Chapter 3

Commission Delegated Regulation (EU) No 148/2013

Preamble

.....

Article -1 Definitions

In this Regulation:

"IP completion day" has the meaning given in the European Union (Withdrawal) Act 2020;

'UK-adopted IFRS' means UK-adopted international accounting standards; and

'UK-adopted international accounting standards' means (in accordance with section 474(1) of the Companies Act 2006) international accounting standards which are adopted for use within the United Kingdom by virtue of Chapter 2 or 3 of Part 2 of the International Accounting Standards and European Public Limited-Liability Company (Amendment etc.) (EU Exit) Regulations 2019.

Article 1 Details to set out in reports
pursuant to Article 9(1) and (3) of
Regulation (EU) No 648/2012

(1) Reports to a trade repository shall include:

- (a) the details set out in Table 1 of the Annex which contains information relating to the counterparties to a contract;
- (b) the information set out in Table 2 of the Annex which contains details pertaining to the derivative contract concluded between the two counterparties.

(2) The details and information referred to in paragraph 1 shall be reported within a single report.

By way of derogation from the first subparagraph, the details and information referred to in paragraph 1 shall be reported in separate reports where the following conditions apply:

- (a) the derivative contract is composed of a combination of derivative contracts;
- (b) the fields in the Tables of the Annex do not allow for the effective reporting of the details and information of the derivative contract referred to in point (a).

Counterparties to a derivative contract composed of a combination of derivative contracts shall agree, before the reporting deadline, on the number of separate reports to be sent to a trade repository in relation to that derivative contract.

The reporting counterparty shall link the separate reports by an identifier that is unique at the level of the counterparty to the group of transaction reports, in accordance with field 14 in Table 2 of the Annex.

(3) Where one report is made on behalf of both counterparties, it shall contain the information set out in Table 1 of the Annex in relation to each of the counterparties. The information set out in Table 2 of the Annex shall be submitted only once.

(4) Where one report is made on behalf of both counterparties it shall indicate this fact, as set out in field 9 of Table 1 of the Annex.

(5) Where one counterparty reports the details of a contract to a trade repository on behalf of the other counterparty, or a third entity reports a contract to a trade repository on behalf of one or both counterparties, the details reported shall include the full set of details that would have been reported had the contracts been reported to the trade repository by each counterparty separately.

(6) Where a derivative contract includes features typical of more than one underlying asset as specified in Table 2 of the Annex, a report shall indicate the asset class that the counterparties agree the contract most closely resembles before the report is sent to a trade repository.

Article 2 Cleared trades

(1) Where a derivative contract whose details have already been reported pursuant to Article 9 of Regulation (EU) No 648/2012 is subsequently cleared by a CCP, that contract shall be reported as terminated by specifying in field 93 in Table 2 of the Annex the action type "Early Termination", and new contracts resulting from clearing shall be reported.

(2) Where a contract is both concluded on a trading venue and cleared on the same day, only the contracts resulting from clearing shall be reported.

Article 3 Reporting of exposures

(1) The data on collateral required in accordance with Table 1 of the Annex shall include all posted and received collateral in accordance with fields 21 to 35 in Table 1 of the Annex.

(2) Where a counterparty does not collateralise on a transaction level basis, counterparties shall report to a trade repository collateral posted and received on a portfolio basis in accordance with fields 21 to 35 in Table 1 of the Annex.

(3) Where the collateral related to a contract is reported on a portfolio basis, the reporting counterparty shall report to the trade repository a code identifying the portfolio related to the reported contract in accordance with field 23 in Table 1 of the Annex.

(4) Non-financial counterparties other than those referred to in Article 10 of Regulation (EU) No 648/2012 shall not be required to report collateral, mark-to-market, or mark-to-model valuations of the contracts set out in Table 1 of the Annex to this Regulation.

(5) For contracts cleared by a CCP, the counterparty shall report the valuation of the contract provided by the CCP in accordance with fields 17 to 20 in Table 1 of the Annex.

(6) For contracts not cleared by a CCP, the counterparty shall report, in accordance with fields 17 to 20 in Table 1 of the Annex to this Regulation, the valuation of the contract performed in accordance with the methodology defined in International Financial Reporting Standard 13 Fair Value Measurement as contained in UK-adopted IFRS.

Article 3a Notional amount

(1) The notional amount of a derivative contract referred to in field 20 in Table 2 of the Annex shall be specified as follows:

(a) in the case of swaps, futures and forwards traded in monetary units, the reference amount from which contractual payments are determined in derivatives markets;

(b) in the case of options, calculated using the strike price;

(c) in the case of financial contracts for difference and derivative contracts relating to commodities designated in units such as barrels or tons, the resulting amount of the quantity at the relevant price set in the contract;

(d) in the case of derivative contracts where the notional amount is calculated using the price of the underlying asset and such price is only available at the time of settlement, the end of day price of the underlying asset at the date of conclusion of the contract.

(2) The initial report of a derivative contract whose notional amount varies over time shall specify the notional amount as applicable at the date of conclusion of the derivative contract.

Article 4 Reporting log

Modifications to the data registered in trade repositories shall be kept in a log identifying the person or persons that requested the modification, including the trade repository itself if applicable, the reason or reasons for such modification, a date and timestamp and a clear description of the changes, including the old and new contents of the relevant data as set out in field 93 in Table 2 of the Annex.

Article 5 Entry into force

This Regulation shall enter into force on the twentieth day following that of its publication in the *Official Journal of the European Union*.

Signature

01/01/2021

This Regulation shall be binding in its entirety and directly applicable in all Member States.
