Commencement, and as amended with effect from 30 June 2004

12.1 Application and purpose

Application

12.1.1 R (1) This chapter applies to a firm with permission to carry on designated investment business and which is considering appointing, has decided to appoint or has appointed an appointed representative.

(2) The rules, and guidance on rules, in this This chapter do not apply to a UCITS qualifier.

* see Addendum p33
12.2.2 G …

Who can be an appointed representative?

12.2.3 G …

Can an appointed representative have more than one principal?

12.2.4 G The Act and the Appointed Representatives Regulations do not prevent an appointed representative from acting for more than one principal. However, SUP 12.5.6A R (Prohibition of multiple principals for certain activities) prevents this for particular kinds of business.

12.2.5 G …

What is a "network"?

12.2.6 G (1) An appointed representative may be appointed by any firm with permission to carry on designated investment business of the type described in SUP 12.2.7G(1), including a provider firm or an independent intermediary.

(2) An independent intermediary is referred to as a ‘network’ if it appoints five or more appointed representatives or if it appoints less than five appointed representatives which have, between them, twenty-six or more financial advisers.

…

What is an introducer appointed representative?

12.2.8 G (1) An introducer appointed representative is an appointed representative appointed by a firm whose scope of appointment must, under SUP 12.5.7 R, be limited to:

(a) effecting introductions between customers and to the firm or other members of the firm’s marketing group; and

(b) distributing non-real time financial promotions which relate to products or services available from or through the firm approved by the firm or other members of the firm’s marketing group or the producer of an adopted packaged product.

(2) The permitted scope of appointment of an introducer appointed representative does not include in particular:

(a) arranging (bringing about) deals in investments; or

(b) advising on investments or other activity that might reasonably lead a customer to believe that he had received
advice on investments or that the introducer appointed representative is permitted to give advice on investments.

(3) An introducer appointed representative may have more than one principal, but will need a contract with each principal.

(4) The approved persons regime does not apply to an introducer appointed representative (see SUP 10.1.16R).

12.2.9 G

(4) To become an introducer appointed representative, a person must meet the conditions in the Act to become an appointed representative (see SUP 12.2.2G).

(2) In considering the appointment of a person as an introducer appointed representative, a firm should have regard to the requirements in SUP 12.5.7R. In particular, these requirements mean that the introducer appointed representative cannot be an appointed representative for a member of another marketing group.

12.2.10 G

All rules in SUP 12 apply in relation to introducer appointed representatives except for:

(1) SUP 12.4.2R, SUP 12.4.5B R and SUP 12.4.5C R, on the appointment of appointed representatives, which are replaced by SUP 12.4.6R; and

(2) SUP 12.5.5R SUP 12.5.6A R on required contract terms, which is replaced by SUP 12.5.7R; and

(3) SUP 12.9.1R(4) (Record keeping).

…

12.2.14 G

(1) A representative is an individual who is appointed by a firm or by an appointed representative of that firm, to carry out, in the course of designated investment business, either or both any of the following activities in (1)(a) to (c):

(a) advising customers on the merits of packaged products offered by that firm (or any other provider firm within the same marketing group);

(b) arranging (bringing about) deals in investments in relation to such products.

(a) advising on investments;

(b) arranging (bringing about) deals in investments;

(c) dealing in investments as agent.
(2) If a provider firm appoints an appointed representative who is an individual in (1), that appointed representative will also be a representative. The individual must may need to be approved to perform the investment adviser function or the customer trading function or both, and possibly also the sole trader function (see SUP 12.6.8G and SUP 12.6.9G). In these circumstances, in addition to complying with the requirements of SUP 12 and other regulatory requirements, the firm should ensure that the rules for representatives in COB 5 (Advising and selling) are complied with.

... 

The permission that the firm needs

12.4.1 R A firm may only appoint an appointed representative to carry on regulated activities on its behalf if the firm has permission to carry on those regulated activities. [Deleted]

12.4.1A G The effect of sections 20 (Authorised persons acting without permission) and 39(4) (Exemption of appointed representatives) of the Act is that the regulated activities covered by an appointed representative's appointment need to:

(1) fall within the scope of the principal's permission; or

(2) be excluded from being regulated activities when carried on by the principal, for example because they fall within article 28 of the Regulated Activities Order (Arranging transactions to which the arranger is a party).

Appointment of an appointed representative (other than an introducer appointed representative)

12.4.2 R Before a firm appoints a person as an appointed representative (other than an introducer appointed representative) and on a continuing basis, it must take reasonable care to ensure that:

(1) …

(2) the person:
   (a) …
   (b) …
   (c) … ; and

(3) the firm has adequate:
   (a) …
   (b) … ; and

(4) the firm is ready and organised to comply with the other applicable requirements contained or referred to in this chapter.

...
Appointment representative who may be appointed by other principals

12.4.5A G If a firm proposes to appoint an appointed representative, but not to prohibit its appointment by any other principals (see SUP 12.5.2G(3)), the firm should, in particular:

(1) require, in the contract, that the appointed representative notifies the firm about other principals (see SUP 12.5.5R(3)); and

(2) unless the appointed representative is an introducer appointed representative:

(a) take reasonable steps to check whether the appointed representative is already appointed by one or more other principals and, if it is, contact those other principals; such steps should include asking the appointed representative and checking the Register;

(b) if there are any other principals, agree arrangements with the other principals (see SUP 12.4.5B R); and

(c) establish effective systems and controls for ensuring that the appointed representative complies with all contractual restrictions imposed, including those relating to multiple principals under the Appointed Representatives Regulations and under SUP 12.5.6A R (see SUP 12.6.11A R).

Multiple principals

12.4.5B R (1) A firm must not appoint a person as its appointed representative until it has entered into a written agreement (a “multiple principal agreement”) with every other principal the person may have; but this does not apply to the appointment of an introducer appointed representative nor does it require an agreement with another principal which has appointed a person as an introducer appointed representative.

(2) A firm must not unreasonably decline to enter into a multiple principal agreement with any principal of his appointed representative unless the firm is relying on a prohibition on the appointed representative from representing any other firms (or is seeking to impose such a prohibition) as permitted by article 3 of the Appointed Representative Regulations.

(3) A multiple principal agreement must contain all the provisions which are necessary or desirable to:

(a) set out the relationship between the principals of that appointed representative; and

(b) protect the interests of clients;
including the matters set out in SUP 12.4.5C R.

| 2. Complaints handling     | The identity of the principal which will be the point of contact for a complaint from a client (referred to as the “lead-principal” in SUP 12.4.5D G to SUP 12.4.5E G).  
An agreement that each principal will co-operate with each other principal in resolving a complaint from a client in relation to the appointed representative’s conduct.  
The arrangements for complaints handling, including arrangements for resolving disputes between the principals in relation to their liability to a client in respect of a complaint and arrangements for dealing with referrals to the Financial Ombudsman Service. |
| 3. Financial promotions    | The arrangements for approving financial promotions.                                                                                       |
| 4. Control and monitoring  | The arrangements for the control and monitoring of the activities of the appointed representative (see in particular SUP 12.6.6R (Regulated activities and investment services outside the scope of appointment) and SUP 12.6.7G (Senior management responsibility for appointed representatives)). |
| 5. Approved person status  | The arrangements for making applications for approved person status (see SUP 10 (Approved persons)).                                            |
| 6. Training and competence | The arrangements for training and competence (see TC).                                                                                       |
| 7. Co-operation            | The arrangements for co-operation over any other issues which may arise from the multiple appointments, including issues which may damage the interests of clients dealing with the appointed representative and administrative issues.  
An agreement by each principal to take reasonable steps to ensure that it does not cause the appointed representative or any of its other principals to be in breach of their obligations to each other or under the regulatory system. |
| 8. Sharing information     | The arrangements for sharing information on matters relevant to the matters covered under the multiple principal agreement and each principal’s obligations under SUP 12.6 (Continuing obligations of firms with appointed representatives).  
An agreement that each principal will notify each other principal of any information which is materially relevant to the multiple principal agreement. |

**12.4.5D G**

One effect of the multiple principal agreement is to introduce a ‘lead-principal’ concept in relation to complaints handling for the benefit of the client. For example, where the client has been given advice by an appointed representative who has two principals, and the advice could have led to a transaction being arranged with either principal, the client will know that he may pursue his complaint with (but not necessarily against) one of the principals. Whether he later decides to refer his complaint to the Financial Ombudsman Service, and if so, against which principal, will depend on the circumstances.
12.4.5E G (1) Under the relevant Advising and Selling chapters of COB, ICOB and MCOB, the customer will receive details of how to complain to the appointed representative and, when a product is purchased, details of the complaints procedure for the product provider, insurer or mortgage lender.

(2) Under DISP 1.2.9R, a firm must among other things, supply a copy of its internal complaint handling procedures to the customer when it receives a complaint. In complying with DISP 1.2.9R, a firm should ensure that the "lead-principal" is clearly identified in the procedures.

(3) The complaints procedure should also explain that the customer has a choice of whether to contact the appointed representative, the “lead-principal” or the product provider, insurer or mortgage lender and that the “lead-principal” will be the appropriate point of contact where the customer does not wish to complain about a specific product or is unsure who to contact.

(4) In other words, where the customer has a doubt who to complain to the “lead-principal” is to be the point of contact for all complaints arising out of the activities of the appointed representative.

12.4.5F G When considering the provisions for complaints handling (see SUP 12.4.5C R(2)) firms should consider the use of a mediation clause. If a complaint is made by a client, principals which are unable to resolve a dispute about liability to the client should consider all quick and effective ways of resolving the dispute, including referring the matter to the Financial Ombudsman Service and mediation.

12.4.5G G It is for the principals to consider in each case whether it would be appropriate to show the multiple principal agreement to their appointed representative, or in some circumstances make their appointed representative a party to it.

Appointment of an introducer appointed representative

12.4.6 R Before a firm appoints a person as an introducer appointed representative, and on a continuing basis, it must take reasonable care to ensure that:

(1) the person is suitable to act for the firm in that capacity (having regard, in particular, to other persons connected with the person who will be, or who are, directly responsible for its activities); and

(2) the firm is ready and organised to comply with the other applicable requirements contained or referred to in this chapter.

12.5.4 G ...
Required contract terms for an appointed representative (other than an introducer appointed representative)

12.5.5 R A firm must ensure that its written contract with each of its appointed representatives (other than introducer appointed representatives):

1. complies with the requirements prescribed in regulation 3 of the Appointed Representatives Regulations (see SUP 12.5.2G); and

2. requires the appointed representative to comply with, and to ensure that any persons who provide services to the appointed representative under a contract of services or a contract for service comply, with the relevant requirements in or under the Act (including the rules) that apply to the activities which it carries on as appointed representative of the firm; and

3. (unless the written contract prohibits appointments by other principals) requires the appointed representative to notify the firm:

   a. that it is seeking appointment as an appointed representative of another person, who the person is and the business for which the other person will accept responsibility;

   b. (as soon as possible) of any change in the business notified under (a); and

   c. (as soon as possible) of the termination of any such appointment.

…

12.5.6 G …

Prohibition of multiple principals for certain activities

12.5.6A R (1) A firm must ensure that, if appointing an appointed representative (other than an introducer appointed representative), to carry on any designated investment business for private customers, its written contract prohibits the appointed representative from carrying on any of those specified activities as an appointed representative for another firm.

(2) As an exception to (1), if the firm is a long-term insurer or an operator of a UCITS scheme, it may permit an appointed representative to carry on designated investment business as the appointed representative of one or more other firms provided that:

   a. each of those other firms is a long-term insurer or an operator of a UCITS scheme;
(b) the first firm and each of those other firms is a member of the same group; “group” means for this purpose a group of bodies corporate all having the same holding company including the holding company; and

(c) the scope of each appointment does not overlap, as to both activities and investments.

12.5.6B G The effect of SUP 12.5.6A R(1) is that, in relation to designated investment business with private customers, appointed representatives are restricted to one principal.

Required contract terms for an introducer appointed representative

12.5.7 R A firm must ensure that its written contract with each of its introducer appointed representatives prohibits the introducer appointed representative from limiting the scope of the appointment to:

(1) in relation to a designated investment or designated investment business

(a 1) effecting an introductions between a customer and a person other than to the firm or another member of the firm’s marketing group; and

(b 2) distributing non-real time financial promotions which relate to products or services available from or through the firm approved by a person other than the firm or another member of the firm’s marketing group or the producer of an adopted packaged product; and

(2) carrying on any regulated activity on behalf of any person other than the firm or another member of the firm’s marketing group.

Compliance by an appointed representative with the contract

12.6.11 G …

A firm must take reasonable steps to establish and maintain effective systems and controls for ensuring that each of its appointed representatives complies with those terms of its contract which are imposed under the requirements contained or referred to in SUP 12.5 (Contracts: required terms).

Additional obligations for introducer appointed representatives

12.6.12 R A firm must take reasonable steps to ensure that each of its introducer appointed representatives:
(1) does not, in relation to a designated investment or designated investment business:

(a) effect an introduction between a customer and a person other than the firm or another member of the firm's marketing group; and

(b) distribute non-real-time financial promotions approved by a person other than the firm or another member of the firm's marketing group or the producer of an adopted packaged product; and

(2) does not carry on any regulated activity on behalf of any person other than the firm or another member of the firm's marketing group. [Deleted]

12.8 Termination of a relationship with an appointed representative

Notification of termination or prohibited amendment of the contract

12.8.1 R If either the firm or the appointed representative notifies the other that it proposes to terminate the contract of appointment or to amend it so that it no longer meets the requirements prescribed in the Appointed Representative Regulations (see SUP 12.5.2G) and, in the case of an introducer appointed representative, SUP 12.5.7R contained or referred to in SUP 12.5 (Contracts: required terms), the firm must:

Steps to be taken on termination or prohibited amendment of the contract

12.8.3 R If a contract with an appointed representative is terminated, or if it is amended in a way which gives rise to a requirement to notify under SUP 12.8.1R, a firm must take all reasonable steps to ensure that:

(1) …

(2) …; and

(3) … †; and

(4) all the other principals of the appointed representative of which the firm is aware are notified.

12.9 Record keeping

12.9.1 R A firm must make the following records on each of its appointed representatives:
(1) …

(2) …; and

(3) …; and

(4) any arrangements agreed with other *principals* under *SUP 12.4.5B R* (Multiple principals).

Annex B

Amendments to the Dispute resolution: Complaints sourcebook, Compensation sourcebook and the Collective Investment Schemes sourcebook relating to multiple principals for investment business coming into force on 30 June 2004

In this Annex, underlining indicates new text and striking through indicates deleted text.

Amendments to the Dispute resolution: Complaints sourcebook

2.6.5 G Complaints about acts or omissions by a firm include complaints about acts or omissions in respect of activities for which the firm is responsible (that is the activities including business of their any appointed representatives for which the firm has accepted responsibility).

Amendments to the Compensation sourcebook

9.2.2 R The FSCS may postpone paying compensation if:

(1) in the case of a claim against a relevant person who is an appointed representative, the FSCS considers that the claimant should make and pursue an application for compensation against the appointed representative’s relevant principal; or

Amendments to the Collective Investment Schemes sourcebook

16.2.4 G (1) Independence and polarisation: the FSA considers that independence will need to be specifically appraised in the event of a proposal by the depositary to become an appointed representative of enter into any arrangement with the ICVC or any corporate director of it by which the depositary might agree to act on an exclusive (or near exclusive) basis, or for a director to become an appointed representative of enter into a similar arrangement with the depositary.

(2) …

(3) …

…

16.3.2 G (1) …

…

(8) Independence and polarisation: The FSA considers that independence will need to be specifically appraised in the event of a proposal by the trustee or manager (or any of either’s associates) to enter into any arrangement with become an appointed representative of the other by which either party might agree to act on an exclusive (or near exclusive) basis in relation to the marketing of packaged products. The status of a “tied agent” will
mean that the *trustee* of an *AUT* is prohibited by contract from procuring or endeavouring to procure *persons* to enter into *investment agreements* (or certain kinds of *investment agreements* including those relating to *AUTs*) with persons other than the *manager*.

(9) If such a **tied** relationship should be contemplated, then arrangements may need to be put in to place to satisfy the *FSA* that the necessary independence is preserved. The *FSA* would therefore expect to be consulted in advance of such proposal.
Amendments to the Supervision manual

12.2.7 G (1) The Appointed Representatives Regulations are made by the Treasury under section 39(1) of the Act. These regulations describe, among other things, the business for which an appointed representative may be exempt, which is business which comprises any of:

(a) arranging (bringing about) deals in investments (article 25(1) of the Regulated Activities Order) (that is in summary, deals in a designated investment, funeral plan contract or right to or interest in a funeral plan); or

(b) making arrangements with a view to transactions in investments (article 25(2) of the Regulated Activities Order) where the arrangements are for or with a view to transactions relating to securities or contractually based investments (that is in summary, transactions in a designated investment, funeral plan contract or right to or interest in a funeral plan);

(c) arranging (bringing about) regulated mortgage contracts (article 25A(1) of the Regulated Activities Order);

(d) making arrangements with a view to regulated mortgage contracts (article 25A(2) of the Regulated Activities Order);

(b e) arranging safeguarding and administration of assets (part of article 40 of the Regulated Activities Order);

(e f) advising on investments (article 53 of the Regulated Activities Order) (that is in summary, on any designated investment, funeral plan contract or right to or interest in a funeral plan); and

(g) advising on regulated mortgage contracts (article 53A of the Regulated Activities Order); and

(d h) agreeing to carry on a regulated activity (article 64 of the Regulated Activities Order) where the regulated activity is one of those in (a) to (e g).

12.2.8 G (1)
(2) The permitted scope of appointment of an introducer appointed representative does not include in particular:

(a) arranging (bringing about) deals in investments or arranging (bringing about) regulated mortgage contracts; or

(b) advising on investments, advising on regulated mortgage contracts or other activity that might reasonably lead a customer to believe that he had received advice on investments or on regulated mortgage contracts or that the introducer appointed representative is permitted to give advice on investments or on regulated mortgage contracts.

(3) …

12.4.7 G In assessing, under SUP 12.4.6R, whether an introducer appointed representative or prospective introducer appointed representative is otherwise suitable to act for the firm in that capacity, the firm should determine whether it the introducer appointed representative and those persons who will be, or who are, directly responsible for its activities are of sufficiently good reputation and otherwise fit and proper for that appointment. The firm should, as a minimum, verify the identity of a prospective introducer appointed representative and relevant persons but need not carry out the more extensive due diligence required for the appointment of an appointed representative under SUP 12.4.2R.

…

12.5.2 G (1) Regulations 3(1) to (3) of the Appointed Representatives Regulations makes it a requirement that the contract between the firm and the appointed representative (unless it prohibits the appointed representative from representing other counterparties) contains a provision enabling the firm to:

…

(2) Under the Appointed Representative Regulations, an appointed representative is treated as representing other counterparties if, broadly, it:

(a) makes arrangements (within article 25 of the Regulated Activities Order (Arranging deals in investments)) for persons to enter into investment transactions with other counterparties; or

(b) arranges the safeguarding and administration of assets by other counterparties; or
(c) gives advice (within article 53 of the Regulated Activities Order (Advising on investments)) on the merits of entering into investment transactions with other counterparties;

where an "investment transaction" means a transaction to buy, sell, subscribe for or underwrite a security, or a contractually based investment or long-term care insurance; or

(d) arranges:

(i) for persons to enter (or with a view to persons entering) as borrowers into regulated mortgage contracts with other counterparties; or

(ii) for a person to vary a regulated mortgage contract entered into by a person as borrower on or after 31 October 2004 with other counterparties; or

(e) gives advice (within article 53 of the Regulated Activities Order (Advising on investments)) on the merits of:

(i) persons entering as borrowers into regulated mortgage contracts with other counterparties; or

(ii) persons varying regulated mortgage contracts entered into by them as borrower on or after 31 October 2004 with other counterparties.

... 

Prohibition of multiple principals for certain activities

12.5.6A R (1) A firm must ensure that, if appointing an appointed representative (other than an introducer appointed representative), to carry on any designated investment business for private customers of the following regulated activities, its written contract prohibits the appointed representative from carrying on any of those specified activities as an appointed representative for another firm:-

(a) any designated investment business for private customers: the prohibition must cover all designated investment business for private customers;

(b) any regulated mortgage activities (other than in relation to lifetime mortgages): the prohibition must cover all regulated mortgage activities (other than lifetime mortgages);

(c) any regulated mortgage activities in relation to lifetime mortgages: the prohibition must cover all lifetime mortgages.
12.5.6B G

(1) The effect of SUP 12.5.6A R(1)(a) is that, in relation to designated investment business with private customers, appointed representatives are restricted to one principal.

(2) The effect of SUP 12.5.6A R(1)(b) and (1)(c) is that, in relation to regulated mortgage activities with customers, appointed representatives are restricted to having two principals: one for regulated mortgage contracts and one for lifetime mortgages.

...

12.6.5 R

... Regulated activities and investment services outside the scope of appointment

12.6.6 R

A firm must take reasonable steps to ensure that each of its appointed representatives:

(1) ...

(2) carries on the regulated activities for which the firm has accepted responsibility in a way which is, and is held out as being, clearly distinct from any of the appointed representative’s other business:

(a) ...

(b) which:

(i) is, or is held out as being, primarily for the purposes of investment or obtaining credit; and

(ii) is not a regulated activity.

...

Obligations of firms under the approved persons regime

12.6.8G

(1) Some of the controlled functions, as set out in SUP 10.4.1R, apply to an appointed representative of a firm, other than an introducer appointed representative, just as they apply to a firm (see SUP 10.1.16R). These are the governing functions and the customer functions (other than the investment management function) such as, for example, CF21, the investment adviser function. As explained in SUP 10.1.17G(1), SUP 10.1.17G(2) and SUP 10.3.2G respectively:

(‡ a) the effect of SUP 10.1.16R is that the directors (or their equivalent) and senior managers (or their equivalent) of an appointed representative, other than an introducer appointed representative, must also be approved under
section 59 of the Act for the performance of certain controlled functions;

(b) although the customer functions (other than the investment manager function) apply to an appointed representative, the descriptions of the functions themselves do not extend to mortgage mediation activity; and

(2c) sections 59(1) and 59(2) of the Act (Approval for particular arrangements) provide that approval is necessary in respect of a controlled function which is performed under an arrangement entered into by a firm, or its contractors (typically an appointed representative), in relation to a regulated activity.

Business for which an appointed representative is exempt

12.2.7 G (1) The Appointed Representatives Regulations are made by the Treasury under section 39(1) of the Act. These regulations describe, among other things, the business for which an appointed representative may be exempt, which is business which comprises any of:

(a) dealing in investments as agent (article 21 of the Regulated Activities Order) where the transaction relates to a general insurance contract;

(a b) arranging (bringing about) deals in investments (article 25(1) of the Regulated Activities Order) (that is in summary, deals in a designated investment, funeral plan contract, pure protection contract, general insurance contract or right to or interest in a funeral plan);

(b c) making arrangements with a view to transactions in investments (article 25(2) of the Regulated Activities Order) (that is in summary, transactions in a designated investment, funeral plan contract, pure protection contract, general insurance contract or right to or interest in a funeral plan);

(e d) arranging (bringing about) regulated mortgage contracts (article 25A(1) of the Regulated Activities Order);

(d e) making arrangements with a view to regulated mortgage contracts (article 25A(2) of the Regulated Activities Order);

(e f) assisting in the administration and performance of a contract of insurance (article 39A of the Regulated Activities Order) where the activity relates to a general insurance contract;

(e g) arranging safeguarding and administration of assets (part of article 40 of the Regulated Activities Order);

(f h) advising on investments (article 53 of the Regulated Activities Order) (that is in summary, on any designated investment, funeral plan contract, pure protection contract, general insurance contract or right to or interest in a funeral plan); and
(g) advising on regulated mortgage contracts (article 53A of the Regulated Activities Order); and

(h) agreeing to carry on a regulated activity (article 64 of the Regulated Activities Order) where the regulated activity is one of those in (a) to (e).

…

12.2.8 G

(1) …

(2) The permitted scope of appointment of an introducer appointed representative does not include in particular:

(a) dealing in investments as agent; or

(a b) arranging (bringing about) deals in investments or arranging (bringing about) regulated mortgage contracts; or

(c) assisting in the administration and performance of a contract of insurance where the transaction relates to a general insurance contract; or

(b d) advising on investments, advising on regulated mortgage contracts or other activity that might reasonably lead a customer to believe that he had received advice on investments or on regulated mortgage contracts or that the introducer appointed representative is permitted to give advice on investments or on regulated mortgage contracts.

…

Appointment of an appointed representative (other than an introducer appointed representative)

12.4.2 R Before a firm appoints a person as an appointed representative (other than an introducer appointed representative) and on a continuing basis, it must take reasonable care to ensure that:

(1) …

(2) the person:

(a) is solvent;

(b) is otherwise suitable to act for the firm in that capacity; and

(c) has no close links which would be likely to prevent the effective supervision of the person by the firm;

…
12.4.3 G In assessing, under SUP 12.4.2R(2)(a) and (b), whether an appointed representative or prospective appointed representative is solvent and otherwise suitable, a firm should determine, among other matters, whether the person is likely to be adversely influenced by its financial position in the conduct of the business for which the firm is responsible. This might arise, for example, if the person has cashflow problems and is not able to service its debts. Guidance for firms on assessing the financial position of an appointed representative or prospective appointed representative is given in SUP 12 Ann 1G.

…

12.4.4 G In assessing, under SUP 12.4.2R(2)(b), whether an appointed representative or prospective appointed representative is otherwise suitable to act for the firm in that capacity, a firm should consider:

…

12.4.7 G In assessing, under SUP 12.4.6R(1), whether an introducer appointed representative or prospective introducer appointed representative is otherwise suitable to act for the firm in that capacity, the firm should determine whether the introducer appointed representative and those persons who will be, or who are, directly responsible for its activities

…

12.4.8 G ...

Appointed representative carrying on insurance mediation

12.4.8A R Before a firm appoints a person as an appointed representative to carry on insurance mediation activity, it must in relation to insurance mediation activity ensure that the person will comply on appointment, and will continue to comply with, the provisions of PRU 9.1.8R and PRU 9.1.10R (Knowledge and ability, and good repute) as if the appointed representative were a firm.

12.4.8B G In assessing, under SUP 12.4.8A R, whether an appointed representative, or prospective appointed representative, has established the knowledge and ability requirements for persons within its management structure and for those directly involved in its insurance mediation activity, a firm should refer to TC.

12.4.9 G (1) An appointed representative must not commence an insurance mediation activity until he is included on the Register as carrying on such activities (see SUP 12.5.2G(3)).

(2) If an appointed representative’s scope of appointment is to include an insurance mediation activity, the principal must notify the FSA of the appointment before the appointed representative commences that activity (see SUP 12.7.1R(1)).
(3) As an exception, pre-notification is not required if the appointed representative is already included on the Register as carrying on insurance mediation activities in another capacity (for example, as the appointed representative of another principal).

12.4.10 G

(1) The FSA has the power to decide not to include on the Register (or to remove from the Register) an appointed representative whose scope of appointment includes an insurance mediation activity, if it appears to the FSA that he is not a fit and proper person to carry on those activities (article 95 of the Regulated Activities Order).

(2) If the FSA proposes to use the power in (1), it must give the appointed representative a warning notice. If the FSA decides to proceed with its proposal, it must give the appointed representative a decision notice. The procedures followed by the FSA in relation to the giving of warning notices and decision notices are set out in DEC 2.

(3) An appointed representative may apply to the FSA for a determination of the kind referred to in (1) to be revoked. If the FSA proposes to refuse the application, it must give the appointed representative a warning notice, and if the FSA decides to proceed with the refusal, it must give the appointed representative a decision notice.

12.5.2 G

(2) Under the Appointed Representative Regulations, an appointed representative is treated as representing other counterparties if, broadly, it:

... 

(d) assists in the administration and performance of a contract of insurance (article 39A of the Regulated Activities Order) where the activity relates to a general insurance contract;

where an "investment transaction" means a transaction to buy, sell, subscribe for or underwrite a security or a contractually based investment-relevant investment (that is, a designated investment, funeral plan contract, pure protection contract, general insurance contract or right to or interest in a funeral plan); or

(d e) arranges:

(i) ...

(ii) ...

(e f) gives advice on the merits of:
(i) …

(ii) …

(3) If the scope of appointment covers, in relation to a contract of insurance, dealing in investments as agent, arranging, assisting in the administration and performance of a contract of insurance or advising on investments, regulation 3(4) of the Appointed Representatives Regulations makes it a requirement that the contract between the firm and the appointed representative contains a provision providing that the appointed representative is not permitted or required to carry on such business unless he is included in the Register as carrying on insurance mediation activities.

…

12.5.6B G …

12.5.6C G As SUP 12.5.6A R does not apply to non-investment insurance contracts, there are no restrictions on the number of principals an appointed representative may have in relation to those contracts.

…

12.6 Continuing obligations of firms with appointed representatives

Suitability etc. of appointed representatives

12.6.1R If at any time a firm has reasonable grounds to believe that the conditions in SUP 12.4.2R, or SUP 12.4.6R or SUP 12.4.8A R (as applicable) are not satisfied, or are likely not to be satisfied, in relation to any of its appointed representatives, the firm must:

…

Appointed representatives not to hold client money

12.6.5R (1) A firm must not permit an appointed representative to hold client money unless the firm is an insurance intermediary acting in accordance with CASS 5.5.18R to CASS 5.5.23R (which include provision for periodic segregation and reconciliation).

(2) The firm must take reasonable steps to ensure that if client money is received by the appointed representative, it is paid into a client bank account of the firm, or forwarded to the firm, in accordance with COB 9.3.49R to COB 9.3.51R.

(a) CASS 4.3.15R to CASS 4.3.17R; or

(b) CASS 5.5.18R to CASS 5.5.21R unless acting in accordance with CASS 5.5.23R (Periodic segregation and reconciliation).
Regulated activities and investment services outside the scope of appointment

12.6.6 R  
A firm must take reasonable steps to ensure that each of its appointed representatives:

...  

(2) carries on the regulated activities for which the firm has accepted responsibility in a way which is, and is held out as being, clearly distinct from any of the appointed representative’s other business:

(a) ...

(b) which:

(i) is, or is held out as being, primarily for the purposes of investment or obtaining credit, or obtaining insurance cover; and

(ii) ....

...

Obligations of firms under the approved persons regime

12.6.8G  
(1) ...

(a) ...

(b) although the customer functions (other than the investment manager function) apply to an appointed representative, the descriptions of the functions themselves do not extend to insurance mediation activity or mortgage mediation activity; and

(c) ...

(2) The approved persons regime applies differently to an appointed representative whose scope of appointment includes insurance mediation activity in relation to non-investment insurance contracts but no other regulated activity and whose principal purpose is to carry on activities other than regulated activities. These appointed representatives need only one person performing one of the governing functions. This means that only one director (or equivalent) of these appointed representatives must be approved under section 59 of the Act for the performance of the director function, the chief executive function, the partner function or the director of unincorporated association function, whichever is the most appropriate (see SUP 10.1.16A R and SUP 10.1.17G(3)).
