

# Chapter 1

## Commission Delegated Regulation (EU) 2016/1075

## Article 31 Assessment of feasibility: other potential impediments

The following legal issues shall be considered in assessing potential impediments to resolution:

- (1) whether requirements for regulatory approvals or authorisations necessary to deliver the resolution strategy can be met in a timely manner;
- (2) whether significant contractual documentation permits termination of contracts on entry into resolution;
- (3) whether contractual obligations which cannot be disapplied by the resolution authority prohibit any transfer of assets and/or liabilities envisaged in the resolution strategy.
