

Prospectus Regulation

Chapter 1

Commission Delegated Regulation (EU) 2019/979

Article 20 Processing and notification of
documents and accompanying data

[deleted]

(1) ESMA shall ensure that the notification portal automatically processes and checks all uploaded documents and accompanying data and notifies the uploading competent authority of whether the upload was successful and whether the upload contained any error.

(2) ESMA shall ensure that the notification portal sends notifications of uploaded documents and accompanying data to the relevant competent authorities.
