1 Introduction

…

1.2 Clients and the Principles

…

Approach to client categorisation

1.2.2 G Principles 6, 8 and 9 and parts of Principle 7, as qualified by PRIN 3.4.1R, apply only in relation to customers. The approach that a firm (other than for credit-related regulated activities, and regulated claims management activities, payment services and issuing electronic money (where not a regulated activity) in relation to which client categorisation does not apply) needs to take regarding categorisation of clients into customers and eligible counterparties will depend on whether the firm is carrying on designated investment business, insurance risk transformation and activities directly arising from insurance risk transformation, or other activities, as described in PRIN 1.2.3G. [deleted]

1.2.3 G (1) In relation to the carrying on of designated investment business, insurance risk transformation and activities directly arising from insurance risk transformation, a firm’s categorisation of a client under the COBS client categorisation chapter (COBS 3) will be applicable for the purposes of Principles 6, 7, 8 and 9. [deleted]

(1AA) In relation to the carrying on of insurance risk transformation and activities directly arising from insurance risk transformation, the COBS client categorisation chapter (COBS 3) applies as modified by COBS 18.6A.3R.

(1A) Client categorisation under COBS 3 or PRIN 1 Annex 1 is not relevant to credit-related regulated activities and therefore the guidance on client categorisation does not apply in relation to a credit-related regulated activity. The definitions of client and customer in relation to those regulated activities reflect the modified meaning of “consumer” in articles 36J, 39M, 60LA, 60S and 89E of the Regulated Activities Order, as well as the definitions of “individual” and of “relevant recipient of credit” in that Order.

(1AB) Client categorisation under COBS 3 or PRIN 1 Annex 1R is not relevant to regulated claims management activities and therefore the
guidance on client categorisation does not apply in relation to a regulated claims management activity.

(2) The person to whom a firm gives basic advice on a stakeholder product will be a retail client for all purposes, including the purposes of Principles 6, 7, 8 and 9.

(3) In relation to carrying on activities other than designated investment business, insurance risk transformation or activities directly arising from insurance risk transformation (for example, general insurance business or accepting deposits) the firm may choose to comply with Principles 6, 7, 8 and 9 as if all its clients were customers. Alternatively, it may choose to distinguish between eligible counterparties and customers in complying with those Principles. If it chooses to make such a distinction, it must comply with PRIN 1 Annex 1 in determining whether that client is an eligible counterparty (see PRIN 3.4.2R). In doing so, the requirements in SYSC will apply, including the requirement to make and retain adequate records.

(4) In relation to carrying on activities that fall within both (1) and (3) (for example, mixed designated investment business and accepting deposits), a firm’s categorisation of a client under the COBS client categorisation chapter (COBS 3) will be applicable for the purposes of Principles 6, 7, 8 and 9.

Conflicts of interest
10.1 Application

Application to funeral plan distribution

10.1.5 G This section applies to a firm carrying on funeral plan distribution in accordance with the tables in Part 3 of SYSC 1 Annex 1.

Application to insurance intermediaries

…

Types of conflicts

…

10.1.4B R For the purposes of identifying the types of conflict of interest that arise, or may arise, in the course of carrying on insurance distribution activities or funeral plan distribution and whose existence may damage the interests of a client ("A"), a firm must assess whether:

(1) the firm or a relevant person, or a person directly or indirectly linked by control to the firm; or

(2) (in the case of conflicts between A and another client) the other client, has an interest in the outcome of the insurance distribution activities or funeral plan distribution, which meets the following criteria:

(3) it is distinct from A’s interest in the outcome of the insurance distribution activities or funeral plan distribution; and

…

Record of conflicts

10.1.6 R A management company, an insurance intermediary and a firm carrying on funeral plan distribution must keep and regularly update a record of the kinds of service or activity carried out by or on behalf of that firm in which a conflict of interest entailing a material risk of damage to the interests of one or more clients has arisen or, in the case of an ongoing service or activity, may arise.

[Note: article 20(1) of the UCITS implementing Directive]

…

10.1.6A R An insurance intermediary and a firm carrying on funeral plan distribution must ensure that its management body receives on a frequent basis, and at least annually, written reports on all situations referred to in SYSC 10.1.6R.
Disclosure of conflicts

10.1.8 R …

(2) The disclosure must:

…

(c) include specific description of the conflicts of interest that arise in the provision of funeral plan distribution, insurance distribution activities, investment services or ancillary services;

…

Conflicts policy

10.1.10 R (1) A management company, and an insurance intermediary and a firm carrying on funeral plan distribution must establish, implement and maintain an effective conflicts of interest policy that is set out in writing and is appropriate to the size and organisation of the firm and the nature, scale and complexity of its business.

(2) Where the management company, or insurance intermediary or firm carrying on funeral plan distribution is a member of a group, the policy must also take into account any circumstances, of which the firm is or should be aware, which may give rise to a conflict of interest arising as a result of the structure and business activities of other members of the group.

Contents of policy

10.1.11 R (1) The conflicts of interest policy must include the following content:

(a) it must identify in accordance with SYSC 10.1.3R, SYSC 10.1.4R, SYSC 10.1.4BR and SYSC 10.1.4CR (as applicable), by reference to the specific services and activities carried out by or on behalf of the management company, insurance intermediary or firm carrying on funeral plan distribution, the circumstances which constitute or may give rise to a conflict of interest entailing a material risk of damage to the interests of one or more clients; and

…

(2) …
(a)

(aa) (for an insurance intermediary or a firm carrying on funeral plan distribution activities) be designed to ensure that the insurance distribution activities or funeral plan distribution are carried out in accordance with the best interests of the client and are not biased due to conflicting interests of the insurance intermediary, the firm carrying on funeral plan distribution or another client; and

(b) include, for an insurance intermediary or a firm carrying on funeral plan distribution, where appropriate, the following, and for a management company, such of the following as are necessary and appropriate for the management company to ensure the requisite degree of independence:

…

(vi) (for insurance intermediaries or firms carrying on funeral plan distribution) a gifts and benefits policy which determines clearly under which conditions gifts and benefits can be accepted or granted and which steps are to be taken when accepting and granting gifts and benefits.

…

(4) If one or more of the measures and procedures in paragraph (2) is not appropriate for the purposes of paragraph (2)(aa), an insurance intermediary or a firm carrying on funeral plan distribution must adopt such alternative measures and procedures as are necessary and appropriate.

(5) The procedures and measures provided for in paragraph (1)(b) must be appropriate to the size and activities of an insurance intermediary or a firm carrying on funeral plan distribution, the size and activities, the group to which it may belong and to the risk of damage to the interests of the client.

…

10.1.11 Other firms (except common platform firms, UCITS management companies, insurance intermediaries and firms carrying on funeral plan distribution) should take account of the rules relating to conflicts of interest policies (see SYSC 10.1.10R and SYSC 10.1.11R) in accordance with SYSC 1 Annex 1 3.2BR, SYSC 1 Annex 1 3.2BR, SYSC 1 Annex 1 3.2CR and SYSC 1 Annex 1 3.3R.
10.1.11 R An insurance intermediary and a firm carrying on funeral plan distribution must assess and periodically review, on at least an annual basis, the conflicts of interest policy established in accordance with SYSC 10.1.10R and SYSC 10.1.11R and should take all appropriate measures to address any deficiencies (such as over reliance on disclosure of conflicts of interest).

…

10.1.11 G A firm (other than a common platform firm, and an insurance intermediary and a firm carrying on funeral plan distribution) should read SYSC 10.1.11AAR as if “should” appeared in that rule instead of “must”.

…”

After SYSC 19F.2 (IDD remuneration incentives) insert the following new section SYSC 19F.3. The text is not underlined.

19F.3 Funeral plan remuneration incentives

Application

19F.3.1 R This section applies to a firm carrying on regulated funeral plan activities.

Remuneration and the customer’s best interests

19F.3.2 R (1) A firm must not:

(a) be remunerated; or

(b) remunerate or assess the performance of its employees,

in a way that conflicts with its duty to comply with the customer’s best interests rule.

(2) In particular, a firm must not make any arrangements by way of remuneration, sales target or otherwise that could provide an incentive to itself or its employees to recommend or offer a particular funeral plan contract to a customer when the firm could offer a different funeral plan contract which would better meet the customer’s needs.

19F.3.3 G (1) A firm should consider FPCOB 6.4R and FPCOB 6.5R when making arrangements which concern remuneration or performance incentives.

(2) Examples of remuneration arrangements which may conflict with the customer’s best interests rule include:

(a) arrangements which provide for higher levels of remuneration based on the price of the plan that is recommended or offered (i.e. higher remuneration for selling a more expensive plan);
(b) arrangements for *remuneration* or performance management which are based primarily on the number of plans sold, or the price of plans sold; and

(c) arrangements which do not have adequate provision for *remuneration* to be taken back if the customer cancels the plan.

Amend the following as shown.

2.1.23C

Continuing professional development for persons involved in regulated funeral plan activities

2.1.23D R In this section, relevant employees are employees and other persons:

(1) directly involved in regulated funeral plan activities; or

(2) within the management structure responsible for the firm’s regulated funeral plan activities; or

(3) responsible for the supervision of a relevant employee acting in the capacity as set out in (1).

2.1.23E R In this section “employee”:

(1) is not restricted to an individual working under a contract of employment; and

(2) includes (without limitation) any natural or legal person whose services are placed at the disposal of the firm, under an arrangement between the firm and a third party; and

(3) also includes appointed representatives and their employees.

2.1.23F R A firm must ensure that each relevant employee who has been assessed as competent for the purposes of TC 2.1.1R remains competent by completing a minimum of 15 hours of appropriate continuing professional development in each 12 month period.

2.1.23G R The appropriate continuing professional development in SYSC 2.1.23FR is in addition to any other continuing professional development completed. Continuing professional development completed by a relevant employee in relation to activities other than regulated funeral plan activities must not be taken into account for the purpose of SYSC 2.1.23FR.

2.1.23H R For the purposes of SYSC 2.1.23FR, a firm must take into account the:
(1) role and activity carried out by the relevant employee within the firm; and

(2) the nature of the products sold.

2.1.23I G (1) Appropriate continued professional development has the same meaning as given in TC 2.1.22G(1), (3) to (5). For this purpose, reference to retail investment adviser should be read as if it were a reference to a relevant employee (under TC 2.1.23DR).

(2) In relation to SYSC 2.1.23FR, the 15 hours of appropriate continuing professional development can include structured and unstructured training and need not consist of only formal classroom-based learning. For examples of structured and unstructured professional development see TC 2.1.20G and TC 2.1.21G.

2.1.23J R TC 2.1.17R (suspending the continuing professional development requirement) and related guidance apply in relation to a relevant employee and references to:

(1) TC 2.1.15R must be read as if it were a reference to TC 2.1.23FR; and

(2) a retail investment adviser must be read as if it were a reference to a relevant employee (under TC 2.1.23DR).

Continuing professional development record keeping

2.1.24 R A firm must, for the purposes of TC 3.1.1R (Record keeping), make and retain records of:

(1) the continuing professional development completed by each:

…

(b) pension transfer specialist (under TC 2.1.23AR);

(c) relevant employee (under TC 2.1.23DR)

and

(2) the dates of and reasons for any suspension of the continuing professional development requirements under TC 2.1.17R, TC 2.1.23CR or TC 2.1.23JR.

2.1.25 R A firm must not prevent a retail investment adviser, or a pension transfer specialist or a relevant employee from obtaining a copy of the records relating to them which are maintained by the firm for the purposes of TC 2.1.24R.

Notes on annual eligible income for class 7: For the purposes of calculating annual income, “net amount retained” means all the commission (where
relevant), fees, etc. in respect of activities falling within class 7 that the firm has not rebated to customers or passed on to other firms (for example, where there is a commission chain). Items such as general business expenses (for example, employees’ salaries and overheads) must not be deducted.

Annex I

Amendments to the Product Intervention and Product Governance sourcebook (PROD)

After PROD 1.6 (Application of PROD 6) insert the following new section: PROD 1.7. The text is not underlined.

1 Product Intervention and Product Governance Sourcebook (PROD)

...  

1.7 Application of PROD 7

Application of PROD 7

1.7.1 R (1) PROD 7 applies to:

(a) a funeral plan provider; and

(b) a funeral plan intermediary,

with respect to:

(c) manufacturing funeral plan products; and

(d) distributing funeral plan products.

1.7.2 R A Gibraltar-based firm must also comply with the provisions in PROD 7 (Product governance: funeral plans).

Manufacturing a funeral plan product

1.7.3 G The Glossary term ‘manufacture’ includes ‘designing, developing, creating and/or entering into or carrying out a funeral plan contract as provider’ which cover activities prior to the funeral plan product being approved for marketing and distribution, and on a continuing basis after such approval.

1.7.4 R (1) For the purposes of PROD 7, a funeral plan intermediary is a manufacturer of a funeral plan product where an overall analysis of their activity shows that they have a decision-making role in designing and developing a funeral plan contract for the market.

(2) A decision-making role will be assumed, in particular, where a funeral plan intermediary autonomously determines the essential features and main elements of a funeral plan contract, including any of its price, costs, target market or guarantee rights, which are not substantially modified by the funeral plan provider.

(3) Personalisation of and adaptation of existing funeral plan products in the context of funeral plan distributions for individual customers, as well as
the design of tailor-made contracts at the request of a single customer, are not manufacturing.

Territorial scope

1.7.5 R PROD 7 applies to a firm with respect to activities carried on by it, or its appointed representative, in relation to:

(1) a funeral plan product; and

(2) a subsisting funeral plan.

Interaction of PROD 7 and the RPPD Guide

1.7.6 G The RPPD Guide does not apply to a firm to which PROD 7 applies for matters covered by, and where the firm has complied with, PROD 7.

After PROD 6 (Product governance: additional provisions for pathway investments) insert the following new chapter: PROD 7. The text is not underlined.

7 Product governance: funeral plans

7.1 General

Other requirements

7.1.1 G This chapter does not affect the application of other requirements in the FCA Handbook applying to funeral plan providers or firms in relation to funeral plan distributions, including but not limited to:

(1) Identification and management of conflicts of interest (SYSC 10.1 (Conflicts of interest));

(2) Funeral plan remuneration incentives (SYSC 19F.3 (Funeral plan remuneration incentives));

(3) Structure arrangements (FPCOB 3 (Structure provisions-arrangements underpinning a funeral plan contract));

(4) Disclosure (FPCOB 6 (Information about the firm and its services) and FPCOB 9 (Product information));

(5) Remuneration (FPCOB 6.4 (Charging for funeral plan distribution) and FPCOB 6.5 (Payments to funeral plan intermediaries)).

7.2 Manufacture of funeral plans

Product governance arrangements: product approval
7.2.1  R  A manufacturer must maintain, operate and review a process for the approval of:

(1) a funeral plan product; and

(2) any significant adaptation of an existing funeral plan product,

in each case before it is marketed or distributed to customers.

7.2.2  G  (1) PROD 7.2.1R(1) includes any funeral plan product whether a new product manufactured on or after 29 July 2022 or any existing funeral plan product. In relation to an existing funeral plan product, references in PROD 7.2 and 7.3 to ‘marketing’ or ‘distributing’ includes reference to any future activity regardless of whether the product has previously been made available for marketing or distribution.

(2) For the purposes of PROD 7.2.2R(2):

(a) whether a proposed change to the product would be a ‘significant adaptation’ should include consideration of the potential impact that the adaptation may have on an existing or potential customer (when compared to the unadapted version of the product);

(b) a ‘significant adaptation’ in relation to a funeral plan product may include, but is not restricted to, a proposed change to the undertaking to provide funeral arrangements, services added or removed, level of monetary benefits (other than adjustments for inflation or other cost variations) costs, and any other significant change to the terms and conditions.

Product governance arrangements: identifying the necessary approval process

7.2.3  R  The product approval process in PROD 7.2.1R must be proportionate and appropriate to the nature of the funeral plan product.

7.2.4  G  A manufacturer should take into account the following when considering whether the product approval process is proportionate and appropriate:

(1) the complexity of the funeral plan product;

(2) the degree to which publicly available information can be obtained;

(3) the nature of the funeral plan product and the risk of consumer detriment related to it;

(4) the characteristics of the target market;

(5) the scale and complexity of the relevant business of the manufacturer or distributor;
(6) the potential risk, and possible levels, of harm to customers if the product design is flawed, in particular, due to the potential scale of harm if the product is intended for a wide target market;

(7) the nature of the cover that the product is intended to provide;

(8) whether the distribution arrangements could mean customers are at a greater risk of not receiving fair value from the product;

(9) any particularly notable features of, or relating to, existing products (including how it has been distributed); and

(10) the nature and complexity of the firm’s existing or intended customer base, for example whether it includes or is likely to include:

(a) different types of customers with varying characteristics including in relation to their understanding of financial matters; and

(b) a significant number of vulnerable customers.

Product approval process: outcomes, measures and procedures

7.2.5 R A manufacturer must have a product approval process that:

(1) ensures the design of a funeral plan product:

(a) identifies how funeral arrangements will be provided;

(b) delivers fair value;

(c) takes into account the intended customers including their objectives, interests, needs and characteristics;

(d) does not adversely affect customers; and

(e) is driven by features that benefit the customer and not by a business model which relies on poor customer outcomes to be profitable;

(2) prevents or mitigates customer detriment; and

(3) supports a proper management of conflicts of interest.

7.2.6 R The product approval process must contain appropriate measures and procedures for:

(1) the design, distribution, monitoring and review of a funeral plan product;

(2) identifying whether the product is, or remains, appropriate to be marketed or distributed to customers; and
(3) taking corrective and/or mitigating action for funeral plan products where actual or potential customer detriment is identified.

Product approval process: written policy and record keeping

7.2.7 R A manufacturer must set out the product approval process in a written document (“product oversight and governance policy”), which is made available to the relevant staff.

7.2.8 R A manufacturer must make and retain a record of any relevant actions taken in relation to the product approval process. The record must be made available to the FCA upon request.

Product approval process: governing body responsibility

7.2.9 R A manufacturer’s governing body must:

(1) endorse and be responsible for establishing, implementing and reviewing the product approval process; and

(2) verify internal compliance with that process on an ongoing basis.

Product approval process: staff competence

7.2.10 R A manufacturer must ensure that any of its staff involved in the manufacture of a funeral plan product has the necessary skills, knowledge and expertise to properly carry out this role and, in particular, to understand the funeral plan product and the interests, objectives and characteristics of the customers belonging to the target market. (Also see SYSC 5.1.1R (competent employee rule)).

7.2.11 R Where a manufacturer uses a third party to undertake any part of the manufacture of the funeral plan product on its behalf, the manufacturer remains fully responsible for compliance with the product approval process.

Product approval process: review of process

7.2.12 R (1) A manufacturer must regularly review its product approval process to ensure that the process is still appropriate and up to date.

(2) Where the process is identified to no longer be appropriate, the manufacturer must:

(a) amend the product approval process;

(b) review any product approved since the approval process was last deemed to be appropriate to:

(i) ensure these products were correctly approved for marketing and/or distribution; and
(ii) take all necessary steps for the mitigation and remediation of any actual or potential harm to customers.

Product approval process: manufacture by more than one manufacturer

7.2.13 R (1) Where two or more firms collaborate to manufacture a funeral plan product, the firms must outline their mutual responsibilities in a signed written agreement.

(2) The written agreement in (1) must specify:

(a) their respective roles in the product approval process; and

(b) how they will collaborate to comply with the requirements in PROD 7.2 (Manufacture of funeral plans), including the procedures through which they will agree on the identification of the target market.

Product approval process: fair value

7.2.14 R A manufacturer must only approve a funeral plan product where it provides fair value to customers in the target market.

7.2.15 R (1) A manufacturer must:

(a) be able to clearly demonstrate how any funeral plan product provides fair value; and

(b) make and retain a record of the value assessment required by PROD 7.2.14R.

(2) Where a manufacturer is unable to both:

(a) identify; and

(b) clearly demonstrate,

that the funeral plan product will provide fair value, the manufacturer must not:

(c) market the funeral plan product; or

(d) permit the funeral plan product to be distributed (whether directly or through another person),

unless the manufacturer has ensured appropriate changes have been made so that fair value will be provided.

Product approval process: meaning of value
7.2.16 R In PROD 7 “value” means the relationship between the total price to the customer and the quality of the product(s) and/or services provided. The assessment of value must include consideration of at least the following:

(1) the nature of the product, including the benefits that will be provided, their quality, and any limitations (for example, in the scope of the funeral arrangements or other features);

(2) the type and quality of services provided to customers;

(3) the expected total price to be paid by the customer when buying the funeral plan product, and the elements that make up the total price. This will need to include consideration of at least the following:

(a) the overall cost to the manufacturer of the funeral plan product of:
   (i) operating the product, including the costs of the trust or premiums paid towards an insurance policy to meet the requirements in FPCOB 3 (Structure provisions - arrangements underpinning a funeral plan contract); and
   (ii) the delivery of funeral benefits under it; and

(b) the individual elements of the expected total price to be paid by the customer including, but not limited to:
   (i) the funeral plan product;
   (ii) the costs of the distribution arrangements, including the remuneration of any relevant person in the distribution arrangements, and including where a manufacturer delegates the final decision on setting the price to another person; and

(4) how the intended distribution arrangements support, and will not adversely affect, the intended value of the product.

7.2.17 R A manufacturer must not rely on individual customers to consider whether they are making fair value purchases in place of any part of the manufacturer’s own assessment.

Product approval process: compliance with fair value requirement

7.2.18 G The following evidential provision provides examples of arrangements that the FCA considers will breach PROD 7.2.14R.

7.2.19 E (1) A manufacturer should not have a funeral plan product where:
(a) the difference between the cost of delivering the funeral plan contract obligations to the manufacturer and the total price paid by the customer bears no reasonable relationship to:

(i) the actual costs incurred by the manufacturer or any other person involved in the distribution arrangements;

(ii) the quality of any benefits (including of the funeral plan product); or

(b) any difference between the cost of the funeral arrangements under the funeral plan product and the cost of the equivalent funeral arrangements purchased without a funeral plan contract does not have an objective and reasonable basis.

(2) Contravention of any of (1) may be relied on as tending to establish contravention of PROD 7.2.14R.

Product approval process: information to be used when assessing a product for approval

7.2.20 R When assessing whether a product should be approved for the purposes of PROD 7.2.1R, a manufacturer must use the full range of data and information available to it including, but not limited to:

(1) information available to the manufacturer internally including:

(a) customer research;

(b) the performance of the funeral plan product or other funeral plan products of the manufacturer, including for example:

(i) how the estimated costs of funerals compare to actual costs;

(ii) number of customers cancelling the funeral plan contracts;

(iii) number of missed instalment plan payments by the customer; and

(iv) number of funeral plan contracts expected to be claimed but have not been redeemed;

(c) complaints data (including root cause analysis and handling times), both expected for the product itself and/or any actual information from a comparable product;

(2) public information or information obtainable by the manufacturer from external sources, including analysis of similar funeral plan products available from other firms; and
(3) information available to the manufacturer specifically from persons in the distribution arrangements or external funeral provider, including:

   (a) any remuneration and its impact on the value of the product;

   (b) levels or quality of service provided by any person in the distribution arrangements;

   (c) any results of monitoring and oversight of the processes of any persons in the distribution arrangement (for example, call monitoring or file checks), including in relation to other products that person distributes; and

   (d) the wholesale and retail prices of a funeral not paid for using a funeral plan contract (whether paid for in advance or after the death of a person).

Product approval process: product backing arrangements

7.2.21 R A manufacturer must only approve a funeral plan product where it has established adequate processes and procedures to ensure:

   (1) any funeral plan contracts entered into using that product will have the necessary and robust trust or insurance arrangements required to comply with FPCOB 3 (Structure provisions – arrangements underpinning a funeral plan contract); and

   (2) at a product level, there is sufficient oversight and management of those trust or insurance arrangements to mitigate the risk of customer harm.

Product approval process: identifying the target market

7.2.22 R A manufacturer must ensure that for each funeral plan product the product approval process:

   (1) specifies an identified target market;

   (2) assesses all relevant risks to the identified target market;

   (3) identifies that a funeral plan product offers fair value to the specified target market, taking into account in particular their needs, objectives, interests and characteristics;

   (4) permits only the approval of funeral plan products that are compatible with the needs, characteristics and objectives of the customers belonging to the target market;

   (5) verifies that the intended distribution strategy is consistent with the identified target market; and
(6) requires reasonable steps are taken to ensure that the funeral plan product is distributed to the identified target market.

7.2.23 R A manufacturer must identify the target market at a sufficiently granular level, taking into account the characteristics, risk profile, complexity and nature of the funeral plan product.

7.2.24 R A manufacturer must identify groups of customers for whose needs, characteristics and objectives the funeral plan product is generally not compatible.

7.2.25 R When assessing whether a funeral plan product is compatible with a target market, a manufacturer must take into account:

(1) the level of information available to the customers belonging to that target market and their financial literacy; and

(2) vulnerable customers.

7.2.26 G (1) The identification of the target market should describe a group of customers sharing common characteristics at an abstract and generalised level in order to enable the manufacturer to adapt the features of the product to the needs, characteristics and objectives of that group of customers.

(2) The identification of the target market should be distinguished from the individual assessment at the point of sale to determine whether a product meets the demands and needs of the individual customer.

Product approval process: product testing

7.2.27 R (1) A manufacturer must test a funeral plan product appropriately, including scenario analyses, in a qualitative manner and quantitative manner.

(2) The product testing in (1) must assess whether the funeral plan product over its lifetime meets the identified needs, objectives and characteristics of the target market.

(3) The requirement in (1) must be carried out:

(a) before approving the product for marketing or distribution;

(b) when the product is being significantly adapted; and

(c) where the target market has significantly changed.

7.2.28 R A manufacturer must not bring a funeral plan product to the market if the results of the product testing show that the product does not provide fair value including where it would not meet the identified needs, objectives and characteristics of the target market.
Distribution channels: selecting channels

7.2.29 R A manufacturer must carefully select distribution arrangements, including specific distribution channels that are appropriate for the target market, taking into account the particular characteristics of the relevant funeral plan product.

7.2.30 R (1) When selecting any distribution arrangements, including any particular distribution channel, a manufacturer must be able to demonstrate clearly that these arrangements:

(a) result in fair value to the customer;

(b) are consistent with the requirements in FPCOB 6.4 (charging for funeral plan distribution); and

(c) prevent or mitigate the risk of customer detriment arising from the distribution of the product, for example by verifying that any proposed distributor has the necessary knowledge, expertise and competence; and

(d) do not pose a significant risk of a distribution channel failing to meet the requirements in FPCOB.

(2) A manufacturer must not use a distribution channel unless it is able to demonstrate the requirements in (1) are met.

7.2.31 G Manufacturers should only select distributors that have the necessary knowledge, expertise and competence to understand the features of a funeral plan product and the identified target market.

7.2.32 R Whenever making a change to the distribution arrangements, including adding a further distribution channel, a manufacturer must:

(1) obtain all necessary information from the distributor or any other person who will be involved with the distribution arrangement, including that set out in PROD 7.2.35R; and

(2) identify whether the proposed change to the distribution arrangements is consistent with the fair value requirement in PROD 7.2.14R.

Distribution channels: information disclosure to distributors

7.2.33 R (1) A manufacturer must make available to a distributor all appropriate information on the:

(a) funeral plan product, including to enable the distributor to understand the intended value established by the manufacturer;

(b) product approval process;
(c) identified target market of the funeral plan product, including any type of customer for whom the funeral plan product is unlikely to provide fair value; and

(d) suggested distribution strategy.

(2) The information in (1) must:

(a) include information on the main features and characteristics of the funeral plan products, their risks and costs, including implicit costs, and any circumstances which might cause a conflict of interest to the detriment of the customer;

(b) be clear, complete and up to date.

7.2.34 R (1) The information a manufacturer has to make available to any distributor under PROD 7.2.33R(1) must be of an adequate standard to enable distributors to:

(a) understand the funeral plan products;

(b) comprehend the identified target market for the funeral plan products;

(c) identify any customers for whom the funeral plan products are not compatible with their needs, characteristics and objectives; and

(d) carry out distribution activities for the relevant funeral plans in accordance with the best interests of their customers as prescribed in FPCOB 2.1.2R.

(2) A manufacturer is not required to disclose specific information objectively considered to be commercially sensitive if the information it does make available would still allow distributors to meet PROD 7.2.35R(1)(a) and (b).

Distribution channels: obtaining information from distributors

7.2.35 R A manufacturer must obtain from any person in the distribution arrangements all necessary and relevant information to enable it to identify the remuneration associated with the distribution arrangements to allow it to assess the ongoing value of the product, including at least:

(1) the type and amount of remuneration of each person in the distribution arrangement where this is part of the funeral plan contract price or otherwise paid directly by the customer, including in relation to additional products;

(2) an explanation of the services provided by each person in the distribution arrangements; and
(3) confirmation from any firm in the distribution arrangements that any remuneration is consistent with their regulatory obligations, including SYSC 19F.3 (Funeral plan remuneration incentives).

7.2.36 G (1) Where the manufacturer is considering the effects of the distribution arrangements on value, it should consider whether the additional costs of any individual party in the arrangements that add to the total price paid by the customer deliver any, or a proportional, additional benefit. If not, a manufacturer should consider how it can be satisfied that the arrangements are consistent with its obligations to be able to clearly demonstrate fair value to the customer.

(2) A benefit that could be consistent with fair value might include where the party’s inclusion in the distribution arrangements increases access to the product for customers in the target market in a way that is proportionate to the additional cost involved.

Monitoring and review of funeral plan products

7.2.37 R A manufacturer must regularly review the funeral plan products it offers or markets taking into account any event that could materially affect the potential risk to the identified target market, the main features or the guarantees of the funeral plan product. In doing so, the manufacturer must assess at least the following:

(1) whether the funeral plan product remains consistent with:
   (a) the identified target market, including their interests, needs, characteristics and objectives;
   (b) the fair value assessment required under PROD 7.2.14R; and

(2) whether the intended distribution strategy remains appropriate, including whether those products are being distributed to the target market or are reaching customers outside the target market.

7.2.38 R A manufacturer must ensure that the review process:

(1) has the necessary measures to be able to identify if the funeral plan product is not providing fair value; and

(2) provides that appropriate actions be taken:
   (a) for the mitigation and any potential remediation of the harm to existing customers; and
   (b) to prevent harm to new customers.

Monitoring and review of funeral plan products: minimum review period

7.2.39 R A manufacturer must undertake the regular review:
(1) every 12 months; or

(2) more frequently where the potential risk associated with the funeral plan product makes it appropriate to do so.

7.2.40 R When determining the appropriate interval for review of a funeral plan product, a manufacturer must take into account:

(1) the nature of the customer base, including whether there are significant numbers of vulnerable customers;

(2) any specific indicators seen in the manufacturer’s assessment of the product’s value to the customer;

(3) the nature and type of distribution arrangements being used;

(4) any indicators of customer harm potentially emerging from the performance of the product (for example, through redemptions of funeral plan contracts, missed instalment plan payments by the customer, and/or the number of funeral plan contracts expected to be redeemed but have not been redeemed and complaints data); and

(5) any relevant external factors, such as changes to the applicable legal rules, technological developments, or changes to the market situation.

Product monitoring and review: monitoring through lifetime of the plan

7.2.41 R (1) A manufacturer must identify during the lifetime of a funeral plan product any circumstances related to the funeral plan product that may adversely affect a customer of that product.

(2) Where a manufacturer identifies an event that may adversely affect a customer of the product, the manufacturer must:

(a) take appropriate action to mitigate the situation and prevent further occurrences of the detrimental event; and

(b) promptly inform concerned distributors and customers about the remedial action taken.

Product monitoring and review: monitoring distribution arrangements

7.2.42 R (1) A manufacturer must take appropriate steps to monitor:

(a) that a funeral plan product distributor acts in accordance with the objectives of the manufacturer’s product approval process; and

(b) any impact which the distribution arrangements are having on the value including whether the distribution channels remain appropriate.
(2) A manufacturer must verify on a regular basis whether the funeral plans products are distributed on the identified target market.

(3) The monitoring activities must be reasonable, taking into consideration the characteristics and the legal framework of the respective distribution channels.

7.2.43 G PROD 7.2 does not require the manufacturer to monitor a distributor’s compliance with general regulatory requirements when carrying out funeral plan distributions for individual customers.

7.2.44 R A manufacturer must:

(1) ensure that it has sufficient, good quality management information; and

(2) use the full range of data and information available to it (whether it holds this information already, the information is publicly available, or it is able to obtain it from another person),

to enable it to properly understand and monitor the funeral plan product.

7.2.45 G A manufacturer should identify whether there is a risk to its continuing to provide fair value where there is a material change in the relationship between the price to the customer and the actual costs to the manufacturer or another party involved in the ongoing service/distribution of the product.

Product monitoring and review: considering changes to funeral plan products

7.2.46 R For the purposes of showing that the requirement in PROD 7.2.1R is met, where a manufacturer makes a change to a funeral plan product, it must make and retain a record of:

(1) the assessment of whether that change would amount to a significant adaptation of the funeral plan product; and

(2) where the assessment in (1) is that the change would not be a significant adaptation, the reasons for that decision.

Product monitoring and review: remedial and mitigating action

7.2.47 R Manufacturers considering that the distribution of their funeral plan products is not in accordance with the objectives of their product approval process must take appropriate remedial action including but not limited to:

(1) amending the distribution arrangements, including ceasing to use certain distributors or distribution channels;

(2) amending remuneration structures;
(3) withdrawing the funeral plan product from continued marketing or distribution; or

(4) paying redress as appropriate.

7.3 Distribution of funeral plans

Distribution arrangements: general requirements

7.3.1 R A distributor must have in place product distribution arrangements containing appropriate measures and procedures to:

(1) aim to prevent and mitigate customer detriment;
(2) be consistent with the aim of providing fair value to the customer;
(3) support a proper management of conflicts of interest; and
(4) ensure that the objectives, interests and characteristics of customers are duly taken into account.

Distribution arrangements: obtaining and understanding information

7.3.2 R (1) A distributor must ensure the product distribution arrangements contain effective measures and procedures to:

(a) obtain from the manufacturer all appropriate information sufficient, adequate and reliable about the funeral plan products they intend to offer to their customers to ensure that they will be distributed in accordance with the characteristics, objectives and needs of the target market; and

(b) fully comprehend those funeral plan products, taking into account the level of complexity and the risks related to the products as well as the nature, scale and complexity of the relevant business of the distributor.

(2) The information in (1) must be sufficient to understand:

(a) the characteristics of each funeral plan product;
(b) the outcome of the value assessment required by PROD 7.2.14R, including:

(i) the value that the funeral plan product is intended to provide to the customer; and

(ii) the impact that the distribution arrangements (including any remuneration it, or another person in the distribution chain to which it belongs, receives)
has on the overall value of the funeral plan product to the customer; and

(c) the identified target market of each funeral plan product, including any identified group of customers for whom the funeral plan product is not expected to provide fair value.

7.3.3 R For the purposes of PROD 7.3.2R, a distributor must consider at least the following:

(1) the benefits the product is intended to provide to the customer;
(2) the characteristics, objectives, interests and needs of the target market;
(3) the interaction between the price paid by the customer and the extent and quality of any services the distributor (or any person connected to it) provides; and
(4) whether any remuneration it receives in relation to the funeral plan product would result in the product ceasing to provide fair value to the customer.

Distribution arrangements: events indicating contravention of fair value

7.3.4 G The following evidential provision provides examples of what the FCA considers will breach PROD 7.3.1R.

7.3.5 E (1) A firm’s distribution arrangements, including any distribution strategy it sets up, should not result in:

(a) the firm receiving a level of remuneration which does not bear a reasonable relationship to the firm’s actual costs, or their contribution, level of involvement or the benefit added by them, to the arrangements for the distribution of the product, including where the firm provides little or no benefit beyond that which the customer would receive if they obtained the funeral plan product through another distribution channel;

(b) the firm having remuneration arrangements which give an incentive to propose or recommend a funeral plan product which either does not meet the customer’s needs (or not as well as another product would) or is not in accordance with the customer’s best interests rule; and

(c) the level of any remuneration (for which the firm is responsible for setting) not being reasonably reflective of the costs actually incurred.

(2) Contravention of any of (1) may be relied upon as tending to establish contravention of PROD 7.3.1R.
Distribution arrangements: disclosing information to manufacturers

7.3.6  R  A distributor must, upon request, provide manufacturers with:

(1) information on the distributor’s remuneration in connection with the distribution of the funeral plan product;

(2) information on any additional product or service that the distributor provides to the customer, which may affect the manufacturer’s intended value of the product;

(3) relevant sales information, including, where appropriate, information on the regular reviews of the product distribution arrangements; and

(4) confirmation that the distribution arrangements are consistent with the obligations of the firm under the FCA Handbook, including in particular in SYSC 10.1 (Conflicts of interest) and SYSC 19F.3 (Funeral plan remuneration incentives).

Distribution arrangements: record keeping

7.3.7  R  A distributor must set out the product distribution arrangements in a written document and make it available to their relevant staff.

7.3.8  R  A distributor must ensure that all relevant actions taken by it or any other party in relation to their product distribution arrangements are:

(1) duly documented;

(2) kept for audit purposes; and

(3) made available to the FCA upon request.

Distribution arrangements: senior management responsibility

7.3.9  R  A distributor’s governing body must:

(1) endorse and be ultimately responsible for establishing, implementing and reviewing the product distribution arrangements; and

(2) verify internal compliance with those arrangements on an ongoing basis.

Distribution arrangements: consistency with target market

7.3.10 R  A distributor must ensure that any specific distribution strategy that it sets up or applies is consistent with:

(1) the distribution arrangements set up by the manufacturer; and
(2) the target market identified in PROD 7.2 (Manufacture of funeral plans), including any customers to whom the product should not be distributed.

Distribution arrangements: review of distribution arrangements

7.3.11 R (1) A distributor must regularly review, at least every 12 months, its product distribution arrangements to ensure that those arrangements are still valid and up to date.

(2) When determining the appropriate intervals for the regular review of their product distribution arrangements, a distributor must take into account the size, scale and complexity of the funeral plan product involved.

7.3.12 R When reviewing the product distribution arrangements, a distributor must verify that the funeral plan products are distributed to the identified target market.

Distribution arrangements: amending distribution arrangements after review

7.3.13 R A distributor must amend the product distribution arrangements, where appropriate, in view of the outcome of the review of the product distribution arrangements.

7.3.14 R When a distributor becomes aware:

(1) that a funeral plan product is not in line with the interests, objectives and characteristics of its identified target market; or

(2) of other product-related circumstances that may adversely affect the customer,

it must promptly:

(3) inform the manufacturer; and

(4) where appropriate, amend the distribution arrangements for that funeral plan product.

7.3.15 R (1) A distributor must take appropriate remedial and mitigating action, including to amend its product distribution arrangements, where it identifies:

(a) a product is not providing fair value for customers;

(b) any aspects of a product that may mean it does not offer fair value; or
the distribution arrangements, including remuneration structures, may mean the customer is not being provided with fair value.

(2) The actions which the distributor takes for (1) must:

(a) aim to mitigate the situation and prevent further occurrences of any possible harm to customers, including, where appropriate, amending the distribution strategy for that product; and

(b) include informing any relevant manufacturers promptly about any concerns they have and any action the distributor is taking.

7.3.16 For the purposes of PROD 7.3.15R, the steps a distributor may need to take include (but are not limited to):

(1) amending its remuneration structures;

(2) amending the distribution arrangements;

(3) improving the quality of, or ceasing, any service or benefits it provides;

(4) where the failure to provide fair value is due to the costs or quality of additional products, renegotiating the terms of the current arrangements relating to the additional products, or selecting alternative providers or distributors of them, in order to provide for a fair outcome;

(5) ceasing to distribute certain products, or ceasing to use certain distribution channels;

(6) contacting existing customers to inform them of the issues and of the measures being taken to rectify them; and

(7) providing redress to customers.

7.4 Product governance requirements for subsisting funeral plans

Product governance arrangements

7.4.1 This section applies to a funeral plan provider in relation to a subsisting funeral plan.

7.4.2 A funeral plan provider must ensure that, in relation to its subsisting funeral plans, there are adequate product governance arrangements in place, containing appropriate measures and procedures, to ensure a subsisting funeral plan is carried out in way that complies with the firm’s regulatory obligations under the FCA Handbook.
Monitoring and review of funeral plan products

7.4.3 R A firm must:

(1) regularly review its subsisting funeral plans, taking into account any event that could cause material harm to the customers; and

(2) ensure the review process in (1), provides that appropriate actions be taken for the mitigation and any potential remediation of the harm to existing customers.

Monitoring and review of funeral plan products: minimum review period

7.4.4 R (1) A firm must undertake the regular review at least every 12 months.

(2) When determining the appropriate interval for review of a funeral plan product, a firm must take into account:

(a) the nature of the customer base, including whether there are significant numbers of vulnerable customers;

(b) any indicators of customer harm potentially emerging from the performance of the product; and

(c) any relevant external factors such as changes to the applicable legal rules, technological developments, or changes to the market situation.

Product monitoring and review: remedial and mitigating action

7.4.5 R (1) A firm must identify during the lifetime of a subsisting funeral plan any circumstances related to it that may adversely affect a customer.

(2) Where a firm identifies an event that may adversely affect a customer holding the funeral plan contract, the firm must:

(a) take appropriate action to mitigate the situation and prevent further occurrences of the detrimental event; and

(b) promptly inform concerned customers about the remedial action taken.

12 Appointed representatives

...

12.2 Introduction

...

Business for which an appointed representative is exempt

12.2.7 G (1) The Appointed Representatives Regulations are made by the Treasury under sections 39(1), (1C) and (1E) of the Act. These regulations describe, among other things, the business for which an appointed representative may be exempt or to which sections 20(1) and (1A) and 23(1A) of the Act may not apply, which is business which comprises any of:

(a) *dealing in investments as agent* (article 21 of the Regulated Activities Order) where the transaction relates to:

   (i) a *pure protection contract* (but only where the contract is not a *long-term care insurance contract* or *general insurance contract*); or

   (ii) a *funeral plan contract*;

...

...

12.7 Notification requirements

...

Notification of appointed representatives undertaking regulated funeral plan activity

12.7.6A R (1) A *firm* must notify the FCA in good time before:

(a) it appoints an *appointed representative* to carry on *regulated funeral plan activity* for the first time; or

(b) the number of its *appointed representatives* appointed to carry on *regulated funeral plan activity* increases through a material threshold.

(2) A *firm* that has appointed one or more *appointed representatives* to carry on *regulated funeral plan activity* must notify the FCA in good
time before it appoints an appointed representative to carry on any other regulated activity for the first time.

12.7.6B G The purpose of SUP 12.7.6AR is to ensure that the FCA is notified when a firm diversifies its activities around regulated funeral plan activities. This may be because the firm:

(1) intends to appoint an appointed representative for the first time where the scope of business for which the firm will accept responsibility will include regulated funeral plan activity;

(2) is the principal to one or more appointed representatives:

(a) and intends to expand the scope of business of one or more of those appointed representatives for which it accepts responsibility to include regulated funeral plan activity; or

(b) in relation to which it has accepted responsibility for regulated funeral plan activity only and it intends to expand the scope of business of those, or new, appointed representatives for which it accepts responsibility beyond such activity.

12.7.6C R A firm must submit to the FCA within 80 business days of each calendar year end a list of those of its appointed representatives which:

(1) undertake regulated funeral plan activity; and

(2) are the subject of a multiple principal agreement (for the purposes of SUP 12.4.5BR).

12.7.6D G (1) For the purposes of SUP 12.7.6AR(1)(b), an increase through a material threshold should be understood as referring to an increase in the number of appointed representatives undertaking regulated funeral plan activity:

(a) from fewer than 25 to 25 or more;

(b) from fewer than 50 to 50 or more;

(c) from fewer than 75 to 75 or more;

(d) from fewer than 100 to 100 or more;

(e) from fewer than 200 to 200 or more;

(f) from fewer than 500 to 500 or more.

(2) Any notification required by SUP 12.7.6AR or SUP 12.7.6CR is in addition to any notification required by any other rule in SUP 12 (including the requirement to notify the FCA of the intention to appoint individual appointed representatives in SUP 12.7.1R).
(3) A firm making a notification in accordance with SUP 12.7.6AR or SUP 12.7.6CR should consider the guidance in SUP 15.7 on the form and method of notification.

16.12 Integrated Regulatory Reporting

Proposed Guidance notes for completion of the quarterly conduct return (FP001) for Funeral Plan Providers

Guidance notes for completion of the half yearly prudential data regulatory return FP003a for Funeral Plan Providers and FP003b Funeral Plan Intermediaries
Proposed Guidance notes for completion of the quarterly conduct return (FPR001) for Funeral Plan Providers

Guidance for FPR001

This data collects key information quarterly from funeral plan providers and provides the FCA with an overall picture of the size of the funeral plans market and how revenue is generated. The data assists the FCA in the ongoing supervision of firms engaged in funeral plans and enables the FCA to gain a wider understanding of market trends in the interests of protecting consumers.

If you have undertaken no regulated funeral plans activity during the reporting period, answer “yes” to question 1 “do you wish to report a nil return?” to attest that there is no activity to report to us.

All questions requiring a monetary answer must be answered in sterling only. Figures should be reported in integers (that is, single units, to the nearest whole number), except where otherwise specified in the form: for example, income figures should be given to the nearest pound, not to the nearest thousand pounds.

Questions 2 to 11 and 15, 19 to 24 do not apply to firms who do not enter into funeral plan contracts, for example firms that do not sell funeral plans or have stopped selling funeral plans but want to administer existing plans.

Field J refers to the value (£) of the maximum total payments a consumer will pay over the full term of the plan.

Fields K-N refer to the term length of the plans sold.

For sales of insurance backed funeral plans where premiums continue indefinitely until death or until a set age *e.g. 90 years old*, please treat customers age away from the set age at the time the policy was taken out as the term. Where no set age for premiums stopping exists, please treat customers age away from 90 years old as the term *e.g. age 70 is 20 years away from 90, so is defined as >10 year plan*.

Field O-P refer to the method of sale. Field O requires the total (%) of sales achieved via the provision of regulated advice at the point of sale. Field P requires the total (%) of sales achieved via the provision of non-regulated advice.

Fields Q-T refer to the sale distribution channel by monetary value (£).

Field Q requires the total value (£) of sales by Authorised Intermediaries. Intermediaries are firms that advise on and/or arrange funeral plan contracts for customers. Examples include funeral directors and will-writers.

Field R requires the total sales made directly by the regulated funeral plan provider.

Field S requires the total value (£) of sales made by Appointed Representatives whereby the funeral plan provider acts as the registered Principal. An Appointed
Representative is a firm or person that carries out regulated activities and acts as an agent for the directly authorised funeral plan provider ("Principle").

Field T requires the total value (£) of sales by Appointed Representatives whereby an intermediary or other third-party act as the registered Principal.

Question 9 requires the total values across all fields A-P (relevant to the unit required under each field).

11A.1.2  G ... 

(3)  SUP TP 11A does not apply to a firm that becomes a solo-regulated SMCR firm after the commencement date. There is a limited exception to this in SUP TP 11A.24 (Claims management firms) for a firm that still has a claims management temporary permission at the commencement date.
Annex K

Amendments to the Dispute Resolution: Complaints sourcebook (DISP)

In this Annex, underlining indicates new text and striking through indicates deleted text.

1 Treating complainants fairly

1.1 Purpose and application

Purpose

…

1.1.10 R In relation to a firm’s obligations under this chapter, references to a complaint also include an expression of dissatisfaction which is capable of becoming a: relevant new complaint, a relevant transitional complaint, a relevant new credit-related complaint, or a relevant new claims management complaint.

(1) relevant new complaint;

(2) relevant transitional complaint;

(3) relevant new credit-related complaint;

(4) relevant new claims management complaint; or

(5) relevant transitional funeral plan complaint.

…

1.10 Complaints reporting rules

1.10.1 R (1) Unless (2) applies, twice a year a firm must provide the FCA with a complete report concerning complaints received from eligible complainants.

(2) If a firm:

(a) …

(b) has permission to carry on only regulated claims management activities:

(i) regulated claims management activities; or

(ii) regulated funeral plan activities,

the firm must provide the FCA with a complete report concerning complaints received from eligible complainants once a year.
The report required by (1) and (2) must be set out in the format in:

(a)  *DISP 1 Annex 1R*, in respect of *complaints* which do not relate to *regulated claims management activity* or any activity ancillary to *regulated claims management activity*; and

(b)  *DISP 1 Annex 1ABR*, in respect of *complaints* relating to *regulated claims management activity* or any activity ancillary to *regulated claims management activity*; and

(c)  *DISP 1 Annex 1ACR*, in respect of *complaints* relating to *regulated funeral plan activities*.

...
a firm rejects a complaint yet chooses to make a goodwill payment to the complainant, the complaint should be recorded as ‘rejected’.

(3) If a firm reports on the amount of redress paid under DISP 1.10.2R(1)(b)(ii), DISP 1.10.2R(2)(b)(ii), DISP 1.10.2-AR(4), DISP 1.10.2AR, or DISP 1.10.2BR(2)(b) or DISP 1.10.2CR(2)(b), redress should be interpreted to include an amount paid, or cost borne, by the firm, where a cash value can be readily identified, and should include:

(a) …

…

(4) If a firm reports on the amount of redress paid under DISP 1.10.2R(1)(b)(ii), DISP 1.10.2R(2)(b)(ii), DISP 1.10.2-AR(4), or DISP 1.10.2AR or DISP 1.10.2CR(2)(b), the redress should not, however, include repayments or refunds of premiums which had been taken in error (for example where a firm had been taking, by direct debit, twice the actual premium amount due under a policy). The refund of the overcharge would not count as redress.

1.10A Complaints data publication rules

Obligation to publish summary of complaints data or total number of complaints

1.10A.1 R (1) Unless (1A) applies to the firm, where, in accordance with DISP 1.10.1R, a firm submits a report to the FCA reporting 500 or more complaints, it must publish a summary of the complaints data contained in that report (the complaints data summary).

(1A) (a) This paragraph applies to a firm which:

(i) has permission to carry on only credit-related regulated activities or to operate an electronic system in relation to lending; and

(ii) has revenue arising from those activities that is less than or equal to £5,000,000 a year.

(aa) This paragraph also applies to a firm which has permission to carry on only regulated claims management activities:

(i) regulated claims management activities; or

(ii) regulated funeral plan activities.

2  Jurisdiction of the Financial Ombudsman Service

2.1  Purpose, interpretation and application

Purpose

2.1.1  G  The purpose of this chapter is to set out *rules* and guidance on the scope of the Compulsory Jurisdiction and the Voluntary Jurisdiction, which are the Financial Ombudsman Service’s two jurisdictions:

(1)  the Compulsory Jurisdiction is not restricted to regulated activities, payment services, issuance of electronic money, and CBTL business and covers:

(a)  …

(b)  *relevant complaints* against former members of former schemes under the Ombudsman Transitional Order, the Mortgage and General Insurance Complaints Transitional Order, and the Claims Management Order and the Funeral Plans Order;

…

…

2.1.2  G  Relevant complaints covered by the Compulsory Jurisdiction comprise:

(1)  …

…

(6)  *relevant existing claims management complaints* referred to the Legal Ombudsman before 1 April 2019 and inherited by the Financial Ombudsman Service under the Claims Management Order; and

(7)  *relevant new claims management complaints* about events which took place before 1 April 2019 but referred to the Financial Ombudsman Service on or after 1 April 2019 under the Claims Management Order; and

(8)  *relevant transitional funeral plan complaints* about events which took place before 29 July 2022 but were referred to the Financial Ombudsman Service on or after 29 July 2022 in accordance with article 7 of the Funeral Plans Order.

…
2.3 To which activities does the Compulsory Jurisdiction apply?

... Activities by firms and unauthorised persons subject to a former scheme

2.3.2 The Ombudsman can also consider under the Compulsory Jurisdiction:

(1) ...

...

(2B) as a result of the Funeral Plans Order, a relevant transitional funeral plan complaint that relates to an act or omission by a firm or unauthorised person which was subject to a former scheme at the time of the act or omission;

...

(3) ...

...

...

2.5 To which activities does the Voluntary Jurisdiction apply?

2.5.1 The Ombudsman can consider a complaint under the Voluntary Jurisdiction if:

(1) it is not covered by the Compulsory Jurisdiction; and

(2) it relates to an act or omission by a VJ participant in carrying on one or more of the following activities:

(a) ...

...

(c) activities, other than regulated claims management activities and activities ancillary to regulated claims management activities, which (at 30 April 2021 at 29 July 2022) would be covered by the Compulsory Jurisdiction, if they were carried on from an establishment in the United Kingdom (these activities are listed in DISP 2 Annex 1G);

...

(cb) an activity which would be a regulated funeral plan activity and would be covered by the Compulsory Jurisdiction if it were carried on in relation to a funeral in the United Kingdom.
DISP 2.5.1R(2)(a) is for those that are subject to the Compulsory Jurisdiction for regulated activities but are not covered by the Ombudsman Transitional Order, the Mortgage and General Insurance Complaints Transitional Order, or the Claims Management Order. any of the following:

(a) the Ombudsman Transitional Order,

(b) the Mortgage and General Insurance Complaints Transitional Order,

(c) the Claims Management Order, or

(d) the Funeral Plans Order.

It enables the Financial Ombudsman Scheme to cover complaints about earlier events relating to those activities before they became regulated activities.

2.6 What is the territorial scope of the relevant jurisdiction?

Voluntary Jurisdiction

2.6.4A G ...

2.6.4B G Complaints about activities which would be regulated funeral plan activities but which are not regulated funeral plan activities because, for example, the services are carried on in relation to a funeral outside of the United Kingdom, may be covered by the Voluntary Jurisdiction under DISP 2.5.1R(2)(cb).

2.7 Is the complainant eligible?

Eligible complainants
In the Compulsory Jurisdiction, under the Ombudsman Transitional Order, the Mortgages and General Insurance Complaints Transitional Order, and the Claims Management Order and the Funeral Plans Order, where a complainant:

(1) wishes to have a relevant new complaint, a relevant transitional complaint, or a relevant new claims management complaint, or a relevant transitional funeral plan complaint dealt with by the Ombudsman; and

...
3.6 Determination by the Ombudsman

Fair and reasonable

...

3.6.5 Where the Ombudsman is determining what is fair and reasonable in all the circumstances of a relevant new complaint, or a relevant transitional complaint, or a relevant new claims management complaint, the Ombudsman Transitional Order, the Mortgage and General Insurance Complaints Transitional Order and the Claims Management Order make provision for the Ombudsman to take into account what determination the former Ombudsman might have been expected to reach in relation to an equivalent complaint dealt with under the former scheme in question immediately before the relevant order came into effect.

(2) Where the Ombudsman is determining what is fair and reasonable in all the circumstances of a relevant transitional funeral plan complaint, the Funeral Plans Order makes provision for the Ombudsman to take into account what determination the Funeral Planning Authority might have been expected to reach in relation to an equivalent complaint dealt with under the former scheme.

...

3.7 Awards by the Ombudsman

...

Money awards

...

3.7.3 Where the Ombudsman is determining what amount (if any) constitutes fair compensation as a money award in relation to a relevant new complaint, a relevant transitional complaint, or a relevant new claims management complaint, the Ombudsman Transitional Order, the Mortgage and General Insurance Complaints Transitional Order, and the Claims Management Order make provision for the Ombudsman to take into account what amount (if any) might have been expected to be awarded by way of compensation in relation to an equivalent complaint dealt with under the former scheme in question immediately before the relevant order came into effect.

(2) Where the Ombudsman is determining what amount (if any) constitutes fair compensation as a money award in relation to a relevant transitional funeral plan complaint, the Funeral Plans Order makes provision for the Ombudsman to take into account
what amount, if any, the Funeral Planning Authority might have been expected to award by way of compensation in relation to an equivalent complaint dealt with under the former scheme.

(6) a claim in connection with protected debt management business; or

COMP 12.4.21AR

(7) a claim in connection with protected funeral plan business.

... Protected claims ...

5.2 What is a protected claim?

5.2.1 R A protected claim is:

(1) ...

...

(6) a claim in connection with protected debt management business (see COMP 5.8); or

(7) a claim in connection with protected funeral plan business (see COMP 5.9).

...

Claims in respect of successors

5.2.4 G Where a claim for compensation is in respect of a claim against a successor, the following rules apply to the relevant person for whose liabilities the successor has assumed responsibility (or to such relevant person’s activities, as the case may be):

(1) ...

...

(6) COMP 5.7.2R; and

(7) COMP 5.8.1R; and

(8) COMP 5.9.1R and COMP 5.9.2R.
Protected funeral plan business

5.9.1 R Protected funeral plan business is a regulated funeral plan activity carried on by a relevant person from an establishment maintained by the relevant person (or its appointed representative) in the United Kingdom.

5.9.2 R COMP 5.9.1R does not apply in relation to a claim against an intermediary (or where applicable, their successor) where the eligible claimant did not deal initially with an intermediary that was established in the United Kingdom.

Advising without a personal recommendation

5.9.3 R The FSCS must treat a claim relating to advice in relation to a funeral plan contract that falls outside article 53(1) of the Regulated Activities Order by virtue of article 53(1A) of that Order as being ‘in connection with protected funeral plan business’ for the purposes of COMP 5.2.1R(7) where the relevant person giving the advice, at the time the act or omission giving rise to the claim took place:

1. had, or required, permission to carry on; or

2. (in the case of an appointed representative) was exempt from the general prohibition in respect of,

an activity that was protected funeral plan business.

8.2 Rejection of application for compensation

…

Limitation periods and claims extinguished by operation of law

…

8.2.4 R For claims made in connection with protected investment business, protected home finance mediation, protected non-investment insurance distribution, or protected debt management business or protected funeral plan business, the FSCS may disregard a defence of limitation where the FSCS considers that it would be reasonable to do so.

…
8.2.5 R For claims made in connection with protected investment business, protected non-investment insurance distribution, protected home finance mediation, or protected debt management business or protected funeral plan business, if a relevant person (or where applicable, a successor), incorporated as a company, has been dissolved with the result that its liability to the claimant has been extinguished by operation of law, the FSCS must treat the claim, for the purposes of paying compensation, as if the relevant person or a successor, as appropriate, had not been dissolved.

…

9 Time limits on payment and postponing payment

…

9.2 When must compensation be paid?

…

9.2.2 R The FSCS may postpone paying compensation if:

(1) …

(2) in the case of a claim relating to protected investment business which is not an ICD claim, a claim relating to protected home finance mediation, a claim relating to protected non-investment insurance distribution or a claim relating to protected debt management business or a claim relating to protected funeral plan business, the FSCS considers that the claimant should first exhaust his their rights against the relevant person (or, where applicable, a successor) or any third party, or make and pursue an application for compensation to any other person; or

11 Payment of compensation

11.2 Payment

To whom must payment be made?

11.2.1A R If the FSCS determine that compensation is payable (or any recovery or other amount is payable by the FSCS to the claimant), it must pay it to the claimant, or if the FSCS so decides, as directed by the claimant, unless COMP 1.2.2R or COMP 11.2.2AR or COMP 11.2.2CR apply.

Certain protected investment business claims

11.2.2 R ... Collective investment scheme claims

11.2.2A R ... Protected funeral plan business claims

11.2.2C R Where a claimant has a protected funeral plan business claim the FSCS may pay compensation (and any recovery or other amount payable by the FSCS to the claimant) to any other person on such terms and on such conditions as it thinks fit.

11.2.2D G COMP 3.2.2R permits the FSCS to pay compensation to a person who makes a claim on behalf of another person where certain conditions are satisfied. This includes payment to the personal representatives who make a claim on behalf of the deceased (see COMP 3.2.3G(1)). COMP 11.2.2CR permits the FSCS to pay compensation to any other person who it considers should receive the compensation. For example, this may be to a funeral services provider directly where the funeral services
provider has incurred expenses in providing funeral services under the \textit{funeral plan contract} and is yet to be reimbursed.

Funeral Plan: Conduct of Business sourcebook (FPCOB)

In this Annex, all the text is new and is not underlined.

Funeral Plan: Conduct of Business sourcebook (FPCOB)

1 Application and purpose

1.1 Application and purpose

Application

1.1.1 G (1) The Funeral Plan: Conduct of Business sourcebook (FPCOB) is the specialist sourcebook for regulated funeral plan activities.

(2) FPCOB is relevant both to funeral plan providers and funeral plan intermediaries.

(3) FPCOB applies as described in this chapter unless the application of a chapter, a section or a rule is described differently in the chapters, sections or rules in FPCOB.

Purpose

1.1.2 G The purpose of FPCOB is to set out the detailed obligations that are specific to regulated funeral plan activities and the connected activities carried on by firms. FPCOB 17 refers to other high-level obligations in the FCA Handbook that apply to firms, for example, PRIN, GEN and SYSC.

1.2 General application: who? what? where?

Providing funeral plan contracts

1.2.1 R This sourcebook applies to a firm with respect to the activities of:

(1) entering as provider into a funeral plan contract; and

(2) carrying out a funeral plan contract as provider; and

activities connected with them.

1.2.2 G The regulated activities of entering as provider into a funeral plan contract and carrying out a funeral plan contract as provider apply in relation to funeral plan contracts under which the provider undertakes to provide, or secure that another person provides, a funeral in the United Kingdom (article 59(2) of the Regulated Activities Order and see PERG 2.4.2AG).
Distributing funeral plan contracts: firms and appointed representatives

1.2.3 R This sourcebook applies to a firm with respect to funeral plan distribution and activities connected with funeral plan distribution.

1.2.4 R A firm (including a funeral plan provider) that has appointed an appointed representative to carry on funeral plan distribution must ensure that its appointed representative complies with this sourcebook as it applies to a firm carrying on funeral plan distribution.

1.2.5 G A funeral plan provider that wishes to appoint an appointed representative to distribute its funeral plan contracts should ensure that the regulated activities covered by the appointed representative’s appointment fall within the scope of the firm’s Part 4A permissions or are otherwise excluded from being regulated activities when carried on by the firm (see SUP 12.4.1AG).

Financial promotions

1.2.6 R This sourcebook applies to a firm:

(1) communicating a financial promotion in relation to a funeral plan contract or a regulated funeral plan activity to a person inside the United Kingdom; and

(2) approving a financial promotion in relation to a funeral plan contract or a regulated funeral plan activity for communication to a person inside the United Kingdom.

Modifications to the general application rules

1.2.7 R The general application rules in this section are modified:

(1) in the chapters of this sourcebook for particular purposes, including those relating to the type of firm and its activities; and

(2) in FPCOB 1 Annex 1 according to the type of firm.

New and subsisting funeral plans

1.2.8 R All of the rules in this sourcebook apply in relation to new funeral plans, unless otherwise stated.

1.2.9 R The rules in certain sections of this sourcebook also apply in relation to subsisting funeral plans.

Application to Gibraltar-based firms

1.2.10 R A Gibraltar-based firm with permission for funeral plan provision activity or funeral plan distribution must comply with the relevant provisions of
FPCOB and any other provisions in the Handbook relating to regulated funeral plan activity.

Guidance on application

1.2.11 G Guidance on the application provisions is in FPCOB 1 Annex 1.

Customers and covered individuals

1.2.12 G (1) In this sourcebook, rules may apply by reference to the customer or covered individual under a funeral plan contract, or to both.

(2) The definition of customer includes a prospective customer under a funeral plan contract.

(3) Reference to the covered individual is to the individual on whose death a funeral will be provided or secured under a funeral plan contract or prospective funeral plan contract. The covered individual under a funeral plan contract will not necessarily be the same person as the customer (article 59(2)(b) of the Regulated Activities Order).

1.2.13 G Where the rules in this sourcebook require a firm to disclose information to a customer, the firm should also consider:

(1) whether it should disclose the same information to the covered individual (where different from the customer) in accordance with its obligations under Principle 7; and

(2) if it considers that disclosure should be made to the covered individual, whether it requires the consent of the customer in order to make that disclosure.

Interpretation – “concluding” funeral plan contracts

1.2.14 G Certain rules in this sourcebook apply by reference to the conclusion of a funeral plan contract, which means the entering into of the funeral plan contract.

A funeral plan provider that has appointed an appointed representative to distribute funeral plan contracts will need to consider the sections of this sourcebook which are relevant to funeral plan intermediaries in relation to the activities of its appointed representatives.

2 Third party processors

2.1 R (1) This rule applies where a firm (or its appointed representative) (“A”) has outsourced funeral plan distribution to a third party processor.

(2) Any rule in this sourcebook which requires the third party processor, when acting as such, to disclose its identity to a customer must be read as applying to the third party processor only to the extent that it applies to A and as requiring disclosure of A’s identity.

2 General matters

2.1 General principles

Application

2.1.1 R (1) This section applies to a firm in relation to its regulated funeral plan activity.

(2) This section applies in relation to a firm’s customers under subsisting funeral plans, unless otherwise stated.

The customer’s best interests rule

2.1.2 R A firm must act honestly, fairly and professionally in accordance with the best interests of:

(1) its customer; and

(2) if different, the covered individual.

Exclusion of liability

2.1.3 R A firm must not seek to exclude or restrict, or rely on any exclusion or restriction of, any duty or liability it may have to a customer or covered individual unless it is reasonable for it to do so and the duty or liability arises other than under the regulatory system.

2.1.4 G The general law, including the Unfair Terms Regulations (for contracts entered into before 1 October 2015) and the CRA, also limits the scope for a firm to exclude or restrict any duty or liability to a consumer.
Reliance on others

2.1.5 G (1) Where it is compatible with the nature of the obligation imposed by a particular rule, including the customer’s best interests rule, and with the Principles, in particular Principles 1 (Integrity), 2 (Skill, care and diligence) and 3 (Management and control), firms may rely on third parties in order to comply with the rules in this sourcebook.

(2) For example, where a rule requires a firm to take reasonable steps to achieve an outcome, it will generally be reasonable for a firm to rely on information provided to it in writing by an unconnected authorised person or a professional firm, unless it is aware or ought reasonably to be aware of any fact that would give reasonable grounds to question the accuracy of that information. However, a firm cannot delegate its responsibility under the regulatory system. For example, where a rule imposes an absolute obligation (such as the requirement on a funeral plan provider in FPCOB 14.1.4R regarding the services required for a funeral plan contract) although a firm could use outsourcing arrangements to fulfil its obligation, it retains regulatory responsibility for achieving the outcome required.

Record keeping

2.1.6 G (1) This sourcebook, other than FPCOB 4, FPCOB 6.4.18R and FPCOB 15, does not generally have detailed record-keeping requirements: firms will need to decide what records they need to keep in line with the high-level record-keeping requirements and their own business needs.

(2) In order to deal with requests for information from the FCA, as well as queries and complaints from customers and covered individuals, firms may require evidence of matters such as:

(a) the reasons for personal recommendations;

(b) what documentation has been provided to a customer or covered individual; and

(c) how redemptions have been settled and why.

(3) A firm may be subject to record-keeping requirements elsewhere in the FCA Handbook, including in:

(a) the Training and Competence sourcebook (TC) (see TC 3.1.1R);

(b) the Senior Management Arrangements, Systems and Controls sourcebook (SYSC) (see SYSC 9.1.1R, SYSC 10.1.6R and SYSC 28A.3.1R); and
2.2 Inducements

2.2.1 G (1) Principle 8 requires a firm to manage conflicts of interest fairly, both between itself and its customers and between a customer and another client. This principle extends to soliciting or accepting inducements where this would conflict with a firm’s duties to its customers. A firm that offers such inducements should consider whether doing so conflicts with its obligations under:

(a) Principles 1 and 6 to act with integrity and treat customers fairly; and

(b) the customer’s best interests rule.

(2) An inducement is a benefit offered to a firm, or any person acting on its behalf, with a view to that firm, or that person, adopting a particular course of action. This can include, but is not limited to, cash, cash equivalents, commission, goods, hospitality or training programmes.

(3) Firms should also refer to the rules on charging for funeral plan distribution and payments to funeral plan intermediaries (FPCOB 6.4 and FPCOB 6.5).

2.3 Customers with a payment shortfall

Application

2.3.1 R This section applies to a funeral plan provider dealing with a customer that has:

(1) an instalment payment funeral plan entered into on or after 29 July 2022; and

(2) a payment shortfall in relation to that instalment payment funeral plan.

2.3.2 G In relation to a subsisting funeral plan, a funeral plan provider should deal with customers fairly and, as far as possible, in a manner that is compatible with the customer’s best interests rule.

Purpose

2.3.3 G This section amplifies Principle 6 (Customers’ interests) in respect of the information and service that firms should provide to customers who have payment difficulties or shortfalls.
Dealing fairly with customers with a payment shortfall

2.3.4 R The firm must deal fairly with the customer in relation to the payment shortfall.

2.3.5 R Where the customer has a payment shortfall of 2 consecutive payments, the firm must, as soon as possible, and in any event within 5 business days of the second missed payment, provide the customer with a statement in a durable medium of:

(1) the individual payments due;
(2) the total amount of the payment shortfall; and
(3) information on the consequences and potential consequences under the funeral plan contract, if the payment shortfall is not settled within 10 business days of the date of the customer communication.

2.3.6 R The firm must allow the payment shortfall to be settled within 10 business days of the date of the communication, without penalty.

2.3.7 R The firm must not impose a fee on the customer for incurring or correcting the payment shortfall.

2.3.8 R The firm must not cancel the funeral plan contract on the basis of a payment shortfall unless:

(1) The customer:
   (a) has a payment shortfall of at least 2 consecutive payments; and
   (b) has failed to settle the payment shortfall in accordance with the terms of the statement provided by the firm for the purposes of FPCOB 2.3.5R; or

(2) FPCOB 13.2.3R applies.

2.3.9 R If the firm does not cancel the funeral plan contract on the basis of a payment shortfall, it must provide the customer with a further statement in accordance with the requirements of FPCOB 2.3.5R following each further consecutive missed payment.

2.3.10 R A firm’s obligation to maintain insurance arrangements in accordance with FPCOB 3.1.8R continues despite any payment shortfall.

3 Structure Provisions - arrangements underpinning a funeral plan contract

3.1 Application: general

3.1.1 R This section applies to a firm:
(1) entering as provider into a funeral plan contract; and

(2) carrying out a funeral plan contract as provider in relation to a new funeral plan contract.

Application: subsisting funeral plans

3.1.2 G The FCA encourages firms which carry out subsisting funeral plans underpinned by existing trust arrangements or insurance contracts, and the relevant trustees and insurers, to work together to seek to amend those arrangements to bring them into line with the arrangements in this chapter.

3.1.3 R In relation to a subsisting funeral plan:

(1) under which the funeral plan provider undertakes to secure that sums paid by the customer under the contract will be held on trust for the purpose of providing the funeral; and

(2) where the trust instrument or such contract have been substantively amended on or after 2 March 2021 so that their terms (post-amendment) meet any of the applicable requirements in this section or the funeral plan resolution rules in FPCOB 16,

a firm carrying out that contract as provider must, to the extent within its powers, comply with this section from 29 July 2022 or the point in time that the amendment is made if later.

Primary purpose

3.1.4 R The rules and guidance in this section must be construed in accordance with the primary purpose.

3.1.5 R The primary purpose is to ensure that funeral plan contracts are underpinned by robust trust or insurance arrangements that will enable the provision, at the relevant time, of funerals in accordance with the terms of the funeral plan contracts.

Arrangements underpinning funeral plan contracts

3.1.6 R In relation to each funeral plan contract, a funeral plan provider must either:

(1) purchase, or arrange the purchase of, a contract of insurance from an authorised insurer on the life of the covered individual that is sufficient for the purpose of providing the agreed funeral; or

(2) arrange for such proportion of sums paid by the customer under the funeral plan contract that is sufficient for the purpose of providing the agreed funeral to be held on trust,
as soon as reasonably practicable after receipt of monies from the customer, appointed representative or funeral plan intermediary.

3.1.7 G When purchasing a contract of insurance or determining what proportion of sums paid by the customer under the funeral plan contract should be held on trust, a funeral plan provider should take into account its obligations under FPCOB 7 to provide a funeral under an instalment payment funeral plan before all instalments have been paid.

Systems and controls
3.1.13 G Firms are reminded of Principle 3 which provides that a firm must take reasonable care to organise and control its affairs responsibly and effectively, with adequate risk management systems.
3.1.14 R (1) A firm must ensure that the systems and controls, including procedures and arrangements, used to comply with the requirements in this chapter are adequate, effective and appropriate for the scale and nature of its business.
(2) Sub-paragraph (1) applies in particular to systems and controls concerning:
(a) the adequacy of the trust and insurance arrangements that a firm must put in place in accordance with FPCOB 3.1.6R;
(b) whether a proposed price for a funeral plan contract is likely to lead to, as applicable, an under-funded trust arrangement or an
insufficient insured sum to provide the funeral contracted for; and

(c) the price of the funeral plan contract, bearing in mind the cost of the funeral to the firm.

3.1.15 R A firm’s systems and controls must be developed to:

(1) factor in the risk of inflation when considering pricing decisions; and

(2) if applicable, factor in the volatility of trust assets.

3.2 Trusts: solvency assessment, remediation and other requirements

Application

3.2.1 R This section applies to a funeral plan provider in relation to funeral plan contracts (including subsisting funeral plans) under which sums paid by the customer are held on trust for the purpose of providing the funeral.

Solvency assessment report

Annual preparation of solvency assessment report

3.2.2 R A funeral plan provider must arrange for a solvency assessment report to be produced at least once every 12 months by an actuary who is a fellow of the Institute and Faculty of Actuaries.

Contents of solvency assessment report

3.2.3 R The solvency assessment report must:

(1) within 12 months of the:

(a) last report obtained by the funeral plan provider; or

(b) trust being established,

determine, calculate and verify the assets and liabilities of the trust by applying a best estimate basis;

(2) include, as a minimum, the following information:

(a) the actuarial valuation date;

(b) an actuarial valuation of the assets and liabilities of the trust;

(c) the solvency level of the trust (ratio of trust assets over trust liabilities as a percentage) on a best estimate basis;

(d) the assumptions adopted with respect to the valuation of the trust assets and trust liabilities;
(e) the number of undrawn or live plans categorised by payment method;

(f) the total plan values in relation to undrawn or live plans categorised by payment method;

(g) the average plan value categorised by payment method;

(h) the investment of trust assets at fair value by asset class at the actuarial valuation date;

(i) the investment of trust assets at fair value by investment manager at the actuarial valuation date;

(j) the level of all monies deducted from the trust over the period and identification of how the deductions have been spent; and

(k) the details of any liability sub-contracted to funeral services providers;

(3) be produced taking account of any relevant actuarial professional and technical standards, guidance and codes;

(4) be published by the funeral plan provider on its website within 30 days of the date on which the actuary completes the valuation and, in any case, no later than 6 weeks from the date an actuary is appointed to produce a solvency assessment report; and

(5) be made available free of charge on request.

3.2.4 R (1) For the purposes of FPCOB 3.2.3R(2)(b), the liabilities of the trust should be assessed against FPCOB 3.1.6R(2).

(2) For the purposes of FPCOB 3.2.3R(2)(e), (f) and (g), the payment method should be categorised into:

(i) single payments;

(ii) instalment payments fully paid; and

(iii) instalment payments not fully paid.

(3) For the purposes of FPCOB 3.2.3R(2)(k), details of any liability sub-contracted to funeral services providers may include inflation.

Sending the solvency assessment report to the FCA

3.2.5 R (1) A funeral plan provider must send a copy of the solvency assessment report to the FCA within 7 days of it being received by the funeral plan provider.
(2) If the solvency assessment report concludes that the assets of the trust are not sufficient to cover the liabilities of the trust, the funeral plan provider must provide a notification of that fact with the solvency assessment report at the same time as providing a copy of the solvency assessment report, in accordance with SUP 15.7.1R.

When a remediation plan is required

3.2.6 R If a solvency assessment report concludes that the assets of the trust are not sufficient to cover the liabilities of the trust, a funeral plan provider must prepare a remediation plan that is approved by an actuary who is a fellow of the Institute and Faculty of Actuaries.

Contents of the remediation plan

3.2.7 R The funeral plan provider must ensure the remediation plan sets out the following:

(1) how the deficit in the trust that has been identified by the solvency assessment report will be remedied before the next annual solvency assessment report is due; and

(2) any assumptions that have been made in relation to any of the remedial steps or actions that the funeral plan provider intends to implement to remedy the deficit in the trust.

Sending the remediation plan to the FCA

3.2.8 R The funeral plan provider must submit the remediation plan to the FCA for review, in accordance with SUP 15.7.1R, as soon as possible and no later than 30 days from the submission date of the relevant solvency assessment report to the FCA.

Implementing the remediation plan

3.2.9 The funeral plan provider must begin to implement the remediation plan:

(1) as soon as possible and in any event within 30 days of submitting it to the FCA;

(2) in accordance with the terms of the remediation plan (or any amendments agreed with the FCA or imposed by the FCA by requirement).

Failure of remediation plan: notification to the FCA

3.2.10 R A funeral plan provider that is in the process of implementing a remediation plan must:
notify the FCA, in accordance with SUP 15.7.1R, as soon as it suspects that it will not be able to fully implement the remediation plan in accordance with its terms; and

(2) notify the FCA, in accordance with SUP 15.7.1R, immediately if the solvency level of the trust remains below 100% following the expiration of the remediation plan, which is the time at which the next solvency assessment report is due.

Obligation to remedy a trust deficit

3.2.11 R (1) If, following the expiration of the remediation plan, the assets of the trust remain insufficient to cover the liabilities of the trust, the funeral plan provider must remedy any shortfall using its own resources so that the solvency level of the trust is returned to 100% or more (when assessed on a best estimate basis).

(2) The obligation in (1) must be fulfilled as soon as practicable and in any case within 3 months of the date the expiration of the remediation plan.

(3) The funeral plan provider must notify the FCA, in accordance with SUP 15.7.1R, when the shortfall has been remedied.

Prohibition on the withdrawal of monies from a trust

3.2.12 R A funeral plan provider must not withdraw any surpluses from the trust except and only to the extent that:

(1) the solvency level of the trust is above 110% when calculated on a best estimate basis; and

(2) the withdrawal has been approved by an actuary who is a fellow of the Institute and Faculty of Actuaries.

Sending trust accounts to the FCA

3.2.13 R A funeral plan provider must send a copy of the annual accounts of the trust to the FCA as part of its next financial report.

4 Communications and financial promotions

4.1 Application

4.1.1 R This section applies to a firm:

(1) communicating with a customer or covered individual under a new funeral plan or subsisting funeral plan in relation to its regulated funeral plan activity; and
(2) communicating or approving a financial promotion in relation to a funeral plan contract or a regulated funeral plan activity unless that financial promotion could lawfully be communicated by an unauthorised person without approval.

4.1.2 G A firm is required to comply with the financial promotion rules in relation to a financial promotion communicated by its appointed representative even where the financial promotion does not require approval because of the exemption in article 16 of the Financial Promotion Order (Exempt persons).

[Note: section 39 of the Act]

4.2 Communications and financial promotions: the obligations

Fair, clear and not misleading rule

4.2.1 R A firm must ensure that a communication or a financial promotion is fair, clear and not misleading.

4.2.2 G FPCOB 4.1.1R(2) does not limit the application of the fair, clear and not misleading rule under FPCOB 4.1.1R(1). So, for example, a financial promotion that could lawfully be communicated by an unauthorised person without approval will still be subject to the fair, clear and not misleading rule to the extent that it is a communication with a customer or covered individual in relation to regulated funeral plan activity.

4.2.3 G If a communication or a financial promotion names the FCA, the PRA or both as the regulator of a firm or other provider, and refers to matters not regulated by the FCA, the PRA or both, the firm should ensure that the communication or financial promotion makes clear that those matters are not regulated by the FCA, the PRA or both.

4.2.4 G Part 7 (Offences relating to Financial Services) of the Financial Services Act 2012 creates criminal offences relating to certain misleading statements and practices.

Financial promotions to be balanced and with appropriate warnings

4.2.5 R A firm must ensure that a communication or financial promotion:

(1) includes the name of the firm;

(2) is accurate;

(3) is balanced and, in particular, does not emphasise any potential benefits without also giving a fair and prominent indication of any relevant risks;

(4) is appropriate for, and presented at a level and in a form that is comprehensible to the average funeral plan customer;
(5) does not disguise, omit, diminish or obscure important items, statements or warnings; and

(6) where it contains a comparison or contrast, presents the comparison or contrast in a fair and balanced way and ensures that it is meaningful.

4.2.6 G A firm should consider whether the omission of any relevant fact will result in a communication or financial promotion being insufficient, unclear, unfair or misleading.

Marketing communications

4.2.7 R A firm must ensure that a financial promotion in relation to a funeral plan or regulated funeral plan activity is clearly identifiable as such.

Approving financial promotions

4.2.8 R (1) Before a firm approves a financial promotion, it must take reasonable steps to ensure that the financial promotion complies with the financial promotion rules.

(2) If, subsequently, a firm becomes aware that a financial promotion no longer complies with the financial promotion rules, it must withdraw its approval and notify any person that it knows to be relying on its approval as soon as reasonably practicable.

4.2.9 R A firm must not approve a financial promotion to be made in the course of a personal visit, telephone conversation or other interactive dialogue.

The reasonable steps defence to an action for damages

4.2.10 R If, in relation to a particular communication or financial promotion, a firm takes reasonable steps to ensure it complies with the fair, clear and not misleading rule, a contravention of that rule does not give rise to a right of action under section 138D of the Act.

Cold calling

4.2.11 R A firm must not make a cold call unless the recipient has an established existing client relationship with the firm and the relationship is such that the recipient envisages receiving cold calls.

Promotions that are not in writing

4.2.12 R A firm must not communicate a solicited or unsolicited financial promotion that is not in writing, to a client outside the firm’s premises, unless the person communicating it:

(1) only does so at an appropriate time of the day;
(2) identifies themself and the firm they represent at the outset and makes clear the purpose of the communication;

(3) clarifies if the client would like to continue with or terminate the communication, and terminates the communication at any time that the client requests it; and

(4) gives a contact point to any client with whom they arrange an appointment.

Record keeping: financial promotions

4.2.13 R (1) A firm must make an adequate record of any financial promotion it communicates or approves, other than a financial promotion made in the course of a personal visit, telephone conversation or other interactive dialogue.

(2) For a telemarketing campaign, a firm must make an adequate record of copies of any scripts used.

(3) A firm must retain the record in relation to the financial promotion for six years.

4.2.14 G A firm should consider maintaining a record of why it is satisfied that the financial promotion complies with the financial promotion rules.

5 Distance communications

5.1 Distance marketing

Application

5.1.1 R This chapter applies to a firm:

(1) in relation to its regulated funeral plan activity; and

(2) that carries on any distance marketing activity from an establishment in the United Kingdom, with or for a consumer in the United Kingdom.

Guidance on the distance marketing rules

5.1.2 G Guidance on the application of the provisions in this section can be found in FPCOB 5 Annex 1G.

The distance marketing disclosure rules

5.1.3 R A firm must provide a consumer with the distance marketing information (FPCOB 5 Annex 2R) in good time before the consumer is bound by a distance contract or offer.
5.1.4 G The rules setting out the responsibilities of funeral plan providers and funeral plan intermediaries for producing and providing information apply to requirements in this section to provide information (see FPCOB 9.1.3R).

5.1.5 R A firm must ensure that the distance marketing information, the commercial purpose of which must be made clear, is provided in a clear and comprehensible manner in any way appropriate to the means of distance communication used, with due regard, in particular, to the principles of good faith in commercial transactions, and the legal principles governing the protection of those who are unable to give their consent.

5.1.6 R When a firm makes a telephone call to a consumer, it must make its identity and the purpose of its call explicitly clear at the beginning of the conversation.

5.1.7 R A firm must ensure that the information on contractual obligations to be communicated to a consumer during the pre-contractual phase conforms with the contractual obligations which would result from the law presumed to be applicable to the distance contract if that contract is concluded.

Terms and conditions, and form

5.1.8 R A firm must communicate to the consumer all the contractual terms and conditions and the information referred to in the distance marketing disclosure rules in writing or another durable medium available and accessible to the consumer in good time before conclusion of any distance contract.

5.1.9 G A firm will provide information, or communicate contractual terms and conditions, to a consumer if another person provides the information, or communicates the terms and conditions, to the consumer on its behalf.

Commencing performance of the distance contract

5.1.10 R The performance of the distance contract may only begin after the consumer has given their approval.

Exception: distance contract as a stage in the provision of another service

5.1.11 R This section does not apply to a distance contract to act as a funeral plan intermediary, if the distance contract is concluded merely as a stage in the provision of another service by the firm or another person.

Exception: successive operations

5.1.12 R In the case of a distance contract comprising an initial service agreement, followed by successive operations or a series of separate operations of the same nature performed over time, the rules in this section only apply to the initial agreement.
5.1.13 R If there is no initial service agreement but the successive operations or separate operations of the same nature performed over time are performed between the same contractual parties, the distance marketing disclosure rules will only apply:

(1) when the first operation is performed; and

(2) if no operation of the same nature is performed for more than a year, when the next operation is performed (the next operation being deemed to be the first in a new series of operations).

Exception: telephone calls

5.1.14 R (1) In the case of a telephone call, and subject to the explicit consent of the consumer, only the abbreviated distance marketing information (FPCOB 5 Annex 3R) needs to be provided during that communication.

(2) However, unless another exemption applies (such as the exemption for means of distance communication not enabling disclosure), a firm must still provide the distance marketing information (FPCOB 5 Annex 2R) in writing or another durable medium available and accessible to the consumer in good time before conclusion of any distance contract.

Exception: means of distance communication not enabling disclosure

5.1.15 R A firm may provide the distance marketing information (FPCOB 5 Annex 2R) and the contractual terms and conditions in writing or another durable medium immediately after the conclusion of a distance contract if the contract has been concluded at a consumer’s request using a means of distance communication that does not enable the provision of that information in that form in good time before conclusion of any distance contract.

Consumer’s right to request paper copies and change

5.1.16 R At any time during the contractual relationship the consumer is entitled, at their request, to receive the contractual terms and conditions on paper. The consumer is also entitled to change the means of distance communication used unless this is incompatible with the contract concluded or the nature of the service provided.

Unsolicited services

5.1.17 R (1) A firm must not enforce, or seek to enforce, any obligations under a distance contract against a consumer, in the event of an unsolicited supply of services. The absence of a reply does not constitute consent.
This rule does not apply to the tacit renewal of a distance contract.

Mandatory nature of consumer’s rights

5.1.18 R If a consumer purports to waive any of the consumer’s rights created or implied by the rules in this section, a firm must not accept that waiver, nor seek to rely on or enforce it against the consumer.

5.1.19 R If a firm proposes to enter into a distance contract with a consumer that will be governed by the law of a country outside the United Kingdom, the firm must ensure that the consumer will not lose the protection created by the rules in this section.

5.2 E-Commerce

Application

5.2.1 R This section applies to a firm carrying on an electronic commerce activity from an establishment in the United Kingdom, with or for a person in the United Kingdom.

Information about the firm and its products or services

5.2.2 R A firm must make at least the following information easily, directly and permanently accessible to the recipients of the information society services it provides:

(1) its name;
(2) the geographic address at which it is established;
(3) the details of the firm, including its e-mail address, which allow it to be contacted and communicated with in a direct and effective manner;
(4) an appropriate statutory status disclosure statement (GEN 4 Annex 1R), together with a statement which explains that it is on the Financial Services Register and includes its Firm Reference Number;
(5) if it is a professional firm:
   (a) the name of the professional body (including any designated professional body) or similar institution with which it is registered;
   (b) the professional title;
   (c) a reference to the applicable professional rules and the means to access them; and
(6) where the firm undertakes an activity that is subject to VAT, its VAT number.

5.2.3 R If a firm refers to price, it must do so clearly and unambiguously, indicating whether the price is inclusive of tax and delivery costs.

5.2.4 R A firm must ensure that commercial communications which are part of, or constitute, an information society service, comply with the following conditions:

(1) the commercial communication must be clearly identifiable as such;

(2) the person on whose behalf the commercial communication is made must be clearly identifiable;

(3) promotional offers must be clearly identifiable as such, and the conditions that must be met to qualify for them must be easily accessible and presented clearly and unambiguously; and

(4) promotional competitions or games must be clearly identifiable as such, and the conditions for participation must be easily accessible and presented clearly and unambiguously.

5.2.5 R An unsolicited commercial communication sent by e-mail by a firm must be identifiable clearly and unambiguously as an unsolicited commercial communication as soon as it is received by the recipient.

Requirements relating to the placing and receipt of orders

5.2.6 R A firm must (except when otherwise agreed by parties who are not consumers):

(1) give an ECA recipient the following information, clearly, comprehensibly and unambiguously, and prior to the order being placed by the recipient of the service:

   (a) the different technical steps to follow to conclude the contract;

   (b) whether or not the concluded contract will be filed by the firm and whether it will be accessible;

   (c) the technical means for identifying and correcting input errors prior to the placing of the order; and

   (d) the languages offered for the conclusion of the contract;

(2) indicate any relevant codes of conduct to which it subscribes and provide information on how those codes can be consulted electronically;
(3) (when an ECA recipient places an order through technological means), acknowledge the receipt of the recipient’s order without undue delay and by electronic means (an order and an acknowledgement of receipt are deemed to be received when the parties to whom they are addressed are able to access them); and

(4) make available to an ECA recipient appropriate, effective and accessible technical means allowing the recipient to identify and correct input errors prior to the placing of an order.

5.2.7 R For the purposes of FPCOB 5.2.6R(3), an order and an acknowledgement of receipt are deemed to be received when the parties to whom they are addressed are able to access them.

5.2.8 R Contractual terms and conditions provided by a firm to an ECA recipient must be made available in a way that allows the recipient to store and reproduce them.

Exception: contract concluded by e-mail

5.2.9 R The requirements relating to the placing and receipt of orders do not apply to contracts concluded exclusively by exchange of e-mail or by equivalent individual communications.

5 Guidance on the Distance Marketing Provisions

Annex 1G

This Annex belongs to FPCOB 5.1.2G.

<table>
<thead>
<tr>
<th>Q1. What is a distance contract?</th>
<th></th>
</tr>
</thead>
<tbody>
<tr>
<td>To be a distance contract, a contract must be concluded under an ‘organised distance sales or service-provision scheme’ run by the contractual provider of the service who, for the purpose of the contract, makes exclusive use (directly or otherwise) of one or more means of distance communication up to and including the time at which the contract is concluded.</td>
<td></td>
</tr>
<tr>
<td>So:</td>
<td></td>
</tr>
<tr>
<td>• the firm must have put in place facilities designed to enable a consumer to deal with it exclusively at a distance; and</td>
<td></td>
</tr>
<tr>
<td>• there must have been no simultaneous physical presence of the firm and the consumer throughout the offer, negotiation and conclusion of the contract.</td>
<td></td>
</tr>
<tr>
<td>So, for example, contracts offered, negotiated and concluded over the internet, through a telemarketing operation or by post, will normally be distance contracts.</td>
<td></td>
</tr>
</tbody>
</table>
Q2. What about a firm that normally operates face-to-face but occasionally uses distance means?

If a firm normally operates face-to-face and has no facilities in place enabling a consumer to deal with it customarily by distance means, there will be no distance contract. A one-off transaction effected exclusively by distance means to meet a particular contingency or emergency will not be a distance contract.

Q3. What is meant by ‘simultaneous physical presence’?

A consumer may visit the firm’s local office in the course of the offer, negotiation or conclusion of a contract. Wherever, in the literal sense, there has been ‘simultaneous physical presence’ of the firm and the consumer at the time of such a visit, any ensuing contract will not be a distance contract.

Q4. Does the mere fact that an intermediary is involved make the sale of a product or service a distance contract?

No.

Q5. When is a contract concluded?

A contract is concluded when an offer to be bound by it has been accepted. An offer in the course of negotiations (for example, an offer by a funeral plan provider to consider an application) is not an offer to be bound, but is part of a pre-contractual negotiation.

A consumer will provide all the information a funeral plan provider needs to decide whether to offer a plan and to calculate the price of the plan. The consumer may do this orally or in writing. The response by a funeral plan provider, giving a quotation to the consumer specifying the price of the plan and the terms, is likely to amount to an offer of the terms on which the funeral plan provider will provide the plan. Agreement by the consumer to those terms is likely to be an acceptance which concludes the contract.

Q6. How do these provisions apply to funeral plan intermediaries’ services?

The FCA anticipates that the provisions relating to distance marketing are likely to apply to funeral plan intermediaries’ services only in those cases where:

(a) the firm concludes a distance contract with a consumer covering its funeral plan distribution which is additional to any funeral plan contract which it is marketing; and

(b) that distance contract is concluded other than merely as a stage in the entering into of a funeral plan contract by the firm or another person: in other words, it has some continuity independent of a funeral plan contract.
as opposed, for example, to being concluded as part of marketing a funeral plan contract.

Q7. Can you give examples of when the distance marketing provisions would and would not apply to funeral plan intermediaries’ services?

The rules in this section are unlikely to apply in the typical case where a funeral plan intermediary sells a funeral plan contract to a consumer on a one-off basis.

Nor will the rules apply if a funeral plan intermediary, in its terms of business, makes clear that it does not, in conducting funeral plan distribution, act contractually on behalf of, or for, the consumer.

An example of when the provisions in this section would apply would be a distance contract under which a funeral plan intermediary agrees to provide advice to a consumer on funeral plan contracts.

6 Information about the firm and its services

6.1 General requirements for firms

Application

6.1.1 R This chapter applies to:
(1) a funeral plan intermediary; and

(2) a funeral plan provider in relation to the distribution of its own funeral plan contracts.

Interaction with the customer’s best interests rule and Principle 7

6.1.2 G To comply with the customer’s best interests rule and Principle 7 (Communications with clients), a firm should consider the information needs of the customer and, if different, the covered individual, including:

(1) what a customer and/or covered individual needs in order to understand the relevance of any information provided by the firm; and

(2) the point in the sales process at which information will be most useful to the customer to enable them to make an informed decision.

Status disclosure: general information provided by firms

6.1.3 R In good time before a customer enters into a funeral plan contract:

(1) a firm must provide the customer with at least the following information:

(a) its identity, address and whether it is a funeral plan intermediary or a funeral plan provider;

(b) the appropriate statutory status disclosure statement (see GEN 4);

(c) the fact that it is included in the Financial Services Register and the means for verifying this;

(d) whether it provides a personal recommendation about the funeral plans offered or information;

(e) whose funeral plans it offers;

(f) the procedures allowing customers and other interested parties to register complaints about the firm with the firm and the Financial Ombudsman Service or, if the Financial Ombudsman Service does not apply, information about any out-of-court complaint and redress procedures available for the settlement of disputes between the firm and its customers; and

(2) a funeral plan intermediary must also provide the customer with the following information:
(a) whether it has a direct or indirect holding representing 10% or more of the voting rights or capital in a given funeral plan provider;

(b) whether a given funeral plan provider or its parent undertaking has a direct or indirect holding representing 10% or more of the voting rights or capital in the firm; and

(c) whether it is representing the customer or is acting for and on behalf of the funeral plan provider.

Scope of service: funeral plan intermediaries

6.1.4 R (1) Where a funeral plan intermediary proposes or advises on a funeral plan contract then in good time before the conclusion of a funeral plan contract and, if necessary, on its amendment, a funeral plan intermediary must provide the customer with at least information on whether the firm:

(a) gives a personal recommendation, on the basis of a fair and personal analysis of funeral plans available in the market; or

(b) is under a contractual obligation to conduct funeral plan distribution exclusively with one or more funeral plan providers, in which case it must provide the names of those funeral plan providers; or

(c) (i) is not under a contractual obligation to conduct funeral plan distribution exclusively with one or more funeral plan providers; and

(ii) does not give a personal recommendation on the basis of a fair and personal analysis of funeral plans available in the market;

in which case it must provide its customer with the name of those funeral plan providers with which the funeral plan intermediary may and does conduct business.

6.2 Means of communication to customers

Application

6.2.1 R This section applies to all information required to be provided to a customer in this chapter and in other chapters or sections where stated.

Means of communication to customers: non-phone sales

6.2.2 R (1) A firm must communicate information to a customer using any of the following:
(a) paper; or

(b) a durable medium other than paper; or

(c) a website (where it does not constitute a durable medium) where the website conditions are satisfied.

(2) The firm must communicate the information in (1):

(a) in a clear and accurate manner, comprehensible to the customer;

(b) in English or in any other language agreed by the parties; and

(c) free of charge.

6.2.3 R Where the information is communicated using a durable medium other than paper or by means of a website, the firm must, upon request and free of charge, also send the customer a paper copy.

6.2.4 R A firm must ensure that a customer’s choice or consent to receive the information by means of a website (whether a durable medium or where the website conditions are satisfied) is an active and informed choice or consent.

6.2.5 G (1) For the purposes of FPCOB 6.2.4R, for example, an option to allow a change to the e-mail address to be used or an option to allow information to be provided by means of a website should be presented in a way that is clear, fair and not misleading.

(2) The following are examples of circumstances not evidencing active or informed choice or consent:

(a) a pre-ticked box (suggesting that option has been selected) which appears in a more prominent place than an un-ticked box allowing another option to be selected; and

(b) the customer electing to be informed by a website without being first given other options.

Means of communication to customers: telephone sales

6.2.6 R In the case of telephone selling:

(1) the information must be given in accordance with the distance marketing disclosure rules (see FPCOB 5); and

(2) if prior to the conclusion of the contract the information is provided orally, the firm must also provide the information to the customer in accordance with FPCOB 6.2.2R immediately after the conclusion of the funeral plan contract.
6.3 **Fee disclosure**

Application

6.3.1 **R** This section applies to a *firm* that imposes a *fee* in connection with a *funeral plan* or its *regulated funeral plan activity*.

Fee disclosure

6.3.2 **R** (1) Where a *fee* is payable, the *firm* must inform its *customer* of the amount of the *fee*.

(2) The information in (1) must be given before the *customer* incurs liability to pay the *fee*, or before entering into the *funeral plan contract*, whichever is earlier.

6.3.3 **R** The *fee* disclosure requirement extends to all such *fees* that may be charged in connection with a *funeral plan* or the *firm’s regulated funeral plan activity*.

6.4 **Charging for funeral plan distribution**

Application

6.4.1 **R** This section applies to a *firm* which carries on *funeral plan distribution*.

6.4.2 **G** This section does not apply to a *funeral plan provider* in connection with its *entering as provider into funeral plan contracts*.

Purpose

6.4.3 **G** (1) The purpose of the *rules* in this section is to ensure that *funeral plan intermediaries* act in accordance with the *customer’s best interests rule* and are not improperly influenced in their *funeral plan distribution* by payments made, or benefits provided, by *funeral plan providers*. In particular, the *rules* in this section prevent a *firm* from accepting commission from a *funeral plan provider*.

(2) The *rules* in this section apply whether or not the relevant *funeral plan distribution* involves the provision of *investment advice*.

(3) *Firms* should be mindful of the *customer’s best interests rule* when considering their approach to compliance with the *rules* in this section.

Requirement to be paid by the customer

6.4.4 **R** A *firm* must:

(1) only be remunerated for its *funeral plan distribution* (and any other related services provided by the *firm*) by *FP distribution charges*; and
not solicit or accept (and ensure that none of its associates solicits or accepts) any other commissions, remuneration or benefit of any kind in connection with the firm’s business of engaging in funeral plan distribution or any other related services, regardless of whether it intends to refund the payments or pass the benefits on to the customer or covered individual, except as provided in this section.

6.4.5 R ‘Related service(s)’ for the purposes of FPCOB 6.4.4R includes:

(1) communicating or approving financial promotions in relation to a funeral plan contract or regulated funeral plan activity;

(2) recommending a funeral plan provider.

6.4.6 G FPCOB 6.4.4R prevents a firm from receiving any monetary or non-monetary benefit either in relation to the distribution of particular funeral plan contracts or in connection with its business of marketing, selling or distributing funeral plan contracts more generally.

Group distribution arrangements

6.4.7 R If the firm’s funeral plan distribution relates to funeral plan contracts entered into by the firm itself or by an associate, the firm must ensure that the level of its FP distribution charge is at least reasonably representative of the services associated with its funeral plan distribution (and related services).

6.4.8 G A firm should consider whether the level of its FP distribution charge meets the requirement of FPCOB 6.4.7R by reference to whether the charge would be appropriate in the context of the service being provided by a firm unconnected with a funeral plan provider.

Guidance on the requirement to be paid by the customer

6.4.9 G FPCOB 12 restricts a firm engaged in funeral plan distribution from accepting payment other than in certain circumstances. FPCOB 12 does not prevent a funeral plan intermediary from receiving an FP distribution charge from a customer as contemplated by this section (see FPCOB 12.4.4R).

6.4.10 G FPCOB 6.3.2R requires a funeral plan intermediary to inform the customer of the amount of any fee payable. That disclosure should include any FP distribution charge payable by the customer.

Payment for funerals

6.4.11 G (1) FPCOB 6.4.4R applies to providers of funerals (such as funeral services providers) which engage in funeral plan distribution. However, that rule only restricts the receipt of payments or benefits in connection with the business of engaging in funeral plan distribution.
FPCOB 6.4.4R does not prevent a provider of funerals from receiving payment for the provision of a funeral from a funeral plan provider under the terms of a funeral plan contract. For these purposes, it does not matter whether payment for the funeral is received at the time that the customer enters into the relevant funeral plan contract or at any other time thereafter.

6.4.12 R A firm which carries on funeral plan distribution and is also a provider of funerals must ensure that:

(1) the level of its FP distribution charge is at least reasonably representative of the cost of the services associated with its funeral plan distribution; and

(2) any payments which it receives from a funeral plan provider under a funeral plan contract are reasonably representative of the cost of delivering the relevant funeral.

6.4.13 G A payment is unlikely to be reasonably representative of the cost of delivering the relevant funeral if it is materially greater than the same payment would have been had the relevant firm had no involvement in the sale or distribution of the funeral plan contract.

Training and support

6.4.14 R A firm may receive:

(1) training on the funeral plan contracts in relation to which it carries on funeral plan distribution; and

(2) appropriate support with complying with its obligations under the regulatory system from a funeral plan provider.

6.4.15 R Any training or support received for the purposes of FPCOB 6.4.14R must be:

(1) of a scale and nature that it could not be judged to impair the firm’s compliance with its duty to act honestly, fairly and professionally in the best interests of the customer or covered individual; and

(2) reasonable, proportionate and of a scale that is unlikely to influence the firm’s behaviour in any way that is detrimental to the interests of any relevant customer or covered individual.

6.4.16 G The rules in this section do not preclude a funeral plan intermediary from receiving from a funeral plan provider any materials necessary for the funeral plan intermediary to engage in its business of funeral plan distribution. This may include the product information for the purposes of FPCOB 9.
Payments to employees

6.4.17 G The rules in this section do not prevent an employee of a firm receiving payment from that firm.

Record keeping

6.4.18 R A firm must keep a record of the FP distribution charges paid by each customer.

6.5 Payments to funeral plan intermediaries

Application

6.5.1 R This section applies to a funeral plan provider.

Requirement not to offer commissions

6.5.2 R A firm must not offer or pay (and must ensure that none of its associates offers or pays) any commissions, remuneration or benefit of any kind to:

1. another firm in connection with that firm’s business of engaging in funeral plan distribution;
2. another person in connection with:
   (a) that person’s business of engaging in funeral plan distribution:
      (i) for which it does not require authorisation; or
      (ii) which it carries on in breach of the general prohibition;
   (b) business of that person which would involve engaging in funeral plan distribution but for an exclusion in the Regulated Activities Order;
   (c) that person’s business of introducing customers to another person in relation to funeral plan contracts;
3. a person in (1) or (2) in relation to any related services; or
4. any third party for the benefit of a person, and in the circumstances described, in (1) to (3),

except as provided in this section.

6.5.3 R FPCOB 6.5.2R does not apply to training or support which meet the requirements of FPCOB 6.14R and FPCOB 6.15R.
6.5.4  
**G**  
*FPCOB 6.5.2R* prevents a *funeral plan provider* from making payments, or offering benefits, to *persons* involved in distributing the *firm’s funeral plan contracts*. This includes payments made, or benefits offered, to a *firm’s appointed representatives*.

6.5.5  
**R**  
*FPCOB 6.5.2R* does not prevent a *funeral plan provider* from making payments to a *person* other than to communicate a financial promotion.

Payments to employees

6.5.6  
**G**  
(1) The *rules* in this section do not apply to payments made by *firms* to their *employees* in relation to sales activity.

(2) *Firms* should refer to SYSC 19F and the FCA’s final guidance, ‘Risks to customers from financial incentives’ (January 2013) when considering the structure of any incentive schemes for their *employees*.

[**Note:** see https://www.fca.org.uk/publication/finalised-guidance/fsa-fg13-01.pdf]

7  
Prohibition on entering into long-term instalment payment funeral plans

7.1  
Application and Purpose

Application

7.1.1  
**R**  
This chapter applies to a *funeral plan provider*.

Purpose

7.1.2  
**G**  
The *rule* in this chapter ensures that, subject to an initial 24-month *moratorium period*, a *customer* who chooses to pay for a *funeral plan contract* in instalments receives the funeral under that contract even if the *covered individual* dies before the end of the instalment period.

7.2  
Prohibition

Prohibition

7.2.1  
**R**  
(1) A *funeral plan provider* must not enter into an *instalment payment funeral plan* under which the *customer* agrees to make payments over a period of more than 24 *months*.

(2) Paragraph (1) does not apply in respect of an *instalment payment funeral plan* under the terms of which:

(a) a funeral will be unconditionally provided upon the *covered individual’s death* where:
(i) this occurs more than 24 months after the date on which the relevant parties entered into the funeral plan contract; or

(ii) (if earlier) the death is accidental; and

(b) no further payment is required following the covered individual’s death in order for the funeral specified by the funeral plan contract to be provided.

**Guidance**

7.2.2 G This section is relevant to any instalment payment funeral plan which requires payments to be made over a period of more than 24 months. This may include a funeral plan contract under which the customer is required to make payments until the covered individual reaches a certain age or on a regular basis until the time of the covered individual’s death.

7.2.3 G This section does not affect the position where a funeral plan contract has been cancelled either by the customer or by the funeral plan provider in compliance with the rules in FPCOB 13.

7.2.4 G The effect of FPCOB 13.2.2R is that the death of the covered individual (other than by reason of an accident) within the moratorium period is treated as a cancellation of the funeral plan contract (unless the customer and firm have agreed for sums outstanding to be paid under FPCOB 13.2.3R). In this case, any instalments paid by the customer must be returned without deduction to the customer or (where the customer is also the covered individual) to their estate.

7.2.5 G A funeral plan provider may agree a moratorium period with a customer of less than 24 months provided that it remains compliant with FPCOB 3.1.6R.

8 Identifying client needs and advising

8.1 Application

8.1.1 R This chapter applies to a firm when carrying on funeral plan distribution.

8.2 Demands and needs

8.2.1 R The sale of a funeral plan contract must always be accompanied by a demands and needs test.

Demands and needs test

8.2.2 R (1) Prior to the conclusion of a funeral plan contract, a firm must identify, on the basis of information obtained from the customer and other sources where relevant, the demands and the needs of that customer.
(2) When proposing a funeral plan contract, a firm must ensure it is consistent with the customer’s demands and needs.

(3) A statement of the demands and needs must be communicated to the customer prior to the customer entering into a funeral plan contract.

8.2.3 G A firm may obtain information from the customer in a number of ways including, for example, by asking the customer questions in person or by way of a questionnaire prior to any funeral plan contract being proposed.

8.2.4 G FPCOB 8.1.3R(2) applies whether or not advice is given and in the same way regardless of whether that contract is sold on its own, or in connection with other goods or services.

8.2.5 R In determining whether a funeral plan contract is consistent with the customer’s demands and needs, a firm must consider, amongst other things:

(1) whether any person has already made provision for the covered individual’s funeral; and

(2) the length of the moratorium period during which the contracted funeral will not be provided.

8.3 Ensuring customers can make an informed decision

Disclosing the limits of the service provided

8.3.1 R (1) In a sale that does not involve a personal recommendation, a firm must take reasonable steps to ensure a customer (‘C’) understands that C is responsible for deciding whether a funeral plan meets C’s demands and needs.

(2) If a firm anticipates providing, or provides, information on any main characteristic of a funeral plan orally during a non-advised sale, taking reasonable steps includes explaining the customer’s responsibility orally.

(3) A funeral plan’s main characteristics include its significant benefits, its significant exclusions and limitations, its duration and price information.

Means of communication to customers

8.3.2 R The information to be provided to customers in FPCOB 8.1 (Demands and needs) must be given in accordance with FPCOB 6.2 (Means of communication to customers).

8.4 Advised sales

Application
8.4.1 R This section applies to a firm that provides advice on investments where that advice relates to a funeral plan contract.

Suitability of advice

8.4.2 R A firm must take reasonable care to ensure the suitability of its advice for any customer who is entitled to rely upon its judgement.

Suitability guidance

8.4.3 G (1) In taking reasonable care to ensure the suitability of advice on a funeral plan contract, a firm should:

(a) establish the customer’s demands and needs by using information readily available to the firm and by obtaining further relevant information from the customer, including details of existing alternative arrangements by which the customer may reasonably fund the cost of the funeral in question. For example, this could include insurance products, investments, or cash savings, or where the customer has already made provision for the customer or covered individual’s funeral;

(b) take reasonable care to ensure that a funeral plan is suitable for the customer’s demands and needs, taking into account its level of cover and cost, the duration of instalment payments, and relevant exclusions, limitations and conditions; and

(c) inform the customer of any demands and needs that are not met.

Personal recommendations

8.4.4 R (1) This rule applies to a firm that provides a customer with a personal recommendation in relation to a funeral plan contract.

(2) The personal recommendation must be provided:

(a) on the basis of a fair and personal analysis;

(b) in accordance with professional criteria, regarding which funeral plan contract would be adequate to meet the customer’s needs; and

(c) unless (3).

(3) If the firm’s personal recommendation will not be provided in compliance with FPCOB 8.4.4R(2)(c), the firm must disclose this fact and the scope of the analysis that will form the basis of its personal recommendation to the customer in good time before the provision of the personal recommendation.
Personalised explanation

8.4.5 R Where a firm provides a personal recommendation, the firm must, in addition to the statement of demands and needs, provide the customer with a personalised explanation of why a particular funeral plan contract would best meet the customer’s demands and needs.

Means of communication

8.4.6 R A firm must provide the information in this section in accordance with FPCOB 6.2 (Means of communication to customers).

9 Product information

9.1 Producing and providing product information

Application

9.1.1 R This chapter applies to a firm in relation to funeral plan provision and funeral plan distribution.

Purpose

9.1.2 G The purpose of the rules in this chapter is to ensure that customers are provided with appropriate information before concluding a funeral plan contract and at relevant times thereafter, in particular when post-contractual changes to a funeral plan contract are proposed.

Responsibilities for producing and providing information as between funeral plan providers and funeral plan intermediaries: general

9.1.3 R (1) This rule applies in relation to the information that must be provided to the customer before the conclusion of a funeral plan contract in compliance with the rules in this chapter and the distance communication rules (FPCOB 5.1).

(2) The funeral plan provider is responsible for producing the information to which this rule applies.

(3) The funeral plan intermediary is responsible for providing the information to which this rule applies to the customer.

(4) If there is no funeral plan intermediary, the funeral plan provider is responsible for providing the information to the customer.

(5) A funeral plan provider must produce information in good time to enable a funeral plan intermediary to comply with the rules in this chapter, or promptly on a funeral plan intermediary’s request.
9.1.4 R A funeral plan provider is responsible for providing all post-contractual information to a customer including information required on post-contractual changes made to the funeral plan.

9.1.5 R A funeral plan intermediary is responsible for producing price information if it agrees this with a funeral plan provider.

9.2 Providing product information to customers: general

Ensuring customers can make an informed decision: the appropriate information rule

9.2.1 R (1) A firm must ensure that a customer is given appropriate information about a funeral plan contract in good time before the conclusion of the contract and at relevant times thereafter, in a comprehensible form so that the customer can make an informed decision about the arrangements proposed.

(2) The information must be provided to the customer:

(a) whether or not a personal recommendation is given; and

(b) irrespective of whether a funeral plan is offered as part of a package with another product or service.

(3) The information to be provided under this rule must include the full terms of the funeral plan contract.

9.2.2 G The appropriate information rule applies:

(1) at all of the different stages of a contract and includes pre-conclusion and post-conclusion information, and also when post-contractual changes are proposed;

(2) in the same way to any funeral plan, regardless of whether that funeral plan is sold on its own, or in connection with other goods or services; and

(3) to the price of the funeral plan.

What level of information needs to be provided?

9.2.3 G The level of information required will vary according to matters such as:

(1) the knowledge, experience and ability of a typical customer for the funeral plan;

(2) the terms of the funeral plan contract, including its main benefits, exclusions, limitations, conditions and its duration;
(3) whether the funeral plan is bought in connection with another product or service; and

(4) distance communication information requirements (for example, under the distance communication rules, less information can be given during certain telephone sales than in a sale made purely by written correspondence (see FPCOB 5.1.14R (exception: telephone calls)).

9.2.4 G Cancellation rights do not affect what information it is appropriate to give to a customer to enable them to make an informed purchasing decision.

Oral sales: ensuring customers can make an informed decision

9.2.5 R (1) If a firm provides information orally during a sales dialogue with a customer on a main characteristic of a funeral plan, it must do so for all the funeral plan’s main characteristics.

(2) A firm must take reasonable steps to ensure that the information provided orally is sufficient to enable the customer to take an informed decision on the basis of that information, without overloading the customer or obscuring other parts of the information.

9.2.6 G (1) A funeral plan’s main characteristics include its significant benefits, its significant exclusions and limitations, its duration (if applicable) and price information.

(2) A significant exclusion or limitation is one that would tend to affect the decision of customers generally to buy a funeral plan. In determining what exclusions or limitations are significant, a firm should particularly consider the exclusions or limitations that relate to the significant features and benefits of a funeral plan and factors which may have an adverse effect on the services provided under it. Another type of significant limitation might be that the contract only operates through certain means of communication, e.g. telephone or internet.

Funeral plan summary

9.2.7 R A firm must provide a customer with a funeral plan summary in good time before the conclusion of a funeral plan contract.

9.2.8 G (1) The funeral plan summary should be provided on paper or in another durable medium.

(2) In the case of telephone selling, a firm may provide the funeral plan summary in accordance with the distance communication timing requirements and provide the funeral plan summary to the customer immediately after the conclusion of the funeral plan contract.
(3) The funeral plan summary should be provided on paper or in another durable medium and otherwise in accordance with FPCOB 6.2 (Means of communication to customers).

Responsibility for producing and providing the funeral plan summary as between funeral plan providers and funeral plan intermediaries

9.2.9 R (1) A funeral plan provider is responsible for designing and producing a funeral plan summary.

(2) A funeral plan intermediary is responsible for providing a funeral plan summary to a customer.

(3) If there is no funeral plan intermediary, the funeral plan provider is responsible for providing the funeral plan summary to a customer.

Funeral plan contracts: importance of reading documentation

9.2.10 R (1) A firm must draw a customer’s attention to the importance of reading the funeral plan contract documentation before the end of the cancellation period to check that the funeral plan is suitable for the customer.

(2) This must be done orally if a firm provides information orally on any main characteristic of a funeral plan but otherwise in writing.

Price information: general

9.2.11 R A firm must provide price information in a way calculated to enable the customer to relate it to a regular budget.

9.2.12 G Price information should include at least the total price (or where it cannot be indicated, the basis for calculating it) of the funeral plan and, where relevant:

(1) for instalment payment funeral plans with a payment schedule greater than 12 months, whether the payments may increase and if so, the amount of the increase (or where this cannot be indicated, the basis for calculating it) and the timing of the increase;

(2) other fees and taxes payable and potentially payable by the customer through the firm; and

(3) a statement identifying separately the possibility of any taxes not payable through the firm.

9.2.13 R Where a firm offers customers the option to pay for a funeral plan by instalments, it must clearly communicate the total cost of the instalment payment option.
9.2.14 R If a firm has more than one payment option available for its funeral plans and does not present all the payment options to customers, it must also make it clear to customers that other payment options are available.

9.2.15 G For the purposes of the fair, clear and not misleading rule:

(1) the total price of the instalment payment option should be given equal prominence and emphasis as the price of the single payment option; and

(2) the total price of the instalment payment option should not be presented in a way that gives the impression that it is equivalent to the price of the single payment option (unless this is actually the case).

9.2.16 G Price information should be given in writing or another durable medium in good time before conclusion of the contract. This is in addition to any requirement or decision to provide the information orally. In the case of a distance contract concluded over the telephone, it may be provided in writing or another durable medium no later than immediately after conclusion.

9.3 Post-contract information: funeral plan contracts

Application

9.3.1 R This section applies to a funeral plan provider in relation to:

(1) the activities of entering into a funeral plan contract and carrying out a funeral plan contract;

(2) new funeral plans and subsisting funeral plans.

Post-contractual changes

9.3.2 R (1) Throughout the term of a funeral plan, a firm must provide a customer with information about any change to:

(a) the price of the funeral plan, unless the change conforms to a previously disclosed formula; and

(b) any term of the funeral plan, together with an explanation of any implications of the change where necessary.

(2) This information must be provided in writing or another durable medium in good time before the change takes effect or, if the change is at the customer’s request, as soon as is practicable provided the firm explains the implications of the change before it takes effect.

9.3.3 [Editor’s note: Deliberately left blank pending the possibility of new rules currently being consulted on.]
9.3.4 G (1) When explaining the implications of a change, a firm should explain any changes to the benefits and significant or unusual exclusions arising from the change.

(2) Firms will need to consider whether post-contractual changes are compatible with the original funeral plan, in particular whether it reserves the right to vary the price of the funeral plan, charges or other terms. Firms also need to ensure that any terms which reserve the right to make variations are not themselves unfair under the Unfair Terms Regulations (for contracts entered into before 1 October 2015) or the CRA.

Nominated representative document

9.3.5 G The purpose of the rules relating to the nominated representative document is to ensure that a customer’s nominated representative is aware of the funeral plan contract, its features and the procedure to be followed upon the covered individual’s death.

9.3.6 R A firm must provide the nominated representative document to the customer’s nominated representative within 5 business days of the date of conclusion of the funeral plan contract.

9.3.7 R FPCOB 9.3.6R does not apply if:

(1) the customer has expressly stated that they do not wish their nominated representative to be contacted; or

(2) the customer is not the covered individual and the customer has confirmed that no nominated representative is to be appointed.

9.3.8 G For the purposes of FPCOB 9.3.7R(1), ‘expressly states’ means that the customer has actively opted out of the nominated representative being contacted.

9.3.9 R In relation to subsisting funeral plans, a firm must consider whether the information provided to date to the customer’s nominated representative is sufficient to achieve the purpose of this section, and if not, provide the nominated representative document to the customer’s nominated representative as soon as reasonably practicable after [29 July 2022].

9.3.10 R The requirement to provide the nominated representative document in FPCOB 9.3.9R only applies to funeral plan contracts where the firm already has the nominated representative’s contact details and consent to contact the nominated representative.

Plan statement - requirement for funeral plan providers
9.3.11 R (1) A firm must provide the customer with a plan statement (FPCOB 9 Annex 3) regarding the funeral plan contract at least once every 3 years.

(2) In relation to subsisting funeral plans, a firm must provide a customer with the first plan statement no later than 31 August 2023.

9.4 Means of communication

Means of communication

9.4.1 R The information in FPCOB 9 must, unless stated otherwise in this chapter, be provided in accordance with FPCOB 6.2 (Means of communication to customers).

### Name and company logo of the funeral plan provider

1.3 R (1) The name of the **funeral plan provider**, its statutory status (GEN 4 Annex 1R) and its firm reference number should follow the title ‘Funeral Plan summary document’ at the top of the first page.

(2) The provider may insert its company logo to the right of the title.

### Purpose of the document and reference to complete pre-contractual and contractual information

1.4 R The **funeral plan summary** should state the purpose of the document and that complete pre-contractual and contractual information about the **funeral plan** is provided to the **customer** in other documents. The following wording should be used and placed immediately below the name of the provider in a way that it is likely to maximise customers’ awareness that it is a summary only:

*This document explains what is and is not included in your funeral plan, how you will pay for your plan and information on cancelling your plan, making a complaint and your entitlement to compensation. Please ensure you read this carefully. Please note this is a summary of your plan; please refer to our pre-contractual documentation and terms & conditions or contact us using the contact details below for further details.*
## How must the summary be presented and formatted?

### The funeral plan summary must:

1. be a short and standalone document;
2. be presented and laid out in a way that is clear and easy to read, using characters of a readable size; and
3. be no less comprehensible in the event that, having been originally produced in colour, it is printed or photocopied in black and white.

### Length

2.2 The summary document must be set out on no more than two sides of A4-sized paper when printed.

### Plain language

2.3 The funeral plan summary must be drafted in plain language, facilitating the customer’s understanding of the content of that document, and must focus on key information which the customer needs to make an informed decision. Jargon must be avoided.

### Presentation

2.4 A firm, when providing the information in the funeral plan summary, should consider:

1. the use of tables to display costs and other ways to make the document and information more accessible and easy-to-read; and
2. the use of bold and italic text to highlight key information.

### Headings, corresponding information and order of content

2.5 The subheadings must be in this sequence and have the following corresponding information:

1. ‘What products and services are included in my funeral plan?’
   This section should clearly set out using green tick boxes and text the key products and services the funeral plan provides.
2. ‘What products and services are not included in my funeral plan?’
This section should clearly set out through red cross boxes and red text the key products and services the funeral plan would not provide that the customer would typically expect to be included in their funeral (e.g. catering, flowers). A firm should also highlight where the cost of a feature (e.g. burial plot) may exceed the allocated allowance.

This section should also clearly set out any additional costs the customer may face (e.g. the need to appoint a new funeral services provider due to the covered individual’s change of address).

If applicable, a firm should prominently state that other exclusions will apply and explain where to find relevant information.

<p>| | |</p>
<table>
<thead>
<tr>
<th></th>
<th></th>
</tr>
</thead>
</table>
| (3) | ‘How do I make changes to my plan?’
This section should set out if a customer can make changes to their plan, how they can do so and any related costs. It should also refer to the cancellation process should their needs change. |
| (4) | ‘When and how do I pay?’
A firm should set out the payment options on offer and the timings of these payments. For example, whether payment is in monthly instalments or a lump sum/single payment.

A firm should set out clearly and prominently if the cost of the plan will increase as a result of paying with a different payment option and if so, the cost of each payment option. If applicable, a firm should clearly state the moratorium period in which the funeral will not be provided if the covered individual dies.

A firm should set out clearly and prominently any fees which are, or may be, payable (including the circumstances in which they are payable).

A firm should clearly set out where a customer can find additional information. |
| (5) | ‘What happens if I miss a payment?’
This section should clearly set out any impact of missing payments, including any fees or potential cancellation.

A firm should clearly pinpoint where a customer can find additional information. |
| (6) | ‘How do I cancel my plan?’
A firm should set out the customer’s right to cancel – including how long they have to cancel without incurring a cancellation fee. |
A firm should set out clearly and prominently any cancellation fee.

A firm should clearly pinpoint where a customer can find additional information.

(7) ‘How do I make a complaint?’

A customer should complain to the firm in the first instance. The firm should provide information regarding its internal procedures for the reasonable and prompt handling of complaints.

If the customer is unhappy with the firm’s response, they may be able to refer the matter to the Financial Ombudsman Service.

(8) ‘Financial Services Compensation Scheme’

A firm should explain that if it is unable to meet its liabilities, the customer or covered individual (or their estate, if the customer or covered individual has died) may be entitled to compensation from the compensation scheme.

10 Arrangements for the funeral

10.1 Application and purpose

Application

10.1.1 R This chapter applies to a funeral plan provider that enters into a funeral plan contract, under which it undertakes to secure that another person provides a funeral for the covered individual on their death.

Purpose

10.1.2 G The purpose of the requirements in this chapter is to provide certainty at the point of sale of a funeral plan contract that an appropriate funeral services provider will provide the services required under the contract at no additional cost to the customer or the covered individual’s estate.

Arrangements with the funeral services provider

10.1.3 R A firm must, within 30 days of the customer’s purchase of a funeral plan contract, make appropriate arrangements for the funeral to be carried out. The arrangements must:

(1) be legally enforceable;

(2) be made with a funeral services provider that is located within a reasonable distance of the covered individual’s address, unless:
(a) it is clear from the nature of the funeral plan contract that this was not the intention of both the funeral services provider and the customer; or

(b) the customer agrees otherwise;

(3) identify the business name and address of the funeral services provider (including, as appropriate, the relevant branch) that will carry out the funeral; and

(4) be such as to ensure that neither the customer nor the covered individual’s estate are required to make further payments to the funeral services provider to provide the funeral in accordance with the funeral plan contract.

10.1.4 R Following compliance with FPCOB 10.1.3R, the firm must within 2 business days provide the customer with a notification of:

(1) the name, address and contact details of the relevant funeral services provider; and

(2) a summary of the arrangements made with the funeral services provider,

in accordance with FPCOB 6.2 (Means of communication to customers).

10.1.5 R The firm must provide the notification in FPCOB 10.1.4R to the nominated representative at the same time as it is provided to the customer unless the circumstances in FPCOB 9.3.7R apply.

10.1.6 R The firm must regularly review the arrangements under FPCOB 10.1.3R to ensure that the funeral services provider will provide the services required under the funeral plan contract.

10.1.7 G For the purposes of FPCOB 10.1.6R, a review should take place at least every 12 months.

10.1.8 R If at any time after a firm has complied with FPCOB 10.1.3R, a firm becomes aware that the funeral services provider is unable or likely to be unable to provide the services required under the funeral plan contract, the firm must make alternative arrangements with another funeral services provider, at no additional cost to the customer or covered individual.

10.1.9 R In accordance with FPCOB 6.2, the firm must notify:

(1) the customer; and

(2) the nominated representative, unless the FPCOB 9.3.6R circumstances apply.
of any new arrangements made under FPCOB 10.1.8R as soon as practicable and in any event, within 2 business days of making the arrangements.

10.1.10 G A funeral plan provider should consider its arrangements in respect of subsisting funeral plans and whether those arrangements would meet the purpose of the requirements in this section, what steps it might take to change those arrangements as a result and what notifications to make to the customer and the nominated representative.

10.1.11 R (1) This rule applies to a funeral plan provider which has assumed the undertaking under a funeral plan contract to provide, or secure the provision of, a funeral as a result of a transfer of the contract.

(2) [Editor’s note: Deliberately left blank pending the possibility of new rules currently being consulted on.]

(3) The firm must ensure that arrangements meeting the requirements of FPCOB 10.1.3R are in place within 30 days of the completion of the transfer.

(4) If, as a result of the firm’s compliance with this rule, there are any changes to the arrangements under the contract, the firm must notify the customer and the nominated representative in compliance with FPCOB 10.1.4R and FPCOB 10.1.5R.

11 Fees

11.1 Application and purpose

Application

11.1.1 R This chapter applies to a firm in relation to funeral plan provision and funeral plan distribution.

Purpose

11.1.2 G Principle 6 requires a firm to pay due regard to the interests of its customers and treat them fairly. A firm is also under an obligation to comply with the customer’s best interests rule and, as a consequence of this sourcebook’s customer communication requirements, to communicate information to customers in a clear, fair and not misleading way. This chapter reinforces these requirements by preventing a firm from imposing fees which amount to profit.

Instalment payment fee

11.1.3 R FPCOB 11.1.4R applies to a firm that charges an instalment payment fee.

11.1.4 R A firm must not impose an instalment payment fee on a customer unless it is equal to or lower than the aggregate of:
(1) a reasonable pre-estimate of any costs incurred by the _firm_ as a result of the _customer_ paying in instalments rather than in a single payment; and

(2) a reasonable pre-estimate of any lost investment gain which is a result of that _customer_ paying in instalments rather than in a single payment.

11.1.5 R A _firm_ must be able to objectively justify that the calculation of the _instalment payment fee_ does not include profit above that which the _firm_ would make, or which would have been generated by _trust arrangements_ or _insurance-based investment products_, if the _customer_ paid for the _funeral plan contract_ in a single payment.

11.1.6 G For the purposes of _FPCOB 11.1.4R(2)_, ‘lost investment gain’ refers to a reasonable estimate of the difference between:

(1) the investment return that instalment payments under an _instalment payment funeral plan_ will make when invested under the _trust arrangements_ or _insurance-based investment products_ over the period of time that instalments in that plan are agreed; and

(2) the investment return that would have been expected from the _customer’s_ payment if the _customer_ had paid for the _funeral plan contract_ in a single payment at the date the _funeral plan contract_ was entered into and that payment (less any charges or deductions the _firm_ would ordinarily have made) had been invested under the _trust arrangements_ or _insurance-based investment products_ for the period of time used when estimating the amount in paragraph (1).

_Other fees_

11.1.7 R A _firm_ must ensure that any _fee_, other than an _instalment payment fee_, imposed on a _customer_ is based upon a reasonable reflection of the costs incurred by the _firm_, in providing the service to which the _fee_ relates, and not with a view to profit.

12 Handling of payments by intermediaries

12.1 Application and purpose

Application

12.1.1 R This chapter applies to a _firm_ in relation to _funeral plan provision_ and _funeral plan distribution_.

12.1.2 G A _firm_ (including a _funeral plan provider_) that has accepted responsibility for _funeral plan distribution_ undertaken by an _appointed representative_ must ensure that the representative complies with this chapter as if it was an intermediary _firm_ (see _FPCOB 1.2.4R_).
Purpose

12.1.3 G The rules in this chapter mitigate the risk of loss to customers on the insolvency of a firm engaged in funeral plan distribution. Such a firm cannot receive or handle payments for a funeral plan contract except in the form of cash and can only receive or handle a cash payment if that contract will be effective from the moment of receipt.

12.2 Obligations on intermediaries

12.2.1 R A firm engaged in funeral plan distribution must not accept payments which are payable to a funeral plan provider under a funeral plan contract unless:

(1) the payment is:
   (a) received as agent for the funeral plan provider;
   (b) made in cash;
   (c) made at the time the funeral plan contract is entered into by the firm as agent of the funeral plan provider; and

(2) the following contracts each provide that the payment is deemed received by the funeral plan provider on receipt by the agent:
   (a) the funeral plan contract;
   (b) the contract between the funeral plan provider and the agent; and
   (c) (where the firm is using an appointed representative) the contract between the firm and the representative.

12.2.3 G The effect of FPCOB 12.2.1R is that a firm engaging in funeral plan distribution can only accept payment for a funeral plan contract if the payment is in cash and the funeral plan provider will be bound by that contract from the moment that the payment is received by the firm.

12.2.4 R FPCOB 12.2.1R does not apply to:

(1) a funeral plan provider when distributing its own funeral plan contracts directly to customers; or

(2) a payment which is an FP distribution charge.

12.3 Obligations on providers

12.3.1 R A funeral plan provider must ensure that its arrangements for another firm or an appointed representative to distribute funeral plan contracts:
(1) prohibit that person from accepting payments payable to a funeral plan provider; or

(2) prohibit such payments other than in cash and, for cash payments:
   (a) are compatible with the requirements of FPCOB 12.2.1R; and
   (b) (for arrangements with a firm) make clear whether or not the firm is permitted to appoint appointed representatives to act as agent for the funeral plan provider in receiving contractual payment.

12.4 Appointed representatives

12.4.1 G A firm which appoints an appointed representative to distribute funeral plan contracts should prohibit the representative from accepting payments which are payable to a funeral plan provider under a funeral plan contract (other than an FP distribution charge) unless the conditions at FPCOB 12.2.1R are satisfied.

12.4.2 G For the purposes of FPCOB 12.2.1R (1)(c) a funeral plan contract would be entered into at the point that an appointed representative acting as agent of a funeral plan provider bound that funeral plan provider to its terms.

12.4.3 G Where a funeral plan provider appoints another firm to undertake funeral plan distribution in relation to its funeral plan contracts and that firm has an appointed representative who it permits to accept cash payment for that contract, FPCOB 12.2.1R(2) would be satisfied where the appointed representative receives the cash payment as sub-agent for the funeral plan provider and the contracts which underpin the arrangements ensure this (including the contract between the firm and its representative).

13 Cancellation

13.1 Application

13.1.1 This chapter applies to a firm entering into a funeral plan contract.

13.2 The right to cancel

13.2.1 R A customer has a right within the longer of:

   (1) 30 days; or

   (2) 7 days of being notified of the appointed funeral services provider (FPCOB 10.1.4R); or in the case of an instalment payment funeral plan contract, 30 days or the moratorium period, whichever is longer; or

   (3) in the case of an instalment payment funeral plan contract, the moratorium period,
to cancel the *funeral plan contract*, without giving any reason and without being required to pay any amount to do so.

13.2.2 R The following events in relation to an *instalment payment funeral plan contract* must, for the purposes of this chapter, be taken to be a cancellation:

(1) the death of the *covered individual* (other than as a result of an accident) within the *moratorium period*;

(2) the cancellation by the *firm*, having complied with the payment shortfall rules (*FPCOB* 2.3), of the *funeral plan* due to the *customer’s failure to settle a payment shortfall*.

13.2.3 R *FPCOB* 13.2.2R does not apply where the *customer* and *firm* have agreed that any party may pay sums outstanding under the *instalment payment funeral plan* and the *funeral plan* be redeemed.

13.2.4 G A *firm* may provide longer or additional cancellation rights voluntarily, but if it does these should be on terms at least as favourable to the *customer* as those in this chapter, and any differences should be clearly explained.

**Exception to the right to cancel**

13.2.5 R The right to cancel does not apply to a *funeral plan contract* under which a redemption request has been made or the funeral has been provided.

**Start of the cancellation period**

13.2.6 R The cancellation period begins either:

(1) from the *day* the *customer* is informed that the contract has been concluded; or

(2) from the *day* on which the *customer* receives the contractual terms and conditions and any other pre-contractual information required under this sourcebook, if that is later than the date referred to above.

**Exercising a right to cancel**

13.2.7 R If a *customer* exercises the right to cancel:

(1) they must notify this to the *firm* before the expiry of the relevant deadline;

(2) a *firm* must enable a *customer* to make the notification via the same medium by which the *customer* purchased the *funeral plan contract*; and
(3) the deadline shall be deemed to have been observed if the notification, if on paper or another durable medium, is dispatched before the deadline expires.

13.2.8 G A firm may provide additional methods by which the customer can make a notification of cancellation to the firm.

13.3 Effects of cancellation

Termination of contract

13.3.1 R By exercising the right to cancel, the customer withdraws from the funeral plan contract and the contract is terminated.

Firm’s obligation on cancellation

13.3.2 R (1) This rule applies where a funeral plan contract is:

(a) cancelled by the customer in accordance with FPCOB 13.2.1R; or

(b) deemed cancelled by the funeral plan provider (FPCOB 13.2.2R) during the moratorium period.

(2) A firm must, without any undue delay and no later than within 30 days, return to a customer any sums it has received from them in accordance with the contract, except as specified in this section.

(3) This period shall begin from the day on which the firm receives the notification of cancellation.

14 Funeral plan redemption

14.1 Application and purpose

Application

14.1.1 R (1) This chapter applies to a funeral plan provider in relation to the activity of carrying out a funeral plan contract.

(2) This chapter applies in relation to subsisting funeral plans unless compliance would be contrary to a term of the subsisting funeral plan agreed with the customer prior to 29 July 2022.

Purpose

14.1.2 G This chapter concerns the conduct of a funeral plan provider in relation to the redemption of a funeral plan contract upon the death of the covered individual.

Redemption
14.1.3 R A funeral plan provider must:

(1) handle the redemption of a funeral plan promptly and fairly;

(2) provide reasonable guidance and appropriate information to help a customer or a nominated representative to make arrangements, in accordance with the funeral plan contract; and

(3) not unreasonably reject a request to redeem a funeral plan (including by cancelling a funeral plan contract).

Services required for the funeral plan contract

14.1.4 R Upon notification of the covered individual’s death, the funeral plan provider must ensure that the services required for the funeral plan contract are delivered:

(1) to a satisfactory quality and standard by the appointed funeral services provider, or if that funeral services provider is unable to provide the required services, appoint another funeral services provider at no additional cost to the customer or covered individual’s estate; and

(2) in a timely manner,

in accordance with the terms of the funeral plan contract.

14.1.5 G In relation to FPCOB 14.1.4R, where a firm uses outsourcing arrangements to fulfil this obligation, it retains the regulatory responsibility for achieving the required outcome (FPCOB 2.1.5G).

14.1.6 R Other than as set out in FPCOB 14.1.7R, a firm must not seek or obtain further payments from the customer or from the covered individual’s estate to secure the funeral services as set out in the funeral plan contract.

Outstanding payments

14.1.7 R If upon the covered individual’s death, further payments are due to the firm under the funeral plan contract, the firm must inform the customer and covered individual’s estate within 24 hours of receiving notification of the covered individual’s death of the following matters:

(1) that further payments are due to the firm under the funeral plan contract;

(2) the sums received under the funeral plan contract; and

(3) the amount of the shortfall.
14.1.8 R  *FPCOB* 14.1.7R does not apply where the effect of *FPCOB* 7.1.3R is that a funeral will be provided on the death of the *covered individual* even where payments are outstanding under an *instalment payment funeral plan contract*.

15 Prudential requirements

15.1 Application and purpose

General application

15.1.1 R Subject to *FPCOB* 15.1.2R, this chapter applies to *firms* with a *Part 4A permission* for regulated funeral plan activities.

15.1.2 R This chapter does not apply to a *PRA-authorised person*.

Purpose

15.1.3 G (1) The purpose of *FPCOB* 15 is to set out the detailed prudential obligations that apply to *regulated funeral plan activity*.

(2) Adequate financial resources are necessary for the effective management of prudential risks. The *rules* in this chapter therefore impose requirements relating to the financial resources of a *firm* to which this chapter applies.

(3) The *rules* concern the adequacy of the financial resources that a *firm* needs to hold in order to be able to meet its liabilities as they fall due (the *general solvency requirement*). These resources include both capital and liquidity resources.

(4) The *rules* also place a *core capital resources requirement* on a *firm* to which this chapter applies. This *core capital resources requirement* varies depending on the nature of the activities undertaken by the *firm*.

15.2 General solvency requirement

15.2.1 R A *firm* must at all times maintain overall financial resources which are adequate, both as to amount and quality, to ensure that there is no significant risk that its liabilities cannot be met as they fall due. This includes capital resources and liquidity resources.

15.2.2 G The liabilities referred to in the *general solvency requirement* include:

(1) a *firm’s contingent and prospective liabilities*;

(2) liabilities that arise both in scenarios where the *firm* is a *going concern* and where the *firm* ceases to be a *going concern*; and
(3) claims that could be made against a firm which ought to be paid in accordance with fair treatment of customers, even if such claims could not be legally enforced.

15.2.3 G The liabilities referred to in the general solvency requirement exclude liabilities that might arise from transactions that a firm has not entered into and which it could avoid. This could include, for example, taking realistic management actions such as ceasing to transact new business after a suitable period of time has elapsed.

15.2.4 G A firm should therefore make its assessment of adequate financial resources on realistic valuation bases of assets and liabilities, taking into account the actual amounts and timings of cash flows under realistic adverse projections.

15.2.5 G Risks may be addressed through holding capital to absorb losses that unexpectedly materialise. The ability to pay liabilities as they fall due also requires liquidity. Therefore, firms should consider both capital and liquidity needs in assessing the adequacy of their financial resources. A firm should also consider the quality of its financial resources, such as the loss-absorbency of different types of capital and the time required to liquidate different types of asset.

15.2.6 G As part of its day-to-day supervision of a firm, the FCA may review whether the amount and quality of capital and liquidity resources that a firm holds to comply with its general solvency requirement is sufficient.

15.2.7 G Where necessary, the FCA may consider the use of its powers under section 166 of the Act (Reports by skilled persons) to assist with the review referred to in FPCOB 15.2.6.

15.2.8 G (1) Following such a review, the FCA may conclude that a firm should hold an additional amount or quality of capital or liquidity resources to comply with the general solvency requirement.

(2) Where this is the case, the FCA will normally specify an amount or quality of capital or liquidity resources that the firm should hold by:

(a) issuing individual capital guidance;

(b) issuing individual liquidity guidance; or

(c) imposing a requirement on the firm.

(3) The amounts in (2) will typically represent the FCA’s assessment of the firm’s general solvency requirement. However, in some cases, it may be specified on a different basis (such as by reference to a specific component of the general solvency requirement or to a particular risk or harm).
The FCA may choose to conduct reviews of the regulated funeral plans activities sector, or aspects of it. In such cases, the FCA may subsequently choose to issue guidance on a sectoral basis or to impose additional requirements on all, or only a subset of, the entities included within that review. The guidance or requirement may relate to:

(a) additional amounts or quality of capital or liquidity resources that such firms must hold; or

(b) other actions that such firms must undertake.

15.2.9 G The FCA will determine whether a requirement or guidance is more appropriate. Where the FCA chooses to issue guidance, this will normally explain how the FCA will approach supervising the general solvency requirement in relation to the firm. The FCA expects that the firm will hold the amounts specified in that guidance going forward (and will therefore hold the relevant capital and or liquidity resources to comply with the general solvency requirement), unless the firm subsequently determines that higher amounts are required.

15.2.10 G Where the FCA considers that it is appropriate to apply a requirement in connection with the general solvency requirement, it may invite a firm to make a voluntary application under section 55L(5) of the Act to impose a requirement on the firm to hold the level of capital or liquidity resources that the FCA has assessed as being required by the firm in order to meet the general solvency requirement.

15.2.11 G Guidance on the general solvency requirement issued by the FCA will apply until the FCA issues revised guidance (or varies or removes the requirement relating to the general solvency requirement) in relation to the firm.

15.2.12 G If a firm subsequently determines, as a result of its own assessment, that it needs to hold a higher level or quality of capital or liquidity resources to satisfy the general solvency requirement, it must hold that higher level. This is because the FCA’s assessment (or a requirement applied to the firm by the FCA) reflects an assessment carried out at that point in time and does not relieve the firm of its obligation to ensure that it is meeting the general solvency requirement at all times.

15.2.13 G A firm’s business model or operating model may undergo a significant change, with the result that the firm considers that the amount or quality of capital or liquidity resources specified in the guidance issued by, or the requirement applied by, the FCA exceeds the amount or quality of capital or liquidity resources that the firm requires to comply with the general solvency requirement. In this case, the firm:

(a) should undertake its own assessment of the amounts that the firm now requires to comply with the general solvency requirement or,
where applicable, to address the risks in relation to which the requirement was imposed; and

(b) having undertaken the determination in (a), may contact the FCA to request a review of the existing guidance or requirement.

15.2.14 G The FCA will not give individual capital guidance or individual liquidity guidance to the effect that the amount of capital advised in that guidance is lower than the amount of capital which a firm should hold to meet its core capital resources requirement.

15.3 Core capital resources requirement

15.3.1 R A firm must at all times maintain capital resources equal to or in excess of its core capital resources requirement.

15.4 Capital resources: relevant accounting principles

15.4.1 R A firm must recognise an asset or liability, and measure its amount, in accordance with the relevant accounting principles applicable to it for the purpose of preparing its annual financial statements.

15.5 Core capital resources requirement for funeral plan provision activities

15.5.1 R Subject to FPCOB 15.7.1R, for a firm with a Part 4A permission to carry on regulated funeral plan provision activities to which FPCOB 15.6.1R does not apply, the core capital resources requirement is the higher of:

(1) £20,000;

(2) 2.5% of the firm’s annual income; or

(3) the sum of:

(a) the number of undrawn funeral plan contracts backed by trust arrangements, multiplied by the median of the amounts that would be payable to the firm under each trust arrangement if a funeral were required on the day following the end of the firm’s previous period for submitting its funeral plan financials return in accordance with SUP 16.12, multiplied by 0.5%; and

(b) the number of undrawn funeral plan contracts backed by a whole of life insurance policy, multiplied by the median of the amounts payable to the firm under each whole of life insurance policy if a funeral were required on the day following the end of the firm’s previous period for submitting its Funeral plan financials return in accordance with SUP 16.12, multiplied by 0.5%.
15.5.2  R  The calculation in FPCOB 15.5.1R(3) does not include any undrawn legacy funeral plan contracts held by the firm.

15.6  Core capital resources requirement for a firm that only undertakes funeral plan distribution activity

15.6.1  R  Subject to FPCOB 15.7.1R, for a firm with a Part 4A permission to carry on funeral plan distribution activity that does not also carry on any other regulated funeral plan activity, the core capital resources requirement, is the higher of:

(1)  £10,000; or

(2)  2.5% of the firm’s annual income.

15.7  Core capital resources requirement for a firm carrying on other regulated activity

15.7.1  R  Where a firm to which this chapter applies also has a Part 4A permission to carry on other regulated activities, the capital resources requirement is the higher of:

(1)  the core capital resources requirement in FPCOB 15.5.1R or FPCOB 15.6.1R; and

(2)  a capital resources requirement (however described) applied to the firm by any other rule or requirement.

15.8  Calculation of annual income

Annual income

15.8.1  R  A firm’s annual income refers to all income received or receivable, whether arising from the firm’s permitted activities or not, as reported in its most recent audited annual financial statements.

Annual income: periods of less than 12 months

15.8.2  R  If the firm’s most recent annual financial statement does not cover a 12-month period, the annual income is taken to be the amount in the statement converted, proportionally, to a 12-month period.

Annual income: no financial statements

15.8.3  R  If the firm does not have annual financial statements, the annual income is to be taken from the forecast or other appropriate accounts which the firm has submitted to the FCA in accordance with its reporting obligations in SUP 16.12.
15.8.4  R  If a firm is a principal, its annual income includes amounts due to its appointed representative in respect of activities for which the firm has accepted responsibility.

15.8.5  R  If a firm is a network, it should include the relevant income due to all of its appointed representatives in its annual income.

15.9  Calculation of core capital resources

The calculation of a firm’s core capital resources

15.9.1  R  A firm must calculate its capital resources for the core capital resources requirement from the items that are eligible to contribute to a firm’s capital resources, as set out in items 1 to 6 in the table in FPCOB 15.9.3R.

15.9.2  R  In arriving at its calculation of its capital resources for the core capital resources requirement a firm must deduct the items set out in items 1 to 5 in the table in FPCOB 15.9.5R.

15.9.3  R  The items that are eligible to contribute to the capital resources of a firm are set out in the following table:

|      | (ii) from which, under the terms of the partnership agreement, into which capital contributed by the partners is paid; and from which an amount representing capital may be withdrawn by a partner only if: |
(A) the person ceases to be a *partner* and an equal amount is transferred to another such account by their former *partners* or any person replacing them as their *partner*, or

(B) the *partnership* is otherwise dissolved or wound up; and

(b) Current accounts according to the most recent financial statement.

For the purpose of the calculation of capital resources in respect of a *defined benefit occupational pension scheme*:

1. A *firm* must derecognise any *defined benefit asset*;

2. A *firm* may substitute for a *defined benefit liability* the *firm’s deficit reduction amount*, provided that the election is applied consistently in respect of any one *financial year*.

### 3 Reserves (Note)

These are (subject to the Note) the audited accumulated profits retained by the *firm* (after deduction of tax, dividends and proprietors’ or *partners’* drawings) and other reserves created by appropriations of share premiums and similar realised appropriations. Reserves also include gifts of capital, for example, from a *parent undertaking*.

For the purposes of calculating capital resources, a *firm* must make the following adjustments to its reserves, where appropriate:

1. A *firm* must deduct any unrealised gains or, where applicable, add back in any unrealised losses on debt instruments held, or formerly held, in the available-for-sale financial assets category;

2. A *firm* must deduct any unrealised gains or, where applicable, add back in any unrealised losses on cash flow hedges of financial instruments measured at cost or amortised cost;

3. In respect of a *defined benefit occupational pension scheme*:

(a) A *firm* must derecognise any *defined benefit asset*;
(b) a firm may substitute for a *defined benefit liability* the *firm’s reduction amount*, provided that the election is applied consistently in respect of any one *financial year*.

1. Investments in subsidiaries are the full balance sheet value.  
2. Intangible assets are the full balance sheet value.  
3. The interim net losses in row 4, and the excess of drawings in row 5, are in relation to the accounting period following the date as at which the capital resources are being computed.

**Personal assets**

15.9.6 R In relation to a sole trader’s firm or a firm which is a partnership, the sole trader or a partner in the firm may use personal assets to meet the core capital resources requirement, to the extent necessary to make up any shortfall in meeting that requirement, unless:

1. those assets are needed to meet other liabilities arising from:
   
   (a) personal activities; or

   (b) another business activity not regulated by the FCA; or

2. the firm holds client money or other client assets in relation to regulated activities other than regulated funeral plan activity.

15.9.7 G A sole trader or a partner may use any personal assets, including property, to meet the capital requirements of this chapter, but only to the extent necessary to make up a shortfall.

**Subordinated loans**

15.9.8 R A subordinated loan/debt must not form part of the capital resources for the core capital resources requirement of the firm unless it meets the following conditions:

1. it has an original maturity of:

   (a) at least 5 years; or
(b) it is subject to 5 years’ notice of repayment;

(2) the claims of the subordinated creditors must rank behind those of all unsubordinated creditors;

(3) the only events of default must be non-payment of any interest or principal under the debt agreement or the winding up of the firm;

(4) the remedies available to the subordinated creditor in the event of non-payment or other default in respect of the subordinated loan/debt must be limited to petitioning for the winding up of the firm or proving the debt and claiming in the liquidation of the firm;

(5) the subordinated loan/debt must not become due and payable before its stated final maturity date, except on an event of default complying with (3);

(6) the agreement and the debt are governed by the law of England and Wales, or of Scotland or of Northern Ireland;

(7) to the fullest extent permitted under the rules of the relevant jurisdiction, creditors must waive their right to set off amounts they owe the firm against subordinated amounts owed to them by the firm;

(8) the terms of the subordinated loan/debt must be set out in a written agreement that contains terms that provide for the conditions set out in this rule; and

(9) the loan/debt must be unsecured and fully paid up.

15.9.9 R When calculating its capital resources, the firm must exclude any amount by which the aggregate amount of its subordinated loans/debts exceeds the amount calculated as follows:

A - B

where:

A is equal to the sum of items 1 to 6 (inclusive) in the table of items in FPCOB 15.9.3R, which are eligible to contribute to a firm’s capital resources.

B is equal to the sum of items 1 to 5 (inclusive) in the table of items in FPCOB 15.9.5R, which must be deducted in arriving at firm’s capital resources.

15.10 Systems, strategies, processes and reviews

Purpose
15.10.1 G In addition to adequate financial resources, adequate systems and controls are necessary for the effective management of prudential risks. The rules in this section therefore impose requirements relating to such systems and controls.

15.10.2 G This section also has rules requiring a firm to identify, assess and document:

(1) risks to it being able to meet its liabilities as the fall due;

(2) how it intends to mitigate these risks; and

(3) the amount and nature of financial resources that the firms consider necessary to address any remaining risks.

15.10.3 G The FCA may review this assessment as part of its own assessment of the adequacy of a firm's financial resources.

Systems, strategies, processes

15.10.4 R A firm must use sound, effective and comprehensive systems, strategies and processes to assess and maintain on an ongoing basis the amounts, types and distribution of financial resources that it considers adequate to cover:

(1) the nature and level of the risks to which it is or might be exposed; and

(2) the risk that the firm might not be able to meet its core capital resources requirement and general solvency requirement in the future.

Documentation of risk assessments

15.10.5 R A firm must make a written record of the assessments required under FPCOB 15.10.4R. In particular, it must make a written record of:

(1) the major sources of risk identified in accordance with FPCOB 15.10.4R; and

(2) how it intends to deal with those risks.

15.10.6 R A firm must retain the records of its assessments referred to in FPCOB 15.10.5R for at least 3 years.

15.10.7 G The FCA may review the written record of the assessment as set out under FPCOB 15.10.5R as part of its own assessment of the adequacy of a firm's financial resources as part of its day-to-day supervision of firms.

15.11 Action for damages
A contravention of the rules in FPCOB 15 does not give rise to a right of action by a private person under section 138D of the Act and each of those rules is specified under section 138D(3) of the Act as a provision giving rise to no such right of action.

16 Resolution requirements

[Editor’s note: Deliberately left blank pending the possibility of new rules currently being consulted on.]

17 Application of other parts of the Handbook

17.1 Application and purpose

17.1.1 This chapter applies to a firm carrying out regulated funeral plan activities. It is intended to draw a firm’s attention to the application of other key parts of the FCA Handbook to firms, as set out in the table at FPCOB 17.1.2G.

The *Code of Practice for Approved Persons* sets out descriptions of conduct which, in the opinion of the FCA, do or do not comply with a *Statement of Principle*. The *Code of Practice for Approved Persons* also sets out, in certain cases, factors which, in the opinion of the FCA, are to be taken into account in determining whether or not an approved person’s conduct complies with a *Statement of Principle*. |

3. who is a *certification employee*; or  
4. whom a firm is considering appointing to be a *certification employee*.

2 Authorisation and regulated activities

2.3 The business element

2.3.2 G ...

(1) ...

...

(4) The business element for all other regulated activities is that the activities are carried on by way of business. This applies to the activities of effecting or carrying out contracts of insurance, certain activities relating to the Lloyd’s market, entering as provider into a funeral plan contract, carrying out a funeral plan contract as provider, entering into a home finance transaction or administering a home finance transaction, operating a dormant account fund, credit-related regulated activities (subject to the modification for not-for-profit bodies in (3B)) and operating an electronic system in relation to lending.

...

2.4 Link between activities and the United Kingdom

...

2.4.2A G The regulated funeral plan activities only apply if the contract is for a funeral in the United Kingdom.

...

2.6 Specified investments: a broad outline

...

Rights under a contract of insurance
2.6.8 G Certain arrangements in relation to funeral plans are specifically excluded from being contracts of insurance if they would otherwise be so. The exclusion applies to arrangements that fall within the definition of a funeral plan contract (see PERG 2.6.26G) as well as arrangements that are excluded from the regulated activity of entering as provider into funeral plan contracts (see PERG 2.8.14G).

Rights under a funeral plan

2.6.26 G (1) Rights under a funeral plan contract are the rights to a funeral obtained by a person who pays for the funeral before the death of the person whose funeral it will be.

(2) The definition of funeral plan contract excludes those contracts under which the customer and the funeral plan provider intend or expect that the funeral will be provided within one month of the contract being entered into.

Rights under a regulated sale and rent back agreement

2.6.27C G …

Rights to or interests in investments

2.6.28 G …

2.6.29 G (1) There are several things that are not covered by this category (other than rights to, or interests in, rights under a mortgage contract). Anything that is covered by any other specified investment category is excluded, as are interests under the trusts of an occupational pension scheme. Finally, where a contract is excluded from the scope of the regulated activity of entering as provider into a funeral plan contract (see PERG 2.8.14G), then rights to, or interests in, the contracts of insurance or interests under the trusts, to which the contracts relate are also excluded from this specified investment category.

(2) There are also excluded from this category rights or interests acquired as a result of entering into a funeral plan contract. Where the funeral plan contract is trust or insurance-backed (see FPCOB 3), the effect of this exclusion is that rights to, or interests in, the contract of insurance or interests under trust to which the contract relates are excluded from this specified investment category. Rights under the funeral plan contract itself which a person obtains when
they enter into a funeral plan contract are covered by the specified investment category described in PERG 2.6.26G.

...  

2.7 Activities: a broad outline  

...  

Dealing in investments (as principal or agent)  

2.7.5 G ...  

2.7.6 G Both the activities of dealing in investments as principal and dealing in investments as agent are defined in terms of ‘buying, selling, subscribing for or underwriting’ certain investments. These investments are:  

...  

(2) for dealing in investments as agent, securities, structured deposits and relevant investments (except rights under a funeral plan contract).

...  

Entering into funeral plan contracts  

2.7.18 G Entering as provider into a funeral plan contract is a regulated activity. The ‘provider’, for the purposes of this activity, is the person to whom the pre-payments are made and who undertakes to provide, or secure the provision of, the funeral at some future point. He They may be the funeral services provider or a third party who arranges for another person to provide the funeral. Certain types of funeral plan contract are excluded (see PERG 2.8.14G).

2.7.18A G It is the FCA’s view that, in the case of a funeral plan contract involving more than one payment (such as an instalment payment funeral plan), the funeral plan provider does not enter as provider into a funeral plan contract on the occasion of each individual payment.

2.7.19 G In addition, other activities carried on in relation to rights under certain funeral plan contracts are regulated (see PERG 2.7.5G to PERG 2.7.11G and PERG 2.7.15G and PERG 2.7.16G PERG 2.7.6G, PERG 2.7.7AG(1) and (2), PERG 2.7.8G, PERG 2.7.9G, PERG 2.7.10G, PERG 2.7.11G and PERG 2.7.14CG to PERG 2.7.16-AG). This is because such rights are classified as contractually based investments.

Carrying out funeral plan contracts as provider  

2.7.19-A G Carrying out a funeral plan contract as provider is a regulated activity. This regulated activity applies in relation to both new funeral plan contracts and
those which were entered into by *funeral plan providers* before 29 July 2022 in reliance on the exclusions for trust and insurance-backed plans which were formerly contained in article 60 of the *Regulated Activities Order*.

2.7.19-B G In its consultation on the regulation of pre-paid funeral plans (June 2019), the Treasury indicated that this *regulated activity* was intended to cover the administration of *funeral plan contracts* after the point of sale. However, the Treasury’s consultation also explained that the *regulated activity of carrying out a funeral plan contract as provider* was not intended to extend to the activities of the funeral services provider in providing the end service for which pre-payment is made under the *funeral plan contract* (whether or not the funeral services provider is also the provider of the *funeral plan contract*).

2.7.19-C G For the purposes of this *regulated activity*, the definition of *funeral plan provider* includes a *person* who has assumed the undertaking referred to in *PERG 2.7.18G* to provide, or secure that another *person* provides, the funeral.

...  

2.8 Exclusions applicable to particular regulated activities

...  

Dealing in investments as agent

2.8.5 G The *regulated activity of dealing in investments as agent* applies to specified transactions relating to any *security* or to any *relevant investment* (apart from rights under *funeral plan contracts* or rights to or interests in such rights). In addition, the *activity is cut back by exclusions as follows.

...  

Entering funeral plan contracts  

Entering funeral plan contracts and carrying out funeral plan contracts as provider

2.8.14 G *Entering as provider into a funeral plan contract* is not treated as a *regulated activity* where:

(1) the contract is one under which the sums received from the customer will be applied towards a *contract of insurance* on the life of the *person* whose funeral is to be provided or be held on trust for the purpose of providing a funeral; in each case certain specified conditions must be met for the exclusion to apply; or The definition of *funeral plan contract* excludes those contracts under which the *customer* and the *funeral plan provider* intend or expect that the
funeral will be provided within one month of the contract being entered into.

(2) the customer and the provider intend or expect that the funeral will be provided within one month of the contract being entered into; or

The exclusion relating to activities carried on by a local authority (see PERG 2.9.23G) applies to the funeral plan provision activities.

(3) [deleted]

(4) it is provided by a firm with a Part 4A permission to manage a UK UCITS or manage an AIF in connection with, or for the purposes of, managing a UK UCITS or managing an AIF (see PERG 2.9.22G (Managers of UCITS and AIFs)). The funeral plan provision activities are subject to the exclusion for firms with a Part 4A permission to manage an AIF or manage a UK UCITS for activities carried on in connection with, or for the purposes of, managing a UK UCITS or managing an AIF.

... 

2.9 Regulated activities: exclusions applicable in certain circumstances

2.9.1 G The various exclusions outlined below deal with a range of different circumstances.

(4) Each set of circumstances described in PERG 2.9.3G to PERG 2.9.17G has some application to several regulated activities relating to securities, structured deposits, relevant investments or home finance transactions. They have no effect in relation to the separate regulated activities of accepting deposits, issuing electronic money, effecting or carrying out contracts of insurance, advising on syndicate participation at Lloyd’s, managing the underwriting capacity of a Lloyd’s syndicate as a managing agent at Lloyd’s or entering as provider into a funeral plan contract. Within each set of circumstances, the Regulated Activities Order, in Chapter XVII of Part II of the Order, makes separate provision for each regulated activity affected. This is necessary because each exclusion has to be tailored to reflect the different nature of the regulated activity involved and the different language required (for example, some activities involve entering directly into transactions while others relate to the provision of services).

... 

Local authorities

2.9.23 G This group of exclusions applies, in specified circumstances, to the regulated activities of:
(1) …

…

(23A) entering as provider into a funeral plan contract;

(23B) carrying out a funeral plan contract as provider;

…

2.10 Persons carrying on regulated activities who do not need authorisation

…

Members of the professions

…

2.10.14 G The regulated activities that may be carried on in this way are restricted by an Order made by the Treasury under section 327(6) of the Act (Exemption from the general prohibition) (the Non-Exempt Activities Order). Accordingly, under that section, a person may not by way of business carry on any of the following activities without authorisation:

(1) …

…

(7A) carrying out a funeral plan contract as provider;

Notes to Table 1

---

**Note 1A:**

*Funeral plan contracts are contractually based investments.* Accordingly, the following are regulated activities when carried on in relation to a funeral plan contract: (a) dealing in investments as agent, (b) arranging (bringing about) deals in investments, (c) making arrangements with a view to transactions in investments, (d) managing investments, (e) safeguarding and administering investments, (f) advising on investments (except P2P agreements), (g) sending dematerialised instructions and (h) causing dematerialised instructions to be sent (as well as agreeing to carry on each of the activities listed in (a) to (g) (h)). However, they are not designated investment business.

---

**Note 2:**

For the purposes of the regulated activities *regulated activity of dealing in investments as principal* (article 14) and *dealing in investments as agent* (article 24), the definition of contractually based investments [expanded in Table 3] excludes a funeral plan contract (article 87) and rights to or interests in funeral plan contracts.

---

**Table 3: Securities, contractually based investments and relevant investments**

[see notes 1 and 2 to Table 3]
Note 2:

For the purposes of the regulated activities of dealing in investments as principal (article 14) and dealing in investments as agent (article 21), the definition of contractually based investments excludes a funeral plan contract (article 87) and rights to or interests in funeral plan contracts.

8.1.3 Guidance In particular, this guidance covers:

8.7 Engage in investment activity

...

8.7.2 Controlled activity and controlled investment are defined in Schedule 1 to the Financial Promotion Order and are listed in PERG 8.36.3G and PERG 8.36.4G. Broadly speaking, controlled activities and controlled investments are similar to regulated activities and specified investments under the Regulated Activities Order. However, with controlled activities, the exclusions set out in the Regulated Activities Order do not, in most cases, apply. It is important to note, however, that there are certain differences between controlled activities and regulated activities and between controlled investments and specified investments. This is most notable where the financial promotion is about:

(1) certain credit agreements (see PERG 8.17 (Financial promotions concerning agreements for qualifying credit)); and
(2) funeral plan contracts (see PERG 8.16 (Financial promotions concerning funeral plans)); and [deleted]

...

8.16 Financial promotions concerning funeral plans

8.16.1 Section 21 of the Act came into force for financial promotions about funeral plans on 1 January 2002. A financial promotion about funeral plans is subject to the restriction in section 21 of the Act if it relates to a pre-paid funeral plan of any kind where the provider of the plan carries on the regulated activity of entering as provider into a funeral plan contract under article 59 of the Regulated Activities Order (see PERG 2.8.14G). This is the case even if the actual plan being promoted is excluded under article 60 of the Regulated Activities Order. However, providers may choose only to enter into funeral plan contracts which are excluded under article 60 of the Regulated Activities Order. If this is the case, any financial promotion relating to those plans will not be subject to the restriction in section 21 of the Act. [deleted]
