...

6.2 Deciding whether to take action

...

6.2.2 G When deciding whether to take action for *market abuse* ~~or requiring or encouraging~~, the *FCA* may consider the following additional factors:

...

...

6.2.12 G ~~Persons discharging managerial responsibilities within an issuer and their connected persons, who have requested or approved the admission of a financial instrument to trading on a regulated market, and connected persons have their own responsibilities under the disclosure rules, as set out in *DTR* 3, for which they are primarily responsible. Accordingly, disciplinary action for a breach of the disclosure rules will not necessarily involve the issuer.~~

~~[Note: In paragraph 6.2.12, 'connected person' has the meaning in relation to a person discharging managerial responsibilities within an issuer attributed to it in subsection (5) of the definition of 'connected person' in the Handbook Glossary.] [deleted]~~

...

6.2.22 G In relation to ~~behaviour~~ behaviour which may have happened or be happening in the context of a *takeover bid*, the *FCA* will refer to the *Takeover Panel* and give due weight to its views. Where the *Takeover Code* has procedures for complaint about any behaviour, the *FCA* expects parties to exhaust those procedures. The *FCA* will not, save in exceptional circumstances, take action under any of section 123 (*FCA's* power to impose penalties), section 123A (Power to prohibit individuals from managing or dealing), section 123B (Suspending permission to carry on regulated

activities etc.), section 129 (Power of court to impose penalties), section 381 (Injunctions), sections 383 or 384 (Restitution) in respect of ~~behaviour~~ behaviour to which the *Takeover Code* is relevant before the conclusion of the procedures available under the *Takeover Code*.

- 6.2.23 G The *FCA* will not take action against a *person* over ~~behaviour~~ behaviour which does not amount to market abuse. Behaviour is less likely to amount to market abuse where it (a) conforms with the *Takeover Code* or rules of an *RIE* and (b) falls within the terms of ~~any provision of the Code of Market Conduct~~ MAR 1.10.4G to 1.10.6G which ~~states~~ state that ~~behaviour~~ behaviour so conforming ~~does not~~ is unlikely to, of itself, amount to *market abuse*. The *FCA* will seek the *Takeover Panel's* or relevant *RIE's* views on whether ~~behaviour~~ behaviour complies with the *Takeover Code* or *RIE* rules and will attach considerable weight to its views.

...

- 6.2.25 G In any case where the *FCA* considers that the use of its powers under any of sections 123, 123A, 123B, 129, 381, 383 or 384 of the *Act* may be appropriate, if that use may affect the timetable or outcome of a *takeover bid* or where it is appropriate in the context of any exercise by the *Takeover Panel* of its powers and authority, the *FCA* will consult the *Takeover Panel* before using any of those powers.

- 6.2.26 G Where the ~~behaviour~~ behaviour of a *person* which amounts to *market abuse* is ~~behaviour~~ behaviour to which the *Takeover Code* is relevant, the use of the *Takeover Panel's* powers will often be sufficient to address the relevant concerns. In cases where this is not so, the *FCA* will need to consider whether it is appropriate to use any of its own powers under the *market abuse regime*. The principal circumstances in which the *FCA* is likely to consider such exercise are:

- (1) where the ~~behaviour~~ behaviour falls within ~~sections 118(2), 118(3) or 118(4) of the Act~~ the prohibition in article 14 of the *Market Abuse Regulation*;
- (2) where the *FCA's* approach in previous similar cases (which may have happened otherwise than in the context of a *takeover bid*) suggests that a ~~financial penalty~~ sanction should be imposed;

...

...

6.3 Penalties for market abuse

- 6.3.1 G ~~Section 123(2) of the Act states that the FCA may not impose a penalty on a person if there are reasonable grounds to be satisfied that:~~
- (1) ~~the person concerned believed, on reasonable grounds, that his behaviour did not amount to market abuse or requiring or~~

~~encouraging; or~~

- (2) ~~the *person* concerned took all reasonable precautions and exercised all due diligence to avoid engaging in *market abuse* or *requiring or encouraging*. [deleted]~~

6.3.2 G The factors which the *FCA* may take into account when deciding whether either of the two conditions in *DEPP* 6.3.1G are met include, but are not limited to:

- (1) ~~whether, and if so to what extent, the *behaviour* in question was or was not analogous to *behaviour* described in the *Code of Market Conduct* (see *MAR* 1) as amounting or not amounting to *market abuse* or *requiring or encouraging*;~~
- (2) ~~whether the *FCA* has published any *guidance* or other materials on the *behaviour* in question and if so, the extent to which the *person* sought to follow that *guidance* or take account of those materials (see the Reader's Guide to the *Handbook* regarding the status of *guidance*.) The *FCA* will consider the nature and accessibility of any *guidance* or other published materials when deciding whether it is relevant in this context and, if so, what weight it should be given;~~
- (3) ~~whether, and if so to what extent, the *behaviour* complied with the rules of any relevant *prescribed market* or any other relevant market or other regulatory requirements (including the *Takeover Code*) or any relevant codes of conduct or best practice;~~
- (4) ~~the level of knowledge, skill and experience of the *person* concerned;~~
- (5) ~~whether, and if so to what extent, the *person* can demonstrate that the *behaviour* was engaged in for a legitimate purpose and in a proper way;~~
- (6) ~~whether, and if so to what extent, the *person* followed internal consultation and escalation procedures in relation to the *behaviour* (for example, did the *person* discuss the *behaviour* with internal line management and/or internal legal or compliance departments);~~
- (7) ~~whether, and if so the extent to which, the *person* sought any appropriate expert legal or other expert professional advice and followed that advice; and~~
- (8) ~~whether, and if so to what extent, the *person* sought advice from the market authorities of any relevant *prescribed market* or, where relevant, consulted the *Takeover Panel*, and followed the advice received. [deleted]~~

(13) Factors tending to show the *market abuse* was deliberate include:

6.7 Discount for early settlement

6.7.1 G *Persons* subject to enforcement action may be prepared to agree the amount of any financial penalty, or the length of any period of suspension, restriction, condition ~~or~~ limitation or disciplinary prohibition (see *DEPP* 6A), and other conditions which the *FCA* seeks to impose by way of such action. These conditions might include, for example, the amount or mechanism for the payment of compensation to consumers. The *FCA* recognises the benefits of such agreements, as they offer the potential for securing earlier redress or protection for consumers and a cost saving to the *person* concerned and to the *FCA* in contesting the financial penalty or other disciplinary action. The penalty that might otherwise be payable, or the length of the period of suspension, restriction ~~or~~ condition or disciplinary prohibition that might be imposed, for a *breach* by the *person* concerned will therefore be reduced to reflect the timing of any settlement agreement.

...

The settlement discount scheme applied to suspensions, restrictions ~~and~~ conditions and disciplinary prohibitions

6.7.6 G The *settlement discount scheme* which applies to the amount of a financial penalty, described in *DEPP* 6.7.2G to *DEPP* 6.7.5G, also applies to the length of the period of a suspension, restriction ~~or~~ condition or disciplinary prohibition (other than a permanent disciplinary prohibition), having regard to the *FCA*'s statement of policy as set out in *DEPP* 6A.3. No settlement discount is available with respect to a permanent disciplinary prohibition. The *settlement discount scheme* does not apply to the length of the period for which approvals under section 59 of the *Act* have effect as a result of a limitation, as different considerations apply to determining the appropriate

length of this period: see *DEPP* 6A.1.5G and *DEPP* 6A.3AG. However, the *FCA* will take into account that the *approved person* is willing to enter into a settlement agreement when determining the appropriate period.

6A **The power to impose a suspension, restriction, condition or limitation or disciplinary prohibition**

6A.1 **Introduction**

6A.1.1 G *DEPP* 6A sets out the *FCA's* statement of policy with respect to:

- (1) the imposition of suspensions or restrictions under sections 88A, 89Q and 206A of the *Act*, and the period for which those suspensions or restrictions are to have effect, as required by sections 88C(1), 89S(1) and 210(1) of the *Act* ;
- (2) ~~It also sets out the *FCA's* statement of policy on~~ the imposition of suspensions, conditions or limitations under section 66 of the *Act*, the period for which suspensions or conditions are to have effect, and the period for which approvals under section 59 have effect as a result of a limitation, as required by section 69(1) ; and
- (3) the imposition of disciplinary prohibitions, suspensions or restrictions under sections 123A and 123B of the *Act*, as required by section 124(1).

DEPP 6A does not concern limitations or conditions imposed under section 61(2B), 63ZA or 63ZB of the *Act*.

6A.1.2 G (1) For the purposes of *DEPP* 6A, "suspension" refers to the suspension of:

- (a) any *permission* which an *authorised person* has to carry on a *regulated activity* (under ~~section~~ sections 123B or 206A of the *Act*),

...

(2) "restriction" refers to limitations or other restrictions in relation to:

- (a) the carrying on of a *regulated activity* by an *authorised person* (under ~~section~~ sections 123B or 206A of the *Act*),

...

(3) "condition" refers to a condition imposed in relation to any approval of the performance by an *approved person* of any function to which the approval relates (under section 66 of the *Act*); ~~and~~

(4) "limitation" refers, apart from in *DEPP* 6A.1.2G(2), to a limitation

of the period for which any approval of the performance by an *approved person* of any function to which the approval relates is to have effect (under section 66 of the *Act*) ; and

- (5) “disciplinary prohibition” refers to a temporary or permanent prohibition on an individual holding an office or position involving responsibility for taking decisions about the management of a *MiFID investment firm* (under section 123A(2)(a) and (3) of the *Act*) or a temporary prohibition on an individual directly or indirectly acquiring or disposing of *financial instruments* (or *emission auction products*) on his or her own account or the account of a third party, (under section 123A(2)(b) of the *Act*) or a temporary prohibition on an individual directly or indirectly making a bid at an auction conducted by a *recognised auction platform*, on his or her own account or the account of a third party (under section 123A(2)(c) of the *Act*).

[Note: see Regulation 6 and Schedule 1 to the *RAP Regulations* for application of the powers to contraventions of the *auction regulation*]

- 6A.1.3 G The power to impose a suspension, restriction, condition or limitation or disciplinary prohibition is a disciplinary measure which the *FCA* may use in addition to, or instead of, imposing a financial penalty or issuing a *public censure*. The principal purpose of imposing such a measure is to promote high standards of regulatory and/or market conduct by deterring *persons* who have committed *breaches* from committing further *breaches*, helping to deter other *persons* from committing similar *breaches*, and demonstrating generally the benefits of compliant behaviour. These measures are tools that the *FCA* may employ to help it to achieve its *statutory objectives*. Examples of measures that we may impose include:

...

- 6A.1.4 G The powers to impose a suspension, restriction, condition or limitation in relation to *authorised persons* and *approved persons*, and to impose a disciplinary prohibition in relation to individuals, are disciplinary measures; where the *FCA* considers it necessary to take action, for example, to protect *consumers* from an *authorised person*, the *FCA* will seek to cancel or vary the *authorised person's permissions*. If the *FCA* has concerns with a *person's* fitness to be approved, and considers it necessary to take action, the *FCA* will seek to prohibit the *approved person* or withdraw their approval. For an *SMF manager*, the *FCA* may instead vary their approval by imposing one or more conditions, if the *FCA* is satisfied that they would be a fit and proper person to perform functions in relation to *regulated activities* if the conditions are imposed, and that it is appropriate to do so. While the powers to impose a suspension or a restriction in relation to *sponsors* and *primary information providers* under sections 88A(2)(b)/(c) and 89Q(2)(b)/(c) of the *Act* are disciplinary measures, the *FCA* can impose suspensions, limitations or other restrictions in relation to *sponsors* and *primary information*

providers in other circumstances.

...

6A.2 Deciding whether to take action

6A.2.1 G The *FCA* will consider the full circumstances of each case and determine whether it is appropriate to impose a suspension, restriction, condition ~~or~~ limitation, or disciplinary prohibition. The *FCA* will usually make this decision at the same time as it determines whether or not to impose a financial penalty or a *public censure*.

6A.2.2 G The *FCA* will take into account relevant factors in deciding whether it is appropriate to impose a suspension, restriction, condition ~~or~~ limitation or disciplinary prohibition. These may include factors listed in *DEPP* 6.2. There may also be other factors, not listed in *DEPP* 6.2, that are relevant.

6A.2.3 G The *FCA* will consider it appropriate to impose a suspension, restriction, condition ~~or~~ limitation or disciplinary prohibition where it believes that such action will be a more effective and persuasive deterrent than the imposition of a financial penalty alone. This is likely to be the case where the *FCA* considers that direct and visible action in relation to a particular *breach* is necessary. Examples of circumstances where the *FCA* may consider it appropriate to take such action include:

...

(7) where, in view of the nature and seriousness of an *approved person's* misconduct, the *FCA* considers it appropriate to impose a limitation on part or all of their approval ; and

(8) where, in view of the nature and seriousness of an individual's misconduct, the *FCA* considers it appropriate to impose a disciplinary prohibition.

...

6A.3 Determining the appropriate length of the period of suspension, restriction ~~or~~ condition or disciplinary prohibition

6A.3.1 G The *FCA* will consider all the relevant circumstances of a case when it determines the length of the period of suspension, restriction ~~or~~ condition or disciplinary prohibition (if any) that is appropriate for the *breach* concerned, and is also a sufficient deterrent. Set out below is a list of factors that may be relevant for this purpose. The list is not exhaustive: not all of these factors may be applicable in a particular case, and there may be other factors, not listed, that are relevant.

6A.3.2 G The following factors may be relevant to determining the appropriate length of the period of suspension, restriction ~~or~~ condition or disciplinary prohibition to be imposed on a *person* under the *Act*:

(1) Deterrence

When determining the appropriate length of the period of suspension, restriction or condition or disciplinary prohibition the FCA will have regard to the principal purpose for which it imposes sanctions, namely to promote high standards of regulatory and/or market conduct by deterring *persons* who have committed *breaches* from committing further *breaches* and helping to deter other *persons* from committing similar *breaches*, as well as demonstrating generally the benefits of compliant business.

(2) The seriousness of the breach

The FCA will have regard to the seriousness of the *breach*. In assessing this, it will consider the impact and nature of the *breach*, and whether it was committed deliberately or recklessly. Where the *breach* was committed by an *authorised person*, relevant factors may include those listed in DEPP 6.5A.2G(6) to (9). Where the *breach* was committed by an ~~*approved person*~~ individual in a non-market abuse case, relevant factors may include those listed in DEPP 6.5B.2G(8) to (11). Where the *breach* was committed by an individual in a market abuse case, relevant factors may include those listed in DEPP 6.5C.2G(11) to (14). There may also be other factors, not listed in these sections, that are relevant.

(3) Aggravating and mitigating factors

The FCA will have regard to factors that may aggravate or mitigate a *breach*. Where the ~~*breach*~~ *breach* was committed by an *authorised person, sponsor or primary information provider*, relevant factors may include those listed in DEPP 6.5A.3G(2). Where the *breach* was committed by an ~~*approved person*~~ individual in a non-market abuse case, relevant factors may include those listed in DEPP 6.5B.3G(2). Where the *breach* was committed by an individual in a market abuse case, relevant factors may include those listed in DEPP 6.5C.3G(2). There may also be other factors, not listed in these sections, that are relevant.

(4) The impact of suspension, restriction or condition or disciplinary prohibition on the person in breach

...

The following considerations may be relevant to the assessment of the impact of suspension or condition on an *approved person* or the impact of a disciplinary prohibition on an individual:

...

- (f) the ~~*approved person's*~~ expected lost earnings from not being able to carry out the suspended or restricted or prohibited

activity; and

- (g) whether the suspension ~~or~~ restriction or disciplinary prohibition would cause the *approved person* serious financial hardship.

- (5) The impact of suspension ~~or~~ restriction or disciplinary prohibition on persons other than the person in breach

The following considerations may be relevant to the assessment of the impact of suspension ~~or~~ restriction or disciplinary prohibition on *persons* other than the *person* in *breach*:

...

- (b) the impact of the suspension ~~or~~ restriction or disciplinary prohibition on markets.

- 6A.3.3 G The *FCA* may delay the commencement of the period of suspension ~~or~~ restriction or disciplinary prohibition. In deciding whether this is appropriate, the *FCA* will take into account all the circumstances of a case. Considerations that may be relevant in respect of an *authorised person*, *sponsor* or *primary information provider* include:

...

- 6A.3.4 G The *FCA* and the *person* on whom a suspension ~~or~~ restriction or disciplinary prohibition is to be imposed may seek to agree the length of the period of suspension ~~or~~ restriction or disciplinary prohibition and other terms. In recognition of the benefits of such agreements, *DEPP* 6.7 provides that the length of a period of suspension ~~or~~ restriction or disciplinary prohibition (other than a permanent disciplinary prohibition) which might otherwise have been imposed will be reduced to reflect the stage at which the *FCA* and the *person* concerned reached an agreement.

...

6A.4 The interaction between the power to impose suspensions, restrictions, conditions ~~and~~ limitations or disciplinary prohibitions and the power to impose penalties or public censures

- 6A.4.1 G The deterrent effect and impact on a *person* of a ~~suspension, restriction, condition or limitation, by itself or in combination with a financial penalty, combination of sanctions~~ may be greater than where only a ~~financial penalty~~ single sanction is imposed. The *FCA* will consider the overall impact and deterrent effect of the sanctions it imposes when determining the level of any penalty and the length of suspension, restriction, condition ~~or~~ limitation or disciplinary prohibition.
- 6A.4.2 G The *FCA* expects usually to take the following approach in respect of the interaction between a ~~suspension, restriction, condition or limitation and a~~

~~financial penalty or public censure~~ sanctions:

...

- (3) If the *FCA*, following the approach set out in *DEPP* 6A.2, considers it appropriate to impose a suspension, restriction, condition ~~or~~ limitation or disciplinary prohibition (or some combination of these), it will calculate the appropriate length of the period (or periods) of ~~this measure~~ sanction, following the approach set out in *DEPP* 6A.3 or *DEPP* 6A.3A, as appropriate.
- (4) Where the *FCA* considers it appropriate to impose ~~both a financial penalty and a suspension, restriction, condition or limitation a~~ combination of sanctions, it will decide whether the combined impact on the *person* is likely to be disproportionate in respect to the *breach* and the deterrent effect of the sanctions.
- (5) If the *FCA* considers the combined impact on the *person* is likely to be disproportionate, it will decide whether to reduce the period of suspension, restriction, ~~or~~ condition, or disciplinary prohibition, and the amount of ~~the~~ any financial penalty or both, so that the combined impact of the sanctions is proportionate in relation to the *breach* and the deterrent effect of the sanctions. The *FCA* will decide which sanction or sanctions to reduce after considering all the circumstances of the case.
- (6) In deciding the final level of ~~the~~ any financial penalty and the length of ~~the~~ any period of suspension, restriction, condition ~~or~~ limitation or disciplinary prohibition, the *FCA* will also take into account any representations by the *person* that the combined impact will cause them serious financial hardship. The *FCA* will take the approach set out in *DEPP* 6.5D in assessing this.

- 6A.4.3 G The *FCA* may depart from the approach set out in *DEPP* 6A.4.2G. For example, the *FCA* may at the outset consider that a financial penalty is the only appropriate sanction for a *breach* but, having determined the appropriate level of financial penalty, may consider it appropriate to reduce the amount of the financial penalty for serious financial hardship reasons. In such a situation, the *FCA* may consider it appropriate to impose a suspension, restriction, condition ~~or~~ limitation or disciplinary prohibition even if the *FCA* at the outset did not consider such a sanction to be appropriate. The *FCA* will take into account whether the *person* would suffer serious financial hardship in deciding the length of the period of suspension, restriction, condition ~~or~~ limitation or disciplinary prohibition and may decide not to impose such a measure if it considers such action would result in serious financial hardship.

Annex C

Amendments to the Enforcement Guide (EG)

In this Annex, underlining indicates new text and striking through indicates deleted text, unless indicated otherwise.

1 Introduction

1.1 Overview

...

1.1.2 In the areas set out below, the *Act* expressly requires the *FCA* to prepare and publish statements of policy or procedure on the exercise of its enforcement and investigation powers and in relation to the giving of *statutory notices*.

...

- (3) section 124 requires the *FCA* to publish a statement of its policy on the imposition and amount, of financial penalties for *market abuse* type and level or period of administrative sanctions it may impose under Part VIII of the *Act*;

...

...

2 The FCA's approach to enforcement

...

2.2 Case selection: Firms and individuals, market abuse cases and listing matters

...

2.2.1 Other than in the area of a *firm's* failure to satisfy the *FCA's Threshold Conditions* for authorisation (see ~~paragraph~~ EG 2.3.1), the selection method for cases involving *firms* and individuals, *market abuse* and listing matters (for example, breaches of the listing, or prospectus or disclosure rules) occurs at two main levels:

- (1) strategic planning; and
- (2) decisions on individual cases.

...

2.6 Assisting overseas regulators

- 2.6.1 The *FCA* views co-operation with its overseas counterparts as an essential part of its regulatory functions. Section 354A of the *Act* imposes a duty on the *FCA* to take such steps as it considers appropriate to co-operate with others who exercise functions similar to its own. This duty extends to authorities in the UK and overseas. In fulfilling this duty the *FCA* may share information which it is not prevented from disclosing, including information obtained in the course of the *FCA*'s own investigations, or exercise certain of its powers under Part XI of the *Act*. Further details of the *FCA*'s powers to assist overseas regulators are provided at *EG* 3.7.1 – 3.7.4 (Investigations to assist overseas authorities), *EG* 3.8.1 – 3.8.4 (Information requests and investigations to assist EEA regulators in relation to short selling), *EG* 3.8A (Information requests and entry of premises under warrant to assist EEA regulators in relation to the Market Abuse Regulation), *EG* 4.7.1 (Use of statutory powers to require the production of documents, the provision of information or the answering of questions), *EG* 4.11.9 – 4.11.11 (Interviews in response to a request from an overseas regulator or EEA regulator), and *EG* 8.6.1 – 8.6.8 (Exercising the power under section 55Q to vary or cancel a firm's Part 4A permission or to impose requirements on a firm in support of an overseas regulator: the *FCA*'s policy). The *FCA*'s statement of policy in relation to interviews which representatives of overseas regulators or *EEA regulators* attend and participate in is set out in *DEPP* 7.

...

3 Use of information gathering and investigation powers

3.1 Introduction

- 3.1.1 The *FCA* has various powers under sections 97, 122A, 122B, 122C, 131E, 131FA, 165 to 169 and 284 of the *Act* and Schedule 5 to the *CRA* to gather information and appoint investigators, and to require the production of a report by a *skilled person*. In any particular case, the *FCA* will decide which powers, or combination of powers, are most appropriate to use having regard to all the circumstances. Further comments on the use of these powers are set out below.

...

After *EG* 3.2 insert the following new chapters *EG* 3.2A and *EG* 3.2B. All the text is new and is not underlined.

3.2A Information requests (section 122A)

- 3.2A.1 The *FCA* may use its section 122A power to require information and documents from an *issuer*, a *person discharging managerial responsibilities* or a *person* closely associated with a *person discharging managerial responsibilities* to support its supervisory and its enforcement functions, including those under the *Market Abuse Regulation* or any directly applicable *EU* regulation made under the *Market Abuse Regulation*.

- 3.2A.2 An officer with authorisation from the *FCA* may exercise the section 122A power to require information and documents. This includes an *FCA* employee or an agent of the *FCA*.

3.2B Information requests (section 122B)

- 3.2B.1 The *FCA* may use its section 122B power to require information and documents from a person to support both its supervisory and its enforcement functions under the *Market Abuse Regulation* or any directly applicable *EU* regulation made under the *Market Abuse Regulation*, or under the *auction regulation*.

[**Note:** see Regulation 6 and Schedule 1 to the *RAP Regulations* for application of the power in relation to functions under the *auction regulation*]

- 3.2B.2 An *officer* with authorisation from the *FCA* may exercise the section 122B power to require information and documents. This includes an *FCA* employee or an agent of the *FCA*.

After EG 3.8 insert the following new chapter EG 3.8A. All the text is new and is not underlined.

3.8A Information requests and entry of premises under warrant to assist EEA regulators in relation to the Market Abuse Regulation or the auction regulation

- 3.8A.3 Section 122B(7) of the *Act* states that the *FCA* must, in deciding whether or not to exercise its power to require information, consider whether the exercise of that power is necessary to comply with the *Market Abuse Regulation* or any directly applicable *EU* regulation made under the *Market Abuse Regulation* or the *auction regulation*.

7 Financial penalties and other disciplinary sanctions

7.1 The *FCA*'s use of sanctions

- 7.1.1 Financial penalties, suspensions, restrictions, conditions, limitations, disciplinary prohibitions, and *public censures* are important regulatory tools. However, they are not the only tools available to the *FCA*, and there will be many instances of non-compliance which the *FCA* considers it appropriate to address without the use of formal disciplinary sanctions. Still, the effective and proportionate use of the *FCA*'s powers to enforce the requirements of the *Act*, the *rules*, *COCON* and the Statements of Principle for Approved Persons (APER) will play an important role in the *FCA*'s pursuit of its *statutory objectives*. Imposing disciplinary sanctions

shows that the *FCA* is upholding regulatory standards and helps to maintain market confidence and deter *financial crime*. An increased public awareness of regulatory standards also contributes to the protection of *consumers*.

7.1.2 The *FCA* has the following powers to impose a ~~financial penalty and to publish a public censure~~ sanctions.

(1) It may publish a statement:

...

(e) ~~where there has been market abuse~~, against a *person* under section 123 of the *Act*;

...

(2) It may impose a financial penalty:

...

(c) ~~where there has been market abuse~~, on ~~any~~ a *person*, under section 123 of the *Act*;

...

(3) It may impose a suspension, *limitation* or other restriction:

...

(d) on ~~a firm~~ an authorised person under ~~section~~ sections 123B or 206A of the *Act*.

...

(5) It may impose a disciplinary prohibition on an individual under section 123A of the *Act*.

...

7.2 **Alternatives to ~~financial penalties and public censures~~ sanctions**

7.2.1 The *FCA* also has measures available to it where it considers it is appropriate to take protective or remedial action. These include:

...

(4) ~~where there are reasonable grounds to suspect non-compliance with the disclosure rules, the *FCA* may require the suspension of trading of a financial instrument with effect from such time as it may determine; and~~

where the *FCA* considers it necessary for the purpose of the exercise by it of functions under the *Market Abuse Regulation* or any directly applicable *EU* regulation made under the *Market Abuse Regulation*, the *FCA* may

suspend trading in a financial instrument under section 122I of the Act;

- (4a) where the FCA considers it necessary for the purpose of the exercise by it of functions under the auction regulation the FCA may suspend trading in emission auction products under section 122I of the Act;

[Note: see Regulation 6 and Schedule 1 to the RAP Regulations for power in relation to emission auction products]

- (5) ...

...

- (b) suspend or prohibit admission of transferable securities to trading on a regulated market as set out in section 87L of the Act ;

- (6) where the FCA considers it necessary for the purposes set out in section 122G of the Act the FCA may, by notice in writing, require an issuer to publish specified information or a specified statement as set out under section 122G of the Act; and

7.3 FCA's statements of policy

The FCA's statement of policy on the amount of a financial penalty is set out in *DEPP* 6.5 to *DEPP* 6.5D. The FCA's statement of policy in relation to financial penalties for late submission of reports is set out in *DEPP* 6.6. The FCA's statement of policy in relation to the imposition of suspensions, ~~or~~ restrictions, conditions ~~and~~, limitations and disciplinary prohibitions is set out in *DEPP* 6A (The power to impose a suspension, restriction, condition ~~or~~, limitation or disciplinary prohibition). 11 Restitution and redress

...

11.2 Criteria for determining whether to exercise powers to obtain restitution

- 11.2.1 In deciding whether to exercise its powers to seek or require restitution under sections 382, 383 or 384 of the *Act*, the *FCA* will consider all the circumstances of the case. The factors which the *FCA* will consider may include, but are not limited to, those set out below.

...

- (6) Is redress available through another regulator?

The *FCA* will consider the availability of redress through another regulatory authority. Where another regulatory authority, such as the *Takeover Panel*, is in a position to require appropriate redress, the *FCA* will not generally exercise its own powers to do so. If the *FCA* does consider that action is appropriate and the matters in question have happened in the context of a *takeover bid*, the *FCA* will only take action during the bid in the circumstances set out in ~~DEPP 6.2.25G~~ 6.2.26G if the *person* concerned has responsibilities under the *Takeover Code*. If another *regulatory body* has required redress and a *person* has not met that requirement, the *FCA* will take this into account and (subject to all other relevant factors and circumstances) may consider it appropriate to take action to ensure that such redress is provided.

...

- (11) Other factors which may be relevant

The *FCA* will consider the context of the conduct in question. In any case where the *FCA* believes that the exercise of its powers under section 383 or 384 of the *Act* may affect the timetable or outcome of a *takeover bid*, it will consult the *Takeover Panel* before taking any steps to exercise such powers,

and will give due weight to its views.

~~Where the FCA is considering applying to court for a restitution order in relation to *market abuse* under section 383 of the Act, it will also consider whether the court would be prevented from making that order by section 383(3) of the Act. A similar provision to section 383(3) applies where the FCA proposes to exercise its powers to require restitution in relation to market abuse under section 384(2). The conditions set out in section 383(3)(a) and section 384(a) and (b) are the same as those that apply to penalties for *market abuse* and the FCA will take the same factors into account when considering whether the conditions have been met. DEPP 6.3 lists those factors.~~

...

11.5 Other relevant powers

...

- 11.5.2 The FCA may consider taking disciplinary action for a financial penalty, or public censure, using a range of powers as well as seeking restitution, if a *person* has breached a relevant requirement¹³ of the Act or any directly applicable Community regulation or decision under MiFID or the UCITS Directive or the auction regulation, or has engaged in, ~~or required or encouraged others to engage in,~~ *market abuse*.

...

...

12 Prosecution of Criminal Offences

...

12.3 Criminal prosecutions in cases of market abuse

- 12.3.1 In some cases there will be instances of market misconduct that may arguably involve a breach of the criminal law as well as *market abuse* ~~as defined in section 118 of the Act~~. When the FCA decides whether to commence criminal proceedings rather than impose a sanction for *market abuse* in relation to that misconduct, it will apply the basic principles set out in the Code for Crown Prosecutors. When deciding whether to prosecute market misconduct which also falls within the definition of *market abuse*, application of these basic principles may involve consideration of some of the factors set out in ~~paragraph~~ EG 12.3.2.

19.25 Recognised Auction Platforms Regulations 2011

- 19.25.1 The *FCA's* policy for using the powers given to it by the *RAP Regulations* is set out in *REC*. This includes, for example, its policy in relation to the power to impose a financial penalty on or censure an *RAP* (*REC* 2A.4) and its policy in relation to the power to give directions to an *RAP* (*REC* 4.6). The *FCA's* policy in relation to regulation 6 and Schedule 1 of the *RAP Regulations* is set out in *DEPP* and *EG*.
