9.3 Giving individual guidance to a firm on the FCA’s own initiative

…

9.3.2 G The FCA may give individual guidance to a firm on its own initiative if it considers it appropriate to do so. For example:
in relation to the maintenance of adequate financial resources, the FCA may give a firm individual guidance on the amount or type of financial resources the FCA considers appropriate, for example individual capital guidance for IFPRU investment firms or BIPRU firms; further guidance on how and when the FCA may give individual capital guidance on financial resources is contained in the Prudential Standards part of the Handbook:

(a) for a BIPRU firm: GENPRU 1.2 and BIPRU 2.2; and

(b) [deleted]

(c) for a securities and futures firm (or other firm required to comply with IPRU(INV)3): IPRU(INV) 3-79R; and

(d) [deleted]

(e) for an IFPRU investment firm: IFPRU 2.2. and 2.3.

11.8 Changes in the circumstances of existing controllers

11.8.1 R A firm must notify the appropriate regulator immediately it becomes aware of any of the following matters in respect of one or more of its controllers:

(4) if a controller, who is authorised in another EEA State as a MiFID investment firm, BCD CRD credit institution or UCITS management company or under the Insurance Directives or the Insurance Mediation Directive, ceases to be so authorised (registered in the case of an IMD insurance intermediary).
13.3.2 G A UK firm other than a UK pure reinsurer cannot establish a branch in another EEA State for the first time under an EEA right unless the relevant conditions in paragraphs 19(2), (4) and (5) of Part III of Schedule 3 to the Act are satisfied. It is an offence for a UK firm which is not an authorised person to contravene this prohibition (paragraph 21 of Part III of Schedule 3 to the Act). These conditions are that:

1. the UK firm has given the appropriate UK regulator, in accordance with the appropriate UK regulator’s rules (see SUP 13.5.1R) or the directly applicable regulations made under the CRD (see SUP 13.5.1C), notice of its intention to establish a branch (known as a notice of intention) which:

2. includes such other information as may be specified by the appropriate UK regulator (see SUP 13.5.1R) or by the directly applicable regulations made under the CRD (see SUP 13.5.1C);

13.3.5 G (1) If the UK firm’s EEA right derives from the Banking Consolidation Directive CRD or MiFID, the appropriate UK regulator will give the Host State regulator a consent notice within three months unless it has reason to doubt the adequacy of a UK firm’s resources or its administrative structure. The Host State regulator then has a further two months to notify the applicable provisions (if any) and prepare for the supervision, as appropriate, of the UK firm, or in the case of a MiFID investment firm, to inform the UK firm that a branch can be established.

13.4.4 G (1) If the UK firm’s EEA right derives from MiFID, the Banking Consolidation Directive CRD or the UCITS Directive, paragraph 20(3) of Part III of Schedule 3 to the Act requires the appropriate UK regulator to send a copy of the notice of intention to the Host State Regulator within one month of receipt. A UK firm passporting under the Banking Consolidation Directive CRD may start providing cross border services as soon as it satisfies the relevant conditions (see SUP 13.4.2G).
13.5.1 R A UK firm, other than a UK pure reinsurer or a CRD credit institution, wishing to establish a branch in a particular EEA State for the first time under an EEA right other than under the auction regulation must submit a notice of intention in the form set out in SUP 13 Annex 1R.

13.5.2 R A UK firm wishing to provide cross border services into a particular EEA State for the first time under an EEA right other than the auction regulation must submit a notice in the form set out in:

Sup SUP 13 Annex 4R if the UK firm is passporting under the Banking Consolidation Directive CRD; or

Firms passporting under the Banking Consolidation Directive CRD and the UCITS Directive

13.6.1 G Where a UK firm is exercising an EEA right, other than under the Insurance Mediation Directive (see SUP 13.6.9AG) or the Reinsurance Directive (see SUP 13.6.9BR) or the CRD, and has established a branch in another EEA State, any changes to the details of the branch are governed by the EEA Passport Rights Regulations.

Firms passporting under the Banking Consolidation Directive CRD and the Insurance Mediation Directive

13.6.4 G If a UK firm has exercised an EEA right, under the Banking Consolidation Directive CRD or the UCITS Directive, and established a branch in another EEA State, regulation 11(1) states that the UK firm must not make a change in the requisite details of the branch (see SUP 13 Annex 1), unless it has satisfied the requirements of regulation 11(2), or, where the change arises from circumstances beyond the UK firm’s control, regulation 11(3) (see SUP 13.6.10G).

13.7.11 G A UK firm providing cross border services under the Banking Consolidation Directive CRD or Insurance Mediation Directive is not required to supply a change to the details of cross border services notice.

13.8.2 G UK firms passporting under the Banking Consolidation Directive CRD or the Insurance Directives may be required to submit the change to details.

Introduction

1. …

Requirements in the interest of the general good

2. The Single Market Directives, and the Treaty (as interpreted by the European Court of Justice) adopt broadly similar approaches to reserving responsibility to the Home State regulator. To summarise, the FCA or PRA, as Host State regulator, is entitled to impose requirements with respect to activities carried on within the United Kingdom if these can be justified in the interests of the “general good” and are imposed in a non-discriminatory way. This general proposition is subject to the following in relation to activities passported under the Single Market Directives:

(1) the Single Market Directives expressly reserve responsibility for the prudential supervision of a MiFID investment firm, BCD CRD credit institution, UCITS management company, AIFM or passporting insurance undertaking to the Firm’s Home State regulator. The Insurance Mediation Directive reaches the same position without expressly referring to the concept of prudential supervision. Accordingly, the FCA as Host State Regulator, is entitled to regulate only the conduct of the firm’s business within the United Kingdom;
for a BCD CRD credit institution, the PRA or FCA, as Host State regulator, is jointly responsible with the Home State regulator under article 41.156 of the Banking Consolidative Directive CRD for supervision of the liquidity of a branch in the United Kingdom;

for a MiFID investment firm including a BCD CRD credit institution which is a MiFID investment firm, the protection of clients’ money and clients’ assets is reserved to the Home State regulator under MiFID; and

responsibility for participation in compensation schemes for BCD CRD credit institutions and MiFID investment firm is reserved in most cases to the Home State regulator under the Deposit Guarantee Directive and the Investor Compensation Directive.

14.1 Application and Purpose

...  

14.1.3 G (1) Under the Gibraltar Order made under section 409 of the Act, a Gibraltar firm is treated as an EEA firm under Schedule 3 to the Act if it is:

...  

(b) authorised in Gibraltar under the Banking Consolidation Directive CRD; or

...  

Purpose  

14.1.4 G This chapter gives guidance on the Act and the EEA Passport Rights Regulations made under the Act, for an incoming EEA firm which has established a branch in, or is providing cross border services into, the United Kingdom and wishes to change the details of the branch or cross border services.

[Note: An EEA bank is required to comply with the requirements set out in the technical standards adopted under articles 35, 36 and 39 of the CRD.]
14.2 Changes to branch details

... 
Firms passporting under the Banking Consolidation Directive CRD and the UCITS Directive

14.2.2 G (1) Where an incoming EEA firm passporting under the Banking Consolidation Directive CRD or the UCITS Directive has established a branch in the United Kingdom, regulation 4 states that it must not make a change in the requisite details of the branch unless it has complied with the relevant requirements.

... 

Changes arising from circumstances beyond the control of an incoming EEA firm passporting under the Banking Consolidation Directive CRD, UCITS Directive or Insurance Directive

14.2.8 ... 

14.6 Cancelling qualification for authorisation

Incoming EEA firms

14.6.1 G Section 34 of the Act states that an incoming EEA firm no longer qualifies for authorisation under Schedule 3 to the Act if it ceases to be an incoming EEA firm as a result of:

... 

(2) ceasing to have an EEA right in circumstances in which EEA authorisation is not required; this is relevant to a financial institution that is a subsidiary of a credit institution (of the kind mentioned in Article 19 34 of the Banking Consolidation Directive CRD) which fulfils the conditions in articles 18 33 and 19 34 of that Directive.

... 

15 Notifications to the FCA or PRA

... 

15.1.3 G In some cases, the application of provisions set out in SUP 15 Annex 1 depends on whether responsibility is reserved to a Home State regulator. SYSC App 1 contains guidance on this.
Breaches of rules and other requirements in or under the Act

15.3.11 R (1) A firm must notify the appropriate regulator of:

Appendix 3  Guidance on passporting issues

App 3.3.6 G (1) The European Commission has not produced an interpretative communication on MiFID. It is arguable, however, that the principles in the communication on the Second Banking Directive can be applied to investment services and activities. This is because Chapter II of Title II of MiFID (containing provisions relating to operating conditions for investment firms) also applies to the investment services and activities of firms operating under the Banking Consolidation Directive, which is repealed and replaced by the CRD.

(2) …

App 3.9.1 G The following Tables 1, 2, 2A and 2B provide an outline of the regulated activities and specified investments that may be of relevance to firms considering undertaking passported activities under the Banking Consolidation Directive CRD, MiFID, the UCITS Directive and the Insurance Mediation Directive. The tables may be of assistance to UK firms that are thinking of offering financial services in another EEA State and to EEA firms that may offer those services in the United Kingdom.

App 3.9.2 G The tables provide a general indication of the investments and activities specified in the Regulated Activities Order that may correspond to categories provided for in the Banking Consolidation Directive CRD, MiFID, the UCITS Directive of the Insurance Mediation Directive. The tables do not provide definitive guidance as to whether a firm is carrying on an activity that is capable of being passported, nor do the tables take account of exceptions that remove the effect of articles. Whether a firm is
carrying on a *passported activity* will depend on the particular circumstances of the firm. If a firm’s activities give rise to potential passporting issues, it should obtain specialist advice on the relevant issues.

They may apply to obtain the cover of, or ‘top-up’ into, the compensation scheme if there is no cover provided by the incoming EEA firm’s Home State compensation scheme or if the level or scope of the cover is less than that provided by the compensation scheme. 3 Requirements for alternative investment fund managers

... Eligible depositaries for UK AIFs

... 3.11.11 G For a depositary to be established in the UK it must have its registered office or branch in the UK. A MiFID investment firm that has its registered office in the UK must be a full-scope BIPRU full-scope IFPRU investment firm to meet the requirements of FUND 3.11.10R(2). A MiFID investment firm that has a branch in the UK is not subject to the requirements of GENPRU and BIPRU, but must meet the equivalent capital requirements to under the EU CRR for a full-scope BIPRU investment CRD full-scope firm as implemented in its Home State to meet the requirements of FUND 3.11.10R(2).

... 3.11.15 G For certain types of closed-ended AIFs (such as private equity, venture capital and real estate funds) a wider range of entities than those specified in FUND 3.11.10R may perform the relevant depositary functions. The FCA requires such entities to obtain authorisation as a depositary to demonstrate that they can meet the commitments inherent in those functions, but imposes a lower level of capital requirements in recognition of the different degree of risk implied by the characteristics of the AIF. The capital requirements of such firms are contained in IPRU(INV) 5 (particularly IPRU(INV) 5.2.3R(3)(a)(ia) (Own funds requirement)) or in GENPRU and BIPRU but if the firm also undertakes MiFID business, its capital requirements will be contained in IFPRU and the EU CRR or in GENPRU and BIPRU depending on the scope of that MiFID business.

... Additional requirements for depositaries of authorised AIFs

... 3.11.17 G Where the firm referred to in FUND 3.11.16R is a full-scope BIPRU full-scope IFPRU investment firm which is a depositary for an authorised AIF appointed in line with FUND 3.11.10R(2), it is subject to the capital
requirements of GENPRU, BIPRU IFPRU and the EU CRR. However, these requirements are not in addition to FUND 3.11.16R and, therefore, a firm subject to this rule may use the own funds required under GENPRU and BIPRU IFPRU and the EU CRR to meet the £4 million requirement.

Depositary functions: cash monitoring

3.11.20  R  A depositary must ensure that the AIF’s cash flows are properly monitored and that:

... (2) all cash of the AIF has been booked in cash accounts opened:

... (b) at:

(i) ...

8 Variation and cancellation of permission and imposition of requirements on the FCA’s own initiative and intervention against incoming firms

8.19 Relevant Community obligations which the FCA may need to consider include those under the Banking Consolidation Directive, Capital Requirements Directive, the Insurance Directives, the Investment Services Directive/Markets in Financial Instruments Directive; and the Insurance Mediation Directive. Each of these Directives imposes general obligations on the relevant EEA competent authority to cooperate and collaborate closely in discharging their functions under the Directives.

19 Non-FSMA powers

…

19.64 The FCA's powers to vary a firm’s Part 4A permission or to impose requirements under sections 55J and 55L of the Act has have been extended under these Regulations. The FCA is able to use this power these powers where it is desirable to do so for the purpose of:

…

• acting in accordance with specified provisions of the Banking Consolidation Capital Requirements Directive; and

…

…

19.72 The FCA is responsible for monitoring and enforcing compliance with the Regulations not only by authorised firms who are within the Money Laundering Regulations’ scope, but also by what the Regulations describe as “Annex I financial institutions”. These are businesses which are not otherwise authorised by us but which carry out certain of the activities listed in Annex I of the Banking Consolidation Directive, now Annex I of the CRD. The activities include lending (e.g. forfaiters and trade financiers), financial leasing, and safe custody services. Annex I financial institutions are required to register with the FCA.
Footnote

Credit Consumer credit financial institutions and money service businesses are also outside the definition of “Annex I financial institution”, which is set out in Regulation 22(1).

4.11.5 For the purposes of regulated mortgage activities, sections 418(2), (4), (5), (5A) and (6) are relevant as follows:

(1) Section 418(2) refers to a case where a UK-based person carries on a regulated activity in another EEA State in the exercise of rights under a Single Market Directive. The only Single Market Directive which is relevant to mortgages is the Banking Consolidation Directive.

10 Guidance on activities related to pension schemes

10.4A The application of EU Directives

Q41A. Are pension scheme trustees and administration service providers likely to be subject to authorisation under the Markets in Financial Instruments Directive or subject to the Capital Adequacy Directive on access to the activity of credit institutions and the prudential supervision of credit institutions and investment firms?

As for the recast Capital Adequacy Directive, this will only apply to persons who are MiFID investment firms or BC over credit institutions.

Detailed guidance on the scope of MiFID and the recast Capital Adequacy Directive and EU CRR is in PERG 13.

13 Guidance on the scope of the Markets in Financial Instruments Directive and the recast Capital Adequacy Directive IV (Directive on access to the activity of credit institutions and the prudential supervision of credit institutions and investment firms and the Regulation on prudential requirements for credit institutions and investments firms)

13.1 Introduction

The purpose of this chapter is to help UK firms consider:

- whether they fall within the scope of the Markets in Financial Instruments
Directive 2004/39/EC (‘MiFID’) and therefore are subject to its requirements;

- how their existing permissions correspond to related MiFID concepts;
- whether the recast Capital Adequacy Directive (‘recast CAD’) applies;
- CRD and the EU CRR apply to them, and for certain firms, whether the recast CAD continue to apply to them; and
- if so, which category of investment firm they are for the purposes of the transposition of the recast CAD or CRD and the EU CRR.

Recast Capital Adequacy Directive (recast CAD) CRD IV

Investment firms subject to MiFID, including those who fall within the article 3 MiFID exemption but opt not to take advantage of it, and UCITS investment firms are subject to the requirements of the recast CAD CRD and the EU CRR.

There are special provisions for certain commodities firms as well as firms whose MiFID investment services and activities are limited to only one or more of the following investment services and activities:

- execution of orders on behalf of clients;
- portfolio management;
- giving investment advice; or
- receiving and transmitting client orders; or both and who are not permitted to hold client money or securities nor are authorised to provide ancillary service (1) referred to in Section B of Annex 1 to MiFID (which is safekeeping and administration of financial instruments for the account of clients, including custodianship and related services such as cash/collateral management).

Collective portfolio management investment firms (a term that is used to refer to both AIFM investment firms and UCITS investment firms) are subject to the requirements of the CRD and the EU CRR, unless they are firms whose MiFID investment services and activities are limited to those in the preceding paragraph.

Under the UK implementation of the recast CAD CRD and the EU CRR, the level of capital an investment firm subject to MiFID requires is determined by the type of investment services and activities it provides or performs, its scope of permission and any limitations or requirements attaching to that permission (see PERG 13.6). A firm relying on an article 2 or 3 MiFID exemption is not subject to recast CAD CRD and the EU CRR.

How does this document work?

This document is made up of Q and As divided into the following sections:

- General (PERG 13.2);
- ...
- The recast CAD CRD IV (PERG 13.6); and

We have also included guidance in the form of flow charts to help firms decide whether MiFID and the CRD and the EU CRR (which allow the recast CAD to apply to certain firms) apply to them as well as permission maps indicating which regulated activities and specified investments correspond to MiFID investment services, activities and MiFID financial instruments (see PERG 13 Annex 1, PERG 13 Annex 2, PERG 13 Annex 3, PERG 13 Annex 4).

...  

13.2 General

Q1. Why does it matter whether or not we fall within the scope of MiFID?

Depending on whether or not you fall within the scope of MiFID, you may be subject to:

• domestic legislation implementing MiFID (for example, FCA rules);
• directly applicable legislation made by the European Commission (the MiFID Regulation and EU CRR); and
• domestic legislation implementing the recast CAD CRD (see PERG 13.6).

...

Q2. Is there anything else we should be reading?

The Q and As complement, and should be read in conjunction with, the relevant legislation and the general guidance on regulated activities, which is in chapter 2 of our Perimeter Guidance manual (‘PERG’). The Q and As relating to the recast CAD CRD and the EU CRR (which allow the recast CAD to apply to certain firms) should be read in conjunction with the relevant parts of our Prudential sourcebook for Investment Firms (IFPRU), the Interim Prudential sourcebook for Investment Businesses (IPRU(INV)), the General Prudential sourcebook (‘GENPRU’) and the Prudential sourcebook for banks, building societies and investment firms (‘BIPRU’).

More generally, you should be aware that the recast CAD forms part of the Capital Requirements Directive (‘CRD’) which also amends the Banking Consolidation Directive.

Q3. How much can we rely on these Q and As?

The answers given in these Q and As represent the FCA’s views but the interpretation of financial services legislation is ultimately a matter for the courts. How the scope of MiFID and the recast CAD CRD and the EU CRR affect the regulatory position of any particular person will depend on his individual circumstances. If you have doubts about your position after reading these Q and As, you may wish to seek legal advice. The Q and As are not a substitute for reading the relevant provisions in MiFID, the recast CAD CRD and the EU CRR (and the recast CAD for certain firms), the MiFID implementing measures and The Treasury's implementing legislation, including the statutory instruments listed...
in Annex 4 ('Principal Statutory Instruments relating to MiFID scope issues').

Moreover, although MiFID and the recast CAD CRD and the EU CRR set out most of the key provisions and definitions relating to scope, some provisions may be subject to further legislation by the European Commission. In addition to FCA guidance, MiFID’s scope provisions may also be the subject of guidance or communications by the European Commission or the Committee of European Securities and Markets Authority (‘ESMA’) Regulators (‘CESR’). Similarly, the recast CAD CRD and the EU CRR provisions may be the subject of technical standards and guidance or communications by the European Commission or the Committee of European Banking Authority (‘EBA’) Supervisors (‘CEBS’).

13.3 Investment Services and Activities

…

Q12A. We carry out the activity of bidding in emissions auctions. Is this a MiFID service or activity?

Article 6(5) of the auction regulation deems as an investment service or activity the reception, transmission and submission of a bid for a financial instrument (the 'five-day future' auction product – see PERG 2.6.19GG(3)) on an auction platform by an investment firm to which MiFID applies or a BCD CRD credit institution. It does not specify which investment service or activity. In the FCA’s view, it is likely to be the reception and transmission of orders in relation to one or more financial instruments, execution of orders on behalf of clients or dealing on own account.

…

Q16. What is dealing on own account? (A3 and article 4.1(6))

…

In our view, where you are a firm which meets all of the conditions of article 5.2 of the recast CAD 29(2) of CRD (see Q61), you will not be dealing on own account.

…

Q.24 What is a multilateral trading facility?...

The concept of a multilateral trading facility (MTF) draws on standards, issued by CESR (now known as ESMA), on which the FSA’s previous alternative trading system regime was based. …

…

Q.26. We are an investment firm – can we apply for passporting rights that include ancillary services?

…
You will not be able to apply for passporting rights in respect of ancillary services only. In our view, this does not restrict the ability of credit institutions to exercise passporting rights under the **BCD CRD** which correspond to ancillary services under **MiFID** (for example, the activity of safekeeping and administration of securities in Annex 1 paragraph 12 of the **BCD CRD**).

...  

### 13.5 Exemptions from MiFID

...  

**Q49. Which firms might fall within this exemption?**  

The exemption applies to persons who meet all the following conditions:

- ...  
- credit institutions authorised under the **BCD CRD**;  
- branches of third country investment firms or credit institutions complying with rules considered by the FCA to be at least as stringent as those laid down in MiFID, the **BCD** or the **CAD CRD** and the **EU CRR**;  
- ...  

...  

**Q53. What is the practical effect of exercising the optional exemption for those firms falling within its scope?**

You are not a firm to which MiFID applies and so are not a **MiFID investment firm** for the purposes of the Handbook. As such you are not subject to the requirements of the **recast CAD CRD** as transposed in the Handbook and the **EU CRR** and cannot exercise passporting rights.

...  

### 13.6 The recast Capital Adequacy Directive **CRD IV**

**Q54. What is the purpose of this section?**

This section is designed to help UK investment firms consider:

- whether the **CRD** and the **EU CRR** (which allow the recast CAD to continue to apply to certain firms), as implemented in the UK, applies to them;  
- if so, which category of firm they are for the purposes of the FCA’s base capital resources requirements made under the recast CAD, for example whether they are a **BIPRU 50K firm**, a **BIPRU 125k firm**, a **BIPRU IFPRU 730K firm**, a **UCITS investment firm**, an **exempt CAD firm** or a firm falling within the transitional regime for certain commodity brokers and dealers; and  
- if the **CRD** applies, which category of firm they are for the purposes of the
FCA’s base own funds requirements, for example whether they are an IFPRU 50K firm, an IFPRU 125K firm or an IFPRU 730K firm, an exempt CAD firm or a firm falling within the transitional regime for certain commodity brokers and dealers:

- if the CRD allows the recast CAD to apply for certain firms, which category of firm they are for the purposes of the FCA’s base capital resources requirements, for example whether they are a BIPRU firm or a BIPRU firm falling within the transitional regime for certain commodity brokers and dealers;

- in respect of collective portfolio management investment firms, which category of firm they are for the purpose of the FCA’s financial resources requirements, for example whether they are an IFPRU investment firm or BIPRU firm; and

- how the recast CAD CRD and the EU CRR otherwise impact on their business, by explaining when a firm will be a limited licence firm, a limited activity firm or a full-scope BIPRU IFPRU investment firm.

This section is intended to provide a general summary of these issues and not a detailed or exhaustive explanation of the recast CAD CRD and the EU CRR as implemented in the UK.

Q55. Are we subject to the recast CAD CRD and the EU CRR?

Only investment firms subject to the requirements of MiFID are subject to the requirements of the recast CAD CRD and the EU CRR (which allow the recast CAD to apply for certain firms). This includes UCITS investment firms collective portfolio management investment firms (see Q6 and Q63).

Despite being subject to the requirements of MiFID, broadly speaking, if you are one of the following investment firms, our implementation of the recast CAD CRD and the EU CRR will only apply to you in a limited way:

- a firm whose main business consists exclusively of providing investment services or activities in relation to commodity derivatives or C10 derivatives, or both, and to whom the ISD would not have applied. If you fall into this category, you will fall within a transitional regime under which you will not be subject to the capital requirements of the recast CAD EU CRR or CRD but will be subject to other requirements (see Q57); or

- a firm that is only authorised to provide investment advice or receive and transmit orders, or both, without holding client money or securities and does not provide the ancillary service (1) referred to in Section B of Annex I to MiFID, which is safekeeping and administration of financial instruments for the account of clients, including custodianship and related services such as cash/collateral management. If you fall into this category, you will be an exempt CAD firm and only subject to base capital requirements under the recast CAD CRD (see Q58 and Q59 below); or

- a firm that:
  - does not provide the ancillary service of safekeeping and
administration of financial instruments for the account of clients, including custodianship and related services such as cash/collateral management, and is not authorised to do so;

- is not authorised to provide the following investment services: (a) to deal in any financial instruments for its own account; (b) to underwrite issues of financial instruments on a firm commitment basis; (c) to place financial instruments without a firm commitment basis; and (d) to operate a multilateral trading facility;

- is authorised to provide one or more of the following investment services: (a) the execution of investors’ orders for financial instruments; or (b) the management of individual portfolios of investments in financial instruments;

- may be authorised to provide one or more of the following investment services: (a) reception and transmission of investors’ orders for financial instruments; or (b) investment advice; and

- does not hold clients’ money and/or securities and is not authorised to do so (it should have a limitation or requirement prohibiting the holding of client money and its permission should not include safeguarding and administering investments).

If you fall into this category, you may be a BIPRU firm and as such would not be subject to the capital requirements of the EU CRR or CRD but would instead be subject to other requirements (see Q58A).

If you are an investment firm to which an exemption in either article 2 or article 3 MiFID applies (see PERG 13.5 and PERG 13 Annex 1 flow chart 2), you are not subject to the recast CAD CRD and the EU CRR. However, if you potentially fall within the article 3 exemption, but decide to opt into MiFID regulation, for instance to acquire passporting rights (see Q52), you are subject to the recast CAD CRD and the EU CRR. If you do so, you are an exempt CAD firm (see Q58 and Q59).

There is also a special exemption under the recast CAD EU CRR for locals that do not fall within the exemption for local firms under MiFID (see Q47). However, we do not think that UK regulated firms that were subject to the regulatory regime for locals prior to MiFID implementation are likely to fall within the exemption under the recast CAD EU CRR. This is because they are likely to fall within article 2.1(l) MiFID.

Q56. We are an investment firm to which MiFID applies and do not fall into one of the limited categories described above. How does the recast CAD CRD and the EU CRR apply to us?

You are a CAD an IFPRU investment firm. Broadly speaking, you should go through an initial two-stage process in considering how the recast CAD CRD and the EU CRR will apply to you:

- consider what kind of base capital own funds requirements apply to you; and

- consider whether you are a limited licence firm, a limited activity firm or a
full-scope BIPRU IFPRU investment firm to determine how other capital requirements of the recast CAD CRD and the EU CRR apply to you.

You are either a BIPRU an IFPRU 50K firm (subject to a base capital own funds requirement of euro 50,000) (see Q60), a BIPRU an IFPRU 125K firm (subject to a base capital own funds requirement of euro 125,000) (see Q61), a BIPRU an IFPRU 730K firm (subject to a base capital own funds requirement of euro 730,000) (see Q62) or a UCITS investment firm collective portfolio management investment firm (see Q63). Your base capital own funds requirement depends essentially on the scope of your permission and any limitations or requirements placed upon it.

If you are a BIPRU an IFPRU investment firm, in essence the scope of your permission and any limitations or requirements placed upon it also dictate whether you are a limited licence firm, a limited activity firm or a full-scope BIPRU IFPRU investment firm. Broadly speaking, the benefit of being a limited licence firm or a limited activity firm (see Q64 and Q65) is that you are exempt from:

- minimum own funds requirements to hold capital to cover operational risk, although you are subject to the requirements to hold own funds calculated by reference to credit risk, market risk and fixed overheads (see GENPRU 2.1.45R articles 95 and 96 of the EU CRR);
- the requirement to calculate a leverage ratio (see article 6(5) of the EU CRR).

A limited licence firm is further exempt from the requirements on capital buffers (see the last paragraph of article 128 of CRD) and liquidity requirements in Part Six of the EU CRR (see article 6(4) of the EU CRR).

A limited activity firm is exempt from the liquidity requirements in Part Six of the EU CRR unless it is both an ILAS BIPRU firm and a significant IFPRU firm (see article 6(4) of the EU CRR).

An IFPRU investment firm includes a collective portfolio management investment firm (see Q63).

Other derogations may apply (see IFPRU).

If you are a full-scope BIPRU IFPRU investment firm, you are subject to the full range of recast CAD risk requirements in CRD and the EU CRR, unless there are specific derogations that apply (see Q66). See, generally, GENPRU 2.1.45R in relation to the calculation of capital resources requirements for limited licence firms, limited activity firms and full-scope BIPRU investment firms.

The question of whether you are a limited licence firm or a limited activity firm may also be relevant to capital treatment at a group level. This is outside the scope of this guidance which focuses only on the application of the recast CAD CRD and the EU CRR at the level of the individual firm, although you may find the decision tree at BIPRU 8 Annex 5R helpful in considering these issues.

Q57. How do we know if we are a firm to which the transitional regime for certain commodity brokers and dealers applies?

You are a firm to which the transitional regime applies if:
you are a firm to which the Directive 93/22/ECC (ISD) did not or would not have applied on 31 December 2006; and

your main business consists exclusively of the provision of investment services or activities in relation to financial instruments set out in C5, 6, 7, 9 and 10 of Annex 1 of MiFID. See article 498 of the EU CRR or BIPRU TP 15, whichever is applicable.

This exemption is only relevant if you are a firm to which MiFID applies, that is, you do not fall within the exemptions in articles 2 or 3 of MiFID (see Q55). Although you are exempt from the capital requirements of the recast CAD CRD and the EU CRR (or the recast CAD as applicable to BIPRU firms), you are subject to risk management and other systems and control requirements in the form of SYSC (see BIPRU TP 15.11G or IFPRU 1.1.1G). You may also be subject to the requirements of chapter 3 of IPRU(INV).

If you fall into this category, you are either an exempt BIPRU commodities firm (see BIPRU TP 15 if you are a BIPRU firm) or an exempt IFPRU commodities firm (see article 498 of the EU CRR if you are an IFPRU investment firm).

In our view, your main business for the purposes of this exemption is the main business to which MiFID applies.

Q58. How do we know whether we are an exempt CAD firm and what does this mean in practice?

…

• are not authorised to hold client money or securities in relation to MiFID business;

• do not have a safeguarding and administering investments (without arranging) permission in relation to MiFID financial instruments; and

…

Q58A. How do we know whether we are a BIPRU firm and what does that mean in practice?

This category may be relevant to you if you have permission to execute orders on behalf of clients and/or carry out portfolio management in relation to MiFID financial instruments. In summary, a BIPRU firm:

• does not provide the ancillary service of safekeeping and administration of financial instruments for the account of clients, including custodianship and related services such as cash/collateral management, and is not authorised to do so;

• is not authorised to provide the investment services of dealing in any financial instruments for its own account, underwriting issues of financial instruments on a firm commitment basis, placing financial instruments without a firm commitment basis and operating a multilateral trading facility;

• is authorised to provide one or more of the investment services of
executing investor’s orders for financial instruments, or management of individual portfolios of investments in financial instruments;

- may be authorised to provide one or more of the investments services of the reception and transmission of investors’ orders for financial instruments, or investment advice; and

- does not hold clients’ money and/or securities and is not authorised to do so (it should have a limitation or requirement prohibiting the holding of client money and its permission should not include safeguarding and administering investments).

Where you hold client money for purposes unconnected with providing investment advice or receiving and transmitting orders in relation to MiFID financial instruments, in our view you can still be a BIPRU firm. This might include, for instance, when you hold money or securities for clients to whom you only provide services that do not constitute investment services and therefore fall outside the scope of MiFID.

There is a discretion in article 95(2) of the EU CRR which the FCA has exercised to keep BIPRU firms on the recast CAD and Banking Consolidation Directive, as they stood under national law (ie, BIPRU and GENPRU) on 31 December 2013. Consequently, if you are a BIPRU firm, you are subject to base capital resources requirement of euros 50,000 (see GENPRU 2.1.48R) and, for the calculation of the variable capital requirement for a BIPRU firm, see GENPRU 2.1.45R.

A collective portfolio management investment firm may also include a BIPRU firm (see Q63).

**Q59. If we are subject to the Insurance Mediation Directive, does this make any difference to the requirements which apply?**

Yes. If the only investment services that you are authorised to provide are investment advice or receiving and transmitting orders or both, without holding client money or securities, you can still be an exempt CAD firm. However, you are subject to different base capital requirements. Broadly speaking, article 8 recast CAD 31(2) of the CRD requires you to have professional indemnity insurance of euro 1,000,000 for any one claim and euro 1,500,000 in aggregate (this is the IMD requirement), plus coverage in one of the following forms:

- base capital of euro 25,000; or

- professional indemnity insurance of euro 500,000 for any one claim and euro 750,000 in aggregate; or

- a combination of base capital and professional indemnity insurance resulting in an equivalent level of coverage to the options above.

For the rules transposing these requirements and supporting guidance, see the final paragraph of the answer to Q58.

As mentioned in Q58, when you hold client money or securities for purposes unconnected with providing investment advice or receiving and transmitting orders in relation to MiFID financial instruments, in our view you can still be an exempt CAD firm. This might include, for instance, when you hold client money
for those to whom you provide insurance mediation services.

You should also bear in mind that if you are a firm to whom article 2 or article 3 MiFID applies (see PERG 13.5), you are not subject to the recast CAD CRD.

Q60. Are we a BIPRU an IFPRU 50K firm?

This category may be relevant to you if you are not an exempt CAD firm or a BIPRU firm and have one or more of the following permissions in relation to MiFID financial instruments:

- arranging (bringing about) deals in investments;
- dealing investments as agent; or
- managing investments,

provided that you are not authorised to:

- hold client money or securities in relation to MiFID business or safeguard and administer (without arranging) MiFID financial investments; or
- deal on own account in, or underwrite on a firm commitment basis, issues of MiFID financial instruments (if you have a dealing in investments as principal permission in relation to MiFID financial instruments, you need a limitation or requirement on your permission to this effect).

Q61. Are we a BIPRU an IFPRU 125K firm?

This category may be relevant to you if you would have been a BIPRU an IFPRU 50K firm but for the fact that you are entitled to hold client money or securities in relation to MiFID business or hold MiFID financial instruments.

You may also be a BIPRU an IFPRU 125K firm if you meet the conditions of article 5.2 recast CAD 29(2) of the CRD. Broadly speaking, this applies to investment firms which execute investors' orders and hold financial instruments for their own account provided that:

- such positions arise only as a result of the firm's failure to match investors' orders precisely;
- the total market value of all such positions is subject to a ceiling of 15% of the firm's initial capital;
- the firm meets the requirements laid down in articles 18, 20 and 28 recast CAD 92 to 95 of the EU CRR and Part Four of the EU CRR (including own funds requirements in respect of position risk, settlement and counterparty credit risk and large exposures); and
- such positions are incidental and provisional in nature and strictly limited to the time required to carry out the transaction in question.

If you meet the conditions of article 5.2 recast CAD 29(2) of the CRD and are not authorised to hold client money or securities in relation to MiFID business or safeguard and administer (without arranging) MiFID financial instruments, you will be a BIPRU an IFPRU 50K firm.
Q62. Are we a BIPRU an IFPRU 730K firm?

If you are a CAD an IFPRU investment firm and you are neither a BIPRU an IFPRU 50K firm nor a BIPRU an IFPRU 125K firm nor a UCITS investment firm collective portfolio management investment firm (see Q63), you will be a BIPRU an IFPRU 730K firm.

Q63. We are a UCITS investment firm collective portfolio management investment firm. How will the recast CAD the CRD and the EU CRR apply to us? Does the recast CAD continue to apply to us?

UCITS investment firms Collective portfolio management investment firms (AIFMs that are authorised to perform the additional services of portfolio management, investment advice, safeguarding and administering of units and reception and transmission of orders in relation to financial instruments and UCITS management companies that are authorised to perform the additional services of portfolio management, investment advice and safeguarding and administration of units) are subject to the recast CAD CRD and the EU CRR in parallel with the capital requirements in AIFMD and/or the UCITS Directive (as applicable). This category of collective portfolio management investment firms are also IFPRU investment firms. See IFPRU and IPRU(INV) 11.

As an exception to the above, collective portfolio management investment firms which are also a BIPRU firm (see Q58A) are subject to the recast CAD in parallel with the capital requirements in AIFMD and/or the UCITS Directive (as applicable). See GENPRU, BIPRU and IPRU(INV) 11.

If you are a UCITS investment firm collective portfolio management investment firm, your minimum base capital own funds requirement is contained in IPRU(INV) 11.3.1R, GENPRU 2.1.48R (which refers to UPRU 2.1.2R(1)) and in summary is:

- a minimum base capital requirement of euro 125,000; and
- an additional amount of own funds equal to 0.02% of the amount by which the value of the portfolios under management exceeds euro 250,000,000 (subject to an overall maximum base capital requirement of euro 10,000,000).

In our view, a UCITS investment firm collective portfolio management investment firm should be a limited licence firm, as AIFMD and/or the UCITS Directive (as applicable) prevents it from dealing on own account outside its scheme management activities. As a result, where a UCITS investment firm collective portfolio management investment firm has a dealing in investments as principal permission, this should be limited to box management activities where MiFID financial instruments are concerned. In our view, a UCITS investment firm which has this limitation and complies with it will only be required as a result of its individual portfolio management activity and it will not be dealing on own account for the purposes of the MiFID and the CRD and the EU CRR (or the recast CAD as applicable to BIPRU firms).

Q64. Are we a limited licence firm?
A limited licence firm is one that is not authorised to:

- deal on own account (see Q16); and
- underwrite and/or place financial instruments on a firm commitment basis (see Q22).

You can be a limited licence firm if you are either:

- a BIPRU an IFPRU 50K firm (see Q60); or
- a BIPRU an IFPRU 125K firm (see Q61).

Generally, you cannot be a limited licence firm if you are a BIPRU an IFPRU 730K firm. However, you may be a limited licence firm if you operate a multilateral trading facility (and therefore are a BIPRU an IFPRU 730K firm) and do not have a dealing in investments as principal permission enabling you to deal on own account or to underwrite or place financial instruments on a firm commitment basis.

For calculation of the variable capital requirement for a BIPRU an IFPRU limited licence firm (including a UCITS investment firm collective portfolio management investment firm) see GENPRU 2.1.45R article 95 of the EU CRR.

Q65. Are we a limited activity firm?

A limited activity firm is a BIPRU an IFPRU 730K firm that deals on own account only for the purpose of:

- fulfilling or executing a client order; or
- gaining entrance to a clearing and settlement system or a recognised exchange when acting in an agency capacity or executing a client order.

If you wish to be a limited activity firm, you should apply for a limitation on your dealing in investments as principal permission reflecting these conditions.

There is also a category for certain firms which, among other things, do not hold client money or securities and have no external customers. We do not think that any UK regulated firms are likely to fall within this third category of limited activity firm.

Q66. What is the effect of being a CAD an IFPRU investment firm subject to the CRD and the EU CRR which is neither a limited licence firm nor a limited activity firm?

You will be a full-scope BIPRU IFPRU investment firm, subject to the full range of recast CAD CRD and EU CRR risk requirements, unless there are specific derogations that apply.

Guidance on the scope of the Payment Services Regulations 2009

...  

15.2 General

Q1. Why does it matter whether or not we fall within the scope of the PSD regulations?

Broadly, when you provide payment services, by way of business, in the UK and these services do not fall within an exclusion or exemption, you must be:

...  

(d) a credit institution (either one with a Part 4A permission to accept deposits or an EEA credit institution where it is exercising passport rights under paragraph 4 of Annex 1 to the Banking Consolidation directive (CRD)); or

...  

Q7. We are a credit institution. Do the PSD regulations apply to us?

...  

An EEA credit institution wishing to provide payment services through a UK branch must exercise its passport rights under paragraph 4 of the Annex to the Banking Consolidation directive (BCD) CRD. Similarly, a UK credit institution which wishes to provide payment services in other Member States may exercise its BCD CRD passport rights to do so.

Q10. We are a “financial institution” under the Banking Consolidation Directive (BCD) CRD. How does PSD apply to us?

...  

A “financial institution” for the purposes of the PSD regulations, as for the BCD CRD, is an undertaking other than a credit institution, the principal activity of which is to acquire holdings or to carry on one or more of the activities listed in points 2 to 12 of Annex 1 to the BCD CRD (see SUP App 3.9.4G). It may include, for example, an authorised person under the Act which is neither a credit institution nor an e-money issuer.
15.6 Territorial Scope

Q45. We are a UK payment institution - when will we need to make a passport notification?

…

As regards the provision of payment services in other EEA States and passport notification, in our view the Commission Interpretative Communication (Freedom to provide services and the interest of the general good in the Second Banking Directive (97C 209/04)) provides a useful starting point, in particular because payment services form part of the BCD CRD passport. …
