- 9.2.1 G Requests for individual *guidance* may be made in writing or orally. <u>Requests</u> for individual *guidance* in relation to the *Part 6 rules* should be made in writing other than in circumstances of exceptional urgency or in the case of a request from a *sponsor* in relation to the provision of a *sponsor service*. If oral queries raise complex or significant issues, the *FSA* will normally expect the details of the request to be confirmed in writing. Simple requests for *guidance* may often be dealt with orally, although it is open to a *person* to seek a written confirmation from the *FSA* of oral *guidance* given by the *FSA*.

- 9.2.4 G The *FSA* does not expect to enter into discussions on a 'no-name' basis about the affairs of an individual *person* except in relation to *SUP* 9.2.4AG.
- 9.2.4A G The *FSA* may enter into discussions with a *person* on a 'no names' basis about how a particular requirement in the *Part 6 rules* should be interpreted, but:
  - (1) the *FSA* will not be bound by any *guidance* given in response to the request; and
  - (2) the *person* receiving the *guidance* will not be able to rely upon it. [deleted]
