

Chapter 27

Commission Delegated Regulation (EU) 2017/587

Article 16 References to trading day and daily trading hours

- (1) A reference to a trading day in relation to a trading venue shall be a reference to any day during which that trading venue is open for trading.
- (2) A reference to daily trading hours of a trading venue or an investment firm shall be a reference to the hours which the trading venue or investment firm establishes in advance and makes public as its trading hours.
- (3) A reference to the opening of the trading day at a given trading venue shall be a reference to the commencement of the daily trading hours of that trading venue.
- (4) A reference to the end of the trading day at a given trading venue shall be a reference to the end of the daily trading hours of that trading venue.
