

Chapter 22

Commission Delegated Regulation (EU) 2017/582

Article 1 Arrangements to facilitate the transfer of information

(1) A trading venue shall detail in its rules the information it needs from counterparties to a cleared derivative transaction in order to submit that transaction to a CCP for clearing, and the format in which that information shall be provided.

(2) A CCP shall detail in its rules the information it needs from counterparties to a cleared derivative transaction and from trading venues in order to clear that transaction, and the format in which that information shall be provided.
