

Chapter 1

Commission Delegated Regulation (EU) 2016/1075

Article 6 Strategic analysis

(1) The strategic analysis shall identify core business lines and critical functions and set out the key steps to maintaining those core business lines and critical functions in a situation of financial stress.

(2) The strategic analysis shall include at least the following subsections:

(a) a description of the entity or entities covered by the recovery plan, as set out in Article 7;

(b) a description of recovery options, as set out in Articles 8 to 12.
