

## Chapter 1

# Strong Customer Authentication and Common and Secure Methods of Communication

**Chapter -2 Definitions**

In these Standards:  
.....

1. references to the Payment Services Regulations 2017 (SI 2017/752) are references to the Payment Services Regulations as amended by the Electronic Money, Payment Services and Payment Systems (Amendment and Transitional Provisions) (EU Exit) Regulations 2018;
2. where a term is defined in the Payment Services Regulations 2017 (SI 2017/752), that definition shall apply unless the contrary intention appears.
