

Chapter 1

Commission Delegated Regulation (EU) 2018/959

Article 37 Authorisation equivalence of the
insurance provider

For the purposes of assessing the authorisation requirements of the insurance provider as referred to in Article 36(a), competent authorities shall consider that an undertaking authorised in a third country fulfils the requirements of authorisation, where that undertaking satisfies prudential requirements that are equivalent to those applied in the Union, including the requirements referred to in Article 323 of Regulation (EU) No 575/2013.
