

## **Chapter 3**

# **Commission Delegated Regulation (EU) 2019/358**

## Article 7 Publication of aggregate position data

(1) A trade repository shall publish on its website aggregate position data, calculated in accordance with Article 6, on a weekly basis and by no later than Tuesday noon for SFTs reported by 23:59:59 UTC of the previous Friday.

(2) A trade repository shall publish all aggregate position data in euro and use the exchange rates published on the ECB website on the Friday preceding the publication of those data.

(3) A trade repository shall ensure that the aggregate position data are published in a tabular format as laid down in Annex II to this Regulation and that allows for the downloading of the data.

(4) The aggregate position data a trade repository has published on its website shall remain on that website for at least 104 weeks.
