Powers exercised

A. The Financial Services Authority makes this instrument in the exercise of the following powers and related provisions in the Financial Services and Markets Act 2000 (“the Act”):

(1) section 138 (General rule-making power);
(2) section 139(4) (Miscellaneous ancillary matters);
(3) section 149 (Evidential provisions);
(4) section 156 (General supplementary powers); and
(5) section 157(1) (Guidance).

B. The rule-making powers listed above are specified for the purpose of section 153(2) (Rule-making instruments) of the Act.

Commencement

C. This instrument comes into force on 1 April 2012.

Amendments to the Handbook

D. The modules of the FSA’s Handbook of rules and guidance listed in column (1) below are amended in accordance with the Annexes to this instrument listed in column (2).

By order of the Board
23 February 2012
Annex A

Amendments to the Glossary of definitions

In this Annex, underlining indicates new text and striking through indicates deleted text, unless otherwise stated.

Insert the following new definitions in the appropriate alphabetical position. The text is not underlined.

**strategic investment**

an investment which:

(a) is made for a strategic purpose;

(b) is made for an expected duration consistent with that purpose and is, or has the potential to be, illiquid or hard to value; and

(c) is significant in value in proportion to the size of the with-profits fund.

**terms of reference**

the terms of reference of a firm’s with-profits committee, or the terms of appointment of the person or persons acting as the with-profits advisory arrangement, satisfying the requirements set out in COBS 20.5.3R.

**with-profits advisory arrangement**

(a) an independent person; or

(b) if appropriate, one or more non-executive directors appointed to provide independent judgment to the governing body of a firm;

which satisfies the requirements of its terms of reference.

Amend the following as shown.

**required percentage**

the required percentage referred to in COBS 20.2.17R is, for each with-profits fund:

(a) the percentage (if any) required in respect of that fund by:

(i) the firm’s articles of association, registered rules or other equivalent instrument; or

(ii) a relevant order made by a court of competent jurisdiction;

(b) if (a) does not apply, the percentage specified in the firm’s PPFM, if that percentage reflects the firm’s established practice, if it has one;

(c) if (a) and (b) do not apply, not less than 90 per cent.
a committee: of the governing body, including non-executive members, of the governing body and possibly some external non-directors with appropriate skills and experience

(a) the majority of the members of which are independent of the firm, or, where there is an equal number of independent and non-independent members, which is chaired by a person who is one of the independent members; and

(b) which satisfies the requirements of its terms of reference.
Annex B

Amendments to the Conduct of Business sourcebook (COBS)

In this Annex, underlining indicates new text and striking through indicates deleted text, unless otherwise stated.

20.1.4 R The following do not apply to a non-directive friendly society:

(1) *COBS* 20.3 (Principles and Practices of Financial Management); and

(2) *COBS* 20.4 (Communications with with-profits policyholders); and

(3) *COBS* 20.5 (With-profits governance).

...

20.2.1 G (1) *With-profits business*, by virtue of its nature and the extent of discretion applied by *firms* in its operation, involves numerous potential conflicts of interest that might give rise to the unfair treatment of *policyholders*. Potential conflicts of interest may arise between shareholders and *with-profits policyholders*, between *with-profits policyholders* and non-profit *policyholders* within the same fund, between *with-profits policyholders* and the members of mutually-owned *firms*, between *with-profits policyholders* and management, and between different classes of *with-profits policyholders*, for example those with and without guarantees. The *rules* in this section address specific situations where the risk may be particularly acute. However, a *firm* should give careful consideration to any aspect of its operating practice that has a bearing on the interests of its *with-profits policyholders* to ensure that it does not lead to an undisclosed, or unfair, benefit to shareholders.

(2) *With-profits policyholders* have an interest in the whole and in every part of the *with-profits fund* into which their *policies* are written and from which the amounts payable in connection with their *policies* are to be paid. Those amounts include those required to satisfy their contractual rights and such other amounts as the *firm* is required to pay in order to treat them fairly (including but not limited to the amounts required to satisfy their reasonable expectations).

(3) The fair treatment of *with-profits policyholders* requires the *firm’s* pay-outs on individual *with-profits policies* to be fair (see *COBS* 20.2.3R et seq.) and, if the *firm* makes a distribution from the *with-profits fund* into which their *policies* are written, the receipt by the *with-profits policyholders* of at least the required...
percentage (see COBS 20.2.17R).

20.2.1A R A firm must take reasonable care to ensure that all aspects of its operating practice are fair to the interests of its with-profits policyholders and do not lead to an undisclosed, or otherwise unfair, benefit to shareholders or to other persons with an interest in the with-profits fund.

20.2.1B G (1) Notwithstanding that there may not be a rule in the remainder of this section addressing a particular aspect of a firm’s operating practices, firms will need to ensure that they take reasonable care to ensure that all aspects of their operating practice comply with COBS 20.2.1AR.

(2) For the avoidance of doubt COBS 20.2.1AR does not exhaust or restrict the scope of Principle 6. Firms will in any event need to ensure that their operating practices are consistent with Principle 6.

20.2.1C G When considering the provisions in this chapter a firm will need to ensure that, if applicable, it complies with the with-profits governance requirements in COBS 20.5.

20.2.1D G For the purposes of COBS 20.2.1AR the FSA expects a firm to be able to demonstrate that it has taken reasonable care to ensure its operating practices are fair, including being able to produce appropriate evidence to show that it has followed relevant governance procedures.

...
20.2.17 R A firm must:

(1) not make a distribution from a with-profits fund, unless the whole of the cost of that distribution can be met without eliminating the regulatory surplus in that with-profits fund; and

(2) ensure that the amount distributed to policyholders from a with-profits fund, taking into account any adjustments required by COBS 20.2.17AR, is not less than the required percentage of the total amount distributed; and

(3) if it adjusts the amounts distributed to policyholders, apply a proportionate adjustment to amounts distributed to shareholders, so that the distribution to policyholders will not be less than the required percentage.

20.2.17A R (1) Where a firm adjusts the amounts distributed to policyholders, either by market value reduction or otherwise, in a way that would result in a distribution to policyholders of less than the required percentage, taking both the relevant distributions and the adjustment into account, then the firm must apply a proportionate adjustment to amounts distributed to shareholders so that the distribution to policyholders will not be less than the required percentage.

(2) The adjustments referred to in (1) include but are not limited to a situation where such an adjustment has the effect of retrospectively reducing past policyholder distributions.

20.2.17B G An example of the application of COBS 20.2.17AR, without limitation to its scope generally, is where a firm reduces, for any reason, the amounts of a bonus or of bonus units added to policies in force. The firm should treat this as effectively a ‘negative distribution’, calculated by making the same assumptions regarding discount rates and other relevant factors as would be used for positive bonus additions. The amount so calculated should then be taken into account in ensuring that the amount distributed to policyholders from a with-profits fund is not less than the required percentage for the purposes of COBS 20.2.17R.

...
(a) make a distribution from that *with-profits fund*; or
(b) carry out a *reattribution.*

... 

... 

New business

20.2.28 R If a *firm* proposes to *must not* effect new *contracts of insurance* in an existing *with-profits fund*, it must only do so unless:

1. on terms that are, in the reasonable opinion of the *firm’s governing body*, is satisfied, so far as it reasonably can be, and can demonstrate, having regard to the analysis in (2), unlikely to have a material that the terms on which each type of contract is to be effected are likely to have no adverse effect on the interests of its *existing* *with-profits policyholders* whose *policies* are written into that fund; and

2. the *firm* has:

   (a) carried out or obtained appropriate analysis, based on relevant evidence and proportionate to the risks involved, as to the likely impact on *with-profits policyholders*, having regard to relevant factors including:

      (i) the volumes of each type of contract that the *firm* expects to be effected; and

      (ii) the periods over which the contracts are expected to remain in force; and

   (b) provided the analysis referred to in (a) to its *with-profits committee* or, if applicable, its *with-profits advisory arrangement* and to its *governing body* for the purposes of (1).

20.2.28A G (1) Writing new *insurance business* into a *with-profits fund* is not, of itself, automatically adverse to the interests of *with-profits policyholders*. For example, new *insurance business* which defers the emergence or distribution of surplus to a limited extent for a number of *policyholders*, or which leads to a marginal change in the equity backing ratio, may, subject to satisfying the guidance in *COBS 20.2.60G* and *COBS 20.2.29G*, reasonably be considered not to have an adverse effect on the *with-profits policyholders* in a *with-profits fund*, if the *firm’s governing body* is satisfied (and can demonstrate based on appropriate analysis) that each new line of *insurance business* is likely to be financially self-supporting over the periods during which the contracts are expected to remain in
force and is likely to add sufficient value to the with-profits fund.

(2) Conversely, if the particular line of new insurance business is priced on loss-making terms or the terms are such that the new insurance business is not likely to generate sufficient value after covering all the costs associated with it (in either case when considered in aggregate over the periods over which the contracts are expected to remain in force), then in the FSA’s view, the terms of that insurance business are likely to have an adverse impact on with-profits policyholders interests in the relevant fund.

(3) Firms will need to ensure that they comply with COBS 20.2.28R at all times, but in practice firms will be expected to pay particular attention when they are designing and pricing or re-pricing products, when they are preparing their financial plans that take into account their expected costs and levels of new business, and, in particular, when reviewing their financial performance, if that reveals that costs or levels of new business have varied significantly from those expected previously.

(4) New business for the purposes of COBS 20.2.28R will not, in general, include increments on existing policies or business written as a result of the exercise of options by an existing policyholder.

20.2.29 G In some circumstances, it may be difficult or impossible for a firm to mitigate the risk of an adverse effect on its existing, or new, with-profits policyholders ….

20.2.30 G (1) When a firm prices the new insurance business that it proposes to effect in an existing with-profits fund it should estimate the volume of new insurance business that it is likely to effect and then build in adequate margins that will allow it to recover any acquisition costs to be charged to the with-profits fund.

(2) COBS 20.2.28R requires firms to obtain appropriate analysis and evidence and this should include at least a profitability analysis on a marginal cost basis.

Other rules and guidance on the conduct of with-profits business

20.2.36 G A firm must not:

(1) use with-profits assets to finance the purchase of another business a strategic investment, directly or by or through a connected person or
(2) If a firm is considering whether it should retain such an investment referred to in (1):

it should consider whether unless its governing body is satisfied, so far as it reasonably can be, and can demonstrate, that the purchase or retention would be, or will remain, fair to is likely to have no adverse effect on the interests of its with-profits policyholders whose policies are written into the relevant fund. When a firm makes that assessment it should consider whether it would be more appropriate for the investment to be made using assets other than those in a with-profits fund.

20.2.36A R A firm must keep adequate records setting out the strategic purpose for which a strategic investment has been purchased or retained.

20.2.36B G (1) In order for a firm to comply with COBS 20.2.36R, a firm’s governing body should consider:

(a) the size of the investment in relation to the with-profits fund;

(b) the expected rate of return on the investment;

(c) the risks associated with the investment, including, but not limited to, liquidity risk, the capital needs of the acquired business or investment and the difficulty of establishing fair value (if any);

(d) any costs that would result from divestment;

(e) whether the with-profits actuary would regard the investment as having no adverse effect on the interests of with-profits policyholders as a class;

(f) in the case of a proprietary firm, whether it would be more appropriate for the investment to be made using assets other than those in the with-profits fund; and

(g) any other relevant material factors.

(2) A firm should also consider whether making or retaining the investment should be disclosed to with-profits policyholders.

(3) Examples of strategic investments include, but are not limited to, a significant investment in another business or significant real estate assets used within the business of the firm.

...
A firm must contact the FSA as soon as is reasonably practicable to make arrangements to discuss what actions may be required to ensure the fair treatment of with-profits policyholders if, in relation to any with-profits fund it operates:

(1) the firm reasonably expects, or if earlier, there has been, a sustained and substantial fall in either the volume of new non-profit insurance contracts, or in the volume of new with-profits policies (effected other than by reinsurance), or in both, effected into the with-profits fund; or

(2) the firm cedes by way of reinsurance most or all of the new with-profits policies which it continues to effect.

The aim of the discussions in COBS 20.2.41AR is to:

(a) allow the FSA to comment on the adequacy of the firm’s planning; and

(b) seek agreement with the firm on any other appropriate actions to ensure with-profits policyholders are treated fairly.

If the firm is no longer effecting a material volume of new with-profits policies (other than by reinsurance) into a with-profits fund, or if it is ceding by way of reinsurance most or all of the new with-profits policies which it continues to effect, then it may also be appropriate to consider whether, in the particular circumstances of the firm, it should be regarded as ceasing to effect new contracts of insurance for the purposes of COBS 20.2.54R(3).

In the discussions the FSA will have with regard to COBS 20.2.28R (New business), if the volumes of new business are expected to be profitable and, in relation to non-profit insurance business, it is demonstrated that a fair distribution to with-profits policyholders out of the fund can be achieved and the economic value of any expected future profits is likely to be available for distribution during the lifetime of the with-profits business for the purposes of COBS 20.2.60G, then, in the FSA’s view, it is likely to be reasonable for a firm to be satisfied that there will be no adverse effect for with-profits policyholders, and accordingly that such business may continue to be written.

A firm that is seeking to make a reattribution of its inherited estate must:

(1) identify at the earliest appropriate point a policyholder advocate, who is free from any conflicts of interest that may be, or may appear to be, detrimental to the interests of
policyholders, to negotiate with the firm on behalf of relevant with-profits policyholders first discuss with the FSA (as part of its determination under COBS 20.2.21R):

(a) its projections for capital required to support existing business, which must include an assessment of:

(i) the firm’s future risk appetite for the with-profits fund and other relevant business; and

(ii) how much of the margin for prudence can be identified as excessive and removed from the projected capital requirements; and

(b) its projections for capital required to support future new business, which must include an assessment of:

(i) new business volumes;

(ii) product terms; and

(iii) pricing margins;

(2) following the discussions referred to in (1), identify at the earliest appropriate point a policyholder advocate, who is free from any conflicts of interest that may be, or may appear to be, detrimental to the interests of policyholders, to negotiate with the firm on behalf of relevant with-profits policyholders and seek the approval of the FSA for the appointment of the policyholder advocate as soon as he is identified, or appoint a policyholder advocate nominated by the FSA if its approval is not granted; and

…

20.2.44 G The precise role of the policyholder advocate in any particular case will depend on the nature of the firm and the reattribution proposed. A firm will need to discuss, with a view to agreeing, with the FSA the precise role …

…

20.2.45 R A firm must:

(1) notify the FSA of the terms on which it proposes to appoint a policyholder advocate (whether or not the candidate was nominated by the FSA); and

(2) ensure that the terms of appointment for the policyholder advocate:
(a) include a description of the role of the policyholder advocate as agreed with the FSA under COBS 20.2.44G;

(aa) stress the independent nature of the policyholder advocate’s appointment and function, and are consistent with it;

…

(e) specify when and how the policyholder advocate’s appointment may be terminated; and

(f) allow the policyholder advocate to communicate freely and in confidence with the FSA;

(g) require the policyholder advocate to communicate with policyholders:

(i) as soon as is practicable after his appointment, having regard to (h)(i) and (iii); and

(ii) thereafter no less frequently than every six months for the duration of the policyholder advocate’s appointment; and

(h) require the policyholder advocate:

(i) to make reasonable endeavours to agree with the firm the contents of any proposed policyholder communications;

(ii) to allow sufficient time for the process in (i) in order to meet any timescales in (g); and

(iii) to provide copies of the final draft of the intended policyholder communications, whether or not agreement has been reached in accordance with (i) above, both to the firm and to the FSA at least seven days in advance of the date on which the policyholder advocate intends to make the communications.

…

20.2.54 R A firm will be taken to have ceased to effect new contracts of insurance in a with-profits fund:

(1) when any decision by the governing body to cease to effect new contracts of insurance takes effect; or

(2) where no such decision is made, when the firm is no longer:
(a) actively seeking to effect new contracts of insurance in that fund; or

(b) effecting new contracts of insurance in that fund, except by increment; or

(3) if the firm:

(a) (i) is no longer effecting a material volume of with-profits policies (other than by reinsurance), into the with-profits fund; or

(ii) is ceding by way of reinsurance most or all of the new with-profits policies which it continues to effect; and

(b) cannot demonstrate that it will treat with-profits policyholders fairly if it does not cease to effect new contracts of insurance.

20.2.55 R A firm must contact the FSA to discuss whether it has, or should be taken to have, ceased to effect new contracts of insurance if:

(1) it is no longer effecting a material volume of new with-profits policies in a particular with-profits fund, other than by reinsurance; or

(2) it cedes by way of reinsurance most of the new with-profits policies which it continues to effect.

G For the purposes of COBS 20.2.54R(3) the FSA will have regard to, amongst other things, the factors set out in COBS 20.2.41BG(3).

20.2.56 R The run-off plan required by this section COBS 20.2.53R must:

(1) demonstrate include an up-to-date plan to demonstrate how the firm will ensure a fair distribution of the closed with-profits fund, and its inherited estate (if any); and

(2) be approved by the firm’s governing body.

20.2.57 G (1) A firm should also include the information described in Appendix 2.15 (Run-off plans for closed with-profits funds) of the Supervision manual in its run-off plan.

(2) A firm should periodically review and update its run-off plan and submit updated versions to the FSA when requested to do so.

…

20.2.60 G (1) If non-profit insurance business is written in a with-profits fund, a firm should take reasonable steps to ensure that the
economic value of any future profits expected to emerge on the non-profit insurance business is available for distribution during the lifetime of the with-profits business.

(1A) Where a with-profits fund contains assets which may not be readily realisable, the firm should take reasonable steps to ensure that the economic value of those assets is made available as part of a fair distribution to with-profits policyholders.

(2) Where it is agreed by its with-profits policyholders, and subject to meeting the requirements for effecting new contracts of insurance in an existing with-profits fund (COBS 20.2.28R), a mutual may make alternative arrangements for continuing to carry on non-profit insurance business, and a non-directive friendly society may make alternative arrangements for continuing to carry on non-insurance related business.

... Governance arrangements for with-profits business

20.3.2 G In complying with the rule on systems and controls in relation to compliance, financial crime and money laundering (SYSC 3.2.6R or SYSC 6.1.1R), a firm should maintain governance arrangements designed to ensure that it complies with, maintains and records any applicable PPFM. These arrangements should:

(1) be appropriate to the scale nature and complexity of the firm’s with-profits business;

(2) include the approval of the firm’s PPFM by its governing body; and

(3) involve some independent judgment in assessing compliance with its PPFM and addressing conflicting rights and interests of policyholders and, if applicable, shareholders, which may include but is not confined to:

(a) establishing a with-profits committee;

(b) asking an independent person with appropriate skills and experience to report on these matters to the governing body or to any with-profits committee; or

(e) for small firms, asking one or more non-executive members of the governing body to report to the governing body on these matters. [deleted]

20.3.3 G If a person or committee who provides independent judgement wishes to make a statement or report to with profits policyholders, in addition to any annual report made by a firm to those policy holders, a firm should
facilitate this. [deleted]

After COBS 20.4 insert the following new section. The text is not underlined.

20.5 With-profits governance

Requirement to appoint a with-profits committee or advisory arrangement

20.5.1 R A firm must, in relation to each with-profits fund it operates:

(1) appoint:

(a) a with-profits committee; or

(b) a with-profits advisory arrangement (referred to in this section as an ‘advisory arrangement’), but only if appropriate, in the opinion of the firm’s governing body, having regard to the size, nature and complexity of the fund in question;

(2) ensure that the with-profits committee or advisory arrangement operates in accordance with its terms of reference; and

(3) make available a copy of any terms of reference on the firm’s website, or if the firm does not have a website, at the request of policyholders.

20.5.2 G (1) Ultimate responsibility for managing a with-profits fund rests with the firm through its governing body. The role of the with-profits committee or advisory arrangement is, in part, to act in an advisory capacity to inform the decision-making of a firm’s governing body. The with-profits committee or advisory arrangement also acts as a means by which the interests of with-profits policyholders are appropriately considered within a firm’s governance structures. The with-profits committee or advisory arrangement should address issues affecting policyholders as a whole or as separately identifiable groups of policyholders generally rather than dealing with individual policyholder complaints or taking management decisions with respect to a with-profits fund.

(2) If a firm considers that it is appropriate to appoint an advisory arrangement, a firm’s governing body will need to decide whether it is appropriate to appoint an independent person or one or more non-executive directors to carry out the role. The FSA expects firms to make this determination according to the nature, size and complexity of the fund in question. So the larger or more complex the fund is, the more likely it would be that it would be appropriate to appoint an independent person.

(3) Where a firm has appointed a with-profits committee to one of its with-profits funds it may also decide to appoint that with-profits committee to some or all of its other with-profits funds, even if the firm would not
have determined it appropriate to appoint a with-profits committee to those other funds when considered individually having regard to their size, nature or complexity.

Terms of reference of with-profits committee or advisory arrangement

20.5.3 R A firm must ensure that the terms of reference contain, as a minimum, terms having the following effect:

(1) the role of the with-profits committee or advisory arrangement is, as relevant, to assess, report on, and provide clear advice and, where appropriate, recommendations to the firm’s governing body on:

(a) the way in which each with-profits fund is managed by the firm and, if a PPFM is required, whether this is properly reflected in the PPFM;

(b) if applicable, whether the firm is complying with the principles and practices set out in the PPFM;

(c) whether the firm has addressed effectively the conflicting rights and interests of with-profits policyholders and other policyholders or stakeholders including, if applicable, shareholders, in a way that is consistent with Principle 6 (treating customers fairly); and

(d) any other issues with which the firm’s governing body, with-profits committee or advisory arrangement considers with-profits policyholders might reasonably expect the with-profits committee or advisory arrangements to be involved;

(2) that the with-profits committee or advisory arrangement must:

(a) decide on the specific matters it will consider in order to enable it to carry out its role described in (1)(a) to (d) as appropriate to the particular circumstances of the with-profits fund(s); and

(b) in any event give appropriate consideration to the following non-exhaustive list of specific matters:

(i) the identification of surplus and excess surplus, the merits of its distribution or retention and the proposed distribution policy;

(ii) how bonus rates, smoothing and, if relevant, market value reductions have been calculated and applied;

(iii) if relevant, the relative interests of policyholders with and without valuable guarantees;

(iv) the firm’s with-profits customer communications such as annual policyholder statements and product literature and
whether the *with-profits committee* or advisory arrangement wishes to make a statement or report to *with-profits policyholders* in addition to the annual report made by a *firm*;

(v) any significant changes to the risk or investment profile of the *with-profits fund* including the management of material illiquid investments and the *firm’s* obligations in relation to strategic investments;

(vi) the *firm’s* strategy for future sales supported by the assets of the *with-profits fund* and its impact on surplus;

(vii) the impact of any management actions planned or implemented;

(viii) relevant management information such as customer complaints data (but not necessarily information relating to individual customer complaints);

(ix) the drafting, review, updating of and compliance with run-off plans, court schemes and similar matters; and

(x) the costs incurred in operating the *with-profits fund*;

(3) that any person appointed as a member of the *with-profits committee* or as a person carrying out the advisory arrangement must have the appropriate skills, knowledge and experience to perform, or contribute to, as appropriate, the role set out in (1) and (2);

(4) if the *firm* appoints a *with-profits committee*:

(a) that there must be three or more members;

(b) that the quorum for any meeting (or decision by written procedure) must be at least half of the number of, and no less than two, members; and

(5) that the *with-profits committee* or advisory arrangement must:

(a) advise the *governing body* on the suitability of candidates proposed for appointment as the *with-profits actuary*; and

(b) assess the performance of the *with-profits actuary* at least annually, and report its view to the *governing body* of the *firm*.

20.5.4 G (1) The FSA expects that a *with-profits committee* will meet at least quarterly and ad hoc if required.

(2) The FSA expects that, in general, a *with-profits committee* or advisory arrangement will work closely with the *with-profits actuary*, and obtain his opinion and input as appropriate.
Role of with-profits committee or advisory arrangement in the firm’s governance

20.5.5 R A firm must:

(1) ensure that its governing body, in the context of its consideration of issues referred to in COBS 20.5.3R(1)(a) to (d) and (2)(b)(i) to (x):

(a) obtains, as relevant, assessments, reports, advice and/or recommendations of the with-profits committee or advisory arrangement, if the governing body, the with-profits committee or advisory arrangement considers that significant issues concerning the interests of with-profits policyholders need to be considered by the firm;

(b) allows the with-profits committee or advisory arrangement sufficient time to enable it to provide fully considered input on the issues to be considered;

(c) considers fully and gives due regard to the input of the with-profits committee or advisory arrangement when determining issues concerning the management of the with-profits funds and the interests of with-profits policyholders;

(d) if the governing body decides to depart in any material way from the advice or recommendations of the with-profits committee or advisory arrangement, sets out fully its reasons and allows the with-profits committee or advisory arrangement a reasonable period to consider them and respond; and

(e) considers any further representations from the with-profits committee or advisory arrangement and, if appropriate, sets out fully any additional reasons if it continues to depart from the with-profits committee or advisory arrangement’s advice or recommendation;

(2) provide a with-profits committee or advisory arrangement with sufficient resources as it may reasonably require to enable it to perform its role effectively;

(3) notify the FSA of the decision of the governing body to depart from the advice or recommendation of the with-profits committee or advisory arrangement if the with-profits committee or advisory arrangement considers that the issue is sufficiently significant and requests of the governing body that the FSA be informed; and

(4) consult the with-profits actuary on the appointment of a new member of the with-profits committee or of the person or persons carrying out the advisory arrangement.

20.5.6 G (1) COBS 20.5.5R(2) requires that a firm provides a with-profits committee or advisory arrangement with sufficient resources. A with-profits
committee or advisory arrangement should be able to obtain external professional, including actuarial, advice, at the expense of the firm, if the with-profits committee or advisory arrangement considers the advice to be necessary to perform its role effectively. In a proprietary firm the with-profits committee or advisory arrangement should be able to request that the cost of the external professional advice either is not chargeable to the with-profits fund in question, or is shared with the with-profits fund, according to whether the issue under consideration is wholly or partly to the benefit of the firm rather than policyholders. A with-profits committee or advisory arrangement should also be adequately supported by the firm’s own internal resources and support functions. This may include the firm ensuring that relevant employees, including the with-profits actuary, are made sufficiently available, and provide relevant information and input, to assist the with-profits committee in its role, as required.

(2) If the with-profits committee or advisory arrangement wishes to make a statement or report to with-profits policyholders in addition to the annual report made by a firm, the effect of COBS 20.5.5R(2) is that a firm will need to facilitate this.

(3) In order to comply with SYSC 3.2.20R the FSA expects firms to keep full records of all requests of, and material produced by, the with-profits committee or advisory arrangement, and of all decisions and reasons of the governing body as described in COBS 20.5.5R(1)(d) and (e).

(4) For the purposes of COBS 20.5.5R(3), the FSA expects that it will only be in exceptional circumstances that a with-profits committee or alternative arrangement will consider a departure from a recommendation or advice to be sufficiently significant to warrant its making a request of the governing body that the FSA be informed.

Assessment of independence by governing body

20.5.7 G (1) The FSA expects the governing body of the firm to decide whether a member of the with-profits committee or a person (other than a non-executive director) carrying out the advisory arrangement is independent. The FSA expects a firm’s governing body to adopt the following approach and have regard to the following factors when making this assessment:

(a) the governing body should determine whether the person is independent in character and judgment and whether there are relationships or circumstances which are likely to affect, or could appear to affect, the person’s judgment; and

(b) the governing body should state its reasons if it determines that a person is independent notwithstanding the existence of relationships or circumstances which may appear relevant to its determination, including if the person:
(i) has been an employee of the firm or group within the last five years; or

(ii) has, or has had within the last three years, a material business relationship with the firm either directly, or as a partner, shareholder, director or senior employee of a body that has such a relationship with the firm; or

(iii) has received or receives additional remuneration from the firm, participates in the firm’s share option or a performance-related pay scheme, or is a member of the firm’s pension scheme; or

(iv) has close family ties with any of the firm’s advisers, directors or senior employees; or

(v) has significant links with the firm’s directors through involvement in other companies or bodies; or

(vi) represents a significant shareholder; or

(vii) has served on the governing body for more than nine years from the date of their first election.

(2) If a firm appoints one or more non-executive directors to carry out the advisory arrangement, the FSA expects the governing body of the firm to be satisfied that that person or persons is or are adequately able to provide independent judgment.

Governance arrangements in relation to the PPFM

20.5.8 G In complying with the rule on systems and controls in relation to compliance, financial crime and money laundering (SYSC 3.2.6R), a firm should maintain governance arrangements designed to ensure that it complies with, maintains and records, any applicable PPFM. These arrangements should:

(1) be appropriate to the scale, nature and complexity of the firm’s with-profits business; and

(2) include the approval of the firm’s PPFM by its governing body.

Amend the following as shown.

<td><strong>R</strong></td>
<td>The provisions listed in column (2) do not apply to a firm if, and to the extent that, they are inconsistent with an arrangement that was formally approved by the FSA, a previous regulator or a court of competent jurisdiction, on or before 20 January 2005.</td>
<td></td>
<td></td>
</tr>
</tbody>
</table>

| 2.11 | **COBS TP 2.9** | **G** | The rules and guidance on treating with-profits policyholders fairly (**COBS 20.2.1G to COBS 20.2.41G; COBS 20.2.53R to COBS 20.2.60G**) may be contrary to, or inconsistent with, some arrangements that were formally approved by the FSA, a previous regulator or a court… |

| 2.18 | **COBS 20.2.53R to COBS 20.2.60G, SUP App 2.15G** | **R** | (1) Unless (2) applies, and subject to (3), a firm that has ceased to effect new contracts of insurance in a with-profits fund must submit to the FSA a run-off plan of the type described in **COBS 20.2.53R(2); COBS 20.2.56R, and COBS 20.2.57G**, if it has not done so already, by 31 December 2012, regardless of when it closed to new business.

(2) Paragraph (1) does not apply to a firm if, and to the extent that, to comply would be contrary to or inconsistent with an arrangement that was formally approved by a court of competent jurisdiction. From 1 April 2012 indefinitely | 1 November 2007 and 1 April 2012
jurisdiction, on or before 1 April 2012.

(3) A firm required by (1) above to produce a run-off plan:

(a) should consider the guidance in SUP App 2.15.6G, 2.15.7G(11), 2.15.13G, 2.15.14G and 2.15.15G to continue to apply to it, as appropriate;

(b) may demonstrate compliance with the guidance in SUP App 2.15.2G, 2.15.3G, 2.15.4G and 2.15.5G by reference to existing documents created by or for the firm, provided that it submits copies of relevant extracts to the FSA;

(c) may disregard the remaining provisions in SUP App 2.15G if to do so would be consistent with meeting the requirements of COBS 20.2.56R(1); and

(d) may otherwise tailor the run-off plan to reflect the fact that the fund in question has already been closed.

| 2.19 | **COBS 20.2.53R to COBS 20.2.60G** | G | The effect of COBS TP 2.18 is that firms which were not required to submit a run-off plan to the FSA because they ceased to effect new contracts of insurance before 1 November 2007 or because of previous transitional provisions in COBS, will need to submit a version of a run-off plan to the FSA, taking into account the fact that the fund has already closed, by 31 December 2012. However, this will not apply to the extent that |
| From 1 April 2012 indefinitely | 1 November 2007 and 1 April 2012 |
it would be inconsistent with a formally approved court scheme.

| 2.20 | **COBS 20.2.28R** | R | Firms which continue to effect new contracts of insurance in reliance on decisions made by the firm’s governing body complying with **COBS 20.2.28R** prior to 1 April 2012 are deemed to be compliant with **COBS 20.2.28R** until 1 July 2012. | From 1 April 2012 to 1 July 2012 | 1 April 2012 |
| 2.21 | **COBS 20.2.36R to COBS 20.2.36AR** | R | Firms which retain strategic investments in reliance on decisions made by the firm’s governing body appropriately taking into account **COBS 20.2.36G** prior to 1 April 2012 are deemed to be compliant with **COBS 20.2.36R** and **20.2.36AR** until 1 October 2012. | From 1 April 2012 to 1 October 2012 | 1 April 2012 |
| 2.22 | **COBS 20.5.1R to 20.5.5R** | R | Firms’ existing governance arrangements are deemed to comply with the provisions in **COBS 20.5.1R** to **20.5.5R** until 1 July 2012. | From 1 April 2012 to 1 July 2012 | 1 April 2012 |

Annex C

Amendments to the Supervision manual (SUP)

In this Annex, underlining indicates new text and striking through indicates deleted text.

4.3.17 R A firm must require and allow any actuary appointed to perform the with-profits actuary function to perform his duties and must:

…

(4) ……; and

(5) pay due regard to his advice…(the committee of management); and

(6) ensure that where a conflict of interest may arise in relation to the role of the with-profits actuary and the advice he gives, for example due to the firm’s reporting lines or remuneration process, that potential conflict is identified and managed in order to minimise the possible effect of the potential conflict on the advice given.
