... 1.1.1B EU UK Article 1(2) of the MiFID Org Regulation specifies how its provisions should be read where they apply to firms selling, or advising on, structured deposits.

Chapters II to IV of this Regulation.

1.1.1A C A third country investment firm and a MiFID optional exemption firm must also comply with the provisions of the MiFID Org Regulation which relate to the rules which implemented the articles of MiFID referred to in COBS 1.1.1AR(1), as modified by article 1(2) of the MiFID Org Regulation, when selling, or advising a client in relation to, a structured deposit.

1.1.1A G The rules which implemented the provisions of MiFID and the MiFID Delegated Directive referred to in COBS 1.1.1AR(1) can be found in the chapters of COBS in the following table and are followed by a ‘Note:’.

1.2 Markets in Financial Instruments Directive

References in COBS to the MiFID Org Regulation

1.2.1 G (1) This sourcebook contains a number of provisions which transpose transposed MiFID. A rule transposed a provision of MiFID if it is followed by a ‘Note:’ indicating the article of MiFID or the MiFID Delegated Directive which it transposed.

(2) In order to help firms which are subject to the those requirements of which implemented MiFID to understand the full extent of those requirements, this sourcebook also reproduces a number of provisions of the directly applicable MiFID Org Regulation, marked with the status letters “EU” “UK”. The authentic provisions of the MiFID Org Regulation are directly applicable to firms in relation to their MiFID business.
This sourcebook does not reproduce the MiFID Org Regulation in its entirety. A firm to which provisions of the MiFID Org Regulation applies should refer to Commission Delegated Regulation (EU) 2017/565 as published in the electronic version of the Official Journal of the European Union and as amended by the Markets in Financial Instruments (Amendment) (EU Exit) Regulations 2018.

2. Business with UK clients from overseas establishments

2.2 G One of the effects of the EEA territorial scope rule is to override the application of this sourcebook to the overseas establishments of EEA firms in a number of cases, including circumstances covered by MiFID, the Distance Marketing Directive or the Electronic Commerce Directive. See Part 3 for guidance on this. [deleted]

Part 3: Guidance

1. The main extensions, modifications and restrictions to the general application

1.2 G The provisions of the Single Market Directives and other directives also extensively modify the general application of this sourcebook, particularly in relation to territorial scope. [deleted]

1.3 G In particular, certain chapters of this sourcebook apply only to firms in relation to their MiFID, equivalent third country or optional exemption business and, in some of these chapters, specified insurance distribution activities (sometimes only in relation to insurance-based investment products) while others apply only to firms’ designated investment business which is not MiFID, equivalent third country or optional exemption business or, in some of these chapters, certain insurance distribution activities.

1.4 G COBS 18 (Specialist regimes) contains specialist regimes which modify the application of the provisions in this sourcebook for particular types of firm and business. To the extent that they are in conflict, the rules in COBS 18 on the application of the provisions in this sourcebook should be understood as overriding any other provision (whether in COBS 1 or an individual chapter) on the application of COBS. For the avoidance of doubt, nothing in COBS 18 modifies the effect of the EEA territorial scope rule.
2. The Single Market Directives and other directives

| 2.1 | G | This guidance provides a general overview only and is not comprehensive. |
| 2.2 | G | When considering the impact of a directive on the territorial application of a rule, a firm will first need to consider whether the relevant situation involves a non-UK element. The EEA territorial scope rule is unlikely to apply if a UK firm is doing business in a UK establishment for a client located in the United Kingdom in relation to a United Kingdom product. However, if there is a non-UK element, the firm should consider whether: |
|     |   | (1) it is subject to the directive (in general, directives only apply to UK firms and EEA firms, but the implementing provisions may not treat non-EEA firms more favourably than EEA firms); |
|     |   | (2) the business it is performing is subject to the directive; and |
|     |   | (3) the particular rule is within the scope of the directive. |
| 2.3 | G | When considering a particular situation, a firm should also consider whether two or more directives apply. |

3. MiFID: effect on territorial scope

| 3.1 | G | PERG 13 contains general guidance on the persons and businesses to which MiFID applies. |
| 3.2 | G | This guidance concerns the rules within the scope of MiFID including those rules which are in the same subject area as the implementing rules. A rule is within the scope of MiFID if it is followed by a ‘Note:’ indicating the article of MiFID or the MiFID Delegated Directive which it implements. |
| 3.3 | G | For a UK MiFID investment firm, rules in this sourcebook that are within the scope of MiFID generally apply to its MiFID business carried on from an establishment in the United Kingdom. They also generally apply to its MiFID business carried on from |
an establishment in another EEA State, but only where that business is not carried on within the territory of that State. (See articles 34(1), 35(1) and 35(8) of MiFID)

3.4 G For an EEA MiFID investment firm, rules in this sourcebook that are within the scope of MiFID generally apply only to its MiFID business if that business is carried on from an establishment in, and within the territory of, the United Kingdom. (See article 35(1) and 35(8) of MiFID)

3.5 G However, the rules on investment research and non-independent research (COBS 12.2, except for COBS 12.2.18EU) and the rules on personal transactions (COBS 11.7A) apply on a “home state” basis. This means that they apply to the establishments of a UK MiFID investment firm in the United Kingdom and another EEA State and do not apply to an EEA MiFID investment firm.

3.6 G Firms to which MiFID applies or which are subject to requirements in MiFID (including MiFID optional exemption firms) should also have regard to the rules and guidance in COBS 1.2.

4. Insurance Distribution Directive: effect on territorial scope
[deleted]

4.1 G The IDD’s scope covers most firms carrying on most types of insurance distribution in relation to risks and commitments located in an EEA State.

4.1A G The rules in this sourcebook within the Directive’s scope are those relating to life policies that implement the minimum requirements in articles 1(4), 17, 18, 19, 20, 21, 23, 24(1) to (3) and (6), 29, and 30 of the IDD are set out in:

(1) COBS 2.1.1R, COBS 2.2A and COBS 2.3A (Conduct of business obligations);

(2) COBS 4 (Communicating with clients, including financial promotions);

(3) COBS 6.1ZA (Information about the firm and compensation information (MiFID and insurance distribution provisions));

### 4.1B

A Member State is entitled to impose additional requirements within the IDD's scope in the ‘general good’ (see recital 52 to, and article 22 of, the IDD).

### 4.2

The IDD places responsibility for requirements in this sourcebook within the Directive’s scope (both minimum and additional requirements) on the **Home State**, except:

1. in relation to business conducted through a **branch**, in which case the responsibility rests with the **EEA State** in which the branch is located (this is sometimes referred to as a ‘country of origin’ or ‘country of establishment’ basis) (see recital 22 to, and article 7(2) of, the IDD). So firms operating under the freedom of establishment in the **UK** must adhere to the requirements in the **UK**, regardless of the habitual residence of the customer (other than in the situations described in (2)); and

2. where a Member State has:

   a. introduced the stricter requirements in article 29(3) of the **IDD**; or

   b. introduced requirements which have not made use of the derogation in article 30(3) of the **IDD** to allow firms not to carry out an appropriateness assessment in relation to a non-advised sale of an insurance-based...

### 5. Solvency II Directive: effect on territorial scope

| 5.1 | The Solvency II Directive’s scope covers long-term insurers. The rules in this sourcebook within the Solvency II Directive’s scope are the cancellation rules (COBS 15) and those rules requiring the provision of pre-contract information or information during the term of the contract concerning the insurer or the contract of insurance. The Solvency II Directive specifies minimum information and cancellation requirements and permits EEA States to adopt additional information requirements that are necessary for a proper understanding by the policyholder of the essential elements of the commitment.

| 5.2 | If the State of the commitment is an EEA State, the Solvency II Directive provides that the applicable information rules and cancellation rules shall be laid down by that state. Accordingly, if the State of the commitment is the United Kingdom, the relevant rules in this sourcebook apply. Those rules do not apply if the State of the commitment is another EEA State. The territorial scope of other rules, in particular the financial promotion rules, is not affected since the Solvency II Directive explicitly permits EEA States to apply rules, including advertising rules, in the ‘general good’. (See articles 156, 180, 185 and 186 of the Solvency II Directive)

### 6. Distance Marketing Directive: effect on territorial scope

| 6.1 | In broad terms, a firm is within the Distance Marketing Directive’s scope when conducting an activity relating to a distance contract with a consumer. The rules in this sourcebook within the Directive’s scope are those requiring the provision of pre-contract information, the cancellation rules (COBS 15) and the other specific rules implementing the Directive contained in COBS 5 (Distance communications):

| 6.2 | In the FCA’s view, the Directive places responsibility for requirements within the Directive’s scope on the Home State except in relation to business conducted through a branch, in which case the responsibility rests with the EEA State in which the branch is located (this is sometimes referred to as a ‘country of origin’ or
6.3 This means that relevant rules in this sourcebook will, in general, apply to a firm conducting business within the Directive’s scope from an establishment in the United Kingdom (whether the firm is a national of the UK or of any other EEA or non-EEA state).

6.4 Conversely, the territorial scope of the relevant rules in this sourcebook is modified as necessary so that they do not apply to a firm conducting business within the Directive’s scope from an establishment in another EEA state if the firm is a national of the United Kingdom or of any other EEA state.

6.5 In the FCA’s view:

<p>| | |</p>

<tbody>
<tr>
<td>(1)</td>
<td>the ‘country of origin’ basis of the Directive is in line with that of the Electronic Commerce Directive and the IDD. (See recital 6 of the Distance Marketing Directive)</td>

<tr>
<td>(2)</td>
<td>for business within the scope of both the Distance Marketing Directive and the Solvency II Directive, the territorial application of the Distance Marketing Directive takes precedence; in other words, the rules requiring pre-contract information and cancellation rules (COBS 15) derived from the Solvency II Directive apply on a ‘country of origin’ basis rather than being based on the State of the commitment. (See articles 4(1) and 16 of the Distance Marketing Directive)</td>
</tr>
<tr>
<td>(3)</td>
<td>[deleted]</td>
</tr>
</tbody>

7. Electronic Commerce Directive: effect on territorial scope

7.1 The Electronic Commerce Directive’s scope covers every firm carrying on an electronic commerce activity. Every rule in this sourcebook is within the Directive’s scope.

7.2 A key element of the Directive is the ability of a person from one EEA state to carry on an electronic commerce activity freely into another EEA state. Accordingly, the territorial application of the rules in this sourcebook is modified so that they apply at least to a firm carrying on an electronic commerce activity from an
establishment in the United Kingdom with or for a person in the United Kingdom or another EEA state. Conversely, a firm that is a national of the UK or another EEA State, carrying on an electronic commerce activity from an establishment in another EEA State with or for a person in the United Kingdom need not comply with the rules in this sourcebook. (See article 3(1) and (2) of the Electronic Commerce Directive)

7.3 **G** The effect of the Directive on this sourcebook is subject to the ‘insurance derogation’, which is the only ‘derogation’ in the Directive that the FCA has adopted for this sourcebook. The derogation applies to an insurer that is authorised under and carrying on an electronic commerce activity within the scope of the Solvency II Directive and permits EEA States to continue to apply their advertising rules in the ‘general good’. Where the derogation applies, the financial promotion rules continue to apply for incoming electronic commerce activities (unless the firm’s ‘country of origin’ applies rules of like effect) but do not apply for outgoing electronic commerce activities. (See article 3(3) and Annex, fourth indent of the Electronic Commerce Directive; Annex to European Commission Discussion Paper MARKT/2541/03)

7.4 **G** In the FCA’s view, the Directive’s effect on the territorial scope of this sourcebook (including the use of the ‘insurance derogation’):

(1) is in line with the Distance Marketing Directive and the IDD; and

(2) overrides that of any other Directive discussed in this Annex to the extent that it is incompatible.

7.5 **G** The ‘derogations’ in the Directive may enable other EEA States to adopt a different approach to the United Kingdom in certain fields. (See recital 19 of the IDD, recital 6 of the Distance Marketing Directive, article 3 and Annex of the Electronic Commerce Directive)

8. Investor Compensation Directive [deleted]

8.1 **G** (1) The Investor Compensation Directive generally requires MiFID investment firms to belong to a compensation scheme established in accordance with the Directive. The rules in this sourcebook that implement the Directive are those (i) requiring MiFID investment firms,
including their branches, to make available specified information about the compensation scheme to which they belong and specifying the language in which such information must be provided (COBS 6.1.16 R) and (ii) restricting mention of the compensation scheme in advertising to factual references (COBS 4.2.5G).

(2) In the FCA’s view, these matters are a Home State responsibility although a Host State may continue to apply its own rules in the ‘general good’. Accordingly, these rules apply to the establishments of a UK MiFID investment firm in the United Kingdom and another EEA State but also apply in accordance with their standard territorial scope to an EEA MiFID investment firm providing services in the UK unless its Home State applies rules of like effect.

9. UCITS Directive: effect on territorial scope [deleted]

9.1 The UCITS Directive covers undertakings for collective investment in transferable securities (UCITS) meeting the requirements of the Directive, and their management companies and depositaries. The rules in this sourcebook within the Directive’s scope (all of which will apply to a management company) are those in:

(1) COBS 2.1 (Acting honestly, fairly and professionally);

(2) COBS 2.3 (Inducements);

(3) COBS 4.2.1R (The fair, clear and not misleading rule);

(4) COBS 4.3.1R (Financial promotions to be identifiable as such);

(5) COBS 4.13 (UCITS);

(6) COBS 11.2B (Best execution for UCITS management companies);

(7) COBS 11.3 (Client order handling);

### 9.1A
The majority of the **COBS rules** referred to in paragraph 9.1 are rules of conduct which each **EEA State** must draw up under article 14.1 of the **UCITS Directive** which management companies authorised in that State must observe at all times. The exceptions are **COBS 4** and **COBS 14** in so far as they relate to a **UCITS scheme**, which form part of the FCA’s fund application rules and which are the responsibility of the **UCITS Home State** (for a UCITS scheme, the FCA—see **COLL 12.3.5R** (**COLL** fund rules under the management company passport: the fund application rules) and article 19 of the **UCITS Directive**).

### 9.1B
Where a management company is providing collective portfolio management services for a **UCITS** established in a different **EEA State**, responsibility for its compliance with the applicable rules of conduct drawn up under article 14 will generally be for the management company’s **Home State**, but when a **branch** is established it will be the responsibility of the **Host Member State** (**UCITS Home State**) (see articles 17(4) and 17(5) of the **UCITS Directive**).

### 9.1C
Under the **UCITS Directive** certain **Host State** marketing and MiFID-specific rules might also apply to a management company providing collective portfolio management services for a **UCITS** established in a different **EEA State**. Consequently, an **EEA UCITS management company** should note that, under **COBS**, certain of the FCA’s rules apply to it, including the financial promotion rules. **COBS 4.13** (**UCITS**) is concerned with marketing communications for **UCITS schemes** and **EEA UCITS schemes**.

### 9.1D
**EEA UCITS management companies** should be aware that there is a special narrower application of **COBS** for scheme management activity provided for by **COBS 18.5B** (**UCITS management companies**).

Communicating with clients, including financial promotions

4.1 Application

The EEA territorial scope rule modifies the general territorial scope of the rules in this chapter to the extent necessary to be compatible with European law.
means that in a number of cases, the rules in this chapter will apply to communications made by UK firms to persons located outside the United Kingdom and will not apply to communications made to persons inside the United Kingdom by EEA firms. Further guidance on this is located in COBS 1 Annex 1.

(2) One effect of the EEA territorial scope rule is that the rules in this chapter will not generally apply to an EEA key investor information document but will, for example, apply to a firm (including an EEA UCITS management company) when marketing in the United Kingdom the units of an EEA UCITS scheme that is a recognised scheme.

(3) The financial promotion rules do not apply to incoming communications in relation to the MiFID business of an investment firm from another EEA State that are, in its home member state, regulated under MiFID other than to the extent COBS 4.12 (Restrictions on the promotion of non-mainstream pooled investments) applies. 6.2B Describing advice services

Introduction

6.2B.5 G This section transposes transposed provisions in MiFID on describing advice services relating to financial instruments and structured deposits for all clients and reproduces a number of provisions of the directly applicable MiFID Org Regulation as explained in COBS 1.2. The requirements apply in relation to MiFID, equivalent third country or optional exemption business. The requirements are extended to apply to other investment advice and cover other retail investment products when the client is a retail client in the United Kingdom.

... Interpretation of EU provisions marked “UK”: MiFID business

6.2B.7 R A firm must treat obligations in relation to financial instruments as extending to other retail investment products when complying with the provisions in this section marked “EU” “UK” in the course of MiFID business with a retail client in the United Kingdom.

6.2B.8 G References to financial instruments include structured deposits (but not other retail investment products) when a firm is complying with the provisions in this section marked “EU” “UK” in the course of MiFID business with a retail client outside the United Kingdom or with a professional client.

[Note: article 1(2) of the MiFID Org Regulation]

Interpretation of EU provisions marked “UK”: non-MiFID business

6.2B.9 R In relation to business that is not MiFID business, a firm must comply with provisions in this section marked “EU” “UK” as if they were rules but:

(a) the requirement in paragraph 2 of article 52(1) of the MiFID Org Regulation (reproduced in COBS 6.2B.32EU 6.2B.32UK) not to give undue prominence to their independent advice services;

(b) the requirement in article 52(4) of the MiFID Org Regulation (reproduced in COBS 6.2B.36EU 6.2B.36UK) to distinguish the range of financial instruments issued or provided by entities not being closely linked with the firm; and

(c) the requirement in article 53(3)(c) of the MiFID Org Regulation (reproduced in COBS 6.2B.29EU 6.2B.29UK) that a firm does not allow a natural person to provide both independent advice and restricted advice.

The selection process shall include the following elements:

...

When the client is a retail client in the United Kingdom, this means being in a position to advise on all types of financial instrument, structured deposit and other retail investment products.

12.2.18  EU Article 36(2) of the MiFID Org Regulation deals with the treatment
of non-independent research with reference to investment recommendations as defined in the Market Abuse Regulation (see COBS 12.4) and in contrast to investment research as defined in article 36(1) (see COBS 12.2.17EU).

Exemptions from article 37(1) of the MiFID Org Regulation

12.2.22 EU UK Article 37(3) of the MiFID Org Regulation provides for exemptions from article 37(1) of the MiFID Org Regulation (COBS 12.2.19EU). Application of the PRIIPs regulation to funds

13.1.1B G (1) A UCITS management company is exempt from the PRIIPs Regulation until 31 December 2019 (see article 32(1) of the PRIIPs Regulation). These firms should continue to publish a key investor information document until that date (see COLL 4.7).

(2) (a) A manager of a fund offered to retail investors in the United Kingdom, other than a UCITS, is able to benefit from this exemption where a Member State the United Kingdom applies rules on the format and content of the key investor information document in which implemented articles 78 to 81 of the UCITS Directive to that fund (see article 32(2) of the PRIIPs Regulation).

…

(c) An authorised fund manager of a non-UCITS retail scheme offered to retail clients in the United Kingdom may, until 31 December 2019, draw up either:

…

(1) article 44(6) of the MiFID Org Regulation (see COBS 4.5A.14EU 4.5A.14UK) where the firm is carrying on MiFID, equivalent third country or optional exemption business; or

... 

13.5.4 G The general requirement that communications be fair, clear and not misleading will nevertheless mean that a firm that elects to comply with the future performance rule in COBS 4.6.7R, or, if applicable, the requirement in article 44(6) of the MiFID Org Regulation (see COBS 4.5A.14EU 4.5A.14UK), will need to explain how the combined projection differs from other information that has been or could be provided to the client, including a projection provided under the projection rules in COBS 13.4, COBS 13.5 and COBS 13 Annex 2. In particular, the firm should identify where a projection in real terms is required under COBS 13.

2. If the answer to all three questions is ‘yes’, the EEA territorial scope rule may change the effect of the general application rule.

2.3 When considering a particular situation, a firm should also consider whether two or more directives apply.

3 Insurance Distribution Directive: effect on territorial scope

3.1 The IDD’s scope covers most firms carrying on most types of insurance distribution.

3.2 The rules in this sourcebook within the Directive’s scope are those implementing the minimum requirements in articles 1(4), 17, 18, 19, 20, 23 and 24(1) to (3) and (6) of the IDD set out in:

1. (1) ICOBS 2.2.2R (communication to customers and financial promotions), ICOBS 2.2.2AR (marketing communications), ICOBS 2.5.1R (the customer’s best interests rule), ICOBS 2.6 (Distribution of connected contracts through exempt persons);

2. ICOBS 4.1 (General requirements for insurance intermediaries and insurers), ICOBS 4.1A (Means of communicating to customers), ICOBS 4.3 (Remuneration disclosure);

3. ICOBS 5.2 (Demands and needs), ICOBS 5.3.4R (Personalised explanation), ICOBS 5.3.3R (Advice on the basis of a fair analysis); and

4. ICOBS 6.1 (Providing product information to customers: general) and ICOBS 6 Annex 3R (Providing product information by way of a standardised insurance information document); and

5. ICOBS 6A.1.4R (Ensuring the customer can make an informed decision) and ICOBS 6A.3 (Cross-selling).

3.2A A Member State is entitled to impose additional requirements within the Directive’s scope in the ‘general good’. (See recital 52 to, and article 22 of, the IDD).”

3.2B The additional requirements within the scope of the IDD and found in this sourcebook are those that:

1. deal with communication to customers and financial promotions, the customer’s best interests rule and additional responsibilities of insurance distributors (see ICOBS 2.2.2R, ICOBS 2.5.1R and ICOBS 2.6).

3.3 G The IDD places responsibility for requirements in this sourcebook within the Directive’s scope (both minimum and additional requirements) on the Home State, except in relation to business conducted through a branch, in which case the responsibility rests with the EEA State in which the branch is located (this is sometimes referred to as a ‘country of origin’ or ‘country of establishment’ basis) (see recital 22 to, and article 7(2) of, the IDD). Accordingly the general rules on territorial scope are not modified by the IDD except:

(1) for an EEA firm providing passported activities under the Directive in the United Kingdom, additional rules within the Directive’s scope have their unmodified territorial scope unless the Home State imposes measures of like effect; and

(2) for insurance distribution business carried on by insurers:

(a) minimum and additional requirements apply to a UK firm unless responsibility for any matter it covers is reserved by the Solvency II Directive to the firm’s Host State regulator; and

(b) paragraph (1), and 3.3AG, below, apply in the same way unless the responsibility for any matter it covers is reserved by the Solvency II Directive to the firm’s Home State regulator.

3.3A G An EEA firm acting as the principal of an appointed representative carrying on insurance distribution activities from an establishment in the United Kingdom is required to ensure that its appointed representative complies with this sourcebook.

4 Solvency II Directive non-life business: effect on territorial scope

4.1 G The Solvency II Directive’s scope covers insurers authorised under that Directive conducting general insurance business.

4.2 G The rules in this sourcebook within the Solvency II Directive’s
scope are those requiring the provision of pre-contract information or information during the term of the contract concerning the insurer or the insurance contract (see ICOBS 2.2 (Communications to clients and financial promotions), ICOBS 6A.1.4R (Ensuring the customer can make an informed decision) and ICOBS 8 (Claims handling) except those parts of ICOBS 8.2 (Motor vehicle liability insurers) implementing the Consolidated Motor Insurance Directive.

### 6 Motor Insurance Directives: effect on territorial scope

**6.1** The scope of the Consolidated Motor Insurance Directive covers insurers conducting motor vehicle liability insurance business. The rules in this sourcebook within the Directive’s scope are those regarding the appointment of claims representatives and handling of claims by injured parties (see ICOBS 8.2).

**6.2** The Directive requires a motor vehicle liability insurer to appoint a claims representative in each EEA State other than its Home State. It specifies minimum requirements regarding function and powers of claims representatives in handling claims and regarding the settlement of claims by injured parties.

**6.3** The Directive’s provisions apply to motor vehicle liability insurers for which the United Kingdom is the Home State. (See articles 21 and 22 of the Consolidated Motor Insurance Directive.)

### 7 Distance Marketing Directive: effect on territorial scope

**7.1** In broad terms, a firm is within the Distance Marketing Directive’s scope when conducting an activity relating to a distance contract with a consumer. The rules in this sourcebook within the Directive’s scope are those requiring the provision of pre-contract information (see ICOBS 2.2 (Communications to clients and financial promotions)), ICOBS 4 (Information about the firm, its services and remuneration), ICOBS 6 (Product information), and ICOBS 6A.1.4R (Ensuring the customer can make an informed decision), the cancellation rules (see ICOBS 7) and the other specific rules implementing the Directive (see ICOBS 3.1.)

**7.2** In the FCA’s view, the Directive places responsibility for requirements within the Directive’s scope on the Home State except in relation to business conducted through a branch, in which case the responsibility rests with the EEA State in which the branch is located (this is sometimes referred to as a ‘country of origin’ or ‘country of establishment’ basis). (See article 16 of the Distance Marketing Directive.)

**7.3** This means that relevant rules in this sourcebook will, in general, apply to a firm conducting business within the Directive’s scope from an establishment in the United Kingdom (whether the firm is a national of the United Kingdom or of any other EEA State or non-EEA state).

**7.4** Conversely, the territorial scope of the relevant rules in this sourcebook is modified as necessary so that they do not apply to a firm conducting business within the Directive’s scope from an establishment in another EEA State if the firm is a national of the

In the FCA’s view, the Directive’s effect on the territorial scope of this sourcebook (including the use of the ‘insurance derogation’):

(1) is in line with the Distance Marketing Directive and the IDD;

(2) overrides that of any other Directive discussed in this Annex to the extent that it is incompatible.

8.7  

The ‘derogations’ in the Directive may enable other EEA States to adopt a different approach to the United Kingdom in certain fields. (See recital 52 to the IDD, recital 6 to the Distance Marketing Directive, article 3 of, and the Annex to, the E-Commerce Directive.)

3 Distance communications

3.1 Distance marketing

Application

3.1.1 R This section applies to a firm that carries on any distance marketing activity from an establishment in the United Kingdom, with or for a consumer in the United Kingdom or another EEA State.

3.1.19 R If a firm proposes to enter into a distance contract with a consumer that will be governed by the law of a country outside the EEA United Kingdom, the firm must ensure that the consumer will not lose the protection created by the rules in this section if the distance contract has a close link with the territory of one or more EEA States the United Kingdom.

3.2 E-Commerce

Application

3.2.1 R This section applies to a firm carrying on an electronic commerce activity from an establishment in the United Kingdom, with or for a person in the United Kingdom or another EEA State.

Information about the firm and its products or services

3.2.2 R A firm must make at least the following information easily, directly and permanently accessible to the recipients of the information society services it provides:
(5) if it is a professional firm, or a person regulated by the equivalent of a designated professional body in another EEA State:

(a) …

(b) the professional title and the EEA State where it was granted;

(c) a reference to the applicable professional rules in the EEA State of establishment and the means to access them; and …

3.2.5 R An unsolicited commercial communication sent by e-mail by a firm established in the United Kingdom must be identifiable clearly and unambiguously as an unsolicited commercial communication as soon as it is received by the recipient.

3 Annex Guidance on the UK provisions which implemented the Distance Marketing Directive

Q7. How does do the UK provisions which implemented the Directive apply to insurance intermediaries’ services?

The FCA expects the UK provisions which implemented the Distance Marketing Directive to apply to insurance intermediaries’ services only in the small minority of cases where:

• the firm concludes a distance contract with a consumer covering its insurance distribution activities which is additional to any insurance contract which it is marketing; and

• that distance contract is concluded other than merely as a stage in the effecting or carrying out of an insurance contract by the firm or another person: in other words it has some continuity independent of an insurance contract, as opposed, for example, to being concluded as part of marketing an insurance contract.

Q8. Can you give examples of when the UK provisions which implemented the Directive would and would not apply to insurance intermediaries’ services?

The rules implementing which implemented the Distance Marketing Directive will not apply in the typical case where an insurance intermediary sells an insurance contract to a consumer on a one-off basis, even if the insurance intermediary is
involved in the renewal of that contract and handling claims under it.
Nor will the UK provisions which implemented the Directive apply if an insurance intermediary, in its terms of business, makes clear that it does not, in conducting insurance distribution activities, act contractually on behalf of, or for, the consumer.
An example of when the UK provisions which implemented the Distance Marketing Directive would apply would be a distance contract under which an insurance intermediary agrees to provide advice on a consumer’s insurance needs as and when they arise.

4 Information to be communicated to banking customers

4.3 Information to be provided by a non ring-fenced body to individual account holders

4.3.3 G A non ring-fenced body is a firm which has a Part 4A permission to carry on the regulated activity of accepting deposits and which is neither a ring-fenced body nor an institution which is exempt from the definition of a ring-fenced body. Section 142A(1) of the Act defines a ring-fenced body as a UK institution which carries out one or more core activities under section 142B of the Act for which it has a Part 4A permission. Section 142A(2) of the Act and the Ring-fenced Bodies and Core Activities Order 2014 provide that a building society and certain other classes of UK institution are exempt from this definition. Further, firms do not fall within the definition unless they hold deposits in UK accounts or EEA accounts.

To whom must information be provided?

4.3.4 R (1) …

(2) A firm that is a non ring-fenced body must provide the information specified in BCObS 4.3.6R to:

(a) any individual that has applied to open a UK account or an EEA account for the purpose of making one or more deposits (including a joint account) with that firm; and

(b) any individual who holds a UK account or an EEA account for that purpose (including a joint account) with that firm,

except where the firm has already provided that information to the individual on a previous occasion.

4.3.5 G A request made by an individual to switch to a UK account or an EEA account with a firm is to be regarded as an application to open a UK account or an EEA account with that firm (it is immaterial if the switch is from an account held with a ring-fenced body in the same group as the
firm or whether the existing account will be closed when the switch is complete).

2.2 Generating, obtaining and passing on leads

...

2.2.3 G ... ...

(4) Firms are reminded that, under data protection legislation, they must have consent from the customer to process the customer’s personal data, for example to contact the customer or to pass their details on to a third party, unless one of the other conditions which renders the processing of that data lawful is satisfied. In this context, the FCA would normally expect firms to obtain consent and would only expect firms to be able to rely on the legitimate interests condition (under article 6(1)(f) of the General Data Protection Regulation (EU) No 2016/679) General data protection regulation very occasionally. Where the firm relies on consent which has been obtained by a lead generator, the firm should satisfy itself that the consent was properly obtained, and clearly covers both the firm and the use that the firm intends to make of the customer’s personal data. In relation to consent, firms are also reminded of the requirements in article 7(2) of the General Data Protection Regulation (EU) No 2016/679 General data protection regulation.

1.3.4 R CASS does not apply to an incoming EEA provider acting as such. [deleted]

...

3 Collateral

3.1 Application and Purpose

...

3.1.2 R Firms are reminded that this chapter does not apply to an incoming EEA firm, other than an insurer, with respect to its passported activities. The application of this chapter is also dependent on the location from which the activity is undertaken (see CASS 1.3.2R and CASS 1.3.3R).
5 Client money: insurance distribution activity

5.5 Segregation and the operation of client money accounts

5.5.46 A firm will be expected to perform due diligence when opening a client bank account with a bank that is authorised by an EEA regulator in the United Kingdom. Any continuing assessment of that bank may be restricted to verification that it remains authorised by an EEA regulator in the United Kingdom.

5.6 Client money distribution

Application

5.6.2 (1) The client money (insurance) distribution rules have force and effect on any firm that holds client money in accordance with CASS 5.3 or CASS 5.4. Therefore, they may apply to a UK branch of a non-EEA firm or an overseas firm. In this case, the UK branch of the firm may be treated as if the branch itself is a free-standing entity subject to the client money (insurance) distribution rules.

6 Custody rules

6.1 Application

6.1.24 The custody rules also, where relevant, implement the provisions of MiFID which regulate the obligations of a firm when it holds financial instruments belonging to a client in the course of its MiFID business.

7 Client money rules

7.11 Treatment of client money
7.11.15 G The exclusion from the client money rules for delivery versus payment transactions under CASS 7.11.14R is an example of an exclusion from the client money rules which is permissible by virtue of recital 51 to MiFID. [deleted]

8 Mandates
8.1 Application

8.1.3 G Firms are reminded that the mandate rules do not apply to an incoming EEA firm, other than an insurer, with respect to its passported activities. The application of the mandate rules is also dependent on the location from which the activity is undertaken (see CASS 1.3). [deleted]

8 Benchmarks

8.1 Application and purpose

Purpose

8.1.2 The purpose of this chapter is to set out the requirements that apply to firms involved in the provision of, or contribution to, benchmarks, as follows:

1. MAR 8.4 (Third country benchmark contributors) sets out the requirements that apply to third country benchmark contributors that are not supervised entities, but would be if they were located in the EEA. These rules apply requirements mirroring those which apply
to benchmark contributors that are in scope of the benchmarks regulation.

...

8.4 Third country benchmark contributors

Application

8.4.1 R (1) Subject to (2), this section applies to a third country benchmark contributor that:

(a) is not a supervised entity; and

(b) would be a supervised entity if it were located in the EU UK.

...

8.5 Regulated benchmark administrators

...

Notifications about suspected benchmark manipulation

8.5.7 G ...

(2) Article 14(1) of the benchmarks regulation requires a regulated benchmark administrator to establish adequate systems and effective controls to ensure the integrity of input data in order to be able to identify and report to its competent authority the FCA any conduct that may involve manipulation or attempted manipulation of a benchmark, under the Market Abuse Regulation.

...

8.7 Procedures for exercising powers in relation to critical benchmarks

...

Compulsion powers under the benchmarks regulation

8.7.3 G ...

(2) The benchmarks regulation confers various directly applicable powers on competent authorities the FCA in relation to critical benchmarks. In particular:

(a) article 21(3) of the benchmarks regulation gives a competent authority the FCA the power to compel the administrator of a
critical benchmark to continue publishing the critical benchmark for up to 24 months; and

(b) article 23(6) of the benchmarks regulation gives a competent authority the FCA the power to take various steps where it considers that the representativeness of a critical benchmark is put at risk. That includes the power to require supervised entities to contribute input data to the administrator of a critical benchmark for up to 24 months.

Exercise of compulsion powers: general

8.7.4 G (1) Articles 21 and 23 of the benchmarks regulation set out the circumstances in which competent authorities the FCA may exercise the compulsion powers.

(2) In some cases, the competent authority FCA may only have a short period in which to decide whether to exercise a compulsion power.

(4) The benchmarks regulation does not require a competent authority the FCA to consult on the use of compulsion powers (save that competent authorities must consult the college established under article 46 of the benchmarks regulation when exercising the compulsion power in article 23).

9 Data reporting service

9.1 Application, introduction, approach and structure

9.5 Frequently Asked Questions

9.5.1 G  Q. Are there any grandfathering arrangements for ARMs or trade data monitors operating prior to MiFID?
   A. No. Persons wishing to provide a data reporting service must apply to be authorised as a data reporting services provider. [deleted]

9.5.2 G  Q. We are a trading venue operator. Can you please clarify how we can provide a data reporting service under the derogation from needing authorisation in article 59(2) of MiFID regulation 5(b) to (d) of the DRS Regulations?
   A.
   (1) The derogation (or exception) in article 59(2) of MiFID allows allowed Member States to allow a trading venue operator to provide a data reporting service without prior authorisation, if the operator has verified that they comply complied with Title V of MiFID.
   (2) The United Kingdom has adopted this derogation in regulation 5(b) to (d) of the DRS Regulations.

9.5.6 G  Q. Does an investment firm need to be authorised as an ARM to send transaction reports to the FCA?
   A. No. If you are a MiFID investment firm that wishes to send transaction reports to us to satisfy your own transaction reporting obligations under MiFIR or a third country investment firm subject to a similar obligation pursuant to GEN 2.2.22AR, you do not need to become authorised as an ARM. You are permitted to connect directly to us although there will be a requirement to sign a MIS confidentiality agreement with us, to satisfy connectivity requirements and to undertake testing associated with connecting to our systems. For the associated costs please see FEES 3.2.7R for relevant on-boarding costs. If you want to connect to us to send reports on behalf of other investment firms then you must become authorised as an ARM.

9.5.7 G  Q. Where can I find a list of data reporting services providers?
   A. Article 59(3) of MiFID requires ESMA to establish a list of all data reporting services providers. Further, regulation Regulation 6 of the DRS Regulations requires the FCA to maintain a register of data reporting services providers.

Establishing, applying and resetting position limits

10.2.1 (1) The following provisions of the MiFI Regulations regulate the establishment, application and resetting of position limits:

...

(h) Regulation 20(2) imposes an obligation on the FCA, where it receives an ESMA opinion stating that the establishment of a position limit would be, or is, incompatible with that opinion, to modify the position limit in accordance with ESMA’s opinion or to notify ESMA as to why amendment to the limit is considered to be unnecessary; [deleted]

(i) Regulation 21(1) imposes an obligation on the FCA to not establish a position limit in respect of a commodity derivative traded on trading venues in the United Kingdom, where there is a central competent authority for that commodity derivative other than the FCA; [deleted]

...

(k) Regulation 25(1) prohibits the FCA from establishing position limits which are more restrictive than permitted under ESMA’s methodology MiFID RTS 21, unless in exceptional cases where more restrictive position limits are objectively justified and proportionate;

(l) Regulation 25(2) to Regulation 25(5) impose obligations on the FCA where it establishes position limits which are more restrictive than permitted under ESMA’s methodology MiFID RTS 21 in accordance with Regulation 25(1) of the MiFI Regulations. The obligations are that the FCA must publish that position limit on its website, and not apply that position limit for more than six months from the date of publication unless further subsequent six-month application periods for that limit are objectively justified and proportionate, and must notify ESMA of the position limit and the justification for establishing it; and
(m) Regulation 20(5) and Regulation 25(6) impose obligations on the FCA to publish a notice on its website explaining the reasons for its decision when, under Regulation 20(2) and Regulation 25(5) of the MiFID Regulations respectively, it does not modify a position limit following an ESMA opinion incompatible with the limit; and [deleted]

EEA territorial scope rule: compatibility with European law

1.3.6 R (1) The territorial scope of this sourcebook is modified to the extent necessary to be compatible with European law (see PROD 1.3.7G to PROD 1.3.10G for guidance on this).

(2) This rule overrides every other rule in this sourcebook. [deleted]

Effects of the EEA territorial scope rule

1.3.7 G One of the effects of PROD 1.3.6R is the override the application of this sourcebook to the overseas establishments of EEA firms in circumstances covered by MiFID. [deleted]

1.3.8 G The guidance in this chapter provides a general overview only and is not comprehensive. [deleted]

1.3.9 G When considering the impact of a directive on the territorial application of a rule, a firm will first need to consider whether the relevant situation involves a non-UK element. PROD 1.3.6R is unlikely to apply if a UK firm is doing business in a UK establishment for a client located in the United Kingdom in relation to a UK product, in other words PROD 3 will apply to the UK firm. However, if there is a non-UK element, the firm should consider whether:

(1) It is subject to the directive (in general, directives only apply to UK firms and EEA firms, but the implementing provisions may not treat non-EEA firms more favourably than EEA firms);

(2) the business it is performing is subject to the directive; and

(3) the particular rule is within the scope of the directive.

If the answer to all three questions is ‘yes’, PROD 1.3.6R may change the application of the rules in this sourcebook. [deleted]

1.3.10 G When considering a particular situation, a firm should also consider whether two or more directives apply. [deleted]
MiFID: effect on territorial scope

1.3.11 G  PERG 13 contains general guidance on the persons and businesses to which the UK provisions which implemented MiFID applies apply.

1.3.12 G  For a UK MiFID investment firm, rules in this sourcebook that are within the scope of MiFID generally apply to its MiFID business carried on from an establishment in the United Kingdom. They also generally apply to its MiFID business carried on from an establishment in another EEA State, although in the case of rules that implement article 24(2) MiFID only where that business is not carried on within the territory of that EEA State. Where a MiFID investment firm carries on MiFID business from a branch in another EEA State, organisational requirements, including rules implementing product manufacture obligations under article 16 MiFID are home state requirements and therefore FCA responsibility (see SUP 13A Annex 1G). [deleted]

[Note: see articles 34(1) and 35(1) and (8) of MiFID]

1.3.13 G  For an EEA MiFID investment firm, rules in this sourcebook that are within the scope of MiFID generally apply only to its MiFID business if that business is carried on from an establishment in, and within the territory of, the United Kingdom and only to the extent that the rules implement article 24(2) of MiFID. When an intermediary may be considered to be manufacturing

1.4.4 EU UK 3(1) For the purposes of Article 25(1) of Directive (EU) 2016/97 [PROD 4.2.1R, PROD 4.2.2R, PROD 4.2.29R, PROD 4.2.34R, PROD 4.3.1R and PROD 4.3.2R], insurance intermediaries shall be considered manufacturers where an overall analysis of their activity shows that they have a decision-making role in designing and developing an insurance product for the market.

…

[Note: article 3 of the IDD POG Regulation]

1.4.5 G  The effect of PROD 1.4.3EU 1.4.4UK and PROD 1.4.6R is that an insurance intermediary needs to consider if it is manufacturing an insurance product
and, if so, should comply with PROD 4.2 (Manufacture of insurance products).
