

# Chapter 1

## Commission Implementing Regulation (EU) 2017/1469

**Article 1 Name and company logo of the  
manufacturer**

(1) The name of the manufacturer of the non-life insurance product, its regulatory status, and, where relevant, its authorisation number shall immediately follow the title "insurance product information document" at the top of the first page.

(2) The manufacturer may insert its company logo to the right of the title.
