

## **Chapter 21**

# **Commission Delegated Regulation (EU) 2017/581**

Article 6 Denial of access by a trading  
venue based on operational risk and  
complexity

A trading venue may deny an access request on grounds of operational risk and complexity arising from such access only if there is a risk of incompatibility of CCP IT systems and trading venue IT systems, impeding the trading venue to provide for connectivity between those systems.
