financial conglomerate (see PRU 8.4 (Cross sector groups) and PRU 8.5 (Third country groups)).

…

The FSA’s timeframe for responding to a notification

…

11.7.13 G Before giving an approval notice or warning notice, the FSA may be required to consult with must comply with certain requirements as to consultation with competent authorities outside the United Kingdom (sections 183(2) and 188(2) of the Act and the Financial Services and Markets Act 2000 (Consultation with Competent Authorities) Regulations 2001). The Financial Groups Directive Regulations make special provision in relation to (the change in control over a UK authorised person (within the meaning of section 178(4) of the Act) which is a member of a third country group.

…

After SUP 15.8.7G insert the following new section SUP 15.9:

15.9 Notifications by members of financial conglomerates
15.9.1 R A firm that is a regulated entity must notify the FSA immediately it becomes aware that any consolidation group of which it is a member:
(1) is a financial conglomerate; or
(2) has ceased to be a financial conglomerate.
15.9.2 R (1) A firm that is a regulated entity must establish whether or not any consolidation group of which it is a member:
(a) is a financial conglomerate; or
(b) has ceased to be a financial conglomerate;
if:
(c) the firm believes; or
(d) a reasonable firm that is complying with the requirements of the regulatory system would believe;
that it is likely that (a) or (b) is true.
(2) A firm does not need to determine whether (1)(a) is the case if the consolidation group is already being regulated as a financial conglomerate.
(3) A firm does not need to determine whether (1)(b) is the case if notification has already been given as contemplated by SUP 15.9.4R

15.9.3 G A firm should consider the requirements in SUP 15.9.2R on a continuing basis, and in particular, when the group prepares its financial statements and on the occurrence of an event affecting the consolidated group. Such events include, but are not limited to, an acquisition, merger or sale.

15.9.4 R A firm does not have to give notice to the FSA under SUP 15.9.1R if it or another member of the consolidation group has already given notice of the relevant fact to:
(1) the FSA; or
(2) (if another competent authority is co-ordinator of the financial conglomerate) that competent authority; or
(3) (in the case of a financial conglomerate that does not yet have a co-ordinator) the competent authority who would be co-ordinator under Article 10(2) of the Financial Groups Directive (Competent authority responsible for exercising supplementary supervision (the co-ordinator)).

Reports from groups

16.3.25 G If this chapter requires the submission of a report covering a group, a single report may be submitted, and so satisfy the requirements of all firms in the group. Such a report should contain the information required from all of them, meet all relevant due dates and indicate all the firms on whose behalf it is submitted; if necessary a separate covering sheet should list the firms on whose behalf a report is submitted. Nevertheless, the requirement to provide a report, and the responsibility for the report, remains with each firm in the group. However, reporting requirements that apply to a firm, by reason of the firm being a member of a financial conglomerate, are imposed on only one member of the financial conglomerate (see, for example, SUP 16.7.73R).
16.4.5 R Reporting requirement

(4) …

(4A) A firm that is a regulated entity must include in its report to the FSA under (1) whether any consolidation group of which it is a member is a third-country banking and investment group.

(4B) A firm does not have to give notice to the FSA under (4A) if it, or another member of the third-country banking and investment group, has already given notice to the FSA of the relevant fact.

(5) …

Note 1 = This report is only required from a firm if it is a member of a group, and it is subject to consolidated supervision as set out in IPRU(INV) 13.7.1R to 13.7.2R Chapter 14.

…

Note 3 = Personal investment firms that are CAD investment firms must add the required information to the large exposure reporting in Form 13I. For the purposes of this reporting requirement, a transaction will be presumed to be significant if its amount exceeds 5% of the total amount of capital adequacy requirements at the level of the group.

…

117
16.7.51 R  (1) A Category A1, A2 or A3 firm must submit the reports in SUP 16.7.45R and SUP 16.7.47R in accordance with, and in the same format as:
(a)  the forms contained in SUP 16 Ann 7R (sections 1, 3 and 6), and as required by section 5 of that annex; and
(b)  the forms contained in SUP 16 Ann 20R, and having regard to SUP 16 Ann 21G.

16.7.52 G  Guidance notes for the completion of reports for the purposes of consolidated supervision, and of the annual questionnaire required under SUP 16.7.48R can be found in SUP 16 Ann 8G.

(Only for UCITS investment firms) | Annually | As soon as available after year-end |

---

16.7.69R A UCITS management company must submit the required reports in SUP 16.7.68R in accordance with, and in the same format as:

1. the forms contained in SUP 16 Ann 16R, and according to the requirements contained in as required by section 3 of that annex; and
2. the form contained in SUP 16 Ann 20R, and having regard to SUP 16 Ann 21G.

---

After SUP 16.7.72R, insert the following new rules, SUP 16.7.73R and SUP 16.7.74R:

**Financial conglomerates**

16.7.73 R (1) A firm that is a member of a financial conglomerate must submit financial reports to the FSA in accordance with the table in SUP 16.7.74R if:

(a) it is at the head of an FSA regulated EEA financial conglomerate; or

(b) its Part IV permission contains a relevant requirement.

(2) In (1)(b), a relevant requirement is one which:

(a) applies SUP 16.7.74R to the firm; or

(b) applies SUP 16.7.74R to the firm unless the mixed financial holding company of the financial conglomerate to which the firm belongs submits the report required under this rule (as if the rule applied to it).

16.7.74 R Table Financial reports from a member of a financial conglomerate (see SUP 16.7.73R)

<td>Note 5</td>
<td>Note 5</td>
</tr>
</tbody>
</table>

Note 1 = When giving the report required, a firm must use the form indicated, if any.

Note 2 = If Part 1 of PRU 8 Annex 1 (method 1), Part 2 of PRU 8 Annex 1 (method 2), or Part 3 of PRU 8 Annex 1 (method 3) applies, there is no specific form. Adequate information must be provided, and each financial conglomerate for which the FSA is the co-ordinator must discuss with the FSA how to do this.

If Part 4 of PRU 8 Annex 1 applies (method 4):
(1) a banking conglomerate must use form SUP 16 Ann 1R (BSD3);
(2) a building society conglomerate must use form SUP 16 Ann 3R (MFS1 Tables D&F);
(3) an investment services conglomerate must use form SUP 16 Ann 20R;
(4) an insurance conglomerate must use the Parent Undertaking Reporting Format example in GN 10.1 of IPRU(INS).

Note 3 = Rather than specifying a standard format for each financial conglomerate to use, each financial conglomerate for which the FSA is the co-ordinator must discuss with the FSA the form of the information to be reported. This should mean that usual information management systems of the financial conglomerate can be used to the extent possible to generate and analyse the information required.

When reviewing the risk concentration levels, the FSA will in particular monitor the possible risk of contagion in the financial conglomerate, the risk of a conflict of interests, the risk of circumvention of sectoral rules, and the level or volume of risks.

Note 4 = For the purposes of this reporting requirement, an intra-group transaction will be presumed to be significant if its amount exceeds 5% of the total amount of capital adequacy requirements at the level of the financial conglomerate.

Rather than specifying a standard format for each financial conglomerate to use,
each financial conglomerate for which the FSA is the co-ordinator will need to discuss with the FSA the form of the information to be reported. This should mean that usual information management systems of the financial conglomerate can be used to the extent possible to generate and analyse the information required.

When reviewing the intra-group transactions, the FSA will in particular monitor the possible risk of contagion in the financial conglomerate, the risk of a conflict of interests, the risk of circumvention of sectoral rules, and the level or volume of risks.

Note 5 = The frequency and due date will be as follows:

1. banking conglomerate: frequency is half-yearly with due date 20 business days after period end (24 business days if submitted electronically);
2. building society conglomerate: frequency is quarterly with due date seven business days after month end (largest societies) and ten business days after month end (other societies);
3. investment services conglomerate: frequency is half yearly with due date three months after period end;
4. insurance conglomerate: frequency is yearly with due date four months after period end for the capital adequacy return and three months after period end for the intra-group transactions.

Note 6 = Adequate information must be added as a separate item to the relevant form for sectoral reporting.

Ann 2G: Guidance notes on completion of banks’ reporting forms (including validations)

In “Form BSD3 –Reporting instructions”, “D400-D470 Deductions from capital”, insert the following paragraph at the end of item D460:

Where the reporting institution is required to deduct the amount of material insurance holdings (see IPRU (BANK) Chapter CA, section 10.2), the deduction should be the higher of the book value and the regulatory capital requirement of the affiliate concerned, the latter pro rata to the interest held. The book value should already have been included in item A160, and deducted from capital in item D400; where the regulatory capital requirement is a higher figure, the difference over the book value should be included here.

Ann 3R: Building societies’ reporting forms

Building society quarterly statement - QFS1; D Capital Available: Own Funds: Society and Group
Note (d) Capital instruments in other CFI’s, deductions in respect of life companies material insurance holdings, mortgage indemnity insurance captives, securitisations etc. - [Chapter 1 (Solvency) of Volume 1 of the IPSB for building societies refers].

…

Ann 4G: Guidance notes on completion of building societies’ reporting forms
Quarterly statement QSF1 – Guidance notes; Section D: Capital available: own funds

D3.1 Deductions not shown elsewhere

Deduct all holdings of capital instruments of other credit or financial institutions, CFIs. (See Annex of P/G for fuller definitions). This means holdings of share capital in a society’s connected undertakings. For society columns it is any such holdings in CFIs; for Group columns only include holdings in such bodies that are not consolidated in Group figures.

Also include deductions (described in P/G) in respect of the following: life and general insurance companies material insurance holdings, mortgage indemnity insurance captives, securitisations, etc.

…

... 

ELM 2.4.2R Table: Calculation of initial capital and own funds

... 

material holdings in financial institutions or credit institutions the total amount of material holdings in certain persons (see ELM 2.4.17R) 

...

ELM 2.4.17R Material holdings

(1) The total amount of a firm's material holdings as referred to at stage F of the calculation in the table in ELM 2.4.2R is in financial institutions or credit institutions the sum of:
(a) the total value of all ownership shares and all subordinated loan capital coming within (6) owned by the firm (or in which it has a position) in any relevant financial services company or financial institution in which the firm owns more than 10% of the ownership shares; and

(b) the amount by which the total amount specified in (3) exceeds 10% of the firm’s own funds (calculated before the deduction of material holdings at stage F of the calculation in ELM 2.4.2 R); and

(c) ownership shares in any:

(i) insurance undertaking; or

(ii) insurance holding company;

if it fulfils one of the following conditions:

(iii) it is a subsidiary undertaking of the firm; or

(iv) the firm holds a participation in it; and

(d) any item of capital of a type referred to in (6) in an insurance undertaking or insurance holding company coming within (1)(c).

(2) …

(3) The amount referred to in (1)(b) is the sum of the total value of all the ownership shares and all subordinated loan capital coming within (6) owned by the firm (or in which it has a position) in financial institutions or credit institutions relevant financial services companies except for financial institutions or credit institutions relevant financial services companies that fall into (1)(a).

(4) The firm must include ownership shares and subordinated loan capital any item of capital of the type referred to in (6) and ownership shares, and subordinated loan capital

(a) of which it is not the registered owner but which it owns beneficially; or

(b) that are or should be included as an asset in its accounting records.

(5) The value of ownership shares and subordinated loan capital coming within (6) for the purposes of ELM 2.4.17R (1)(a) and (3) is the full balance sheet value.

(6) An item falls into this paragraph if it is a subordinated debt or other item of capital that:
(a) (in the case of an insurance undertaking or insurance holding company) falls into Article 16(3) of the First Non-Life Directive or, as applicable, Article 27(4) of the Consolidated Life Directive; or

(b) (in the case of a relevant financial services company or financial institution) falls into Article 35 or Article 36(3) of the Banking Consolidation Directive.

... After ELM 7.8.8G insert the following new provisions, ELM 7.8.9G and ELM 7.8.10G:

7.8.9 G If a firm is linked to other financial services undertakings by a consolidation Article 12(1) relationship, the FSA will determine how to apply the provisions of this chapter.

7.8.10 G If a firm is part of a financial conglomerate, the provisions of PRU 8.4 apply. If a firm is part of a third-country group, the provisions of PRU 8.5 apply.
Annex L
Amendments to the Glossary

PART 1 (NEW DEFINITIONS)
In this part of this Annex, all the text is new and is not underlined.

ancillary insurance services undertaking
(in relation to any undertaking in a consolidation group, sub-group or other group of persons) an undertaking complying with the following conditions:

(a) its principal activity consists of:
   (i) owning or managing property; or
   (ii) managing data-processing services; or
   (iii) any other similar activity;

(b) the activity in (a) is ancillary to the principal activity of one or more insurance undertakings;

(c) those insurance undertakings are also members of that consolidation group, sub-group or other group of persons; and

(d) (for the purpose of PRU 8.4 (Cross sector groups), PRU 8.5 (Third country groups), PRU 8 Ann 1R (Capital adequacy calculations for financial conglomerates) and PRU 8 Ann 2R (Prudential rules for third country groups) it is not an ancillary banking services undertaking.

ancillary investment services undertaking
(in relation to any undertaking in a consolidation group, sub-group or other group of persons) an undertaking complying with the following conditions:

(a) its principal activity consists in:
   (i) owning or managing property; or
   (ii) managing data-processing services; or
   (iii) any other similar activity;

(b) the activity in (a) is ancillary to the principal activity of one or more investment firms;

(c) those investment firms are also members of that consolidation group, sub-group or other group of persons; and

(d) (for the purpose of PRU 8.4 (Cross sector groups), PRU 8.5 (Third country groups), PRU 8 Ann 1R (Capital adequacy calculations for financial conglomerates) and PRU 8 Ann 2R (Prudential rules for third country groups) it is not an ancillary banking services undertaking.

applicable sectoral consolidation rules (in respect of a financial sector and in accordance with paragraph 6.10 of PRU 8 Ann 1R (Applicable sectoral consolidation rules)) the FSA's sectoral rules about capital adequacy and solvency on a consolidated basis applicable to that financial sector under the table in paragraph 6.11 of PRU 8 Ann 1R.

applicable sectoral rules (in respect of a financial sector) applicable sectoral consolidation rules for that financial sector and the FSA's sectoral rules about capital adequacy and solvency applicable to that financial sector under the table in paragraph 6.8 of PRU 8 Ann 1R; which of those sets of rules apply for the purpose of a particular calculation depends on the nature of that calculation.

asset management company (for the purpose of ELM and PRU 8 (Group risk) and in accordance with Article 2(5) of the Financial Groups Directive (Definitions)) a management company within the meaning of Article 1a(2) of the UCITS Directive, as well as an undertaking the registered office of which is outside the EEA and which would require authorisation in accordance with Article 5(1) of the UCITS Directive if it had its registered office within the EEA.

banking and investment group a group of persons (at least one of which is an EEA regulated entity that is a credit institution or an investment firm) who:

(a) form a group in respect of which the consolidated capital adequacy requirements for the banking sector or the investment services sector under:

(i) the FSA's sectoral rules; or

(ii) the sectoral rules of another competent authority; apply; or

(b) would form such a group if the scope of those sectoral rules were amended as described in paragraph 3.1 of PRU 8 Ann 2R (removing restrictions relating to place of incorporation or head office of members of those financial sectors).
banking conglomerate: a financial conglomerate identified as a banking conglomerate in the decision tree in paragraph 4.5 of PRU 8 Ann 1R (Decision tree for types of financial conglomerate and definition of most important financial sector).

banking sector: a sector composed of one or more of the following entities:
(a) a credit institution;
(b) a financial institution; and
(c) an ancillary banking services undertaking.

broker/manager: a firm with permission for dealing in investments as agent or managing investments (including an operator of an unregulated collective investment scheme) but which:
(a) does not have permission to deal in investments as principal;
(b) is not a UCITS management company;
(c) is not an insurer; and
(d) is not a bank, a building society or an ELMI.

building society conglomerate: a financial conglomerate identified as a building society conglomerate in the decision tree in paragraph 4.5 of PRU 8 Ann 1R (Decision tree for types of financial conglomerate and definition of most important financial sector).

coordinator: (in relation to a financial conglomerate) the competent authority which has been appointed, in accordance with Article 10 of the Financial Groups Directive (Competent authority responsible for exercising supplementary supervision (the coordinator)), as the competent authority which is responsible for the co-ordination and exercise of supplementary supervision of that financial conglomerate.

conglomerate capital resources: (in relation to a financial conglomerate with respect to which PRU 8.4.29R (Application of methods 1, 2 or 3 from Annex I of the Financial Groups Directive) applies) capital resources as defined in whichever of paragraphs 1.1, 2.1 or 3.1 of PRU 8 Ann 1R (Capital adequacy calculations for financial conglomerates) applies with respect to that financial conglomerate.

conglomerate capital resources requirement: (in relation to a financial conglomerate with respect to which PRU 8.4.29R (Application of methods 1, 2 or 3 from Annex I of the Financial Groups Directive) applies) the capital resources requirement defined in whichever of paragraphs 1.3, 2.4 or 3.3 of PRU 8 Ann 1R (Capital adequacy calculations for financial conglomerates) applies with respect to that financial conglomerate.
consolidation Article 12(1) relationship  

A relationship between one undertaking (the first undertaking) and one or more other undertakings satisfying the conditions set out in Article 12(1) of the Seventh Company Law Directive, which in summary are as follows:

(a) those undertakings are not connected, as described in article 1(1) or (2) of that Directive; and 

(b) one of the following conditions is satisfied:

(i) they are managed on a unified basis pursuant to a contract concluded with the first undertaking or provisions in the memorandum or articles of association of those undertakings; or 

(ii) the administrative, management or supervisory bodies of those undertakings consist, for the major part, of the same persons in office during the financial year in respect of which it is being decided whether such a relationship exists.

consolidation group  
The following:

(a) a conventional group; or 

(b) undertakings linked by a consolidation Article 12(1) relationship.

If a parent undertaking or subsidiary undertaking in a conventional group (the first person) has a consolidation Article 12(1) relationship with another person (the second person), the second person (and any subsidiary undertaking of the second person) is also a member of the same consolidation group.

conventional group  

(for the purposes of PRU 8 (Group Risk)) a group of undertakings that consists of a parent undertaking and the rest of its sub-group.

EEA banking and investment group  

A banking and investment group that satisfies one or more of the following conditions:

(a) it is headed by:

(i) an investment firm or credit institution that is authorised and incorporated in an EEA State; or 

(ii) a financial holding company that has its head office in an EEA State; or 

(b) it has as a member an investment firm or credit institution that:
(i) is authorised and incorporated in an *EEA State*; and

(ii) is linked with another member that is in the *banking sector* or the *investment services sector* by a consolidation Article 12(1) relationship; or

(c) it is otherwise required by *EEA prudential sectoral legislation* for the *banking sector* or the *investment services sector* (except Article 56a of the Banking Consolidation Directive (Third-country parent undertakings)) to be subject to consolidated supervision by a *competent authority*.

---

**EEA financial conglomerate**

*a financial conglomerate* that is of a type that falls under Article 5(2) of the *Financial Groups Directive* (Scope of supplementary supervision of regulated entities referred to in Article 1 of that Directive) which in summary means a financial conglomerate:

(a) that is headed by an *EEA regulated entity*; or

(b) in which the parent undertaking of an *EEA regulated entity* is a *mixed financial holding company* which has its head office in the *EEA*; or

(c) in which an *EEA regulated entity* is linked with a member of the financial conglomerate in the overall financial sector by a consolidation Article 12(1) relationship.

---

**EEA prudential sectoral legislation**

(in relation to a *financial sector*) requirements applicable to *persons* in that *financial sector* in accordance with *EEA legislation about prudential supervision of regulated entities* in that *financial sector* and so that:

(a) (in relation to the *banking sector* and the *investment services sector*) in particular this includes the requirements laid down in the Banking Consolidation Directive and the Capital Adequacy Directive; and

(b) (in relation to the *insurance sector*) in particular this includes requirements laid down in the First Non-Life Directive, the Consolidated Life Directive and the Insurance Groups Directive.

---

**EEA regulated entity**

*a regulated entity* that is an *EEA firm* or a *UK firm*.

**exempt CAD firm**

(in accordance with Article 2(2) of the Capital Adequacy Directive (Definitions)) a *firm* that satisfies the following conditions:

(a) it is an *ISD investment firm*;

(b) it is not an *insurer*, a *bank*, a *building society* or an *ELMI*;
(c) its permission is subject to a limitation or requirement preventing it from holding client money or clients’ assets and for that reason it may not at any time place itself in debit with its clients; and

(d) the only core investment service for which it has permission is receiving and transmitting on behalf of investors orders in relation to one or more of the instruments listed in Section B of the Annex to the ISD.

financial conglomerate (in accordance with Article 2(14) of the Financial Groups Directive (Definitions)) a consolidation group that is identified as a financial conglomerate by the financial conglomerate definition decision tree.

financial conglomerate definition decision tree the decision tree in PRU 8 Ann 4R.

Financial Groups Directive Regulations [To be included in the Glossary when those Regulations are made]

financial sector one of the banking sector, the insurance sector or the investment services sector.

FSA regulated EEA financial conglomerate a financial conglomerate (other than a third-country financial conglomerate) that satisfies one of the following conditions:

(a) PRU 8.4.26R or PRU 8.4.29R (Capital adequacy calculations for financial conglomerates) applies with respect to it; or

(b) a firm that is a member of that financial conglomerate is subject to obligations imposed through its Part IV permission to ensure that that financial conglomerate meets levels of capital adequacy based or stated to be based on Annex I of the Financial Groups Directive.

insurance conglomerate a financial conglomerate identified as an insurance conglomerate in the decision tree in paragraph 4.5 of PRU 8 Ann 1R (Decision tree for types of financial conglomerate and definition of most important financial sector).

(1) a parent undertaking, other than an insurance undertaking, the main business of which is to acquire and hold participations in subsidiary undertakings and which fulfils the following conditions:

(a) its subsidiary undertakings are either exclusively or mainly insurance undertakings;

(b) at least one of those subsidiary undertakings is a UK insurer or an EEA firm that is a regulated insurance entity; and

(c) it is not a mixed financial holding company.

(2) For the purposes of:

(a) the definition of the insurance sector; and

(b) ELM;

paragraph (1)(b) of this definition does not apply.

insurance sector a sector composed of one or more of the following entities:

(a) an insurance undertaking;

(b) an insurance holding company; and

(c) (in the circumstances described in PRU 8.4.39R (The financial sectors: Asset management companies)) an asset management company.

intra-group transactions (in accordance with Article 2(18) of the Financial Groups Directive (Definitions)) all transactions by which regulated entities within a financial conglomerate rely either directly or indirectly upon other undertakings within the same financial conglomerate or upon any person linked to the undertakings within that financial conglomerate by close links, for the fulfilment of an obligation whether or not contractual, and whether or not for payment.

investment services conglomerate a financial conglomerate identified as an investment services conglomerate in the decision tree in paragraph 4.5 of PRU 8 Ann 1R (Decision tree for types of financial conglomerate and definition of most important financial sector).

investment services sector a sector composed of one or more of the following entities:

(a) an investment firm;

(b) a financial institution; and
(c) (in the circumstances described in PRU 8.4.39R (The financial sectors: Asset management companies)) an asset management company.

**main investment services undertaking** (for the purpose of PRU 8 (Group Risk) and in relation to a financial conglomerate):

(a) (if there is only one investment firm in that financial conglomerate) that investment firm; and

(b) (if there is more than one investment firm in that financial conglomerate) the member of the financial conglomerate identified in the same way as the main firm for the purposes of rule 14.4.2 of Chapter 14 of IPRU(INV) (Group Financial Resources), but so that the comparison required by that rule must be carried out with respect to all investment firms in the financial conglomerate.

**matched principal broker** a firm with permission to deal in investments as principal other than:

(a) a bank, a building society or an ELMI; or

(b) a UCITS management company; or

(c) an insurer; or

(d) a local;

and which satisfies the following conditions:

(e) it deals as principal only to fulfil customer orders;

(f) it holds positions for its own account only as a result of a failure to match investors' orders precisely;

(g) the total market value of the positions is no higher than 15% of the firm's initial capital; and

(h) the positions are incidental and provisional in nature and strictly limited to the time required to carry out the transaction in question.

**mixed-activity holding company** one of the following:

(a) (in accordance with Article 1(22) of the Banking Consolidation Directive (Definitions)) a parent undertaking, other than a financial holding company, a credit institution or a mixed financial holding company, the subsidiary undertakings of which include at least one credit institution; or
(b) (in accordance with Article 7(3) of the Capital Adequacy Directive (Supervision on a consolidated basis) and in relation to a banking and investment group without any credit institutions in it) a parent undertaking, other than a financial holding company, an investment firm or a mixed financial holding company, the subsidiary undertakings of which include at least one investment firm.

mixed-activity insurance holding company (in accordance with Article 1(j) of the Insurance Groups Directive (Definitions)) a parent undertaking, other than an insurance undertaking, an insurance holding company or a mixed financial holding company, the subsidiary undertakings of which include at least one insurance undertaking.

mixed financial holding company (in accordance with Article 2(15) of the Financial Groups Directive (Definitions)) a parent undertaking, other than a regulated entity, which together with its subsidiary undertakings, at least one of which is an EEA regulated entity, and other entities, constitutes a financial conglomerate.

most important financial sector (in relation to a financial sector in a consolidation group or a financial conglomerate and in accordance with PRU 8.4 (Cross sector groups)) the financial sector with the largest average referred to in the box titled Threshold Test 2 in the financial conglomerate definition decision tree (10% ratio of balance sheet size and solvency requirements); and so that:

(a) the investment services sector and the banking sector are treated as one for the purposes set out in PRU 8.4.7R (Definition of financial conglomerate: The financial sectors: General); and

(b) the definition is altered as set out in paragraph 4.4 and the decision tree in paragraph 4.5 of PRU 8 Ann 1R (Types of financial conglomerate and definition of most important financial sector) for the purposes set out in paragraph 4.4 of PRU 8 Ann 1R.

overall financial sector a sector composed of one or more the following types of entities:

(a) members of each of the financial sectors; and

(b) (except where PRU 8.4 (Cross sector groups) or PRU 8 Ann 1R (Capital adequacy calculations for financial conglomerates) provide otherwise) a mixed financial holding company.

own account dealer a firm with permission to deal in investments as principal other than:

(a) a bank, a building society or an ELMI; or
(b) an insurer; or

(c) a UCITS management company; or

(d) a matched principal broker; or

(e) an ICVC; or

(f) a local.

participation

(for the purposes of ELM and PRU 8 (Group risk)):

(a) a participating interest as defined in section 260 of the Companies Act 1985; or

(b) the direct or indirect ownership of 20% or more of the voting rights or capital of an undertaking;

but excluding the interest of a parent undertaking in its subsidiary undertaking.

PRU

the Integrated Prudential Sourcebook.

regulated entity

one of the following:

(a) a credit institution; or

(b) a regulated insurance entity; or

(c) an investment firm;

whether or not it is incorporated in, or has its head office in, an EEA State.

An asset management company is treated as a regulated entity for the purposes described in PRU 8.4.39R (The financial sectors: asset management companies).

regulated insurance entity

an insurance undertaking within the meaning of Article 4 of the Consolidated Life Directive, Article 6 of the First Non-Life Directive or Article 1(b) of the Insurance Groups Directive.

relevant competent authorities

(in relation to a financial conglomerate) those competent authorities which are, or which have been appointed as, relevant competent authorities in relation to that financial conglomerate under Article 2(17) of the Financial Groups Directive (Definitions).
**risk concentration**

(in accordance with Article 2(19) of the Financial Groups Directive (Definitions)) all exposures with a loss potential borne by entities within a financial conglomerate, which are large enough to threaten the solvency or the financial position in general of the regulated entities in the financial conglomerate; such exposures may be caused by counterparty risk, credit risk, investment risk, insurance risk, market risk, other risks, or a combination or interaction of these risks.

**sectoral rules**

(in relation to a financial sector) rules and requirements relating to the prudential supervision of regulated entities applicable to regulated entities in that financial sector as follows:

(a) (for the purposes of PRU 8.4.12R (Definition of financial conglomerate: Solvency requirement)) EEA prudential sectoral legislation for that financial sector together with as appropriate the rules and requirements in (c); or

(b) (for the purpose of calculating solo capital resources and a solo capital resources requirement):

(i) (to the extent provided for in paragraph 6.5 of PRU 8 Ann 1R) rules and requirements that are referred to in paragraph 6.6 of PRU 8 Ann 1R (Solo capital resources requirement: Non-EEA firms subject to equivalent regimes); and

(ii) the rules and requirements in (c); or

(c) (for all other purposes) rules and requirements:

(i) of the FSA; or

(ii) of or administered by another competent authority;

and so that:

(d) (in relation to prudential rules about consolidated supervision for any financial sector) those requirements include ones relating to the form and extent of consolidation;

(e) (in relation to any financial sector) those requirements include ones relating to the eligibility of different types of capital;

(f) (in relation to any financial sector) those requirements include both ones applying on a solo basis and ones applying on a consolidated basis;
(g) (in relation to the *insurance sector*) references in this definition to consolidated supervision are to supplementary supervision, similar expressions being interpreted accordingly; and

(h) references to the *FSA's sectoral rules* are to *sectoral rules* in the form of *rules*.

**smallest financial sector** (in relation to a *financial sector* in a *consolidation group* or a *financial conglomerate* and in accordance with *PRU 8.4 (Cross sector groups)*) the *financial sector* with the smallest average referred to in the box titled Threshold Test 2 in the *financial conglomerate definition decision tree* (10% ratio of balance sheet size and solvency requirements), the *banking sector* and *investment services sector* being treated as one *financial sector* in the circumstances set out in *PRU 8.4*.

**solo capital resources** (for the purposes of *PRU 8 (Group risk)* and in relation to a member of a *financial conglomerate* in the *overall financial sector*) capital resources that are or would be eligible as capital under the *sectoral rules* that apply for the purpose of calculating its *solo capital resources requirement*. Paragraph 6.9 of *PRU 8 Ann 1R (Solo capital resources requirement: the insurance sector)* applies for the purpose of this definition in the same way as it does for the definition of *solo capital resources requirement*.

**solo capital resources requirement** (for the purpose of *PRU 8 (Group risk)*) a capital resources requirement calculated on a solo basis as defined in paragraphs 6.2-6.9 of *PRU 8 Ann 1R (Solo capital resources requirement: the insurance sector)*.

**solvency deficit** (in *PRU 8 Ann 1R (Capital adequacy calculations with respect to financial conglomerates)* and in respect of a member of the *overall financial sector*) the amount (if any) by which its *solo capital resources* fall short of its *solo capital resources requirement*.

**third-country banking and investment group** a *banking and investment group* that meets the following conditions:

(a) it is headed by:

   (i) a *credit institution*; or

   (ii) an *asset management company*; or

   (iii) an *investment firm*; or

   (iv) a *financial holding company*;

that has its head office outside the *EEA*; and
(b) it is not part of a wider EEA banking and investment group.

PART 2 (AMENDED DEFINITIONS)
In this part of this Annex, underlining indicates new text and striking through indicates deleted text.

ancillary banking services undertaking

(in ELM) (as defined in article 1.23 of the Banking Coordination Consolidation Directive (Definitions)) and in relation to an undertaking in a consolidation group, sub-group or another group of persons) an undertaking complying with the following conditions:

(a) its principal activity of which consists in:

(i) owning or managing property;

(ii) managing data-processing services; or

(iii) any other similar activity;

(b) the activity in (a) which is ancillary to the principal activity of one or more credit institutions; and

(c) those credit institutions are also members of that consolidation group, sub-group or group.

arranger

(1) (For the purposes of PRU 8 (Group risk) a firm with permission for one or more of the following:

(a) arranging (bringing about) deals in investments; or

(b) making arrangements with a view to transactions in investments;

and which:

(c) is not a bank, a building society or an ELMI;

(d) is not an insurer;

(e) is not a UCITS management company;

(f) is not a local; and

(g) does not have permission:

(i) to deal in investments as principal; or

(ii) for dealing in investments as agent; or

(iii) for managing investments.
(2) (for all other purposes) a person who is arranging (bringing about) deals in investments, making arrangements with a view to transactions in investments, or agreeing to carry on any of those regulated activities.

**competent authority**

(1) …

(2) …

(3) (for the purposes of PRU 8.1 (Group risk systems and controls requirement), PRU 8.4 (Cross sector groups), PRU 8.5 (Third country groups), PRU 8 Ann 1R (Capital adequacy calculations for financial conglomerates) and PRU 8 Ann 2R (Prudential rules for third country groups)) any national authority of an EEA State which is empowered by law or regulation to supervise regulated entities, whether on an individual or group-wide basis.

**financial holding company** (in ELM) a financial institution, that fulfils the following conditions:

(a) the its subsidiary undertakings of which are either exclusively or mainly relevant financial services companies credit institutions, investment firms or financial institutions; and

(b) one of which at least one of those subsidiary undertakings is a relevant financial services company credit institution or an investment firm; and

(c) it is not a mixed financial holding company.

**financial institution**

(1) (in accordance with paragraph 5(c) of Schedule 3 to the Act (EEA Passport Rights: EEA firm) and article 1(5) of the Banking Consolidation Directive (Definitions), but not for the purposes of ELM or PRU 8 (Group risk)), an undertaking, other than a credit institution, the principal activity of which is to acquire holdings or to carry on one or more of the listed activities listed in points 2 to 12 of Annex I to the BCD, which is a subsidiary of the kind mentioned in article 19 of the BCD and which fulfils the conditions in articles 18 and 19 of the BCD.

(2) (for the purposes of ELM and PRU 8 (Group risk) and in accordance with Articles 1(5) (Definitions)and 2(2) (Scope) of the Banking Consolidation Directive):
(a) an undertaking, other than a credit institution, the principal activity of which is to acquire holdings or to carry on one or more of the listed activities listed in points 2 to 12 of Annex I to the Banking Consolidation Directive; (in ELM) an undertaking other than a credit institution, the principal activity of which is to acquire holdings or to carry on one or more of the activities listed in points 2 to 12 of Annex 1 of the Banking Consolidation Directive.

(b) those institutions permanently excluded by paragraph 2(3) of the Banking Consolidation Directive (Scope), with the exception of the central banks of Member States, but so that, so far as this paragraph (b) applies for the purposes of ELM, it only applies for the purposes of chapter 7 (Consolidated financial supervision) of ELM; and

(c) (for the purposes of ELM) an asset management company.

FSA consolidation rule (in ELM) the following rules in IPRU:

(a) 3.3.13R in chapter GN of IPRU(BANK) (as it applies on a consolidated except as it applies to a bank purely on a solo basis);

(b) IPRU(BSOC) 1.2.1R (as it applies on a consolidated except as it applies to a building society purely on a solo basis); and

(c) Chapter 14 of IPRU(INV) 5.7.1R;

(d) IPRU(INV) 10.200R(1) to 10.204R;

(e) IPRU(INV) 13.7.2AR and 13.2.7BR.

group (1) (except in relation to an ICVC and except for the purposes of PRU 8.1 (Group risk systems and controls requirement)) (as defined in section 421 of the Act (Group)) (in relation to a person ("A");) A and any person who is:

…

(2) …

(3) (for the purposes of PRU 8.1 (Group risk systems and controls requirement) and in relation to a person ("A");) A and any person:

(a) who falls into (1);
(b) who is a member of the same financial conglomerate as A;

(c) who has a consolidation Article 12(1) relationship with A;

(d) who has a consolidation Article 12(1) relationship with any person in (3)(a);

(e) who is a subsidiary undertaking of a person in (3)(c) or (3)(d); or

(f) whose omission from an assessment of the risks to A of A’s connection to any person coming within (3)(a)-(3)(e) or an assessment of the financial resources available to such persons would be misleading.

initial capital (1) (in ELM) items coming into stage A of the calculation in ELM 2.4.2R (Calculation of initial capital and own funds).

(2) (for the purposes of the definition of matched principal dealer, in accordance with Article 2(24) of the Capital Adequacy Directive (Definitions) and with respect to a firm) capital that is recognised for the purpose of the rules about capital adequacy to which that firm is subject but excluding, in accordance with items (1) and (2) of Article 34(2) of the Banking Consolidation Directive (General principles), anything that does not fall within the following classes of capital:

(a) capital within the meaning of Article 22 of the Bank Accounts Directive (Liabilities: Item 9 – Subscribed capital), insofar as it has been paid up, plus share premium accounts but excluding cumulative preferential shares; or

(b) reserves within the meaning of Article 23 of the Bank Accounts Directive (Liabilities: Item 11 – Reserves) and profits and losses brought forward as a result of the application of the final profit or loss. Interim profits can only be included before a formal decision has been taken only if these profits have been verified by persons responsible for the auditing of the accounts and if the amount thereof has been evaluated in accordance with the principles set out in the Bank Accounts Directive and is net of any foreseeable charge or dividend.
In the case of a firm subject to the rules in chapter 10 of IPRU(INV), initial capital means initial capital as defined in the Glossary to that chapter.

(parent undertaking)

(in accordance with section 420 of the Act (Parent and subsidiary undertaking) and section 258 of the Companies Act 1985 (Parent and subsidiary undertakings))

(a) (in relation to whether an undertaking, other than an incorporated friendly society, is a parent undertaking and except for the purposes of PRU 8.4 (Cross sector groups), PRU 8.5 (Third country groups), PRU 8 Ann 1R (Capital adequacy calculations for financial conglomerates) and PRU 8 Ann 2R (Prudential rules for third country groups)) an undertaking which has the following relationship to another undertaking ("S"): …

(b) (in relation to whether an incorporated friendly society is a parent undertaking and except for the purposes of PRU 8.4 (Cross sector groups), PRU 8.5 (Third country groups), PRU 8 Ann 1R (Capital adequacy calculations for financial conglomerates) and PRU 8 Ann 2R (Prudential rules for third country groups)) an incorporated friendly society which has the following relationship to a body corporate ("S"): …

(c) (for the purposes of PRU 8.4 (Cross sector groups), PRU 8.5 (Third country groups), PRU 8 Ann 1R (Capital adequacy calculations for financial conglomerates) and PRU 8 Ann 2R (Prudential rules for third country groups) and in relation to whether an undertaking is a parent undertaking) an undertaking which has the following relationship to another undertaking ("S"): …

(i) a relationship described in (a) other than (a)(vii); or

(ii) it effectively exercises a dominant influence over S and so that (ii) applies also for the purpose of PRU 8.1 (Group risk systems and controls requirement).

(sub-group) (in relation to a person): …
In this Addendum, underlining indicates new text and striking through indicates deleted text.

Annex G of this instrument is amended as follows to ensure that correct rule references of SUP 16.7.82R and SUP 16.7.83R are referred to in PRU 8.4.2G:

**Purpose**

8.4.2 G PRU 8.4 implements the *Financial Groups Directive*. However, material on the following topics is to be found elsewhere in the Handbook as follows:

…

(3) material on reporting obligations can be found in *SUP 16.7.73* SUP 16.7.82R and *SUP 16.7.74* SUP 16.7.83R; and

…  

…

Annex I of this instrument is amended as follows to ensure that the correct rule references of SUP 16.7.82R and SUP 16.7.83R are referred to in SUP 7 and SUP 16:

7.3.2 G The FSA may seek to vary a firm’s *Part IV permission* on its own initiative in certain situations, including the following:

…

(4) If a firm is a member of financial conglomerate and the FSA is implementing supplementary supervision under the *Financial Groups Directive* with respect to that financial conglomerate by imposing obligations on the firm. Further material on this can be found in PRU 8.4 (Cross sector groups) and *SUP 16.7.73* SUP 16.7.82R and *SUP 16.7.74* SUP 16.7.83R (reporting requirements with respect to financial conglomerates).

…

Reports from groups

16.3.25 G If this chapter requires the submission of a report covering a group, a single report may be submitted, and so satisfy the requirements of all firms in the group. Such a report should contain the information required from all of them, meet all relevant due dates and indicate all the firms on whose behalf
it is submitted; if necessary a separate covering sheet should list the *firms* on whose behalf a report is submitted. Nevertheless, the requirement to provide a report, and the responsibility for the report, remains with each *firm* in the group. However, reporting requirements that apply to a *firm*, by reason of the *firm* being a member of a financial conglomerate, are imposed on only one member of the financial conglomerate (see, for example, *SUP 16.7.73R, SUP 16.7.82R*).

*SUP 16.7.82R - SUP 16.7.83R*  |
| ...                                                |                                                      |
After [SUP 16.7.72R] [SUP 16.7.81G], insert the following new rules, [SUP 16.7.73R] and [SUP 16.7.74R] [SUP 16.7.82R] and [SUP 16.7.83R]:

Financial conglomerates

16.7.7382 R (1) A firm that is a member of a financial conglomerate must submit financial reports to the FSA in accordance with the table in [SUP 16.7.7483R] if:

(a) it is at the head of an FSA regulated EEA financial conglomerate; or

(b) its Part IV permission contains a relevant requirement.

(2) In (1)(b), a relevant requirement is one which:

(a) applies [SUP 16.7.7483R] to the firm; or

(b) applies [SUP 16.7.7483R] to the firm unless the mixed financial holding company of the financial conglomerate to which the firm belongs submits the report required under this rule (as if the rule applied to it).

16.7.7483 R Table Financial reports from a member of a financial conglomerate (see [SUP 16.7.7382R])
