8.3 Applying for a waiver

... Procedure on receipt of an application

8.3.5 G The appropriate regulator will acknowledge an application promptly and if necessary will seek further information from the firm. The time taken to determine an application will depend on the issues it raises. However, the appropriate regulator will aim to give waiver decisions within 20 business days of receiving an application which includes sufficient information. If the appropriate regulator expects to take longer, it will tell the firm and give an estimated decision date. A firm should make it clear in the application if it needs a decision within a specific time.
